PART I

ITEM 1. BUSINESS

GENERAL DEVELOPMENT OF BUSINESS

Founded in 1941, Coach was acquired by Sara Lee Corporation (''Sara Lee'') in 1985. In June 2000, Coach was incorporated in the state of Maryland. In October 2000, Coach was listed on the New York Stock Exchange and sold approximately 68 million shares of common stock, split adjusted, representing 19.5% of the outstanding shares. In April 2001, Sara Lee completed a distribution of its remaining ownership in Coach via an exchange offer, which allowed Sara Lee stockholders to tender Sara Lee common stock for Coach common stock.

Coach's international expansion strategy is to enter into joint ventures and distributor relationships to build market presence and capability. To further accelerate brand awareness, aggressively grow market share and to exercise greater control of our brand, Coach may subsequently acquire its partner's interests.

- In June 2001, Coach Japan was initially formed as a joint venture with Sumitomo Corporation. On July 1, 2005, we purchased Sumitomo's 50% interest in Coach Japan.
- In fiscal 2011, the Company purchased a non-controlling interest in a joint venture with Hackett Limited to expand the Coach business in Europe. Through the joint venture, the Company opened retail locations in Spain, Portugal and Great Britain in fiscal 2011, in France and Ireland in fiscal 2012 and in Germany in fiscal 2013. In July 2013 (fiscal 2014), the Company purchased Hackett Limited's 50% interest in the joint venture.
- Coach acquired the domestic retail businesses from its distributors as follows:
  - Fiscal 2009: Hong Kong, Macau and mainland China (''Coach China'').
  - Fiscal 2012: Singapore and Taiwan.
  - Fiscal 2013: Malaysia and Korea.

NARRATIVE DESCRIPTION OF BUSINESS

Coach has grown from a family-run workshop in a Manhattan loft to a leading American marketer of fine accessories and gifts for women and men. Coach is one of the most recognized fine accessories brands in the U.S. and in targeted international markets. We offer premium lifestyle accessories to a loyal and growing customer base and provide consumers with fresh, compelling and innovative products that are extremely well made, at an attractive price. Coach's modern, fashionable handbags and accessories use a broad range of high quality leathers, fabrics and materials. In response to our customer's demands for both fashion and function, Coach offers updated styles and multiple product categories which address an increasing share of our customer's accessory wardrobe. Coach has created a sophisticated, modern and inviting environment to showcase our product assortment and reinforce a consistent brand positioning wherever the consumer may shop. We utilize a flexible, cost-effective global sourcing model, in which independent manufacturers supply our products, allowing us to bring our broad range of products to market rapidly and efficiently.

Coach offers a number of key differentiating elements that set it apart from the competition, including:

A Distinctive Brand — The Coach brand represents a blend of classic American style with a distinctive New York spirit, offering a design that is known for a distinctive combination of style and function. Coach offers accessible luxury products that are relevant, extremely well made and provide excellent value.

A Market Leadership Position With Growing Global Share — Coach is a global leader in premium handbags and accessories. In North America, Coach is the leading brand. In Japan, Coach is the leading imported luxury handbag and accessories brand by units sold. Coach is also gaining traction in China, other Asian markets, Europe, and Latin America.

A Loyal And Involved Consumer — Coach consumers have a strong emotional connection with the brand. Part of the Company's everyday mission is to cultivate consumer relationships by strengthening this emotional connection.

A Multi-Channel Global Distribution Model — Coach products are available in image-enhancing locations globally wherever our consumer chooses to shop including: retail stores and factory outlets, directly operated shop-in-shops, online, and department and speciality stores. This allows Coach to maintain a dynamic balance as results do not depend solely on the performance of a single channel or geographic area.

Innovation And A Consumer-Centric Focus — Coach listens to its consumer through rigorous consumer research and strong consumer orientation. To truly understand globalization and its impact on Coach, we also need to understand the local context in each market, learning about our consumer wherever Coach is sold. Coach works to anticipate the consumer's changing needs by keeping the product assortment fresh and compelling.

We believe our unique positioning, characterized by these differentiating elements, is a key competitive advantage. We hold the number one position within the U.S. premium handbag and accessories market and the number two position within the Japanese imported luxury handbag and accessories market.

DESIGN AND MERCHANDISING

In fiscal 2013, Reed Krakoff, President, Executive Creative Director, announced his intention to not renew his contract and it is expected that in the first quarter of fiscal year 2014 he will depart from the Company in connection with the sale of the Reed Krakoff business. In June 2013, the Company announced that Stuart Vevers will assume the position of Executive Creative Director, joining Coach in the first quarter of fiscal 2014.

Coach's New York-based design team is responsible for conceptualizing and directing the design of all Coach products. Designers have access to Coach's extensive archives of product designs created over the past 70 years, which are a valuable resource for new product concepts. Coach designers are also supported by a strong merchandising team that analyzes sales, market trends and consumer preferences to identify business opportunities that help guide each season's design process. Merchandisers also analyze, edit, add and delete products to maximize sales across all channels. The product category teams, each comprised of design, merchandising/product development and sourcing specialists help Coach execute design concepts that are consistent with the brand's strategic direction.

Coach's design and merchandising teams work in close collaboration with all of our licensing partners to ensure that the licensed products (watches, footwear, eyewear and fragrance) are conceptualized and designed to address the intended market opportunity and convey the distinctive perspective and lifestyle associated with the Coach brand.

SEGMENTS

In fiscal 2013, the Company changed its reportable segments to a geographic focus, recognizing the expansion and growth of sales through its international markets. This is consistent with organizational changes announced during fiscal 2012.

Prior to this change, the Company was organized and reported its results based on directly-operated and indirect business units. The Company has recently experienced substantial growth in its international business, while at the same time has converted formerly wholesale businesses in several key markets such as China, Taiwan and Korea to Company-operated businesses. Reflecting this growth and corresponding declines in indirect businesses relative to Company-operated, the Company implemented a realignment of its business units based on geography, consistent with the organizational changes.

In fiscal 2013, the Company's operations reflect five operating segments aggregated into two reportable segments:

- North America, which includes sales to North American consumers through Company-operated stores, including the Internet, and sales to wholesale customers and distributors.
- International, which includes sales to consumers through Company-operated stores in Japan and mainland China, including the Internet, Hong Kong, Macau, Singapore, Taiwan, Malaysia and Korea and sales to wholesale customers and distributors in 25 countries.

North America Segment

The North America segment consists of direct-to-consumer and indirect channels, and includes sales to consumers through Company-operated stores, including the Internet, and sales to wholesale customers and distributors. This segment represented approximately 69% of Coach's total net sales in fiscal 2013.

North American Retail Stores — Coach stores are located in regional shopping centers and metropolitan areas throughout the U.S. and Canada. The retail stores carry an assortment of products depending on their size and location and customer preferences. Our flagship stores, which offer the broadest assortment of Coach products, are located in high-visibility locations such as New York, Chicago and San Francisco.

Our stores are sophisticated, sleek, modern and inviting. They showcase the world of Coach and enhance the shopping experience while reinforcing the image of the Coach brand. The modern store design creates a distinctive environment to display our products. Store associates are trained to maintain high standards of visual presentation, merchandising and customer service. The result is a complete statement of the Coach effortless New York style at the retail level.

The number of Coach retail stores and their total and average square footage has remained relatively constant over the last three fiscal years:

	Fiscal Year Ended		
	June 29, 2013	**June 30, 2012**	**July 2, 2011**
Retail stores	**351**	354	345
Net (decrease) increase vs. prior year	**(3)**	9	3
% (decrease) increase vs. prior year	**(0.8)%**	2.6%	0.9%
Retail square footage	**952,422**	959,099	936,277
Net (decrease) increase vs. prior year	**(6,677)**	22,822	6,697
% (decrease) increase vs. prior year	**(0.7)%**	2.4%	0.7%
Average square footage	**2,713**	2,709	2,714

As we continue to optimize our current real estate positions at lease term over the next few years, the Company expects to close underperforming doors and expand locations in key markets, resulting in a slight decrease in total square footage and a slight increase in average store square footage.

North American Factory Stores — Coach's factory stores serve as an efficient means to sell manufactured-for-factory-store product, including factory exclusives, as well as discontinued and irregular inventory outside the retail channel. These stores operate under the Coach name and are geographically positioned primarily in established outlet centers that are generally more than 30 miles from major markets.

Coach's factory store design, visual presentations and customer service levels support and reinforce the brand's image. Through these factory stores, Coach targets value-oriented customers.

The expansion in the number of North America Coach factory stores and their total and average square footage is shown in the following table:

	Fiscal Year Ended		
	June 29, 2013	June 30, 2012	July 2, 2011
Factory stores	**193**	169	143
Net increase vs. prior year	**24**	26	22
% increase vs. prior year	**14.2%**	18.2%	18.2%
Factory square footage	**982,202**	789,699	649,094
Net increase vs. prior year	**192,503**	140,605	100,297
% increase vs. prior year	**24.4%**	21.7%	18.3%
Average square footage	**5,089**	4,673	4,539

Over the next few years, we expect to see continued growth in factory store square footage, driven both by new distribution and expansions as we right size our most productive doors to accommodate broader expression of lifestyle assortment and increased volume.

Internet — Coach views its website as a key communications vehicle for the brand to promote traffic in Coach retail stores and department store locations and build brand awareness. With approximately 74 million unique visits to the e-commerce websites in fiscal 2013, our online store provides a showcase environment where consumers can browse through a selected offering of the latest styles and colors. Our e-commerce programs also include our invitation-only factory flash site and third-party flash sites.

U.S. Wholesale — Coach began as a U.S. wholesaler to department stores and this channel remains a part of our overall consumer reach. Today, we work closely with our partners to ensure a clear and consistent product presentation. Coach enhances its presentation through the creation of shop-in-shops with proprietary Coach fixtures, within the department store environment. Coach custom tailors its assortments through wholesale product planning and allocation processes to match the attributes of our department store consumers in each local market. While overall U.S. department store sales have slowed over the last few years, the handbag and accessories category has remained strong. The Company continues to closely manage inventories in this channel given the highly promotional environment at point-of-sale. The Company has implemented automatic replenishment with major accounts in an effort to optimize inventory across wholesale doors. Over the next few years, we expect to make significant investment in the elevation of store environments in this channel.

Coach's products are sold in approximately 1,000 wholesale locations in the U.S. and Canada. Our most significant U.S. wholesale customers are Macy's (including Bloomingdale's), Dillard's, Nordstrom, Saks Fifth Avenue, Lord & Taylor, The Bay, Bon Ton, Belk and Von Maur. Coach products are also available on macys.com, bloomingdales.com, dillards.com, nordstrom.com, lordandtaylor.com, thebay.com, bonton.com, belk.com and vonmaur.com.

International Segment

The International segment includes sales to consumers through Company-operated stores in Japan and mainland China, including the Internet, Hong Kong, Macau, Singapore, Taiwan, Malaysia and Korea, and sales to wholesale customers and distributors. The International segment represented approximately 31% of total net sales in fiscal 2013.

Our International Markets operate department store shop-in-shop locations and freestanding flagship, retail and factory stores as well as e-commerce websites. Flagship stores, which offer the broadest assortment of Coach products, are located in select shopping districts.

The following table shows the number of international directly-operated locations and their total and average square footage:

Coach Japan plans to open new doors over the next several years, growing low to mid-single digits. The balance of Coach international (China, Asia and Europe) anticipate their owned-retail doors growing low double digit over the next few years.

Coach International — This channel represents sales to international wholesale distributors and authorized retailers. Travel retail represents the largest portion of our customers' sales in this channel. However, we continue to drive growth by expanding our distribution to reach local consumers in emerging markets. Coach has developed relationships with a select group of distributors who sell Coach products through department stores and freestanding retail locations in 25 countries. Coach's current network of international distributors serves the following domestic and/or travel retail markets: Aruba, Australia, Bahamas, Bahrain, Brazil, China, Colombia, France, Hong Kong, India, Indonesia, Japan, Korea, Kuwait, Macau, Malaysia, Mexico, New Zealand, Panama, Saudi Arabia, Singapore, Taiwan, Thailand, UAE, US & Territories, Venezuela and Vietnam.

For locations not in freestanding stores, Coach has created shop-in-shops and other image enhancing environments to increase brand appeal and stimulate growth. Coach continues to improve productivity in this channel by opening larger image-enhancing locations, expanding existing stores and closing less productive stores. Coach's most significant international wholesale customers are the DFS Group, Everrich DFS Corp, Lotte Group, Shilla Group and Vantage Point.

The following table shows the number of international wholesale locations at which Coach products are sold:

	Fiscal Year Ended		
	June 29, 2013	June 30, 2012	July 2, 2011
International freestanding stores[(1)]	**42**	77	61
International department store locations	**87**	87	109
Other international locations	**54**	41	41
Total international wholesale locations	**183**	205	211

(1) Decline in fiscal 2013 reflects transition to Company-operated stores due to acquisitions. See Note "Acquisitions."

Other

Licensing — In our worldwide licensing relationships, Coach takes an active role in the design process and controls the marketing and distribution of products under the Coach brand. Licensing revenue of approximately $32.1 million and $28.5 million in fiscal 2013 and fiscal 2012, respectively, is included Other sales. (Other, which is not a reportable segment, consists of sales generated in ancillary channels). The licensing relationships as of June 29, 2013 are as follows:

		Date	
Category	**Partner**	**Introduction**	**Expiration**
Footwear	Jimlar	Spring ’99	2015
Eyewear	Luxottica	Spring ’12	2016
Watches	Movado	Spring ’98	2015
Fragrance	Estee Lauder	Spring ’10	2015

Products made under license are, in most cases, sold through all of the channels discussed above and, with Coach’s approval, these licensees have the right to distribute Coach brand products selectively through several other channels: shoes in department store shoe salons, watches in selected jewelry stores and eyewear and sunwear in selected optical retailers. These venues provide additional, yet controlled, exposure of the Coach brand. Coach’s licensing partners pay royalties to Coach on their net sales of Coach branded products. However, such royalties are not material to the Coach business as they currently comprise less than 1% of Coach’s total net sales. The licensing agreements generally give Coach the right to terminate the license if specified sales targets are not achieved.

MARKETING

Coach’s marketing strategy is to deliver a consistent and relevant message every time the consumer comes in contact with the Coach brand through our communications and visual merchandising. The Coach image is created and executed by our creative marketing, visual merchandising and public relations teams. Coach also has a sophisticated consumer and market research capability, which helps us assess consumer attitudes and trends.

In conjunction with promoting a consistent global image, Coach uses its extensive customer database and consumer knowledge to target specific products and communications to specific consumers to efficiently stimulate sales across all distribution channels.

Coach engages in several consumer communication initiatives, including direct marketing activities and national, regional and local advertising. Total expenses related to consumer communications in fiscal 2013 were $102.7 million, approximately 2% of net sales.

Coach’s wide range of direct marketing activities includes email contacts and catalogs targeted to promote sales to consumers in their preferred shopping venue. In addition to building brand awareness, the coach.com website serves as an effective brand communication vehicle by providing a showcase environment where consumers can browse through a strategic offering of the latest styles and colors, which drives store traffic and enables the collection of customer data.

As part of Coach’s direct marketing strategy, the Company uses its database consisting of approximately 19 million households in North America and 8 million households in Asia. Email contacts and direct mail pieces are Coach’s principal means of communication and are sent to selected households to stimulate consumer purchases and build brand awareness. The growing number of visitors to the coach.com e-commerce sites in the U.S., Canada, Japan and China provides an opportunity to increase the size of these databases.

In fiscal 2013, Coach had informational websites in Australia, Bahrain, Brazil, Chile, Colombia, France, Hong Kong, Indonesia, Ireland, Korea, Kuwait, Malaysia, Mexico, Panama, Peru, Portugal, Saudi Arabia, Singapore, Spain, Taiwan, Thailand, UAE, United Kingdom, Venezuela and Vietnam. In addition, the Company utilizes and continues to explore new technologies such as blogs and social networking websites, including Twitter, Facebook, and Sina Weibo, as a cost effective consumer communication opportunity to increase on-line and store sales, acquire new customers and build brand awareness.

The Company also runs national, regional and local marketing campaigns in support of its major selling seasons.

MANUFACTURING

While all of our products are manufactured by independent manufacturers, we nevertheless maintain control of the supply chain process from design through manufacture. We are able to do this by qualifying raw material suppliers and by maintaining sourcing and quality control management offices in China, Hong Kong, Philippines Vietnam, South Korea and India that work closely with our independent manufacturers. This broad-based, global manufacturing strategy is designed to optimize the mix of cost, lead times and construction capabilities. Over the last several years, we have increased the presence of our senior management in the countries of our manufacturers to enhance control over decision making and ensure the speed with which we bring new product to market is maximized.

These independent manufacturers each or in aggregate support a broad mix of product types, materials and a seasonal influx of new, fashion oriented styles, which allows us to meet shifts in marketplace demand and changes in consumer preferences. During fiscal 2013, approximately 69% of Coach's total net sales were generated from newly introduced products with no sales in the same quarter the previous year.

Our raw material suppliers, independent manufacturers and licensing partners, must achieve and maintain Coach's high quality standards, which are an integral part of the Coach identity. One of Coach's keys to success lies in the rigorous selection of raw materials. Coach has longstanding relationships with purveyors of fine leathers and hardware. Although Coach products are manufactured by independent manufacturers, we maintain control of the raw materials that are used in all of our products. Compliance with quality control standards is monitored through on-site quality inspections at all independent manufacturing facilities.

Coach carefully balances its commitments to a limited number of ''better brand'' partners with demonstrated integrity, quality and reliable delivery. Our manufacturers are located in many countries, including China, Vietnam, India, Philippines, Thailand, Italy and the United States. Coach continues to evaluate new manufacturing sources and geographies to deliver the finest quality products at the lowest cost and help limit the impact of manufacturing in inflationary markets. During fiscal 2013, one vendor provided approximately 12% of Coach's total units. No other individual vendor currently provides more than approximately 10% of Coach's total units. Before partnering with a vendor, Coach evaluates each facility by conducting a quality and business practice standards audit. Periodic evaluations of existing, previously approved facilities are conducted on a random basis. We believe that all of our manufacturing partners are in material compliance with Coach's integrity standards.

DISTRIBUTION

Coach operates an 850,000 square foot distribution and consumer service facility in Jacksonville, Florida. This automated facility uses a bar code scanning warehouse management system. Coach's distribution center employees use handheld radio frequency scanners to read product bar codes, which allow them to more accurately process and pack orders, track shipments, manage inventory and generally provide excellent service to our customers. Coach's products are primarily shipped to Coach retail stores and wholesale customers via express delivery providers and common carriers, and direct to consumers via express delivery providers.

To support our growth in China and the region, in fiscal 2010 we established an Asia distribution center in Shanghai, owned and operated by a third-party, allowing us to better manage the logistics in this region while reducing costs. The Company also operates distribution centers, through third-parties, in Japan, China, Hong Kong, Singapore, Taiwan, Malaysia, Korea and the Netherlands.

INFORMATION SYSTEMS

The foundation of Coach's information systems is its Enterprise Resource Planning (''ERP'') system. This fully integrated system supports all aspects of finance and accounting, procurement, inventory control, sales and store replenishment. The system functions as a central repository for all of Coach's transactional information, resulting in increased efficiencies, improved inventory control and a better understanding of consumer demand.

Complementing its ERP system are several other system solutions, each of which Coach believes is suitable for its needs. The data warehouse system summarizes the transaction information and provides a global platform for management reporting. The supply chain management systems support sales, procurement, inventory planning and reporting functions. In North America, product fulfillment is facilitated by Coach's highly automated warehouse management system and electronic data interchange system, while the unique requirements of Coach's internet business are supported by Coach's order management system. Internationally, Coach is integrated with selected third-party providers to provide similar capabilities. Additionally, the point-of-sale system supports all in-store transactions, distributes management reporting to each store, and collects sales and payroll information on a daily basis. This daily collection of store sales and inventory information results in early identification of business trends and provides a detailed baseline for store inventory replenishment. Updates and upgrades of these systems are made on a periodic basis in order to ensure that we constantly improve our functionality.

TRADEMARKS AND PATENTS

Coach owns all of the material worldwide trademark rights used in connection with the production, marketing and distribution of all of its products. Coach also owns and maintains worldwide registrations for trademarks in all relevant classes of products in each of the countries in which Coach products are sold. Major trademarks include *Coach, Coach and lozenge design, Coach and tag design, Signature C design, Coach Op Art design and The Heritage Logo (Coach Leatherware Est. 1941)*. Coach is not dependent on any one particular trademark or design patent although Coach believes that the Coach name is important for its business. In addition, several of Coach's products are covered by design patents or patent applications. Coach aggressively polices its trademarks and trade dress, and pursues infringers both domestically and internationally. It also pursues counterfeiters domestically and internationally through leads generated internally, as well as through its network of investigators, the Coach hotline and business partners around the world.

Coach expects that its material trademarks will remain in existence for as long as Coach continues to use and renew them. Coach has no material patents.

SEASONALITY

Because Coach products are frequently given as gifts, Coach has historically realized, and expects to continue to realize, higher sales and operating income in the second quarter of its fiscal year, which includes the holiday months of November and December. In addition, fluctuations in sales and operating income in any fiscal quarter are affected by the timing of seasonal wholesale shipments and other events affecting retail sales. Over the last several years, we have achieved higher levels of growth in the non-holiday quarters, which has reduced these seasonal fluctuations.

GOVERNMENT REGULATION

Most of Coach's imported products are subject to, duties, indirect taxes, quotas and non-tariff trade barriers that may limit the quantity of products that Coach may import into the U.S. and other countries or may impact the cost of such products. Coach is not materially restricted by quotas or other government restrictions in the operation of its business, however customs duties do represent a material part of total product cost. To maximize opportunities, Coach operates complex supply chains through foreign trade zones, bonded logistic parks and other strategic initiatives such as free trade agreements. Additionally, the Company operates a direct import business in many countries worldwide. As a result, Coach is subject to stringent government regulations and restrictions with respect to its cross-border activity either by the various customs and border protection agencies or by other government agencies which control the quality and safety of the Company's products. Coach maintains an internal global trade and customs organization to help manage its import/export activity.

COMPETITION

The premium handbag and accessories industry is highly competitive. The Company competes primarily with European and American luxury and accessible luxury brands as well as private label retailers, including some of Coach's wholesale customers. Over the last several years the category has grown, encouraging the entry of new competitors as well as increasing the competition from existing competitors. This increased competition also drives consumer interest in this brand loyal category.

The Company further believes that there are several factors that differentiate us from our competitors, including but not limited to: Coach's strong and differentiated brand, distinctive newness, innovative and high quality products, ability to meet consumer's changing preferences and our superior customer service.

EMPLOYEES

As of June 29, 2013, Coach employed approximately 17,200 people, including both full and part time employees, but excluding seasonal and temporary employees. Of these employees, approximately 7,200 and 7,000 were full time and part time employees, respectively, in the retail field in North America; Japan; Hong Kong, Macau, and mainland China; Singapore; Taiwan; Malaysia and Korea. Approximately 70 of Coach's employees are covered by a collective bargaining agreement. Coach believes that its relations with its employees are good, and has never encountered a strike or work stoppage.

ITEM 1A. RISK FACTORS

You should consider carefully all of the information set forth or incorporated by reference in this document and, in particular, the following risk factors associated with the Business of Coach and forward-looking information in this document. Please also see "Special Note on Forward-Looking Information" at the beginning of this report. The risks described below are not the only ones we face. Additional risks not presently known to us or that we currently deem immaterial may also have an adverse effect on us. If any of the risks below actually occur, our business, results of operations, cash flows or financial condition could suffer.

Economic conditions could materially adversely affect our financial condition, results of operations and consumer purchases of luxury items.

Our results can be impacted by a number of macroeconomic factors, including but not limited to consumer confidence and spending levels, unemployment, consumer credit availability, raw materials costs, fuel and energy costs, global factory production, commercial real estate market conditions, credit market conditions and the level of customer traffic in malls and shopping centers.

Demand for our products, and consumer spending in the premium handbag and accessories market generally, is significantly impacted by trends in consumer confidence, general business conditions, interest rates, the availability of consumer credit, and taxation. Consumer purchases of discretionary luxury items, such as Coach products, tend to decline during recessionary periods, when disposable income is lower.

The growth of our business depends on the successful execution of our growth strategies, including our efforts to expand internationally into a global lifestyle brand.

Our growth depends on the continued success of existing products, as well as the successful design and introduction of new products. Our ability to create new products and to sustain existing products is affected by whether we can successfully anticipate and respond to consumer preferences and fashion trends. The failure to develop and launch successful new products could hinder the growth of our business. Also, any delay in the development or launch of a new product could result in our company not being the first to bring product to market, which could compromise our competitive position.

Additionally, our current growth strategy includes plans to expand in a number of international regions, including Asia and Europe. We currently plan to open additional Coach stores in China, Europe and other international markets, and we have entered into strategic agreements with various partners to expand our operations in South America. In addition, we have recently taken control of certain of our retail operations in Europe and the Asia-Pacific region, including the United Kingdom, Spain, Ireland, Portugal, France and Germany during calendar 2013, and Malaysia and South Korea during calendar year 2012. We do not yet have significant experience directly operating in these countries, and in many of them we face established competitors. Many of these countries have different operational characteristics, including but not limited to employment and labor, transportation, logistics, real estate, and local reporting or legal requirements.

Furthermore, consumer demand and behavior, as well as tastes and purchasing trends may differ in these countries, and as a result, sales of our product may not be successful, or the margins on those sales may not be in line with those we currently anticipate. Further, such markets will have upfront short-term investment costs that may not be accompanied by sufficient revenues to achieve typical or expected operational and financial performance and therefore may be dilutive to Coach in the short-term. In many of these countries, there is significant competition to attract and retain experienced and talented employees.

We have recently undertaken a transformation to broaden Coach's brand identification from primarily accessories, to instead being viewed as a global lifestyle brand, anchored in accessories. We plan to achieve this by building upon our strong management and design teams and enhancing and building out the Coach experience through expanded and new product categories, enhanced retail environments and integrated marketing communications. However, there is no assurance that such efforts will be successful in changing the perception of Coach from an accessories brand to a global lifestyle brand. Consequently, if our international expansion plans are unsuccessful, our transformation falls short, or we are unable to retain and/or attract key personnel, our financial results could be materially adversely affected.

Significant competition in our industry could adversely affect our business.

We face intense competition in the product lines and markets in which we operate. Our competitors are European and American luxury brands, as well as private label retailers, including some of Coach's wholesale customers. There is a risk that our competitors may develop new products or product categories that are more popular with our customers. We may be unable to anticipate the timing and scale of such product introductions by competitors, which could harm our business. Our ability to compete also depends on the strength of our brand, whether we can attract and retain key talent, and our ability to protect our trademarks and design patents. A failure to compete effectively could adversely affect our growth and profitability.

The success of our business depends on our ability to retain the value of the Coach brand and to respond to changing fashion and retail trends in a timely manner.

We believe that the Coach brand, established over 70 years ago, is regarded as America's preeminent designer, producer, and marketer of fine accessories and gifts for women and men. We attribute the prominence of the Coach brand to the unique combination of our original American attitude and design, our heritage of fine leather goods and custom fabrics, our superior product quality and durability and our commitment to customer service. Any misstep in product quality or design, customer service, marketing, unfavorable publicity or excessive product discounting could negatively affect the image of our brand with our customers. Furthermore, the product lines we have historically marketed and those that we plan to market in the future are becoming increasingly subject to rapidly changing fashion trends and consumer preferences. If we do not anticipate and respond promptly to changing customer preferences and fashion trends in the design, production, and styling of our products, as well as create compelling marketing and retail environments that appeal to our customers, our sales and results of operations may be negatively impacted. Even if our products do meet changing customer preferences and/or stay ahead of changing fashion trends, our brand image could become tarnished or undesirable in the minds of our customers or target markets, which could adversely impact our business, financial condition, and results of operations.

We face risks associated with operating in international markets.

We operate on a global basis, with approximately 31% of our net sales coming from operations outside of North America. While geographic diversity helps to reduce the Company's exposure to risks in any one country, we are subject to risks associated with international operations, including, but not limited to:

- changes in exchange rates for foreign currencies, which may adversely affect the retail prices of our products, result in decreased international consumer demand, or increase our supply costs in those markets, with a corresponding negative impact on our gross margin rates,
- compliance with laws relating to foreign operations, including the Foreign Corrupt Practices Act, the U.K. Bribery Act, which in general concern the bribery of foreign public officials,
- political or economic instability or changing macroeconomic conditions in our major markets,
- natural and other disasters, and
- changes in legal and regulatory requirements resulting in the imposition of new or more onerous trade restrictions, tariffs, embargoes, exchange or other government controls.

We monitor our global foreign currency exposure and in order to minimize the impact on earnings of foreign currency rate movements, we hedge our subsidiaries' U.S. dollar-denominated inventory purchases in Japan and Canada, as well as Coach's cross currency denominated intercompany loan portfolio. We cannot ensure, however, that these hedges will fully offset the impact of foreign currency rate movements. Additionally, our international subsidiaries primarily use local currencies as the functional currency and translate their financial results from the local currency to U.S. dollars. If the U.S. dollar strengthens against these subsidiaries' foreign currencies, the translation of their foreign currency denominated transactions may decrease consolidated net sales and profitability. Sales to our international wholesale customers are denominated in U.S. dollars.

Failure to adequately protect our intellectual property and curb the sale of counterfeit merchandise could injure the brand and negatively affect sales.

We believe our trademarks, copyrights, patents, and other intellectual property rights are extremely important to our success and our competitive position. We devote significant resources to the registration and protection of our trademarks and to anti-counterfeiting efforts worldwide. In spite of our efforts, counterfeiting still occurs and if we are unsuccessful in challenging a third-party's rights related to trademark, copyright, or patent this could adversely affect our future sales, financial condition, and results of operation. We are aggressive in pursuing entities involved in the trafficking and sale of counterfeit merchandise through legal action or other appropriate measures. We cannot guarantee that the actions we have taken to curb counterfeiting and protect our intellectual property will be adequate to protect the brand and prevent counterfeiting in the future. Our trademark applications may fail to result in registered trademarks or provide the scope of coverage sought. Furthermore, our efforts to enforce our intellectual property rights are often met with defenses and counterclaims attacking the validity and enforceability of our intellectual property rights. Unplanned increases in legal fees and other costs associates with defending our intellectual property rights could result in higher operating expenses. Finally, many countries' laws do not protect intellectual property rights to the same degree as US laws.

Computer system disruption and cyber security threats, including a privacy or data security breach, could damage our relationships with our customers, harm our reputation, expose us to litigation and adversely affect our business.

We depend on digital technologies for the successful operation of our business, including corporate email communications to and from employees, customers and stores, the design, manufacture and distribution of our finished goods, digital marketing efforts, collection and retention of customer data, employee information, the processing of credit card transactions, online e-commerce activities and our interaction with the public in the social media space. The possibility of a cyber-attack on any one or all of these systems is a serious threat. As part of our business model, we collect, retain, and transmit confidential information over public networks. In addition to our own databases, we use third party service providers to store, process and transmit this information on our behalf. Although we contractually require these service providers to implement and use reasonable security measures, we cannot control third parties and cannot guarantee that a security breach will not occur in the future either at their location or within their systems. We also store all designs, goods specifications, projected sales and distribution plans for our finished products digitally. We have confidential security measures in place to protect both our physical facilities and digital systems from attacks. Despite these efforts, however, we may be vulnerable to targeted or random security breaches, acts of vandalism, computer viruses, misplaced or lost data, programming and/or human errors, or other similar events.

Consumer awareness and sensitivity to privacy breaches and cyber security threats is at an all-time high. Any misappropriation of confidential or personally identifiable information gathered, stored or used by us, be it intentional or accidental, could have a material impact on the operation of our business, including severely damaging our reputation and our relationships with our customers, employees and investors. We may also incur significant costs implementing additional security measures to comply with state, federal and international laws governing the unauthorized disclosure of confidential information as well as increased cyber security protection costs such as organizational changes, deploying additional personnel and protection technologies, training employees, and engaging third party experts and consultants and lost revenues resulting from unauthorized use of proprietary information including our intellectual property. Lastly, we could face increased litigation as a result of cyber security breaches.

In addition, we maintain e-commerce sites in the U.S., Canada, Japan and China and have plans for additional e-commerce sites in other parts of the world. In fiscal 2013, Coach had informational websites in 28 countries. Lastly, our e-commerce programs also include an invitation-only Coach Factory flash sale site and third-party flash sales sites. Given the robust nature of our e-commerce presence and digital strategy, it is imperative that we and our e-commerce partners maintain uninterrupted operation of our: (i) computer hardware, (ii) software systems, (ii) customer marketing databases, and (iv) ability to email our current and potential customers. Despite our preventative efforts, our systems are vulnerable from time-to-time to damage, disruption or interruption from, among other things, physical damage, natural disasters, inadequate system capacity, system issues, security breaches, email blocking lists, computer viruses or power outages. Any

material disruptions in our e-commerce presence or information technology systems could have a material adverse effect on our business, financial condition and results of operations.

Our business is subject to the risks inherent in global sourcing activities.

As a Company engaged in sourcing on a global scale, we are subject to the risks inherent in such activities, including, but not limited to:

- unavailability of or significant fluctuations in the cost of raw materials,
- compliance with labor laws and other foreign governmental regulations,
- imposition of additional duties, taxes and other charges on imports or exports,
- increases in the cost of labor, fuel, travel and transportation,
- compliance with our Global Business Integrity Program,
- compliance with U.S. laws regarding the identification and reporting on the use of ''conflict minerals'' sourced from the Democratic Republic of the Congo in the Company's products,
- disruptions or delays in shipments,
- loss or impairment of key manufacturing or distribution sites,
- inability to engage new independent manufacturers that meet the Company's cost-effective sourcing model,
- product quality issues,
- political unrest, and
- natural disasters, acts of war or terrorism and other external factors over which we have no control.

