If Sellers timely deliver such written notice to Purchaser, then Sellers and Purchaser shall negotiate in good faith to resolve any such disagreement with respect to the Final Closing Balance Sheet, the Purchaser's Proposed Calculations, the Final PPA Adjustment Amount and the Purchaser's calculation of the Final PPA Adjustment Amount. If the Purchaser and the Sellers are not able to resolve such dispute within thirty (30) days after the Purchaser's receipt of Sellers' Proposed Calculations and/or Seller's calculation of the Final PPA Adjustment Amount, then the Sellers and Purchaser retain the Independent Accounting Firm to resolve the remaining disputed items (the "Remaining Disputed Items"), within thirty (30) days after the retention of the Independent Accounting Firm, by conducting its own review and test of (i) each of the Purchaser's Proposed Calculations and the Sellers' Proposed Calculations, including the balance sheets, expenses statements and other records on which each such calculations were based, and thereafter selecting either Purchaser's Proposed Calculations of the Remaining Disputed Items or the Sellers' Proposed Calculations of the Remaining Disputed Items or an amount in between the two and/or (ii) each of the Purchaser's calculations and the Sellers' calculations with regard to the Final PPA Adjustment Amount, including the expenses statements and other records on which each such calculations were based, and thereafter selecting either Purchaser's calculations of the Remaining Disputed Items or the Sellers' calculations of the Remaining Disputed Items or an amount in between the two. Furthermore, each Party agrees that it will use the Confidential Information of any other Party solely for the purpose of carrying out this Agreement, and not to the detriment of the disclosing Party or any of its Affiliates. Each Party shall immediately notify the disclosing Party of any unauthorized disclosure or use hereunder, and shall use all reasonable efforts necessary to prevent further disclosure. Notwithstanding the foregoing, Confidential Information of any other Party shall not include any information that: (a) was furnished by such Party prior this Agreement without restrictions; (b) was in the public domain without fault or knowledge of the receiving Party prior to such disclosure; (c) is received by either Party from a third party without restriction or breach of any duty of confidentiality and without breach of this Agreement; or (d) is independently developed by the receiving Party without reliance on the Confidential Information of the disclosing Party. Notwithstanding and without limiting the generality of this Section 6.02(a), this Section 6.02(a) is subject to Section 6.02(b) and a receiving Party may disclose Confidential Information of a disclosing Party to the extent permitted under Section 6.02(b). Sellers acknowledge and agree that from and after the Closing, any Confidential Information relating to the Company or the Project (other than this Agreement and the terms hereof) shall be Confidential Information of Purchaser and Company and not the Sellers or any of their Affiliates.

(b) Notwithstanding the provisions of Section 6.02(a) the Parties acknowledge that a receiving Party may be legally compelled to disclose Confidential Information (or portions thereof): (i) pursuant to a valid subpoena or other court process; (ii) at the express direction (including for these purposes, as required by any statutes, rules or regulations of) any properly authorized Governmental Authority or (iii) as necessary to obtain the approval of any Governmental Authority to perform its obligations under this Agreement. If a receiving Party in the opinion of legal counsel becomes legally compelled pursuant to this Section 6.02(b) to disclose any Confidential Information of a disclosing Party as described in the preceding sentence, the receiving Party will provide the disclosing Party with prompt written notice thereof, including receiving Party's determination thereof and the nature, scope and contents of such legally compelled disclosure of such Confidential Information (to the extent legally permissible), so that the disclosing Party (A) may at the disclosing Party's expense discuss and consult with the receiving Party and its legal counsel regarding such legal compulsion or requirement and the extent of the required disclosure and (B) may seek a protective order or other appropriate remedy to prevent or limit the disclosure arising from such legal compulsion or requirement. If, notwithstanding any efforts pursuant to the preceding sentence, the receiving Party is nonetheless, in the opinion of legal counsel, legally compelled to disclose the Confidential Information to any tribunal or Governmental Authority, the receiving Party will

(c) Notwithstanding the provisions of Sections 6.02(a) and 6.02(b), the Parties acknowledge that each of the Parties or their respective Affiliates may be subject to the rules and regulations of the U.S. Securities and Exchange Commission (the "SEC") promulgated under the Securities Act of 1933 or the Securities Exchange Act of 1934 or other rules or regulations of any stock exchange upon which the securities of such Party or its Affiliates are listed ("Public Disclosure Rules") that will compel such Party to disclose Confidential Information). In addition, a receiving Party may be compelled to submit Confidential Information to a Governmental Authority in order to obtain approvals relating to the transactions contemplated by this Agreement, including the Wisconsin PSC Approval, approval of the Conversion and recovery in rates of the receiving Party's costs associated with this Agreement, ownership and operation of the Project, and the Conversion. A Party required to disclose Confidential Information pursuant to this Section 6.02(c) is referred to herein as the "Public Disclosure Party." In the event of such legal compulsion arising in the opinion of such Party's legal counsel, the Public Disclosure Party shall promptly inform the other Parties of its determination thereof and the nature, scope and contents of such legally compelled disclosure of such Confidential Information. Prior to and after its submission of documents with any Governmental Authority or stock exchange pursuant to applicable Public Disclosure Rules or other disclosure rules or requirements, the Public Disclosure Party will use its commercially reasonable efforts to preserve the confidentiality of such Confidential Information, including (A) providing to the other Parties drafts of any disclosure document to be filed with the SEC or such stock exchange or other Governmental Authority, (B) consulting with the other Parties with respect to the contents thereof and the manner of filing or submission thereof (including to the extent available, seeking confidential or non-public treatment of such Confidential Information) and (C) cooperating with the other Parties and their legal counsel with regard to such other Parties' attempts to obtain a protective order (or other legal remedy) to limit the disclosure of such Confidential Information to the extent permitted under the Public Disclosure Rules.

(d) Each Party shall promptly return to a disclosing Party, or verify the destruction of all items containing or constituting Confidential Information of such disclosing Party, together with all copies, extracts or summaries thereof, upon the termination of this Agreement; provided, that each Party may retain one (1) copy of this Agreement in its legal archives for record purposes; provided further, that the provisions of this Section 6.02 shall continue to apply thereto.

