**NOTES TO UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**

**NOTE 1 - DESCRIPTION OF TRANSACTION**

On February 13, 2008, Centillium Communications, Inc. ("Centillium") completed the sale of certain fixed and certain intangible assets comprising its digital subscriber line business (the "DSL Business") to Ikanos Communications, Inc. ("Ikanos"). Upon closing of the transaction, Ikanos paid Centillium \$12,000,000 in cash consideration, which was determined, based on an arms length negotiation. Cash proceeds will be reduced by \$950,000 in transaction costs, \$500,000 in contingency payments, and \$1.8 million, or fifteen percent (15%) of the purchase price which will be held in an escrow for one year as security for certain indemnification obligations of Centillium including breaches of representations and warranties made by Centillium.

In connection with the transaction, Centillium and Ikanos entered into several ancillary agreements, including a transition services agreement and cross license agreement.

**NOTE 2 – PRO FORMA ADJUSTMENTS**

The accompanying unaudited pro forma condensed consolidated financial statements have been prepared to illustrate the effect of the sale of assets associated with the DSL Business on the Company's historical results of operations and financial position. The unaudited pro forma consolidated balance sheet is presented as if the transaction had occurred on September 30, 2007 (the end of the third quarter of fiscal 2007).

Centillium does not maintain financial statements by business product line. The pro forma adjustments are as follows:

- a. Elimination of revenues and standard cost of revenues of the DSL Business, which includes standard material costs and revaluations, royalties, purchase price and yield variances, scrap expense, and inventory write-down adjustments.
- b. Elimination of payroll and related expenses for employees who resigned from Centillium to become employees of Ikanos as a result of the sale of business , and elimination of external commissions and depreciation expense associated with the sale of DSL related assets.
- c. Elimination of loss on legal settlement with Accton Technology Corporation related to the DSL Business.
- d. To record the cash consideration received from Ikanos reduced by \$950,000 of transaction costs and \$500,000 of contingency payments.