While we require our independent manufacturers and suppliers to operate in compliance with applicable laws and regulations, as well as our Global Operating Principles and/or Supplier Selection Guidelines, we do not control these manufacturers or suppliers or their labor, environmental or other business practices. Copies of our Global Business Integrity Program, Global Operating Principles and Supplier Selection Guidelines are posted on our website, coach.com. The violation of labor, environmental or other laws by an independent manufacturer or supplier, or divergence of an independent manufacturer's or supplier's labor practices from those generally accepted as ethical or appropriate in the U.S., could interrupt or otherwise disrupt the shipment of our products, harm our trademarks or damage our reputation. The occurrence of any of these events could adversely affect our financial condition and results of operations.

While we have business continuity and contingency plans for our sourcing and distribution center sites, significant disruption of manufacturing or distribution for any of the above reasons could interrupt product supply and, if not remedied in a timely manner, could have an adverse impact on our business. We maintain a distribution center in Jacksonville, Florida, owned and operated by Coach. To support our growth in China and the region, in fiscal 2010 we established an Asia distribution center in Shanghai, owned and operated by a third-party, allowing us to better manage the logistics in this region while reducing costs. We also operate distribution centers, through third-parties, in Japan, China, Hong Kong, Singapore, Taiwan, Malaysia, Korea and the Netherlands. The warehousing of Coach merchandise, store replenishment and processing direct-to-customer orders is handled by these centers and a prolonged disruption in any center's operation could adversely affect our business and operations.

Increases in our costs, such as raw materials, labor or freight could negatively impact our gross margin. Labor costs at many of our manufacturers have been increasing significantly and, as the middle class in developing countries continues to grow, it is unlikely that such cost pressure will abate. The cost of transportation has been increasing as well and it is unlikely such cost pressure will abate if oil prices continue to increase. We may not be able to offset such increases in raw materials, labor or transportation costs through pricing measures or other means.

Our business is subject to increased costs due to excess inventories if we misjudge the demand for our products.

If Coach misjudges the market for its products it may be faced with significant excess inventories for some products and missed opportunities for other products. If that occurs, we may be forced to rely on markdowns or promotional sales to dispose of excess, slow-moving inventory, which may negatively impact our gross margin, overall profitability and efficacy of our brand.

Our North American wholesale business could suffer as a result of consolidations, liquidations, restructurings and other ownership changes in the retail industry.

Our wholesale business, consisting of the U.S. Wholesale business comprised approximately 5% of total net sales for fiscal 2013. Continued consolidation in the retail industry could further decrease the number of, or concentrate the ownership of, stores that carry our and our licensees' products. Furthermore, a decision by the controlling owner of a group of stores or any other significant customer, whether motivated by competitive conditions, financial difficulties or otherwise, to decrease or eliminate the amount of merchandise purchased from us or our licensing partners could result in an adverse effect on the sales and profitability within this channel.

We rely on our licensing partners to preserve the value of our licenses and the failure to maintain such partners could harm our business.

We currently have multi-year agreements with licensing partners for our footwear, sunwear, watches and fragrance products. See Item 1 — "*Business — Products*" where discussed further. In the future, we may enter into additional licensing arrangements. The risks associated with our own products also apply to our licensed products as well as unique problems that our licensing partners may experience, including risks associated with each licensing partner's ability to obtain capital, manage its labor relations, maintain relationships with its suppliers, manage its credit and bankruptcy risks, and maintain customer relationships. While we maintain significant control over the products produced for us by our licensing partners, any of the foregoing risks, or the inability of any of our licensing partners to execute on the expected design and quality of the licensed products or otherwise exercise operational and financial control over its business, may result in loss of revenue and competitive harm to our operations in the product categories where we have entered into such licensing arrangements. Further, while we believe that we could replace out existing licensing partners if required, our inability to do so for any period of time could adversely affect our revenues and harm our business.

Our operating results are subject to seasonal and quarterly fluctuations, which could adversely affect the market price of Coach common stock.

Because Coach products are frequently given as gifts, Coach has historically realized, and expects to continue to realize, higher sales and operating income in the second quarter of its fiscal year, which includes the holiday months of November and December. Poor sales in Coach's second fiscal quarter would have a material adverse effect on its full year operating results and result in higher inventories. In addition, fluctuations in sales and operating income in any fiscal quarter are affected by the timing of seasonal wholesale shipments and other events affecting retail sales.

If we are unable to pay quarterly dividends at intended levels, our reputation and stock price may be harmed.

The dividend program requires the use of a modest portion of our cash flow. Our ability to pay dividends will depend on our ability to generate sufficient cash flows from operations in the future. This ability may be subject to certain economic, financial, competitive and other factors that are beyond our control. Our Board of Directors ("Board") may, at its discretion, decrease the intended level of dividends or entirely discontinue the payment of dividends at any time. Any failure to pay dividends after we have announced our intention to do so may negatively impact our reputation, investor confidence in us and negatively impact our stock price.

Fluctuations in our tax obligations and effective tax rate may result in volatility of our financial results and stock price.

We are subject to income taxes in many U.S. and foreign jurisdictions. We record tax expense based on our estimates of taxable income and required reserves for uncertain tax positions in multiple tax jurisdictions. At any one time, many tax years are subject to audit by various taxing jurisdictions. The results of these audits and negotiations with taxing authorities may result in a settlement which differs from our original estimate. As a result, we expect that throughout the year there could be ongoing variability in our quarterly tax rates as events occur and exposures are evaluated. In addition, our effective tax rate in a given financial statement period may be materially impacted by changes in the mix and level of earnings. Further, proposed tax changes that may be enacted in the future could negatively impact our current or future tax structure and effective tax rates.

Provisions in Coach's charter, bylaws and Maryland law may delay or prevent an acquisition of Coach by a third party.

Coach's charter, bylaws and Maryland law contain provisions that could make it more difficult for a third party to acquire Coach without the consent of Coach's Board. Coach's charter permits its Board, without stockholder approval, to amend the charter to increase or decrease the aggregate number of shares of stock or the number of shares of stock of any class or series that Coach has the authority to issue. In addition, Coach's Board may classify or reclassify any unissued shares of common stock or preferred stock and may set the preferences, rights and other terms of the classified or reclassified shares. Although Coach's Board has no intention to do so at the present time, it could establish a series of preferred stock that could have the effect of delaying, deferring or preventing a transaction or a change in control that might involve a premium price for Coach's common stock or otherwise be in the best interest of Coach's stockholders.

Coach's bylaws can only be amended by Coach's Board. Coach's bylaws also provide that nominations of persons for election to Coach's Board and the proposal of business to be considered at a stockholders meeting may be made only in the notice of the meeting, by Coach's Board or by a stockholder who is entitled to vote at the meeting and has complied with the advance notice procedures of Coach's bylaws. Also, under Maryland law, business combinations, including issuances of equity securities, between Coach and any person who beneficially owns 10% or more of Coach's common stock or an affiliate of such person are prohibited for a five-year period, beginning on the date such person last becomes a 10% stockholder, unless exempted in accordance with the statute. After this period, a combination of this type must be approved by two super-majority stockholder votes, unless some conditions are met or the business combination is exempted by Coach's Board.

We could experience cost overruns and disruptions to our operations in connection with the construction of, and relocation to, our new global corporate headquarters.

The Company has entered into various agreements relating to the development of the Company's new global corporate headquarters in a new office building to be located at the Hudson Yards development site in New York City. The financing, development and construction of the new building is taking place through a joint venture between the Company and the developers. Construction of the new building has commenced and occupancy in the new global headquarters is currently expected to take place in calendar 2015. During fiscal 2013, the Company invested $93.9 million in the Hudson Yards joint venture. The Company expects to invest approximately $440 million in the joint venture over the next three years, with approximately $130 million to $160 million estimated in fiscal 2014, depending on construction progress. Outside of the joint venture, the Company is directly investing in aspects of the new corporate headquarters. In fiscal 2013, $24.8 million was included in capital expenditures and we expect $190 million of additional expenditures over the remaining period of construction. The Company's allocable share of the joint venture investments and capital expenditures will be financed by the Company with cash on hand, borrowings under its credit facility and approximately $130 million of proceeds from the sale of its current headquarters buildings.

Due to the inherent difficulty in estimating costs associated with projects of this scale and nature, together with the fact that we are in the early stages of construction of the project, certain of the costs associated with this project may be higher than estimated and it may take longer than expected to complete

the project. In addition, the process of moving our headquarters is inherently complex and not part of our day to day operations. Thus, that process could cause significant disruption to our operations and cause the temporary diversion of management resources, all of which could have a material adverse effect on our business. In addition, we cannot give any assurance that our developer will complete its obligations in a timely manner or at all or how changes in the overall development of the Hudson Yards project may impact the development of, or value of, the building in which our new global headquarters will be located. Further, our developer has financing, construction and development obligations to parties other than us, and we cannot give any assurance as to how those obligations may impact the development of the project.

The ownership of real property, such as the new global corporate headquarters, also subjects us to various other risks, including, among others:

- the possibility of environmental contamination and the costs associated with correcting any environmental problems;
- the risk of financial loss in excess of amounts covered by insurance, or uninsured risks, such as the loss caused by damage to the new building as a result of fire, floods, or other natural disasters; and
- adverse changes in the value of these properties, due to interest rate changes, changes in the neighborhood in which the property is located, or other factors.

Risks relating to our Hong Kong Depositary Receipts ("HDRs")

An active trading market for the Hong Kong Depositary Receipts on the Hong Kong Stock Exchange might not develop or be sustained and their trading prices might fluctuate significantly.

We cannot assure you that an active trading market for the HDRs on the Hong Kong Stock Exchange can develop or be sustained. If an active trading market of the HDRs on the Hong Kong Stock Exchange does not develop or is not sustained, the market price and liquidity of the HDRs could be materially and adversely affected. As a result, the market price for HDRs in Hong Kong might not be indicative of the trading prices of Coach's Common Stock on the NYSE, even allowing for currency differences.

The characteristics of the U.S. capital markets and the Hong Kong capital markets are different.

The NYSE and the Hong Kong Stock Exchange have different trading hours, trading characteristics (including trading volume and liquidity), trading and listing rules, and investor bases (including different levels of retail and institutional participation). As a result of these differences, the trading prices of Common Stock and the HDRs representing them might not be the same, even allowing for currency differences. Fluctuations in the price of our Common Stock due to circumstances peculiar to the U.S. capital markets could materially and adversely affect the price of the HDRs. Because of the different characteristics of the U.S. and Hong Kong equity markets, the historic market prices of our Common Stock may not be indicative of the performance of the HDRs.

We are a corporation incorporated in the State of Maryland in the United States and our corporate governance practices are principally governed by U.S. federal and Maryland state laws and regulations.

We are a corporation incorporated in the State of Maryland in the United States and our HDRs are listed on the Hong Kong Stock Exchange. Our corporate governance practices are primarily governed by and subject to U.S. federal and Maryland laws and regulations. U.S. federal and Maryland laws and regulations differ in a number of respects from comparable laws and regulations in Hong Kong. There are certain differences between the stockholder protection regimes in Maryland and the United States and in Hong Kong.

We have obtained a ruling from the Securities and Futures Commission of Hong Kong (the "SFC") that we will not be regarded as a public Company in Hong Kong for the purposes of the Code on Takeovers and Mergers and the Share Repurchases Code of Hong Kong and hence, these codes will not apply to us. We have also obtained a partial exemption from the SFC in respect of the disclosure of interest provisions set out in the Securities and Futures Ordinance of Hong Kong. In addition, we have been granted waivers or exemptions by the Hong Kong Stock Exchange from certain requirements under its listing rules. Neither our stockholders nor

the HDR holders will have the benefit of those Hong Kong rules, regulations and the listing rules of the Hong Kong Stock Exchange for which we have applied, and been granted, waivers or exemptions by the Hong Kong Stock Exchange and SFC.

Additionally, if any of these waivers or exemptions were to be revoked in circumstances including our non-compliance with applicable undertakings for any reason, additional legal and compliance obligations might be costly and time consuming, and might result in issues of interjurisdictional compliance, which could adversely affect us and HDR holders.

As the SFC does not have extra-territorial jurisdiction on any of its powers of investigation and enforcement, it will also have to rely on the regulatory regimes of Maryland state authorities and the SEC to enforce any corporate governance breaches committed by us in the United States. Investors in the HDRs should be aware that it could be difficult to enforce any judgment obtained outside the United States against us or any of our associates.

Furthermore, prospective investors in the HDRs should be aware, among other things, that there are U.S. federal withholding and estate tax implications for HDR holders.

HDR holders are not stockholders of the Company and must rely on the depositary for the HDRs (the "HDR Depositary") to exercise on their behalf the rights that are otherwise available to the stockholders of the Company.

HDR holders do not have the rights of stockholders. They only have the contractual rights set forth for their benefit under the deposit agreement for the HDRs (the ''Deposit Agreement''). Holders of HDRs are not permitted to vote at stockholders' meetings, and they may only vote by providing instructions to the HDR Depositary. There is no guarantee that holders of HDRs will receive voting materials in time to instruct the HDR Depositary to vote and it is possible that holders of HDRs, or persons who hold their Hong Kong depositary shares through brokers, dealers or other third parties, will not have the opportunity to exercise a right to vote, although both we and the HDR Depositary will endeavor to make arrangements to ensure as far as practicable that all holders of HDRs will be able to vote. As the HDR Depositary or its nominee will be the registered owner of the Common Stock underlying their HDRs, holders of HDRs must rely on the HDR Depositary (or its nominee) to exercise rights on their behalf. In addition, holders of HDRs will also incur charges on any cash distribution made pursuant to the Deposit Agreement and on transfers of certificated HDRs.

Holders of HDRs will experience dilution in their indirect interest in the Company in the event of an equity offering which is not extended to them.

If we decide to undertake an equity offering (that is not a rights or other offering that is extended to HDR holders), HDR holders may suffer a dilution in their indirect ownership and voting interest in the Common Stock, as compared to their holdings in the HDRs immediately prior to such an offering.

Holders of HDRs will be reliant upon the performance of several service providers. Any breach of those service providers of their contractual obligations could have adverse consequences for an investment in HDRs.

An investment in HDRs will depend for its continuing viability on the performance of several service providers, including but not limited to the HDR Depositary, the registrar for the HDRs, the custodian and any sub-custodian appointed in respect of the underlying Common Stock. A failure by any of those service providers to meet their contractual obligations, whether or not by culpable default, could detract from the continuing viability of the HDRs as an investment. Coach will not have direct contractual recourse against the custodian, any sub-custodian or the registrar; hence the potential for redress in circumstances of default will be limited. However, Coach and the HDR Depositary have executed a deed poll in favor of HDR holders in relation to the exercise by them of their rights as HDR holders under the Deposit Agreement against the Company or the HDR Depositary.

Withdrawals and exchanges of HDRs into Common Stock traded on the NYSE might adversely affect the liquidity of the HDRs.

Our Common Stock is presently traded on the NYSE. Any HDR holder may at any time request that their HDRs be withdrawn and exchanged into Common Stock for trading on the NYSE. Upon the exchange of HDRs into Common Stock, the relevant HDRs will be cancelled. In the event that a substantial number of HDRs are withdrawn and exchanged into Common Stock and subsequently cancelled, the liquidity of the HDRs on the Hong Kong Stock Exchange might be adversely affected.

The time required for HDRs to be exchanged into Common Stock (and vice versa) might be longer than expected and investors might not be able to settle or effect any sales of their securities during this period.

There is no direct trading or settlement between the NYSE and the Hong Kong Stock Exchange on which the Common Stock and the HDRs are respectively traded. In addition, the time differences between Hong Kong and New York and unforeseen market circumstances or other factors may delay the exchange of HDRs into Common Stock (and vice versa). Investors will be prevented from settling or effecting the sale of their securities across the various stock exchanges during such periods of delay. In addition, there is no assurance that any exchange of HDRs into Common Stock (and vice versa) will be completed in accordance with the timelines investors might anticipate.

Investors are subject to exchange rate risk between Hong Kong dollars and U.S. dollars.

The value of an investment in the HDRs quoted in Hong Kong dollars and the value of dividend payments in respect of the HDRs could be affected by fluctuations in the U.S. dollar/Hong Kong dollar exchange rate. While the Hong Kong dollar is currently linked to the U.S. dollar using a specified trading band, no assurance can be given that the Hong Kong government will maintain the trading band at its current limits or at all.

ITEM 3. LEGAL PROCEEDINGS

Coach is involved in various routine legal proceedings as both plaintiff and defendant incident to the ordinary course of its business, including proceedings to protect Coach's intellectual property rights, litigation instituted by persons alleged to have been injured upon premises within Coach's control and litigation with present or former employees.

As part of Coach's policing program for its intellectual property rights, from time to time, Coach files lawsuits in the U.S. and abroad alleging acts of trademark counterfeiting, trademark infringement, patent infringement, trade dress infringement, copyright infringement, unfair competition, trademark dilution and/or state or foreign law claims. At any given point in time, Coach may have a number of such actions pending. These actions often result in seizure of counterfeit merchandise and/or out of court settlements with defendants. From time to time, defendants will raise, either as affirmative defenses or as counterclaims, the invalidity or unenforceability of certain of Coach's intellectual properties.

Although Coach's litigation with present or former employees is routine and incidental to the conduct of Coach's business, as well as for any business employing significant numbers of employees, such litigation can result in large monetary awards when a civil jury is allowed to determine compensatory and/or punitive

damages for actions claiming discrimination on the basis of age, gender, race, religion, disability or other legally protected characteristic or for termination of employment that is wrongful or in violation of implied contracts.

Coach believes that the outcome of all pending legal proceedings in the aggregate will not have a material effect on Coach's business or consolidated financial statements.

Coach has not entered into any transactions that have been identified by the IRS as abusive or that have a significant tax avoidance purpose. Accordingly, we have not been required to pay a penalty to the IRS for failing to make disclosures required with respect to certain transactions that have been identified by the IRS as abusive or that have a significant tax avoidance purpose.

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion of Coach's financial condition and results of operations should be read together with Coach's consolidated financial statements and notes to those statements, included elsewhere in this document. When used herein, the terms ''Coach,'' ''Company,'' ''we,'' ''us'' and ''our'' refer to Coach, Inc., including consolidated subsidiaries.

EXECUTIVE OVERVIEW

Coach is a leading American design house of modern luxury accessories. Our product offerings include fine accessories and gifts for women and men, including handbags, men's bags, women's and men's small leather goods, footwear, outerwear, watches, weekend and travel accessories, scarves, sunwear, fragrance, jewelry and related accessories. We are in the process of transforming Coach from an international accessories business to a global lifestyle brand, anchored in accessories. We plan to accomplish this strategy by building upon our strong management and design teams and enhancing and building out the Coach experience through expanded and new product categories, notably footwear and outerwear, enhanced retail environments and integrated marketing communications.

Coach operates in two segments: North America and International. The North America segment includes sales to North American consumers through Coach-operated stores (including Internet sales) and sales to wholesale customers and distributors. The International segment includes sales to consumers through Coach-operated stores in Japan and mainland China (including Internet sales), Hong Kong and Macau, Singapore, Taiwan, Malaysia, Korea, and sales to wholesale customers and distributors in 25 countries. As Coach's business model is based on multi-channel global distribution, our success does not depend solely on the performance of a single channel or geographic area.

In order to sustain growth within our global business, we focus on three key growth strategies: transformation to a lifestyle brand, increased global distribution and improved store sales productivity. To that end we are focused on four key initiatives:

- Transform from a leading international accessories Company into a global lifestyle brand, anchored in accessories, presenting a clear and compelling expression of the Coach woman and man across all product categories, store environments and brand imagery.
- Focus on the Men's opportunity for the brand, notably in North America and Asia, by drawing on our long heritage in the category. We are capitalizing on this opportunity by opening new standalone and dual gender stores and broadening the men's assortment in existing stores.
- Leverage the global opportunity for Coach by raising brand awareness and building market share in markets where Coach is under-penetrated, most notably in Asia and Europe. We are also developing the brand opportunity as we expand into South America and Central America.
- Harness the growing power of the digital world, accelerating the development of our digital programs and capabilities in North America and worldwide, reflecting the change in consumer shopping behavior globally. Our intent is to rapidly drive further innovation to engage with customers in this channel. Key elements include coach.com, our invitation-only factory flash sites, our global e-commerce sites, marketing sites and social media.

We believe the growth strategies described above will allow us to deliver long-term superior returns on our investments and increased cash flows from operating activities. However, intensified competition, the promotional environment, along with the current macroeconomic environment, has created a challenging retail market. The Company believes strong long-term growth can be achieved through a combination of brand transformation including expanded product offerings, additional distribution, a focus on innovation to support productivity and disciplined expense control. With a strong balance sheet and significant cash position, and a business model that generates significant cash flow, we are in a position to invest in our brand while continuing to return capital to shareholders.

Fiscal 2013 Items

Restructuring and Transformation

In fiscal 2013, the Company incurred restructuring and transformation related charges of $53.2 million. The charges recorded in selling, general and administrative expenses and cost of sales were $48.4 million and $4.8 million, respectively. The charges include the strategic reassessment of the Reed Krakoff business, streamlining our organizational model and reassessing the fleet of our retail stores and inventories.

Additional actions are expected to continue into the first quarter of fiscal 2014, primarily related to the Reed Krakoff business.

Fiscal 2012 Items

Charitable Contributions and Tax Adjustments

During fiscal 2012, the Company decreased the provision for income taxes by $23.9 million, primarily as a result of recording the effect of a revaluation of certain deferred tax asset balances due to a change in

Japan's corporate tax laws and the favorable settlement of a multi-year transfer pricing agreement with Japan. The Company used the net income favorability to contribute an aggregate $39.2 million to the Coach Foundation.

Currency Fluctuation Effects

The percentage increase in sales in fiscal 2013 for Coach Japan have been presented both including and excluding currency fluctuation effects from translating these foreign-denominated amounts into U.S. dollars and comparing these figures to the same periods in the prior fiscal year.

We believe that presenting Coach Japan sales increases, including and excluding currency fluctuation effects, will help investors and analysts to understand the effect on these valuable performance measures of significant year-over-year currency fluctuations.

Net Sales

The following table presents net sales by reportable segment for fiscal 2013 compared to fiscal 2012:

	Fiscal Year Ended				
	Total Net Sales			Percentage of Total Net Sales

Total net sales	**$5,075.4**	$4,763.2	6.6	**100.0%**	100.0%

(1) Prior year segment data has been restated to reflect the Company's revised reportable segment structure. See Note ''Segment Information'' for a discussion of the change in reportable segments.

(2) Net sales in the other category, which is not a reportable segment, consists of sales generated in ancillary channels including licensing and disposition.

Comparable store sales measure sales performance at stores that have been open for at least 12 months, and includes sales from the Internet. Coach excludes new locations from the comparable store base for the first year of operation. Similarly, stores that are expanded by 15% or more are also excluded from the comparable store base until the first anniversary of their reopening. Beginning in fiscal 2014, comparable store sales will not be adjusted for store expansions given our planned transformation related to capital investments.

North America

Net sales increased 4.9% to $3.48 billion during fiscal 2013 from $3.32 billion during fiscal 2012, primarily driven by sales from new and expanded stores and a 0.3% increase in comparable store sales, partially offset by decreased shipments into wholesale stores. Significant traffic improvement in the North American Internet business drove the slight comparable store sales increase. Since the end of fiscal 2012, Coach opened 24 factory stores, including 10 Men's, closed three net retail stores, and expanded six factory and one retail store in North America.

International

Net sales increased 9.9% to $1.54 billion during fiscal 2013 from $1.40 billion during fiscal 2012, primarily driven by sales from new and acquisition-related stores. Strong comparable store sales performance in Asia, led by double-digit percentage growth in China, and increased shipments to international wholesale customers, driven by expanded distribution, were substantially offset by weak sales performance in Japan and by the negative foreign exchange impact of the Yen, which decreased net sales by $82.2 million. Since the end of fiscal 2012, International opened 42 net new stores (excluding those acquired as a result of the acquisitions), with 30 net new stores in mainland China, Hong Kong and Macau, 11 net new stores in Japan and one net new store in the other regions. Fiscal 2013 results include net sales of the Company-operated Malaysia and Korean businesses, which were acquired in the first quarter of 2013 as well as the benefit of a full year of net sales from Taiwan, which was purchased in the third quarter of fiscal 2012.

Operating Income

Operating income increased 0.8% to $1.52 billion during fiscal 2013 as compared to $1.51 billion in fiscal 2012. Operating margin decreased to 30.0% as compared to 31.7% in fiscal 2012. Excluding items affecting comparability, operating income increased 1.7% to $1.58 billion, or operating margin was 31.1%, in fiscal 2013. Excluding items affecting comparability, operating income was $1.55 billion, or operating margin was 32.6%, in fiscal 2012.

Gross profit increased 6.7% to $3.70 billion in fiscal 2013 from $3.47 billion during fiscal 2012. Gross margin in fiscal 2013 was 72.9% as compared to 72.8% during fiscal 2012. Excluding items affecting comparability, gross profit increased 6.8% to $3.70 billion, or gross margin was 73.0%, in fiscal 2013.

Selling, general and administrative (''SG&A'') expenses are comprised of four categories: (1) selling; (2) advertising, marketing and design; (3) distribution and consumer service; and (4) administrative. Selling expenses include store employee compensation, occupancy costs and supply costs, wholesale and retail account administration compensation globally and Coach international operating expenses. These expenses are affected by the number of Coach-operated stores open during any fiscal period. Advertising, marketing and design expenses include employee compensation, media space and production, advertising agency fees (primarily to support North America), new product design costs, public relations and market research expenses. Distribution and consumer service expenses include warehousing, order fulfillment, shipping and handling, customer service and bag repair costs. Administrative expenses include compensation costs for ''corporate'' functions including: executive, finance, human resources, legal and information systems departments, as well as corporate headquarters occupancy costs, consulting and software expenses.

Coach includes inbound product-related transportation costs from our service providers within cost of sales. The balance of the costs related to our distribution network is included within selling, general and administrative expenses.

SG&A expenses increased 11.2% to $2.17 billion in fiscal 2013 as compared to $1.95 billion in fiscal 2012, driven by an increase in selling expenses. As a percentage of net sales, SG&A expenses increased to 42.8% during fiscal 2013 as compared to 41.0% during fiscal 2012. Excluding items affecting comparability of $48.4 million in fiscal 2013, SG&A expenses were 41.9% as a percentage of net sales, in fiscal 2013. Excluding items affecting comparability of $39.2 million in fiscal 2012, SG&A expenses were 40.2% as a percentage of net sales, in fiscal 2012.

Selling expenses were $1.51 billion, or 29.8% of net sales, in fiscal 2013 compared to $1.36 billion, or 28.5% of net sales, in fiscal 2012. The dollar increase in selling expenses was due to International stores reflecting higher sales and new store openings, and higher North American Internet expenses reflecting higher sales. International selling expenses overall increased as a percentage of sales, due to the acquisitions of the Korea and Malaysia businesses and infrastructure investments to support Asia. China store expenses as a percentage of sales decreased primarily due to operating efficiencies and sales leverage.

Advertising, marketing, and design costs were $265.4 million, or 5.2% of net sales, in fiscal 2013, compared to $245.2 million, or 5.1% of net sales, during fiscal 2012. The dollar increase was primarily due to creative and design expenditures and marketing expenses related to digital media and consumer communications, which includes our digital strategy through coach.com, the launch of our Legacy line, marketing sites and social networking. The Company utilizes and continues to explore implementing new technologies such as our global web presence, with informational websites in 28 countries, social networking and blogs as cost-effective consumer communication opportunities to increase online and store sales and build brand awareness.

Distribution and consumer service expenses were $86.1 million, or 1.7% of net sales, in fiscal 2013, compared to $68.9 million, or 1.4% of net sales, in fiscal 2012. The increase in distribution and consumer service expenses is primarily the result of the change in sales mix to Internet purchases, resulting in increased packaging and shipping expense per dollar of sales.

Administrative expenses were $307.1 million, or 6.1% of net sales, in fiscal 2013 compared to $282.2 million, or 5.9% of net sales, during fiscal 2012. The dollar increase is due to the restructuring and transformation charges, increased equity compensation and systems investment to support international

expansion. These increases were partially offset by the absence of a charitable contribution in fiscal 2013. Excluding items affecting comparability of $48.4 million in fiscal 2013, administrative expenses were $258.7 million, or 5.1% as a percentage of net sales, in fiscal 2013. Excluding items affecting comparability of $39.2 million in fiscal 2012, administrative expenses were $243.0 million, or 5.1% as a percentage of net sales, in fiscal 2012.

Provision for Income Taxes

The effective tax rate was 32.0% in fiscal 2013, as compared to the 31.0% effective tax rate in fiscal 2012. During fiscal 2013, the Company recognized a favorable tax settlement and the benefit of certain permanent adjustments related to executive compensation. During fiscal 2012, the Company recorded the effect of a revaluation of certain deferred tax asset balances due to a change in Japan's corporate tax laws, the favorable completion of a multi-year transfer pricing agreement with Japan and a favorable tax settlement. Excluding the items affecting comparability (see page 39), the effective tax rate was 32.2% and 32.8% in fiscal 2013 and 2012, respectively. The decline reflects the favorable tax settlement and the benefit of certain permanent adjustments related to executive compensation, as well as the Company earning a higher proportion of its profits in lower tax rate jurisdictions.

Net Income

Net income decreased 0.4% to $1.03 billion in fiscal 2013 as compared to $1.04 billion in fiscal 2012. Excluding items of comparability, net income increased 2.7% to $1.07 billion in fiscal 2013, reflecting a 1.9% increase in income before provision for income taxes and the lower effective tax rate.

Net Income per Diluted Share

Net income per diluted share grew 2.3% to $3.61 in fiscal 2013 as compared to $3.53 in fiscal 2012. Excluding items of comparability, net income per diluted share grew 5.5% to $3.73 in fiscal 2013, reflecting share leverage due to repurchases of Coach's common stock and the higher net income.

Fiscal 2012 and 2011 Items

Charitable Contributions and Tax Adjustments

During fiscal 2012, the Company decreased the provision for income taxes by $23.9 million, primarily as a result of recording the effect of a revaluation of certain deferred tax asset balances due to a change in Japan's corporate tax laws and the favorable settlement of a multi-year transfer pricing agreement with Japan. The Company used the net income favorability to contribute an aggregate $39.2 million to the Coach Foundation.

During fiscal 2011, the Company decreased the provision for income taxes by $15.5 million, primarily as a result of a favorable settlement of a multi-year tax return examination. The Company used the net income favorability to contribute $20.9 million to the Coach Foundation and 400 million yen or $4.8 million to the Japanese Red Cross Society.

Currency Fluctuation Effects

The percentage increase in sales in fiscal 2012 for Coach Japan have been presented both including and excluding currency fluctuation effects from translating these foreign-denominated amounts into U.S. dollars and comparing these figures to the same periods in the prior fiscal year.

We believe that presenting Coach Japan sales, including and excluding currency fluctuation effects, will help investors and analysts to understand the effect on these valuable performance measures of significant year-over-year currency fluctuations.

Net Sales

(1) Segment data has been restated to reflect the Company's revised reportable segment structure. See Note "Segment Information" for a discussion of the change in reportable segments.

(2) Net sales in the other category, which is not a reportable segment, consists of sales generated in ancillary channels including licensing and disposition.

North America

Net sales increased 11.5% to $3.32 billion during fiscal 2012 from $2.97 billion during fiscal 2011, primarily driven by sales from new and expanded stores and a 6.6% increase in comparable store sales partially offset by decreased shipments into wholesale stores. During fiscal 2012, Coach opened 9 net new retail stores and 26 new factory stores, and expanded 10 factory stores in North America.

International

Net sales increased 22.2% to $1.40 billion during fiscal 2012 from $1.15 billion during fiscal 2011, primarily driven by sales from new and acquisition-related stores, increased shipments to wholesale customers, driven by expanded distribution, and double-digit percentage growth in China comparable store sales. Additionally, sales were helped by the 5.3% positive foreign exchange impact of the Yen, which increased Japan sales by $40.1 million. During fiscal 2012, Coach opened 11 net new locations and expanded three locations in Japan, and opened 30 net new stores in Hong Kong and mainland China. Fiscal 2012 results include net sales of the Company-operated Singapore and Taiwan businesses, which were acquired in the first quarter and third quarter of fiscal 2012, respectively.

Operating Income

Operating income increased 15.9% to $1.51 billion in fiscal 2012 as compared to $1.30 billion in fiscal 2011. Excluding items affecting comparability of $39.2 million in fiscal 2012 and $25.7 million in fiscal 2011, operating income increased 16.6% to $1.55 billion. Operating margin increased to 31.7% as compared to 31.4% in the prior year, as gross margin increased while SG&A expenses decreased as a percentage of sales. Excluding items affecting comparability, operating margin was 32.6% in fiscal 2012 as compared to 32.0% in fiscal 2011.

Gross profit increased 14.6% to $3.47 billion in fiscal 2012 from $3.02 billion in fiscal 2011. Gross margin was 72.8% in fiscal 2012 as compared to 72.7% during fiscal 2011. Coach's gross profit is dependent upon a variety of factors, including changes in the relative sales mix among distribution channels, changes in the mix of products sold, foreign currency exchange rates and fluctuations in material costs. These factors, among others may cause gross profit to fluctuate from year to year.

Selling, general and administrative ("SG&A") expenses are comprised of four categories: (1) selling; (2) advertising, marketing and design; (3) distribution and consumer service; and (4) administrative. Selling expenses include store employee compensation, occupancy costs and supply costs, wholesale and retail account administration compensation globally and Coach international operating expenses. These expenses are affected by the number of Coach-operated stores open during any fiscal period. Advertising, marketing and design expenses include employee compensation, media space and production, advertising agency fees (primarily to support North America), new product design costs, public relations and market research expenses. Distribution and consumer service expenses include warehousing, order fulfillment, shipping and

handling, customer service and bag repair costs. Administrative expenses include compensation costs for the executive, finance, human resources, legal and information systems departments, corporate headquarters occupancy costs, consulting and software expenses.

Coach includes inbound product-related transportation costs from our service providers within cost of sales. The balance of the costs related to our distribution network is included within selling, general and administrative expenses.