(e) Each Party hereby acknowledges that any violation of this Section 6.02 will cause a disclosing Party immediate and irreparable harm that monetary damages cannot adequately

(f) The provisions of this Section 6.02 shall survive for a period of three (3) years after the expiration or earlier termination of this Agreement.

(g) Nothing in this Section 6.02 or otherwise in this Agreement is intended to supersede or alter any obligations of any Party under any other confidentiality or non-disclosure agreement between or among one or more Parties and any Person that is not a Party.

SECTION 6.03 No Other Contact. Purchaser, its Affiliates and its Representatives shall not contact or correspond with any customer, supplier, contractor, vendor, employee or other Person associated with the Company, the Project, the Company Assets, any Seller or any of their respective Affiliates, without the prior written consent of each of the Sellers; provided, however that so long as Purchaser is in compliance with its obligations under Section 8.02(a), such contact or correspondence shall be permitted by Purchaser (x) as a counterparty to any Contract with Company or with respect to the Project, including the Existing Tolling Agreement or the New Tolling Agreement; (y) so long as such contacts have been coordinated in all material respects with the Sellers, in connection with the consummation of the transactions contemplated by this Agreement; or (z) so long as such contacts and correspondence have been coordinated in all material respects with the Sellers; provided further that, nothing in this Section 6.03 shall prohibit Purchaser, its Affiliates or its Representatives from contacting any such customer, supplier, contractor, vendor, employee or other Person in connection with the operation of the business of Purchaser, its Affiliates or its Representatives in the ordinary course of Purchaser's business as Purchaser's business is conducted without regard to the transactions contemplated by this Agreement.

SECTION 7.03 Other Tax Matters.

(a) Apportionment of Taxes.

(i) Sellers shall be responsible for all Taxes imposed on the Company for any Pre-Closing Period or Pre-Closing Portion in excess of the Liability for Taxes reflected in the calculation of Closing Date Net Working Capital. Sellers shall be responsible for all Taxes (other than Taxes imposed on the Company) that are due or become due with respect to the assets and properties of the Company for any Pre-Closing Period or Pre-Closing Portion.

(ii) Except as provided in Section 7.03(a)(i), Purchaser shall be responsible for all Taxes imposed on the Company or that are due or become due with respect to the assets and properties of the Company.

(iv) Each Party shall cooperate in assuring that Taxes that are the responsibility of Sellers pursuant to this Section 7.03(a) are paid by Sellers, and that Taxes that are the responsibility of the Purchaser pursuant to this Section 7.03(a) are paid by the Purchaser.

(b) Tax Returns.

(i) Sellers shall prepare and file all Tax Returns required to be filed by the Company for any Pre-Closing Period. Purchaser and the Company shall provide Sellers with such information and cooperation as Sellers shall reasonably request in order to prepare and file any such Tax Returns. (ii) Purchaser shall prepare and file all Tax Returns required to be filed by the Company for any taxable period ending after the Closing Date. Any such Tax Return for a Straddle Period shall be prepared on a basis consistent with past practices unless otherwise required by Applicable Law. Not later than sixty (60) days prior to the filing of a Tax Return of the Company for a Straddle Period, Purchaser shall deliver a copy of such Tax Return to Sellers for their review and comment. Sellers shall provide to Purchaser any comments Sellers may have with respect to any such Tax Return within twenty (20) days of receiving such Tax Return. Sellers and Purchaser shall attempt to mutually resolve any disputes regarding any such Tax Returns within five (5) days of Purchaser receiving Sellers' comments, provided that if any such dispute cannot be resolved within such time period, the dispute shall be submitted to the Independent Accounting Firm for resolution (in which case the provisions set forth in Section 3.02 with respect to resolution of disputed items by the Independent Accounting Firm shall apply) and the determination rendered by an Independent Accounting Firm mutually agreed to by Purchaser and Sellers shall be final and binding on the Parties for all purposes and such Tax Return shall be filed in a manner that is consistent with such determination. Not later than thirty (30) days after filing any Tax Return of the Company for a Straddle Period, Purchaser shall deliver a copy of such Tax Return as filed to Sellers.

(iii) Sellers and Purchaser shall reasonably cooperate, and shall cause their respective Affiliates and Representatives reasonably to cooperate, in preparing and filing all Tax Returns, including maintaining and making available to each other all records that are necessary for the preparation of any Tax Returns that the other is required to file under this Section 7.03 and in resolving any disputes between the Parties with respect to such Tax Returns.

(iv) Purchaser shall notify Sellers in writing upon receipt by Purchaser, the Company, or any of Purchaser's Affiliates of a notice of any pending or threatened United States federal, state or local Tax audits or assessments which may materially affect the Tax Liabilities for which either Seller is liable pursuant to Section 7.03(a); provided, that failure to comply with this provision shall not affect either Seller's

Notwithstanding the foregoing, without the prior written consent of Purchaser, which consent may not be unreasonably withheld, delayed or conditioned, neither of the Sellers nor any Affiliate of either Seller shall be entitled to settle, either administratively or after the commencement of litigation, any claim for Taxes which could materially adversely affect the liability for Taxes for which Purchaser is responsible under Section 7.03(a).

(vi) Sellers and Purchaser shall jointly control any Tax audit or administrative or court proceeding relating to Tax Liabilities for a Straddle Period, with any disputes as to the conduct of such audit or administrative or court proceeding being resolved in the manner set forth as follows. The objecting Party shall notify the other Party in writing of the area or areas of disagreement. If the Parties are unable to resolve their dispute within twenty (20) days, the matter shall be referred to a certified accountant or tax attorney ("Tax Advisor") selected by both Parties. The decision of the Tax Advisor shall be binding on all Parties. The Tax Advisor's fees shall be shared equally between Sellers, on the one hand, and Purchaser on the other hand. No Party or its Affiliates shall take a position on any Tax Return, or in any Tax audit or administrative or court, that is in any manner inconsistent with such determination, without the prior written consent of the other Party. Purchaser shall have the sole right to represent the Company's interests in any Tax audit or administrative or court proceeding relating to Tax Liabilities other than any proceeding for a Straddle Period and any proceeding in respect of which either Seller has the representation right pursuant to Section 7.03(b)(v) and to employ counsel of Purchaser's choice at Purchaser's expense.

