To the Member of Zermatt Securities LLC

In connection with our audit of the financial statements and supplemental information of Zermatt Securities LLC for the year ended December 31, 2021, we will issue our report thereon dated March 10, 2022. Professional standards require that we provide you with the following information related to our audit.

## Significant and Critical Accounting Policies and Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The Company's significant accounting policies are disclosed in the notes to the financial statements as required by generally accepted accounting principles pursuant to Rule 17a-5 under the Securities and Exchange Act of 1934. No new accounting policies were adopted and the application of existing accounting policies was not changed during 2021. We noted no transactions entered into by the Company during the year for which accounting policies are controversial or for which there is a lack of authoritative guidance or consensus or diversity in practice.

Critical accounting policies and practices are those that are both most important to the portrayal of the Company's financial condition and results and require management's most difficult, subjective, or complex judgments, often as a result of the need to make estimates about the effects of matters that are inherently uncertain. The critical accounting policies used by Zermatt Securities LLC in its 2021 financial statements are described in Note 2 to the financial statements and relate to the policies the Company uses to account for revenue recognition.

## Critical Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Critical accounting estimates are estimates for which (1) the nature of the estimate is material due to the levels of subjectivity and judgment necessary to account for highly uncertain matters or the susceptibility of such matters to change and (2) the impact of the estimate on financial condition or operating performance is material. The Company had no critical accounting estimates affecting the financial statements.

## Significant Unusual Transactions

For purposes of this letter, professional standards define *significant unusual transactions* as transactions that are outside the normal course of business for the Company or that otherwise appear to be unusual due to their timing, size or nature. We noted no significant unusual transactions during our audit.

## Related-party Relationships and Transactions

As part of our audit, we evaluated the Company's identification of, accounting for, and disclosure of the Company's relationships and transactions with related parties as required by professional standards. We noted no related parties or related-party relationships or transactions that were previously undisclosed to us; significant related-party transactions that have not been approved in accordance with the Company's policies or procedures or for which exceptions to the Company's policies or procedures were granted; or significant related-party transactions that appeared to lack a business purpose.

## Quality of the Company's Financial Reporting

Management is responsible not only for the appropriateness of the accounting policies and practices, but also for the quality of such policies and practices. Our responsibility under professional standards is to evaluate the qualitative aspects of the company's accounting practices, including potential bias in management's judgments about the amounts and disclosures in the financial statements, and to communicate the results of our evaluation and our conclusions to you. The financial statement disclosures are neutral, consistent, and clear.

### Uncorrected and Corrected Misstatements

Professional standards require us to accumulate misstatements identified during the audit, other than those that are clearly trivial, and to communicate accumulated misstatements to management.

Management has determined that the effects of the uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements as a whole. The uncorrected misstatements or the matters underlying them could potentially cause future period financial statements to be materially misstated, even though, in our judgment, such uncorrected misstatements are immaterial to the financial statements under audit.

### Auditor's Report

In connection with the audit of the financial statements, we have provided you a draft of our auditor's report and we have discussed it with you.

### Exceptions to Exemption Provisions

In connection with our review of the Company's Exemption Report, we did not identify any exceptions to the exemption provisions that would cause the Company's assertions (statements) not to be fairly stated, in all material respects.

### Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditor's report. We are pleased to report that no disagreements with management arose during the course of our audit.

### Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

### Supplemental Information

Based on the regulatory requirements of SEC Rule 17a-5, the Company presents Schedule I, II and III that accompanies the financial statements. We subjected that supplemental information to audit procedures in accordance with AS 2701, *Auditing Supplemental Information Accompanying Audited Financial Statements*. Based on our audit procedures performed, the supplemental information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

This information is intended solely for the use of the Audit Committee, Board of Directors, and management of Zermatt Securities LLC and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

David Lundgren & Co.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors and Shareholders  
of Zermatt Securities LLC

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which (1) Zermatt Securities LLC (the Company) did not claim an exemption under paragraph (k) of 17 C.F.R. §240.15c3-3, and (2) the Company is filing this Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to mutual fund retailer, broker or dealer selling variable life insurance or annuities, and private placements of securities. In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

Zermatt Securities LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Zermatt Securities LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
