REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholder
of USCA Securities LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of USCA Securities LLC, a wholly owned subsidiary of U.S. Capital Advisors LLC, as of December 31, 2023, and the related notes (collectively referred to as the “financial statement”). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of USCA Securities LLC as of December 31, 2023 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of USCA Securities LLC’s management. Our responsibility is to express an opinion on USCA Securities LLC’s financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (“PCAOB”) and are required to be independent with respect to USCA Securities LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

Pannell Kerr Forster of Texas, P.C.

We have served as USCA Securities LLC’s auditor since 2013.

See accompanying notes to financial statements.

USCA Securities LLC

Notes to Financial Statements

1. Organization and Nature of Business

USCA Securities LLC (the “Company”), a wholly owned subsidiary of U.S. Capital Advisors LLC (“USCA”), was organized in December 1999 in the State of Delaware, and is registered as a broker-dealer under the Securities Exchange Act of 1934 and is a member of the Financial Industry Regulatory Authority (“FINRA”). The Company and USCA are collectively referred to as the “Entities”.

The Company has a clearing agreement with National Financial Services, LLC (a wholly owned subsidiary of Fidelity Global Brokerage Group, Inc.) to clear securities transactions, carry customers’ accounts on a fully disclosed basis, and perform certain record keeping functions. The Company has a required deposit with the clearing firm under its clearing agreement.

2. Summary of Significant Accounting Policies

Use of Estimates - The preparation of the financial statements in conformity with generally accepted accounting principles in the United States of America (“GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents - For purposes of the statement of cash flows, cash investments with a maturity, at date of purchase, of three months or less are considered to be cash equivalents.

It is the Company’s policy to place its cash and cash equivalents in high quality financial institutions. At times these deposits may exceed federally insured limits. The Company does not believe significant credit risk exists with respect to these institutions.

Accounts Receivable and Receivable from Clearing Organization - Accounts receivable are stated at the amount billed to customers. Management’s judgment as to the level of probable losses on existing receivables involves the consideration of current economic conditions, examinations of customers’ credit worthiness, and evaluation of existing relationships. When it is determined that a receivable balance may not be collectible, an allowance for credit losses is established. Receivables from the clearing organization are generated through the Company’s clearing arrangement. As of December 31, 2023, all receivable balances are deemed to be collectible so no allowance for credit losses has been estimated. The Company had \$1,217,042 in accounts receivable and receivable from clearing organization at December 31, 2023.

Fair Value of Financial Instruments - Financial Accounting Standards Board (“FASB”) Accounting Standards Codification Topic (“ASC”) 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

USCA Securities LLC

Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.
- Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.
- Level 3 are unobservable inputs for the asset or liability and rely on management's own estimates about the assumptions that market participants would use in pricing the asset or liability.

Money market funds are recorded at fair value based on the market approach using level 1 inputs. At December 31, 2023, money market funds totaling \$350,186 are included within cash and cash equivalents. This balance is also subject to a haircut within the Company's computation of net capital.

Income Taxes - As a limited liability company, the earnings and losses of the Company pass through to its member's individual tax return; therefore, no federal income tax provision or benefit has been included in these financial statements. The Company's tax return and the amounts of allocable profits and losses are subject to examination by taxing authorities. Accordingly, if such examinations result in changes in the profits or losses, the tax liability of the member could change. The Company files a consolidated Texas margin tax return with USCA.

The accounting records of the Company are maintained on the accrual basis of accounting in accordance with GAAP. Net income reflected in the accompanying statement of operations and changes in member's equity differ from amounts reported in the federal income tax returns because of differences in accounting policies adopted for financial and tax reporting purposes.

The Company recognizes the impact from an uncertain tax position only if that position is "more-likely-than-not" of being sustained upon examination by the taxing authority based on the technical merits of the position. However, should the Company be subject to examination by the taxing authority, any adjustments required would be passed through to the members for such adjustments. The Company will account for interest and penalties relating to uncertain tax provisions in the current period statement of operations, as necessary.

USCA Securities LLC

Notes to Financial Statements

3. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15(c)3-1), which requires the maintenance of minimum net capital of the greater of \$100,000 or 6-2/3 percent of aggregate indebtedness. At December 31, 2023, the Company had net capital of \$905,211 which was \$805,211 in excess of its required net capital of \$100,000. The Company's percentage of aggregate indebtedness relative to net capital was 110.68%.

4. Financial Instruments

Financial Instruments with Off-Balance-Sheet Risk - The Company executes in the normal course of business, as agent or principal, transactions on behalf of customers. If the transactions do not settle because of failure to perform by either the customer or the counterparty, the Company may be obligated to discharge the obligation of the nonperforming party and, as a result, may incur a loss if the market value of the securities is different from the contract amount of the transaction. The Company does not anticipate nonperformance by customers or counterparties. The Company's policy is to monitor its market exposure and counterparty risk. In addition, the Company has a policy of reviewing, as considered necessary, the credit standing of each customer with which it conducts business. Additionally, the Company is subject to credit risk if the clearing organization is unable to repay the balance in the Company's accounts.

5. Concentration of Credit Risk

The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, of which the unlikely compromised creditworthiness of one or a few of such counterparties would not pose a material financial risk to the Company.

6. Related Parties

The Entities have an Expense Sharing Agreement that allows for the reimbursement to one another for specific employee salaries, commissions and benefits for work attributable to each of the Entities. The Expense Sharing Agreement also serves the purpose of delineating the shared services, facilities, and related expenses to the appropriate Entities in the normal course of business. The related party expenses attributable to the Company are reported in the Statement of Operations. Actual results could differ from those reported in the absence of the Expense Sharing Agreement. The Entities may terminate this agreement by providing thirty days' notice to the other. At December 31, 2023 the Company's balance of receivables from USCA and other affiliated entities is \$700,912. The accounts receivable from USCA and other affiliated entities relates to reimbursable operational expenses incurred by other affiliated entities.

USCA Securities LLC

Notes to Financial Statements

7. Line of Credit

In March 2023, the Company entered into a revolving note and cash subordination agreement with a bank, which allowed for total advances up to \$2,000,000, maturing on March 30, 2024. Accrued and unpaid interest on the advances was payable monthly at a prime rate in effect from day to day plus 3.00%. There was no outstanding balance as of December 31, 2023.

8. Litigation

In the normal course of business, the Company is subject to various claims, legal actions, and disputes. The Company provides for losses, if any, in the year in which they can be reasonably estimated. As of December 31, 2023 there was no litigation loss estimated.

9. Subsequent Event

As of February 29, 2024, USCA Securities LLC and USCA entered into an Interest Purchase Agreement with USCW Holdco LLC to sell all outstanding interests of the Company. The owners of USCA will retain a portion of their ownership of the Company through their minority interest in USCW Holdco LLC. The close date will be determined after all pending regulatory approvals are in place.

Management has evaluated subsequent events through March 22, 2024 which is the date that the financial statements were available for issuance, and has determined that there are no other subsequent events to be reported.
