

Exhibit 3

This Form ATS-N amendment changes the aggregate platform data provided in Exhibits 4 and 5 in response to Part III, Item 26. For purposes of reference, this redline only shows changes in applicable time periods for certain metrics relative to the prior versions of Exhibits 4 and 5. We have marked added text in color and underlined; we have marked deleted text in color and strikethrough.

Aggregate platform-wide order flow and execution statistics of the ATS that are not otherwise required disclosures under Rule 605 of Regulation NMS and that the ATS provided to one or more Subscribers as of the end of each calendar quarter. A blank cell in a table means that Liquidnet did not provide that statistic to one or more Subscribers as of the end of the calendar quarter.