Each Seller and Purchaser each agree to retain all books and records with respect to Tax matters pertinent to the Company relating to any taxable period beginning before the Closing Date until the expiration of the applicable statute of limitations (and, to the extent notified by a Party, any extensions thereof).

consult and cooperate with the other Parties to consummate and make effective the transactions contemplated hereby, as soon as reasonably practicable, including the satisfaction of all conditions thereto set forth herein; provided, however, that this shall in no way impair the Parties' respective termination rights under Section 13.01. The Sellers and Purchaser shall jointly consult and cooperate prior to all appearances, presentations, briefs and proposals made or submitted by or on behalf of either Seller or Purchaser before any regulatory authority in connection with the approval of this Agreement and the transactions contemplated hereby and the Sellers and Purchaser will consult and fully cooperate with each other, and consider in good faith the views of the other, in connection with any such appearance, presentation, brief or proposal; provided, that nothing will prevent a Party from responding to a subpoena or other legal process as required by law or submitting factual information in response to a request therefor. The Sellers and Purchaser will provide the other with copies of all written communications from Governmental Authorities relating to the approval or disapproval of this Agreement and the transactions contemplated hereby, including any Seller Regulatory Approval or Purchaser Regulatory Approval, as applicable. Sellers shall use commercially reasonable efforts to cooperate with Purchaser in its efforts to obtain the estoppel certificates attached as Exhibit 8.02(a). (b) Financial Information. Following the execution of this Agreement and until the Closing Date (or earlier termination of this Agreement), Sellers shall provide Purchaser, as and if available to Sellers, copies of (i) quarterly financial statements for the Company within sixty (60) days of the end of such applicable period and (ii) annual financial statements for the Company within ninety (90) days of the end of such applicable period, in each case subject to any

Each Seller shall provide to Buyer a certificate in substantially the form attached hereto as Exhibit 8.02(b)(i), in the case of Fox OP and GE Parent, or Exhibit 8.02(b)(ii), in the case of Fox River and Tyr Parent, executed by an authorized representative of GE Parent and Tyr Parent, as applicable, and as of each of the following dates: (a) simultaneously with the execution and delivery of this Agreement, certifying the financial condition of GE Parent and Tyr Parent, respectively, as of such date, (b) if the Closing has not occurred by such date, within 120 days after December 31, 2012, certifying the financial condition of GE Parent and Tyr Parent, respectively, as of December 31, 2012 (including audited 2012 financials of Tyr Parent if available as of such date), (c) if the Closing has not occurred as of such date, within 45 days of June 30, 2013, certifying the financial condition of GE Parent and Tyr Parent, respectively, as of June 30, 2013, (d) if the Closing has not occurred by such date and the audited 2012 financial statements of Tyr Parent are not delivered pursuant to clause (b) of this sentence, within 10 days after such audited financials become available but no later than June 30, 2013, certifying the financial condition of Tyr Parent as of December 31, 2012, and (e) on the Closing Date, certifying the financial condition of GE Parent and Tyr Parent, respectively, as of such date.

Such commercially reasonable efforts of Sellers shall consist solely of (i) causing the Company to provide access to and right to inspect the Project and the Owned Real Property as Purchaser may reasonably request, (ii) furnishing, and causing the Company to furnish access to such Representatives of Sellers and the Company as Purchaser may reasonably request and (iii) furnishing, and causing the Company to furnish, such financial and operating data and information with respect to the Company as Purchaser may reasonably request, in each case of clauses (i) through (iii) solely to the extent reasonably related to Purchaser's development of its operational transition plan and implementation thereof from and after the Closing Date; provided, however, that any such investigation shall be subject to any applicable confidentiality restrictions thereto or hereunder, and shall be conducted during ordinary business hours upon reasonable advance notice to Sellers, under supervision of Sellers' or the Company's personnel and in a manner so as not to interfere with the normal operations of the Company, including compliance with safety and OSHA rules and other rules of conduct imposed by the Company, its Affiliates or the operator of the Project, and Purchaser shall have no right hereunder to perform invasive or subsurface investigation of the Owned Real Property. Notwithstanding the foregoing or anything to the contrary in this Agreement, none of Sellers or the Company (or any of their respective Representatives) shall be required to disclose any information or provide such access to Purchaser if such disclosure or access would, in the Sellers' sole discretion, (A) be repetitive or duplicative of information and access previously provided, (B) involve disclosure of bids, letters of intent, expressions of interest or other proposals received from third parties with respect to the Transferred Interests or the Project, or

Without regard to Article XII, Purchaser shall indemnify, defend, reimburse and hold harmless each of Sellers and their Representatives from and against any and all Losses incurred or sustained by, or imposed upon or against, any of them relating to, resulting from or arising out of the access provided to Purchaser or its Representatives pursuant to this Section 8.02(c), including any penalties or other Losses as a result of non-compliance of safety rules and other applicable rules of conduct by Purchaser or its Representatives. All requests for access and information by Purchaser pursuant to this Section 8.02(c) shall be submitted or directed exclusively to PurEnergy, LLC (attention: Tom Murphy) or to such other entities or individuals as Sellers may designate in writing from time to time. The Parties understand and agree that the access and information to be requested by Purchaser pursuant this Section 8.02(c) after the date of this Agreement shall be limited but will increase in frequency and in detail from and after the date that is 60 days prior to the anticipated Closing Date. For the avoidance of doubt, neither Purchaser's development or implementation of its operational transition plan shall be a condition to Closing.

