WHAT DETERMINES STOCK VALUE?

STOCK VALUE MEASURES

❖ Multiple of last 12 month's earnings (LTM)

❖ Multiple of Estimated Future Earnings

❖ Multiple of Book Value (Total Book Value
& Tangible Book Value)

HOW NBAN COMPARES

WHAT PROFESSIONALS LIKE ABOUT NBAN

Location

- Northern California viewed as a vibrant, growing market
- Premier wine relationships provide a “Halo” effect

Low Cost of Funds

Asset Quality

Positive Financial Trends

CONCERNS

General

- Flat yield curve (cost of funds/net interest margin impact)
- Impact of a real estate/credit cycle

Specific to NBAN

- Efficiency

THE BOTTOM LINE

- ❖ Stock prices track most closely with earnings
- ❖ Issues such as Asset Quality, Cost of Funds and Credit Concentrations primarily serve as predictors of earnings stability (or vulnerability)
- ❖ Stock value “premiums” are based primarily on the anticipated growth rate of Earnings per Share (EPS)

MILESTONES SINCE 5/12/05

Sarbanes-Oxley Section 404 Compliance

- Documentation of financial controls
- Significantly increased consulting and audit fees
- Upgraded and expanded internal resources

Strengthened Management

- Chief Financial Officer (CFO)
- Chief Operating Officer (COO)

Implemented Management Reorganization

WHY REORGANIZE?

- ❖ Structure appropriately for \$1 Billion + Company
- ❖ Define functions; avoid duplication
- ❖ Improve communications; clarify roles & responsibilities
- ❖ Enable NBAN to execute on its Strategic Plan

Executive Management Team

- ❖ Terry Robinson, Chief Executive Officer
- ❖ Glen Terry, President, The Vintage Bank
- ❖ John Nerland, Senior Executive Vice President/Chief Credit Officer
- ❖ Pat Phelan, Executive Vice President/Chief Financial Officer
- ❖ Virginia Robbins, Executive Vice President/Chief Operating Officer
- ❖ Stephanie Rode, Senior Vice President/Compliance and Risk Management

STRATEGIC PLAN

MISSION STATEMENT

Integrity, Responsiveness, Value.

Every Day, Every Way!

VISION

 Double Asset size by year-end 2010

 Premier community business bank in Napa,
Solano and Contra Costa Counties

 High performance financial returns

SHORT-TERM GOALS

- ❖ Implement revised organizational structure
- ❖ Implement performance-based compensation
- ❖ Generate ROAE > 15% in 2006
- ❖ Enhance compliance training & effectiveness
- ❖ Capitalize on capabilities of existing software

LONG-TERM GOALS

- ❖ Build The Vintage Bank Brand
- ❖ Establish presence in Contra Costa County
- ❖ Implement *Private Banking* program
- ❖ Sustain EPS growth between 12% and 16% through year 2010
- ❖ Adopt “Best Practices” wherever practical
- ❖ Build a value-added foundation to provide superior customer service and differentiate NBAN from competitors

❖ The Idea of TVB – Vision of Frank Rowley

❖ Period of Organization and Raising Capital

TVB OPENS JANUARY 25, 1985

🍷 \$3,100,000 Capitalization

🍷 11 Directors

🍷 Ace Cleaner's Location on Soscol Avenue

**Within the first month, Kathi Metro
joined the team in the Credit area
and is still with us.**

**Times were trying...
Struggled first two and a half
years without a profit which
tested the character of the
organization....including the
survival of the 1986 flood!**

1988

Five Directors stepped down

Four new Directors elected

Terry Robinson arrived as our new President (barely)

**And yes, we had our first year of
profit in 1988.**

- ❖ Every year our profit and deposits grew over the previous year for 10-11 straight years.
- ❖ TVB moved into its main branch on Soscol Avenue during this period of time.
- ❖ Raised \$2,000,000 capital with issuance of new stock in 1994.

**We were successful, but:
it was time to move our vision
beyond Napa county.**

NOVEMBER 1, 1999

- The holding company NBAN was formed.

- Added two new independent Directors.

DE NOVO BANK – SOLANO BANK
Opened July 2000

 13 Directors

 \$5,000,000 Capital raised from sale of stock

 Three branches

 Glen Terry President of Solano Bank

After a period of growth for two years, it was a time to transition to a new level.

Goal of Organization

**The Board and Management determine
to grow institution to one billion dollars
and be dominant in the North Bay.**

Were we prepared for such growth?

What did we need to go forward?

People

Structure

Skills

❖ Terry Robinson moves full time into Role as CEO of holding corporation.

❖ Glen Terry becomes President of TVB.

❖ John Nerland becomes President of SB.

❖ The whole organization needed to step up to a higher level.

❖ Some long-time employees needed to leave.

❖ Internal controls and procedures needed improvement.

❖ Revisions to controls and procedures completed.

❖ Compliance with SOX, after spending over a million dollars with the dedication and thoroughness of Stephanie Rode and her team.

❖ New members of the team brought in

❖ New roles for other members of the team.

Board consolidation and organizational changes in 2004

One charter under TVB

Same directors for TVB and NBAN

**Structure Board
to 11 Directors**

**The organization has transitioned
into a stronger financial
institution!**

**Outstanding Financial Results for
2005 & First Quarter of 2006
given our circumstances.**

What about the future?

FUTURE IS BRIGHT

❖ Strong Management team

❖ Strong Board

❖ The organization is structured for the future.

❖ Dedication to Shareholder value

LET'S NOT FORGET OUR HISTORY

- ❖ Vision of Frank Rowley
- ❖ Leadership of Terry Robinson
- ❖ Incredible credit performance led by Kathi Metro
- ❖ Guidance of TVB and SB by Glen Terry and John Nerland
- ❖ Contributions of the past and present board members
- ❖ Contributions of current and former employees

Shareholder Value

**Every dollar originally invested in
this institution is now worth
\$19- \$20 dollars.**

**It's been a good ride and the best
is yet to come.**
