Financial Statements

Report of Independent Registered Public Accounting Firm, page 88

1. We note that your auditor opined on your financial statements prepared in conformity with International Financial Reporting Standards, as adopted by the European Union (EU). However, we note in footnote 1, that you prepared your financial statements in accordance with IFRS, the interpretations adopted by the International Accounting Standards Board (IASB) and Section 315a of HGB (German Commercial Law). Please reconcile this difference in disclosure and tell us whether your financial statements were prepared in accordance with IFRS as published by the IASB or IFRS as adopted by the EU.
2. If you prepared your financial statements in accordance with IFRS as adopted by the EU, please provide us with, and in future filings present, a reconciliation of any differences between IFRS as published by the IASB or IFRS as adopted by the EU in accordance with SEC Release No. 33-8567. In addition, please address any differences arising from the reference to Section 315a of HGB. Further, please discuss your conclusions on the impact of the incorrect disclosure on an investor's decision and the need to amend the Form 20-F to provide correct disclosure.

As appropriate, please respond to the comments within 10 business days or tell us when you will provide us with a response. Please furnish a cover letter with your response that provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your response to our comment.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comment, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;

- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.