During fiscal 2012, SG&A expenses increased 13.7% to $1.95 billion, compared to $1.72 billion during fiscal 2011. Excluding items affecting comparability of $39.2 million in fiscal 2012 and $25.7 million in fiscal 2011, SG&A expenses were $1.91 billion and $1.69 billion, respectively. As a percentage of net sales, SG&A expenses were 41.0% and 41.3% during fiscal 2012 and fiscal 2011, respectively. Excluding items affecting comparability during fiscal 2012 and fiscal 2011, SG&A expenses as a percentage of net sales were 40.2% and 40.7%, respectively, as we leveraged our selling expense base on higher sales.

Selling expenses were $1.36 billion, or 28.5% of net sales compared to $1.18 billion, or 28.5% of net sales, during fiscal 2011. The dollar increase in selling expenses was due to higher operating expenses in Coach China and North American stores due to higher sales and new store openings. Coach Japan operating expenses decreased by $0.4 million in constant currency, but was more than offset by the impact of foreign currency exchange rates which increased reported expenses by approximately $15.2 million.

Advertising, marketing, and design costs were $245.2 million, or 5.1% of net sales, compared to $224.4 million, or 5.4% of net sales, during fiscal 2011. The dollar increase was primarily due to marketing expenses related to consumer communications, which includes our digital strategy through coach.com, our global e-commerce sites, third-party flash sites, marketing sites and social networking. The Company operates marketing websites in 23 countries, and utilizes social networking and blogs as cost-effective consumer communication opportunities to increase online and store sales and build brand awareness. Also contributing to the increase were new design expenditures and development costs for new merchandising initiatives.

Distribution and consumer service expenses were $68.9 million, or 1.4% of net sales, compared to $58.2 million, or 1.4% of net sales, during fiscal 2011.

Administrative expenses were $282.2 million, or 5.9% of net sales, compared to $252.4 million, or 6.1% of net sales, during fiscal 2011. Excluding items affecting comparability of $39.2 in fiscal 2012 and $25.7 million in fiscal 2011, expenses were $243.0 million and $226.7 million, respectively, representing 5.1% and 5.5% of net sales, respectively. The dollar increase in administrative expenses was primarily due to increased headcount and systems investment, largely due to our international expansion.

Provision for Income Taxes

The effective tax rate was 31.0% in fiscal 2012 compared to 32.3% in fiscal 2011. During the second quarter of fiscal 2012, the Company recorded the effect of a revaluation of certain deferred tax asset balances due to a change in Japan's corporate tax laws and the favorable completion of a multi-year transfer pricing agreement with Japan. Also, during the fourth quarter of fiscal 2012, the Company recognized a favorable tax settlement. As a result, it made charitable contributions which precisely offset the benefit of the tax settlement to net income and earnings per share. During the third quarter of fiscal 2011, the Company decreased the provision for income taxes primarily as a result of a favorable settlement of a multi-year tax return examination. Excluding the benefit from these items affecting comparability, the effective tax rate was 32.8% in fiscal 2012 and 33.6% in fiscal 2011. The decrease in the effective tax rate is also attributable to higher profitability in lower tax rate jurisdictions in which income is earned, due to the increased globalization of the Company, and a lower effective state tax rate.

Net Income

Net income was $1.04 billion in fiscal 2012 compared to $880.8 million in fiscal 2011. The increase was due to the higher operating income and a reduction of the effective tax rate.

Net Income per Diluted Share

Net income per diluted share grew 20.9% to $3.53 in fiscal 2012 as compared to $2.92 in fiscal 2011. This growth primarily reflected the higher net income.

FISCAL 2013, FISCAL 2012 AND FISCAL 2011 ITEMS AFFECTING COMPARABILITY OF OUR FINANCIAL RESULTS

Non-GAAP Measures

The Company's reported results are presented in accordance with GAAP. The reported gross profit, SG&A expenses, operating income, provision for income taxes, net income and earnings per diluted share in fiscal 2013 reflect certain items which affect the comparability of our results. Similarly, the reported SG&A expenses, operating income, and provision for income taxes in fiscal 2012 and 2011 reflect certain items which affect the comparability of our results. These metrics are also reported on a non-GAAP basis for these fiscal years to exclude the impact of these items.

These non-GAAP performance measures were used by management to conduct and evaluate its business during its regular review of operating results for the periods affected. Management and the Company's Board utilized these non-GAAP measures to make decisions about the uses of Company resources, analyze performance between periods, develop internal projections and measure management performance. The Company's primary internal financial reporting excluded these items affecting comparability. In addition, the compensation committee of the Company's Board used these non-GAAP measures when setting and assessing achievement of incentive compensation goals.

FINANCIAL CONDITION

Cash Flows

(dollars in millions)	Fiscal Year Ended June 29, 2013	June 30, 2012	Change
Net cash provided by operating activities	**$1,413,974**	$1,221,689	$ 192,285

Net increase in cash and cash equivalents	**$ 145,570**	$ 217,433	$ (71,863)

Net increase in cash and cash equivalents

The net increase in cash and cash equivalents declined $71.9 million in fiscal 2013 compared to fiscal 2012 primarily due to purchases of investments, lower proceeds and excess tax benefits related to share based awards,our investment in the Hudson Yards joint venture in fiscal year 2013, higher dividend payments, and higher capital expenditures. These were partially offset by lower share repurchases and increased cash provided by operations.

Net cash provided by operating activities

Net cash provided by operating activities increased $192.3 million primarily due to a $121.1 million year-over-year improvement in operating assets and liabilities, lower excess tax benefit related to share-based compensation of $41.2 million in fiscal 2013, and higher non-cash expense items of $34.5 million. The change in operating assets and liabilities benefitted primarily from the fiscal 2013 collection of an income tax refund and a year-over-year reduction in the growth of inventory and accounts receivable. The inventory benefit was due to lapping the significant growth in fiscal 2012 inventory, when compared to an unusually low balance at the end of fiscal 2011. The increase in non-cash expenses reflected higher depreciation and the non-cash portion of the fiscal 2013 restructuring charges, partially offset by the year-over-year change in the deferred income tax provision.

Net cash used in investing activities

Net cash used in investing activities was $570.5 in fiscal 2013 compared to $259.4 million in fiscal 2012, with the increase of $311.1 million driven by purchases of investments, investment in the Hudson Yards joint venture and higher planned capital investment. During fiscal 2013, the Company invested $100.8 million in a corporate debt securities portfolio through one of its subsidiaries outside of the U.S., consisting of high-credit quality U.S. and non-U.S. issued corporate debt securities, and $70.0 million in time deposits, with no similar investment activity in the prior fiscal year period. During fiscal 2013, the Company invested $93.9 million in a joint venture agreement with Related Parties, L.P. to develop a new office tower in Manhattan, known as Hudson Yards, that will serve as the Company's headquarters. Purchases of property and equipment were $241.4 million in fiscal 2013, or $57.0 million higher than fiscal 2013, primarily reflecting store related capital expenditures, and $24.8 million of direct capital for our new corporate headquarters.

Net cash used in financing activities

Net cash used in financing activities was $689.1 million in fiscal 2013, or a decrease of $52.8 million as compared to the prior fiscal year period. This net decrease was primarily attributable to $300.0 million lower expenditures for common stock repurchases partially offset by $104.6 million lower net proceeds from share-based awards, $79.4 million higher dividend payments, and $41.2 million of lower excess tax benefits from share-based awards. The higher dividend payments were due to an increased dividend rate per share.

Revolving Credit Facilities

On June 18, 2012, the Company established a $400 million revolving credit facility with certain lenders and JP Morgan Chase Bank, N.A. as the primary lender and administrative agent (the ''JP Morgan facility'') with an maturity date of June 2017. On March 26, 2013, the Company amended the JP Morgan facility to

expand available aggregate revolving commitments to $700 million and to extend the maturity date to March 26, 2018. The JP Morgan facility is available to finance the seasonal working capital requirements and general corporate purposes of the Company and its subsidiaries. At Coach's request and lenders' consent, revolving commitments of the JP Morgan facility may be increased to $1 billion. At June 29, 2013 and during fiscal 2013, there were no outstanding borrowings under the JP Morgan facility.

Borrowings under the JP Morgan Facility bear interest at a rate per annum equal to, at Coach's option, either (a) a rate based on the rates applicable for deposits in the interbank market for U.S. dollars or the applicable currency in which the loans are made plus an applicable margin or (b) an alternate base rate (which is a rate equal to the greatest of (1) the Prime Rate in effect on such day, (2) the Federal Funds Effective Rate in effect on such day plus ½ of 1% or (3) the Adjusted LIBO Rate for a one month Interest Period on such day plus 1%). Additionally, Coach pays a commitment fee on the average daily unused amount of the JP Morgan Facility, and certain fees with respect to letters of credit that are issued. At June 29, 2013, the commitment fee was 7.5 basis points.

The JP Morgan facility contains various covenants and customary events of default. Coach is in compliance with all covenants of the JP Morgan facility.

Coach Japan maintains credit facilities with several Japanese financial institutions to provide funding for working capital and general corporate purposes, with maximum borrowing capacity of 5.3 billion yen, or approximately $53 million at June 29, 2013. Interest is based on the Tokyo Interbank rate plus a margin of 25 to 30 basis points. At June 29, 2013 and during fiscal 2013, there were no outstanding borrowings under these facilities.

Coach Shanghai Limited maintains a credit facility to provide funding for working capital and general corporate purposes, with a maximum borrowing capacity of 63.0 million Chinese renminbi, or approximately $10 million at June 29, 2013. Interest is based on the People's Bank of China rate. At June 29, 2013 and during fiscal 2013, there were no outstanding borrowings under this facility.

Both the Coach Japan and Coach Shanghai Limited credit facilities can be terminated at any time by either party, and there is no guarantee that they will be available to the Company in future periods.

Common Stock Repurchase Program

In January 2011, the Board approved a common stock repurchase program to acquire up to $1.5 billion of Coach's outstanding common stock through June 2013. In October 2012, the Company's Board of Directors approved a new common stock repurchase program to acquire up to $1.5 billion of Coach's outstanding common stock through June 2015.

Purchases of Coach common stock are made subject to market conditions and at prevailing market prices, through open market purchases. Repurchased shares become authorized but unissued shares and may be issued in the future for general corporate and other uses. The Company may terminate or limit the stock repurchase program at any time.

During fiscal 2013 and fiscal 2012, the Company repurchased and retired 7.1 million and 10.7 million shares, respectively, or $400.0 million and $700.0 million of common stock, respectively, at an average cost of $56.61 and $65.49, respectively. As of June 29, 2013, Coach had $1,361.6 million remaining in the stock repurchase program.

Liquidity and Capital Resources

Our sources of liquidity are the cash flows generated from our operations, our available cash and cash equivalents and short-term investments, our non-current investments, the $700 million available under our JP Morgan facility, the availability under our Japan and Shanghai credit facilities, and our other available financing options. More than two-thirds of our cash and short-term investments are held outside the U.S. in jurisdictions where we intend to permanently reinvest our undistributed earnings to support our continued growth. We are not dependent on foreign cash to fund our domestic operations. We believe that our existing sources of liquidity, as well as our ability to access capital markets, will be sufficient to support our operating, capital, and debt service requirements for the foreseeable future, including the ongoing development of our recently acquired businesses and our plans for further business expansion.

We had no revolving credit borrowings outstanding under our credit facilities as of June 29, 2013. We may elect to draw on our credit facilities or other potential sources of financing for, among other things, a material acquisition, settlement of a material contingency (including uncertain tax positions), or a material adverse business or macroeconomic development, as well as for other general corporate business purposes.

We believe that our JP Morgan facility is adequately diversified with no undue concentrations in any one financial institution. As of June 29, 2013, there were nine financial institutions participating in the facility, with no one participant maintaining a maximum commitment percentage in excess of 16%. We have no reason at this time to believe that the participating institutions will be unable to fulfill their obligations to provide financing in accordance with the terms of the facility in the event we elect to draw funds in the foreseeable future.

For the fiscal year ending June 28, 2014, the Company expects total capital expenditures to be approximately $280 million. Capital expenditures will be primarily for new stores in North America and Asia to support our global expansion. We will also continue to invest in department store and distributor locations and corporate infrastructure, primarily technology. These investments will be financed primarily from on hand cash and operating cash flows.

Coach experiences significant seasonal variations in its working capital requirements. During the first fiscal quarter Coach builds inventory for the holiday selling season, opens new retail stores and generates higher levels of trade receivables. In the second fiscal quarter its working capital requirements are reduced substantially as Coach generates consumer sales and collects wholesale accounts receivable. In fiscal 2013, Coach purchased approximately $1.4 billion of inventory, which was funded by on hand cash and operating cash flows.

In April 2013, the Company entered into a joint venture agreement with the Related Companies, L.P. to develop a new office tower in Manhattan in the Hudson Yards district. The formation of the joint venture serves as a financing vehicle for the project, with the Company owning less than 43%. Upon completion of the office tower in 2015, the Company will retain a condominium interest serving as its new corporate headquarters. During fiscal 2013, the Company invested $93.9 million in the joint venture. The Company expects to invest approximately $440 million over the next three years. Depending on construction progress, the Company's latest estimate contemplates an investment range of $130 million to $160 million in fiscal 2014. Outside of the joint venture, Coach is directly investing in aspects of the new corporate headquarters. In fiscal 2013, $24.8 million was included in capital expenditures and we expect an additional $190 million over the period of construction. The joint venture investments and capital expenditures (the purchase of the new headquarters) will be financed by the Company with cash on hand, borrowings under its credit facility and approximately $130 million of proceeds from the sale of its current headquarters buildings.

Management believes that cash flow from operations, on hand cash, cash equivalents and its credit lines will provide adequate funds for the foreseeable working capital needs, planned capital expenditures, dividend payments and the common stock repurchase program. Any future acquisitions or joint ventures, and other similar transactions may require additional capital. There can be no assurance that any such capital will be available to Coach on acceptable terms or at all. Coach's ability to fund its working capital needs, planned capital expenditures, dividend payments and scheduled debt payments, as well as to comply with all of the financial covenants under its debt agreements, depends on its future operating performance and cash flow, which in turn are subject to prevailing economic conditions and to financial, business and other factors, some of which are beyond Coach's control.

Commitments

Besides the credit facilities noted previously, at June 29, 2013 the Company had a separate $200 million letter of credit arrangement in place, and $14.9 million of letters of credit outstanding. These letters of credit, which expire at various dates through 2014, primarily collateralize the Company's obligation to third parties for the purchase of inventory.

As previously noted, the Company expects to invest approximately $440 million in the joint venture over the next three years, with approximately $130 million to $160 million estimated in fiscal 2014, depending on

construction progress. See Note ''Subsequent Events'' for information related to the fiscal 2014 sale of the Reed Krakoff business and the acquisition of our European joint venture.

Contractual Obligations

As of June 29, 2013, Coach's contractual obligations are as follows:

(dollars in millions)	Total	Fiscal 2014	Fiscal 2015 – 2016	Fiscal 2017 – 2018	Fiscal 2019 and Beyond	Other[2]

(1) Payments are estimated and can vary based on construction progress.

(2) The amounts in ''Other'' represent future cash outlays for which we are unable to reasonably estimate the period of cash settlement.

The table above excludes the following: amounts included in current liabilities in the Consolidated Balance Sheet at June 29, 2013 as these items will be paid within one year; long-term liabilities not requiring cash payments and cash contributions for the Company's pension plans.

CRITICAL ACCOUNTING POLICIES AND ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from estimates in amounts that may be material to the financial statements. Predicting future events is inherently an imprecise activity and, as such, requires the use of judgment. Actual results could differ from estimates in amounts that may be material to the financial statements. The development and selection of the Company's critical accounting policies and estimates are periodically reviewed with the Audit Committee of the Board.

The accounting policies discussed below are considered critical because changes to certain judgments and assumptions inherent in these policies could affect the financial statements. For more information on Coach's accounting policies, please refer to the Notes to Consolidated Financial Statements.

Investments

Long-term investments primarily consist of high-credit quality U.S. and non-U.S. issued corporate debt securities, classified as available-for-sale, and recorded at fair value, with unrealized gains and losses recorded in other comprehensive income. Short-term investments consist primarily of time deposits with original maturities greater than three months and with maturities within one year of balance sheet date. Dividend and interest income are recognized when earned.

Investments in companies in which the Company has significant influence, but less than a controlling financial interest, are accounted for using the equity method. Significant influence is generally presumed to exist when the Company owns between 20% and 50% of the investee, however, other factors should be considered, such as board representation and the rights to participate in the day-to-day operations of the business.

Additionally, GAAP requires the consolidation of all entities for which a Company has a controlling voting interest and all variable interest entities (''VIEs'') for which a Company is deemed to be the primary beneficiary. An entity is generally a VIE if it meets any of the following criteria: (i) the entity has insufficient equity to finance its activities without additional subordinated financial support from other parties, (ii) the equity investors cannot make significant decisions about the entity's operations or (iii) the voting rights of some investors are not proportional to their obligations to absorb the expected losses of the entity or receive the expected returns of the entity and substantially all of the entity's activities involve or are conducted on behalf of the investor with disproportionately few voting rights.

From time to time, Coach may make an investment that requires judgment in determining whether the entity is a VIE. If it is determined that the entity is a VIE, the Company must assess whether it is the primary beneficiary.

Inventories

The Company's inventories are reported at the lower of cost or market. Inventory costs include material, conversion costs, freight and duties and are determined by the first-in, first-out method. The Company reserves for slow-moving and aged inventory based on historical experience, current product demand and expected future demand. A decrease in product demand due to changing customer tastes, buying patterns or increased competition could impact Coach's evaluation of its slow-moving and aged inventory and additional reserves might be required. At June 29, 2013, a 10% change in the reserve for slow-moving and aged inventory would have resulted in an insignificant change in inventory and cost of sales.

Revenue Recognition

Revenue is recognized by the Company when there is persuasive evidence of an arrangement, delivery has occurred (and risks and rewards of ownership have been transferred to the buyer), price has been fixed or is determinable, and collectability is reasonably assured.

Retail store and concession-based shop-within-shop revenues are recognized at the point of sale, which occurs when merchandise is sold in an over-the-counter consumer transaction. These revenues are recognized

net of estimated returns at the time of sale to consumers. Internet revenue from sales of products ordered through the Company's e-commerce sites is recognized upon delivery and receipt of the shipment by its customers and includes shipping and handling charges paid by customers. Internet revenue is also reduced by an estimate for returns.

Wholesale revenue is recognized at the time title passes and risk of loss is transferred to customers. Wholesale revenue is recorded net of estimates of returns, discounts, and markdown allowances. Returns and allowances require pre-approval from management and discounts are based on trade terms. Estimates for markdown reserves are based on historical trends, actual and forecasted seasonal results, an evaluation of current economic and market conditions, retailer performance, and, in certain cases, contractual terms. The Company reviews and refines these estimates on at least a quarterly basis. The Company's historical estimates of these costs have not differed materially from actual results.

At June 29, 2013, a 10% change in the allowances for estimated uncollectible accounts, discounts and returns would have resulted in an insignificant change in accounts receivable and net sales.

Gift cards issued by the Company are recorded as a liability until they are redeemed, at which point revenue is recognized. The Company recognizes income for unredeemed gift cards when the likelihood of a gift card being redeemed by a customer is remote, which is approximately two years after the gift card is issued, and the Company determines that it does not have a legal obligation to remit the value of the unredeemed gift card to the relevant jurisdiction as unclaimed or abandoned property. Revenue associated with gift card breakage is not material to the Company's net operating results.

The Company accounts for sales taxes and other related taxes on a net basis, excluding such taxes from revenue.

Goodwill and Other Intangible Assets

Goodwill and certain other intangible assets deemed to have indefinite useful lives are not amortized, but are assessed for impairment at least annually. The Company has no finite-lived intangible assets.

The Company uses a quantitative goodwill impairment test, which is a two-step process. The first step is to identify the existence of potential impairment by comparing the fair value of each reporting unit with its net book value, including goodwill. If the fair value of a reporting unit exceeds its carrying value, the reporting unit's goodwill is considered not to be impaired and performance of the second step of the quantitative goodwill impairment test is unnecessary.

If the carrying value of a reporting unit exceeds its fair value, the second step of the goodwill impairment test is performed to measure the amount of impairment loss, if any. The second step of the goodwill impairment test compares the implied fair value of the reporting unit's goodwill with the carrying value of that goodwill. If the carrying value of the reporting unit's goodwill exceeds the implied fair value of that goodwill, an impairment loss is recognized in an amount equal to that excess. The implied fair value of goodwill is allocated in the same manner as the amount of goodwill recognized in a business combination. In other words, the fair value of the reporting unit is allocated to all of the assets and liabilities of that unit as if the reporting unit had been acquired in a business combination and the fair value was the purchase price paid to acquire the reporting unit.

Determination of the fair value of a reporting unit and the fair value of individual assets and liabilities of a reporting unit is judgmental in nature and often involves the use of significant estimates and assumptions. These estimates and assumptions could have a significant impact on whether or not an impairment charge is recognized and the amount of any such charge. Estimates of fair value are primarily determined using discounted cash flows, market comparisons, and recent transactions. These approaches use significant estimates and assumptions, including projected future cash flows, discount rates, growth rates, and determination of appropriate market comparables.

The Company performed its annual impairment assessment of goodwill during the third quarter of each fiscal year. The Company determined that there was no impairment in fiscal 2013, fiscal 2012 or fiscal 2011.

Valuation of Long-Lived Assets

Long-lived assets, such as property and equipment, are evaluated for impairment whenever events or circumstances indicate that the carrying value of the assets may not be recoverable. The evaluation is based on a review of forecasted operating cash flows and the profitability of the related asset group. An impairment loss is recognized if the forecasted cash flows are less than the carrying amount of the asset. Similar to prior fiscal years, when assessing store assets for impairment in fiscal 2013, the Company analyzed the cash flows at an individual store-by-store level, which is the lowest level for identifiable cash flows. The Company recorded impairment losses of $16.6 million in fiscal 2013. The Company did not record any impairment losses in fiscal 2012 or fiscal 2011.

In determining future cash flows, we take various factors into account, including changes in merchandising strategy, the emphasis on retail store cost controls, the effects of macroeconomic trends such as consumer spending, the impacts of the experienced level of retail store managers and the level of advertising. Since the determination of future cash flows is an estimate of future performance, there may be future impairments in the event that future cash flows do not meet expectations.

Share-Based Compensation

The Company recognizes the cost of equity awards to employees and the non-employee Directors, based on the grant-date fair value of those awards. The grant-date fair value of stock option awards is determined using the Black-Scholes option pricing model and involves several assumptions, including the expected term of the option, expected volatility and dividend yield. The expected term of options represents the period of time that the options granted are expected to be outstanding and is based on historical experience. Expected volatility is based on historical volatility of the Company's stock as well as the implied volatility from publicly traded options on Coach's stock. Dividend yield is based on the current expected annual dividend per share and the Company's stock price. Changes in the assumptions used to determine the Black-Scholes value could result in significant changes in the Black-Scholes value. However, a 10% change in the Black-Scholes value would have resulted in an insignificant change in fiscal 2013 share-based compensation expense.

For stock options and share unit awards, the Company recognizes share-based compensation net of estimated forfeitures and revises the estimates in subsequent periods if actual forfeitures differ from the estimates. We estimate the forfeiture rate based on historical experience as well as expected future behavior.

The Company grants performance-based share awards to certain key executives, the vesting of which is subject to the executive's continuing employment and the Company's achievement of certain performance goals. On a quarterly basis, the Company assesses actual performance versus the predetermined performance goals, and adjusts the share-based compensation expense to reflect the relative performance achievement. Actual distributed shares are calculated upon conclusion of the service and performance periods, and include dividend equivalent shares. If the performance-based award incorporates a market condition, the grant-date fair value of such award is determined using a pricing model, such as a Monte Carlo Simulation.

Income Taxes

The Company's effective tax rate is based on pre-tax income, statutory tax rates, tax laws and regulations, and tax planning strategies available in the various jurisdictions in which Coach operates. The Company classifies interest and penalties on uncertain tax positions in the provision for income taxes. We record net deferred tax assets to the extent we believe that it is more likely than not that these assets will be realized. In making such determination, we consider all available evidence, including scheduled reversals of deferred tax liabilities, projected future taxable income, tax planning strategies and recent results of operation. We reduce our deferred tax assets by a valuation allowance if, based upon the weight of available evidence, it is more likely than not that some amount of deferred tax assets is not expected to be realized. In fiscal 2013, the Company changed its policy for disclosure of valuation allowances related to deferred tax assets whose realization is deemed remote from a net to a gross basis.

In accordance with ASC 740-10, the Company recognizes the impact of tax positions in the financial statements if those positions will more likely than not be sustained on audit, based on the technical merits of the position. Although we believe that the estimates and assumptions we use are reasonable and legally supportable, the final determination of tax audits could be different than that which is reflected in historical

tax provisions and recorded assets and liabilities. Tax authorities periodically audit the Company's income tax returns, and in specific cases, the tax authorities may take a contrary position that could result in a significant impact on our results of operations. Significant management judgment is required in determining the effective tax rate, in evaluating our tax positions and in determining the net realizable value of deferred tax assets.

Recent Accounting Pronouncements

Accounting Standards Codification Topic 220, ''*Comprehensive Income*,'' was amended in June 2011 to require entities to present the total of comprehensive income, the components of net income, and the components of other comprehensive income either in a single continuous statement of comprehensive income or in two separate but consecutive statements. The amendment does not change the items that must be reported in other comprehensive income or when an item of other comprehensive income must be reclassified to net income under current GAAP. This guidance was effective for the Company's fiscal year and interim periods beginning July 1, 2012. The adoption of this amendment did not have a material effect on the Company's consolidated financial statements.

In September 2011, Accounting Standards Codification 350-20, ''*Intangibles — Goodwill and Other — Goodwill*,'' was amended to allow entities to assess qualitative factors to determine if it is more-likely-than-not that goodwill might be impaired, and whether it is necessary to perform the two-step goodwill impairment test required under current accounting standards. This guidance was effective for the Company's fiscal year beginning July 1, 2012. The adoption of this amendment did not have a material effect on the Company's consolidated financial statements.

ITEM 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Market Risk

The market risk inherent in our financial instruments represents the potential loss in fair value, earnings or cash flows, arising from adverse changes in foreign currency exchange rates or interest rates. Coach manages these exposures through operating and financing activities and, when appropriate, through the use of derivative financial instruments. The use of derivative financial instruments is in accordance with Coach's risk management policies. Coach does not enter into derivative transactions for speculative or trading purposes.

The quantitative disclosures in the following discussion are based on quoted market prices obtained through independent pricing sources for the same or similar types of financial instruments, taking into consideration the underlying terms and maturities and theoretical pricing models.

Foreign Currency Exchange Rate Risk

Foreign currency exposures arise from transactions, including firm commitments and anticipated contracts, denominated in a currency other than the entity's functional currency, and from foreign-denominated revenues and expenses translated into U.S. dollars. Substantially all of Coach's purchases and sales involving international parties, excluding international consumer sales, are denominated in U.S. dollars and, therefore, are not subject to foreign currency exchange risk. The Company is exposed to risk from foreign currency exchange rate fluctuations resulting from its foreign operating subsidiaries' U.S. dollar denominated inventory purchases. To mitigate such risk, Coach Japan and Coach Canada enter into foreign currency derivative contracts, primarily zero-cost collar options. As of June 29, 2013 and June 30, 2012, foreign currency contracts designated as hedges with a notional amount of $193.4 million and $310.9 million, respectively, were outstanding.

Coach is also exposed to market risk from foreign currency exchange rate fluctuations with respect to various cross-currency intercompany and related party loans. These loans are denominated in various foreign currencies, with a total principal amount of $253.0 million and $286.4 million as of June 29, 2013 and June 30, 2012, respectively. To manage the exchange rate risk related to these loans, the Company entered into forward exchange and cross-currency swap contracts, the terms of which include the exchange of foreign currency fixed interest for U.S. dollar fixed interest and an exchange of the foreign currency and U.S. dollar based notional values at the maturity dates of the contracts, the latest of which is May 2014. As of June 29, 2013 and June 30, 2012, the total notional values of outstanding forward exchange and cross-currency swap contracts related to these loans were $147.6 million and $206.6 million, respectively.

The fair value of open foreign currency derivatives included in current assets at June 29, 2013 and June 30, 2012 was $4.5 million and $1.5 million, respectively. The fair value of open foreign currency derivatives included in current liabilities at June 29, 2013 and June 30, 2012 was $2.9 million and $4.1 million, respectively. The fair value of these contracts is sensitive to changes in foreign currency exchange rates.

Interest Rate

Coach is exposed to interest rate risk in relation to its investments and revolving credit facilities.

The Company's investment portfolio is maintained in accordance with the Company's investment policy, which defines our investment principles including credit quality standards and limits the credit exposure of any single issuer. The primary objective of our investment activities is the preservation of principal while maximizing interest income and minimizing risk. We do not hold any investments for trading purposes.

Beginning with the second quarter of fiscal 2013, the Company's investment portfolio also consisted of high-credit quality U.S. and non-U.S. issued corporate debt securities, classified as available-for-sale, with a fair value of $99.5 million at June 29, 2013. These securities have maturity dates between calendar years 2014 and 2016. At June 29, 2013, $2.1 million of these securities were included in short-term investments within current assets, and $97.4 million were included as non-current investments within other assets in the consolidated balance sheet. Unrealized gains and losses are recorded within other comprehensive income.

At June 29, 2013, the Company's short-term investments, classified within current assets on the consolidated balance sheet also consisted of $70.0 million of time deposits with original maturities greater than three months. The Company held no short-term investments at June 30, 2012.

The Company's non-current investments, classified as available-for-sale included a $6.0 million auction rate security at both June 29, 2013 and June 30, 2012, as the auction rate securities' adjusted book value equaled its fair value. There were no unrealized gains or losses associated with this investment.

The Company's cash and cash equivalents of $1,062.8 million and $917.2 million at June 29, 2013 and June 30, 2012, respectively, primarily consisted of a cash equivalent portfolio and corporate debt securities and U.S. government and agency securities. As the Company does not have the intent to sell and will not be required to sell these securities until maturity, cash equivalents are classified as held-to-maturity and stated at amortized cost.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of
Coach, Inc.
New York, New York

We have audited the accompanying consolidated balance sheets of Coach, Inc. and subsidiaries (the ''Company'') as of June 29, 2013 and June 30, 2012, and the related consolidated statements of income, comprehensive income, stockholders' equity, and cash flows for each of the three years in the period ended June 29, 2013. Our audits also included the financial statement schedule listed in the Index to the financial statements. These financial statements and financial statement schedule are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements and financial statement schedule based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such consolidated financial statements present fairly, in all material respects, the financial position of the Company and subsidiaries at June 29, 2013 and June 30, 2012, and the results of their operations and their cash flows for each of the three years in the period ended June 29, 2013, in conformity with accounting principles generally accepted in the United States of America. Also, in our opinion, such financial statement schedule, when considered in relation to the basic consolidated financial statements taken as a whole, presents fairly, in all material respects, the information set forth therein.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the Company's internal control over financial reporting as of June 29, 2013, based on the criteria established in *Internal Control — Integrated Framework (1992)* issued by the Committee of Sponsoring Organizations of the Treadway Commission and our report dated August 22, 2013 expressed an unqualified opinion on the Company's internal control over financial reporting.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of
Coach, Inc.
New York, New York

We have audited the internal control over financial reporting of Coach, Inc. and subsidiaries (the ''Company'') as of June 29, 2013, based on criteria established in *Internal Control — Integrated Framework (1992)* issued by the Committee of Sponsoring Organizations of the Treadway Commission. The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Report on Internal Control over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

A company's internal control over financial reporting is a process designed by, or under the supervision of, the company's principal executive and principal financial officers, or persons performing similar functions, and effected by the company's board of directors, management, and other personnel to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of the inherent limitations of internal control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may not be prevented or detected on a timely basis. Also, projections of any evaluation of the effectiveness of the internal control over financial reporting to future periods are subject to the risk that the controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of June 29, 2013, based on the criteria established in *Internal Control — Integrated Framework (1992)* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated financial statements and financial statement schedule as of and for the year ended June 29, 2013 of the Company and our report dated August 22, 2013 expressed an unqualified opinion on those financial statements and financial statement schedule.

2. SIGNIFICANT ACCOUNTING POLICIES

Fiscal Year

The Company's fiscal year ends on the Saturday closest to June 30. Unless otherwise stated, references to years in the financial statements relate to fiscal years. The fiscal years ended June 29, 2013 (''fiscal 2013''), June 30, 2012 (''fiscal 2012'') and July 2, 2011 (''fiscal 2011'') were each 52-week periods. The fiscal year ending June 28, 2014 (''fiscal 2014'') will be also be a 52-week period.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from estimates in amounts that may be material to the financial statements.

Significant estimates inherent in the preparation of the consolidated financial statements include customer returns, discounts, end-of-season markdowns, and operational chargebacks; the realizability of inventory; reserves for contingencies; useful lives and impairments of long-lived tangible and intangible assets; accounting for income taxes and related uncertain tax positions; the valuation of stock-based compensation and related expected forfeiture rates; reserves for restructuring; and accounting for business combinations, among others.

Principles of Consolidation

The consolidated financial statements include the accounts of the Company and all 100% owned subsidiaries. All intercompany transactions and balances are eliminated in consolidation.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash balances and highly liquid investments with a maturity of three months or less at the date of purchase.

Investments

Long-term investments primarily consist of high-credit quality U.S. and non-U.S. issued corporate debt securities, classified as available-for-sale, and recorded at fair value, with unrealized gains and losses recorded in other comprehensive income. Short-term investments consist primarily of time deposits with original maturities greater than three months and with maturities within one year of balance sheet date. Dividend and interest income are recognized when earned.

Investments in companies in which the Company has significant influence, but less than a controlling financial interest, are accounted for using the equity method. Significant influence is generally presumed to

exist when the Company owns between 20% and 50% of the investee, however, other factors are considered, such as board representation and the rights to participate in the day-to-day operations of the business.

Additionally, GAAP requires the consolidation of all entities for which a Company has a controlling voting interest and all variable interest entities (''VIEs'') for which a Company is deemed to be the primary beneficiary. An entity is generally a VIE if it meets any of the following criteria: (i) the entity has insufficient equity to finance its activities without additional subordinated financial support from other parties, (ii) the equity investors cannot make significant decisions about the entity's operations or (iii) the voting rights of some investors are not proportional to their obligations to absorb the expected losses of the entity or receive the expected returns of the entity and substantially all of the entity's activities involve or are conducted on behalf of the investor with disproportionately few voting rights.

