2.203 Payment Obligation In addition to the Basic Rent specified in this Lease, Tenant shall pay to Landlord the Additional Rent, in each calendar year or partial calendar year during the term of this Lease, payable in monthly installments as hereinafter provided. Unless Tenant takes written exception to any item within thirty (30) days after the furnishing of an annual statement, such statement shall be considered as final and accepted by Tenant. Any amount due Landlord as shown on any such statement shall be paid by Tenant within thirty (30) days after it is furnished to Tenant.

2.204 Revisions in Estimated Additional Rent. If Real Estate Taxes, Insurance Premiums, Utility Expenses or Permitted Capital Pass Through Costs increase during a calendar year or if the number of square feet of rentable area in the Premises increases, Landlord may revise the estimated Additional Rent during such year by giving Tenant written notice to that effect and thereafter Tenant shall pay to Landlord, in each of the remaining months of such year, an additional amount equal to the amount of such increase in the estimated Additional Rent divided by the number of months remaining in such year.

SECTION 2.3 RENT DEFINED AND NO OFFSETS. Basic Annual Rent, Additional Rent and all other sums (whether or not expressly designated as rent) required to be paid to Landlord by Tenant under this Lease (including, without limitation, any sums payable to Landlord under any addendum, exhibit, rider or schedule attached hereto) shall constitute rent and are sometimes collectively referred to as "Rent". Each Late Charge shall be payable on demand.

Tenant will pay Landlord on the date this Lease is executed by Tenant the Security Deposit set forth in Item 10 of the Basic Lease Provisions as security for the performance of the terms hereof by Tenant. Tenant shall not be entitled to interest thereon and Landlord may commingle such Security Deposit with any other funds of Landlord. The Security Deposit shall not be considered an advance payment of rental or a measure of Landlord's damages in case of default by Tenant. If Tenant defaults with respect to any provision of this Lease, Landlord may, but shall not be required to, from time to time, without prejudice to any other remedy, use, apply or retain all or any part of this Security Deposit for the payment of any Rent or any other sum in default or for the payment of any other amount which Landlord may spend or become obligated to spend by reason of Tenant's default or to compensate Landlord for any other loss or damage which Landlord may suffer by reason of Tenant's default, including, without limitation, costs and attorneys' fees incurred by Landlord to recover possession of the Premises. If Tenant shall fully and faithfully perform every provision of this Lease to be performed by it, the Security Deposit shall be returned to Tenant within sixty (60) days after the Expiration Date. Payment by Tenant of any such rate increase shall not be a waiver of Tenant's duty to comply herewith. All changes and amendments to the Rules and Regulations sent by Landlord to Tenant in writing and conforming to the foregoing standards shall be carried out and observed by Tenant. Landlord hereby reserves all rights necessary to implement and enforce the Rules and Regulations and each and every provision of this Lease.

**SECTION 4.3 ACCESS.** Without being deemed guilty of an eviction of Tenant and without abatement of Rent, Landlord or its authorized agents shall have the right to enter the Premises, upon reasonable notice, to inspect the Premises, to show the Premises to prospective lenders, purchasers or tenants and to fulfill Landlord's obligations or exercise its rights under this Lease. Tenant hereby waives any claim for damages for any injury or inconvenience to or interference with Tenant's business, any loss of occupancy or quiet enjoyment of the Premises and any other loss occasioned thereby. For each of the aforesaid purposes, Landlord shall at all times have and retain a key with which to unlock the doors to and within the Premises, excluding Tenant's vaults and safes. Landlord shall have the right to use any and all means which Landlord may deem proper to enter the Premises in an emergency without liability therefor.

Landlord shall not be liable for and, except as provided in subsection 5.402 below, Tenant shall not be entitled to any abatement or reduction of Rent by reason of, Landlord's failure to maintain temperature or electrical constancy levels or to furnish any of the foregoing services when such failure is caused by accident breakage, repairs, strikes, lockouts or other labor disturbance or labor dispute of any character, governmental regulation, moratorium or other governmental action, inability by exercise of reasonable diligence to obtain electricity, water or fuel, or by any other cause beyond Landlord's reasonable control (collectively, "Uncontrollable Events"), nor shall any such Uncontrollable Event or results or effects thereof be construed as an eviction (constructive or actual) of Tenant or as a breach of the implied warranty of suitability, or relieve Tenant from the obligation to perform any covenant or agreement herein and in no event shall Landlord be liable for damage to persons or property (including, without limitation, business interruption), or be in default hereunder, as a result of any such Uncontrollable Event or results or effects thereof.

ARTICLE 6  
MAINTENANCE, REPAIRS, ALTERATIONS AND IMPROVEMENTS

SECTION 6.1 LANDLORD'S OBLIGATION TO MAINTAIN AND REPAIR. Landlord shall (subject to Section 7.1, Section 7.4, Article 8 below and Landlord's rights under Section 2.2 above and except for ordinary wear and tear) maintain exterior walls, roof and load bearing elements of the Building. Except for load bearing elements of the Building located within the Premises, Landlord shall not be required to maintain or repair any portion of the Premises.

SECTION 6.2 TENANT'S OBLIGATION TO MAINTAIN AND REPAIR

6.201 Tenant's Obligation. Subject to Sections 6.1, 7.1 and 7.4 and Article 8 of this Lease, Tenant shall, at Tenant's sole cost and expense, (i) maintain and keep the interior of the Premises (including, but not limited to, all fixtures, walls, ceilings, floors, doors, windows [except replacement of exterior plate glass unless the replacement is by reason of damage caused by Tenant], appliances and equipment which are a part of the Premises) in good repair and condition, (ii) repair or replace any damage or injury done to the Building or any other part of the Property caused by Tenant, Tenant's agents, employees, licensees, invitees or visitors or resulting from a breach of its obligations under this Section 6.2 and (iii) indemnify and hold Landlord harmless from any and all costs, expenses (including reasonable attorneys' fees), claims and causes of action arising from or incurred by and/or asserted in connection with such maintenance, repairs, replacements, damage or injury or Tenant's breach of its obligations under this subsection 6.201. All repairs and replacements performed by or on behalf of Tenant shall be performed in a good and workmanlike manner and in accordance with the standards applicable to alterations or improvements performed by Tenant. Tenant shall continue to pay Rent, without abatement, during any period that repairs or replacements are performed or required to be performed by Tenant under this Section 6.2. Tenant is responsible for repairs other than in Section 2.201 paragraph B.

