1. We note your response to comment 7 in our letter dated September 12, 2005. Please explain why the substantive participating rights of FAHZ under the AmBev Shareholders' Agreement were determinative in identifying AmBev as the accounting acquirer under SFAS 141. Please address each of the basic factors in paragraph 17 of SFAS 141 in your response. In addressing each factor, state the number of board members each enterprise has the ability to appoint, state the relative voting rights and economic interest of each enterprise, and identify the

enterprise whose senior management dominates the senior management of the combined enterprise. Clarify how your consideration of all these factors, including the substantive participating rights, resulted in your determination that AmBev was the accounting acquirer. Also, please tell us what consideration you gave to EITF 90-13 in accounting for the acquisition.

Please send us your response to this comment within 10 business days or tell us when you will provide us with a response. Please file your response letter on EDGAR as a correspondence file. Please understand that we may have additional comments after reviewing your response to our comment.