From time to time, Coach may make an investment that requires judgment in determining whether the entity is a VIE. If it is determined that the entity is a VIE, the Company must assess whether it is the primary beneficiary.

Concentration of Credit Risk

Financial instruments that potentially expose Coach to concentration of credit risk consist primarily of cash and cash equivalents, investments and accounts receivable. The Company places its cash investments with high-credit quality financial institutions and currently invests primarily in U.S. government and agency debt securities, municipal government and corporate debt securities, bank deposits, and money market instruments placed with major banks and financial institutions. Accounts receivable is generally diversified due to the number of entities comprising Coach's customer base and their dispersion across many geographical regions. The Company believes no significant concentration of credit risk exists with respect to these investments and accounts receivable.

Inventories

The Company's inventories are reported at the lower of cost or market. Inventory costs include material, conversion costs, freight and duties and are determined by the first-in, first-out method. The Company reserves for slow-moving and aged inventory based on historical experience, current product demand and expected future demand. A decrease in product demand due to changing customer tastes, buying patterns or increased competition could impact Coach's evaluation of its slow-moving and aged inventory and additional reserves might be required. At June 29, 2013, a 10% change in the reserve for slow-moving and aged inventory would have resulted in an insignificant change in inventory and cost of sales.

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets. Buildings are depreciated over 40 years. Machinery and equipment are depreciated over lives of five to seven years, furniture and fixtures are depreciated over lives of three to five years, and computer software is depreciated over lives of three to seven years. Leasehold improvements are amortized over the shorter of their estimated useful lives or the related lease terms. Maintenance and repair costs are charged to earnings as incurred while expenditures for major renewals and improvements are capitalized.

Operating Leases

The Company's leases for office space, retail stores and distribution facilities are accounted for as operating leases. Certain of the Company's leases contain renewal options, rent escalation clauses, and/or landlord incentives. Renewal terms generally reflect market rates at the time of renewal. Rent expense for noncancelable operating leases with scheduled rent increases and/or landlord incentives is recognized on a

2. SIGNIFICANT ACCOUNTING POLICIES – (continued)

straight-line basis over the lease term, including any applicable rent holidays, beginning with the lease commencement date, or the date the Company takes control of the leased space, whichever is sooner. The excess of straight-line rent expense over scheduled payment amounts and landlord incentives is recorded as a deferred rent liability. As of the end of fiscal 2013 and fiscal 2012, deferred rent obligations of $117,502 and $116,302, respectively, were classified primarily within other non-current liabilities in the Company's consolidated balance sheets. Certain rentals are also contingent upon factors such as sales. Contingent rentals are recognized when the achievement of the target (i.e., sale levels), which triggers the related rent payment, is considered probable.

Asset retirement obligations represent legal obligations associated with the retirement of a tangible long-lived asset. The Company's asset retirement obligations are primarily associated with leasehold improvements that we are contractually obligated to remove at the end of a lease to comply with the lease agreement. When such an obligation exists, the Company recognizes an asset retirement obligation at the inception of a lease at its estimated fair value. The asset retirement obligation is recorded in current liabilities or non-current liabilities (based on the expected timing of payment of the related costs) and is subsequently adjusted for any changes in estimates. The associated estimated asset retirement costs are capitalized as part of the carrying amount of the long-lived asset and depreciated over its useful life.

Goodwill and Other Intangible Assets

Goodwill and certain other intangible assets deemed to have indefinite useful lives are not amortized, but are assessed for impairment at least annually. The Company has no finite-lived intangible assets.

The Company uses a quantitative goodwill impairment test, which is a two-step process. The first step is to identify the existence of potential impairment by comparing the fair value of each reporting unit with its carrying value, including goodwill. If the fair value of a reporting unit exceeds its carrying value, the reporting unit's goodwill is considered not to be impaired and performance of the second step of the quantitative goodwill impairment test is unnecessary.

If the carrying value of a reporting unit exceeds its fair value, the second step of the goodwill impairment test is performed to measure the amount of impairment loss, if any. The second step of the goodwill impairment test compares the implied fair value of the reporting unit's goodwill with the carrying value of that goodwill. If the carrying value of the reporting unit's goodwill exceeds the implied fair value of that goodwill, an impairment loss is recognized in an amount equal to that excess. The implied fair value of goodwill is determined in the same manner as the amount of goodwill recognized in a business combination. In other words, the fair value of the reporting unit is allocated to all of the assets and liabilities of that unit as if the reporting unit had been acquired in a business combination and the fair value was the purchase price paid to acquire the reporting unit.

Determination of the fair value of a reporting unit and the fair value of individual assets and liabilities of a reporting unit is judgmental in nature and often involves the use of significant estimates and assumptions. These estimates and assumptions could have a significant impact on whether or not an impairment charge is recognized and the amount of any such charge. Estimates of fair value are primarily determined using discounted cash flows, market comparisons, and recent transactions. These approaches use significant estimates and assumptions, including projected future cash flows, discount rates, growth rates, and determination of appropriate market comparables.

The Company performed its annual impairment assessment of goodwill during the third quarter of each fiscal year. The Company determined that there was no impairment in fiscal 2013, fiscal 2012 or fiscal 2011.

Valuation of Long-Lived Assets

Long-lived assets, such as property and equipment, are evaluated for impairment whenever events or circumstances indicate that the carrying value of the assets may not be recoverable. The evaluation is based on

2. SIGNIFICANT ACCOUNTING POLICIES – (continued)

a review of forecasted operating cash flows and the profitability of the related asset group. An impairment loss is recognized if the forecasted cash flows are less than the carrying amount of the asset. Similar to prior fiscal years, when assessing store assets for impairment in fiscal 2013, the Company analyzed the cash flows at an individual store-by-store level, which is the lowest level for identifiable cash flows. The Company recorded impairment losses of $16,624 in fiscal 2013, primarily in the North America segment. The Company did not record any impairment losses in fiscal 2012 or fiscal 2011.

In determining future cash flows, we take various factors into account, including changes in merchandising strategy, the emphasis on retail store cost controls, the effects of macroeconomic trends such as consumer spending, the impacts of the experienced level of retail store managers and the level of advertising. Since the determination of future cash flows is an estimate of future performance, there may be future impairments in the event that future cash flows do not meet expectations.

Stock Repurchase and Retirement

Coach accounts for stock repurchases and retirements by allocating the repurchase price to common stock, additional paid-in-capital and retained earnings. The repurchase price allocation is based upon the equity contribution associated with historical issuances, beginning with the earliest issuance. Under Maryland law, Coach's state of incorporation, treasury shares are not allowed. As a result, all repurchased shares are retired when acquired. During the second quarter of fiscal 2008, the Company's total cumulative stock repurchases exceeded the total shares issued in connection with the Company's October 2000 initial public offering, and stock repurchases in excess of this amount are assumed to be made from the Company's April 2001 Sara Lee exchange offer. Shares issued in connection with this exchange offer were accounted for as a contribution to common stock and retained earnings. Therefore, stock repurchases and retirements associated with the exchange offer are accounted for by allocation of the repurchase price to common stock and retained earnings. During the fourth quarter of fiscal 2010, cumulative stock repurchases allocated to retained earnings have resulted in an accumulated deficit balance. Since its initial public offering, the Company has not experienced a net loss in any fiscal year, and the net accumulated deficit balance in stockholders' equity is attributable to the cumulative stock repurchase activity. The total cumulative amount of common stock repurchase price allocated to retained earnings as of June 29, 2013 and June 30, 2012 was approximately $6,200,000 and $5,800,000, respectively.

Revenue Recognition

Revenue is recognized by the Company when there is persuasive evidence of an arrangement, delivery has occurred (and risks and rewards of ownership have been transferred to the buyer), price has been fixed or is determinable, and collectability is reasonably assured.

Retail store and concession-based shop-within-shop revenues are recognized at the point of sale, which occurs when merchandise is sold in an over-the-counter consumer transaction. These revenues are recognized net of estimated returns at the time of sale to consumers. Internet revenue from sales of products ordered through the Company's e-commerce sites is recognized upon delivery and receipt of the shipment by its customers and includes shipping and handling charges paid by customers. Internet revenue is also reduced by an estimate for returns.

Wholesale revenue is recognized at the time title passes and risk of loss is transferred to customers. Wholesale revenue is recorded net of estimates of returns, discounts, and markdown allowances. Returns and allowances require pre-approval from management and discounts are based on trade terms. Estimates for markdown reserves are based on historical trends, actual and forecasted seasonal results, an evaluation of current economic and market conditions, retailer performance, and, in certain cases, contractual terms. The Company reviews and refines these estimates on at least a quarterly basis. The Company's historical estimates of these costs have not differed materially from actual results.

2. SIGNIFICANT ACCOUNTING POLICIES – (continued)

Gift cards issued by the Company are recorded as a liability until they are redeemed, at which point revenue is recognized. The Company recognizes income for unredeemed gift cards when the likelihood of a gift card being redeemed by a customer is remote, which is approximately two years after the gift card is issued, and the Company determines that it does not have a legal obligation to remit the value of the unredeemed gift card to the relevant jurisdiction as unclaimed or abandoned property. Revenue associated with gift card breakage is not material to the Company's net operating results.

The Company accounts for sales taxes and other related taxes on a net basis, excluding such taxes from revenue.

Cost of Sales

Cost of sales consists of inventory costs and other related costs such as shrinkage, damages and replacements.

Selling, General and Administrative Expenses

Selling, general and administrative (''SG&A'') expenses are comprised of four categories: (1) selling; (2) advertising, marketing and design; (3) distribution and consumer service; and (4) administrative. Selling expenses include store employee compensation, occupancy costs and supply costs, wholesale and retail account administration compensation globally and Coach international operating expenses. These expenses are affected by the number of Coach-operated stores open during any fiscal period. Advertising, marketing and design expenses include employee compensation, media space and production, advertising agency fees (primarily to support North America), new product design costs, public relations and market research expenses. Distribution and consumer service expenses include warehousing, order fulfillment, shipping and handling, customer service and bag repair costs. Administrative expenses include compensation costs for ''corporate'' functions including: executive, finance, human resources, legal and information systems departments, as well as corporate headquarters occupancy costs, consulting and software expenses.

Preopening Costs

Costs associated with the opening of new stores are expensed in the period incurred.

Advertising

Advertising costs include expenses related to direct marketing activities, such as direct mail pieces, media and production costs. In fiscal 2013, fiscal 2012 and fiscal 2011, advertising expenses totaled $102,701, $89,159 and $74,988, respectively, and are included in selling, general and administrative expenses. Advertising costs are expensed when the advertising first appears.

Share-Based Compensation

The Company recognizes the cost of equity awards to employees and the non-employee Directors based on the grant-date fair value of those awards. The grant-date fair value of stock option awards is determined using the Black-Scholes option pricing model and involves several assumptions, including the expected term of the option, expected volatility and dividend yield. The expected term of options represents the period of time that the options granted are expected to be outstanding and is based on historical experience. Expected volatility is based on historical volatility of the Company's stock as well as the implied volatility from publicly traded options on Coach's stock. Dividend yield is based on the current expected annual dividend per share and the Company's stock price. Changes in the assumptions used to determine the Black-Scholes value could result in significant changes in the Black-Scholes value. However, a 10% change in the Black-Scholes value would have resulted in an insignificant change in fiscal 2013 share-based compensation expense.

For stock options and share unit awards, the Company recognizes share-based compensation net of estimated forfeitures and revises the estimates in subsequent periods if actual forfeitures differ from the estimates. We estimate the forfeiture rate based on historical experience as well as expected future behavior.

2. SIGNIFICANT ACCOUNTING POLICIES – (continued)

The Company grants performance-based share awards to certain key executives, the vesting of which is subject to the executive's continuing employment and the Company's achievement of certain performance goals. On a quarterly basis, the Company assesses actual performance versus the predetermined performance goals, and adjusts the share-based compensation expense to reflect the relative performance achievement. Actual distributed shares are calculated upon conclusion of the service and performance periods, and include dividend equivalent shares. If the performance-based award incorporates a market condition, the grant-date fair value of such award is determined using a pricing model, such as a Monte Carlo Simulation.

Shipping and Handling

Shipping and handling costs incurred were $66,828, $52,240 and $31,522 in fiscal 2013, fiscal 2012 and fiscal 2011, respectively, and are included in selling, general and administrative expenses.

Income Taxes

The Company's effective tax rate is based on pre-tax income, statutory tax rates, tax laws and regulations, and tax planning strategies available in the various jurisdictions in which Coach operates. The Company classifies interest and penalties on uncertain tax positions in the provision for income taxes. We record net deferred tax assets to the extent we believe that it is more likely than not that these assets will be realized. In making such determination, we consider all available evidence, including scheduled reversals of deferred tax liabilities, projected future taxable income, tax planning strategies and recent results of operation. We reduce our deferred tax assets by a valuation allowance if, based upon the weight of available evidence, it is more likely than not that some amount of deferred tax assets is not expected to be realized. In fiscal 2013, the Company changed its policy for disclosure of valuation allowances related to deferred tax assets whose realization is deemed remote from a net to a gross basis.

In accordance with ASC 740-10, the Company recognizes the impact of tax positions in the financial statements if those positions will more likely than not be sustained on audit, based on the technical merits of the position. Although we believe that the estimates and assumptions we use are reasonable and legally supportable, the final determination of tax audits could be different than that which is reflected in historical tax provisions and recorded assets and liabilities. Tax authorities periodically audit the Company's income tax returns, and in specific cases, the tax authorities may take a contrary position that could result in a significant impact on our results of operations. Significant management judgment is required in determining the effective tax rate, in evaluating our tax positions and in determining the net realizable value of deferred tax assets.

Fair Value of Financial Instruments

As of June 29, 2013 and June 30, 2012, the carrying values of cash and cash equivalents, short-term investments, trade accounts receivable, accounts payable and accrued liabilities approximated their fair values due to the short-term maturities of these accounts. The fair values of long-term investments, classified as available-for-sale, are determined using vendor or broker priced securities.

The Company records all derivative contracts that qualify for hedge accounting and have been designated as cash flow hedges at fair value on the consolidated balance sheet. The fair value of these contracts is recorded in other comprehensive income (loss) until the hedged item is recognized in earnings. The fair values of the foreign currency derivatives are based on the forward curves of the specific indices upon which settlement is based and includes an adjustment for the Company's credit risk. Considerable judgment is required of management in developing estimates of fair value. The use of different market assumptions or methodologies could affect the estimated fair value.

Foreign Currency

The functional currency of the Company's foreign operations is generally the applicable local currency. Assets and liabilities are translated into U.S. dollars using the current exchange rates in effect at the balance

2. SIGNIFICANT ACCOUNTING POLICIES – (continued)

sheet date, while revenues and expenses are translated at the weighted-average exchange rates for the period. The resulting translation adjustments are included in the consolidated statements of comprehensive income as a component of other comprehensive income (loss) (''OCI'') and in the consolidated statements of equity within accumulated other comprehensive income (loss) (''AOCI''). Gains and losses on the translation of intercompany loans made to foreign subsidiaries that are of a long-term investment nature also are included within this component of equity.

The Company also recognizes gains and losses on transactions that are denominated in a currency other than the respective entity's functional currency in earnings.

Net Income Per Share

Basic net income per share is calculated by dividing net income by the weighted-average number of shares outstanding during the period. Diluted net income per share is calculated similarly but includes potential dilution from the exercise of stock options and vesting of stock awards.

Reclassifications

Certain prior year amounts, specifically related to long-term investments and our change in reportable segments, have been reclassified to conform to the current year presentation in the consolidated balance sheet.

Recent Accounting Pronouncements

Accounting Standards Codification Topic 220, ''*Comprehensive Income*,'' was amended in June 2011 to require entities to present the total of comprehensive income, the components of net income, and the components of other comprehensive income either in a single continuous statement of comprehensive income or in two separate but consecutive statements. The amendment does not change the items that must be reported in other comprehensive income or when an item of other comprehensive income must be reclassified to net income under current GAAP. This guidance was effective for the Company's fiscal year and interim periods beginning July 1, 2012. The adoption of this amendment did not have a material effect on the Company's consolidated financial statements.

In September 2011, Accounting Standards Codification 350-20, ''*Intangibles — Goodwill and Other — Goodwill*,'' was amended to allow entities to assess qualitative factors to determine if it is more-likely-than-not that goodwill might be impaired, and whether it is necessary to perform the two-step goodwill impairment test required under current accounting standards. This guidance was effective for the Company's fiscal year beginning July 1, 2012. The adoption of this amendment did not have a material effect on the Company's consolidated financial statements.

3. RESTRUCTURING AND TRANSFORMATIONAL RELATED CHARGES

In fiscal 2013, the Company incurred restructuring and transformation related charges of $53,202 ($32,568 after-tax, or $0.11 per diluted share). The charges recorded in selling, general and administrative expenses and cost of sales were $48,402 and $4,800, respectively. The charges primarily related to our North America segment.

A summary of charges and related liabilities are as follows:

	Severance and Related Costs	Impairment	Other	Total
Fiscal 2013 charges	$29,859	$ 16,624	$ 6,719	$ 53,202
Cash payments	—	—	—	—
Non-cash charges	(1,980)	$(16,624)	$(6,636)	$(25,240)
Liability as of June 29, 2013	**$27,879**	**$ —**	**$ 83**	**$ 27,962**

The severance and related costs are anticipated to be substantially paid in fiscal 2014.

4. SHARE-BASED COMPENSATION

The Company maintains several share-based compensation plans which are more fully described below. The following table shows the total compensation cost charged against income for these plans and the related tax benefits recognized in the income statement:

	June 29, 2013	June 30, 2012	July 2, 2011
Compensation expense	**$120,460**	$107,511	$95,830
Related income tax benefit	**39,436**	37,315	33,377

Coach Stock-Based Plans

Coach maintains the 2010 Stock Incentive Plan to award stock options and shares to certain members of Coach management and the outside members of its Board of Directors (''Board''). Coach maintains the 2000 Stock Incentive Plan and the 2004 Stock Incentive Plan for awards granted prior to the establishment of the 2010 Stock Incentive Plan. These plans were approved by Coach's stockholders. The exercise price of each stock option equals 100% of the market price of Coach's stock on the date of grant and generally has a maximum term of 10 years. Stock options and service based share awards that are granted as part of the annual compensation process generally vest ratably over three years. Other stock option and share awards, granted primarily for retention purposes, are subject to forfeiture until completion of the vesting period, which ranges from one to five years. The Company issues new shares upon the exercise of stock options or vesting of share units.

The fair value of each Coach option grant is estimated on the date of grant using the Black-Scholes option pricing model and the following weighted-average assumptions:

	June 29, 2013	June 30, 2012	July 2, 2011
Expected term (years)	**3.1**	3.1	3.3
Expected volatility	**39.5%**	39.4%	44.9%

The expected term of options represents the period of time that the options granted are expected to be outstanding and is based on historical experience. Expected volatility is based on historical volatility of the Company's stock as well as the implied volatility from publicly traded options on Coach's stock. The risk free interest rate is based on the zero-coupon U.S. Treasury issue as of the date of the grant.

4. SHARE-BASED COMPENSATION – (continued)

The weighted-average grant-date fair value of share awards granted during fiscal 2013, fiscal 2012 and fiscal 2011 was $50.55, $62.07 and $36.92, respectively. There were no vestings of performance-based shares during fiscal 2013, fiscal 2012 or fiscal 2011.

4. SHARE-BASED COMPENSATION – (continued)

During the third quarter of fiscal 2013, the Company granted an executive officer a one-time PRSU award with a maximum value of $25,000. The shares of common stock under this PRSU award will be earned and distributed based on performance criteria which compare the Company's total stockholder return over the performance period to the total stockholder return of the companies included in the Standard & Poor's 500 Index on the date of grant (excluding the Company). The grant date fair value of the PRSU award of $13,700 was determined utilizing a Monte Carlo simulation and the following assumptions: Expected volatility of 40.19%, risk-free interest rate of 0.76%, and dividend yield of 0.00%.

In fiscal 2013, fiscal 2012 and fiscal 2011, the cash tax benefit realized for the tax deductions from all RSUs (service and performance-based) was $26,097, $30,740 and $18,114, respectively.

Employee Stock Purchase Plan

Under the 2001 Employee Stock Purchase Plan, full-time Coach employees are permitted to purchase a limited number of Coach common shares at 85% of market value. Under this plan, Coach sold 122, 129, and 120 new shares to employees in fiscal 2013, fiscal 2012 and fiscal 2011, respectively. Compensation expense is calculated for the fair value of employees' purchase rights using the Black-Scholes model and the following weighted-average assumptions:

	June 29, 2013	June 30, 2012	July 2, 2011
Expected term (years)	**0.5**	0.5	0.5

5. INVESTMENTS – (continued)

(a) Portfolio of high-credit quality U.S. and non-U.S. issued corporate debt securities, classified as available-for-sale, and recorded at fair value, which approximates amortized cost. These securities have maturity dates between calendar years 2014 and 2016. Unrealized gains and losses are recorded within other comprehensive income.

(b) Deemed a long-term investment as the auction for this security has been unsuccessful. The underlying investments are scheduled to mature in 2035.

(c) Portfolio of time deposits with original maturities greater than 3 months.

(d) Equity method investment.

As of June 29, 2013, the Company's equity method investment related to an equity interest in an entity formed during fiscal 2013 for the purpose of developing of a new office tower in Manhattan (the ''Hudson Yards joint venture'') with the Company owning less than 43%. This investment is included in the Company's long-term investments.

The formation of the Hudson Yards joint venture serves as a financing vehicle for the project. Construction of the new building has commenced and upon completion of the office tower in calendar 2015, the Company will retain a condominium interest serving as its new corporate headquarters. During fiscal 2013, the Company invested $93,930 in the joint venture. The Company expects to invest approximately $440,000 over the next three years, with approximately $130,000 to $160,000 estimated in fiscal 2014, depending on construction progress. Outside of the joint venture, Coach is directly investing in a portion of the design and build-out of the new corporate headquarters. In fiscal 2013, $24,800 was included in capital expenditures and we expect another $190,000 over the period of construction.

The Hudson Yards joint venture is determined to be a VIE primarily due to the fact that it has insufficient equity to finance its activities without additional subordinated financial support from its two joint venture partners. Coach is not considered the primary beneficiary of the entity primarily because the Company does not have the power to direct the activities that most significantly impact the entity's economic performance. The Company's maximum loss exposure is limited to the committed capital.

7. LEASES

Coach leases office, distribution and retail facilities. The lease agreements, which expire at various dates through 2028, are subject, in most cases, to renewal options and provide for the payment of taxes, insurance and maintenance. Certain leases contain escalation clauses resulting from the pass-through of increases in operating costs, property taxes and the effect on costs from changes in consumer price indices. Certain rentals are also contingent upon factors such as sales.

7. LEASES – (continued)

Rent expense for the Company's operating leases consisted of the following:

	Fiscal Year Ended		
	June 29, 2013	June 30, 2012	July 2, 2011

Certain operating leases provide for renewal for periods of five to ten years at their fair rental value at the time of renewal.

8. DERIVATIVE INSTRUMENTS AND HEDGING ACTIVITIES

Substantially all of the Company's transactions involving international parties, excluding international consumer sales, are denominated in U.S. dollars, which limits the Company's exposure to the effects of foreign currency exchange rate fluctuations. However, the Company is exposed to foreign currency exchange risk related to its foreign operating subsidiaries' U.S. dollar-denominated inventory purchases and various cross-currency intercompany and related party loans. Coach uses derivative financial instruments to manage these risks. These derivative transactions are in accordance with the Company's risk management policies. Coach does not enter into derivative transactions for speculative or trading purposes.

Coach Japan and Coach Canada enter into foreign currency derivative contracts, primarily zero-cost collar options, to manage the exchange rate risk related to their inventory purchases. As of June 29, 2013 and June 30, 2012, zero-cost collar options with aggregate notional amounts of $193,352 and $310,891 were outstanding, respectively, and have maturity dates ranging from July 2013 to June 2014.

As of June 29, 2013 and June 30, 2012, the Company had entered into various intercompany and related party loans denominated in various foreign currencies, with a total principal amount of $253,037 and $286,395 at June 29, 2013, and June 30, 2012, respectively. The maturity dates range from June 2013 to May 2014. To manage the exchange rate risk related to these loans, the Company entered into forward exchange and cross-currency swap contracts with notional amounts of $147,591 and $206,648, respectively as of June 29, 2013 and June 30, 2012. The terms of these contracts include the exchange of foreign currency fixed interest for U.S. dollar fixed interest and an exchange of the foreign currency and U.S. dollar based notional values at the maturity dates.

The Company's derivative instruments are primarily designated as cash flow hedges. The effective portion of gains or losses on the derivative instruments are reported as a component of other comprehensive income and reclassified into earnings in the same periods during which the hedged transaction affects earnings. The ineffective portion of gains or losses on the derivative instruments are recognized in current earnings and are included within net cash provided by operating activities.

(b) For fiscal 2013, fiscal 2012 and fiscal 2011, the amounts above are net of tax of $(2,416), $2,181 and $5,865, respectively.

During fiscal 2013 and fiscal 2012, there were no material gains or losses recognized in income due to hedge ineffectiveness.

The Company expects that $6,197 of net derivative losses included in accumulated other comprehensive income at June 29, 2013 will be reclassified into earnings within the next 12 months. This amount will vary due to fluctuations in foreign currency exchange rates.

Hedging activity affected accumulated other comprehensive income, net of tax, as follows:

9. FAIR VALUE MEASUREMENTS

In accordance with ASC 820-10, ''*Fair Value Measurements and Disclosures*,'' the Company categorized its assets and liabilities based on the priority of the inputs to the valuation technique into a three-level fair value hierarchy as set forth below. The three levels of the hierarchy are defined as follows:

Level 1 — Unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 — Observable inputs other than quoted prices included in Level 1. Level 2 inputs include quoted prices for identical assets or liabilities in non-active markets, quoted prices for similar assets or liabilities in active markets, and inputs other than quoted prices that are observable for substantially the full term of the asset or liability.

Level 3 — Unobservable inputs reflecting management's own assumptions about the input used in pricing the asset or liability.

The following table shows the fair value measurements of the Company's financial assets and liabilities at June 29, 2013 and June 30, 2012:

	Level 1		Level 2		Level 3	
	June 29, 2013	June 30, 2012	June 29, 2013	June 30, 2012	June 29, 2013	June 30, 2012

9. FAIR VALUE MEASUREMENTS – (continued)

(a) The fair value of short-term investments and cash equivalents consist of time deposits, treasury bills, money market funds and commercial paper, with a maturity of three months or less at the date of purchase in which management believes their carrying value approximates fair value based on their short maturity.

(b) Fair value is determined using vendor or broker priced securities.

(c) Fair value is determined using a valuation model that takes into consideration the financial conditions of the issuer and the bond insurer, current market conditions and the value of the collateral bonds. We have determined that the significant majority of the inputs used to value this security fall within Level 3 of the fair value hierarchy as the inputs are based on unobservable estimates. The fair value of this security has been $6,000 since the end of the second quarter of fiscal 2009.

(d) The fair value of these cash flow hedges is primarily based on the forward curves of the specific indices upon which settlement is based and includes an adjustment for the counterparty's or Company's credit risk.

Non-Financial Assets and Liabilities

The Company's non-financial instruments, which primarily consist of goodwill and property and equipment, are not required to be measured at fair value on a recurring basis and are reported at carrying value. However, on a periodic basis whenever events or changes in circumstances indicate that their carrying value may not be fully recoverable (and at least annually for goodwill), non-financial instruments are assessed for impairment and, if applicable, written-down to and recorded at fair value, considering market participant assumptions.

In fiscal 2013, the Company incurred impairment charges of $16,624 to reduce the carrying amount of certain store assets (primarily leasehold improvements at selected retail store locations) to their fair values of $4,310 as of June 29, 2013. The fair values of these assets were determined based on Level 3 measurements. Inputs to these fair value measurements included estimates of the amount and the timing of the stores' net future discounted cash flows based on historical experience, current trends, and market conditions.

10. DEBT

Revolving Credit Facilities

On June 18, 2012, the Company established a $400,000 revolving credit facility with certain lenders and JP Morgan Chase Bank, N.A. as the primary lender and administrative agent (the ''JP Morgan facility'') with a maturity date of June 2017. On March 26, 2013, the Company amended the JP Morgan facility to expand available aggregate revolving commitments to $700,000 and to extend the maturity date to March 26, 2018. The JP Morgan facility is available to finance the seasonal working capital requirements and general corporate purposes of the Company and its subsidiaries. At Coach's request and lenders' consent, revolving commitments of the JP Morgan facility may be increased to $1,000,000. As of June 29, 2013 and during fiscal 2013, there were no outstanding borrowings on the JP Morgan facility.

Borrowings under the JP Morgan Facility bear interest at a rate per annum equal to, at Coach's option, either (a) a rate based on the rates applicable for deposits in the interbank market for U.S. dollars or the applicable currency in which the loans are made plus an applicable margin or (b) an alternate base rate (which is a rate equal to the greatest of (1) the Prime Rate in effect on such day, (2) the Federal Funds Effective Rate in effect on such day plus ½ of 1% or (3) the Adjusted LIBO Rate for a one month Interest Period on such day plus 1%). Additionally, Coach pays a commitment fee on the average daily unused amount of the JP Morgan Facility, and certain fees with respect to letters of credit that are issued. At June 29, 2013, the commitment fee was 7.5 basis points.

10. DEBT – (continued)

The JP Morgan facility contains various covenants and customary events of default. Coach is in compliance with all covenants of the JP Morgan facility.

Coach Japan maintains credit facilities with several Japanese financial institutions to provide funding for working capital and general corporate purposes, with total maximum borrowing capacity of 5.3 billion yen, or approximately $53,000 at June 29, 2013. Interest is based on the Tokyo Interbank rate plus a margin of 25 to 30 basis points. At June 29, 2013 and during fiscal 2013, there were no outstanding borrowings under these facilities.

Coach Shanghai Limited maintains a credit facility to provide funding for working capital and general corporate purposes, with a maximum borrowing capacity of 63.0 million Chinese renminbi, or approximately $10,000 at June 29, 2013. Interest is based on the People's Bank of China rate. At June 29, 2013 and during fiscal 2013, there were no outstanding borrowings under this facility.

Both the Coach Japan and Coach Shanghai Limited credit facilities can be terminated at any time by either party, and there is no guarantee that they will be available to the Company in future periods.

11. COMMITMENTS AND CONTINGENCIES

The Company expects to invest approximately $440,000 in the Hudson Yards joint venture over the next three years, with approximately $130,000 to $160,000 estimated in fiscal 2014, depending on construction progress.

At June 29, 2013 and June 30, 2012, the Company had credit available of $900,000 and $600,000, respectively, of which letters of credit totaling $14,885 and $215,380, respectively, were outstanding. The letters of credit, which expire at various dates through 2014, primarily collateralize the Company's obligation to third parties for the purchase of inventory.

Coach is a party to employment agreements with certain key executives which provide for compensation and other benefits. The agreements also provide for severance payments under certain circumstances. The Company's employment agreements and the respective end of initial term dates are as follows:

Executive	Title	End of Initial Term[(1)]
Lew Frankfort	Chairman and Chief Executive Officer	August 2012
Reed Krakoff	President and Executive Creative Director	June 2014[(2)]
Michael Tucci	President, North America Retail Division	June 2013[(2)]

(1) Once the initial term expires, these agreements automatically renew for successive one year terms unless either the employee or Board provides notice.

(2) Refer to Note ''Subsequent Events'' regarding the sale of the Reed Krakoff business and the departure of these executive officers.

In addition to the employment agreements described above, other contractual cash obligations as of June 29, 2013 and June 30, 2012 included $185,838 and $212,084, respectively, related to inventory purchase obligations, and $7,897 and $1,272, respectively, related to capital expenditure purchase obligations.

In the ordinary course of business, Coach is a party to several pending legal proceedings and claims. Although the outcome of such items cannot be determined with certainty, Coach's general counsel and management are of the opinion that the final outcome will not have a material effect on Coach's cash flow, results of operations or financial position.

Refer to Note ''Investments'' for a discussion of commitments related to the Company's Hudson Yards joint venture.

Significant judgment is required in determining the worldwide provision for income taxes, and there are many transactions for which the ultimate tax outcome is uncertain. It is the Company's policy to establish provisions for taxes that may become payable in future years, including those due to an examination by tax authorities. The Company establishes the provisions based upon management's assessment of exposure associated with uncertain tax positions. The provisions are analyzed at least quarterly and adjusted as appropriate based on new information or circumstances in accordance with the requirements of ASC 740.

13. INCOME TAXES – (continued)

A reconciliation of the beginning and ending gross amount of unrecognized tax benefits is as follows:

	June 29, 2013	June 30, 2012	July 2, 2011
Balance at beginning of fiscal year	**$155,599**	$162,060	$165,676

Balance at end of fiscal year	**$148,810**	$155,599	$162,060

Of the $148,810 ending gross unrecognized tax benefit balance as of June 29, 2013, $89,360 relates to items which, if recognized, would impact the effective tax rate. Of the $155,599 ending gross unrecognized tax benefit balance as of June 30, 2012, $77,366 relates to items which, if recognized, would impact the effective tax rate. As of June 29, 2013 and June 30, 2012, gross interest and penalties payable was $17,301 and $24,338, respectively, which are included in other liabilities. During fiscal 2013, fiscal 2012 and fiscal 2011, the Company recognized gross interest and penalty income of $7,037, $10,920, and $73, respectively.

The Company files income tax returns in the U.S. federal jurisdiction, as well as various state and foreign jurisdictions. Tax examinations are currently in progress in select foreign and state jurisdictions that are extending the years open under the statutes of limitation. Fiscal years 2010 to present are open to examination in the U.S. federal jurisdiction, fiscal 2006 to present in select state jurisdictions and fiscal 2004 to present in select foreign jurisdictions. The Company anticipates that one or more of these audits may be finalized in the foreseeable future. However, based on the status of these examinations, and the average time typically incurred in finalizing audits with the relevant tax authorities, we cannot reasonably estimate the impact these audits may have in the next 12 months, if any, to previously recorded uncertain tax positions. We accrue for certain known and reasonably anticipated income tax obligations after assessing the likely outcome based on the weight of available evidence. Although we believe that the estimates and assumptions we have used are reasonable and legally supportable, the final determination of tax audits could be different than that which is reflected in historical income tax provisions and recorded assets and liabilities. With respect to all jurisdictions, we believe we have made adequate provision for all income tax uncertainties.

