1.4 Excluded Liabilities. Except for the Assumed Liabilities, Acquirer is not assuming any liability or obligation of the Company, whether known or unknown, fixed or contingent, and regardless of when such liabilities may arise or may have arisen or when asserted. Specifically, the Company shall retain, and Acquirer shall neither assume nor become responsible for, and the Assumed Liabilities shall not include, any of the following (collectively, the “Excluded Liabilities”):

(a) any Liabilities or obligations relating to or arising in connection with any Excluded Asset;

(b) (i) any Liability of the Company for Taxes (with respect to operation of the Business or otherwise), (ii) except as provided in Section 1.9 hereof, any Liability of the Company for income, transfer, sales, use, and other Taxes arising in connection with the consummation of the transactions contemplated hereby (including any income Taxes arising because the Company is transferring the Purchased Assets), (iii) any Liability of the Company for the unpaid Taxes of any Person under Income Tax Regulations section 1.1502-6 (or any similar provision of state, local, or foreign law), as a transferee or successor, by contract or otherwise;

(g) any Liabilities or obligations arising from Legal Proceedings arising from the conduct of the Business prior to and including the Closing Date.

1.5 Assignment; Shared Contracts.

(a) Notwithstanding Section 1.3(a) above, the Company shall assign its rights under the Assigned Contracts only to the extent that such rights are assignable under the Assigned Contracts and the Law, and no action hereunder shall constitute an assignment thereof, except to such extent. To the extent the consent of any Person or Governmental or Regulatory Entity to such assignment, or notice to any Person or Governmental or Regulatory Entity of such assignment, is required to effect the assignment of any Assigned Contract pursuant to the terms of such Assigned Contract or Law, no assignment or attempted assignment will be deemed to have been effected by the provisions of this Agreement without such consent or notice. To the extent that the Law permits such an assignment and the consent of or notice to any Person or

Governmental or Regulatory Entity is required in connection therewith, the Company shall deliver to the applicable Person or Governmental or Regulatory Entity the required notice in accordance with the terms and conditions of the applicable Assigned Contract, and shall use its commercially reasonable efforts (which shall not require any payment of money or other consideration) to obtain all such consents prior to the Closing Date; *provided, however*, that (a) if the Company is unable to obtain any such consent prior to the Closing Date, and (b) Acquirer has not made consent to assignment a condition of the Closing pursuant to the terms of Section 7.3(d), below, or otherwise waived Company's obtaining such consents, then the Company's obligation under this Section 1.5(a) to use such commercially reasonable efforts to obtain such consent shall nevertheless remain in full force and effect after the Closing Date. To the extent that, notwithstanding the Company's use of such commercially reasonable efforts, any such consent is not obtained or that the Law does not permit the Company or its Subsidiaries to assign any Assigned Contract that would otherwise constitute a Purchased Asset, and to the extent Acquirer has waived its right under Section 7.3(d), below, to require Company to obtain such consent, such Assigned Contract shall be deemed not to constitute a Purchased Asset for purposes of this Agreement and the Company shall use its commercially reasonable efforts to (i) provide to Acquirer, at the written request of Acquirer, the benefits of any such Assigned Contract, and (ii) enforce and perform, at the request and, if the Company provides such benefits to Acquirer, at the expense of and for the account of Acquirer, any rights or obligations of the Company or its Subsidiaries arising from any such Assigned Contract against or in respect of any third party, including the right to elect to terminate any Assigned Contract in accordance with the terms thereof upon the request of Acquirer, or otherwise enter into with Acquirer such other arrangements sufficient to provide equivalent benefits and burdens to Acquirer. Nothing in this Section 1.5(a) is intended to modify or affect the condition set forth in Section 7.3(d) hereof.

(b) Prior to the Closing, the Company and Acquirer shall use their commercially reasonable efforts to work together in an effort to (i) divide, modify or replicate (in whole or in part) the respective rights and obligations under and in respect of the Shared Contracts and (ii) if possible, novate the respective rights and obligations under and in respect of the Shared Contracts such that, effective as of the Closing, (A) Acquirer is the beneficiary of the post-Closing rights and, to the extent contemplated in Section 1.3 above (but subject to Section 1.5(a) above), is responsible for the post-Closing obligations related to that portion of the Shared Contract included in the Assigned Contracts (the "Business Portion") (so that, subsequent to the Closing, the Company shall have no post-Closing rights or, subject to Section 1.4, post-Closing obligations with respect to the Business Portion of the Shared Contract) and (B) the Company is the beneficiary of the rights and is responsible for the obligations related to each Shared Contract other than the Business Portion (the "Non-Business Portion") (so that, subsequent to the Closing, Acquirer shall have no rights or obligations with respect to each Non-Business Portion of the Shared Contract). If the parties are not able to enter into an arrangement to formally divide, modify or replicate one or more of the Shared Contracts prior to the Closing as contemplated by the previous sentence, then the Company and Acquirer shall use their commercially reasonable efforts to work together in an effort to divide, modify or replicate (in whole or in part) the respective rights and obligations under and in respect of the Shared Contracts as necessary to meet the intent of this paragraph (b). Nothing in this Section 1.5(a) is intended to modify or affect the condition set forth in Section 7.3(d) hereof.

1.6 Prorations. The amount of any fees, royalties, rents or other charges which in any case are payable periodically by the Company with respect to any of the Assigned Contracts that constitute Purchased Assets hereunder or with respect to which the Company receives the benefits thereof in accordance with Section 1.5(a) will be prorated as of the Closing Date, with the Company liable to the extent such items relate to any time period up to and including the Closing Date and Acquirer liable to the extent such items relate to periods subsequent to the Closing Date. The Company agrees to furnish Acquirer with such documents and other records as Acquirer reasonably requests in writing in order to confirm all adjustment and proration calculations made pursuant to this Section 1.6. Final payments with respect to prorations contemplated by this Section 1.6 that are not ascertainable on or before the Closing Date shall be settled between the parties as soon as practicable after such prorations are ascertainable.

1.7 Purchase Price; Payment of Purchase Price.

(a) Total Consideration. The aggregate consideration for the Purchased Assets and the Business related thereto shall be a cash payment of twelve million dollars (\$12,000,000) (the "Purchase Price").

(b) The Purchase Price, less the Escrow Amount, shall be paid by Acquirer to the Company at the Closing, and such payment shall be made via wire transfer of immediately available funds from Acquirer to an account specified by the Company no less than one (1) Business Day prior to the Closing.

