Current Report on Form 8-K
Filed July 16, 2010
File No. 000-49801**

Dear Mr. Hansen:

We have limited our review of your filing to those issues we have addressed in our comment. In our comment, we ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by providing the requested information, or by advising us when you will provide the requested response. After reviewing the information you provide in response to this comment, we may have additional comments.

1. We have reviewed your response to comment one in our letter dated August 12, 2010. In your response, you state that Mr. Fernandez alleged in his July 19, 2010 email that "the Company was aware of certain disputes between the Company and Mr. Fernandez regarding certain matters." You also state that since that email, the Company has been unable to understand the "vague and non-specific allegations" of Mr. Fernandez.
 - Please confirm, if true, that these allegations relate to elements of Mr. Fernandez's dismissal and do not include disagreements with the Company's management, operations, policies or practices or have any impact on the company's disclosure controls and procedures or internal controls over financial reporting.
 - If this is not the case, please tell us the nature of these allegations.
 - We note that your intended disclosure in your next Form 10-Q refers to "certain disputes." If you determine to include disclosure regarding these allegations in your next Form 10-Q, please describe the nature of the allegations. References to "certain" are not informative to persons not familiar with the particular facts.
