Filed March 6, 2009
File No. 001-15169

Dear Mr. McDonald:

We have reviewed your response letter dated September 18, 2009 and have the following comment.

Form 10-K for the Fiscal Year Ended December 31, 2008

Item 1. Business, page 1

1. We note that your partnership agreement with IBM provides you with access to marketing and technical and developmental support related to IBM products and that 25% of your total services revenue was derived from services performed for clients who utilize IBM platforms. Based upon these facts, it is unclear how you were able to conclude that you are not substantially dependent upon the partnership agreement for purposes of Item 601(b)(10) of Regulation S-K. Please provide us with additional analysis supporting your conclusion that the agreement is not required to be filed or file the agreement as an exhibit. To the extent that you continue to believe you are not required to file this agreement, you may provide with your response a copy of the agreement for our review.

Please respond to these comments within 10 business days or tell us when you will provide us with a response. Please submit all correspondence and supplemental materials on EDGAR as required by Rule 101 of Regulation S-T. If you amend your filings, you may wish to provide us with marked copies of any amendment to expedite