1.8 Closing. The consummation of the purchase and sale of the Purchased Assets in accordance with this Agreement (the "Closing") shall take place at 10:00 a.m., California time, at the offices of Pillsbury Winthrop Shaw Pittman LLP, 2475 Hanover Street, Palo Alto, CA 94304, on the third (3rd) Business Day after all of the conditions precedent to Closing hereunder shall have been satisfied or waived, or at such other date, time and place as the Company and Acquirer shall mutually agree upon. The date of the Closing shall be referred to as the "Closing Date." The Company and Acquirer hereby agree to deliver at the Closing such documents, certificates of officers and other instruments as are set forth in hereof and as may reasonably be required to effect the transfer by the Company of the Purchased Assets pursuant to and as contemplated by this Agreement and to consummate the Acquisition. All events which shall occur at the Closing shall be deemed to occur simultaneously.

1.9 Transfer Taxes. Acquirer shall be responsible for the payment of any transfer taxes arising out of or in connection with the Acquisition; provided that the Company shall remain responsible for any other Taxes (including any Taxes based on income, sales Taxes, use Taxes or VAT) incurred by it from the conduct of the Business prior to the Closing Date and the Acquisition.

1.10 Tax Treatment. Effective as of the Closing, Acquirer and the Company recognize their mutual obligations pursuant to Section 1060 of the Code to timely file IRS Form 8594 with each of their respective federal income Tax returns. Acquirer and the Company further agree to cooperate with each other in the preparation of such form for timely filing with each of their respective federal income Tax returns and to complete the final allocation of the purchase price within ninety (90) days of the Closing Date. Each of Acquirer and the Company further agrees

to file all of its other Tax returns in a manner consistent with such allocation and not to make any allocation or take any Tax position that is contrary to such allocation, unless required to do so by applicable law and after prior written notice thereof to the other party. Acquirer and the Company further agree to consult with each other with respect to all issues related to such allocation in connection with any Tax audits, controversies or litigation.

1.11 Taking of Necessary Action; Further Action. If, at any time after the Closing Date, any such further action is necessary or desirable to carry out the purposes of this Agreement or to vest Acquirer after the Closing Date with full right, title and possession to all Purchased Assets, the parties hereto shall use their best efforts to take such action.

1.12 Delivery of Purchased Assets.

(a) On the Closing Date, in the manner and form, and to the locations, reasonably specified by Acquirer and to the extent not already delivered to Acquirer under Article 2, Company shall deliver to Acquirer all of the Purchased Assets, including, with respect to Company Products, all copies of such in its possession.

(b) To the extent that Acquirer cannot be granted possession by Company in respect of certain Purchased Assets as of the Closing Date, the transfer of possession will be substituted by an agreement that those assets shall be held by Company for and on behalf of Acquirer until such time as Acquirer is granted possession thereof. During that period, Company shall bear all risk of loss with respect to those Purchased Assets.

(c) Notwithstanding the above, each of Acquirer and the Company shall cause their respective subsidiaries organized under the laws of India to enter into an asset purchase agreement in substantially the form of Exhibit N (the “India Asset Purchase Agreement”), with respect to the transfer of the tangible assets located in India as set forth in the India Asset Purchase Agreement.

To the maximum extent practicable, all Purchased Assets to be delivered hereunder will be delivered by electronic means in a manner reasonably specified by Acquirer.

Article 2

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Subject to the exceptions set forth in the Disclosure Schedule (each of which exceptions, shall indicate the section and, if applicable, the Subsection of this Article 2 to which it relates, *provided, however*, if it is readily apparent from a reading of the disclosure that such disclosure is applicable to such other sections and subsections of this Agreement, then such reference shall be deemed to apply to such other sections and subsections contained in this Agreement), delivered herewith and dated as of the date hereof, the Company hereby represents and warrants to Acquirer as follows:

2.1 Organization and Qualification. The Company is a corporation duly organized, validly existing and in good standing under the Laws of the jurisdiction of its incorporation, and has full corporate power and authority to (i) conduct the Business, (ii) to own, use, license and

lease the Assets and Properties owned or used in connection with the conduct of the Business, and (iii) to perform its obligations under all Contracts relating to the Business to which it is a party. The Company is duly qualified, licensed or admitted to do business and is in good standing as a foreign corporation in each jurisdiction in which the ownership, use, licensing or leasing of the Assets and Properties owned or used in connection with the conduct of the Business makes such qualification, licensing or admission necessary. No Subsidiary of the Company has any ownership, leasehold or other interest in any of the Purchased Assets.

2.2 Authority Relative to this Agreement. The Company has full corporate power and authority to execute and deliver this Agreement and the other agreements which are attached (or forms of which are attached) as exhibits hereto (the “Ancillary Agreements”) to which the Company is a party, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The Company’s board of directors has unanimously approved this Agreement and declared its advisability. The execution and delivery by the Company of this Agreement and the Ancillary Agreements to which the Company is a party and the consummation by the Company of the transactions contemplated hereby and thereby, and the performance by the Company of its obligations hereunder and thereunder, have been duly and validly authorized by all necessary action by the board of directors of the Company, and no other action on the part of the board of directors of the Company or by any officer, director or equity holder is required to authorize the execution, delivery and performance of this Agreement and the Ancillary Agreements to which the Company is a party and the consummation by the Company of the transactions contemplated hereby and thereby. This Agreement and the Ancillary Agreements to which the Company is a party have been or will be, as applicable, duly and validly executed and delivered by the Company and, assuming the due authorization, execution and delivery hereof (and, in the case of the Ancillary Agreements to which Acquirer is a party, thereof) by Acquirer, each constitutes or will constitute, as applicable, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its respective terms, except as the enforceability thereof may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other similar Laws relating to the enforcement of creditors’ rights generally and by general principles of equity.

2.3 Financial Statements of the Business.

(a) The unaudited profit and loss statements of the Company relating to the conduct of the Business, for the 12 month period ended December 31, 2007 ((the “Business Financials”) present fairly and accurately, in all material respects, the operating results of the Company and its Subsidiaries with respect to the conduct of the Business as of the date and during the periods indicated therein.

2.4 Organizational Documents. The Company has prior to the execution of this Agreement made available to Acquirer true and complete copies of its Certificate of Incorporation and Bylaws, both as amended through the date hereof.

