Form 10-K/A for Fiscal Year Ended December 31, 2007

Audited Financial Statements for the Year Ended December 31, 2007

Report of Independent Registered Public Accounting Firm, page 11

1. We note your response to our prior comment one and the related revisions to your filing. It does not appear that the revised report issued by your independent accountant provides assurance on the statements of operations, cash flows, and stockholders' equity for the fiscal years ended December 31, 2007 and 2006.

As appropriate, please amend your filing and respond to these comments within 10 business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.