SECTION 8.03 Public Announcements. Without giving at least five (5) Business Days' prior notice and obtaining the prior written approval of each Seller (in the case of a release or statement by Purchaser) or Purchaser and the other Seller (in the case of a release or statement by a Seller), no Party will issue, or permit any agent or Affiliate of such Party or the Company to issue any press releases or otherwise make, or cause any agent or Affiliate of such Party or the Company to make, any public statements with respect to this Agreement and the transactions contemplated hereby or using the name of either Seller or any Affiliate of either Seller (whether in connection with this transaction or otherwise), except when such release or statement is deemed in good faith by the releasing Party to be required by Applicable Law or any Governmental Authority (including the PSCW), required to obtain an approval by any Governmental Authority associated with this Agreement, the Project, or the Conversion or under the applicable rules and regulations of a stock exchange or market on which the securities of the releasing Party or any of its Affiliates are listed. Specifically and without limiting the generality of the foregoing, each Seller and Purchaser shall, to the maximum extent permitted by the relevant Applicable Law, the relevant Governmental Authority (including the PSCW) or the relevant rules and regulations of a stock exchange or market on which the securities of the releasing Party or any of its Affiliates are listed, redact from documents or otherwise protect the confidentiality of all matters that constitute Confidential Information (including specifically the financial terms of this Agreement and the CSA Management Agreement) when participating in the proceedings and activities contemplated by Section 8.06. Any Disclosure Schedule Update shall not be deemed to be an acknowledgment or representation that such Disclosure Schedule Update is material, to establish any standard of materiality or to define further the meaning of such terms for purposes of this Agreement. In no event shall any Disclosure Schedule Update after the date of this Agreement be deemed to cure any inaccuracy or breach of any representation or warranty by either Seller in this Agreement as of the date of this Agreement.

Any Disclosure Schedule Updates for which the foregoing conditions are not satisfied shall not qualify the representations and warranties, or cure any misrepresentation or breach of warranty hereunder for the purposes of Article IX, Article XII, or Section 13.01.

(c) Notwithstanding anything in this Section 8.04 to the contrary, in no event shall any Disclosure Schedule Update from either Seller be deemed to have amended any of the Excluded Update Schedules, to have qualified the representations and warranties relating to any of the Excluded Update Schedule as of the date of this Agreement, or to have cured any misrepresentation or breach of warranty relating to any of the Excluded Update Schedules that otherwise might have existed hereunder by reason of the existence of such matter. ARTICLE XII

INDEMNIFICATION

SECTION 12.01 Indemnification by the Sellers. From and after the Closing, subject to the other terms and limitations set forth in this Agreement, each Seller shall indemnify, defend, reimburse and hold harmless Purchaser, its Affiliates (other than the Company) and their respective directors, officers, partners and employees (each such Person, a “Purchaser Indemnified Party” and, collectively, the “Purchaser Indemnified Parties”) on a several and not a joint basis, from and against any and all Losses actually incurred by any Purchaser Indemnified Party, subject to the limitations set forth under Section 12.03, as a result of, in connection with, relating to or arising out of any (a) inaccuracy or breach by such Seller of such Seller’s representations and warranties made in this Agreement, or (b) for a breach of the covenants or obligations of such Seller under this Agreement.

SECTION 12.02 Indemnification by Purchaser. From and after the Closing, subject to the other terms and limitations set forth in this Agreement, Purchaser shall indemnify, defend, reimburse and hold harmless each Seller, its Affiliates and their respective directors, officers, partners and employees (each such Person, a “Seller Indemnified Party” and, collectively, the “Seller Indemnified Parties”) from and against any and all Losses actually incurred by any Seller Indemnified Party as a result of, in connection with, relating to or arising out of any (a) inaccuracy or breach of Purchaser’s representations or warranties made in this Agreement, or (b) for any breach of the covenants or obligations of Purchaser under this Agreement.

SECTION 12.03 Limitations on Indemnity.

(a) Threshold. None of the Purchaser Indemnified Parties shall be entitled to assert any right to indemnification under Section 12.01(a) or Section 12.10, and none of the Seller Indemnified Parties shall be entitled to assert any right to indemnification under Section 12.02(a), until the aggregate amount of all Losses actually incurred by the applicable Indemnified Parties exceeds One Million Five Hundred Thousand US Dollars (US\$1,500,000), and then only to the extent the aggregate amount of all Losses actually incurred by the applicable Indemnified Parties exceeds such amount.

(b) Maximum Liability. Anything in this Agreement to the contrary notwithstanding, in no event shall (x) Sellers ever be required to indemnify the Purchaser Indemnified Parties for Losses pursuant to Section 12.01(a) and Section 12.10, or (y) Purchaser

CONFIDENTIAL TREATMENT REQUESTED FOR PORTIONS OF THIS DOCUMENT. PORTIONS FOR WHICH CONFIDENTIAL TREATMENT IS REQUESTED ARE DENOTED BY [CONFIDENTIAL TREATMENT REQUESTED]. MATERIAL OMITTED HAS BEEN FILED SEPARATELY WITH THE SECURITIES AND EXCHANGE COMMISSION.

ever be required to indemnify the Seller Indemnified Parties for Losses pursuant to Section 12.02(a), in any amount exceeding, in the aggregate, \$40,000,000 nor shall either Seller individually be required to indemnify the Purchaser Indemnified Parties in an amount exceeding \$20,000,000.

(c) Adjustments for Indemnity Payments. The Parties agree to treat any indemnity payment made pursuant to this Agreement as an adjustment to the Purchase Price, unless otherwise required pursuant to a “determination” within the meaning of Section 1313(a)(1) or (2) of the Code.

(d) Exceptions. The limitations set forth in Sections 12.03(a) and 12.03(b) shall not apply in instances of fraud or intentional misconduct on the part of either Seller or Purchaser, as applicable, or to any breach of the representations and warranties by Sellers set forth in Sections 4.01(a) (Organization), 4.01(c) (Authority), 4.01(d) (Enforceability), 4.01(e) (Transferred Interests), 4.01(h) (Brokers), 4.02(a) (Organization), 4.02(b) (Qualification), 4.02(c) (Capitalization), or 4.02(r)(i) (Title to Company Assets) (the “Specified Representations”), which instances or breaches shall instead be subject to the following limitation: (i) in no event shall Sellers ever be required to indemnify the Purchaser Indemnified Parties (including pursuant to Section 12.01(a), 12.01(b) (other than with respect to Sellers’ respective obligations to convey the Transferred Interests pursuant to Section 2.01) or Section 12.10) for Losses in any amount exceeding, in the aggregate, the greater of (y) the Termination Amount plus the Purchase Price minus the Credit Facility Payoff Amount or (z) \$310,000,000, nor (ii) shall either Seller individually be required to indemnify the Purchaser Indemnified Parties in any amount exceeding 50% of the greater of the foregoing clauses (y) and (z).