2.5 No Undisclosed Liabilities. Except as disclosed in Section 2.5 of the Disclosure Schedule, to the Company’s Knowledge, there are no Liabilities relating to the conduct of the Business or affecting the Assets and Properties owned or used in connection with the conduct of

the Business, other than Liabilities incurred in the ordinary course of business consistent with past practice since December 31, 2007 and in accordance with the provisions of this Agreement which, individually and in the aggregate, are not material (financial or otherwise) to the Business.

2.6 Absence of Changes.

(a) Except as set forth in Section 2.6 of the Disclosure Schedule, since December 31, 2007:

(i) to the Company's Knowledge, there has not been any Material Adverse Change, and no event has occurred that will, or could reasonably be expected to, have a Material Adverse Effect on the Business;

(ii) there has not been any material loss, damage or destruction to, or any material interruption in the use of, any of the assets (whether or not covered by insurance) owned or used in the conduct of the Business;

(iii) neither the Company nor a Subsidiary has (A) entered into or permitted any of its material assets owned or used by it in connection with the conduct of the Business to become bound by any Contract or (B) amended or prematurely terminated, or waived any material right or remedy under, any Contract applicable to the Business;

Section 2.9(g)(ii) of the Disclosure Schedule is a true and correct list of all Contracts (including outbound licenses) to which the Company is a party and that grant to any third party any rights or licenses to Company Intellectual Property. Except as set forth in Section 2.9(g) of the Disclosure Schedule, the Company is not in breach of, nor has it failed to perform under any of the foregoing Contracts and Licenses and, to the Company's Knowledge, no other party to such Contracts and Licenses is in material breach of or has materially failed to perform thereunder. (i) Except as set forth in Section 2.9(i) of the Disclosure Schedule, the operation of the Business as currently conducted, including the Company's design, development, use, import, manufacture and sale of the Company Products (including products, technology or services currently under development), does not, to the Company's Knowledge, (A) infringe, violate or misappropriate the Intellectual Property of any Person, (B) violate any term or provision of any License or Contract concerning such Intellectual Property or (C) constitute unfair competition or an unfair trade practice under any Law, and the Company has not received written or, to the Company's Knowledge, oral, notice from any Person claiming that such operation or any act or Company Product (including products, technology or services currently under development) infringes, violates or misappropriates the Intellectual Property of any Person or constitutes unfair competition or trade practices under any Law, including notice of third party patent or other Intellectual Property rights from a potential licensor of such rights, nor is the Company aware of any basis for any such claim.

Without limiting the foregoing, to the Company's Knowledge, no information, materials, facts, or circumstances exists, including any information or fact that would constitute prior art, that would render any of the Company Registered Intellectual Property and Company Registered Patents invalid or unenforceable, or would adversely effect any pending application for any Company Registered Intellectual Property and Company Registered Patents.

(k) Except as set forth in Section 2.9(k) of the Disclosure Schedule, there are no Contracts or Licenses between the Company and any other Person with respect to Company Intellectual Property under which there is any pending or, to the Company's Knowledge, threatened dispute, including any dispute regarding the scope of the Intellectual Property rights granted in such Contract or License, or performance under such Contract or License, including with respect to any payments to be made or received by the Company thereunder.

(n) No Company Intellectual Property owned by the Company or any Company Product, is subject to any Order, Action or Proceeding or "march in" rights that restricts, or that is reasonably expected to restrict in any manner, the use, transfer or licensing of any Company Intellectual Property by the Company or that may affect the validity, use or enforceability of such Company Intellectual Property.

(o) Neither this Agreement nor any transactions contemplated by this Agreement, including the assignment of the Assigned Contracts to the Acquirer, will result in the granting of any rights or licenses with respect to the Intellectual Property of Acquirer or the Company after the Closing Date, to any Person (other than Acquirer) pursuant to any Contract to which the Company is a party or by which any of the Assets and Properties owned or used in connection with the conduct of the Business are bound. Neither this Agreement nor any

transaction contemplated by this Agreement, including the assignment of the Assigned Contracts to the Acquirer, will result in the loss of any ownership or License rights of Acquirer from and after the Closing Date in any of the Company Intellectual Property or require or obligate Acquirer after the Closing Date (i) to grant to any third party any rights or licenses (or increase or alter the scope of any rights or licenses) with respect to any Company Intellectual Property; or (ii) to pay any royalties or other amounts.

Neither the Company nor any Subsidiary has taken any action that will, or would reasonably be expected to, result in the disclosure or delivery of any Source Code applicable to the conduct of the Business owned by the Company or any of its Subsidiaries under any Contract. No event has occurred, and no circumstance or condition exists, that (with or without notice or lapse of time, or both) will, or would reasonably be expected to, result in the disclosure or delivery by the Company, any of its Subsidiaries or any Person acting on their behalf to any Person of any Source Code applicable to the conduct of the Business owned by the Company or any of its Subsidiaries under any Contract, and no such Source Code has been disclosed, delivered or licensed to a third party.

Article 3

REPRESENTATIONS AND WARRANTIES OF ACQUIRER

Acquirer hereby represents and warrants as follows:

3.1 Organization. Acquirer is a corporation duly incorporated, validly existing and in good standing under the laws of Delaware and has all requisite corporate power and authority to own, lease and operate its properties and to carry on its business as now being conducted.

3.2 Authority. Acquirer has all requisite corporate power and authority to enter into this Agreement and to perform its obligations hereunder and consummate the transactions contemplated hereby. The execution and delivery of this Agreement, the performance by Acquirer of its obligations hereunder and the consummation of the transactions contemplated hereby have been duly and validly authorized by all necessary corporate action on the part of Acquirer. This Agreement is a valid and binding obligation of Acquirer.

3.3 No Conflict with Other Instruments. The execution, delivery and performance of this Agreement (a) will not result in any violation of, conflict with, constitute a breach, violation or default (with or without notice or lapse of time, or both) under, give rise to a right of termination, cancellation, forfeiture or acceleration of any obligation or loss of any benefit under, or result in the creation or encumbrance on any of the properties or assets of Acquirer or any of its subsidiaries, pursuant to (i) any provision of Acquirer's Certificate of Incorporation or Bylaws, or (ii) any material agreement, contract, understanding, note, mortgage, indenture, lease, franchise, license, permit or other instrument to which Acquirer or any of its subsidiaries is a party or by which the properties or assets of Acquirer or any of its subsidiaries is bound, or (b) to the knowledge of Acquirer after reasonable inquiry, conflict with or result in any breach or violation of any statute, judgment, decree, order, rule or governmental regulation applicable to Acquirer or any of its subsidiaries or their respective properties or assets, except, in the case of clauses (a)(ii) and (b) for any of the foregoing that would not, individually or in the aggregate, have a material adverse effect on Acquirer and its subsidiaries, taken as a whole, or that would not result in the creation of any material Lien, charge or encumbrance upon any assets of Acquirer or any of its subsidiaries or that would not prevent, materially delay or materially burden the transactions contemplated by this Agreement.

