1. Organization

Broad Street Capital Markets, LLC (the “Company”) is an Indiana limited liability company registered as a broker-dealer with the Securities and Exchange Commission (“SEC”) and the Financial Industry Regulatory Authority, Inc. (“FINRA”). The Company is wholly owned by Bergen Capital Advisors LLC, (“Bergen”) a New Jersey limited liability company.

Amendment

The Company’s Audited Financial Statements and accompanying notes (“AFS”) are being refiled as Note 7 to the original AFS contained a typographical error which has been corrected as well as inaccurate language which has been deleted in this amended version.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accounting and reporting policies and accompanying financial statements of the Company conform to accounting principles generally accepted in the United States of America (“GAAP”) as followed by the securities broker-dealer industry.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Cash Equivalents

The Company maintains deposits in financial institutions that at times exceeded the insured amount of \$250,000 provided by the Federal Deposit Insurance Corporation (FDIC).

Income Taxes

The Company is a disregarded entity for Federal and state income tax purposes as its results of operations are included in Bergen’s income tax filings and, accordingly, it does not record an income tax provision.

Accounting for Uncertainty in Income Taxes

The Company recognizes the effect of income tax positions only when they are more likely than not to be sustained. The Company is no longer subject to U.S. federal and state income tax examinations for periods commencing prior to July 1, 2019.

Recent Accounting Pronouncements

The Company has reviewed recently issued accounting pronouncements and determined that they will not have a material impact on the Company’s financial statements.

The Company’s prior clearing agreement with RBC Correspondent Services was terminated February 2023.

4. Fixed Assets

On July 1, 2020, the Company borrowed \$150,000 for 30 years from the SBA to provide working capital and offset economic injury caused by the COVID-19 pandemic. Interest is provided at 3.75%/annum with the initial payment due July 1, 2021 and the loan’s principal is payable at the end of the term. \$89,075 of the principal of the loan was paid down June 30, 2023.

6. Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1, the “Rule”), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, as both defined, shall not exceed 15 to 1. In accordance with the Rule, the Company is required to maintain defined minimum net capital equal to the greater of \$5,000 or 1/15 of aggregate indebtedness.

At June 30, 2023, the Company had net capital, as defined, of \$413,964 which exceeded the required minimum net capital of \$85,568 by \$328,396. Aggregate indebtedness at June 30, 2023 totaled \$1,283,526. The percentage of aggregate indebtedness to net capital was 310%.

7. Regulatory Matters-Going Concern

During the year ended June 30, 2023 and subsequent thereto, the Company received additional inquiries from examinations by the SEC and FINRA (the “Regulators”). These inquiries are regarding several equity trades, where the Regulators allege that the markups

were excessive and that the related trade confirmations indicated that the Company acted as an agent instead of a principal.

The Company does not agree with these allegations. The Company intends to vigorously defend its position against the regulatory inquires and the Company believes its defenses are meritorious. The above matter remains unresolved at the time that the Company's financial statements are available to be issued. Accordingly, no provision has been made in the accompanying financial statements for any monetary or nonmonetary penalties which may be imposed or other actions which may be taken by the Regulators and the outcome of this uncertainty cannot be predicted at this time.

The coronavirus pandemic and government responses are creating disruption in the global economy and adversely impacting many industries, including the financial services industry.

As a result of the pandemic, management evaluated the COVID-19 pandemic and its impact on the financial services industry and has concluded that while it is reasonably possible that the virus could have had a negative effect on the Company's operations, the specific impact is not readily determinable as of the date of these financial statements and, accordingly, these financial statements do not include ant adjustments that might result from the outcome of this uncertainty.

12. Evaluation of Subsequent Events

The Company has evaluated subsequent events through January 26, 2024, the date the financial statements were available for issuance.