For the years ended June 29, 2013 and June 30, 2012, the Company had net operating loss carryforwards in foreign tax jurisdictions of $340,893 and $263,782, the majority of which can be carried forward indefinitely. The deferred tax assets related to the carryforwards have been reflected net of $79,599 and $53,503 valuation allowances at June 29, 2013 and June 30, 2012, respectively. The Company's valuation allowance increased by $26,096 in fiscal 2013 and $31,702 in fiscal 2012, primarily as the result of actual or anticipated results in the foreign jurisdictions.

The total amount of undistributed earnings of foreign subsidiaries as of June 29, 2013 and June 30, 2012, was $1,601,637 and $1,203,949, respectively. It is the Company's intention to permanently reinvest undistributed earnings of its foreign subsidiaries and thereby indefinitely postpone their remittance. Accordingly, no provision has been made for foreign withholding taxes or United States income taxes which may become payable if undistributed earnings of foreign subsidiaries are paid as dividends. Determination of the amount of unrecognized deferred income tax liabilities on these earnings is not practicable because such liability, if any, is subject to many variables and is dependent on circumstances existing if and when remittance occurs.

14. DEFINED CONTRIBUTION PLAN

Coach maintains the Coach, Inc. Savings and Profit Sharing Plan, which is a defined contribution plan. Employees who meet certain eligibility requirements and are not part of a collective bargaining agreement may participate in this program. The annual expense incurred by Coach for this defined contribution plan was $16,274, $18,641, and $16,029 in fiscal 2013, fiscal 2012 and fiscal 2011, respectively.

15. SEGMENT INFORMATION

Effective as of the end of the first quarter of fiscal 2013, the Company changed its reportable segments to a geographic focus, recognizing the expansion and growth of sales through its international markets. This is consistent with organizational changes implemented during fiscal 2012.

Prior to this change, the Company was organized and reported its results based on directly-operated and indirect business units. The Company has recently experienced substantial growth in its international business, while at the same time has converted formerly wholesale businesses in several key markets such as China, Taiwan and Korea to Company-operated businesses. Reflecting this growth and corresponding declines in indirect businesses relative to Company-operated, the Company implemented a realignment of its business units based on geography, aligning with the organizational changes.

As of the end of the Company's first quarter of fiscal 2013, the Company's operations now reflect five operating segments aggregated into two reportable segments:

- North America, which includes sales to North American consumers through Company-operated stores, including the Internet, and sales to wholesale customers and distributors.
- International, which includes sales to consumers through Company-operated stores in Japan and mainland China, including the Internet, Hong Kong and Macau, Singapore, Taiwan, Malaysia and Korea, and sales to wholesale customers and distributors in 25 countries.

In deciding how to allocate resources and assess performance, Coach's chief operating decision maker regularly evaluates the sales and operating income of these segments. Operating income is the gross margin of the segment less direct expenses of the segment. Unallocated corporate expenses include production variances, advertising, marketing, design, administration and information systems, as well as distribution and consumer service expenses.

Prior year amounts have been reclassified to conform to the current year presentation.

19. SUBSEQUENT EVENTS

Sale of Reed Krakoff Business

The Company announced that it has entered into a binding agreement (the ''Purchase Agreement'') to sell the Reed Krakoff business to Reed Krakoff Investments LLC (''the Buyer''), an investment group led by Mr. Krakoff. The Buyer will purchase the equity interests of the business and certain assets, including the Reed Krakoff brand name and related intellectual property rights from Coach. In consideration, the Buyer will assume certain liabilities of Coach, pay to Coach ten dollars in cash and issue to Coach an approximate 15% equity interest in the newly formed company. This equity interest is subject to adjustment under certain circumstances. Concurrent with the closing under the Purchase Agreement, the parties contemplate executing certain ancillary agreements, including under certain circumstances, a credit agreement whereby Coach will agree to loan Buyer up to $20 million for general corporate purposes for a term of two years.

The Purchase Agreement provides that the closing is subject to the satisfaction or waiver of certain conditions, including the accuracy of each party's representations and warranties at the closing, subject to materiality qualifiers, compliance in all material respects with each party's covenants under the Purchase Agreement, Buyer receiving additional equity financing, and other customary conditions. The Purchase Agreement is subject to termination under certain customary circumstances, including that both parties will have the right to terminate the Purchase Agreement if the closing has not occurred by August 31, 2013.

In connection with the Purchase Agreement and Mr. Krakoff's resignation from Coach, Mr. Krakoff agreed to waive his right to receive any compensation, salary, bonuses, equity vesting and certain other benefits if the closing occurs.

The sale is anticipated to close by the end of the first quarter 2014 and assuming the transaction closes, it is not expected to have a material impact on our first quarter results of operations.

The Fund Member shall be responsible for all costs and expenses incurred in connection with the No Action Letter or, if the No Action Letter is not issued by the NYS Law Department, any required offering plan and other action.

(f) The Fund Member shall, no later than thirty (30) days prior to recording the Condominium Declaration, provide to the Coach Member copies of the proposed final versions of the Condominium Documents (as defined below) prepared and/or revised by the Fund Member or its counsel. Within ten (10) Business Days of the Fund Member's delivery of the Condominium Declaration, the Condominium By-laws and/or the Floor Plans to the Coach Member, the Coach Member shall notify the Fund Member in writing of its approval or disapproval of such proposed final version of the Condominium Declaration, Condominium By-laws and/or the Floor Plans, as the case may be; which approval or disapproval shall be granted or withheld in the Coach Member's sole discretion with respect to any changes to the Form Declaration, Form By-laws or Form Floor Plans which affect the use or occupancy of the Coach Areas for their permitted purposes or the rights or obligations of the Coach Member or the Coach Designee, as the owner of the Coach Unit or otherwise, including, without limitation, any common charges or other costs or expenses allocable or otherwise payable to the Coach Member or the Coach Designee, as the owner of the Coach Unit or otherwise, or any changes to the Form Declaration with respect to the Core Wall Installation (as defined therein), and granted or withheld in the Coach Member's reasonable discretion with respect to any other changes. If the Coach Member timely notifies the Fund Member that it does not approve the proposed final version of the Condominium Declaration, Condominium By-laws and/or any of the Floor Plans, as the case may be, such notice shall specify in reasonably sufficient detail the provisions or components with respect to which Coach Member is withholding its consent and the reasons therefor. If, the Coach Member fails to deliver such written notice to the Fund Member within such ten (10) Business Day period, the Fund Member may send a second notice to the Coach Member of such failure to respond and if the Coach Member does not respond to such second notice within five (5) Business Days after receipt of the same, then, (i) with respect to matters for which the Coach Member has reasonable discretion, the Coach Member shall be deemed to have approved the proposed final version of such matters in the Condominium Declaration, the Condominium By-laws and/or the Floor Plans, as the case may be, and (ii) with respect to matters for which the Coach Member has sole discretion, the Coach Member shall be deemed to have disapproved the proposed final version of such matters in the Condominium Declaration, the Condominium By-laws and/or the Floor Plans, as the case may be.

(g) Each of the Fund Member and the Coach Member shall, subject to the provisions of this Agreement and the Development Agreement, reasonably cooperate with the other party with respect to the Condominium Documents, including providing all reasonable information and executing and delivering all documents, forms and affidavits required under the Condominium Act or otherwise required with respect to the Condominium Declaration or any other Condominium Document.

(iv) The Fund Member has provided, or caused to be provided, to the Coach Member reasonably satisfactory evidence that, based on the Budget as of the Closing Date, sufficient Fund Member Equity Commitments remain to be called (or other funds are available, in addition to the Coach Member's Allocable Share) to pay for the costs of achieving Final Completion in accordance with the Plans, the Development Agreement and all applicable Laws.

(v) The conditions to release of the Coach Unit under the Mortgage Loan Documents shall be satisfied or waived by the Mortgage Loan Agent (it being understood that other than the payment of the Coach Total Development Costs in accordance with the terms and provisions of this Agreement and the Development Agreement and all other amounts required to be paid by the Coach Member pursuant to Section 3.8(h)(i) below, the Fund Member shall have the obligation to cause all such conditions to be timely satisfied); the Mortgage Loan and the applicable Mortgage Loan Documents shall be severed to separately evidence and secure the amount of the Coach Mortgage Loan (the "Coach Severed Mortgage Loan"), which Coach Severed Mortgage Loan shall be (A) evidenced by Mortgage Note A-2, as the same may be amended to reflect the severance of the Mortgage Loan and the other Mortgage Loan Documents, in the aggregate outstanding principal amount of the Coach Mortgage Loan, and (B) secured by a mortgage and other security instruments required by the Coach Lender solely encumbering the Coach Unit (collectively, the "Coach Severed Mortgage"), and any Mortgage Loan Documents not so severed shall be amended or terminated in part to exclude the Coach Unit thereunder, in each case as contemplated in the Mortgage Loan Documents; unless repaid by the Coach Member to the Coach Lender or otherwise extinguished at Closing, the Mezzanine Loan and the applicable Mezzanine Loan Documents shall be severed to separately evidence and secure the amount of the Coach Mezzanine Loan (the "Coach Severed Mezzanine Loan"), which Coach Severed Mezzanine Loan shall be (1) evidenced by Mezzanine Note A-2, as the same may be amended to reflect the severance of the Mezzanine Loan and the other Mezzanine Loan Documents, in the aggregate outstanding principal amount of the Coach Mezzanine Loan, and (2) secured by a pledge and other security instruments required by the Coach Lender, as contemplated in the Mezzanine Loan Documents, it being understood and agreed that in no event shall the Coach Severed Loan be secured by any interest in the Company or its Subsidiaries or any of the Property other than the Coach Unit or the Coach Member's (or the Coach Designee's) interest therein or an interest in the Coach Member; and the Fund Member shall cause Legacy Tenant, Legacy Mezzanine or the Company, as applicable, to execute such agreements as are reasonably necessary in order to effectuate and memorialize the assignment to and assumption by the Coach Member or the Coach Designee of the borrower's obligations under the Coach Severed Mortgage Loan, Mortgage Note A-2, the Coach Severed Mortgage, Mezzanine Note A-2 and any other agreements or instruments evidencing or securing the Coach Severed Mortgage Loan and the Coach Severed Mezzanine Loan, and the assignment of the lender's interest therein to the Coach Lender (to the extent not held by the Coach Lender) or another lender designated by the Coach Member.

(vi) The Mortgage Loan Agent and Mortgage Lender shall execute and deliver such documents as it is obligated to execute and deliver pursuant to the Mortgage Loan Documents in order to release the Coach Unit and sever the Mortgage Loan and the applicable Mortgage Loan Documents as provided in clause (v) above, and to cause the Mortgage Loan to be subordinate in priority to the Condominium Documents and the Option Agreement, and the Mezzanine Loan Agent and Mezzanine Lender shall execute and deliver such documents as it is obligated to execute and deliver pursuant to the Mezzanine Loan Documents in order to sever the Mezzanine Loan and the applicable Mezzanine Loan Documents as provided in clause (v) above;

(vii) The IDA shall execute and deliver such documents as it is obligated to execute and deliver pursuant to the IDA Documents in order to release the Coach Unit from the PILOT Mortgage and other IDA Documents and, if the Coach Member desires to obtain benefits under UTEP with respect to the Coach Unit from and after the Closing and shall satisfy all the requirements and conditions thereto, to separately grant benefits to the Coach Member under UTEP with respect to the Coach Unit in accordance with the terms and conditions of the IDA Documents and UTEP.

(viii) Title to the Coach Unit is free of Encumbrances other than the Permitted Encumbrances, and, at the Coach Member's election and its sole cost and expense, a binding and enforceable ALTA form of Title Insurance Commitment (showing no Encumbrances other than the Permitted Encumbrances) has been issued to the Coach Member, naming the Coach Member or an Affiliate of the Coach Member as the Coach Member may designate to acquire fee title to the Coach Unit ("Coach Designee"), as the insured thereunder.

(ix) Subject to Section 3.8(i), there is not then existing any Material Litigation.

(x) The receipt by the Coach Member and the Coach Lender of an updated survey of the Property and a surveyor's certification (such certification to be substantially in the form delivered to the Construction Lender on the date hereof) dated no more than sixty (60) days prior to Closing.

(xi) The receipt by the Coach Member of satisfactory evidence from its Title Insurer and/or Department of Buildings expediter that there are (A) no Developer Violations that have a Material Adverse Effect (except those routinely issued during construction and which Developer will cause to be removed in the ordinary course pursuant to the terms of the Development Agreement), and (B) no mechanics' or materialmens' liens affecting or filed of record against the Coach Unit unless caused or resulting from Coach Finish Work or otherwise arising from any affirmative act or wrongful omission of the Coach Member or any Coach Consultant (i.e., where there is an obligation to affirmatively act) which have not been bonded or removed of record or insured over.

(xii) Subject to the payment by the Coach Member at Closing of the balance of the Coach Fixed Land Cost and all other Coach Total Development Costs then due and payable as provided in Section 3.8(h)(i), the Company shall have caused Legacy Tenant to subsever the Building C Lease with respect to the Coach Unit in accordance with the terms thereof and to terminate such subsevered lease or to amend the Building C Lease to exclude the Coach Unit as of the Closing Date, and the Fund Member shall have paid or caused to be paid to the MTA or such other party as directed by the MTA the Option Price for the Coach Unit, and delivered or caused to be delivered to the Coach Member the Deed and each of the other items to be delivered at Closing pursuant to Section 3.8(e). The Members acknowledge and agree that pursuant to Section 10.08 of the Development Agreement a portion of the Coach Fixed Land Cost equal to the Option Price shall be advanced by or on behalf of the Coach Member at the Closing, and such amount may be paid directly to the MTA by the Coach Member at the Closing and if so paid shall be credited toward the amounts to be paid by the Coach Member at the Closing pursuant to Section 3.8(h).

(xiii) There having not occurred any Major Event, and any portion of the Project damaged or destroyed as a result of any other casualty or condemnation shall have been repaired and restored by Legacy Tenant subject to and in accordance with the terms of this Agreement;

(xiv) The No Action Letter shall have been issued by the NYS Department of Law or any required offering plan shall have been filed and accepted by the NYS Department of Law.

(xv) The Fund Member shall have caused Legacy Tenant to file with the Real Property Assessment Bureau and to record in the Register's Office the Condominium Declaration and the Floor Plans immediately prior to or simultaneously with the Closing, and shall have caused Legacy Tenant or Developer, as applicable, to assign to the Condominium each Condominium Warranty required to be delivered and assigned to the Condominium upon the creation thereof pursuant to the Development Agreement, including, without limitation, Section 9.04 thereof, and each such Condominium Warranty shall be in full force and effect; provided, however, that to the extent that any Condominium Warranty has not commenced as of the Closing and is therefore not assignable to the Condominium in accordance with the terms hereof or of the Development Agreement, the Fund Member shall cause Legacy Tenant or Developer, as applicable, to deliver an assignment of such Condominium Warranty to the Condominium as promptly as possible thereafter;

(xvi) To the extent that any of the other Units in the Building shall remain subject to the Building C Lease, the Condominium Declaration shall be superior to the Building C Lease to the extent remaining in effect.

(xvii) The New York City Department of Finance shall have issued a separate tax lot for the Coach Unit.

(xviii) An all-risk casualty insurance policy with standard coverages and endorsements (as specified in the Condominium Declaration) covering the Common Elements (to the extent constructed and in existence as of such date) to the extent of the full replacement value thereof shall be obtained and maintained by the Board of Managers of the Condominium and shall be in force, valid and enforceable on the Closing Date.

(xix) Except for the Project Labor Agreement, there being no agreement or letter with any union (or relative to labor matters) which relates to or will impact or affect the Coach Finish Work or the performance thereof, and, in any event, there being no union contracts or letters or understandings with any union (other than any such contracts, letters or understandings entered into by the Coach Member or Coach Guarantor) which relate to the operation or management of the Coach Unit.

(b) Fund Member's Conditions to Close. The Fund Member's obligation to consummate the Closing pursuant to this Agreement is conditioned upon the satisfaction (or waiver by the Fund Member in writing) of the following conditions on and as of the Closing Date:

(i) The Coach Member shall have delivered to the Fund Member all of the documents and deliveries required to be delivered by the Coach Member under Section 3.8(h)(ii); and

(ii) The Coach Member shall have made all payments required to be made by the Coach Member under Section 3.8(h)(i).

(c) Right to Waive Conditions. Each of the Coach Member and the Fund Member shall have the right to waive compliance by the Company and/or any other Member with any of the conditions to its obligation to consummate the Closing pursuant to this Agreement. Any such waiver must be in writing and must refer specifically to the condition (or matter) being waived. However, if the Closing occurs, the conditions in Sections 3.8(a) and (b) shall be deemed to have been satisfied whether or not specifically waived in writing (unless otherwise agreed to by the Members in writing at that time).

(d) Closing and Closing Date. Subject to the provisions of this Section 3.8(d), the Closing shall take place at 10:00 a.m. at the offices of the Construction Lender's counsel located in New York, New York or another location in New York, New York to be agreed upon by the Coach Member and the Fund Member, on a Business Day agreed to by the Coach Member and the Fund Member in writing at least ten (10) days but not later than thirty (30) days after the conditions set forth in Sections 3.8(a) and 3.8(b) are satisfied (excepting those conditions which may be satisfied on the Closing Date).

(e) Fund Member's Closing Deliveries. Subject to the terms of this Agreement, at the Closing the Fund Member shall cause the Company to execute and deliver, or, as appropriate, cause Developer, Legacy Tenant or the MTA to execute and deliver, to the Coach Member, the following:

(vii) originals (or, if neither the Company, Legacy Tenant, the Fund Member nor Developer have originals, true and complete copies) of the Coach Unit Documents, together with an assignment by Legacy Tenant or Developer, as applicable, to the Coach Member of each Coach Warranty required to be assigned to the Coach Member at Closing pursuant to the Development Agreement, including, without limitation, Section 9.04 thereof; provided, however, that to the extent certain of the operating manuals that constitute the Coach Unit Documents are not available to Legacy Tenant or Developer at the time of the Closing, and to the extent that any Coach Warranty has not commenced as of the Closing and is therefore not assignable to the Coach Member in accordance with the terms hereof or of the Development Agreement, the Fund Member shall cause Legacy Tenant or Developer, as applicable, to deliver such Coach Unit Documents to the Coach Member, or to deliver an assignment of each such Coach Warranty to the Coach Member as promptly as possible thereafter, which obligation shall survive the Closing and the withdrawal of the Coach Member from the Company and the termination of this Agreement;

(viii) an assignment by Legacy Tenant or Developer, as applicable, to the Condominium Board of each Condominium Warranty required to be assigned to the Condominium Board at Closing pursuant to the Development Agreement; provided, however, that to the extent that any such Condominium Warranty has not commenced as of the Closing and is therefore not assignable to the Condominium Board in accordance with the terms hereof or of the Development Agreement, the Fund Member shall cause Legacy Tenant or Developer, as applicable, to deliver an assignment of each such Condominium Warranty to the Condominium Board as promptly as possible thereafter, which obligation shall survive the Closing and the withdrawal of the Coach Member from the Company and the termination of this Agreement;

(ix) the Redemption Agreement, executed by the Company and the Fund Member;

(x) a release executed by the Fund Member of the Coach Member from all obligations under this Agreement arising from and after the Closing Date (subject to the continued validity of all obligations of the Coach Member which expressly survive the conveyance of the Coach Unit pursuant to the express terms of this Agreement) in the form attached hereto as Exhibit J;

(xi) the Option Agreement, executed by Legacy Tenant and the Fund Member;

(xii) the Memorandum of Option Agreement, executed by Legacy Tenant and the Fund Member;

(xiii) the Right of First Negotiation Agreement, executed by the Fund Member;

(xiv) the Punch List Escrow Agreement, executed by the Company, the Fund Member and Developer;

(xv) such instruments and documents which are reasonably necessary or desirable to evidence the release of the Coach Unit and severance of the Construction Loan (and the Loan Documents) and to cause the Third Party Mortgage Loan to be subordinate in priority to the Condominium Documents and the Option Agreement;

(xvi) such instruments and documents which are reasonably necessary or desirable to evidence the superiority of the Condominium Documents to the Building C Lease to the extent the Building C Lease shall remain in effect with respect to any of the Units in the Building other than the Coach Unit; and

(xvii) any other instruments or documents to be executed and/or delivered by Legacy Tenant, the Company and Developer pursuant to this Agreement, the Development Agreement, the Project Documents and/or the Loan Documents, or as may be reasonably required to consummate the conveyance of the Coach Unit to the Coach Member; it being acknowledged and agreed that Developer shall not be required to deliver the Punch List Escrow Agreement or any of the foregoing items required to be delivered by Developer if the Development Agreement is terminated by the Coach Member pursuant to Section 7.7 prior to the Closing Date.

(f) Utility Company Deposits. If applicable, at the Closing, the Fund Member shall cause Legacy Tenant to assign to the Coach Member all deposits or escrows held for Legacy Tenant's account at or by any utility company in connection with utility services furnished solely to the Coach Unit. The Coach Member shall reimburse the Company or Legacy Tenant at the Closing for the amount of the deposits or escrows so assigned, and the Coach Member will thereafter become responsible for utility charges due thereafter with respect solely to the Coach Unit (in addition to any utility charges included in and required to be paid by the Coach Member as Common Charges and allocable to the Coach Unit pursuant to the Condominium Declaration). Alternatively, the Fund Member may direct Legacy Tenant or Developer, as applicable, to terminate such utility accounts. Prior to the Closing Date, the Fund Member shall cause Legacy Tenant to notify all such utility companies in writing (with copies to the Coach Member) of the applicable transfer of service to the Coach Member or the Coach Designee.

(g) Service Contracts. At or prior to the Closing, if requested by the Coach Member, the Fund Member shall cause Legacy Tenant to terminate all Service Contracts, if any, as of the date of Closing.

(h) Coach's Closing Payment and Closing Deliveries.

(i) At the Closing, the Coach Member shall (1) accept delivery of the Deed and title to the Coach Unit free of all Encumbrances other than the Permitted Encumbrances; (2) unless repaid by the Coach Member or otherwise extinguished, assume or cause the Coach Designee to assume the Coach Severed Mortgage Loan and Coach Severed Mezzanine Loan and all of the obligations of Legacy Tenant and Legacy Mezzanine, respectively, with respect thereto; (3) subject to the provisions of Section 3.8(i) below, pay, or cause to be paid, subject to and in accordance with the applicable provisions hereof and of the Development Agreement (including, without limitation, the Coach Costs Cap), the Coach Total Development Costs, including the balance of the Coach Fixed Land Cost payable pursuant to Section 10.08 of the Development Agreement, less all amounts previously funded by the Coach Member or the Coach Lender on account of the Coach Total Development Costs, and all other amounts payable by the Coach Member hereunder or under the Development Agreement on or prior to the Closing Date; provided that the Coach Member shall holdback at Closing from its payment of the Coach Total Development Costs and (x) deposit with the Title Company pursuant to the Punch List Escrow Agreement an amount equal to the product of 125% and the reasonably estimated cost to complete the items set forth in the Punch List as reasonably determined by the Coach Member and Developer in accordance with Section 10.06 of the Development Agreement, which funds will be released to the party entitled thereto as such Punch List Work is completed (with the balance, if any, being paid to the Company or the Coach Member, as applicable, upon final completion of all Punch List Work), and (y) deposit in an interest-bearing escrow account to be held by the Title Company, as escrowee, a portion of the Coach Total Development Costs equal to 105% of the cost of all disputed items of Coach Total Development Costs (not in excess of $12,500,000), which funds will be paid to the party entitled thereto as such dispute(s) are resolved pursuant to Section 10.01(e) of the Development Agreement or Section 3.10 hereof, as applicable; it being agreed that the Coach Member shall identify and inform Developer and the Fund Member on the Closing Date of all such amounts in dispute on and as of the Substantial Completion Date in order for the Closing to occur as provided herein; and (3) accept a redemption of its Membership Interest in the Company and withdraw from the Company pursuant to the Redemption Agreement; it being acknowledged and agreed, however, that such redemption and withdrawal of the Coach Member shall be deemed to have occurred automatically upon consummation of the Closing on the Closing Date notwithstanding any failure of the Coach Member to execute and deliver the Redemption Agreement in accordance with Section 3.8(h)(ii). All payments made by or on behalf of the Coach Member or the Coach Lender at Closing shall be by wire transfer of immediately available federal funds drawn on a member of the New York Clearinghouse to such accounts as the Fund Member shall designate.

(ii) The Coach Member shall execute and deliver, or cause to be executed and delivered, at the Closing:

(1) an assumption of the Coach Severed Mortgage Loan and the Coach Severed Mortgage Loan Documents, and the Coach Severed Mezzanine Loan and the Coach Severed Mezzanine Loan Documents, executed by the Coach Member or the Coach Designee, as applicable, in form reasonably acceptable to the Third Party Lender, the Fund Member and the Coach Member;

(2) the Transfer Tax Forms, executed by the Coach Member or the Coach Designee, as applicable;

(3) the Redemption Agreement, executed by the Coach Member;

(4) the Option Agreement, executed by the Coach Member or the Coach Designee, as applicable, as fee owner of the Coach Unit;

(5) the Memorandum of Option Agreement, executed by the Coach Member or the Coach Designee, as applicable;

(6) the Right of First Negotiation Agreement, executed by the Coach Member or the Coach Designee, as applicable, as fee owner of the Coach Unit;

(7) the Punch List Escrow Agreement; and

(8) any other instruments, statements or documents to be executed or delivered by the Coach Member at Closing pursuant to the provisions of this Agreement or the Development Agreement or required in order to release the Coach Unit and sever the Mortgage Loan and Mezzanine Loan under the applicable Loan Documents.

(i) Title Defects; Material Litigation. The Coach Member may give the Fund Member notice of any Title Defect at least ten (10) days prior to the Closing Date (except that the Coach Member may give notice of any Title Defect of which the Coach Member first receives notice during such ten (10) day period at any time on or prior to the Closing Date), in which event the Fund Member shall have such additional period of time as it may require (but not more than thirty (30) days in the aggregate) in order to cure and remove the Title Defect(s) specified in the Coach Member's notice(s) and the Closing shall be adjourned for such period of time up to the Outside Closing Date. Subject to the provisions of this Section 3.8(i), (A) the Fund Member shall cause the Company to remove or cause Legacy Tenant to remove, by payment, bonding or otherwise, any Title Defect, and (B) the Coach Member shall cooperate reasonably with the Fund Member as required in order to remove such Title Defect. The costs of removing any Title Defect shall be a Project Cost allocable in accordance with the Cost Allocation Methodology and the applicable provisions of the Development Agreement (and shall be subject to the Coach Costs Cap, except if such Title Defect arose as provided in clause (y) below) and based on the nature of the underlying claim, provided, that (x) if such Title Defect results from an act or omission (where there is an obligation to affirmatively act) of Developer, the Fund Member or any of their respective Affiliates, then all such costs shall be borne in their entirety by the Fund Member and (y) if such Title Defect results from an act or omission (where there is an obligation to affirmatively act) of the Coach Member or any of its Affiliates, then all such costs shall be borne in their entirety by the Coach Member (in addition to the Coach Total Development Costs). The foregoing allocation of costs shall not limit the obligations of the Fund Member to cause any Title Defect to be removed from the Coach Unit, subject to the payment by the Coach Member of such costs allocated to the Coach Member at Closing. Subject to the provisions of this Section 3.8(i), (1) the Fund Member shall cause the Company to satisfy or cause Legacy Tenant to satisfy any Material Litigation, and (2) the Coach Member shall cooperate reasonably with the Fund Member as required in order to satisfy such Material Litigation. The costs of satisfying any such Material Litigation shall be a Project Cost allocable in accordance with the Cost Allocation Methodology and the applicable provisions of the Development Agreement (and shall be subject to the Coach Costs Cap, except if such Material Litigation arose as provided in clause (ii) below) and based on the nature of the underlying claim, provided, that (i) if such Material Litigation results from an act or omission (where there is an obligation to affirmatively act) of Developer, the Fund Member or any of their respective Affiliates, then all such costs shall be borne in their entirety by the Fund Member and (ii) if such Material Litigation results from an act or omission (where there is an obligation to affirmatively act) of the Coach Member or any of its Affiliates, then all such costs shall be borne in their entirety by the Coach Member (in addition to the Coach Total Development Costs). The foregoing allocation of costs shall not limit the obligations of the Fund Member to cause any Material Litigation to be satisfied in connection with the Closing, subject to the payment by the Coach Member of such costs allocated to the Coach Member at Closing.

(j) Title Insurance Premiums; Transfer Taxes; Apportionments; Common Charges.

(i) At the Closing, the Coach Member shall pay the costs for the issuance of the Title Insurance Commitment and, should the Coach Member elect to obtain title insurance with respect to the Coach Unit, the Coach Severed Mortgage and/or the Coach Severed Mezzanine Loan, the insurance effected pursuant the Title Insurance Commitment and any mortgagee or UCC policy for the Coach Lender (or any assignee thereof). Should the Coach Member elect to obtain title insurance, the costs of satisfying any indemnity delivered in any affidavit given by the Company, Legacy Tenant, Legacy Mezzanine or the Fund Member on behalf of the Company, Legacy Tenant or Legacy Mezzanine to the Title Insurer that is customarily given by a seller to induce the Title Insurer to issue a commitment to issue an owner's policy of title insurance insuring the fee simple title to the buyer free of Encumbrances other than the Permitted Encumbrances, or any obligation assumed in any such affidavit, shall be a Project Cost allocable among the Coach Unit and the Fund Member Units in accordance with the Cost Allocation Methodology and the applicable provisions of the Development Agreement (and shall be subject to the Coach Costs Cap, except if such claim arose as provided in clause (B) below) based on the nature of the underlying claim, unless caused by (A) Developer, the Fund Member or any of their respective Affiliates, in which case any such cost or obligation shall be borne in its entirety by the Fund Member, or (B) the Coach Member or any of its respective Affiliates, in which case any such cost or obligation shall be borne in its entirety by the Coach Member. The foregoing allocation of costs shall not limit the obligations of the Company, Legacy Tenant or the Fund Member, on behalf of the Company or Legacy Tenant, to deliver any such indemnity or affidavit in connection with the Closing, subject to the payment by the Coach Member of such costs allocated to the Coach Member at Closing.

(ii) The Members acknowledge and agree that (A) on the date hereof the Fund Member has caused to be paid all New York State transfer taxes imposed on the Leasehold Estate granted to Legacy Tenant pursuant to the Building C Lease, (B) New York City and New York State transfer taxes may be payable at Closing in connection with the transfer of fee title to the Coach Unit to the Coach Member or the Coach Designee based on the Option Price for the Coach Unit, subject to partial credit for a portion of the New York State transfer taxes paid upon the execution of the Building C Lease, and (C) payments of Annual Base Rent under the Building C Lease will be subject to New York City commercial rent tax. The Coach Member shall pay all New York City and New York State transfer taxes payable at Closing in connection with the transfer of fee title to the Coach Unit to the Coach Member or the Coach Designee (whether or not included in the Coach Total Development Costs), without giving effect to the amount of any credit received on account of New York State transfer taxes paid with respect to the Leasehold Estate upon the execution of the Building C Lease, and the Fund Member shall be responsible for all other transfer taxes imposed on the transactions contemplated herein and all commercial rent tax imposed with respect to the Annual Base Rent payable under the Building C Lease. The Fund Member or the Coach Member may elect to cause the Company to obtain a ruling from the relevant taxing authorities with regard to transfer taxes and to extend the Closing in order to obtain such ruling, and each party will cooperate with the other and pay its allocable share of the costs incurred by the Company in connection with efforts to obtain any such ruling.

(iii) At the Closing, the Company and the Coach Member shall apportion real property taxes, water and sewer charges, utility deposits, and payments under any Service Contracts with respect to the Coach Unit, all as shall be customary for transactions of this nature as well as Common Charges for the Coach Unit, if any. The Fund Member and the Coach Member acknowledge and agree that such apportionments shall be made in such a manner as to avoid duplication, so that the Coach Member will not be charged with costs both as part of Coach Total Development Costs and as part of its Common Charges under the Condominium Declaration as the owner of the Coach Unit.

(iv) Subject to its obligations under clause (iii) above, the obligation of the Coach Member or the Coach Designee, as applicable, to pay Common Charges under the Condominium Declaration will commence from and after the Closing Date.

(k) Outside Closing Date. Without limiting the provisions of this Agreement or the Development Agreement, if the Closing fails to occur on or before the earlier to occur of (i) June 1, 2015, as such date shall be extended on a day-for-day basis by reason of Force Majeure, Coach Change Delays extending beyond the Change Order Grace Period or Coach Work Delays, or (ii) the Substantial Completion Date (such date, the "Outside Closing Date"), as a result of the failure of any of the conditions set forth in Section 3.8(a) of this Agreement (the "Coach Closing Conditions") to be satisfied on or prior to the Outside Closing Date, then (A) if such failure shall result from any act of or failure to act in accordance with the terms of this Agreement or the Development Agreement by the Fund Member or Developer, as applicable, the Coach Member shall have the right (but not the obligation) to seek and obtain equitable relief by way of injunction or compel specific performance to cause the Fund Member and the Company to take any and all actions that may be necessary to effectuate the Closing; (B) the Coach Member shall have the right (but not the obligation) to take any actions and incur any expenses (including, without limitation, the expenditure of additional monies and the performance of overtime work) which the Coach Member in good faith believes may mitigate any delay in the Coach Member's performance of the Coach Finish Work or the ability of the Coach Member to commence occupying the Coach Unit for the normal conduct of business in the ordinary course resulting from or arising out of the failure of the Closing to occur on or prior to the Outside Closing Date, and the Fund Member shall reimburse, or cause Developer to reimburse, without duplication of any amounts paid by Developer pursuant to Section 9.03 of the Development Agreement, the Coach Member for any and all costs so incurred by the Coach Member within ten (10) Business Days of the Coach Member's demand therefor, and (C) the Fund Member shall pay, or cause Developer to pay, without duplication of any amounts paid by Developer pursuant to Sections 8.02(d), 9.03 or 13.01(c) of the Development Agreement, all Coach Holdover Costs, and any other actual losses, damages, costs or expenses incurred by the Coach Member resulting from the Coach Member's inability to complete timely the Coach Finish Work and occupy timely the Coach Unit as a result of such failure of the Closing to occur on or prior to the Outside Closing Date, such payment to be due as and when such costs are incurred and within ten (10) days after demand by the Coach Member (the amounts payable pursuant to clauses (B) and (C) above, collectively, the "Outside Date Amount"). The Arbiter shall coordinate among the Disputing Party and the Other Disputing Party in order to arrange for a time or time(s) to meet and present positions within the time deadlines as provided below. The Disputing Party and the Other Disputing Party shall each make themselves available during such time deadlines and if no mutually convenient time is agreed upon, each party shall be available during business hours on the last Business Day of such time deadline.