3.4 Governmental Consents. No consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental or Regulatory Authority is required by

or with respect to Acquirer in connection with the execution and delivery of this Agreement by Acquirer or the consummation by Acquirer of the transactions contemplated hereby, except for such consents, approvals, orders, authorizations, registrations, declarations, qualifications or filings as may be required under federal or state securities laws in connection with the transactions set forth herein or which the failure to obtain would not have a material adverse effect on the consummation by Acquirer of the transactions contemplated hereby.

3.5 Financial Sufficiency. Acquirer possesses sufficient cash or cash equivalent funds to enable them to acquire all of the Purchased Assets pursuant to this Agreement.

Article 4

CONDUCT PRIOR TO THE CLOSING DATE

4.1 Conduct of the Business by the Company. During the period from the date of this Agreement and continuing until the earlier of the termination of this Agreement or the Closing, the Company agrees (unless the Company is required to take such action pursuant to this Agreement or Acquirer shall give its prior consent in writing which consent shall not be unreasonably withheld) to carry on its business, as such activities relate to the Business, in the usual, regular and ordinary course consistent with past practice, to pay its Liabilities and Taxes consistent with the Company's past practices (and in any event when due), to pay or perform other obligations when due consistent with the Company's past practices (other than Liabilities, Taxes and other obligations, if any, contested in good faith through appropriate proceedings), and, to the extent consistent with such business, to use all commercially reasonable efforts and institute all policies required to preserve intact its present business organization, keep available the services of its present key employees and preserve its relationships with customers, suppliers, distributors, licensors, licensees, independent contractors and other Persons having business dealings with it, in each case in respect of the Business, all with the express purpose and intent of preserving unimpaired its goodwill and ongoing business constituting the Business at the Closing Date. In addition, prior to the Closing, the Company shall, as such activities relate to the Business, cooperate in good faith with Acquirer to facilitate the transition of the Company's customers and vendors, including, but not limited to, obtaining assignments, consents, and assurances from such customers and vendors with respect to the Acquisition. The Company shall not assign or transfer any Company Intellectual Property, or license any Company Intellectual Property except for those licenses granted by Company in the ordinary course of business consistent with past practices. Except as expressly contemplated by this Agreement, the Company shall not, without the prior written consent of Acquirer, take or agree in writing or otherwise to take, any action that would cause any of its representations or warranties contained in this Agreement untrue or incorrect in any material respect or prevent the Company from performing or cause the Company not to perform its agreements and covenants hereunder or knowingly cause any condition to Acquirer's closing obligations in Section 7.1 or Section 7.3 not to be satisfied.

4.2 No Solicitation. The Company will not take nor will the Company permit any of the Company's Representatives to (directly or indirectly), take any of the following actions with any Person other than Acquirer and its designees: (a) solicit, encourage, initiate, entertain, review or encourage any proposals or offers from, or participate in or conduct discussions with

or engage in negotiations with, any Person relating to any offer, indication of interest or proposal, oral, written or otherwise, formal or informal (a “Competing Proposed Transaction”), with respect to a possible acquisition of any of the Purchased Assets, (b) provide information related to the Business not customarily disclosed consistent with the Company’s past practices with respect to the Company or any of its subsidiaries (whether such subsidiaries are in existence on the date hereof or are hereafter organized) to any Person, other than Acquirer, relating to (or which the Company believes or should reasonably know would be used for the purpose of formulating an offer, indication of interest or proposal with respect to), or otherwise assist, cooperate with, facilitate or encourage any effort or attempt by any such Person with regard to, a possible acquisition of any of the Purchased Assets, (c) agree to or enter into a Contract with any Person, other than Acquirer, providing for or approving an acquisition of any of the Purchased Assets, (d) make or authorize any statement, recommendation, solicitation or endorsement in support of a possible acquisition of any of the Purchased Assets other than by Acquirer, or (e) authorize or permit any of the Company’s Representatives to take any such action. The Company shall immediately cease and cause to be terminated any such contacts or negotiations with any Person relating to any such transaction. In addition to the foregoing, if the Company receives prior to the Closing or the termination of this Agreement any offer, indication of interest or proposal (formal or informal, oral, written or otherwise) relating to, or any inquiry or contact from any Person with respect to, a Competing Proposed Transaction, the Company shall immediately notify Acquirer thereof, such notice to include the identity of the Person or Persons making such offer, indication of interest or proposal and the terms thereof, and will keep Acquirer apprised on a current basis of the status of any such offer, indication of interest or proposal and of any modifications to the terms thereof; *provided, however*, that this provision shall not in any way be deemed to limit the obligations of the Company and its Representatives set forth in the second preceding sentence. Each of the Company and Acquirer acknowledge that this Section 4.2 was a significant inducement for Acquirer to enter into this Agreement and the absence of such provision would have resulted in either (i) a material reduction in the consideration to be paid to the Company in the Acquisition or (ii) a failure to induce Acquirer to enter into this Agreement.

Article 5

ADDITIONAL AGREEMENTS

5.1 Access to Information. Between the date of this Agreement and the earlier of the Closing Date or the termination of this Agreement, upon reasonable notice, the Company shall (a) give Acquirer and its officers, employees, accountants, counsel and other agents and representatives reasonable access to all buildings, offices, and other facilities and to all Books and Records of the Company as they relate to the Business, whether located on the premises of the Company or at another location; (b) permit Acquirer to make such inspections as it may reasonably require; (c) subject to Section 5.8 hereof, cause its officers to furnish Acquirer such financial, operating, technical and product data and other information with respect to the Business and Purchased Assets as Acquirer from time to time may reasonably request, including financial statements and schedules; and (d) allow Acquirer the opportunity to interview such employees and other personnel and Affiliates of the Company providing services in connection with the conduct of the Business with the Company’s prior written consent, which consent shall not be unreasonably withheld or delayed; *provided, however*, that no investigation pursuant to

this Section 5.1 shall affect or be deemed to modify any representation or warranty made by the Company herein. Materials furnished to Acquirer pursuant to this Section 5.1 may be used by Acquirer for strategic planning purposes relating to accomplishing the transactions contemplated hereby.

