SYNERGY CAPITAL I, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018

NOTE 1. ORGANIZATION, OPERATIONS

Synergy Capital I, LLC (the "Company") was originally organized as a Subchapter S corporation in January 1996 in the State of New York. In January 2002, the Company completed a stock purchase agreement ("Purchase Agreement") pursuant to which it converted to a Delaware Limited Liability Company. At that time, CSG III, LLC ("CSG III") purchased all of the outstanding membership interests of the company, formerly known as Synergy Capital Inc., upon the terms and conditions set forth in the Purchase Agreement. The Company is a securities broker-dealer, registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority Inc. ("FINRA").

The Company maintains its books and records on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Income Taxes

The Company is not subject to income taxes. The member is individually liable for the taxes on the Company's income. However, the Company is subject to New York City Unincorporated Business Tax on a consolidated basis with its parent company CSG III. Any tax owed will be paid by the parent company. The Company recognizes tax benefits or expenses of uncertain tax positions in the year such determination is made when the position is "more likely than not" to be sustained assuming examination by tax authorities. The tax years that remain subject to examination are 2017, 2016, and 2015. The Company determined that there are no uncertain tax positions which would require adjustments or disclosures on the financial statements.

This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement, as well as indirect guarantees of the indebtedness of others.
