Notes to Consolidated Financial Statements

Note 6. Research Agreement Obligations, page 8

1. You have derecognized liabilities related to the Crucell Holland B.V. Research License and Option Agreement, and recorded a debt extinguishment gain from this debt, based solely on your internal analysis and not on a binding legal release from the obligation, either judicially or by the creditor. Please explain how your accounting treatment for this liability complies with the guidance in ASC 405-20-40 for the derecognition of a liability.

In closing, we remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