5.2 Confidentiality. The parties acknowledge that Acquirer and the Company have previously executed a confidentiality agreement dated December 5, 2007 (the “Confidentiality Agreement”), which Confidentiality Agreement shall continue in full force and effect in accordance with its terms. Without limiting the foregoing, all information furnished to Acquirer and its officers, employees, accountants and counsel by the Company, and all information furnished to the Company by Acquirer and its officers, employees, accountants and counsel, shall be covered by the Confidentiality Agreement, and Acquirer and the Company shall be fully liable and responsible under the Confidentiality Agreement for any breach of the terms and conditions thereof by their respective subsidiaries, officers, employees, accountants, counsel and other Representatives. Furthermore, without limiting the foregoing, each of the parties hereto hereby agrees to keep the terms of this Agreement (except to the extent contemplated hereby) and such information or knowledge obtained in any investigation pursuant to Section 5.1, or pursuant to the negotiation and execution of this Agreement or the effectuation of the transactions contemplated hereby, confidential; *provided, however*, that the foregoing shall not apply to information or knowledge which (a) a party can demonstrate was already lawfully in its possession prior to the disclosure thereof by the other party, (b) is generally known to the public and did not become so known through any violation of Law, (c) became known to the public through no fault of such party, (d) is later lawfully acquired by such party without confidentiality restrictions from other sources not bound by applicable confidentiality restrictions, (e) is required to be disclosed by order of court or Governmental or Regulatory Authority with subpoena powers (provided that such party shall have provided the other party with prior notice of such order and an opportunity to object or seek a protective order and take any other available action), (f) which is disclosed in the course of any Action or Proceeding between any of the parties hereto or (g) as required to comply with the rules or regulations of the Securities Exchange Commission and any applicable law.

5.3 Approvals. The Company shall use commercially reasonable efforts to obtain all Approvals from Governmental or Regulatory Authorities or under any of the Contracts or other agreements as may be required in connection with the Acquisition (all of which Approvals are set forth in the Disclosure Schedule) so as to preserve all rights of and benefits to the Company thereunder and Acquirer shall provide the Company with such assistance and information as is reasonably required to obtain such Approvals.

5.4 Notification of Certain Matters. The Company shall give prompt notice to Acquirer, and Acquirer shall give prompt notice to the Company, of (a) the occurrence or non-occurrence of any event, the occurrence or non-occurrence of which is likely to cause any representation or warranty of the Company or Acquirer, respectively, contained in this Agreement to be untrue or inaccurate at or prior to the Closing Date and (b) any failure of the Company or Acquirer, as the case may be, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder; *provided, however*, that the delivery of any notice pursuant to this Section 5.4 shall not limit or otherwise affect any remedies available to the party receiving such notice.

5.5 Additional Documents and Further Assurances; Cooperation. Each party hereto, at the request of the other party hereto, shall execute and deliver such other instruments and do and perform such other acts and things (including all action reasonably necessary to seek and obtain any and all consents, waivers and approvals of any Governmental or Regulatory Authority or Person required in connection with the Acquisition; *provided, however*, that Acquirer shall not be obligated to consent to any divestitures or operational limitations or activities in connection therewith and no party shall be obligated to make a payment of money as a condition to obtaining any such consent, waiver or approval) as may be necessary or desirable for effecting completely the consummation of this Agreement and the transactions contemplated hereby. Each party agrees to use commercially reasonable efforts to cause the conditions set forth in Article 7 to be satisfied, where the satisfaction of such conditions depends on action or forbearance from action by such party.

5.6 Intellectual Property. The Company shall give Acquirer prompt notice of any Person that shall have (a) commenced, or shall have notified the Company that it intends to commence, an Action or Proceeding or (b) provided the Company with notice, in either case which allege(s) that any of the Intellectual Property, including the Company Intellectual Property, presently embodied, or proposed to be embodied, in the products of the Business, infringes or otherwise violates the Intellectual Property rights of such Person or otherwise alleges that the Company does not otherwise own or have the right to exploit such Intellectual Property, including the Company Intellectual Property. The Company shall cooperate with Acquirer in making arrangements, prior to the Closing Date, satisfactory to Acquirer in its reasonable discretion to effect the assignment to the Company of all Intellectual Property owned or used in connection with the conduct of the Business created by the Company's founders, employees and consultants, and to obtain the cooperation of such Persons to complete all appropriate patent filings related thereto. Prior to the Closing Date, the Company shall take commercially reasonable actions to maintain, perfect, preserve or renew the Company Registered Intellectual Property and Company Registered Patents, including the payment of any registration, maintenance, renewal fees, annuity fees and taxes or the filing of any documents, applications or certificates related thereto, and to promptly respond and prepare to respond to all requests, related to the Company Registered Intellectual Property and Company Registered Patents, received from Governmental or Regulatory Authorities.

5.7 Expenses. All fees and expenses incurred in connection with the Acquisition, including all legal, accounting, financial advisory, consulting and all other fees and expenses of third parties ("Third Party Expenses") incurred by a party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective party incurring such fees and expenses.

5.8 Company's Auditors. The Company will use commercially reasonable efforts to cause its management and its independent auditors to facilitate on a timely basis (a) the preparation of financial statements as required by Acquirer to comply with applicable SEC regulations, (b) the review of any Company audit or review work papers, including the examination of selected interim financial statements and data, and (c) the delivery of such representations from the Company's independent accountants and related consent as may be reasonably requested by Acquirer or its accountants (collectively, the "Audit of the Business"). The Company and Acquirer shall share the cost of the Audit of the Business equally.

5.9 Employees.

(a) Acquirer or its affiliates will offer the employees of the Company set forth in Section 5.9(a) of the Disclosure Schedule “at-will” employment by Acquirer, to be effective as of the Closing Date. Such “at-will” employment will: (i) be set forth in offer letters on Acquirer’s standard form (each, an “Offer Letter”), (ii) be subject to and in compliance with Acquirer’s applicable policies and procedures, including employment background checks and the execution of Acquirer’s employee proprietary information and invention assignment agreement, governing employment conduct and performance, (iii) have terms, including the position and salary, which will be determined by Acquirer in its sole discretion, to be reasonably sufficient to induce such employees to accept employment with Acquirer, and (iv) supersede any prior express or implied employment agreements, arrangement or offer letter in effect prior to the Closing Date.

