Derek Oil and Gas Corporation (the "Company") advises that it has received notification of a lawsuit that asserts a claim for entitlement to a nominal one percent (1%) gross overriding royalty over certain of the Company's oil leases at LAK Ranch, Wyoming. The Company recently purchased a one percent royalty for consideration of US\$71,187.40 and, in addition to its LAK Ranch working interest, currently holds gross overriding royalties totalling 5.8 percent over these leases. Management considers this claim to be frivolous and completely without merit and will be filing a defence to the action.