The Arbiter shall allocate the costs of the Dispute (including the costs of the arbitration, any expert witnesses and reasonable attorney's fees) between the Disputing Parties as it deems appropriate and shall set forth such cost allocation in its decision. Although the Arbiter cannot vary the terms of this Agreement, the decision of the Arbiter need not accept, in its entirety, the position(s), or the specific cost allocations, advanced by any one Disputing Party. The Arbiter's decision shall be conclusive and binding on all Parties to the Dispute and shall be confirmable in a court of competent jurisdiction.

(e) The Company shall not cause or permit Developer to stop the design or construction of the Building during the pendency of any dispute, except for any aspects of the work at issue in the dispute if any work performed might have to be changed depending on the resolution of the Arbitration.

(f) Proceedings before or involving dispute resolution under this Section 3.10 in and of themselves shall not constitute events of Force Majeure.

ARTICLE 4
CAPITALIZATION OF THE COMPANY

4.1. Initial Capital Contributions. As of the date hereof, each Member has made the Capital Contribution specified on Schedule 2 attached hereto as such Member's "Initial Capital Contribution" (such Capital Contribution made by each Member being referred to in this Agreement as such Member's "Initial Capital Contribution").

4.2. Additional Capital Contributions. The Members shall make Additional Capital Contributions as follows:

(a) On and after the date hereof, as and when required pursuant and subject to the terms of the Development Agreement or this Agreement (including, without limitation, the Coach Costs Cap and any amounts that are the responsibility of Developer under the Development Agreement), the Coach Member shall fund equity, or shall cause the Coach Lender to fund the proceeds of the Coach Unit Loan, for the payment of the Coach Total Development Costs and any other amounts required to be paid by the Coach Member pursuant to this Agreement or the Development Agreement (taking into account any and all amounts previously funded by the Coach Member or Coach Lender, including a portion of the Coach Member's Initial Capital Contribution as set forth in Section 4.1). Without limiting the foregoing, the obligations of the Coach Member described in this Section 4.2(a) shall not be conditioned upon or contingent upon the funding of any portion of the Coach Unit Loan. The obligations of the Coach Member under this Section 4.2(a) are guaranteed by the Coach Guarantor subject to and in accordance with the Coach Guaranty.

(b) From and after the date hereof, as and when required pursuant and subject to the terms of this Agreement, the Fund Member shall fund with equity or the proceeds of the Third Party Loan: (i) all Project Costs of any type or nature which are not otherwise properly included in the Coach Total Development Costs (or which would otherwise properly be included in Coach Total Development Costs but which would cause the Coach Total Development Costs to exceed the Coach Costs Cap) or other amounts which are not otherwise payable by the Coach Member hereunder or under the Development Agreement or which are the responsibility of the Fund Member under this Agreement; (ii) any additional equity that may be required to be funded by the Company or the Fund Member under the Loan Documents (including in respect of cost overruns and any Completion Deposits required to keep the Construction Loan in balance except and to the extent such cost overruns or Completion Deposits are required to be paid in whole or in part by the Coach Member pursuant to the terms of the Development Agreement); and (iii) except to the extent included in Coach Fixed Land Cost and Coach's Member's Allocable Share of transfer taxes required to be paid by the Coach Member pursuant to this Agreement, (A) all costs associated with acquiring fee title to the Coach Unit from the MTA in order to effectuate the Closing, including, without limitation, any deposits payable to the MTA and, if applicable, any contributions required to be made to the LIRR Work Fund, (B) all rental and other amounts that may be payable under the Building C Lease (including, if applicable, any rental in respect of Estimated ERY Roof Costs or the LIRR Work Cost Allocable Share or the Guaranteed Default Payments), and (C) all costs of constructing the Podium. The obligations of the Fund Member under this Section 4.2(b) are guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty, and neither the Coach Contingency nor any portion of the Coach Unit Loan may be used to pay any such amounts and costs. Without limiting the foregoing, payment of all of the foregoing costs and amounts (whether by the Fund Member or the Related/Oxford Guarantor) shall not be conditioned upon or contingent upon the funding of any portion of the Third Party Loan.

(c) To the extent not funded on behalf of the Coach Member from the proceeds of the Coach Unit Loan or the Fund Member from the proceeds of the Third Party Loan pursuant to a Draw Request submitted to the Mortgage Loan Agent and Mortgage Lender in accordance with the Mortgage Loan Documents or to the Mezzanine Loan Agent and Mezzanine Lender in accordance with the Mezzanine Loan Documents, the Fund Member may call for additional capital to be contributed to the Company by a Member or the Members for the payment of amounts required to be funded and paid by such Member pursuant to this Section 4.2 by delivering or causing Developer or the Replacement Developer, as applicable, to deliver to such Member or the Members a Draw Request setting forth the amount allocated to each Member; provided, however, that the Coach Member shall pay or cause to be paid directly to Developer the amount of the Development Fee then due and payable by the Coach Member to Developer, if any, as provided in the Development Agreement. In the event that each or any Member is required to contribute capital to the Company for the payment of any amount required to be funded and paid by such Member pursuant to this Section 4.2 and with respect to which Developer or the Replacement Developer, as applicable, is not required to prepare or submit a Draw Request pursuant to the terms of the Development Agreement or the replacement development agreement entered into with the Replacement Developer, as applicable, then either Member may call for such capital to be contributed by the Members or such Member to the Company by delivering to each Member a written request for such contribution, setting forth the amount to be contributed by each Member or such Member (a "Capital Call Notice"). Each Member shall contribute to the Company within ten (10) days of its receipt of a Draw Request or a Capital Call Notice the amount set forth in such Draw Request or Capital Call Notice to be contributed by such Member. Each contribution made by a Member pursuant to this Section 4.2 is referred to herein as an "Additional Capital Contribution" and all of the contributions made by a Member pursuant this Section 4.2 are sometimes collectively referred to as the "Additional Capital Contributions" of such Member.

(d) Notwithstanding anything to the contrary contained in this Agreement, the Members acknowledge and agree that the Construction Loan will be funded by the Third Party Lender and the Coach Lender in accordance with their fixed pro rata percentages pursuant to the terms of the Loan Documents, and further acknowledge and agree that if as a result of the funding of Project Costs through the Construction Loan in the manner described above, the Coach Unit Loan has funded as of last day of the Construction Loan Funding Phase either more or less Coach Total Development Costs than would have been funded had the relative funding of advances of the Coach Unit Loan and the Third Party Loan been made in accordance with the provisions of Section 10.01(h)(i) of the Development Agreement, then concurrently with the funding by the Coach Member and the Fund Member of the first monthly Draw Request to be funded with Additional Capital Contributions, the following shall apply: (i) in the case of an overfunding of the Coach Unit Loan, the Fund Member to pay to the Coach Member the amount of such overfunding, or (ii) in the case of an underfunding of the Coach Unit Loan, the Coach Member shall pay to the Fund Member the amount of such underfunding, in either case in accordance with the provisions of Section 10.01(h)(ii) of the Development Agreement.

(e) In the event that the Development Agreement and Development Management Agreement are terminated and Developer is replaced by a Replacement Developer pursuant to Section 7.6 hereof, (i) the Coach Member shall or shall cause the Replacement Developer to prepare and submit to the Fund Member each Draw Request (including a copy of all supporting documentation to be submitted with such Draw Request to the Construction Lender), prior to the submission of such Draw Request to the Construction Lender, and (ii) the Fund Member shall have the right to review and dispute all or any portion of each Draw Request in accordance with the provisions of Section 4.02(b) of the Development Agreement, which for the purposes of this Section 4.2 are hereby incorporated herein as if fully set forth herein and all references therein to Developer, the Coach Member and Coach Total Development Costs shall instead refer to the Replacement Developer, the Fund Member and all Project Costs allocated to the Fund Member in accordance with the terms of this Agreement and the Development Agreement, respectively; it being acknowledged and agreed, however, that in no event shall any dispute with respect to any Draw Request prevent or delay the submission of such Draw Request to the Construction Lender or the Members, as applicable, for funding, or reduce the amount of any Draw Request so submitted.

4.3. Failed Capital Contributions and Remedies.

(a) If any Member (the "Non-Contributing Member") fails to timely make any Additional Capital Contribution (or any portion thereof) required pursuant to Section 4.2 (such amount is hereinafter referred to as the "Failed Contribution") and the other Member has funded all Additional Capital Contributions which it is required to fund as of such date, if any, then such Member, its Indirect Owners or their Affiliates (the "Contributing Member") may, at its election, fund all of the Failed Contribution as a Member Loan in accordance with Section 4.3(b).

(b) Any Failed Contribution made by the Contributing Member shall be a loan to the Non-Contributing Member (a "Member Loan"), which Member Loan shall be repaid from Cash Flow From the Building and/or Cash Flow From a Unit, as the case may be, otherwise distributable to the applicable Non-Contributing Member and shall bear interest at a per annum fixed rate equal to the Member Loan Interest Rate. Any Cash Flow From the Building and/or Cash Flow From a Unit, as applicable, or proceeds of liquidation used to repay any Member Loan as provided above shall be applied first to interest and then to the principal amount of such Member Loan. If any Member has made a Member Loan which has not been repaid prior to Closing, such Member Loan shall be paid in full by the Non-Contributing Member to the Contributing Member at Closing.

(c) Without limiting any of the other rights and remedies of any Member pursuant to this Agreement, but subject to the provisions of this Section 4.3(c), the Fund Member hereby grants and pledges to the Coach Member, as secured party, a security interest in the Fund Member's Membership Interest to secure its obligation to repay any Member Loans made by the Coach Member to the Fund Member in accordance with the provisions of this Section 4.3, and shall prepare and execute any documents, instruments and agreements, and such financing, continuation statements, and other instruments and documents as may be necessary to perfect, continue and enforce such security interest in favor of the Coach Member. The Coach Member acknowledges and agrees that: (i) it shall have no right to enforce or foreclose upon any such security interest unless and until (A) the Fund Member shall have failed to make any Additional Capital Contribution or Additional Capital Contributions required under Section 4.2(b) that individually or in the aggregate outstanding exceed $20,000,000, (B) the Coach Member shall have made a Member Loan or Member Loans to the Fund Member on account of such Failed Contribution(s), (C) if timely disputed by the Fund Member, the amount of each such Failed Contribution has been finally determined by the Arbiters pursuant to Section 3.10, and (D) the Fund Member or the Related/Oxford Guarantor fails to fully repay such Member Loan(s), including all accrued interest thereon, to the Coach Member within thirty (30) days after the later to occur of the date that (x) any such Member Loan or the Member Loan causing the aggregate principal amount of all such Members Loans outstanding to exceed $20,000,000 is made by the Coach Member, and (y) the determination referred to in clause (C) above has been made with respect to the Failed Contribution or Failed Contributions with respect to which such Member Loan or Members Loans were made by the Coach Member; and (ii) the enforcement of any security interest in the Fund Member's Membership Interest shall be subject to and comply in all respects with the applicable the Project Documents (unless such compliance is waived by the MTA or applicable party or parties thereto) and the Loan Documents (unless such compliance is waived by or on behalf of the Third Party Lender).

(d) Notwithstanding anything to the contrary set forth in this Agreement, in the event that the Coach Member shall fail to make any Additional Capital Contribution required under Section 4.2(b), one or more members of the Podium Fund JV shall have the right, but not the obligation, to make Member Loan(s) directly to the Coach Member on account of such Failed Contribution(s) in accordance with the terms of this Section 4.3, any such Member Loan shall be treated for all purposes of this Agreement as if the same had been a Member Loan made directly by the Fund Member to the Coach Member.

4.4. Capital Accounts.

(a) The Company shall maintain for each Member a separate capital account in accordance with the rules applicable to partnerships in Treasury Regulations Section 1.704-1(b)(2)(iv) (a "Capital Account").

(b) In the event any Membership Interest is transferred in accordance with the terms of this Agreement, the transferee shall succeed to the Capital Account of the transferor to the extent it relates to the transferred Membership Interest.

(c) Capital Accounts may be revalued as permitted in accordance with the provisions of Treasury Regulations Section 1.704-1(b)(2)(iv)(f).

4.5. Capital Withdrawal Rights, Interest and Priority. Except as expressly provided in this Agreement, no Member shall be entitled to withdraw or reduce such Member's Capital Account. A Member who withdraws or purports to withdraw as a Member of the Company without the consent of the other Member or as otherwise allowed by this Agreement (including, without limitation, as allowed pursuant to Section 3.8 hereof with respect to the Coach Member) shall be liable to the Company for any damages suffered by the Company on account of the breach and shall not be entitled to receive any payment of its Membership Interest or a return of its Capital Contribution until the time otherwise provided herein for distributions to Members.

4.6. Pledge of Interests; Fund Member Guaranties. The Members acknowledge and agree that (a) the Company shall cause Legacy Mezzanine to pledge and grant a security interest in 100% of its membership interest in Legacy Tenant to the Mezzanine Loan Agent for the benefit of the Mezzanine Lender as security for the Mezzanine Loan, (b) the Fund Member shall cause each Fund Member Guarantor to execute and deliver its Fund Member Guaranty for the benefit of the Third Party Lender with respect to the equity capital commitment made by each member of the Podium Fund JV (each a "Fund Member Equity Commitment" and collectively, the "Fund Member Equity Commitments") for the Additional Capital Contributions to be made by the Fund Member to the Company as and when required pursuant to the terms of this Agreement, and (c) the Coach Member shall cause Coach Guarantor to execute and deliver the Coach Funding Guaranty for the benefit of the Third Party Lender for the Additional Capital Contributions to be made by the Coach Member to the Company as and when required pursuant to the terms of this Agreement.

(ii) In accordance with Code Section 704(c) and the Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its initial Gross Asset Value.

(a) Subject to Section 4.3, each Member shall be entitled to receive and keep one hundred percent (100%) of the Cash Flow From a Unit attributable to the Unit that such Member has a beneficial ownership interest in (or the portion of the Project to become such Unit, including, for the avoidance of doubt, the Leasehold Estate with respect to such Unit). In the event the Company realizes any Cash Flow From a Unit, it shall remit such Cash Flow From a Unit to the Member having a beneficial ownership interest in or ownership of such Unit promptly upon receipt of same (in each case subject to the provisions of Section 4.3). In the event the Company realizes any Cash Flow From the Building (e.g., advertising on the sidewalk bridge or similar elements during construction), it shall (i) first allocate such revenues among the Units in accordance with the Percentage Interest of the Members in the Company, and (ii) then apply the portion of such revenues so allocated among the Units in accordance with each Member's applicable Allocable Share to the respective Project Costs of each Member (i.e., with respect to the Coach Member, such revenues shall be applied towards Coach Total Development Costs subject to and in accordance with the provisions of the Development Agreement, and with respect to the Fund Member, such revenues shall be applied towards other Project Costs).

(b) In the event that, to the extent permitted under the Loan Documents and the Project Documents, both Members unanimously approve a sale by Legacy Tenant of the Coach Unit or subject to the provisions of Section 7.2(b)(xvii) and Section 7.8, the Fund Member, in its sole discretion, determines to sell any Fund Member Unit, then (i) all net cash proceeds realized in connection with the sale of any of the Fund Member Units, after payment of all closing costs, transfer taxes, and broker's and finder's fees incurred in connection with the sale of such Fund Member Unit, any applicable release price with respect to such Fund Member Unit under the Third Party Loan, and any amounts then due hereunder or under the Development Agreement to the Coach Member (including any Member Loans), shall be paid to the Fund Member, and (ii) all net cash proceeds realized in connection with the sale of the Coach Unit, after payment of all closing costs, transfer taxes, and broker's and finder's fees incurred in connection with the sale of the Coach Unit, any amounts then due hereunder to the Fund Member (including any Member Loans), plus any unpaid Coach Total Development Costs and other amounts then due and payable under the Development Agreement, and the Coach Unit Loan shall be paid to the Coach Member.

(c) In the event that, to the extent permitted under the Loan Documents and the Project Documents, both Members unanimously approve the sale by Legacy Tenant of the entire Building or the Property (or an assignment of the Building C Lease), all net sales proceeds realized in connection with such sale, after payment of all closing costs, transfer taxes, and broker's and finder's fees incurred in connection therewith and payment in full of the Construction Loan, shall, subject to the provisions of Section 4.3, be applied and distributed, to the Members pari passu, in accordance with their respective Percentage Interest; it being acknowledged that the distribution of payments on and of a Member Loan shall be deemed to have been paid to the borrower thereunder and not to the Member receiving such payments.

(d) To the extent that all of the Units will be conveyed on the Closing Date or thereafter such that all of Legacy Tenant's assets shall have been distributed or conveyed, as the case may be, the Fund Member shall or shall cause Legacy Tenant and the Company to continue, even after all the Units have been distributed to the Members or other Persons, to (i) perform all remaining obligations of the Fund Member and the Company hereunder or the remaining obligations of Legacy Tenant with respect to the development and construction of the Project, and (ii) requisition remaining monies under the Third Party Loan and from the Coach Member to the extent payable by the Coach Member pursuant to the express provisions of this Agreement, including, without limitation, pursuant to Section 3.8(h) hereof, or the Development Agreement (subject, in the case of Coach Total Development Costs, to the Coach Costs Cap). The provisions of this Section 6.1(d) shall survive the Closing and the withdrawal of the Coach Member from the Company.

(e) Notwithstanding anything to the contrary contained herein, if (i) the Building, Property or the interest of Legacy Yards under the Building C Lease shall be sold or assigned in connection with a foreclosure or other enforcement action by the Mortgage Loan agent or any Mortgage Lender following the occurrence of an event of default under the Mortgage Loan Documents or (ii) the interests of the Company in Legacy Tenant shall be sold or assigned in connection with a foreclosure or other enforcement action by the Mezzanine Loan Agent or any Mezzanine Lender following the occurrence of an event of default under the Mezzanine Loan Documents (a "Foreclosure Sale"), and in the case of clause (i) or clause (ii) such event of default is caused by any act or omission by a Member or any of its Affiliates (the "Breaching Member"), then any excess proceeds after payment of all amounts due in respect of the Mortgage Loan or the Mezzanine Loan, as applicable, that may be payable to Legacy Tenant, Legacy Mezzanine or the Company in connection with such event of default and Foreclosure Sale shall be distributed (A) first, to the Member which is not the Breaching Member in the amount of its previously unreturned Capital Contributions, together with interest thereon at the rate of fifteen percent (15%) per annum, compounded quarterly, (B) second, to the Breaching Member in the amount of its previously unreturned Capital Contributions together with interest thereon at the rate of fifteen percent (15%) per annum, compounded quarterly, and (C) to the Members in accordance with their respective Percentage Interests.

(f) The Members agree that the Fund Member Units may continue to be owned by Legacy Tenant after the Closing and the withdrawal of the Coach Member from the Company. In such event, neither the Company nor any of its Subsidiaries shall be dissolved and the Fund Member shall be the sole member of the Company and control all aspects of the Company and its Subsidiaries, including the performance by the Company and its Subsidiaries of their respective obligations and the exercise by the Company and its Subsidiaries of their respective rights, and continue to perform the Fund Member's obligations and exercise its rights, under this Agreement, including, without limitation, under Section 6.1(d) above. Notwithstanding the foregoing, if such casualty or condemnation constitutes a Major Event and/or if the insurance proceeds or condemnation award received by the Company with respect to any casualty or condemnation are or is insufficient to fund in full the costs of such repair and restoration, then the Members shall, subject to the terms of the Loan Documents and the Project Documents, either agree (in their respective discretion) to sell the assets of the Company and, after paying all liabilities of the Company and its Subsidiaries, including, without limitation, the Construction Loan, liquidate the Company in accordance with the provisions of Article 11 hereof or, in the absence of such agreement, to make Capital Contributions or loans to fund the unfunded Project Costs of such repair and restoration, which, in the case of the Coach Member, shall be subject to the terms and conditions of the Development Agreement (including, without limitation, the Coach Costs Cap).

(b) If, prior to the date on which the Condominium Declaration is filed, the Company collects property insurance proceeds or condemnation awards and, after the completion of all required restoration, all of such monies have not been applied to the repair or restoration of the Building, then after paying any expenses of collecting the insurance and any amounts due with respect to the Construction Loan, the Fund Member shall allocate the remaining insurance proceeds or condemnation award among the Members (and disburse the proceeds or award to the Members) in proportion to the Member's Percentage Interests; provided that, subject to the terms of the Loan Documents, any such proceeds or award to the extent attributable to (i) the Coach Unit shall be allocated to the Coach Member and the Coach Lender, and (ii) any Fund Member Unit shall be allocated to the Fund Member and the Third Party Lender.

In addition, without limiting or expanding the rights or obligations of Developer or the Coach Member under the Development Agreement, the Fund Member and the Related/Oxford Guarantor shall have the right to cure any default by Developer under the Development Agreement and to participate in any Arbitration pursuant thereto, and to exercise all rights and perform all obligations of Developer under the Development Agreement, subject to and in accordance with the terms thereof.

(f) The Fund Member shall promptly and timely provide the Coach Member with copies of any written notice of default received under the Loan Documents, the Building C Lease or any other Project Documents or any other agreement to which the Company or any Subsidiary is a party.

7.5. Activities of Members. Any Member (as well as the members, partners, principals, shareholders, officers and directors of each Member and each Indirect Owner) may engage in and have an interest in other business ventures of every nature and description, independently or with others, including, but not limited to, the ownership, financing, leasing, operating, construction, rehabilitation, renovation, improvement, management and development of real property whether or not such real property is directly or indirectly in competition with the Project. Neither the Company nor any other Member shall have any rights by virtue of this Agreement in and to such independent ventures or the income or profits derived therefrom, regardless of the location of such real property and whether or not such venture was presented to such Member or person as a direct or indirect result of its connection with the Company or the Project.

7.6. Development Agreement; Development Management Agreement.

(a) The Members acknowledge and agree that Legacy Tenant has entered into the Development Management Agreement with Developer, an Affiliate of Fund Member, that the Coach Member has entered into the Development Agreement with Developer, and that Developer is contractually obligated to take certain actions and the Coach Member has certain approval and consent rights with respect to the Project pursuant to the Development Agreement. Subject to the terms of Section 7.6(b), the Fund Member agrees that it shall not take, and shall not cause or permit the Company or any Subsidiary to take, any action in violation of or which conflicts with the obligations of Developer under the terms of the Development Agreement.

(b) Notwithstanding anything to the contrary contained in this Agreement or the Development Agreement, in the event that the Coach Member shall deliver a Removal Notice in accordance with the terms of Section 7.7(a), then subject to the terms and conditions of the Loan Documents and the Project Documents, the Coach Member shall have the right to terminate or cause Legacy Tenant to terminate each of the Development Agreement, the Development Management Agreement and the Executive Construction Management Agreement, without the consent or approval of the Fund Member. Upon any such termination of the Development Agreement, the Development Management Agreement and the Executive Construction Management Agreement, the Coach Member shall, in consultation with (but without approval by) the Fund Member, and in compliance with the terms of the Loan Documents and the Project Documents, select and retain an Approved Replacement Developer for the Project and cause Legacy Tenant to enter into a replacement development agreement for the Project with such Approved Replacement Developer on such terms and conditions as the Coach Member shall, in consultation with the Fund Member, determine in its sole but good faith discretion and in compliance with the terms of the Loan Documents and the Project Documents; provided that such replacement development agreement shall provide for allocation of Project Costs to the Coach Member and the Fund Member in accordance with the Cost Allocation Methodology and shall otherwise not be inconsistent with the rights and obligations of the Members under this Agreement.

(c) In the event of any termination of the Development Agreement, the Development Management Agreement, and the Executive Construction Manager, and the replacement of Developer, in accordance with the terms of this Agreement and the Loan Documents, the Fund Member shall and shall cause Developer and the Executive Construction Manager to reasonably cooperate with the Coach Member and the Replacement Developer, and to deliver to the Replacement Developer all Plans, books and records and other materials with respect to the development and construction of the Project in the possession of Developer and the Executive Construction Manager for use solely in connection with the completion of the construction of the Project. Subject to the terms of the Loan Documents and the rights of the Construction Lender thereunder, Developer and the Executive Construction Manager shall assign, and the Replacement Developer shall assume, the Construction Management Agreement and, to the extent assignable, all trade contracts and other agreements with respect to the Project to which Developer or Construction Manager is a party, effective as of the date of the termination of the Development Management Agreement and the Executive Construction Agreement.

(a) In the event that (i) Developer shall fail to achieve any of the third through the thirteenth Major Milestone Events set forth in Section 6.02 (a) of the Development Agreement within nine (9) months of the applicable Major Milestone Outside Date (as extended on a day-for-day basis by reason of Force Majeure, Coach Change Delays extending beyond the Change Order Grace Period or Coach Work Delays) in accordance with the terms of the Development Agreement, and in the event of any dispute with respect thereto, it shall have been determined by the Arbiters pursuant to Article 14 of the Development Agreement or the final, non-appealable judgment of a court of competent jurisdiction that Developer failed to achieve such milestone, (ii) the Fund Member shall have been grossly negligent, engaged in willful misconduct or committed fraud in connection with the management of the Company and its Subsidiaries or the construction of the Project, or misappropriated Project funds or insurance proceeds, and in the event of any dispute with respect thereto, it shall have been determined by the Arbiters pursuant to Section 3.10 or the final, non-appealable judgment of a court of competent jurisdiction that the Fund Member was grossly negligent, engaged in such willful misconduct, committed such fraud or misappropriated such funds or proceeds, as the case may be, or (iii) an Event of Default occurs and is continuing with respect to the Fund Member (but not any other Person) under Section 10.1(a) or Section 10.1(b), and in the event of any dispute with respect to any such Event of Default under Section 10.1(b), it shall have been determined by the Arbiters pursuant to Section 3.10 or the final, non-appealable judgment of a court of competent jurisdiction that such Event of Default occurred with respect to the Fund Member (any of the events described in this clause (iii) or in clause (i) or clause (ii) above, a "Management Change Event"), then, in any such case and subject to compliance by the Coach Member with the terms and conditions of the Loan Documents and the Project Documents, the Coach Member shall have the right, by written notice given to the Fund Member (a "Removal Notice") at any time following the occurrence of such Management Change Event but, in the case of a Management Change Event described in clause (i) above, prior to the date on which such Major Milestone Event is achieved, to assume the right to make all decisions affecting the day-to-day operation of the Company's business and the discretion in the management and control of the business of the Company granted to the Fund Member hereunder, including, but not limited to, the matters contained in Article 3, subject to and in accordance with the terms of this Agreement. From and after the delivery by the Coach Member of a Removal Notice, the Coach Member (x) shall be deemed to have all discretion in the management and control of the business of the Company and its Subsidiaries, and the right to make all decisions affecting the day-to-day operation of the business of the Company and its Subsidiaries, subject to and in accordance with the terms of this Agreement, (y) will have full power and authority to execute and deliver in the name of and on behalf of the Company and its Subsidiaries such documents or instruments as the Coach Member deems appropriate for the conduct of the business of the Company in accordance with this Agreement, the business of Legacy Tenant in accordance with the terms of the Tenant LLC Agreement and the business of Legacy Mezzanine in accordance with the Mezzanine LLC Agreement, and (z) no Person dealing with the Company or any Subsidiary will be required to inquire into the authority of the Coach Member to take any action or make any decision. The Coach Member acknowledges and agrees that it shall have no authority in such capacity to take any action or make any decision in violation of the terms of this Agreement, the Tenant LLC Agreement, the Mezzanine LLC Agreement, the Loan Documents or the Project Documents, and the Members acknowledge and agree that the assumption of management of the Company by the Coach Member shall have no effect on the obligations and limitations of the Members to provide funding to the Company or the Project as provided herein and the Development Agreement.

(b) From and after the delivery by the Coach Member of a Removal Notice in accordance with the terms of Section 7.7(a), the approval of the Fund Member shall not be required with respect to any Major Decision pursuant to:

(i) clauses (ii), (xviii), (xxiii), (xxvi), (xxvii), (xxx), (xxxi) or (xxxii) of Section 7.2(b);

(ii) clause (i) of Section 7.2(b), provided that a change to the Plans or Construction Documents does not affect in any material respect the overall design of the Building or the construction of the Building in accordance with a first class standard, is reasonably necessary in order to achieve Final Completion in accordance with the terms of the Development Agreement, the Loan Documents or the Project Documents, and does not adversely affect in any material respect the Fund Member Units in any discriminatory manner;

(iii) clause (iii) of Section 7.2(b), except with respect to any modification of the Cost Allocation Methodology;

(iv) clause (ix) of Section 7.2(b), provided that any such amendment, modification, supplement or termination of any Loan Document does not adversely affect in any material respect any economic terms of the Construction Loan and is reasonably necessary in order to achieve Final Completion in accordance with the terms of the Development Agreement; provided, however, that the consent of the Fund Member shall be required in connection with any amendment, modification or supplement or termination of, or any amendment, modification, supplement or termination of any Loan Document that limits the rights or increase the obligation of the guarantor under, any of Construction Loan Guaranties.

(v) clause (x) of Section 7.2(b), provided that any indebtedness or Encumbrance affects the Project as a whole, is reasonably necessary in order to achieve Final Completion in accordance with the terms of the Development Agreement, and does not affect the use and occupancy of the Fund Member Units for their permitted purposes;

(vi) clauses (xx) and (xxviii) of Section 7.2(b), provided that any amendment, modification or supplement to the terms of the Building C Lease or any Project Document does not adversely affect in any material respect any economic terms thereof, is reasonably necessary in order to achieve Final Completion in accordance with the terms of the Development Agreement, and does not affect the use and occupancy of the Fund Member Units for their permitted purposes or the rights and obligations of the Fund Member as the owner of the Fund Member Units.

For the avoidance of doubt, from and after the delivery of a Removal Notice in accordance with the terms of Section 7.7, the Fund Member shall retain the right to approve any Major Decision pursuant to clauses (vi), (vii), (viii), (xi), (xii), (xiii), (xiv), (xv), (xvi), (xvii), (xix), (xxi), (xxiv), (xxv) and (xxix) of Section 7.2(b); clause (iv), except for any increase or change in the capital commitment of the Fund Member due to changes or increases in Project Costs; clause (v) of Section 7.2 (b), except for any dilution, decrease or reduction in the Fund Member's rights pursuant to this Section 7.7; and clause (xxii) of Section 7.2(b), except and to the extent an amendment, modification or supplement to the Condominium Documents is reasonably necessary in order to form the Condominium and record the applicable Condominium Documents in compliance with applicable Law (and does not affect the use and occupancy of the Fund Member Units for their permitted purposes).

(c) Upon the delivery by the Coach Member of a Removal Notice in accordance with the terms of Section 7.7(a) or any foreclosure of the security interest granted to the Coach Member pursuant to Section 4.3(c), the Coach Member shall cause the Coach Guarantor to execute and deliver to the (i) Mortgage Loan Agent a Guaranty of Recourse Obligations and an Environmental Indemnity Agreement in accordance with the terms of the Mortgage Loan Documents, which Guaranty of Recourse Obligations and Environmental Indemnity Agreement shall, upon such delivery, be included within the definition of Mortgage Loan Guaranties, and (ii) the Mezzanine Loan Agent a Mezzanine Guaranty of Recourse Obligations and a Mezzanine Environmental Indemnity Agreement in accordance with the terms of the Mezzanine Loan Documents, which Mezzanine Guaranty of Recourse Obligations and Mezzanine Environmental Indemnity Agreement shall, upon such delivery, be included within the definition of Mezzanine Loan Guaranties. The Coach Member shall deliver an opinion or opinions of counsel with respect to the enforceability of such Guaranties of Recourse Obligations and Environmental Indemnity Agreements as the Mortgage Loan Agent or the Mezzanine Loan Agent shall require in accordance with the terms of the Mortgage Loan Documents or the Mezzanine Loan Documents, as applicable.