(b) Acquirer agrees that on the day after the Closing Date, the employees of the Company who accept employment with Acquirer (the “Transferred Employees”) shall be eligible to participate in any ERISA welfare benefit and pension benefit plans made available by Acquirer and its affiliates to their similarly situated employees and, to the extent permitted by applicable law and applicable tax qualification requirements and subject to any generally applicable break in service or similar rules and shall to the extent permitted by such Plans, give full credit for eligibility, vesting and benefits (but not benefit accruals under defined benefit plans) for each Transferred Employee’s period of service with the Company. All prior service with the Company by each such employee shall also count toward the service requirements of sick pay, paid time off and vacation accrual policies and practices at any time established, maintained or assumed by Acquirer. Acquirer shall waive or cause to be waived any preexisting condition exclusion or limitation in any medical or health plan made available by Acquirer to any such employee except to the extent such exclusion or limitation applied under a similar or corresponding benefit plan of the Company applicable to such employee.

(c) Employee Liability Claims.

(i) As between the parties, the Company shall (A) sponsor and (B) assume or retain, as the case may be, and be solely responsible for all of the following from and after the Closing, which will be considered “Employee Excluded Liabilities” for purposes of this Agreement:

(1) Employment liabilities arising on or before the Closing Date, including but not limited to payments or other entitlements that Company may owe or have promised to pay to any of the Company’s employees, including wages, other remuneration, holiday or vacation pay, bonus, severance pay (statutory or otherwise), commission, pension contributions, taxes, and any other liability, payment or obligations related to the Company’s employees, consultants or contractors;

(2) All payments with respect to the Company’s employees that are due to be paid prior to or at the Closing (including, without prejudice to the generality of the foregoing, pension contributions, insurance premiums and taxation) to any third party in connection with the employment of any of the Company’s employees; and

(3) Any non-forfeitable claims or expectancies of any Company's employees from their prior employment with the Company which have been incurred or accrued on or prior to the Closing.

(ii) All costs and disbursements, if any, incurred in connection with the termination by the Company of any employment of any Employee prior to or in connection with the Closing (including any Employee who does not accept an offer of employment with the Acquirer) shall be borne by the Company.

(iii) The Company shall bear all costs and expenses associated with the enforcement of "Acquired Rights Directive" regulations with respect to employees in France, and any other comparable regulations elsewhere in the world, with respect to any Company employees associated with the Business who are not Transferred Employees.

(iv) All costs and disbursements incurred in connection with the termination by the Acquirer of any employment of any Employee on or after the Closing Date shall be borne by the Acquirer.

(d) Employee Retention Bonus. The Company shall reimburse Acquirer for up to \$500,000.00 to be distributed by the Acquirer following the first anniversary of the Closing Date to Transferred Employees then still employed by the Acquirer (the "Reimbursed Bonus Payments"); and provided, further, that Acquirer may, for its own account, negotiate additional retention bonus amounts above those specified during the period of time between the date hereof and the Closing Date. Acquirer shall provide a schedule of the Reimbursed Bonus Payments paid by Acquirer in accordance with this Section 5.9(d) certified by Acquirer's Chief Financial Officer. The Company shall make the Reimbursement Bonus Payment to Acquirer no later than five (5) business days after receipt of such certification.

5.10 License Agreement. The Company shall grant to the Acquirer, and Acquirer shall grant to the Company, the respective licenses set forth in the License Agreement (the "Cross-License") attached to this Agreement as Exhibit L.

5.11 Non-Competition and Non-Solicitation Obligations

(a) Non-Competition. For a period commencing with the Effective Date and ending two years after the Closing Date, the Company (and its successors and assigns) shall not directly or indirectly, without the prior written consent of Acquirer, engage in the development, design or sale, anywhere in the world, including the United States, Europe or Asia (the "Geographic Scope") of any digital subscriber line, or DSL, products, including but not limited to asymmetric digital subscriber line, or ADSL, and very high speed digital subscriber line, or VDSL, or have any ownership interest in (except for passive ownership of five percent (5%) or less of an entity whose securities are publicly traded) or participate in the financing, operation, management or control of any firm, partnership, corporation entity or business that engages or participates in the development, design or sale of any digital subscriber line, or DSL, products, including but not limited to asymmetric digital subscriber line, or ADSL, and very high speed digital subscriber line, or VDSL.

(b) Non-Solicitation. For a period commencing with the Effective Date and ending two of two years after the Closing Date, the Company (and its successors and assigns) shall not (nor shall it permit any of its officers, directors, employees, representatives or affiliates to) solicit, induce, encourage, or take any other action which is intended to induce or encourage, or has the intended effect of inducing or encouraging any Transferred Employee to terminate his or her employment with Acquirer (or its consolidated subsidiaries); *provided however*, the foregoing provisions shall not prohibit the solicitation or employment of any such person (i) resulting from the placement of general advertisements which are not targeted directly or indirectly towards employees or consultants of Acquirer, (ii) if the person approaches the Company on an unsolicited basis or (iii) following cessation of such person's employment with Acquirer without any solicitation or encouragement by the Company.

(c) The provisions set forth in Section 5.11 shall be construed as separate covenants, one for each county, city, state and country of the Geographic Scope. Except for geographic coverage, each such separate covenant shall be deemed identical in terms to the covenant contained in Section 5.11. If, in any judicial proceeding, a court refuses to enforce any of such separate covenants (or any part thereof), then such unenforceable covenant (or such part) shall be eliminated from this Agreement to the extent necessary to permit the remaining separate covenants (or portions thereof) to be enforced. In the event that the provisions of Section 5.11 are deemed to exceed the time, geographic or scope limitations permitted by applicable law, then such provisions shall be reformed to the maximum time, geographic or scope limitations, as the case may be, permitted by applicable laws.