6.202 Rights of Landlord. Landlord shall have the same rights with respect to repairs performed by Tenant as Landlord has with respect to improvements and alterations performed by Tenant under subsection 6.303 below. In the event Tenant fails, in the reasonable judgment of Landlord, to maintain the Premises in good order, condition and repair, to otherwise satisfy its repair and replacement obligations under subsection 6.201 above, Landlord shall have the right to perform such maintenance, repairs and replacements at Tenant's expense. Tenant shall pay to Landlord on demand any such cost or expense incurred by Landlord, together with interest thereon at the rate specified in Section 15.10 below from the date of demand until paid.

SECTION 6.3 IMPROVEMENTS AND ALTERATIONS.

6.301 Landlord's Construction Obligation. Landlord's sole construction obligation under this Lease is as set forth in the Work Letter attached hereto as Exhibit D.

6.302 Alteration of Building. Landlord hereby reserves the right and at all times shall have the right to repair, change, redecorate, alter, improve, modify, renovate, enclose or make additions to any part of the Property (including structural elements and load bearing elements within the Premises) and to enclose and/or change the arrangement and/or location of driveways or parking areas or landscaping or other Common Areas of the Property, all without being held guilty of an actual or constructive eviction of Tenant or breach of the implied warranty of suitability and without an abatement of Rent (the "Reserved Right"). Without in any way limiting the generality of the foregoing, Landlord's Reserved Right shall include, but not be limited to, the right to (i) construct scaffolding and other structures and perform all work and other activities, associated with such changes, alterations, improvements, modifications, renovations and/or additions, (ii) repair, change, renovate, remodel, alter, improve, modify or make additions to the arrangement, appearance, location and/or size of entrances or passageways, doors and doorways, corridors, elevators, elevator lobbies,

When exercising the Reserved Right, Landlord will interfere with Tenant's use and occupancy of the Premises as little as is reasonably practicable.

6.303 Alterations, Additions, Improvements and Installations by Tenant. Tenant shall not, without the prior written consent of Landlord, make any changes, modifications, alterations, additions or improvements (other than Tenant's Improvements under the Work Letter) to, or install any equipment or machinery (other than office equipment and unattached personal property) on, the Premises (all such changes, modifications, alterations, additions, improvements (other than Tenant's Improvements under the Work Letter) and installations approved by Landlord are herein collectively referred to as "Installations") if any such Installations would (i) affect structural or load bearing portions of the Premises, (ii) result in a material increase of electrical usage above the normal type and amount of electrical current to be provided by Landlord, (iii) result in an increase in Tenant's usage of heating or air conditioning, (iv) impact mechanical, electrical or plumbing systems in the Premises or the Building, (v) affect areas of the Premises which can be viewed from Common Areas, (vi) require greater or more difficult cleaning work (e.g., kitchens, reproduction rooms and interior glass partitions) or (vii) violate any provision in Article 4 above. As to Installations not covered by the preceding sentence, Tenant will not perform same without the prior written consent of Landlord, which consent shall not be unreasonably withheld or delayed. All Installations shall be at Tenant's sole cost and expense. Without in any way limiting Landlord's consent rights, Landlord shall not be required to give its consent until (a) Landlord approves the contractor or person making such Installations and approves such contractor's insurance coverage to be provided in connection with the work, (b) Landlord approves final and complete plans and specifications for the work and (c) the appropriate governmental agency, if any, has approved the plans and specifications for such work. All work performed by Tenant or its contractor relating to the Installations shall conform to applicable governmental laws, rules and regulations, including, without limitation, the Disability Acts. Upon completion of the Installations, Tenant shall deliver to Landlord "as built" plans. If Landlord performs such Installations, Tenant shall pay Landlord, as additional Rent, the cost thereof plus fifteen percent (15%) as reimbursement for Landlord's overhead. Each payment shall be made to Landlord within ten (10) days after receipt of an invoice from Landlord. All Installations that constitute improvements constructed within the Premises shall be surrendered with the Premises at the expiration or earlier termination of this Lease, unless Landlord requests that same be removed pursuant to Section 1.3 above. Tenant shall indemnify and hold Landlord harmless from any and all costs, expenses (including reasonable attorneys' fees), demands, claims, causes of action and liens arising from or in connection with any Installations performed by or on behalf of Tenant. All Installations performed by or on behalf of Tenant will be performed diligently and in a first-class workmanlike manner and in compliance with all applicable laws, ordinances, regulations and rules of any public authority having jurisdiction over the Building and/or Tenant's and Landlord's insurance carriers. Landlord will have the right, but not the obligation, to inspect periodically the work on the Premises and may require changes in the method or quality of the work.

6.304 Approvals. Any approval by Landlord (or Landlord's architect and/or engineers) of any of Tenant's contractors or Tenant's drawings, plans or specifications which are prepared in connection with any construction of improvements (including without limitation, Tenant's Improvements) in the Premises shall not in any way be construed as or constitute a representation or warranty of Landlord as to the abilities of the contractor of the adequacy or sufficiency of such drawings, plans or specifications or the improvements to which they relate, for any use, purpose or condition.

