Form 10-K for the year ended December 31, 2005

Management's Discussion and Analysis
Critical Accounting Policies
Third Party Reimbursement, page 45

1. Please quantify and provide, in disclosure type format, for each period presented, disclosure related to the amount of changes in estimates of prior period contractual adjustments that you recorded during the current period. For example for 2005, this amount would represent the amount of the difference between estimates of contractual adjustments for services provided in 2004 and the amount of the new estimate or settlement amount that was recorded during 2005.

Allowance for Doubtful Accounts, page 46

2. Please clarify, in disclosure type format, if true, that your calculation for the reserve for doubtful accounts is determined by reserving the net accounts receivable (rather than gross accounts receivable) for all governmental and non-governmental balances over 150 days from discharge. If this is not the case, please clarify, in disclosure type format, why your methodology is appropriate.
3. Please provide us, in disclosure type format, an aging of your accounts receivable that agrees to the accounts receivable balance on your balance sheet (i.e. net accounts receivable) for the periods presented. In the same regard, please provide us, in disclosure type format, the percentage of accounts receivable summarized by aging categories using net accounts receivable rather than total gross accounts receivable (prior to allowances for contractual adjustments and doubtful accounts).
4. Clarify, in disclosure type format, what the allowance for other discounts represents.

Report of Independent Registered Public Accounting Firm, page 51

5. Since the report filed does not contain a typed signature of Deloitte & Touche LLP please confirm that they provided a manually signed report that is the same as the one included in your filing and that you have retained it for your records.

Item 9A. Controls and Procedures

6. Please confirm, if true, your disclosure controls and procedures are effective as “adequately designed” is not appropriate. Refer to *Release No. 33-8238: Management's Reports on Internal Control over Financial Reporting and Certification of Disclosure in Exchange Act Periodic Reports: Conclusions Regarding Effectiveness of Disclosure Controls and Procedures*.

Please furnish a letter with your response that keys your response to our comments. Detailed letters greatly facilitate our review. You should file the letter on EDGAR under the form type label CORRESP. Please understand that we may have additional comments after reviewing your response to our comments.