(d) The Company acknowledges that (i) the goodwill associated with the Business and customer relationships prior to the Closing is an integral component of the value of the Business, including the Purchased Assets, to Acquirer and is reflected in the Purchase Price to be received by the Company, (ii) the Company's agreements as set forth herein are necessary to preserve the value of the acquired Business including their goodwill and customer relationships, for Acquirer following the Closing, (iii) the employment by Acquirer of the Transferred Employees is an integral component of the value of Transaction to Acquirer and is reflective in the Purchase Price to be received by the Company, and (iv) the Company's covenants as set forth in Sections 5.11(a) and 5.11(b) are necessary to preserve the value of the Transaction for Acquirer following the Closing Date. The Company also acknowledges that the limitations set forth in Section 5.11(b) are reasonable because, among other things, (i) the Company and the Acquirer are engaged in a highly competitive industry, (ii) the Transferred Employees have unique knowledge and understanding of the trade secrets and know-how related to the Purchased Assets and (iii) the Company is receiving significant consideration in connection with this Transaction.

5.12 Equitable Remedies. The Company agrees that it may be impossible or inadequate to fully measure and calculate Acquirer damages from any breach of the covenants set forth in Sections 5.12(a) and 5.12(b). Accordingly, the Company agrees that if it breaches or threatens to breach any provision of Sections 5.12(a) and 5.12(b), the Acquirer shall be entitled to, in addition to any other right or remedy otherwise available, an injunction from a court of competent jurisdiction restraining such breach or threatened breach and to specific performance of such provision of this Agreement. The Company further agrees that no bond or other security

shall be required of Acquirer in obtaining such equitable relief, nor will proof of irreparable harm be required for such equitable relief. The Company hereby expressly consents to the issuance of such injunctive relief, whether in the form of a temporary restraining order or otherwise, and to the ordering of such specific performance.

Article 6

SURVIVAL OF REPRESENTATIONS, WARRANTIES, COVENANTS AND AGREEMENTS; INDEMNIFICATION ESCROW PROVISIONS

6.1 Survival of Representations, Warranties, Covenants and Agreements. Each party shall have the right to rely fully upon the representations, warranties, covenants and agreements of the other party contained in this Agreement or in any instrument delivered pursuant to this Agreement. The representations, warranties, covenants and agreements contained in this Agreement or in any instrument delivered pursuant to this Agreement shall not be affected by any investigation conducted for or on behalf of Acquirer with respect thereto or any knowledge acquired by Acquirer or its officers, directors, employees or agents as to the accuracy or inaccuracy of any such representation or warranty. Except for this Article 6 (which shall survive until the payment in full of all indemnification claims), all of the representations, warranties, covenants and agreements of the Company contained in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Acquisition and continue for twelve (12) months following the Closing Date (the “Expiration Date”). All of the representations and warranties of Acquirer shall expire upon the Closing. Any claims by Acquirer based upon fraud or willful misconduct shall survive until the expiration of the applicable statute of limitations. The Escrow Fund (defined below) shall be the sole and exclusive remedy under this Agreement for any Losses incurred by any Acquirer Indemnitees (defined below), except as provided in Sections 6.2(a)(ii) and 6.2(a)(iv).

6.2 Indemnification Provisions.

(a) Right to Indemnification.

(i) Subject to the limitations set forth herein, Acquirer and its officers, directors, employees, agents, Affiliates and Associates (collectively, the “Acquirer Indemnitees”) shall be indemnified and held harmless by the Company from and against any and all Losses (whether or not involving a Third Party Claim) incurred by Acquirer Indemnitees directly or indirectly as a result of:

(A) any inaccuracy or breach of a representation or warranty of the Company contained herein;

(B) any failure by the Company to perform or comply with any covenant contained herein;

(C) any Liability of the Company which is not an Assumed Liability; or

(D) the Company's failure to comply with any bulk sales or fraudulent transfer laws that may be applicable to the Acquisition, any Taxes arising as a result of the Company's operation of the Company's Business or ownership of the Purchased Assets prior to the Closing and any Taxes that will arise as a result of or in connection with the consummation of the Acquisition (except as set forth in Section 1.9 hereof).

(ii) Except as set forth in Section 6.2(a)(iv) hereof and for claims arising out of Section 6.2(a)(i)(C) (other than claims by Acquirer for its own attorneys' and other related litigation fees incurred by Acquirer in connection with defending itself against or evaluating claims or potential claims arising out of Section 6.2(a)(i)(C) hereof which shall remain fully subject to the limitation of this Section 6.2(a)(ii)), the Company shall not have any liability to any Acquirer Indemnitee to the extent that the aggregate amount of Losses incurred or sustained by the Acquirer Indemnitees exceeds the Escrow Amount.

(iii) Except for claims arising out Section 6.2(a)(i)(C), Acquirer may not make any claims against the Escrow Fund unless and until the aggregate amount for which it is obligated to provide such indemnification exceeds the sum of Two Hundred Fifty Thousand Dollars (\$250,000) (the "Deductible") after which the Company shall be obligated to pay out of the Escrow Fund, in accordance with the terms of the Escrow Agreement, the amount of any such excess which is payable pursuant to the provisions of Article 6; provided, however, that the Deductible shall not apply to any Losses suffered by Acquirer relating to the matter(s) described in Section 6.2(a)(iii) of the Disclosure Schedule.

(iv) Any limitations set forth in this Section 6.2(a) or otherwise shall not apply to Losses as a result of fraud or willful misconduct. With respect to actions grounded in fraud or willful misconduct, (A) the right of a party to be indemnified and held harmless pursuant to the indemnification provisions in this Agreement shall be in addition to and cumulative of any other remedy of such party at law or in equity and (B) no such party shall, by exercising any remedy available to it under this Article 6, be deemed to have elected such remedy exclusively or to have waived any other remedy, whether at law or in equity, available to it.

(b) Indemnification Escrow.

(i) At Closing, 15% of Purchase Price (the "Escrow Amount") of the Purchase Price will be placed in escrow with U.S. Bank (the "Escrow Agent") by Acquirer as security for the indemnification obligations of the Company under Section 6.2(a) hereof (the "Escrow Fund") pursuant to the terms of the Escrow Agreement, the form of which is attached hereto as Exhibit A. In the event of a conflict between the terms of the Escrow Agreement and this Agreement, the terms of the Escrow Agreement shall govern. Any portion of the Escrow Fund not previously released to Acquirer as a result of an indemnification claim by Acquirer shall be released to the Company within five (5) Business Days following the Expiration Date (such period from the Closing Date through and including the Expiration Date is referred to herein as the "Escrow Period"); *provided, however*, that a portion of the Escrow Fund, which, in the

good faith, reasonable judgment of Acquirer, is necessary to satisfy any unsatisfied claims specified in any Officer's Certificate theretofore delivered to the Company prior to termination of the Escrow Period with respect to facts and circumstances existing prior to expiration of the Escrow Period, shall be retained in the Escrow Fund by the Escrow Agent until such claims have been resolved. For the avoidance of doubt, in no event may any claim be asserted pursuant to this Agreement after the Expiration Date.

