Item 4T – Controls and Procedures

Evaluation of Disclosure Controls and Procedures, page 12

1. It does not appear that management has provided its conclusions regarding the effectiveness of your disclosure controls and procedures. Please revise to provide the disclosure required by Item 307 of Regulation S-K. In preparing your disclosure, please note that (i) management's conclusion should be as of the end of the period covered by your report and (ii) if your disclosure controls and procedures are designed to provide reasonable assurance of achieving their objectives, your conclusion must specifically state their effectiveness at that same reasonable assurance level.

Section 302 Certifications

2. We note that your Section 302 certifications do not comply with the language required by Item 601(31) of Regulation S-K in the following respects:
 - Reference should be made to the “registrant” rather than the “small business issuer” for each instance,
 - The head note to paragraph 4 does not include a reference to internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f))Please revise your certifications to address each of the matters noted above.

As appropriate, please amend your filing and respond to these comments within 10 business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.

You may contact Ethan Horowitz, Staff Accountant, at (202) 551-3311 or Brian Bhandari, Branch Chief, at (202) 551-3390 if you have questions regarding comments on the financial statements and related matters.
