Item 5. Other Events

ALD Services, Inc. (the “Company”) is proceeding with all steps it considers necessary or appropriate to effectuate the timely closing of its proposed acquisition of MicroIslet, Inc. Certain information concerning the proposed transaction was reported in a previous filing on Form 8-K dated March 6, 2002. It is the intention of the parties to complete the closing of the transaction on April 24, 2002. However, the obligations of the parties to consummate the proposed transaction are subject to execution of definitive documentation and the satisfaction of certain conditions precedent to be specified in the definitive documentation. Thus, there is no assurance that the proposed acquisition of MicroIslet, Inc. will be completed.

The Company has determined that it has a sufficient number of authorized and unissued shares available to complete the proposed transaction without increasing such number prior to closing. As a result, the Company has canceled the May 10, 2002 meeting of stockholders at which the Company had proposed to seek approval of an increase in its authorized capitalization and a change of its corporate name. The Company intends to reschedule a special meeting of its stockholders to seek approval for such matters and provide notice thereof after the closing of the proposed transaction.