(c) Claims Upon Escrow. At any time on or before the last day of the Escrow Period, Acquirer may deliver to the Company a certificate signed by any officer of Acquirer in good faith (an "Officer's Certificate"): (A) stating that Acquirer or another Acquirer Indemnitee has paid or properly accrued or reasonably anticipates that it will have to pay or accrue Losses and the amount thereof, and (B) specifying in reasonable detail the individual items of Losses included in the amount so stated, the date each such item was paid or properly accrued, or the basis for such anticipated liability, and the nature of the misrepresentation, breach of warranty, agreement or covenant to which such item is related and the relevant section number of this Agreement, and, subject to the provisions of Section 6.2(d), receive from the Escrow Fund, cash in an amount equal to such Losses. Where the basis for a claim upon the Escrow Fund by Acquirer is that Acquirer reasonably anticipates that it will incur or pay a Loss (a "Contingent Loss"), no payment will be made from the Escrow Fund for such Contingent Loss unless and until such Contingent Loss is actually incurred or paid and a further Officer's Certificate with respect thereto is delivered to the Company; *provided, however*, that the amount of such Contingent Loss shall not be released from the Escrow Fund unless and until such Contingent Loss is incurred or paid or it is conclusively determined that no actual Loss will be incurred or paid with regard thereto.

(d) Objections to Claims.

(i) For a period of twenty (20) Business Days from and after delivery of any Officer's Certificate to the Company, the Escrow Agent shall not deliver to Acquirer cash from the Escrow Fund with respect to the Losses claimed in such Officer's Certificate unless Acquirer shall have received written authorization from the Company to distribute such cash from the Escrow Fund. After the expiration of such twenty (20) Business Day period, Escrow Agent shall deliver to Acquirer the portion of the Escrow Fund in accordance with Section 6.2(d) hereof and the Company shall no longer be entitled to receive such amount hereunder, provided that no such delivery may be made if the Company shall object, in a written statement delivered to Acquirer and the Escrow Agent in accordance with the terms hereof, to the claim made in the Officer's Certificate, and such statement shall have been delivered to Acquirer and the Escrow Agent prior to the expiration of such twenty (20) Business Day period.

(ii) In case the Company shall so object in writing to any claim or claims by Acquirer made in any Officer's Certificate, Acquirer shall have twenty (20) Business Days to respond in a written statement to the objection of the Company. If after such twenty (20) Business Day period there remains a dispute as to any claims, the Company and Acquirer shall attempt in good faith for thirty (30) Business Days to agree upon the rights of the respective parties with respect to each of such claims. If the Company and Acquirer should so agree, a memorandum setting forth such agreement shall be prepared

by Acquirer and signed by the Company and Acquirer. Acquirer and the Escrow Agent shall be entitled to rely on any such memorandum and shall retain or release the cash from the Escrow Fund in accordance with the terms thereof.

(iii) Resolution of Conflicts. If no agreement can be reached after good faith negotiation between the parties pursuant to Section 6.2(d)(ii), the Company and Acquirer may initiate formal proceedings pursuant to Section 9.8 to resolve such dispute. The decision of the arbitrator(s) as to the validity and amount of any claim in such Officer's Certificate shall be binding and conclusive upon the parties to this Agreement, and notwithstanding anything in Article 6 hereof, the parties shall be required to act in accordance with such decision and the Escrow Agent shall be required to make payments out of the Escrow Fund in accordance therewith.

(e) Third-Party Claims. In the event Acquirer becomes aware of a third-party claim (a "Third Party Claim") which Acquirer reasonably determines in good faith may result in a demand against the Escrow Fund, Acquirer shall notify the Company of such claim, and the Company, shall be entitled, at its expense, to participate in any defense of such claim. Acquirer shall have the right in its reasonable discretion to settle any such Third Party Claim; *provided, however*, that if Acquirer settles any such Third Party Claim without the Company's consent (which consent shall not be unreasonably withheld or delayed), such settlement shall not be dispositive in the event Acquirer makes a claim against the Escrow Fund with respect to the amount of Losses incurred by Acquirer in such settlement. In the event that the Company has consented to any such settlement, the Company shall have no power or authority to object under any provision of this Article 6 to the amount of any claim by Acquirer against the Escrow Fund with respect to the amount of Losses incurred by Acquirer in such settlement. For the avoidance of doubt, the Company shall have the right in its sole discretion and at its sole expense to conduct the defense of, and to settle, any Third Party Claim which is not an Assumed Liability in accordance with the provisions of this Agreement (an "Assumed Defense") and Acquirer hereby agrees to provide reasonable support at Company's expense with respect to such claims as requested by the Company. If the Company exercises its right to conduct an Assumed Defense, then the Company shall not make any assertion or agree to any settlement in the defense of such Third Party Claim without the prior consent (which consent shall not be unreasonably withheld or delayed) of Acquirer to the extent that any such assertion or settlement would prejudice or impair Acquirer's rights and interests in any Purchased Asset, including, but not limited to, any admission of infringement. Notwithstanding anything in this Section 6.2(e) to the contrary, Acquirer shall not make any assertion or agree to any settlement in the defense of any Third Party Claim without the prior consent (which consent shall not be unreasonably withheld or delayed) of the Company to the extent that any such assertion or settlement would (i) result in any obligation on the part of the Company to indemnify a claim pursuant to Section 6.2(a)(i)(C), or (ii) prejudice or impair the Company's ability to defend or settle any claims then pending or threatened against the Company. including, but not limited to, any admission of infringement.

(f) Indemnification by Acquirer. The Company and its officers, directors, employees, agents, Affiliates and Associates (collectively, the "Company Indemnitees") shall be indemnified and held harmless by Acquirer from and against any and all Losses (whether or

not involving a Third Party Claim) incurred by the Company directly or indirectly as a result of any Liability of which is an Assumed Liability hereunder.

(g) Treatment of Payments. To the extent permitted by law, the parties agree to treat payments made under this Article 6 as adjustments to the Purchase Price.
