REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members of
INTE Securities, LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of INTE Securities, LLC (the "Company") as of June 30, 2022, and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of June 30, 2022, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

YSL & Associates LLC

We have served as INTE Securities, LLC's auditor since 2015.

-------------------------------------	-----------------------------------

The accompanying notes are an integral part of this statement.

INTE SECURITIES LLC

NOTES TO STATEMENT OF FINANCIAL CONDITION

June 30, 2022

1. Nature of Operations

INTE Securities LLC (“INTE”) is a broker-dealer registered with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”). The Company is engaged in the business of private placements and related advisory and investment banking activities and has been approved to participate in underwriting and selling group activities. The Company is also approved to operate in Canada under the International Dealer Exemption in the provinces of British Columbia, Ontario and Quebec.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (“US GAAP”) which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Revenue Recognition

The Company recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved.

Revenues from commissions are billed and recognized when private placements are completed and commissions are earned and collectible. Advisory fees are recognized based on the terms of the contracts and are recorded when the services are rendered. The company recognizes revenues from management fees and performance fees as earned based on the contractual agreement and that collectability is reasonably assured. Investment banking revenue is recognized when the fees are earned and collectible.

Significant Judgements

Revenue from contracts with customers includes commission income and fees from investment banking and asset management services. The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company’s progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

INTE SECURITIES LLC

NOTES TO STATEMENT OF FINANCIAL CONDITION June 30, 2022

2. Summary of Significant Accounting Policies (continued)

Income Taxes

The Company is a limited liability company and is treated as a partnership for income tax reporting purposes. The Internal Revenue Code provides that any income or loss is passed through to the members for federal and state income tax purposes. Accordingly, the Company has not provided a tax provision for federal income taxes. The Company is subject to the New York City Unincorporated Business Tax and California income tax. The Company is on a calendar year for tax reporting purposes.

At June 30, 2022, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require.

Fees Receivable

Fees receivable are stated at cost less an allowance for credit losses, if any, and represents fees management expects to collect based on each contract. On a periodic basis, the Company evaluates its fees receivable and establishes an allowance for credit losses, based on past history, collections, and current credit conditions. Accounts are written-off as uncollectible once the Company has exhausted its collection means. As of June 30, 2022, there was no allowance for credit losses.

Allowance for Credit Losses

The Company follows ASC Topic 326, Financial Instruments – Credit Losses (“ASC 326”). ASC 326 impacts the impairment model for certain financial assets by requiring a current expected credit loss (“CECL”) methodology to estimate expected credit losses over the entire life of the financial asset.

The Company did not have any accounts receivable impacted by the guidance.

An allowance for credit losses may be based on the Company's expectation of the collectability of its receivables utilizing the CECL framework. The Company considers factors such as historical experience, credit quality, age of balances and current and future economic conditions that may affect the Company's expectation of the collectability in determining the allowance for credit losses.

Subordinated Liabilities

Commissions are payable to the salespersons only when the related receivables are collected. In addition, any liabilities to salespersons in this regard are subordinated to the claims of general creditors yet they are not considered part of regulatory capital. As of June 30, 2022, INTE owed \$1,408,933 of subordinated liabilities to salespersons.

3. Net Capital Requirement

The Company is a member of FINRA and is subject to the SEC Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and that equity capital may not be withdrawn, or cash distributions paid if the resulting net capital ratio would exceed 10 to 1. As of June 30, 2022, the Company's net capital was approximately \$662,000 which was approximately \$562,000 in excess of its computed minimum requirement of \$100,688.

INTE SECURITIES LLC

NOTES TO STATEMENT OF FINANCIAL CONDITION

June 30, 2022

4. Rule 15c3-3

The Company does not hold customer funds or securities; therefore, it has no obligation under SEC Rule 15c3-3 to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers".

5. Concentrations

Cash

All cash deposits are held by two financial institutions and therefore are subject to the credit risk at those financial institutions and may at times exceed amounts insured by the Federal Deposit Insurance Corporation. The Company has not experienced any losses in such accounts and does not believe there to be any significant credit risk with respect to these deposits.

Major Revenue Producers

During the year ended June 30, 2022, approximately \$47,851,000 or 84.66% of the Company's revenues were generated by five (5) separate groups of registered representatives. One of the groups accounted for 25.53% of the total revenues.

6. Related Party Transactions

Integrated Management Solutions USA LLC ("IMS") is an affiliate under common control that provides office space and other expenses to the Company. As of June 30, 2022, the outstanding service fees due to IMS was \$75,000 which is included in accounts payable, accrued expenses and other liabilities on the statement of financial condition.

Since there are significant related party transactions, the results of operations are not necessarily the same as they might have been had such transactions been with unrelated parties.

7. Members' Equity

There were four class members that were entitled to a proportionate share of the net income derived from business opportunities that they referred to the Company. During the year ended June 30, 2022, \$12,000,486 was distributed to those members.
