on.” Please disclose the address of: (1) Jardine Lloyd Thompson Group plc as it relates to the participant Nicholas C. Walsh and (2) the Committee for Economic Development as it relates to the participant Bernard C. Bailey.

5. Item 5(b)(1)(vii) of Schedule 14A requires that if any part of the purchase price or market value of any registrant securities which the participant beneficially owns is represented by borrowed funds, that fact must be stated as well as the amount of indebtedness as of the last practicable date. We recognize, however, that pursuant to Rule 14a-5(a), negative responses in reply to the line item requirements of Schedule 14A need not be disclosed. Notwithstanding the permissibility of excluding negative responses from the disclosure, because the associated Schedule 13D filing indicates that common shares of Argo could be purchased with margin loans, please confirm for us that borrowed funds were not used to acquire any Argo shares held by the participants.
