## SALIENT DATES ANNOUNCEMENT REGARDING THE PROPOSED ACQUISITION BY NASPERS OF THE M-NET AND SUPERSPORT LINKED SHARES OTHER THAN THOSE OWNED DIRECTLY OR INDIRECTLY BY NASPERS AND/OR JOHNNIC COMMUNICATIONS LIMITED, BY WAY OF SCHEMES OF ARRANGEMENT

---

### 1. INTRODUCTION

Holders of M-Net shares and SuperSport shares, which shares trade as linked shares on the JSE Securities Exchange South Africa ("JSE") and The Nigerian Stock Exchange ("NSE") ("M-Net/SuperSport linked shares") are referred to the announcement released on SENS on 17 December 2003 and in the press on 18 December 2003 ("first announcement"), whereby it was announced that Naspers proposed to offer ("the offer") the holders of M-Net/SuperSport linked shares, other than those held by Naspers, MNH Holdings (1998) (Proprietary) Limited ("MNH98"), MultiChoice Africa (Proprietary) Limited ("MultiChoice") and, subsequent to the first announcement, Johnnic Communications Limited ("the minority shareholders"), the opportunity to swop their M-Net/SuperSport linked shares into Naspers class N ordinary shares ("Naspers shares") ("the share offer") alternatively, to elect to receive cash for their M-Net/SuperSport linked shares ("the cash offer") (collectively "the proposed transaction").

A separate scheme of arrangement in terms of Section 311 of the Companies Act, 1973 (Act 61 of 1973), as amended ("the Act"), has been proposed, firstly, in respect of M-Net ("the M-Net scheme") and secondly, in respect of SuperSport ("the SuperSport scheme") (collectively "the schemes"), which schemes will be interconditional.

The proposed transaction is subject, *inter alia*, to the conditions precedent set out in paragraph 5 below ("the conditions precedent").

### 2. PROPOSED TRANSACTION

#### 2.1 The share offer

The "switch ratio" (i.e. the number of Naspers shares to be issued to the minority shareholders as consideration for their M-Net/SuperSport linked shares) is based on the weighted average price of Naspers shares for the period from 5 January 2004 to 23 January 2004, has finally been determined and equates to 1 Naspers share for every 4,5 M-Net/SuperSport linked shares held by the minority shareholders ("share consideration").

#### 2.2 The cash offer

As announced previously, as an alternative to the share offer, the minority shareholders will be entitled to elect to receive a cash consideration of 850 cents per M-Net/SuperSport linked share ("cash consideration").

The minority shareholders may elect to receive the share consideration and/or the cash consideration. **In the event that a minority shareholder does not make a valid election, that minority shareholder will be deemed to have elected the cash consideration.** The share consideration and cash consideration are collectively referred to as the "scheme consideration".

### 3. OPINIONS AND RECOMMENDATIONS

The independent advisers appointed to advise the independent committee of the boards of M-Net and SuperSport ("the independent committee") have considered the terms of the offer and are of the opinion that they are fair and reasonable.

The independent committee has considered the terms of the offer and agrees with the opinion of the independent advisers as set out in the preceding paragraph. On the advice of the independent committee, the directors of M-Net and SuperSport are of the unanimous opinion that the terms and conditions of the offer are fair and reasonable to M-Net and SuperSport shareholders respectively.

The directors of M-Net and the directors of SuperSport are satisfied with the assessment by the independent advisers that the fair value of a M-Net/SuperSport linked share is less than the share consideration or the cash consideration.

#### 4. TERMINATION OF THE M-NET/SUPERSPORT LINKED SHARES' LISTING ON THE JSE AND THE NSE

Application will be made for the termination of the listing of M-Net/SuperSport linked shares on the JSE and the NSE with effect from the commencement of business on Thursday 15 April 2004. Full details of the election, surrender and transfer procedures for M-Net/SuperSport linked shares will be contained in the scheme documentation to be posted to shareholders before the close of business on Monday 16 February 2004.

5.3 The remaining conditions precedent which are common to both schemes are:

- the granting of a listing by the JSE of the new Naspers shares that form part of the scheme consideration. The JSE has, subject to the fulfilment of all the conditions precedent, granted approval for the listing of the new Naspers shares forming part of the scheme consideration, and
- the receipt of any other regulatory approvals or consents necessary to implement the schemes being obtained, including but not limited to approvals and consents from the JSE, the NSE, the SRP and the Exchange Control Department of the South African Reserve Bank, either on an unconditional basis or subject to such conditions as the directors of M-Net and/or SuperSport (as the case may be) and Naspers may approve in writing.
