## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors  
of Sixteen, Securities, Inc.

### Opinion on the Financial Statements

We have audited the accompanying Statement of Financial Condition of Sixteen, Securities, Inc. (the "Company") as of December 31, 2018, and the related statements of operations, changes in stockholder's equity, cash flows, and liabilities subordinated to claims of creditors for the year ended December 31, 2018, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2018, and the results of its operations and its cash flows for the year ended December 31, 2018, in conformity with accounting principles generally accepted in the United States of America.

### Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit, we are required to obtain an understanding of internal control over financial reporting, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

### Supplemental Information

The supplemental information, including Schedule of Computation of Net Capital for Brokers and Dealers Under SEC Rule 15c3-1, Schedule of Reconciliation of Net Capital Per FOCUS Report with Audit Report, Information Relating to Possession or Control Requirements Under SEC Rule 15c3-3, and Computation for Determination of the Reserve Requirements Under SEC Rule 15c3-3, has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**SIXTEEN SECURITIES, INC.  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2018**

**1. ORGANIZATION AND NATURE OF BUSINESS:**

**Business**

Sixteen Securities, Inc. (the "Company"), formerly Tryco Securities, Inc., is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company is a whole-owned subsidiary of Sixteen Markets, Inc. ("Parent") and remains a registered broker dealer. It is authorized to engage in transactions in listed and over-the-counter corporate equities securities. The Company introduces its accounts on a fully-disclosed basis.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP).

**Commissions**

Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

**Income Taxes**

The Company provides for income taxes for the tax effects of transactions reported in the financial statements.

**Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

**3. FAIR VALUES OF MEASUREMENT**

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the assets or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level one inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has access to.

Level two inputs are inputs (other than quoted prices included in level One) that are observable for the asset or liability, either directly or indirectly.

**SIXTEEN SECURITIES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2018**

Level three inputs are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability

The carry amounts of assets in the balance sheet approximate fair value.

#### **4. RECEIVABLES AND PAYABLES FROM BROKERS**

##### **Clearing Deposit**

The Company has a clearing agreement under which it is required to maintain a cash deposit with a clearing organization in the amount of \$500,000. This amount was not required at year-end as the Company had not commenced transactions with foreign customers. This clearing deposit shall remain on deposit with the clearing organization for a period no later than thirty (30) days subsequent to the termination of the agreement.

#### **5. NET CAPITAL REQUIREMENT**

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2018, the Company had net capital of \$396,674, which was \$384,157 in excess of its required net capital of \$12,517. The Company's ratio of aggregate indebtedness to net capital was 0.47 to 1.

#### **6. EXEMPTION FROM RULE 15C3-3**

The Company is exempt from the Securities and Exchange Commission Rule 15c3-3 and therefore is not required to maintain Special Reserve Bank Account for the Exclusive Benefit of Customers.

#### **7. GUARANTEES**

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest rate or foreign exchange rate, security or commodity price, and index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees or indebtedness of others.

The Company has issued no guarantees at December 31, 2018 or during the year then ended.

**SIXTEEN SECURITIES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2018**

**8. COMMITMENTS AND CONTINGENCIES**

*Commitments*

The Company had no commitments, no contingent liabilities and had not been named as a defendant in any lawsuit at December 31, 2018 or during the year then ended.

**9. RECENTLY ISSUED ACCOUNTING STANDARDS**

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" or "ASC") as the authoritative source of generally accepted accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs").

For the year ending December 31, 2018, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

**10. RELATED-PARTY TRANSACTIONS**

The Company is allocated the salary expense of personnel who are compensated by its Parent and also charged a technology fee. For the year ended December 31, 2018 the company had allocated salary expense of \$382,500 and technology of \$1,000. At December 31, 2018 the Company owed the Parent \$106,000.

**11. SUBSEQUENT EVENTS**

The Company has evaluated events subsequent to the financial issuance date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

To the Board of Directors  
of Sixteen, Securities, Inc.

We have reviewed management's statements, included in the accompanying Sixteen, Securities, Inc. (the "Company") Exemption Report, in which (1) the Company identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. the Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