7.8. Rights of Fund Member.

(a) Without limiting any of the other rights and remedies of the Fund Member pursuant to this Agreement, but subject to the provisions of this Section 7.8, if (i) the Coach Member shall have failed to make any Additional Capital Contribution or Additional Capital Contributions as and when required pursuant to this Agreement that individually or in the aggregate exceed $20,000,000, (ii) the Fund Member shall have made a Member Loan or Member Loans to the Coach Member on account of such Failed Contribution(s), (iii) the amount of each such Failed Contribution has been finally determined by the Arbiters pursuant to Section 3.10 to be due and payable by the Coach Member, and (iv) the Coach Member or the Coach Guarantor fails to fully repay such Member Loans(s), including all accrued interest thereon, to the Fund Member on or prior to the Closing Date, then the Fund Member shall have the right at any time from and after the Substantial Completion Date to: (A) amend, modify or supplement the Condominium Documents to the extent reasonably necessary in order to form the Condominium and record the applicable Condominium Documents in compliance with applicable Law (provided that any such amendment, modification or supplement does not affect the use and occupancy of the Coach Unit for its permitted purposes), and to record the Condominium Documents, without the consent or approval of the Coach Member, and (B) following the creation of the Condominium, to take any or all of the following actions, without the consent or approval of the Coach Member: (1) acquire fee title to, lease, sell or otherwise transfer, including pursuant to any Transfer, any or all of the Fund Member Units or any portion thereof; (2) subsever the Property into two or more subsevered parcels, including, without limitation, a subsevered parcel with respect to all of the Fund Member Units or the Coach Unit, and enter into (x) a separate severed parcel lease with the MTA with respect to each such subsevered parcel pursuant to and in accordance with the terms of the Building C Lease and (y) each of the IDA Documents with respect to each such subsevered parcel in accordance with the terms of the PILOT Documents; (3) sever the lien of each of the mortgages securing the Mortgage Loan and the Mortgage Loan Documents in accordance with the terms thereof to separately evidence and secure the Coach Mortgage Loan and the Third Party Mortgage Loan, and the PILOT Mortgage and the IDA Documents in accordance with the terms of the IDA Documents; (4) obtain a release of any or all of the Fund Member Units from the lien of each of the mortgages securing the Mortgage Loan and the Mortgage Loan Documents or any severed mortgage and loan documents evidencing and securing the Third Party Mortgage Loan in accordance with the applicable terms thereof; (5) sever the Mezzanine Loan Documents to separately evidence and secure the Third Party Mezzanine Loan and the Coach Mezzanine Loan in accordance with the applicable terms thereof; (6) extend the term of the Mortgage Loan or the Third Party Mortgage Loan and/or the Mezzanine Loan or Third Party Mezzanine Loan in accordance with the terms of the applicable Loan Documents; (7) repay or refinance Third Party Mortgage Loan secured by a severed mortgage lien on the Fund Member Units and the Third Party Mezzanine Loan or the Mezzanine Loan; (8) mortgage, pledge or otherwise encumber the Fund Member Units, and the leasehold estate under any subsevered parcel lease entered into with respect to the Fund Member Units or, if the Fund Member shall have caused the Company to enter into a subsevered parcel lease with respect to the Coach Unit, the Building C Lease, provided that any subsevered parcel lease with respect to the Coach Unit shall not be subject to any lien or encumbrance in connection therewith, other than pursuant to the any severed Mortgage Loan Documents evidencing and securing the Coach Mortgage Loan, the IDA Documents and any Permitted Encumbrance; (9) Transfer all or any part of the Fund Member's Membership Interest, and (10) otherwise deal with the Fund Member Units and its interest therein and its Membership Interest in the Company as if the Closing had occurred. In no event shall the Fund Member have any obligation, pursuant to this Section 7.8(a) or otherwise, to pay all or any portion of the Coach Unit Loan. In the event that the Fund Member shall repay the Coach Mezzanine Loan pursuant to this Section 7.8(a), the Coach Member shall be obligated to pay to the Fund Member the full amount of the Coach Mezzanine Loan.

(b) If the Fund Member exercises any of its rights pursuant to Section 7.8(a), then (i) the Coach Member shall be responsible for the payment of any and all transfer taxes, mortgage recording taxes, recording fees, and title premiums payable with respect to any new owners or mortgagee title insurance policy required in connection therewith, and (ii) the Fund Member shall have the right to pay any expense that would otherwise be required to be paid by the Coach Member at Closing, including, but not limited to, the cost to remove any Title Defect or to satisfy any Material Litigation, and the amount of any expense actually incurred by Legacy Tenant, Legacy Mezzanine, the Fund Member or its designee that acquires title to the Fund Member Units, pursuant to clauses (i) and (ii) shall be paid or reimbursed to the Fund Member by the Coach Member. The obligations of the Coach Member pursuant to this Section 7.8 are guaranteed by the Coach Guarantor subject to and in accordance with the Coach Guaranty, and shall survive the Closing and the withdrawal of the Coach Member from the Company and the termination of this Agreement.

7.9. Affiliate/Project Architect Agreements. Notwithstanding anything to the contrary contained in this Agreement, if (a) either (i) Developer or any other Affiliate of the Fund Member breaches or fails to comply with any of its material obligations under the Development Management Agreement or any agreement between the Company or Legacy Tenant and such Affiliate with respect to the Project (each an "Affiliate Agreement"), and such breach or failure to comply continues beyond the expiration of any applicable notice and cure period therein provided, (ii) Developer or any other Affiliate of the Fund Member shall have engaged in willful misconduct, fraud or gross negligence with respect to the Project, or (iii) the Project Architect breaches or fails to comply with any of its obligations under the Project Architect Agreement and (b) the Fund Member shall fail to cause the Company or Legacy Tenant, as applicable, to take commercially reasonable steps to enforce against Developer, such Affiliate or the Project Architect, as applicable, the obligations of such party or any claim which the Company or Legacy Tenant may have under such Affiliate Agreement or the Project Architect Agreement with respect to such breach or failure to comply or bad act, then the Coach Member may notify the Fund Member of such failure and request that the Fund Member cause the Company to take action to enforce any claim the Company or Legacy Tenant, as applicable, may have under such Affiliate Agreement or the Project Architect Agreement. If such failure shall continue for five (5) Business Days after such notice (of if after such five-Business Day period the Fund Member shall not be continuing to diligently pursue the enforcement of the applicable claim(s) the Company or Legacy Tenant may have under such Affiliate Agreement or the Project Architect Agreement), or if the "owner" under such Affiliate Agreement shall otherwise become entitled to terminate such Affiliate Agreement, as the case may be, pursuant to the terms thereof, then the Coach Member shall thereafter have the right (but not the obligation) to exercise, on behalf of the Company or Legacy Tenant, as applicable, all rights of the Company or Legacy Tenant, as the case may be, as a party to any such Affiliate Agreement or the Project Architect Agreement to enforce the rights of "owner" under any such agreement, including the right to terminate such Affiliate Agreement or the Project Architect Agreement (if and to the extent such Affiliate Agreement or the Project Architect Agreement provides for such termination as a remedy under such circumstances) and/or to institute litigation against Developer, Affiliate or the Project Architect, in each case upon and subject to the applicable provisions of such Affiliate Agreement or the Project Architect Agreement (including, without limitation, any notice requirements and cure periods provided for therein to the extent such cure periods shall not theretofore have expired).

7.10. Subsidiaries. The Fund Member shall cause the Company to manage the business and affairs of each Subsidiary to the same extent and subject to the same limitations as it is authorized and obligated to manage the business and affairs of the Company. For the avoidance of doubt, all Subsidiaries shall be governed, managed and operated on the same basis as set forth herein with respect to the Company and, without limiting the foregoing, any matter that is a Major Decision with respect to the Company shall be a Major Decision with respect to each Subsidiary and may not be taken by a subsidiary of the Company without the unanimous consent of the Members as herein provided. For the avoidance of doubt, the fact that certain provisions of this Agreement specifically refer to both the Company and any Subsidiary, while others refer only to the Company, shall not limit the application of this Section 7.10.

ARTICLE 8
LIABILITY AND INDEMNIFICATION; INSURANCE

8.1. Limited Liability of Members.

(a) No Member or Indirect Owner, in such capacity, shall (i) be liable for the debts, liabilities, contracts or any other obligation of the Company, except to the extent expressly provided in this Agreement or in the Act, (ii) be liable for the debts or liabilities of any other Member, (iii) be required to contribute to the capital of, or loan, the Company any funds other than as expressly required in this Agreement, (iv) be liable, except as provided in this Agreement or as required by the Act, for the return of all or any portion of the Capital Contributions of any Member, or (v) except as otherwise expressly provided in this Agreement, have any priority over any other Member as to the return of its contributions to capital or as to compensation by way of income. Except as expressly provided in the Act or this Agreement, all debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Member or Indirect Owner shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Member or Indirect Owner. Notwithstanding the foregoing, nothing herein shall effect or limit in any manner the Coach Guaranty or the Related/Oxford Guaranty.

(b) Except as expressly required by the Act or this Agreement, a Member shall not have any liability in excess of the amount it has committed to contribute or pay hereunder.

8.2. Liability of Members.

(a) A Member shall only be liable to make the payment of the Member's Capital Contributions in accordance with the provisions of this Agreement, which, for the avoidance of doubt, shall include all amounts that (i) the Coach Member is required to pay or contribute pursuant and subject to the terms of this Agreement and the Development Agreement (including, without limitation, the Coach Costs Cap) or (ii) the Fund Member is required to pay or contribute pursuant and subject to the terms of this Agreement (and, in addition, the foregoing shall not be deemed to vitiate a Member's obligation to make other payments expressly provided for in this Agreement). No Member shall, by virtue of its interest as a Member or an owner of a Membership Interest, be liable for any debts, obligations or liabilities of the Company.

(b) No distribution to any Member shall be deemed a return or withdrawal of a Capital Contribution unless so designated by the Company, and no Member shall be obligated to pay any such amount to or for the account of the Company or any creditor of the Company except as otherwise required by law.

(c) Except as otherwise required by law, no Member with a negative balance in such Member's Capital Account shall have any obligation to the Company or any other Member to restore said negative balance to zero.

8.3. Right to Indemnification.

(a) Subject to the limitations and conditions provided in this Article 8 and in the Act, including, without limitation, Section 8.4, and only to the extent not covered by insurance, each Person (an "Indemnified Person") who is made a party or is threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitrative or investigative ("Proceeding"), or any appeal in a Proceeding or any inquiry or investigation that could lead to a Proceeding, by reason of the fact that he, she or it was or is a Member or an Indirect Owner, or he, she or it was or is the legal representative of or a manager, director, officer, partner, member, co-venturer, proprietor, trustee, employee, agent or Affiliate of a Member, or any guarantor of such Member's obligations hereunder, shall be indemnified by the Company against judgments, penalties (including excise and similar taxes and punitive damages), fines, settlements and reasonable costs and expenses (including attorneys' fees and expenses) actually incurred by such Indemnified Person in connection with the defense or settlement of such Proceeding if (i) such Indemnified Person acted in good faith and in a manner he, she or it reasonably believed to be in, or not opposed to, the best interest of the Company and (ii) the Indemnified Party's conduct did not constitute gross negligence or willful or wanton misconduct or a breach of this Agreement. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the Indemnified Person did not act in good faith and in a manner which he, she or it reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal action or proceeding, that the Indemnified Person had reasonable cause to believe that his, her or its conduct was unlawful.

(b) The aforesaid indemnity shall apply only to third party claims made against an Indemnified Person, and shall not apply to or cover any claims or suits or proceedings made or asserted or instituted by any Member or any of its Affiliates against the other Member or any of its Affiliates (including the Coach Lender, the Coach Guarantor, the Related/Oxford Guarantor or Developer), or any loss, liability, cost or expense suffered by such Member or any of its Affiliates as a result of any such claim or suit or proceeding, under this Agreement, the Development Agreement, the Loan Documents, the Coach Guaranty or the Related/Oxford Guaranty. In addition, the aforesaid indemnity shall not apply to or cover any claim or suit or proceeding made or asserted or instituted against (or any loss, liability, cost or expense suffered by) the Fund Member, Developer, Related, Oxford Guarantor or any of their respective Affiliates or their respective legal representatives, managers, directors, officers, partners, members, co-venturers, proprietors, trustees, employees or agents, arising out of or under any of the guarantees or indemnifications or undertakings provided by any of them to the Construction Lender or the MTA Parties, unless and to the extent such claim or suit or proceeding arises out of any act or, where there is an affirmative obligation of the Coach Member to act, any omission, by the Coach Member or any of its Affiliates.

(c) The satisfaction of any indemnification under this Section 8.3 or under Section 3.11(c) shall be a Project Cost and each Member shall be responsible for its proportionate share thereof based on their respective Percentage Interest (subject, in the case of the Coach Member, to the Coach Costs Cap).

8.4. Member Indemnity. Each Member (in such capacity, a "Member Indemnitor") shall indemnify the Company, the other Member and any Affiliate, legal representative, manager, director, officer, partner, member, co-venturer, proprietor, trustee, employee, or agent of such other Member, and the Related/Oxford Guarantor, if the Coach Member is the Member Indemnitor, or the Coach Guarantor and the Coach Lender, if the Fund Member is the Member Indemnitor (each a "Member Indemnified Person"), and shall hold each Member Indemnified Person harmless from and against any claims, judgments, penalties, fines, settlements, damages, liabilities, and costs and expenses (including reasonable attorneys' fees and expenses) actually incurred by such Member Indemnified Person (i) by reason of, or in connection with, the construction by or on behalf of such Member Indemnitor of any Finish Work in the Unit or Units owned (or beneficially owned) by the Member Indemnitor, (ii) arising out of or resulting from the fraud or willful misconduct of such Member Indemnitor or any of its Affiliates or any of its constituent direct or indirect investors, or a breach by any such Person of this Agreement, the Development Agreement or any of the Loan Documents or (iii) arising out of, or otherwise resulting from the breach by such Member Indemnitor or any of its Affiliates of the Project Documents, in each case unless the Member Indemnified Person's actions constitute gross negligence or willful or wanton misconduct or a breach of this Agreement. In addition, the Fund Member, as Member Indemnitor, shall indemnify the Coach Member and its other Member Indemnified Persons, and shall hold the Coach Member and each such other Member Indemnified Person harmless, from and against any claims, judgments, penalties, fines, settlements, damages, liabilities, and costs and expenses (including reasonable attorneys' fees and expenses) arising out of or in connection with any claim for commission or similar fee under the L'Oreal Brokerage Agreement. In no event shall any Member be liable for, and each Member, on behalf of itself and its respective Affiliates, hereby waives any claim for, any special, punitive or consequential damages, including loss of profits or business opportunity arising under or in connection with this Agreement. Without limiting the terms of the Coach Guaranty or the Related Oxford Guaranty, the satisfaction of any indemnification provided for in this Section 8.4 shall be made from, and limited to, the Membership Interest of the Member Indemnitor.

8.5. Survival. The rights granted under Section 8.3 and Section 8.4 shall continue as to a Person who has ceased to serve in the capacity which initially entitled such Person to indemnity hereunder and shall be deemed contract rights, and no amendment, modification or repeal of this Article 8 shall have the effect of limiting or denying any such rights with respect to actions taken or Proceedings arising prior to any such amendment, modification or repeal.

8.6. Advance Payment. The right to indemnification conferred by Section 8.3, subject to the terms and conditions of such provision, shall include the right to be paid or reimbursed by the Company for the reasonable expenses incurred in advance of the final disposition of the Proceeding and without any determination as to the Person's ultimate entitlement to indemnification; provided, however, that the payment of such expenses incurred in advance of the final disposition of a Proceeding shall be made only upon delivery to the Company of (a) a written affirmation by such Person of his, her or its good faith belief that he, she or it has met the standard of conduct necessary for indemnification under this Article 8, (b) a written undertaking, by or on behalf of such Person, to repay all amounts so advanced if it shall ultimately be determined that such Person is not entitled to be indemnified under this Article 8 or otherwise, and (c) a pledge of such Person's (or the applicable Member's) Membership Interest in form reasonably acceptable to the other Member to secure the repayment obligation described in the foregoing clause (b).

8.7. Nonexclusivity of Rights. The right to indemnification and the advancement and payment of expenses conferred by this Article 8 shall not be exclusive of any other right which a Person may have or hereafter acquire under any law (common or statutory), provision of the Articles, or otherwise.

8.8. Savings Clause. If Section 8.3 or Section 8.4 or any portion of either thereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company or the Member Indemnitor, as applicable, shall nevertheless indemnify and hold harmless each Indemnified Person or Member Indemnified Person, as applicable, as to costs, charges and expenses (including attorneys' fees and expenses), judgments, fines and amounts paid in settlement with respect to any Proceeding to the full extent permitted by any applicable portion of this Article 8 that shall not have been invalidated.

8.9. Insurance. During the performance of Developer Work, the Company shall cause Legacy Tenant to carry such insurance in at least the amounts and types required under the Loan Documents and the Project Documents. In addition, the Company shall obtain and maintain insurance, at the Company's expense, on behalf of the Members and such other Persons as the Members shall determine, against any liability that may be asserted against, or any expense that may be incurred by, such Person in connection with the activities of the Company and/or the Members' acts or omissions as the Members of the Company regardless of whether the Company would have the power to indemnify such Person against such liability under the provisions of this Agreement. The cost of all insurance obtained by the Legacy Tenant or the Company pursuant to this Section 8.9, or by Developer pursuant to the Development Agreement, shall be a Project Cost as set forth in the Budget (subject, in the case of the Coach Member's allocable share thereof, to the Coach Costs Cap), and, during the term of the Construction Loan, premiums for all such insurance shall be funded to a reserve held by the Mortgage Loan Agent or Mezzanine Loan Agent for the payment of insurance premiums pursuant to the terms of the Loan Documents.

ARTICLE 9
TRANSFERS OF INTERESTS

9.1. General Restrictions.

(a) Prior to the Closing and the conveyance of the Coach Unit to the Coach Member pursuant to this Agreement, no Member may, directly or indirectly, transfer, sell, convey, assign, mortgage, pledge, hypothecate, or otherwise dispose of or encumber all or any part of such Member's Membership Interest (each of the foregoing a "Transfer"), or cause, permit or suffer to occur any Transfer, except as expressly required or permitted under this Agreement or with the prior written consent of the other Member. As used in this Section 9.1, a "Transfer" also includes with respect to a Member or any Indirect Owner of such Member that is not a natural person, (i) a Transfer in respect of any ownership interest in such Member or Indirect Owner, and (ii) except as expressly permitted under this Agreement, any change in Control of such Member. Any purported Transfer of a Membership Interest in violation of the terms of this Agreement shall be null and void ab initio and of no effect. A Transfer permitted hereunder shall be effective as of the date specified in the instruments relating thereto. Any Transfer made by any permitted transferee hereunder shall be subject to the provisions of this Article 9 to the same extent and in the same manner as any Member desiring to make any Transfer.

(b) A Transfer shall not include, for any purpose under this Agreement, any direct or indirect, issuance, transfer, sale, conveyance, assignment, mortgage, pledge, hypothecation, or other disposition or encumbrance, however structured, in respect of any direct or indirect interest in, or any change in Control of, any Person whose securities are listed on a nationally or internationally recognized exchange or quotation system (such Person, a "Public Person"), which shall include, without limitation, the merger, consolidation or combination of a Public Person with or into any other Person (regardless of which party is the surviving Person and regardless of whether the surviving Person continues to be a Public Person), or the sale, assignment, conveyance or other disposition of all or substantially all of the assets of a Public Person to any Person (regardless of whether the assignee is or continues to be a Public Person). A Transfer shall also not include (i) any lease of all or any portion of any Unit entered into in accordance with the terms of this Agreement, (ii) any transfer of the Fund Member's Membership Interest made pursuant to Section 4.3(c), (iii) any change in Control of the Company pursuant to Section 7.8 or in the Fund Member upon or at any time following any change in Control of the Company pursuant to Section 7.8 or any change in Control of Coach Guarantor at any time, or (iv) any Transfer made as a result of any foreclosure or other enforcement action taken by the Mezzanine Loan Agent, on behalf of the Mezzanine Lender, or the Mezzanine Lender under the Mezzanine Loan Documents.

(c) Notwithstanding the prohibitions contained in Section 9.1(a) (but subject to, and without limiting, the provisions of Section 9.1(b)), the following Transfers shall be permitted:

(i) the Coach Member may, without the consent or approval of the Fund Member, (A) admit as debt and equity members or partners, directly or indirectly, into the Coach Member, (B) Transfer all or any part of its Membership Interest to, and (C) may cause or permit the interest of any Indirect Owner of the Coach Member to be Transferred to (1) the Coach Lender or its Affiliates, (2) the Coach Guarantor or one or more other Affiliates of the Coach Member or the Coach Guarantor, (3) an entity created by merger, reorganization or recapitalization of or with the Coach Guarantor or any of its Affiliates, (4) a purchaser of all or substantially all of the assets of the Coach Guarantor or any of its Affiliates or of a controlling interest in the Coach Guarantor or any of its Affiliates, or (5) any of the direct or indirect constituent members of the Coach Member, provided that (x) following such Transfer, the Coach Member shall continue to be Controlled directly or indirectly by the Coach Guarantor or the purchaser of all or substantially all of the assets of or a controlling interest in, or any successor by merger, reorganization or recapitalization of or with, the Coach Guarantor, (y) such Transfer shall not impair, vitiate or otherwise adversely affect the Coach Guaranty made by the Coach Guarantor (or any replacement guarantor(s) acceptable to the Fund Member), and (z) the Coach Member shall be responsible for all costs and expenses in connection therewith (including, without limitation, any state or local transfer taxes that may arise as a result of such Transfer); and

(ii) the Fund Member may, without the consent or approval of the Coach Member, (A) admit as debt and equity members or partners directly or indirectly into the Fund Member, (B) Transfer all or any part of its Membership Interest to (1) Related or any other Affiliate of the Fund Member or the Related/Oxford Guarantor, or (2) among the direct or indirect constituent members of the Fund Member, and (C) cause or permit the interest of any Indirect Owner of the Fund Member to be Transferred, provided that (w) following such Transfer, unless a Removal Notice has been delivered by the Coach Member pursuant to Section 7.7 hereof, (i) the Fund Member shall continue to be Controlled by Related or Related and Oxford, it being acknowledged and agreed that a change in Control of the Fund Member may occur upon or following the giving of a Removal Notice, and (ii) Related and Related Affiliates shall continue to own (directly or indirectly) at least 75% of the economic interest in the Fund Member owned by Related as of the date hereof (of which 15% may be owned by Related Affiliates), (x) such Transfer shall not impair, vitiate or otherwise affect the Related/Oxford Guaranty made by the Related/Oxford Guarantor (or any replacement guarantor(s) approved by the Coach Member), (y) such Transfer shall be permitted (or all required consents thereto shall have been obtained) under the Building C Lease and other Project Documents and from the Third Party Lender under the Loan Documents, and (z) the Fund Member shall be responsible for all costs and expenses in connection therewith (including, without limitation, any state or local transfer taxes that may arise as a result of such Transfer); and

(iii) any Transfer that constitutes a Permitted Estate/Family Transfer shall be permitted, without the consent or approval of the other Member, provided that any such Transfer shall comply with the foregoing provisions of this Section 9.1(c).

(d) Notwithstanding the foregoing provisions of Section 9.1(c), neither the Coach Member nor the Fund Member shall have the right, at any time, to consummate or agree to consummate any Transfer which has the effect of either diluting the other Member's equity interest in and to the Company or which will otherwise result in a decrease in the other Member's rights, entitlements and/or benefits contained herein with respect to the Company, the Company's business and/or the Company's assets.

(e) For purposes of clarity, (i) any Indirect Owner of any interest in the Company shall have the right to pledge its indirect interest in the Company as security for any default member loan, and Person having an ownership interest, whether direct or indirect, legal or beneficial, in Podium Fund JV other than Podium Fund MM shall have the right to pledge its indirect interest in the Company as security for any debt or otherwise, and (ii) the Fund Member shall have the right to enter into any lease or any agreement to sell or otherwise transfer fee simple title to all or any portion of any of the Fund Member Units with any Person other than a Retail Premises Competitor or Additional Office Premises Competitor without the consent or approval of the Coach Member, subject to and in accordance with the terms and conditions of the Project Documents and the Loan Documents, provided that, except as otherwise provided in Section 7.8(a), the Tenant under any lease of the Additional Office Units shall not be permitted to occupy the premises demised under such lease, and any sale or other transfer of fee title to any of the Fund Member Units shall not occur or close pursuant to any such agreement, as applicable, prior to Substantial Completion and the consummation of the Closing and conveyance of the Coach Unit to the Coach Member in accordance with the terms of this Agreement. Nothing in this Section 9.1(e) or any other provisions of this Agreement shall prohibit (A) Legacy Tenant, Developer or any Tenant under any lease of all or any portion of any Additional Office Unit from performing any finish or other work in any Additional Office Unit prior to the Closing Date, or (B) Legacy Tenant from leasing all or any portion of the Retail Unit or the Parking Unit or the tenant or operator under any such lease from occupying and using all or any portion of the Retail Unit or the Parking Unit for the conduct of business prior to the Closing Date.

9.2. Rights of Transferees. A transferee of a Membership Interest (or a part thereof) pursuant to a Transfer permitted by Section 9.1 shall be admitted to the Company as a "Substitute Member" (to the extent of the Membership Interest so Transferred in the case of a Transfer of less than all of the Membership Interest of the transferor Member) entitled to all the rights, and subject to all of the obligations and restrictions, of the transferor Member (to the extent of the Membership Interest so Transferred) in accordance with the terms of Section 9.3.

9.3. Substitute Members.

(a) No transferee of all or part of a Member's Membership Interest shall become a Substitute Member in place of the transferor unless and until:

(i) The transferor (if living) has stated such intention in the instrument of Transfer;

(ii) The transferee has executed an instrument, in form and substance reasonably satisfactory to the Company and the non-Transferring Member, accepting and adopting the terms and provisions of the Articles and this Agreement; and

(iii) The transferee has caused to be paid all reasonable out-of-pocket expenses actually incurred by the Company in connection with the admission of the transferee as a Substitute Member.

Upon satisfaction of all the foregoing conditions with respect to a particular permitted transferee, the Members shall cause this Agreement to be duly amended to reflect the admission of the transferee as a Substitute Member.

(b) Notwithstanding any provision in this Agreement to the contrary, no Transfer otherwise permitted by this Article 9 shall be permitted if (i) such Transfer would (A) result in a violation of the terms of the Loan Documents, (B) such Transfer would result in the Company being treated, for U.S. tax purposes, as a publicly traded partnership taxable as a corporation, or (C) violate any applicable Laws, or with respect to a Transfer made by the Fund Member only, would violate the terms of the Building C Lease or any of the other Project Documents, or (ii) the proposed transferee is (A) domiciled in a jurisdiction identified by the Financial Action Task Force for Money laundering as being a non-cooperative country or territory or by the United States Secretary of the Treasury as warranting special measures because of money laundering concerns under Section 311 or 312 of the USA PATRIOT Act, (B) subject to sanctions administered by the Office of Foreign Asset Control of the United States Department of Treasury ("OFAC") or included in any Executive Orders or on the list of "Specially Designated Nationals" and "Blocked Persons" maintained by OFAC, or (C) is a Senior Foreign Political Figure under Section 312 of the USA PATRIOT Act ("SFPF"), an immediate family member of a SFPF, or a person who maintains a close personal relationship with any such individual or a corporation, business or other entity that has been formed by or for the benefit of such individual. A transferee of a Membership Interest (or a part thereof) pursuant to a Transfer permitted by Section 9.1 shall represent and warrant to the non-transferring Member and the Company that is complies with the foregoing clause (ii) of this Section 9.3(b), and that any monies used by such Person to fund its investments are not derived from or related to any illegal activities, including, but not limited to, money laundering activities, or derived from, invested for the benefit of or related in any way to the governments of, or persons within, any country under a United States embargo enforced by OFAC.

9.4. Effect of Admission as a Substitute Member. Unless and until admitted as a Substitute Member pursuant to Section 9.3, a transferee of a Member's Membership Interest shall not be entitled to exercise any rights of a Member in the Company, including the right to vote, grant approvals or give consents with respect to such Membership Interest, the right to require any information or accounting of the Company's business or the right to inspect the Company's books and records, but such transferee shall be entitled to receive, to the extent of the Membership Interest transferred to such transferee, the distribution to which the transferor would be entitled. A transferee who has become a Substitute Member has, to the extent of the Membership Interest transferred to such Substitute Member, all the rights and powers of the Person for whom such Substitute Member is substituted and is subject to the restrictions and liabilities of a Member under the Articles, this Agreement and the Act. Upon admission of a transferee as a Substitute Member, the transferor of the Membership Interest so acquired by the Substitute Member shall cease to be a Member of the Company to the extent of such transferred Membership Interest. A Person shall cease to be a Member upon Transfer of all of such Member's Membership Interest whether or not the transferee becomes a Substitute Member.

9.5. Additional Members. Upon approval of all of the Members, any Person may become an additional member (an "Additional Member") of the Company and additional Membership Interests may be issued to such Person and existing Members for such consideration and on such terms and conditions as all of the Members, collectively, may determine at the time of admission. No Additional Member shall be entitled to any retroactive allocation of losses, income or expense deductions incurred by the Company.

9.6. Withdrawal. Except as otherwise expressly provided in this Agreement (including, without limitation, as permitted pursuant to Section 3.8 of this Agreement with respect to the Coach Member), a Member shall not have any right to withdraw from the Company as a Member prior to its dissolution and winding up.

ARTICLE 10
EVENT OF DEFAULT

10.1. Event of Default. If any of the following events (each such event, an "Event of Default") occurs and is continuing with respect to a Member, then such Member shall be deemed to be a "Defaulting Member" and the other Member shall be deemed to be a "Non-Defaulting Member" (unless a separate Event of Default has occurred and is continuing with respect to that Member):

(a) the occurrence of any Bankruptcy Action with respect to such Member or, in the case of the Coach Member, the Coach Guarantor, or, in the case of the Fund Member, Related or Oxford Guarantor; provided, however, that an involuntary Bankruptcy Action filed against any such Person by a Person which is not affiliated such Person shall not be an Event of Default unless such involuntary Bankruptcy Action is not discharged within ninety (90) days;

(b) a Transfer has occurred with respect to such Member in violation of Article 9;

(c) such Member has caused the Company to take any action without the prior consent of the other Member to the extent such consent is required pursuant to the terms of this Agreement, including, without limitation, such Member causing any Bankruptcy Action to occur with respect to the Company or any of its Subsidiaries.

10.2. Remedies and Damages.

(a) Upon the occurrence and during the continuance of an Event of Default, the Non-Defaulting Member shall have the right, and without prejudice to any rights and remedies otherwise available to the Non-Defaulting Member under this Agreement or at law or in equity, to (i) seek equitable relief by way of injunction, or (ii) to compel specific performance without the need to prove actual damages. The failure or delay by a Member in exercising any right, power or privilege hereunder shall not operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise hereunder. Upon the occurrence and during the continuance of an Event of Default pursuant to Section 10.1(a) above, then in addition to all other rights the Company or the Non-Defaulting Member may have as a result of such Event of Default, all rights of approval or consent granted to the Defaulting Member under Section 7.2 or elsewhere in this Agreement shall be suspended and terminate from and after the date of such Event of Default; provided, however, such Defaulting Member shall still retain any approval rights with respect to (i) any action which would cause the Company or any of its Subsidiaries to become an entity other than a Delaware limited liability company; (ii) the merger, consolidation, dissolution, liquidation, reorganization or filing of a Bankruptcy Action with respect to the Company or any of its Subsidiaries; (iii) amending this Agreement; (iv) entering into any agreement which would cause the Defaulting Member or any of its Affiliates to become a guarantor or to otherwise become personally liable for any indebtedness of the Company; or (v) materially changing the nature or scope of the Company's business.

(b) The Defaulting Member shall be liable to the Company and the Non-Defaulting Member and its Member Indemnified Parties for all actual costs, expenses, losses, liabilities and damages arising directly or indirectly from or in connection with any such Event of Default, including, without limitation, attorneys' fees and expenses, actually incurred by the Non-Defaulting Member or any of its Member Indemnified Persons or by the Company, and shall indemnify the Company and the Non-Defaulting Member and its Member Indemnified Persons and hold each of them harmless from and against any and all actual losses, costs, expenses, obligations or liabilities resulting or arising from such Event of Default. No costs or expenses incurred by the Defaulting Member in connection with the foregoing indemnity shall be considered a contribution of capital hereunder or a loan to the Company nor included in calculating such Member's Capital Account or otherwise considered in determining any ownership interest or right to receive any distribution or other payments from the Company or the other Members.

(c) In no event shall any Member be liable for, and each Member, on behalf of itself and its respective Affiliates, hereby waives any claim for, any special, punitive or consequential damages, including loss of profits or business opportunity arising under or in connection with this Agreement or any default or Event of Default by a Member hereunder.

(d) The Coach Member hereby agrees to accept performance by the Related/Oxford Guarantor of any term, covenant, condition or agreement to be performed by the Fund Member under this Agreement with the same force and effect as though performed by the Fund Member. The Fund Member hereby agrees to accept performance by the Coach Guarantor of any term, covenant, condition or agreement to be performed by the Coach Member under this Agreement with the same force and effect as though performed by the Coach Member.

To the fullest extent permitted by law, the resignation of a Member or the dissolution of a Member shall not, by itself, constitute a dissolution of the Company.

11.2. Cash Distributions Upon Dissolution; Procedures.

(a) Upon the dissolution of the Company as a result of the occurrence of any of the events set forth in Section 11.1, the Members shall proceed to liquidate the Company as quickly as possible consistent with obtaining the full fair market value of the Company's property and during such period of liquidation all of the provisions of this Agreement shall remain in effect. Any property distributed in kind upon liquidation of the Company shall be treated as though the property was sold and the cash proceeds distributed. Notwithstanding anything to the contrary contained in this Section 11.2, if and to the extent that any Member shall be or be deemed to be a Non-Contributing Member, liquidation proceeds that shall otherwise be payable under this Section 11.2 shall be made to the Contributing Member(s) to the extent of unpaid principal and interest of such Contributing Member's Member Loan to such Non-Contributing Member.

11.3. Certificate of Cancellation. When all debts, liabilities and obligations of the Company have been paid and discharged or adequate provisions have been made therefor and all of the remaining property and assets of the Company have been distributed, the Certificate of Cancellation as required by the Act shall be executed and filed by the Fund Member with the Secretary of State of the State of Delaware. Upon the filing of the Certificate of Cancellation with the Secretary of State of the State of Delaware, the existence of the Company shall cease, except for the purpose of suits, other proceedings and appropriate action as provided in the Act. 10. *Encroachments.* If any portion of the Common Elements now encroaches upon any Unit, or if any Unit now encroaches upon any other Unit or upon any portion of the Common Elements, as a result of the construction of the Building, or if any such encroachment shall occur hereafter as a result of settling or shifting of the Building, or by reason of the repair and/or restoration by the Board of Managers, any Unit or the Common Elements, a valid easement for the encroachment and for the maintenance thereof so long as the Building stands, shall exist. In the event the Building, a Unit, any adjoining Unit or any adjoining Common Elements shall be partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, and then rebuilt, encroachments of parts of the Common Elements upon any Unit or of any Unit upon any other Unit or upon any portion of the Common Elements, because of such rebuilding, shall be permitted, and valid easements for such encroachments and the maintenance thereof shall exist so long as the Building shall stand.