(e) CSA Management Agreement. None of the Purchaser Indemnified Parties shall be entitled to recover any Losses under this Agreement to the extent that recovery of such Losses is available by Purchaser under the CSA Management Agreement or Purchaser is required to pursue recovery from another Person under the CSA Management Agreement.

SECTION 12.04 Indemnity Procedures.

(a) Procedure for Third-Party Claims.

(i) Notice of Claim. If a claim by a third party is made against a Seller Indemnified Party or a Purchaser Indemnified Party (any such indemnified party, an “Indemnified Party”), and if such Indemnified Party intends to seek indemnity with respect thereto under this Article XII, such Indemnified Party shall promptly furnish written notice of such claim (in reasonable detail and including the factual basis for such claim and, to the extent known, the amount thereof) to the Party against whom indemnity is sought (such Party, in such capacity, the “Indemnifying Party”). Thereafter, the Indemnified Party will deliver to the Indemnifying Party, promptly after the Indemnified Party’s receipt thereof, copies of all material notices and documents (including court papers) received or transmitted by the Indemnified Party relating to such claim. The

failure or delay of the Indemnified Party to deliver prompt written notice of a claim shall not affect the indemnity obligations of the Indemnifying Party hereunder, except to the extent the Indemnifying Party was actually disadvantaged by such failure or delay in delivery of notice of such claim.

(ii) Conduct of Claim. The Indemnifying Party shall have ten (10) days after receipt of such notice to elect to undertake, conduct and control (through counsel of its own choosing and at its own expense), and, in any event, shall have the right to participate (at its own expense) in the settlement or defense of such claim, and the Indemnified Party shall reasonably cooperate with it in connection therewith. If the Indemnifying Party timely elects to undertake, conduct and control the settlement or defense of such claim, the Indemnifying Party shall permit the Indemnified Party to participate in such settlement or defense through counsel chosen by such Indemnified Party (but the fees and expenses of such counsel shall be borne by such Indemnified Party). So long as the Indemnifying Party, at the Indemnifying Party's cost and expense, (i) has undertaken the defense of, and assumed full responsibility for all indemnified liabilities with respect to, such claim, (ii) is contesting such claim in good faith through appropriate proceedings and (iii) has taken such action (including the posting of a bond, deposit or other security) as may be necessary to prevent any action to foreclose a Lien against or attachment of the property of the Indemnified Party for payment of such claim, the Indemnified Party shall not pay or settle any such claim; provided, however, that, the Indemnified Party shall have the right to pay or settle any such claim if it has waived in writing any right to indemnity by the Indemnifying Party for such claim; and, provided, further, that, if within ten (10) days of such notice from the Indemnified Party, the Indemnifying Party does not notify the Indemnified Party that it elects (at the Indemnifying Party's cost and expense) to undertake the defense thereof and assume full responsibility for all indemnified liabilities with respect thereto, or gives such notice and thereafter fails to contest such claim in good faith or to prevent action to foreclose a Lien against or attachment of the Indemnified Party's property as contemplated above, the Indemnified Party shall have the right, at the Indemnifying Party's expense, to contest, settle or compromise such claim and the Indemnified Party shall not thereby waive any right to indemnity for such claim under this Agreement.

(iii) Limitations on Settlement. No Indemnifying Party will consent to any settlement, compromise or discharge (including the consent to entry of any judgment) of any such claim without the Indemnified Party's prior written consent (which consent will not be unreasonably withheld or delayed), provided, that, if the Indemnifying Party assumes the defense of any such claim, the Indemnified Party will agree to any settlement, compromise or discharge of such claim which the Indemnifying Party may recommend and which by its terms obligates the Indemnifying Party to pay the full amount of Losses in connection with such claim and releases the Indemnified Party and its Affiliates from liability in connection with such claim; provided, however, that the Indemnified Party may refuse to agree to any such settlement, compromise or discharge

(x) that provides for injunctive or other non-monetary relief affecting the Indemnified Party or any of its Affiliates or (y) that, in the reasonable opinion of the Indemnified Party, would otherwise adversely affect the Indemnified Party. Whether or not the Indemnifying Party shall have assumed the defense of such claim, the Indemnified Party will not admit any liability with respect to, or settle, compromise or discharge (including the consent to entry of any judgment with respect to), any such claim without the prior written consent of the Indemnifying Party (which consent will not be unreasonably withheld or delayed).

(b) Procedure for Other Claims. Any claim on account of Losses for which indemnification is provided under this Agreement, which does not involve a claim of a third party, will be asserted by written notice (setting forth in reasonable detail the facts or circumstances that allegedly give rise to such claim and, to the extent known, the amount thereof) given by the Indemnified Party to the Indemnifying Party from whom such indemnification is sought, which notice shall be given promptly after such Indemnified Party obtains actual knowledge of the existence of such claim. The failure or delay of the Indemnified Party to deliver prompt written notice of a claim shall not affect the indemnity obligations of the Indemnifying Party hereunder, except to the extent the Indemnifying Party was actually disadvantaged by such failure or delay in delivery of notice of such claim.

(c) Subrogation. In the event of payment in full by an Indemnifying Party to any Indemnified Party in connection with any claim (an “Indemnified Claim”), such Indemnifying Party will be subrogated to and will stand in the place of such Indemnified Party as to any events or circumstances in respect of which such Indemnified Party may have any right or claim relating to such Indemnified Claim against any claimant or plaintiff asserting such Indemnified Claim or against any other Person. Such Indemnified Party will cooperate with such Indemnifying Party in a reasonable manner, and at the cost and expense of such Indemnifying Party, in prosecuting any subrogated right or claim.

