Management's Discussion and Analysis or Plan of Operation

Overview, page 15

1. We note your response to prior comment one and reissue the comment. A business is defined in Article 11 of Regulation S-X for the purpose of determining significance. Please provide us with your significance tests regarding your acquisition of True North Solutions Federal Systems Group required under Item 301(c) of Regulation S-B or provide your full analysis supporting management's determination that True North Solutions Federal Systems Group did not constitute a business under the criteria established in Article 11.
2. Please provide your detailed assessment in applying the definition criteria per paragraph 6 of EITF 98-3 supporting your conclusion that the acquisition of True North Solutions Federal Systems Group did not constitute a business for GAAP financial reporting purposes. Please refrain from reliance on FASB Statement exposure drafts related to pending accounting changes, as exposure drafts are not considered GAAP until adopted by the Financial Accounting Standards Board.

As appropriate, please respond to these comments within 10 business days or tell us when you will provide us with a response. Please submit a response letter on EDGAR that keys your response to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your response to our comments.

You may contact Mark Rakip, Staff Accountant, at 202.551.3573 or the undersigned at 202.551.3629 if you have questions regarding the comments on the financial statements and related matters.

Sincerely,

Kevin Woody