## ARTICLE 7

## INSURANCE, FIRE AND CASUALTY

SECTION 7.1 TOTAL OR PARTIAL DESTRUCTION OF THE BUILDING OR THE PREMISES. In the event that the Building should be totally destroyed by fire or other casualty or in the event the Building (or any portion thereof) should be so damaged that rebuilding or repairs cannot be completed, in Landlord's reasonable opinion, within one hundred eighty (180) days after the date of such damage, Landlord may, at its option, terminate this Lease, in which event Basic Annual Rent and Additional Rent shall be abated during the unexpired portion of this Lease effective with the date of such damage. Landlord shall exercise the termination right pursuant to the preceding sentence, if at all, by delivering written notice of termination to Tenant within ten (10) days after determining that the repairs cannot be completed within such one hundred eighty (180) day period. In the event that the Premises should be so damaged by fire or other casualty that rebuilding or repairs cannot be completed, in Landlord's reasonable opinion, within one hundred eighty (180) days after the date of such damage, Tenant may, at its option terminate this Lease, in which event Basic Annual Rent and Additional Rent shall be abated during the unexpired portion of this Lease, effective the date of termination. Tenant shall exercise the termination right pursuant to the preceding sentence, if at all, by delivering written notice of termination to Landlord within ten (10) days after being advised by Landlord that the repairs cannot be completed within such one hundred eighty (180) day period. In the event the Building or the Premises should be damaged by fire or other casualty and, in Landlord's reasonable opinion, the rebuilding or repairs can be completed within one hundred eighty (180) days after the date of such damage, or if the damage should be more serious but neither Landlord nor Tenant elect to terminate this Lease pursuant to this Section, in either such event Landlord shall, within sixty (60) days after the date of such damage, commence to rebuild or repair the Building and the Premises (including Tenant's Improvements, but only to the extent of insurance proceeds actually received by Landlord for the repair of Tenant's Improvements), and shall pursue with reasonable diligence the repair and restoration of the Building and the Premises to substantially the same condition which existed immediately prior to the happening of the casualty, except that Landlord shall not be required to rebuild, repair or replace any part of the furniture, equipment, fixtures, inventory, supplies or any other personalty or any other improvements (except Tenant's Improvements, but only to the extent of insurance proceeds actually received by Landlord for the repair of Tenant's Improvements) which may have been placed by Tenant or other tenants within the Building or at the Premises. Landlord shall allow Tenant a fair diminution of Basic annual Rent and Additional Rent during the time the Premises are unfit for occupancy; provided, that if such casualty was caused by Tenant, its agents, employees, licensees or invitees, Basic Annual Rent and Additional Rent shall be abated only to the extent Landlord is compensated for such Basic Annual Rent and Additional Rent by loss of rents insurance, if any. Notwithstanding Landlord's restoration obligation, in the event any mortgagee under a deed of trust, security agreement or mortgage on the Building should require that the insurance proceeds be used to retire or reduce the mortgage debt or if the insurance company issuing Landlord's fire and casualty insurance policy fails or refuses to pay Landlord the proceeds under such policy, Landlord shall have no obligation to rebuild and this Lease shall terminate upon notice by Landlord to Tenant. Any insurance which may be carried by Landlord or Tenant against loss or damage to the Building or to the Premises shall be for the sole benefit of the party carrying such insurance and under its sole control.

## SECTION 7.2 TENANT'S INSURANCE

7.201 Types of Coverage. Tenant covenants and agrees that from and after the date of delivery of the Premises from Landlord to Tenant, Tenant will carry and maintain, at its sole cost and expense, the insurance set forth

Such policy will be written in the names of Tenant, Landlord and any other parties reasonably designated by Landlord from time to time, as their respective interests may appear. The property insurance may, with the consent of the Landlord, provide for a reasonable deductible.~~

Landlord's insurance shall not cover Tenant's property. Tenant shall carry its own insurance on its property as Tenant shall elect, at its sole cost. Landlord shall have no rights to any proceeds of Tenant's insurance.

~~(c) Workers Compensation Insurance. Worker's compensation insurance insuring against and satisfying Tenant's obligations and liabilities under the worker's compensation laws of the State of Texas.~~

~~(d) Employers Liability Insurance. Employer's liability insurance in an amount not less than \$1,000,000.00.~~

7.202 Other Requirements of Insurance. All such insurance will be issued and underwritten by companies reasonably acceptable to Landlord and will contain endorsements that (a) such insurance may not lapse with respect to Landlord or Property Manager or be canceled or amended with respect to Landlord or Property Manager without the insurance company giving Landlord and Property Manager at least thirty (30) days prior written notice of such cancellation or amendment, (b) Tenant will be solely responsible for payment of premiums, (c) in the event of payment of any loss covered by such policy, Landlord or Landlord's designees will be paid first by the insurance company for Landlord's loss and (d) Tenant's insurance is primary in the event of overlapping coverage which may be carried by Landlord.

7.203 Proof of Insurance. Tenant shall deliver to Landlord duplicate originals of all policies of insurance required by this Section 7.2 or duly executed originals of the certificates of such insurance evidencing in-force coverage, within ten (10) days prior to the commencement of construction of Tenant's Improvements. Further, Tenant shall deliver to Landlord renewals thereof at least thirty (30) days prior to the expiration of the respective policy terms.

### SECTION 7.3 LANDLORD'S INSURANCE.

7.301 Types of Coverage. Landlord covenants and agrees that from and after the date of delivery of the Premises from Landlord to Tenant, Landlord will carry and maintain, at its sole cost and expense. \*See waiver attached.

(a) Public Liability Insurance. General Comprehensive Public Liability Insurance covering the Building and all Common Areas, but excluding the Premises, insuring against claims for personal or bodily injury or death or property damage occurring upon, in or about the Building or Common Areas to afford protection to the limit of not less than \$2,000,000.00 combined single limit in respect to injury or death to any number of persons and property damage arising out of any one (1) occurrence. This insurance coverage shall extend to any liability of Landlord arising out of the indemnities provided for in this Lease.

(b) Fire and Extended Coverage Insurance. Landlord shall at all times during the term hereof maintain in effect a policy or policies of fire and extended coverage insurance covering the Building (excluding property required to be insured by Tenant) in such amounts as Landlord may from time to time determine, providing protection against perils included within the standard Texas form of fire and extended coverage insurance policy, together with insurance against sprinkler damage, vandalism, malicious mischief and such other risks as Landlord may from time to time determine and with any such deductibles as Landlord may from time to time determine.

7.302 Self Insurance. Any insurance provided for in subsection 7.301 above may be effected by self-insurance or by a policy or policies of blanket insurance covering additional items or locations or assureds, provided that the requirements of this Section 7.3 are otherwise satisfied. Tenant shall have no rights in any policy or policies maintained by Landlord.

