Consolidated Statements of Operations, page 46

1. We note in your response to our prior comment number 2 that you include hosting revenues in your product line item in your consolidated statements of operations. Tell us how you considered Rule 5-03(b)(1) of Regulation S-X in classifying such revenues as product revenue as opposed to service revenue. In your response, tell us how you considered presenting hosting revenues, and the related cost of revenue, as a separate line item or including such revenues in your service revenue line item in your consolidated statements of operations.
