June 11, 2008

Mr. Joseph J. Glusic CEO and President Magnum d'Or Resources, Inc. 1326 SE 17<sup>th</sup> Street, #513 Ft. Lauderdale, FL 33316

RE: Form 8-K Item 4.01 filed May 30, 2008 File #0-31849

Dear Mr. Glusic:

We have reviewed your filings and have the following comments. Where indicated, we think you should revise your documents in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with supplemental information so we may better understand your disclosure. After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or on any other aspect of our review. Feel free to call us at the telephone number listed at the end of this letter.

- 1. You disclose that your former accountant was engaged for the fiscal year ended December 31, 2007. Based on review of your filings, it appears that your fiscal year actually ends on September 30. It also appears that your former accountant was engaged for the two years ended September 30, 2007. Please revise or advise.
- 2. Please amend your Item 4.01 Form 8-K to disclose, in accordance with Item 304(a)(1)(ii) of Regulation S-K, whether the accountant's reports on the financial statements for either of the past two years contained an adverse opinion or a disclaimer of opinion or was qualified or modified as to uncertainty, audit scope or accounting principles; and a description of the nature of each such adverse opinion, disclaimer of opinion, modification or qualification. This would include disclosure of uncertainty regarding the ability to continue as a going concern in the accountant's reports. Your current disclosure references the consolidated financial statements and not the accountant's reports.

- 3. The disclosure should also state whether during the registrant's two most recent fiscal years and any subsequent interim period through the date of resignation there were any disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of the former accountant, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its reports. Please revise accordingly.
- 4. To the extent that you make changes to the Form 8-K to comply with our comments, please obtain and file an updated Exhibit 16 letter from the former accountants stating whether the accountant agrees with the statements made in your revised Form 8-K. Note that this letter should be addressed to the Commission, stating whether they agree with the statements made by you in your revised Form 8-K.
- 5. We note that you have not yet engaged new accountants to replace your former accountants, but currently have appointed Catalano, Caboor & Co. as your new accountants for your unaudited quarterly financial statements. We also note that Catalano, Caboor & Co. has not applied for registration with the Public Company Accounting Oversight Board (PCAOB). Section 102 of the Sarbanes-Oxley Act of 2002 makes it unlawful after October 22, 2003 for any person that is not a registered public accounting firm (i.e. registered with the PCAOB) to prepare or issue, or to participate in the preparation or issuance of, any audit report (or review report) with respect to any issuer. You must engage a new accountant that is a publicly registered accounting firm to perform review or audit work for the company. When you engage a new accountant, please report the engagement in a new Form 8-K and comply with the requirements of Item 304(a)(2) of Regulation S-K. In making any disclosures about consultations with your new accountants, please ensure you disclose any consultations up through the date of engagement.