#### SECTION 7.4 WAIVER OF SUBROGATION.

Landlord and Tenant each hereby waives any right it may have against the other (including, but not limited to, a direct action for damages) on account of any loss or damage occasioned to Landlord or Tenant, as the case may be (whether or not such loss or damage is caused by the fault, negligence or other tortious conduct, acts or omissions of Landlord or Tenant or their respective officers, directors, employees, agents or invitees), to their respective property, the Premises, its contents or to any other portion of the Building or the Property arising from any risk covered by the current Texas State Board of Insurance promulgated form of property insurance and fire and extended coverage insurance required to be carried by Tenant and Landlord, respectively, under subsections 7.201(b) and 7.301(b) above. If a party waiving rights under this Section is carrying a fire and extended coverage insurance policy in the promulgated form used in the State of Texas and an amendment to such promulgated form is passed, such amendment shall be deemed not a part of such promulgated form until it applies to the policy being carried by the waiving party. Without in any way limiting the foregoing waivers and to the extent permitted by applicable law, the parties hereto each, on behalf of their respective insurance companies insuring the property of either Landlord or Tenant against any such loss, waive any right of subrogation that Landlord or Tenant or their respective insurers may have against the other party or their respective officers, directors, employees, agents or invitees and all rights of their respective insurance companies based upon an assignment from its insured. Each party to this Lease agrees immediately to give to each such insurance company written notification of the terms of the mutual waivers contained in this section and to have said insurance policies properly endorsed, if necessary, to prevent the invalidation of said insurance coverage by reason of said waivers. The foregoing waiver shall be effective whether or not the parties maintain the required insurance.

#### SECTION 7.5 INDEMNITY

7.501 Tenant's Indemnity. Tenant will indemnify and hold Landlord, Property Manager and their respective officers, directors, employees and agents harmless from all claims, demands, actions, damages, loss, liabilities, judgements, costs and expenses, including without limitation, attorney's fees and court costs (each a "Claim" and collectively the "Claims") which (i) are suffered by, recovered from or asserted against Landlord, (ii) are not paid by insurance carried by Tenant or Landlord (without in any way affecting the requirements of or Landlord's rights under subsection 7.202[d] above) and (iii) arise from or in connection with (a) the use or occupancy of the Premises and/or any accident, injury or damage occurring in or at the Premises or (b) any breach by Tenant of any representation or covenant in this Lease; provided, however, such indemnification of Landlord by Tenant shall not include any Claim waived by Landlord under Section 7.4 above, any Claim to the extent caused by the negligence, gross negligence or willful misconduct of Landlord or any Claim relating to hazardous or toxic materials except to the extent such Claim arises out of a breach by Tenant of any of the provisions of subsection 4.102 above.

7.502 Landlord's Indemnity. Landlord will indemnify and hold Tenant and its officers, directors, employees and agents harmless from all Claims which are suffered by, recovered from or asserted against Tenant and which are

not paid by proceeds of insurance carried by Landlord or Tenant and which arise from or in connection with (a) the use of the Common Areas and/or any accident, injury or damage occurring in or on the Common Areas or (b) any breach by Landlord of any representation or covenant in this Lease; provided, however, such indemnification of Tenant by Landlord shall not include any Claim waived by Tenant under Section 7.4 above, any Claim to the extent caused by the negligence, gross negligence or willful misconduct of Tenant or any Claim relating to hazardous or toxic materials except to the such Claim arises out of a breach by Landlord of any of the provisions of subsection 4.102 above.

## ARTICLE 8 CONDEMNATION

**SECTION 8.1 CONDEMNATION RESULTING IN CONTINUED USE NOT FEASIBLE.** If the property or any portion thereof that, in Landlord's reasonable opinion, is necessary to the continued efficient and/or economically feasible use of the Property shall be taken or condemned in whole or in part for public purposes, or sold to a condemning authority in lieu of taking, then the Lease shall, at the option of Landlord, forthwith cease and terminate.

**SECTION 8.2 TOTAL CONDEMNATION OF PREMISES.** In the event that all or substantially all of the Premises is then or condemned or sold in lieu thereof or Tenant will be unable to use a substantial portion of the Premises for a period of one hundred eighty (180) consecutive days by reason of a temporary taking, either Landlord or Tenant may terminate this Lease by delivering written notice thereof to the other within ten (10) business days after the taking, condemnation or sale in lieu thereof.

**SECTION 8.3 CONDEMNATION WITHOUT TERMINATION.** If upon a taking or condemnation or sale in lieu of the taking of all or less than all of the Property which gives either Landlord or Tenant the right to terminate this Lease pursuant to Section 8.1 or 8.2 above and neither Landlord nor Tenant elect to exercise such termination right, then this Lease shall continue in full force and effect, provided that, if the taking, condemnation or sale includes any portion of the Premises, the Basic Annual Rent and Additional Rent shall be redetermined on the basis of the remaining square feet of Agreed Rentable Area of the Premises. Landlord, at Landlord's sole option and expense, shall restore and reconstruct the Building to substantially its former condition to the extent that the same may be reasonably feasible, but such work shall not be required to exceed the scope of the work done by Landlord in originally constructing the Building, nor shall Landlord in any event be required to spend for such work an amount received by Landlord as compensation or damages (over and above amounts going to the mortgagee of the property taken) for the part of the Building or the Premises so taken.

**SECTION 8.4 CONDEMNATION PROCEEDS.** Landlord shall receive the entire award (which shall include sales proceeds) payable as a result of a condemnation, taking or sale in lieu thereof. Tenant hereby expressly assigns to Landlord any and all right, title and interest of Tenant now or hereafter arising in and to any such award. Tenant shall, however, have the right to recover from such authority through a separate award which does not reduce Landlord's award, any compensation as may be awarded to Tenant on account of moving and relocation expenses and depreciation to and removal of Tenant's physical property.

## ARTICLE 9 LIENS

Tenant shall keep the Premises free from all liens arising out of any work performed, materials furnished or obligations incurred by or for Tenant and Tenant shall indemnify and hold Landlord harmless from any and all claims, causes of action, damages, expenses (including reasonable attorneys' fees), arising from or in connection with any such liens. In the event that Tenant shall not, within ten (10) days following notification to Tenant of the imposition of any such lien, cause the same to be released of record by payment or the posting of a bond in amount, form and substance acceptable to Landlord, Landlord shall have, in addition to all other remedies provided herein and by law, the right but not the obligation, to cause the same to be released by such means as it shall deem proper, including payment of or defense against the claim giving rise to such lien.