SECTION 12.05 Survival and Time Limitation. The terms and provisions of this Agreement shall survive the Closing of the transactions contemplated hereunder. Notwithstanding the foregoing, after the Closing, any claim by any Purchaser Indemnified Party that either Seller is liable to such Purchaser Indemnified Party under the terms of this Agreement for breach of any representations or warranties of such Seller must be made in writing and given to such Seller (or not at all) on or prior to the date that is eighteen (18) months after the Closing Date, except that (a) any claims for breach of the Specified Representations shall survive the Closing indefinitely, (b) any claims for breach of the representations and warranties in Sections 4.02(j) (Taxes) and 4.02(k) (Employee Benefits) shall survive the Closing until the date that is ninety (90) days past the expiration of the applicable statute of limitations, and (c) there shall be no such time limitation or survival period for any fraud or intentional misconduct.

SECTION 12.06 Further Indemnity Limitations.

(a) Insurance Proceeds. The amount of any indemnifiable Losses shall be reduced to the extent of any (i) insurance proceeds actually received by such Indemnified Party with respect to such Loss less any self insurance retention amount, deductibles paid and any reasonably foreseeable increases in premiums, in each case relating to such Losses and (ii) any payment actually received by an Indemnified Party from a third party with respect to such Loss.

(b) Mitigation. Notwithstanding anything to the contrary contained herein, upon becoming aware of a Loss for which it seeks indemnification the Indemnified Party will take all commercially reasonable steps to mitigate all Losses relating to a claim, including availing itself of any defenses, limitations, rights of contribution, claims against third Persons and other rights at law or equity, and will provide such evidence and documentation of the nature and extent of the claim as may be reasonably requested by the Indemnifying Party.

(c) Materiality. For purposes of determining the amount of Losses resulting from a breach of a representation, warranty, or covenant under this Agreement (but not for the purpose of determining whether or not such representation, warranty, or covenant has been breached for the purposes of Sections 12.01 and 12.02), the amount of such Losses shall be determined without reference to any materiality or Material Adverse Effect qualification in such representation, warranty, or covenant.

SECTION 12.07 Sole and Exclusive Remedy. From and after the Closing, the indemnification provisions of this Article XII shall be the sole and exclusive remedy of each Party (including the Seller Indemnified Parties and the Purchaser Indemnified Parties) (i) for any breach of any Party's representations, warranties, covenants or agreements contained in this Agreement or (ii) otherwise with respect to this Agreement or the transactions contemplated hereby with respect to the Company, other than in the case of (i) and (ii) instances of fraud or intentional misconduct or claims for non-monetary relief with respect to the enforcement of Section 6.02 or 8.03. In furtherance of the foregoing, each Party hereby waives, to the fullest extent permitted under Applicable Law, any and all rights, claims and causes of action it may have against another Party hereunder or under Applicable Law with respect to the claims described in clauses (i) and (ii) above, other than instances of fraud or intentional misconduct or claims for non-monetary relief with respect to the enforcement of Section 6.02 or 8.03.

SECTION 12.08 Waiver of Damages. Notwithstanding anything to the contrary contained in this Agreement, the Sellers and Purchaser agree that the recovery by any Indemnified Party of any damages suffered or incurred by such Indemnified Party as a result of any breach by another Party of any of its obligations under this Agreement shall be limited to the Losses suffered or incurred by an Indemnified Party as a result of the breach by the breaching Party of its obligations hereunder. Except with respect to any third party claims against the Indemnified Party and in instances of fraud or intentional misconduct, in no event shall the breaching Party be liable to an Indemnified Party for any indirect, consequential, special, exemplary or punitive damages.

SECTION 12.09 Additional Limitations.

For the avoidance of doubt, this Article XII, including Section 12.07, shall have no application with respect to claims between Fox OP and Fox River.

SECTION 12.10 Special Indemnity.

Prior to Closing, Sellers shall use commercially reasonable efforts to obtain and deliver to Purchaser (a) a fully executed copy of unrecorded Option Agreement for Water Pipeline Easement (the “Unrecorded Water Easement”) described in Parcel 3 on Schedule 4.02(n), and (b) an assignment instrument (the “Canal Assignment”) pursuant to which the original grantor assigned the Right-of-Way Easement described in Parcel 11 on Schedule 4.02(n) (the “Canal Easement”) to the current grantor under the Canal Easement, and an estoppel certificate or similar written assurance executed by the current grantor under the Canal Easement in form and substance reasonably acceptable to Purchaser (the “Canal Estoppel”). In the event that Sellers obtain and deliver the Unrecorded Water Easement, the Canal Assignment or the Canal Estoppel prior to Closing, and any of such are not reasonably acceptable to Purchaser, then Purchaser shall have the right to terminate this Agreement by notice to Sellers. In the event Sellers fail to obtain and deliver to Purchaser the Unrecorded Water Easement, the Canal Assignment or the Canal Estoppel on or prior to the Closing Date, from and after the Closing, each Seller shall indemnify, defend, reimburse and hold harmless the Purchaser Indemnified Parties, on a several and not a joint basis, from and against any and all reasonable Losses actually incurred by any Purchaser Indemnified Party, acting consistent with Prudent Industry Practices and in a manner consistent with the actions of such Purchaser Indemnified Party or other utilities acting under similar circumstances, as a result of, in connection with, relating to or arising out of (y) failure of Company to hold a water pipeline easement for Parcel 3 on Schedule 4.02(n), with no further consideration due, and otherwise on terms substantially similar to the unrecorded easement for Parcel 5 on Schedule 4.02(n) (in the event that Sellers fail to deliver the Unrecorded Water Easement prior to the Closing Date), or (z) assignment to the current grantor of the Canal Easement having caused or resulting in a material change in terms or termination of the Canal Easement (in the event that Sellers fail to deliver the Canal Assignment prior to the Closing Date), or any Company monetary breach or default under the Canal Easement (in the event that Sellers fail to deliver the Canal Estoppel prior to the Closing Date). The foregoing indemnity shall be effective notwithstanding any disclosures in the Disclosure Schedules as of the date of this Agreement.

