Report of Independent Registered Public Accounting Firm

Board of Managers of Precision Securities, LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which Precision Securities, LLC (the Company) stated that:

The Company identified the following provisions of 17 C.F.R. § 240.15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: Paragraph (k)(2)(ii), (the exemption provisions), and the Company stated that it met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Paragraph (k)(2)(ii) 17 C.F.R. § 240.15c3-3.