All amounts paid or incurred by Landlord in connection shall be paid by Tenant to Landlord on demand and shall bear interest from the date of demand until paid at the rate set forth in Section 15.10 below. Nothing in this Lease shall be deemed or construed in any way as constituting the consent or request of Landlord, express or implied, by inference or

otherwise, to any contractor, subcontractor, laborer or materialman for the performance of any labor or the furnishing of any materials for any specific improvement, alteration or repair of or to the Building or the Premises or any part thereof, nor as giving Tenant any right, power or authority to contract for or permit the rendering of any services or the furnishing of any materials that would give rise to the filing of any mechanic's or other liens against the interest of Landlord in the Property or the Premises.

#### ARTICLE 10 TAXES ON TENANT'S PROPERTY

Tenant shall be liable for and shall pay, prior to their becoming delinquent, any and all taxes and assessments levied against, and any increase in Real Estate Taxes as a result of, any property or trade or other fixtures placed by Tenant in or about the Premises and any improvements (other than Tenant's Improvements) constructed in the Premises by or on behalf of Tenant. In the event Landlord pays any such additional taxes or increases, Tenant will, within ten (10) days after demand, reimburse Landlord for the amount thereof.

#### ARTICLE 11 SUBLETTING AND ASSIGNING

SECTION 11.1 SUBLEASE AND ASSIGNMENT. Tenant shall not assign this Lease, or allow it to be assigned, in whole or in part, by operation of law or otherwise (it being agreed that for purposes of this Lease, assignments shall include, without limitation, the transfer of a majority interest of stock, partnership or other forms of ownership interests, merger or dissolution) or mortgage or pledge the same, or sublet the Premises or any part thereof or permit the Premises to be occupied by any firm, person, partnership or corporation or any combination thereof, other than Tenant, without the prior written consent of Landlord (such consent will not be unreasonably withheld). In no event shall any assignment or sublease ever release Tenant from any obligation or liability hereunder. No assignee or sublessee of the Premises or any portion thereof may assign or sublet the Premises or any portion thereof. Consent by Landlord to one or more assignments or sublettings shall not operate as a waiver of Landlord's rights as to any subsequent assignments and/or sublettings. All reasonable legal fees and expenses incurred by Landlord in connection with any assignment or sublease proposed by Tenant will be the responsibility of Tenant and will be paid by Tenant within five (5) days of receipt of an invoice from Landlord. ~~In addition, Tenant will pay to Landlord an administrative overhead fee of \$500.00 in consideration for Landlord's review of any requested assignment or sublease.~~

SECTION 11.2 LANDLORD'S RIGHTS RELATING TO ASSIGNEE OR SUBTENANT. If this Lease or any part hereof is assigned or the Premises or any part thereof are sublet, Landlord may at its option collect directly from such assignee or sublessee all rents becoming due to Tenant under such assignment or sublease and apply such rent against any sums due to Landlord by Tenant hereunder. Tenant hereby authorizes and directs any such assignee or sublessee to make such payments of rent direct to Landlord upon receipt of notice from Landlord and Tenant agrees that any such payments made by an assignee or sublessee to Landlord shall, to the extent of the payments so made, be a full and complete release and discharge of rent owed to Tenant by such assignee or sublessee. No direct collection by Landlord from any such assignee or sublessee shall be construed to constitute a novation or a release of Tenant or any guarantor of Tenant from the further performance of its obligations hereunder. Receipt by Landlord of rent from any assignee, sublessee or occupant of the Premises or any part thereof shall not be deemed a waiver of the above covenant in this Lease against assignment and subletting or a release of Tenant under this Lease. In the event that, following an assignment or subletting, this Lease or the rights and obligations of Tenant hereunder are terminated for any reason, including without limitation in connection with default by or bankruptcy of Tenant (which, for the purposes of this Section 11.2, shall include all persons or entities claiming by or through Tenant), Landlord may, at its sole option, consider this Lease to be thereafter a direct lease to the assignee or subtenant of Tenant upon the terms and conditions contained in this Lease.

#### ARTICLE 12 TRANSFERS BY LANDLORD, SUBORDINATION AND TENANT'S ESTOPPEL CERTIFICATE

SECTION 12.1 SALE OF THE PROPERTY. In the event of a sale or conveyance by Landlord of the Property, the same shall operate to release Landlord from any and all liability under this Lease arising after the date of such sale, provided that if a Security Deposit has been made by Tenant, Landlord shall not be released from liability with respect thereto unless Landlord transfers the Security Deposit to the purchaser.

SECTION 12.2 SUBORDINATION, ATTORNMEN AND NOTICE. This Lease is subject and subordinate to (i) any lease wherein Landlord is the tenant and to the liens of any and all mortgages and deeds of trust, regardless of whether such lease, mortgage or deed of trust now exists or may hereafter be created with regard to all or any part of the Property, (ii) any and all advances (including interest thereon) to be made under any such lease, mortgage or deed of trust and (iii) all modifications, consolidations, renewals, replacements and extensions of any such lease, mortgage or deed of trust; provided that the foregoing subordination in respect of any mortgage or deed of trust placed on the Property after the date hereof shall not become effective until and unless the holder of such mortgage or deed of trust delivers to Tenant a non-disturbance agreement (which may include Tenant's agreement to attorn as set forth below) permitting Tenant, if Tenant is not then in default under, or in breach of any provision of, this Lease, to remain in occupancy of the Premises in the event of a foreclosure of any such mortgage or deed of trust. Tenant also agrees that any lessor, mortgagee or trustee may elect (which election shall be revocable) to have this Lease superior to any lease or lien of its mortgage or deed of trust and, in the event of such election and upon notification by such lessor, mortgagee or trustee to Tenant to that effect, this Lease shall be deemed superior to the said lease, mortgage or deed of trust, whether this Lease is dated prior to or subsequent to the date of said lease, mortgage or deed of trust. Tenant shall, in the event of the sale or assignment of Landlord's interest in the Premises (except in a sale-leaseback financing transaction), or in the event of the termination of any lease in a sale-leaseback financing transaction wherein Landlord is the lessee, attorn to and recognize such purchaser, assignee or mortgagee as Landlord under this Lease. Tenant shall, in the event of any proceedings brought for the foreclosure of, or in the event of the exercise of the power of sale under, any mortgage or deed of trust covering the Premises, attorn to and recognize purchaser at such sale, assignee or mortgagee, as the case may be, as Landlord under this Lease. The above subordination and attornment clauses shall be self-operative and no further instruments of subordination or attornment need be required by any mortgagee, trustee, lessor, purchaser or assignee. In confirmation thereof, Tenant agrees that, upon the request of Landlord, or any such lessor, mortgagee, trustee, purchaser or assignee, Tenant shall execute and deliver whatever instruments may be required for such purposes and to carry out the intent of this Section 12.2.

