Dear Mr. Pitkethly:

Form 20-F for the Fiscal Year Ended December 31, 2018

2. Segment Information, page 82

1. We have read your response to comment 2 in our letter dated June 7, 2019. Given the breadth of your product offerings, it appears that there are groups of similar products underlying your operating segments for which sales trends may be useful in assessing both past performance and prospects for growth. Those trends can be compared to benchmarks such as industry statistics or information reported by competitors. Please therefore reconsider the disclosure requirements of IFRS 8.32 and your conclusion that detailing revenue by product line would not be helpful. Refer to paragraph 103 of IFRS 8 BC.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

You may contact Jenn Do at (202) 551-3743 or Jeanne Baker at (202) 551-3691 if you have any questions.