ARTICLE XIII

TERMINATION AND REMEDIES

SECTION 13.01 Termination of Agreement. No Party may terminate this Agreement if the event allowing termination is the result of such Party’s material breach of this Agreement. Subject to the foregoing, this Agreement and the transactions contemplated hereby may be terminated at any time prior to the Closing:

(a) by the mutual written consent of each Seller and Purchaser;

(b) by either Seller, if (i) Purchaser fails to comply with any of its covenants or agreements contained herein, or breaches any of its representations and warranties contained herein, which failure to comply or breach is not cured within thirty (30) days after receipt by Purchaser from either Seller of written notice of such failure to comply or breach, and such failure to comply or breach would result in a failure to satisfy the conditions to Closing set forth in Section 9.01, or (ii) any of the Purchaser Regulatory Approvals, the Seller Regulatory Approvals and the FERC Approval shall have been obtained on terms and conditions that are materially adverse to the interests of either of the Sellers;

(c) by Purchaser, if (i) either Seller fails to comply with any of its covenants or agreements contained herein, or breaches any of its representations and warranties contained herein, which failure to comply or breach is not cured within thirty (30) days after receipt by the Sellers from Purchaser written notice of such failure to comply or breach, and such failure to comply or breach would result in a failure to satisfy the conditions to Closing set forth in Section 9.02; or (ii) any of the Purchaser Regulatory Approvals (except the Purchaser Regulatory Approval contemplated by clause (2) of the definition of “Wisconsin PSC Approval”), the Seller Regulatory Approvals and the FERC Approval shall have been obtained on terms and conditions that are materially adverse to the interests of Purchaser;

(d) by either Seller or Purchaser, if a Governmental Authority shall have issued an order, decree or ruling or taken any other action (which order, decree or ruling the parties hereto shall use their commercially reasonable efforts to lift), which permanently restrains, enjoins or otherwise prohibits the transactions contemplated by this Agreement and which order, decree, ruling or other action is not subject to appeal;

(e) by Purchaser or either Seller, notice to the others, at any time if Closing does not occur on or before December 28, 2013 (the “Closing Deadline”);

(f) by Purchaser, if GE Parent or Tyr Parent fail to maintain the financial conditions set forth on Exhibit 8.02(b) and the same is not cured (including by replacement credit support from a creditworthy entity, as reasonably determined by Purchaser) within thirty (30) days after receipt by the applicable Seller from Purchaser of written notice specifying particularly such decline, and such decline would result in a failure to satisfy the conditions to Closing set forth in Section 9.02(e);

(g) by Purchaser, if by November 1, 2012, the Lender Consent has not been obtained;

(h) by either Seller, if Purchaser terminates the New Tolling Agreement in accordance with its terms; or

(i) by Purchaser, as set forth in Section 12.10.

SECTION 13.02 Effect of Termination. In the event of termination of this Agreement by a Seller or Purchaser pursuant to Section 13.01, written notice thereof shall promptly be given by the terminating Party to the other Parties, and this Agreement shall thereupon terminate. Following any such termination, Purchaser and the Sellers will continue to be bound by their obligations set forth in Sections 6.02, 8.03 and 8.06(d), Sections 12.08 and 13.03(d) and Article XIV. If this Agreement is terminated as provided herein, (a) all filings, applications and other submissions made to any Governmental Authority shall, to the extent practicable, be withdrawn from the Governmental Authority to which they were made, and (b) for the avoidance of doubt, the Existing Tolling Agreement and New Tolling Agreement shall remain in full force and effect in accordance with its terms.

SECTION 13.03 Remedies.

(a) Seller Remedies. Upon the failure by Purchaser to fulfill any undertaking or commitment provided for herein on the part of Purchaser that is required to be fulfilled on or prior to the Closing Date, each Seller, at its sole option, may (i) enforce specific performance of this Agreement or (ii) pursue any rights or remedies available at law or in equity.

(b) Purchaser Remedies. Upon the failure by a Seller to fulfill any undertaking or commitment provided for herein on the part of such Seller that is required to be fulfilled on or prior to the Closing Date, Purchaser, as its sole option, may (i) enforce specific performance of this Agreement or (ii) pursue any rights or remedies available at law or in equity.

(c) Election of Remedies. If any Party elects to pursue singularly any right or remedy available to it under this Article XIII, then unless this Agreement expressly provides that such remedy is the Party's sole remedy, such Party may at any time thereafter cease pursuing that right or remedy and elect to pursue any other right or remedy available to it under this Article XIII. Except as expressly provided in this Agreement, all rights and remedies hereunder shall be cumulative. Except as otherwise provided by Applicable Law, no delay or forbearance by a Party in the exercise or enforcement of any right or remedy hereunder shall be deemed a waiver by such Party of its right hereunder to exercise or enforce such right or remedy.

(d) Remedies after Termination. In the event of termination of this Agreement in accordance with Section 13.01, there shall be no liability for damages on the part of a Party to another under and by reason of this Agreement except for any intentional or willful breach of or intentional or willful failure to perform under this Agreement, the remedies for which shall not be limited by the provisions of this Agreement; provided, however, that obligations of the Parties in Sections 6.02, 8.03 and 8.06(d), Sections 12.08 and 13.03(d) and Article XIV, shall survive termination of this Agreement.

ARTICLE XIV

OTHER PROVISIONS

SECTION 14.01 Seller Liability. The Parties hereby recognize and agree that, even where not otherwise explicitly stated in this Agreement, the liability of each Seller under this Agreement (including with respect to the indemnification provisions contained in Article XII) is intended to be several, and not joint, with [CONFIDENTIAL TREATMENT REQUESTED] of any such liabilities; provided, however that this Section 14.01 shall have no application with respect to (i) breaches of this Agreement by one Seller only, in which case only such Seller shall have liability hereunder, and (ii) breaches of any representation and warranties made only by one Seller under Article IV, in which case only the Seller breaching the representations and warranty shall have liability hereunder. Representations and Warranties under Section 4.01 relating to Fox OP are made by Fox OP only, and not by Fox River; and Representations and Warranties under Section 4.01 relating to Fox River are made by Fox River only and not Fox OP. Representations and Warranties under Section 4.02 that are made to Sellers' Knowledge or Sellers' Actual Knowledge and are inaccurate shall be deemed to have been breached by both Sellers even though only one Seller had Sellers' Knowledge or Sellers' Actual Knowledge.

