Form 8-K Item 4.01
Filed August 21, 2006
File # 000-25843

Dear Mr. Boyne:

We have reviewed your filing and have the following comments. If you disagree, we will consider your explanation as to why our comments are inapplicable. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with supplemental information so we may better understand your disclosure. After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or on any other aspect of our review. Feel free to call us at the telephone number listed at the end of this letter.

1. We note that you have only referred to the financial statements for the year ended December 31, 2005 in your disclosure. Item 304(a)(1)(ii) of Regulation S-B requires a statement whether the accountant's report on the financial statements for either of the past two years contained an adverse opinion or a disclaimer of opinion or was qualified or modified as to uncertainty, audit scope or accounting principles; and a description of the nature of each such adverse opinion, disclaimer of opinion, modification or qualification. Please revise your filing accordingly.
2. Your disclosure should also state whether during the registrant's two most recent fiscal years and any subsequent interim period through the date of resignation, declination or dismissal there were any disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of the former accountant, would have caused it to make reference to the subject matter of the

disagreement(s) in connection with its reports. Refer to Item 304(a)(1)(iv)(A) of Regulation S-B.

3. Please file a letter as Exhibit 16 from your former accountant, indicating whether or not they agree with your disclosures in the Form 8-K. Refer to Item 304(a)(2)(ii)(3) of Regulation S-B.
4. We note that your independent registered public accountant is licensed in the state of California while your principal offices are in the state of New York. Confirm to us that Mendoza Berger & Company, LLP is in compliance with the New York state licensing requirements. In the event of noncompliance with New York state requirements, you should consider the need for additional disclosure or obtaining audit services from a different practitioner.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing reviewed by the staff to be certain that they have provided all information investors require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comment, please provide, in writing, a statement from the company acknowledging that

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments in the filing reviewed by the staff do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.

Please file your supplemental response via EDGAR in response to these comments within 5 business days of the date of this letter. Please note that if you require longer than 5
