General

1. You state on page 9 of the 10-K that Huawei Technologies accounted for 11% of your revenues for the fiscal year ended June 30, 2018. You state on page 7 of the 10-K filed August 18, 2017 that ZTE accounted for 18% of your revenue for the fiscal year ended July 1, 2017. We are aware of publicly available information indicating that ZTE has shipped telecommunications equipment to North Korea and Huawei is involved in the development of telecommunications networks in Sudan and Syria. North Korea, Sudan and Syria are designated by the Department of State as state sponsors of terrorism, and are subject to U.S. economic sanctions and/or export controls.

Please describe to us the nature and extent of any past, current, and anticipated contacts with North Korea and Syria, and any such contacts with Sudan since your letter to us dated February 17, 2016, including contacts with their governments, whether through
