We have audited the accompanying statement of financial condition of Regional Investment Services, Inc., as of December 31, 2017, the related statements of income, changes in stockholder's equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended, and the related notes and schedules (collectively referred to as the financial statements). Basis for Opinion

These financial statements are the responsibility of Regional Investment Services, Inc.'s management. Our responsibility is to express an opinion on Regional Investment Services, Inc.'s financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Regional Investment Services, Inc. in accordance with the U.S. federal securities laws and the applicable rules and the regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

REGIONAL INVESTMENT SERVICES, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR DECEMBER 31, 2017

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Firm's significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

- a. Nature of Operations— Regional Investment Services, Inc. was formed on January 20, 1999 as a corporation in the state of Ohio. The Firm is a registered securities broker dealer with the Securities and Exchange Commission (SEC) and as a member of the Financial Industry Regulatory Authority (FINRA). The Firm was formed to offer a broad range of investment management services for the investing public within and without Ohio.
- b. Cash Equivalents—For purposes of the statements of cash flows, the Firm considers all highly liquid debt instruments with maturities of three months or less when purchased to be cash equivalents. There were no cash equivalents at December 31, 2017.
- c. Use of Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.
- d. Concentrations of Credit Risk—The Firm places its cash in accounts with a local financial institution, and money market accounts. At times, balances in these accounts may be exceed FDIC insured limits. The Firm did not have any accounts with a balance that exceeded insured limits during the year.
- e. Commissions Receivable— Commissions Receivable consists of commissions, fees and other amounts owed to the Firm. The Firm considers all commissions receivable to be fully collectible. Uncollectible accounts receivable are charged directly against operations when they are determined to be uncollectible. Use of this method does not result in a material difference from the valuation method required by accounting principles generally accepted in the United States of America. Management believes an allowance is unnecessary. Commissions receivable are written-off when collection efforts have been exhausted.
- f. Advertising—The Firm's advertising costs are expensed as incurred. There were no advertising costs incurred during the year.

NOTE 2: COMMISSION RECEIVABLES AND PAYABLES FROM AND TO BROKERS

Receivables from brokers represent commissions due and accrued to the Firm from their correspondents. The payable to brokers are commissions due to the brokers. At December 31, 2017, there were no accrued receivables or payables.

REGIONAL INVESTMENT SERVICES, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR DECEMBER 31, 2017

NOTE 3: EXEMPTION UNDER RULE 15c3-3

The Firm claims an exemption under Rule 15c3-3 in accordance with the provision of paragraph (k) (1) "Limited business (mutual funds and/or variable annuities only)". During the year ended December 31, 2017 there are no amounts to be reported pursuant to the possession or control requirements under Rule 15c3-3, and the Firm is in compliance with their stated exemptive provisions, and thus is exempt from the provisions of Rule 15c3-3.

NOTE 4: INCOME TAX EXPENSE

The Firm with the consent of its stockholders, has elected under the Internal Revenue Code to be taxed as a C Corporation. Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes. Deferred taxes are recognized for the differences between the basis of assets and liabilities for financial statement and income tax purposes. The deferred tax assets and liabilities represent the future tax consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. Deferred taxes are also recognized for any operating loss carry forwards, charitable contribution carry forwards, and tax credit carry forwards that are available to offset future income taxes.

The Firm has assessed its federal and state tax positions and determined there were no uncertainties or possible related effects that need to be recorded as of or for the year ended December 31, 2017. The federal and state income tax returns of the Firm prior to the year ended December 31, 2013 are subject to examination by the respective taxing authorities generally for three years after they were filed.

NOTE 5: ACCOUNTING FOR UNCERTAINTY IN INCOME TAXES

In June 2006, the Financial Accounting Standards Board (FASB) issued FASB Interpretation Number 48 (FIN 48), Accounting for Uncertainty in Income Taxes - an Interpretation of FASB Statement No. 109 (SFAS 109). The interpretation contains a two-step approach to recognizing and measuring uncertain tax positions accounted for in accordance with SFAS 109. The Firm has elected to defer the adoption of FIN 48 as allowed in FASB Staff Position (FSP-48-3) issued December 30, 2008. The adoption of this standard is not currently anticipated to have a material impact on the Firm's financial position, results of operations, or cash flows; however, the effect on future financial statements of this pronouncement cannot be determined at this time. Management will continue to evaluate any uncertain tax positions, if any, during the deferral period.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

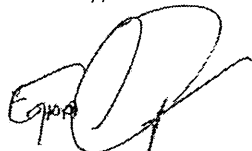

The Board of Directors
Regional Investment Services, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report of Brokers and Dealers, in which Regional Investment Services, Inc., identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Firm claimed an exemption from 17 C.F.R. § 240.15c3-3: (k) (1), and Regional Investment Services, Inc. stated that Regional Investment Services, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Regional Investment Services, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly included inquiries and other required procedures to obtain evidence about the Firm's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k) (1) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Sincerely,