SECTION 12.3 TENANT'S ESTOPPEL CERTIFICATE. Tenant shall, upon the request of Landlord or any mortgagee of Landlord, without additional consideration, deliver an estoppel certificate, consisting of reasonable statements required by Landlord, any mortgagee or purchaser of any interest in the Property, which statements may include but shall not be limited to the following: this Lease is in full force and effect, with rental paid through \_\_\_\_\_; this Lease has not been modified or amended; and Landlord is not in default and Landlord has fully performed all of Landlord's obligations hereunder. If Tenant is unable to make any of the statements contained in the estoppel certificate because the same is untrue, Tenant shall with specificity state the reason why such statement is untrue. Tenant shall, if requested by Landlord or any such mortgagee, deliver to Landlord a fully executed instrument in form reasonably satisfactory to Landlord evidencing the agreement of Tenant to the mortgage or other hypothecation by Landlord of the interest of Landlord hereunder.

## ARTICLE 13 DEFAULT

SECTION 13.1 DEFAULTS BY TENANT. The occurrence of any of the events described in subsections 13.101 through 13.108 shall constitute a default by Tenant under this Lease.

13.101 Failure to Pay Rent. With respect to the first two payments of Rent not made by Tenant when due in any twelve (12) month period, the failure by Tenant to make either such payment to Landlord within ten (10) business days after Tenant receives written notice specifying that the payment was not made when due. With respect to any other payment of Rent, the failure by Tenant to make such payment of Rent to Landlord when due, no notice of any such failure being required.

- 13.102 Failure to Perform. Except for a failure to covered by subsection 13.101 above or 13.103 below, any failure by Tenant to observe and perform any provision of this Lease to be observed or performed by Tenant where such failure continues for thirty (30) days after written notice to Tenant, provided that if such failure cannot be cured within said thirty (30) day period, Tenant shall not be in default hereunder so long as Tenant commences curative action within such thirty (30) day period, diligently and continuously pursues the curative action and fully and completely cures the failure within sixty (60) days after such written notice to Tenant.
- 13.103 Continual Failure to Perform. The third failure by Tenant in any twelve (12) month period to perform and observe a particular provision of this Lease to be observed or performed by Tenant (other than the failure to pay Rent, which in all instances will be covered by subsection 13.101 above), no notice being required for any such third failure.
- 13.104 Bankruptcy, Insolvency, Etc. Tenant or any guarantor of Tenant's obligations hereunder (hereinafter called "Guarantor", whether one (1) or more), (i) cannot meet its obligations as they become due, (ii) becomes or is declared insolvent according to any law, (iii) makes a transfer in fraud of creditors according to any applicable law, (iv) assigns or conveys all or a substantial portion of its property for the benefit or creditors or (v) Tenant or Guarantor files a petition for relief under the Federal Bankruptcy Code or any other present or future federal or state insolvency, bankruptcy or similar law (collectively, "applicable bankruptcy law"); a receiver or trustee is appointed for Tenant or Guarantor or its property; the interest of Tenant or Guarantor under this Lease is levied on under execution or under other legal process; any involuntary petition is filed against Tenant or Guarantor under applicable bankruptcy law; or any action is taken to reorganize or modify Tenant's or Guarantor's capital structure if either Tenant or Guarantor be a corporation or other entity (provided that no such levy, execution, legal process or petition filed against Tenant or Guarantor shall constitute a breach of this Lease if Tenant or Guarantor shall vigorously contest the same by appropriate proceedings and shall remove or vacate the same within ninety (90) days from the date of is creation, service or filing).
- 13.105 Abandonment. The abandonment of the Premises by Tenant.

- 13.107 Loss of Right to do Business. If Tenant is a corporation or limited partnership, Tenant fails to maintain its right to do business in the State of Texas or fails to pay any applicable annual franchise taxes as and when same become finally due and payable.
- 13.108 Dissolution or Liquidation. If Tenant is a corporation or partnership, Tenant dissolves or liquidates or otherwise fails to maintain its corporate or partnership structure, as applicable.

With respect to the defaults described in subsections 13.103 through 13.108, Landlord shall not be obligated to give Tenant notices of default and Tenant shall have no right to cure such defaults.

SECTION 13.2 REMEDIES OF LANDLORD. Upon the occurrence of any default by Tenant specified in Section 13.1 above, Landlord, at its option, may in addition to all other rights and remedies provided herein or at law or in equity, exercise one or more of the remedies set forth in subsections 13.201, 13.202 or 13.203 below.