SECTION 14.02 Counterparts. This Agreement may be executed in one or more counterparts (including by means of telecopied signature pages), all of which, taken together, shall be considered one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties.

SECTION 14.03 Governing Law. This Agreement and the rights and obligations of the Parties hereunder and the transactions contemplated hereby shall be governed by, enforced and interpreted in accordance with the laws of the State of Wisconsin without regard to principles of conflicts of laws. Each of the Parties hereby irrevocably and unconditionally submits to the jurisdiction of any court of the State of Wisconsin located in Milwaukee, Wisconsin and any federal court located in the Eastern District of Wisconsin with respect to any proceeding relating to this Agreement. Further, each of the Parties hereby irrevocably and unconditionally waives any objection or defense that it may have based on improper venue or forum non conveniens to the conduct of any such proceeding in any such courts. The Parties agree that any or all of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and bargained agreement between the Parties irrevocably to waive any objections to venue or to convenience of forum. Each of the Parties agrees that a final judgment in any such action or proceeding will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law.

SECTION 14.04 Entire Agreement. This Agreement and the Schedules and Exhibits hereto contain the entire agreement between the Parties with respect to the subject matter hereof and supersede any prior written or oral agreements, understandings, representations or warranties between the Parties.

will relieve the assigning or designating party of its obligations hereunder. Subject to this Section 14.06, this Agreement shall be binding upon and inure to the benefit of the Parties and their successors and assigns.

(b) Purchaser may assign, including by operation of law, its rights and obligations under this Agreement to (i) any Affiliate of Purchaser upon prior written notice to the Sellers or (ii) Financing Parties as collateral security to such Financing Parties, as more fully set forth in Section 14.06(c) below; provided that any such assignment under (i) or (ii) shall not relieve Purchaser of any of its obligations under this Agreement.

(c) In connection with any collateral assignment by Purchaser of this Agreement to Financing Parties as set forth in Section 14.07(b) above, Sellers agree to enter into an agreement in form and substance reasonably satisfactory to Sellers directly with the Financing Parties and Purchaser under which Sellers shall consent to such assignment and will agree to other customary and reasonable provisions for the benefit of the Financing Parties, including, without limitation, reasonable provisions under which the Financing Parties or their designees (i) may assume or transfer the rights of Purchaser under this Agreement, (ii) shall be entitled to receive from Sellers copies of certain notices relating to breaches by the Purchaser and other similar matters hereunder that Sellers might provide to Purchaser, (iii) obtain Sellers' agreement, subject to any rights Sellers may have hereunder, including any right of offset, to make all payments due to Purchaser under this Agreement to an account designated by the Financing Parties and (iv) shall be provided other customary or related benefits or protections as reasonably requested by the Financing Parties to support such financing (not including in any event amendments to the Company Contracts), in each case reasonably acceptable to Sellers and at no actual cost to Sellers.

SECTION 14.07 Amendments and Waivers. This Agreement may not be modified or amended except by an instrument or instruments in writing signed by each of the Parties. The Sellers may together waive compliance by Purchaser, and Purchaser may waive compliance by the Sellers, with any term or provision of this Agreement on the part of such Party or Parties to be performed or complied with, only by an instrument in writing. The waiver by a Party of a breach of any term or provision of this Agreement shall not be construed as a waiver of any subsequent breach.

SECTION 14.08 Schedules and Exhibits. All Schedules and Exhibits hereto that are referred to herein are hereby made a part hereof and incorporated herein by such reference. Information set forth in the Schedules is included solely for informational purposes, is not an admission of liability with respect to the matters covered by the information, and may not be required to be disclosed, pursuant to this Agreement. The specification of any dollar amount in the representations and warranties contained in this Agreement or the inclusion of any specific item in the Schedules is not intended to imply that such amounts (or higher or lower amounts) are or are not material, and no Party shall use the fact of the setting of such amounts or the fact of the inclusion of any such item in the Schedules in any claim, dispute or controversy as to whether any obligation, item or matter not described herein or included in a Schedule is or is not

material for purposes of this Agreement. Any disclosure in a particular Schedule shall be deemed and understood to be disclosure in each other Schedule to which the applicability of such disclosure is readily apparent on its face, notwithstanding reference to a specific Section or paragraph of this Agreement.

SECTION 14.09 Agreement for the Parties' Benefit Only. Except as specified in Article XII, which is also intended to benefit and, to be enforceable by the Seller Indemnified Parties and the Purchaser Indemnified Parties, as applicable, this Agreement is not intended to confer upon any Person not a party hereto, other than the Parties' successors or permitted assigns, any rights or remedies hereunder, and no Person, other than the Parties, their successors or permitted assigns, is entitled to rely on any representation, warranty, covenant or agreement contained herein.

SECTION 14.10 Severability. If any term or other provision of this Agreement shall be held invalid, illegal or incapable of being enforced by any Applicable Law or public policy by a court of competent jurisdiction, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to a Party. Upon such determination by a court of competent jurisdiction that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to give effect to the original intent of the Parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

SECTION 14.11 Time of Essence; Action on Business Day. Time is of the essence in this Agreement. If the date specified in this Agreement for giving any notice or taking any action is not a Business Day (or if the period during which any notice is required to be given or any action taken expires on a date that is not a Business Day), then the date for giving such notice or taking such action (and the expiration date of such period during which notice is required to be given or action taken) shall be the next day which is a Business Day.

SECTION 14.12 Construction of Agreement. This Agreement and any documents or instruments delivered pursuant hereto shall be construed without regard to the identity of the Person who drafted the various provisions of the same. Each and every provision of this Agreement and such other documents and instruments shall be construed as though the Parties participated equally in the drafting of the same. Consequently, the Parties acknowledge and agree that any rule of construction that a document is to be construed against the drafting party shall not be applicable either to this Agreement or such other documents and instruments.
