After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. Form 10-K, filed March 15, 2006

Consolidated Statements of Cash Flows

1. We note your supplemental non-cash disclosures of loans held for investment transferred to held for sale. Please tell us how you account for these transfers. We refer you to paragraph 8(c) of SOP 01-6. Additionally, please consider including an accounting policy for these transfers in your future filings.

Notes to Consolidated Financial Statements

Note 11. Derivatives and Hedging Activity, page 91

2. We note that in 2002 you entered into an interest rate swap agreement to effectively convert your 11% fixed interest rate payments on \$10 million of trust preferred securities to a variable rate. You disclose that you assume no ineffectiveness in with this hedging relationship. Please tell us if you have the right to defer payments of interest on your trust preferred securities. If so, tell us whether this deferral option is mirrored in the interest rate swap. Please include authoritative guidance in your response to support your accounting.

As appropriate, please respond to these comments within 10 business days or tell us when you will provide us with a response. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested supplemental information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your response to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings reviewed by the staff to be certain that they have provided all information investors require for an informed decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
