Item 4.02 Form 8-K
Filed April 10, 2006
File No. 0-30583**

Dear Mr. Manahan:

We have reviewed your Item 4.02 Form 8-K for compliance with the form requirements and have the following comments.

1. We note your references to the SEC Staff's positions within the discussion of your restatement. However, the basis for your restatement appears to be your reconsideration of the requirements of GAAP; thus, reference to the SEC Staff's positions is unwarranted. Please amend your filing accordingly.
2. Please refile your Form 8-K under Item 4.02 in the EDGAR system pursuant to SEC Release 33-8400.

You should file an amendment in response to this comment on or before April 19, 2006.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings reviewed by the staff to be certain that they have provided all information investors require for an informed decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that
