Form 8-K Filed June 15, 2007

General

1. Amend your filing to indicate whether your former accountant resigned, declined to stand for re-election or was dismissed as required by Item 304(a)(1)(i) of Regulation S-B and disclose the exact date on which this occurred. In addition, use this date to define the period over which you discuss any disagreements with the former accountant.

3. Disclose the exact date the new accountant was engaged by the company as required by Item 304(a)(2) of Regulation S-B.
4. Include a letter from the former accountant addressing the revised disclosures in the amendment to the Item 4.01 Form 8-K.

Please respond to these comments within five business days or tell us when you will provide us with a response. Please submit all correspondence and supplemental materials on EDGAR as required by Rule 101 of Regulation S-T. If you amend your filings(s), you may wish to provide us with marked copies of any amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
