Filed April 26, 2013
Response dated October 25, 2013
File No. 000-30678

Dear Ms. Lai:

We have reviewed your response letter and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information you provide in response to these comments, we may have additional comments.

12. Investment Properties, page 91

1. We note your response to comment 6. It appears that your investment properties comprise property interests that are held under prepaid operating leases. Tell us how your classification of such property interests as investment properties complies with IN13 and paragraph 6 of IAS 40. Please advise or revise.

13. Intangible Assets, page 93

2. We note your response to comment 7. Although you may disclose post-tax discount rates, you should calculate value in use based on pre-tax assumptions. Refer to BCZ84 of IAS 36 which states that "IASB decided to require an enterprise to determine value in use by using pre-tax future cash flows and, hence, a pre-tax discount rate." Please confirm to