- 13.201 Termination of the Lease. Upon the occurrence of a default by Tenant hereunder, Landlord may, without judicial process, terminate this Lease by giving written notice thereof to Tenant (whereupon all obligations and liabilities of Landlord hereunder shall terminate) and, without further notice and without liability, repossess

the Premises. Landlord shall be entitled to recover all loss and damage Landlord may suffer by reason of such termination, whether through inability to relet the Premises on satisfactory terms or otherwise, including without limitation, the following (without duplication of any element of damages):

- (a) accrued Rent to the date of termination and Late Charges, plus interest thereon at the rate established under Section 15.10 below from the date due through the date paid or date of any judgment or award by any court of competent jurisdiction, the unamortized cost of Tenant's Improvements, brokers' fees and commissions, attorneys' fees, moving allowances and any other costs incurred by Landlord in connection with making or executing this Lease, the cost of recovering the Premises and the cost of reletting the Premises (including, without limitation, advertising costs, brokerage fees, leasing commissions, reasonable attorneys' fees and refurbishing costs and other costs in readying the Premises for a new tenant);
- (b) the present value of the Rent (discounted at a rate of interest equal to ten percent [10%] per annum [the "Discount Rate"]) that would have accrued under this Lease for the balance of the Lease term but for such termination, reduced by the reasonable fair market rental value of the Premises for such balance of the Lease term (determined from the present value of the actual base rents, discounted at the Discount Rate, received and to be received from Landlord's reletting of the Premises or, if the Premises are not relet, the base rents, discounted at the Discount Rate, that would be received from a comparable lease and comparable tenant for a comparable term and taking into account among other things, the condition of the Premises, market conditions and the period of time the Premises may reasonably remain vacant before Landlord is able to re-lease the same to a suitable replacement tenant, it being agreed that Landlord shall have no obligation to relet or attempt to relet the Premises);
- (c) plus any other costs or amounts necessary to compensate Landlord for its damages.

13.202 Repossession and Re-Entry. Upon the occurrence of a default by Tenant hereunder, Landlord may, without judicial process, immediately terminate Tenant's right of possession of the Premises (whereupon all obligations and liability of Landlord hereunder shall terminate), but not terminate this Lease, and, without notice, demand or liability, enter upon the Premises or any part thereof, take absolute possession of the same, expel or remove Tenant and any other person or entity who may be occupying the premises and change the locks. If Landlord terminates Tenant's possession of the Premises under this subsection 13.202, (i) Landlord shall have no obligation whatsoever to tender to Tenant a key for new locks installed in the Premises, (ii) Tenant shall have no further right to possession of the Premises and (iii) Landlord shall have no obligation whatsoever to relet or attempt to relet the Premises. Landlord may, however, at its sole option relet the Premises or any part thereof for such terms and such rents as Landlord may in its sole discretion elect. If Landlord elects to relet the Premises, rent received by Landlord from such reletting shall be applied first, to the payment of any indebtedness other than Rent due hereunder from Tenant to Landlord (in such order as Landlord shall designate), second, to the payment of any cost of such reletting, including, without limitation, refurbishing costs, reasonable attorneys' fees, advertising cost, brokerage fees and leasing commissions and third, to the payment of Rent due and unpaid hereunder (in such order as Landlord shall designate), and Tenant shall satisfy and pay to Landlord any deficiency upon demand therefor from time to time. Landlord shall not be responsible or liable for any failure to relet the Premises or any part thereof or for any failure to collect any rent due upon any such reletting. No such re-entry or taking of possession of the Premises by Landlord shall be construed as an election on Landlord's part to terminate this Lease unless a written notice

of such termination is given to Tenant pursuant to subsection 13.201 above. If Landlord relets the Premises, either before or after the termination of this Lease, all such rentals received from such lease shall be and remain the exclusive property of Landlord and Tenant shall not be, at any time, entitled to recover any such rental. Landlord may at any time after a reletting elect to terminate this Lease.

13.203 Cure of Default. Landlord may, without judicial process, enter upon the Premises, without having any liability therefor and do whatever Tenant is obligated to do under the terms of this Lease and Tenant agrees to reimburse Landlord on demand for any expenses which Landlord may incur in effecting compliance with Tenant's obligations under this Lease, and Tenant further agrees that Landlord shall not be liable for any damages resulting to Tenant from such action whether caused by the negligence of Landlord or otherwise.

13.204 Continuing Obligations. No repossession of or re-entering upon the Premises or any part thereof pursuant to subsection 13.202 or 13.203 above or otherwise and no reletting of the Premises or any part thereof pursuant to subsection 13.202 above shall relieve Tenant or any Guarantor of its liabilities and obligations hereunder, all of which shall survive such repossession or re-entering. In the event of any such repossession of or re-entering upon the Premises or any part thereof by reason of the occurrence of a default, Tenant will continue to pay Landlord Rent required to be paid by Tenant.

13.205 Cumulative Remedies. No right or remedy herein conferred upon or reserved to Landlord is intended to be exclusive of any other right or remedy and each and every right and remedy shall be cumulative and in addition to any other right or remedy given hereunder or now or hereafter existing at law or in equity or by statute. In addition to the other remedies provided in this Lease, Landlord shall be entitled, to the extent permitted by applicable law, to injunctive relief in case of the violation, or attempted or threatened violation, of any of the covenants, agreements, conditions or provisions of this Lease, or to a decree compelling performance of any of the covenants, agreements, conditions or provisions of this Lease, or to any other remedy allowed to Landlord at law or in equity.

SECTION 13.3 DEFAULTS BY LANDLORD. Landlord shall be in default under this Lease if Landlord fails to perform any of its obligations hereunder and said failure continues for a period of thirty (30) days after Tenant delivers written notice thereof to Landlord (to each of the addresses required by this Section) and each mortgagee who has a lien against any portion of the Property and whose name and address has been provided to Tenant, provided that if such failure cannot reasonably be cured within said thirty (30) day period, Landlord shall not be in default hereunder if the curative action is commenced within said thirty (30) day period and is thereafter diligently pursued until cured. In no event shall (i) Tenant claim a constructive or actual eviction or that the Premises have become unsuitable hereunder or (ii) a constructive or actual eviction or breach of the implied warranty of suitability be deemed to have occurred under this Lease, prior to the expiration of the notice and cure periods provided under this Section 13.3. Any notice of a failure to perform by Landlord shall be sent to Landlord at the addresses and to the attention of the parties set forth in the Basic Lease Provisions. Any notice of a failure to perform by Landlord not sent to Landlord at all addresses and/or to the attention of all parties required under this Section and to each mortgagee who is entitled to notice or not sent in compliance with Article 14 below shall be of no force or effect.

SECTION 13.4 LANDLORD'S LIABILITY.

