Item 4.01 Form 8-K
Filed September 27, 2007
File No. 000-30661**

Dear Mr. Gomez:

We have reviewed your filing and have the following comments. Where indicated, we think you should revise your document in response to the comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comment or any other aspect of our review. Feel free to call us at the telephone number listed at the end of this letter.

1. Refer to the second paragraph. Item 304(a)(1)(ii) of Regulation S-B requires a statement whether the accountant's report on the financial statements for either of the past two years contained an adverse opinion or a disclaimer of opinion or was qualified or modified as to uncertainty, audit scope or accounting principles; and a description of the nature of

each such adverse opinion, disclaimer of opinion, modification or qualification. Your Form 8-K currently only covers your accountant's report as of and for the year ended September 30, 2006. Please revise your Form 8-K to cover each of the reports for the past two fiscal years.

2. You currently disclose that there have been no disagreements with your former accountant, in connection with prior audits, for each of the two most recent fiscal years ended September 30, 2006. Please amend your filing to state, if true, that there have been no disagreements with your former accountant during these two most recent fiscal years through the interim period from the date of the last audited financial statements to September 24, 2007, the date of dismissal. See Item 304(a)(1)(iv) of Regulation S-B.
3. We note the accompanied filed Exhibit 16 letter from your former accountants. In this regard, we note no disclosure in the letter to state whether they agree or disagree with your statements filed within the Form 8-K. Please obtain and file an updated Exhibit 16 letter from the former accountants stating whether they agrees with the statements made in your revised Form 8-K.

As appropriate, please amend your filing and respond to the comment, via EDGAR, within five business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your response to our comment and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and response to our comment.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