13.401 Tenant's Rights in Respect of Landlord Default. Tenant is granted no contractual right of termination by this Lease, except to the extent and only to the extent set forth in Sections 7.1 and 8.2 above. If Tenant shall recover a money judgment against Landlord, such judgment shall be satisfied only out of the right, title and interest of Landlord in the Property as the same may then be encumbered and Landlord shall not be liable for any deficiency. If Landlord is found to be in default hereunder by reason of its failure to give a consent that it is required to give hereunder, Tenant's sole remedy will be an action for specific performance or injunction. The foregoing sentence shall in no event be construed as mandatorily requiring Landlord to give consents under this Lease. In no event shall Landlord be liable to Tenant for consequential or special damages by reason of a failure to perform (or default) by Landlord hereunder or otherwise. In no event shall Tenant

have the right to levy execution against any property of Landlord other than its interest in the Property as herein before expressly provided.

13.402 Certain Limitations on Landlord's Liability. Unless covered by subsection 7.502 above or caused by Landlord's gross negligence or willful misconduct, Landlord shall not be liable to Tenant for any claims, actions, demands, costs, expenses, damage or liability of any kind (i) arising out of the use, occupancy or enjoyment of the Premises by Tenant or any person therein or holding under Tenant or by or through the acts or omissions of any of their respective employees, officers, agents, invites or contractors, (ii) caused by or arising out of fire, explosion, falling sheetrock, gas, electricity, water, rain, snow or dampness, or leaks in any part of the Premises, (iii) caused by or arising out of damage to the roof, pipes, appliances or plumbing works or any damage to or malfunction of heating, ventilation or air conditioning equipment or (iv) caused by tenants or any persons either in the Premises or elsewhere in the Building (other than Common Areas) or by occupants of property adjacent to the Building or Common Areas or by the public or by the construction of any private, public or quasi-public work. In no event shall Landlord be liable to Tenant for any loss of or damage to property of Tenant or of others located in the Premises or the Building by reason of theft or burglary.

SECTION 13.5 WAIVER OF TEXAS DECEPTIVE TRADE PRACTICES ACT. It is the intent of Landlord and Tenant to waive all of the provisions (other than Section 17.555) of the Texas Deceptive Trade Practices - Consumer Protection Act, Subchapter E of Chapter 17 of the Texas Business and Commerce Code (the "DTPA") as such provisions are or may be applicable to this Lease and the transaction evidenced hereby. - ~~(d) Landlord and Tenant agree that the total consideration paid or to be paid by Tenant over the term of the Lease exceeds \$500,000.00, failing which this part (d) shall be deemed deleted.~~
- ~~(e) Tenant represents to Landlord that Tenant has assets of \$5 million or more according to the most recent financial statement of Tenant prepared in accordance with generally accepted accounting principles, failing which Landlord and Tenant shall have their respective legal counsel sign this Lease in the space provided on the signature page hereof. - ~~(f) Landlord and Tenant hereby agree, for themselves, their agents, property managers, brokers and contractors and their respective heirs, personal representatives successors and assigns, that all of the provisions of the DTPA (except for Section 17.555 thereof) which are or may be applicable to this Lease and the transaction evidenced hereby are hereby WAIVED, including specifically, without limitation, all rights and remedies resulting from or arising out of any and all acts or practices occurred before or after the execution of this Lease. The~~

~~provisions of this Section shall survive the execution and any termination of this Lease. IF PART (d) ABOVE IS DEEMED DELETED, THIS SECTION 13.5 SHALL NOT BE APPLICABLE AND SHALL BE WITHOUT FORCE OR EFFECT.~~

SECTION 13.6 LANDLORD'S LIEN. Tenant grants to Landlord an express contract lien on and security interest in and to all goods, equipment, furnishings, fixtures, furniture, chattels and personal property of whatever nature owned by Tenant attached or affixed to or used in and about the Premises on the date of this Lease or at any time after the date of this Lease or otherwise located in the Premises and all renewals or replacements or substitutions for any of the foregoing, all building materials and equipment now or hereafter delivered to the Premises and intended to be installed in the Premises and all security deposits and advance rentals under lease agreements on the date of this Lease or at any time after the date of this Lease covering or affecting the Premises and held by or for the benefit of Tenant and all proceeds of the foregoing (including by way of illustration, but not limitation, proceeds of any insurance which may accrue to Tenant by reason of damage or destruction of any such property). On the date this Lease is executed, Tenant shall execute and deliver to Landlord two multiple originals of a financing statement in form sufficient to perfect the security interest granted hereunder. The requirement of reasonable notice prior to any sale under Article 9 of the Texas Business and Commerce Code shall be met if such notice is given in the manner prescribed herein at least ten (10) days before the day of sale. Any sale made pursuant to the provisions of this Section shall be deemed to have been a public sale conducted in a commercially reasonable manner if held in the Premises after the time, place and method of sale and a general description of the types of property to be sold have been advertised for ten (10) consecutive days prior to the date of sale in a daily newspaper published in the county in Texas where the Building is located. (Excluding copy machine which is currently leased) Notwithstanding the foregoing, Landlord's lien shall not cover any of Tenant's files or data, intangible property or computer systems or equipment.

SECTION 15.3 NO WAIVER. No waiver by Landlord or by Tenant of any provision of this Lease shall be deemed to be a waiver by either party of any other provision of this Lease. No waiver by Landlord of any breach by Tenant shall be

Tenant's consent to or approval of any act by Landlord requiring Tenant's consent or approval shall not be deemed to render unnecessary the obtaining of Tenant's consent to or approval of any subsequent act of Landlord. No act or thing done by Landlord or Landlord's agents during the term of this Lease shall be deemed an acceptance of a surrender of the Premises, unless done in writing signed by Landlord. No waiver by Landlord or Tenant of any provision of this Lease shall be deemed to have been made unless such waiver is expressly stated in writing signed by the waiving party. No payment by Tenant or receipt by Landlord of a lesser amount than the monthly installment of Rent due under this Lease shall be deemed to be other than on account of the earliest Rent due hereunder, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as Rent be deemed an accord and satisfaction and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such rent or pursue any other remedy which may be available to Landlord.

c. Tenant (notwithstanding the first sentence of subsection 7.201 of the Supplemental Lease Provisions), Tenant's Contractors and other agents shall provide Landlord sufficient evidence that each is covered under such Worker's Compensation, public Liability and property damage insurance as Landlord may reasonably request or its Protection.