11. *Rights of Access.* (a) Each Unit Owner hereby grants to each other Unit Owner and the Board of Managers an irrevocable right of access, to be exercised by the Board of Managers (or the managing agent therefor), to the granting Unit Owner's Unit and its appurtenant Exclusive Use Common Elements, if any, to the extent necessary from time to time for the operation of the Property, or for making emergency repairs therein necessary to prevent damage to the Common Elements or to another Unit or Units. The foregoing rights of access shall be exercised during reasonable hours, upon not less than two (2) days prior notice, (or in the case of an Emergency (as hereinafter defined), such notice, if any, as may be practicable under the circumstances) and, to the extent reasonably possible, in such a manner as will not unreasonably interfere with the conduct of business of the Unit Owner or occupants of a Unit or the use and occupancy, consistent with its intended purposes, of any Unit or portion thereof. As used herein, "Emergency" shall mean a situation involving continuing or imminent loss or threat of loss of life, serious bodily injury, or material loss of property.

(b) Except in the case of any Emergency, a Unit Owner shall have the right to have its representative accompany the Board of Managers (or, if applicable, another Unit Owner) or its designee in any entry of the Unit, provided that such representative shall not interfere with the Board of Managers (or, if applicable, another Unit Owner) or such designee in taking any action permitted under the Condominium Documents.

(c) Upon notice to the Board of Managers, a Unit Owner shall have the right to designate safes and vault areas within its Unit to which access shall be absolutely prohibited, and, subject to the reasonable approval of the Board of Managers, any other internal spaces as other "restricted areas", to which access shall be prohibited except in case of an Emergency or as may be required by Law.

12. *Easements.* (a) Except as may otherwise be set forth in the Condominium Documents, each Unit Owner shall have and is hereby granted, in common with all other Unit Owners, a non-exclusive easement to use the General Common Elements located anywhere on the Property in accordance with their respective intended uses, without hindering the exercise by the other Unit Owners of, or encroaching upon the rights of such other Unit Owners with respect to, such easement. (e) The Unit Owners of any Office Unit, and the Unit Owner of the Ancillary Unit and their respective Permitted Users, shall have the right to use the General Common Lobby, the ADA Lobby Elevator and the GCE Service Elevator, each in accordance with rules to be promulgated from time to time by the Board of Managers in accordance with the terms of the By-Laws. The Unit Owner of the Ancillary Unit and its Permitted Users shall not have the right to use any other elevators in the Building, except in the event of emergency.

(f) Except as provided in Section 12(g) hereof, the Unit Owners of Office Unit 2A and Office Unit 2B and their respective Permitted Users, shall have the right to use the Office Unit 3 Lobby Escalators, the Office Unit 3 Lobby, the Office Unit 3 Messenger Center/Mail Room and the Office Unit 3 Mid Rise Passenger Elevators for the purpose of access to and from their respective Units, and to use the Office Unit 3 Service Elevator in accordance with rules to be promulgated from time to time by the Unit Owner of Office Unit 3.

(g) For so long as Office Unit 2A and/or Office Unit 2B is owned or leased by the Unit Owner of Office Unit 1 or an Affiliate thereof, (i) the Unit Owner of such Unit or Units and its Permitted Users shall have a non-exclusive easement across and through the Office Unit 1 Lobby and the Office Unit 1 Passenger Elevators for the purposes of access to and from such Unit or Units as well as a non-exclusive easement to use the Office Unit 1 Service Elevator, and (ii) the Unit Owner of such Unit or Units and its Permitted Users shall have no right to use the Office Unit 3 Lobby Escalators, the Office Unit 3 Lobby, the Office Unit 3 Messenger Center/Mail Room, the Office Unit 3 Mid Rise Passenger Elevators, or the Office Unit 3 Service Elevator.

Each Unit Owner shall have the right to use the General Common Elements for the purposes of connecting to equipment (as such term is defined in Section 12(o) hereof) located in its Unit, provided such use of the General Common Elements does not adversely affect the use of the General Common Elements for their intended purpose.

(k) The Board of Managers shall have the right to establish, grant and create easements for any additional underground electric, transformer, steam, amplifier, gas, cable television, telephone, water, storm drainage, sewer or other utility lines and appurtenances on, under and through the Property and to relocate any existing utility, sewer and drainage easements in any portion of the Property if the Board of Managers shall deem it necessary or desirable for the proper operation and maintenance of the Property or any portion thereof, or for the general health or welfare of any Unit Owner or its tenants, provided that such additional utilities or the relocation of existing utilities will not (i) prevent or unreasonably interfere with the use of a Unit, (ii) adversely affect the value of a Unit or (iii) result in a mechanic's lien against any portion of the Property. Any utility company or public benefit corporation furnishing services to the Property, and the employees and agents of any such company or corporation, shall have the right of access to each Unit and to the Common Elements in furtherance of such easements, provided such right of access is exercised in such a manner which does not unreasonably interfere with the use of the Units or the Common Elements.

(l) Each Unit Owner grants an easement over its Unit and its appurtenant Exclusive Use Common Elements to the Board of Managers and to each other Unit Owner for the purpose of (but only in the absence of a commercially practicable alternative and only to the extent necessary for) maintaining, repairing, altering, preventing or minimizing damage to and causing to be in compliance with Laws and Insurance Requirements any portions of the grantee Unit Owner's Unit and its appurtenant Exclusive Use Common Elements, if any and for installing, allowing to remain (and using for their respective intended purposes), maintaining, repairing, altering, preventing or minimizing damage to and causing to be in compliance with Laws and Insurance Requirements any equipment, Facilities or systems that are located in or only readily accessible through such granting Unit Owner's Unit and appurtenant Exclusive Use Common Elements, if any, which serve other Units (including, without limitation, reading, maintaining or replacing utility meters relating to the Common Elements, such Unit or any other Unit in the Building); to the Board of Managers (to the extent permitted under the other provisions of the Condominium Documents), for the purpose of (and to the extent reasonably necessary for) making inspections of, or removing violations noted or issued by any governmental authority against, the Common Elements or any other part of the Property and for curing defaults under the Condominium Documents, or correcting any conditions originating in such Unit Owner's Unit or its appurtenant Exclusive Use Common Elements, if any, and threatening the health, safety and welfare of the occupants of, or the property located within, another Unit or all or any part of the Common Elements.

(m) The Board of Managers shall have an easement for the right, and such easements as shall be necessary, to maintain, repair or replace the Common Elements contained in each Unit or elsewhere in the Building and to make additions and improvements thereto, provided that the same are concealed within the walls, floors, columns and ceilings of the Building and in the shafts provided in the Building for such installations, and that such additions or improvements do not in other than a de minimis amount damage the appearance or reduce the floor area of any Unit or affect its layout and, provided, further, that the maintenance and installation work is performed at such times and in such manner as to create the least interference as practicable with the use of such Unit.

(n) Each Unit shall be subject to an easement in favor of each other Unit for the installation, maintenance, repair and replacement of gas, electricity, heating, air conditioning, ventilating and water lines and meters and fixtures and equipment serving such other Units, provided that no such easement shall materially reduce the square foot area of the Unit subject to the easement or unreasonably interfere with the use of the Unit subject to the easement and further provided that the owner of the Unit subject to the easement shall have the right to designate the location of the aforesaid lines, meters, fixtures and equipment to the extent reasonably practicable. The Unit Owner of the Unit(s) having the benefit of the easement shall give the Unit Owner of the Unit subject to such easement reasonable notice, except in an Emergency, prior to commencing any installation, maintenance, repair or replacement, shall deliver plans and specifications to the subject Unit Owner at least thirty (30) days prior to commencing any such installation for such other Unit Owner's reasonable approval, shall construct such installation in accordance with such plans and specifications and shall perform any such installation, maintenance, repair or replacement in accordance with all applicable Laws and Insurance Requirements, shall diligently and with continuity prosecute any such installation, maintenance, repair or replacement to completion, shall restore such other Unit to substantially its condition prior to the commencement of such installation, maintenance, repair or replacement and shall otherwise perform all work in connection therewith in such manner as to minimize interference with the occupants of the other Unit.

(o) The Unit Owners of each Unit shall each at their sole cost and expense, have the non-exclusive right (and such easements as shall be required) to erect, use, maintain, repair, replace, relocate and operate mechanical equipment (including cooling towers), emergency generators (such mechanical equipment and emergency generators being referred to herein as "Rooftop Mechanical Equipment"), satellite platforms, satellite dishes and other equipment on the Main Roof at the respective locations on the Main Roof so designated for the use of each Unit on the Floor Plans (respectively, the "Designated Rooftop Equipment Areas"), subject to the reasonable requirements of the Board of Managers. Such Rooftop. Mechanical Equipment, satellite platforms, satellite dishes and other equipment shall be used solely in connection with the use or occupancy of space by the applicable Unit Owners or its tenants in buildings (including, without limitation, the Building) constructed in the Eastern Rail Yard. The Unit Owner of each such Unit shall give reasonable prior written notice to the Board of Managers of its intent to exercise such right (which shall include a description of the proposed installation and equipment), and shall not make any such installation and/or relocations unless and until the Board of Managers has approved in writing the installation and/or relocations and the equipment and designated the specific location within the applicable Designated Rooftop Equipment Area, such approval not to be unreasonably withheld. The word "equipment" as used in Section 12(j) and in this Section 12(o) shall be deemed to include fiber optic cable and other communications lines, wires, risers, cables and conduits, as well as any other ancillary equipment, based on current and future technologies, needed for the proper operation of such mechanical equipment, emergency generators, satellite platforms, satellite dishes or other equipment. Each easement and other right granted under this Section 12(o) must be exercised, and all such installations and equipment must be used in such a way, so as to minimize, to the extent reasonably practicable, interference with the exercise of the other easements and other rights granted under this Section 12(o) and the rights of other Unit Owners and the Board of Managers under this Declaration and the By-Laws. No equipment installed pursuant to this Section 12(o) by any Unit Owner shall be visible from the windows of any other Unit. The easements and other rights referred to in this Section 12(o) shall include access to and use of reasonable space in the General Common Elements, as designated by the Board of Managers, to run and maintain, at such Unit Owner's sole cost and expense, conduits from the applicable Unit to the applicable Rooftop Mechanical Equipment. Such right of access and use by such Unit Owner shall be exercised in such a manner as will not unreasonably interfere with the use and occupancy of any other Unit. Such access shall be permitted on not less than two (2) days' notice to the Board of Managers, except that no notice will be necessary in the case of an Emergency.

(p) The Unit Owner of Office Unit 1 shall have, with respect to such portions of the General Common Elements as may be necessary, the exclusive right (and such non-exclusive easements as shall be required) to maintain, repair and replace Office Unit 1 Passenger Elevators and the Office Unit 1 Service Elevator, the Unit Owner of Office Unit 3 shall have, with respect to such portions of the General Common Elements as may be necessary, the exclusive right (and such non-exclusive easements as shall be required) to maintain, repair and replace the Office Unit 3 Mid Rise Passenger Elevators, the Office Unit 3 High Rise Passenger Elevators, and the Office Unit 3 Service Elevator, and the Unit Owner of the Destination Retail Access Unit shall have, with respect to such portions of the General Common Elements as may be necessary, the exclusive right (and such non-exclusive easements as shall be required) to maintain, repair and replace the Destination Retail Access Unit Passenger Elevators and the Destination Retail Access Unit Service Elevators.

(q) The Unit Owner of the Ancillary Unit shall have the right to run pipes and conduits through portions of the General Common Elements and portions of the other Units that do not adversely affect the use of such thereof other than to a *de minimis* extent, for the purpose of supplying steam, electricity and/or hot water to the Units, to the Destination Retail Building, and/or Parcel D.

(r) The Unit Owner of the Parking Unit and its Permitted Users shall have the exclusive right to use the easement across Parcel D for pedestrian access to and from the Parking Unit to the street, which easement is more particularly described in the ERY FAPOA Declaration.

(s) The Unit Owner of the Destination Retail Access Unit and its Permitted Users shall have the non-exclusive right to use portions of the hallways on the Ground Floor Level for access from the Loading Dock Unit to the Destination Retail Access Unit Service Elevators.

(u) The Units Owners of the Office Units (as defined in the By-Laws) and the Ancillary Unit, and their respective Permitted Users, shall have a non-exclusive right to use the Destination Retail Access Elevators.

(v) The Units are intended to be benefitted and burdened by the provisions of the ERY FAPOA Declaration that benefit and burden the Property. Without limiting the generality of the foregoing, certain Unit Owners will assume specific obligations under the ERY FAPOA Declaration to the extent specifically provided therein, and all Unit Owners shall have liability to the extent set forth in Article 13 of the ERY FAPOA Declaration and Section 3.4 of the Master Declaration.

(w) The user of any right or easement granted by this Section 12 shall use the same in compliance with all Laws and Insurance Requirements and all applicable provisions of the Underlying Agreements.

(x) The user of any right or easement granted by this Section 12 shall give (i) the Unit Owner of any other Unit to the extent it requires access to such Unit for purposes of exercising its rights under this Section 12, (ii) a Sub-Board to the extent it requires access to such Sub-Board's Section for purposes of exercising its rights under this Section 12, and (iii) the Board of Managers to the extent it requires access to the General Common Elements (other than public areas of the Building, for which no notice will be required) for purposes of exercising its rights under this Section 12, not less than one (1) day's prior notice of such access (except that no notice will be necessary in the case of an Emergency), and such Unit Owner, Sub-Board or the Board of Managers shall have the right to have its representative present during the period of such access,

(y) The user of any right or easement granted by this Section 12 shall have the responsibility of repairing any damage, at such user's sole cost and expense, resulting therefrom and such user hereby indemnifies and holds harmless the Unit Owner of the Unit or the Sub-Board of the Section and the Board of Managers subject to such right or easement from and against any expenses, damages, losses, costs and other liabilities arising out of such user's failure to repair such damage as provided for herein.

(z) The user of any right or easement granted by this Section 12 hereby indemnifies and holds harmless the Unit Owner of the Unit or Sub-Board of the Section subject to such right or easement and the Board of Managers from and against any claims of third parties (and any expenses, damages, losses, costs and other liabilities arising therefrom), including claims for injury and personal property, arising from the use of the right or easement.

(aa) Any grant of an easement or right of access "on", "over", "across" or "through" a given area shall be deemed to mean "on, over, across, through and upon" such area, unless the context otherwise requires.

(bb) All Permitted Users shall have a right and easement to use the sidewalks and the ramps, stairways, entrances and exits which are General Common Elements and any replacements thereof for the sole purpose of providing all Permitted Users a means of ingress and egress to and from the Building and the respective Unit to which such Permitted Users are entitled to use and an approach to and from the public street, in each case, subject to compliance with the provisions of the By-Laws.

(cc) All Permitted Users shall have a right of egress in the event of an Emergency through passageways, emergency stairways and exits contained within any Unit, Exclusive Use Common Elements or General Common Elements, and each Unit shall be subject to the rights of all Permitted Users to use such passageways, stairways and exits for egress in the event of an Emergency.

(dd) Any easements granted to the Board of Managers, any Unit or any Unit Owner or any other party under the Declaration and the By-Laws may be exercised by such party's Permitted Users, to the extent necessary to effectuate the purpose for the easement or as otherwise authorized by the Unit Owner or Board of Managers, as the case may be, provided such right of access shall be exercised in such manner as shall not to the extent possible interfere with the normal conduct of business of the Units.

(ee) Any dispute by and among Unit Owners and/or the Board of Managers as to the nature, scope or interpretation of the easements contained in this Section 12 shall be resolved by Arbitration in accordance with the provisions of Article 15 of the By-Laws.

13. *Signage and Lighting.* (a) Except as otherwise provided in clause (B) of Section 7(c)(iii) hereof, no Unit Owner or Permitted User shall be permitted to install any signage which is visible from the outside of such Unit, except in accordance with the guidelines, limitations and restrictions respecting Building signage as are set forth on Exhibit E annexed hereto and made a part hereof (the "Signage Requirements").

(b) The Board of Managers will maintain and operate any Building Exterior Lighting System, as set forth in Section 6.8(n) of the By-Laws. It is intended that the Building Exterior Lighting System will initially include the specifications set forth in Exhibit J annexed hereto and made a part hereof (subject to such operating hours and procedures as the Board of Managers may determine) but the Building Exterior Lighting System may be changed or discontinued by the Board of Managers at any time, subject to Sections 2.2.2(g) and 2.2.3(e) of the By-Laws.

14. *Amendment of Declaration.* (a) Any Unit Owner or a member of the Board of Managers may propose an amendment to this Declaration except as otherwise provided in this Declaration. A copy of the text of the proposed amendment shall be given in writing to the other Unit Owners and the Board of Managers. The Board of Managers shall by written notice to the Unit Owners fix a date, not sooner than fifteen (15) days and not later than thirty (30) days from the date the notice and a copy of the proposed amendment are received, for a meeting of the Unit Owners for the purpose of considering and voting upon the amendment.

(b) Except as otherwise specifically provided in this Declaration or the By-Laws, the consent of the Unit Owners owning Units to which are appurtenant at least two-thirds of the Common Interest in the Condominium, in each case together with (A) the consent of the respective Permitted Mortgagees (as defined in the By-Laws), if required, of such consenting Unit Owners, and (B) as to any Unit which is then subject to a Declarant Net Lease (as defined in the By-Laws), the consent of the Declarant Net Lessee and Declarant Net Lessor (both as defined in the By-Laws) (provided that (1) Declarant Net Lessor will not unreasonably withhold its consent if (i) the Declarant Net Lease requires that the landlord thereunder not unreasonably withhold consent to the matter in question, and (ii) the proposed amendment is not inconsistent with and will not result in a default under such Declarant Net Lease, and (2) as to all other amendments, the provisions of such Declarant Net Lease regarding consent will apply) shall be necessary to adopt a proposed amendment to the Declaration or By-Laws. Notwithstanding the foregoing, (i) any amendment which materially affects the rights of any Unit Owner shall require the consent of such affected Unit Owner and its Permitted Mortgagees, Declarant Net Lessees and (subject to the provisions set forth in clauses (1) and (2) of this Section 14(b)), Declarant Net Lessors (it being conclusively presumed, however, that (I) any amendment to Section 7(d), (e), (f), (g), (h) or (m) hereof (other than the first sentence of Section 7(m)) shall be deemed to materially affect the rights of the Unit Owner of Office Unit 1 so long as Coach or any Coach Affiliate is the Unit Owner of Office Unit 1 or otherwise occupies more than 60% of Office Unit 1 with respect to Sections 7(d), (e), (f) or (g) only), and (II) any amendment to Section 7(c)(iii) or to the first sentence of Section 7(c)(iv) hereof shall be deemed to materially affect the rights of the Unit Owner of Office Unit 1), and (ii) amendments to this Declaration which affect only a particular Unit Owner may be made by the Unit Owner in question (with the consent of its Permitted Mortgagees) and its Declarant Net Lessees without the consent of the unaffected Unit Owners or the Board of Managers (however, the Board of Managers shall execute any such amendment which a Unit Owner may be entitled as of right to record or which was duly approved by the Unit Owners) provided, however, such amendment may not affect or be inconsistent with any of the Underlying Agreements or violate any Law. No such amendment shall be effective (x) unless the Unit Owner(s) proposing such amendment (the "Proposing Party") shall have provided the Board of Managers and the other Unit Owners at least thirty (30) days' prior written notice of the Proposing Party's proposed amendment, and (y) until recorded with the New York City Register. Any such amendment made pursuant to this Section shall be executed by the Board of Managers as attorney-in-fact for the Unit Owners, coupled with an interest, and the Board of Managers is hereby authorized by such Unit Owners, after approval of the amendment by the requisite number of Unit Owners so to act as their attorney-in-fact for such purpose. Any dispute between the Unit Owners with respect to whether an amendment materially affects the rights of a Unit Owner shall be resolved by Arbitration; provided, however, that no such dispute with respect to whether the Proposing Party's amendment materially affects another Unit shall be deemed to exist unless the Unit Owner objecting to such amendment (the "Objecting Party") delivers written notice specifying the grounds for its objection in writing to the Proposing Party and the Board of Managers within thirty (30) days of receipt by it of notice of such proposed amendment. Provided the Objecting Party has delivered such written notice as aforesaid, the Objecting Party and the Proposing Party shall, within the ensuing fourteen (14) day period, exercise good faith efforts to resolve such dispute before the dispute may be submitted to Arbitration.

(c) No amendment, modification, addition or deletion to this Declaration shall be effective until recorded with the New York City Register. Any such approved amendment, modification, addition or deletion shall be executed by the Board of Managers. Prior to recording with the New York City Register, a copy of each amendment to this Declaration shall be certified by the Board of Managers as having been duly adopted. A copy of each amendment so certified and bearing the date of recording shall be promptly sent to each Unit Owner by the Board of Managers.

(d) Notwithstanding the foregoing, a Unit Owner shall have the right, without the consent of the Board of Managers or any other Unit Owner, to amend the Condominium Documents, from time to time, solely to effect a subdivision or recombination of its Unit, as provided in Article 9 of the By-Laws, upon the terms and conditions set forth in Article 9 of the By-Laws.

15. *Termination.* (a) The Condominium may be terminated by vote of Unit Owners owning Units to which are appurtenant at least ninety percent (90%) of the Common Interest of the Condominium, in each case together with the consent of (A) the respective Permitted Mortgagees of such consenting Unit Owners and (B) as to any Unit which is then subject to a Declarant Net Lease, the consent of the Declarant Net Lessee and the Declarant Net Lessor. If the Unit Owners so terminate the Condominium, unless the Unit Owners determine that the Property shall be sold as a whole, the same shall be subject to an action for partition and sale by any Unit Owner as if owned in common. In the event a partition action is brought and the court orders the sale of the Property as a whole, the net proceeds of sale shall be divided among the Unit Owners in accordance with their respective Common Interests, after first paying out of the share of each Unit Owner the amount of all unpaid liens on its Unit in the order of their priority. No payment shall be made to a Unit Owner until there has first been paid out of its share of such net proceeds all liens and expenses chargeable by the Board of Managers to its Unit.

(b) hi addition to the other grounds for termination set forth herein, the Condominium shall be terminated if it is determined in the manner provided in Section 12.8.5 of the By-Laws that the Building shall not be reconstructed after a casualty, or if all or substantially all of the Property is taken by eminent domain. The determination not to reconstruct after a casualty shall be evidenced by a certificate of the Board of Managers signed by the President or the Vice-President and the Secretary or Treasurer. The termination shall be effective upon the filing of the certificate with the appropriate recording officer and must include the joinder of all Permitted Mortgagees and if any Declarant Net Lease is then in effect, by the Declarant Net Lessee and the Declarant Net Lessor.

(c) After termination of the Condominium, the Unit Owners shall own the Property as tenants-in-common in undivided shares, in accordance with their previous Common Interests, and the holders of Permitted Mortgages (as defined in the By-Laws) and liens against the Unit or Units formerly owned by such Unit Owners shall have Permitted Mortgages and liens upon the respective undivided shares of the Unit Owners. All funds held by the Board of Managers shall be and continue to be held for the Unit Owners in accordance with their undivided shares. The costs incurred by the Board of Managers in connection with a termination shall be a Common Expense.

(d) The members of the Board of Managers acting collectively as agent for the Unit Owners shall continue to have such powers as in this Declaration are granted with respect to the winding up of the affairs of the Condominium, notwithstanding the Board of Managers or the Condominium may be dissolved upon termination.

16. *Powers of Attorney to the Board of Managers.* Each Unit Owner shall grant to the persons who shall from time to time constitute the Board of Managers an irrevocable power of attorney, coupled with an interest (in such form and content as the Board of Managers shall determine): (i) to purchase or otherwise acquire on behalf of all Unit Owners any Unit, together with its Appurtenant Interests (as defined in the By-Laws), with respect to which liens for real estate taxes are being sold; (ii) to acquire any Unit, together with its Appurtenant Interests, whose Unit Owner elects to surrender the same pursuant to the By-Laws to the extent the waiver with respect to the right to surrender such Unit set forth therein is inapplicable or unenforceable; (iii) to purchase or otherwise acquire any Unit, together with its Appurtenant Interests, which becomes the subject of a foreclosure or other similar sale, on such terms and at such price, as the Board of Managers deems proper, in the name of the Board of Managers or its designee (corporate or otherwise), on behalf of all Unit Owners, and after any such acquisition, to convey, sell, lease, license, mortgage or otherwise deal with (but not vote the Common Interests appurtenant to) any such Unit so acquired by them without the necessity of further authorization by the Unit Owners or any other person or entity, on such terms as the attorneys-in-fact may determine; and (iv) to execute, acknowledge and deliver: (a) any declaration or other instrument affecting the Property or the Condominium which the Board of Managers deems reasonably necessary or appropriate to comply with any Laws or provisions of the Underlying Agreements applicable to the maintenance, demolition, construction, alteration, repair or restoration of the Property or the Condominium; (b) any amendments to the Underlying Agreements, or (c) any consent, covenant, restriction, easement or declaration, or any amendment thereto, affecting the Property or the Condominium that the Board of Managers deems necessary or appropriate, provided that in no event shall the Board of Managers execute, acknowledge and deliver any document pursuant to clause (iv)(b) or (c) of this sentence prior to the approval thereof by any Unit Owner(s) whose Unit is affected, unless such approval is expressly not required under any of the provisions hereof or of the By-Laws. For purposes of clause (iv)(b) and (c) of the immediately preceding sentence, a Unit shall not be affected by any amendment to the provisions of the Annex to the ERY FAPOA Declaration that does not have any material adverse effect on the use or occupancy by a Unit Owner or its Permitted User of its Unit or on its use of any Common Elements or increase its Common Charges above what they would have been in the absence of any such amendment (other than to a de minimis extent), and that the Board of Managers shall have the absolute right to execute and deliver any such amendment on behalf of the Condominium without the consent of any Unit Owners. The Board of Managers shall give all Unit Owners prior written notice of all such amendments, a copy of the proposed amendment and, if the Board of Managers intends to exercise this right, a statement to that effect in the notice.

17. *Covenants Running With the Land; Subordination and Non-Disturbance.* (a) All provisions of the Condominium Documents, as the same may be amended in accordance with their terms from time to time, shall, unless otherwise expressly in the Condominium Documents provided to the contrary, be perpetual and be construed to be covenants running with the Land and with every part thereof and interest therein, and all of the provisions hereof and thereof shall be binding upon and inure to the benefit of the Unit Owners and all the occupants of the Units, and all of their respective heirs, executors, administrators, legal representatives, successors and assigns, but the same are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public.

(b) Notwithstanding anything in Section 17(a), if required to do so under Section 14.10 of the By-Laws, the Board of Managers shall, at the sole cost and expense of the requesting Unit Owner, execute and deliver a non-disturbance agreement substantially in the form annexed to this Declaration as Exhibit D or in any such other or changed form as may be agreed upon by the Board of Managers and the requesting Unit Owner to any of such Unit Owner's lessees.

(c) The acceptance of a deed or other conveyance, or the entering into of a lease, license agreement or other agreement for, or the entering into, occupancy of all or any portion of a Unit shall constitute an agreement that the provisions of this Declaration, the By-Laws, and the Rules and Regulations, and the ERY FAPOA Declaration, as applicable to a Unit Owner, as they may be adopted and/or amended from time to time, are accepted and ratified by such Unit Owner, tenant, subtenant, licensee, occupant or other Permitted User, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance, lease, license or other agreement thereof, therefor or relating thereto.

18. *Rules and Regulations.* All present and future Unit Owners, tenants, subtenants occupants, licensees and other Permitted Users of Units shall be subject to and shall comply with the provisions of this Declaration and the By-Laws and with rules and regulations ("Rules and Regulations"), and such amendments or additions thereto as may from time to time be adopted by the Board of Managers. .

19. *Invalidity.* If any provision of the Condominium Documents is invalid under, or would cause the Condominium Documents to be insufficient to submit the Property to the provisions of, the New York Condominium Act, such provision shall be deemed deleted from the Condominium Documents for the purpose of submitting the Property to the provisions of the New York Condominium Act but shall nevertheless be valid and binding upon and inure to the benefit of the Unit Owners and their successors and assigns, as covenants running with the Land and with every part thereof and interest therein under other applicable Law to the extent permitted under such applicable Law with the same force and effect as if, immediately after the recording of this Declaration and the By-Laws, all Unit Owners had signed and recorded an instrument agreeing to each such provision as a covenant running with the Land. If any provision which is necessary to cause this Declaration and the By-Laws to be sufficient to submit the Property to the provisions of the New York Condominium Act is missing from this Declaration or the By-Laws, then such provision shall be deemed included as part of this Declaration or the By-Laws, as the case may be, for the purposes of submitting the Property to the provisions of the New York Condominium Act. Subject to the foregoing, the invalidity or unenforceability of any provision of this Declaration as against any person or in any circumstance shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Declaration as to other persons or circumstances and, in such event, all of the other provisions of the Declaration shall continue in full force and effect as if such invalid or unenforceable provision had never been included herein.

20. *Waiver.* No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

21. *Captions.* The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of this Declaration or the intent of any provision hereof.

22. *Certain References.* (a) A reference in this Declaration to any one gender, masculine, feminine or neuter, includes the other two, and the singular includes the plural, and vice versa, unless the context otherwise requires.

(b) The terms “herein,” “hereof” or “hereunder” or similar terms used in this Declaration refer to this entire Declaration and not to the particular provision in which the terms are used.

(c) Unless otherwise stated, all references herein to Sections or other provisions are references to Sections or other provisions of this Declaration.

(d) All references herein to Schedules and Exhibits shall be (unless otherwise stated) to the Schedules and Exhibits attached hereto, which shall all be made a part hereof and incorporated herein.

23. *Consents.* With respect to any provision in the Condominium Documents requiring the consent of a Unit Owner, such Unit Owner shall have the right, in its sole discretion, to withhold its consent for any reason or no reason at all, unless specifically and expressly provided to the contrary.

24. *Unanimous Consent.* After the subdivision of any of the Units as originally constituted upon the initial recording of this Declaration, any vote requiring the “unanimous consent of Unit Owners” (or like provision) shall, with respect to such subdivided Unit require the consent of Unit Owners holding a simple majority of the Common Interest appurtenant to all Units resulting from such subdivided Unit.

25. *Further Assurances.* (a) Any party which is subject to the terms of this Declaration, whether such party is a Unit Owner, a lessee or sublessee of a Unit Owner, Permitted Mortgagees an occupant of a Unit, a member or officer of the Board of Managers or otherwise, shall, upon prior reasonable written request, and, at the expense of any such other party (or the holder of a mortgage lien on its Unit) requesting the same, execute, acknowledge and deliver to such other party (or the holder of a mortgage lien on its Unit) such reasonable instruments, in addition to those specifically provided for herein, and take such other reasonable action, as such other party (or the holder of a mortgage lien on its Unit) may reasonably request to effectuate the provisions of this Declaration or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction, provided in all such cases that such other and further instruments or actions shall not impose any liability or substantive obligation on, or constitute a waiver of any rights of, the party from which the same is requested, other than as provided for in the Condominium Documents.

(b) If any Unit Owner or any other party which is subject to the terms of this Declaration fails to either (x) execute, acknowledge or deliver any instrument, or fails or refuses, within ten (10) days after receipt of a written request therefor, to take any action which such Unit Owner or other party is required to perform pursuant to this Declaration, or (y) deliver a written notice within such time period stating reasons why it believes it is not so required, and such failure continues for an additional ten (10) day period following receipt of a second written request therefor (together with written advice that the requesting party shall be entitled to take action upon the recipient’s failure or refusal to perform), then the Board of Managers is hereby authorized, as attorney-in-fact, coupled with an interest, for such Unit Owner or other party, to execute, acknowledge and deliver such instrument, or to take such action, in the name of such Unit Owner or other party, and such instrument or action shall be binding on such Unit Owner or other party, as the case may be.

26. *Successors and Assigns.* Except as set forth herein or in the By-Laws to the contrary, the rights and/or obligations of the Board of Managers and the Unit Owners shall inure to the benefit of and be binding upon any successor or assign of the Board of Managers and the Unit Owners and shall constitute and be enforceable with respect to the Property as a covenant running with the Land.

27. *Non-Recourse.* Except as otherwise set forth in the Master Declaration or the ERY FAPOA Declaration, all covenants, stipulations, promises, agreements and obligations of a Unit Owner contained herein shall be deemed to be covenants, stipulations, promises, agreements and obligations of such Unit Owner and not of any shareholder, affiliate, member, partner, trustee, director, officer, manager, employee or agent of such Unit Owner, and no recourse shall be had hereunder against any such shareholder, affiliate, member, partner, trustee, director, officer, manager employee or agent unless and to the extent the same is a Permitted User. The liability of any Unit Owner hereunder or under the By-laws for damages or otherwise, including as a result of any breach of the covenants, stipulations, promises, agreements and obligations of a Unit Owner contained herein or in the By-laws, shall be limited to such Unit Owner's interest in its Unit(s) and its rights hereunder and under the By-laws, including (i) the rents, issues and profits thereof, (ii) the proceeds of any insurance policies covering or relating to its Unit and the Exclusive Use Common Element appurtenant thereto, (iii) any awards payable in connection with the condemnation of its Unit (or its Common Interest) or any part thereof and (iv) amounts received or receivable by a Unit Owner in connection with a sale of its Unit to the extent that such amounts have not been distributed by such Unit Owner. Neither any Unit Owner nor any of its direct or indirect shareholders, affiliates, members, partners, trustees, directors, officers, managers, employees or agents shall have any liability (personal or otherwise) beyond such Unit Owner's interest in its Unit(s) and its rights hereunder and under the By-laws and no other property or assets of such Unit Owner or any of its direct or indirect shareholders, affiliate, members, trustees, partners, directors, officers, managers, employees or agents of such Unit Owner shall be subject to levy, execution or other enforcement procedures for the satisfaction of the Board of Manager's, any other Unit Owner's or any other Person's remedies hereunder or under the By-laws or at law or in equity with respect to this Declaration or the Bylaws or the Condominium.

28. *Exculpation of Declarant; Rights and Obligations of Declarant Net Lessees.* (a) Notwithstanding anything in this Declaration to the contrary, neither Declarant nor its Affiliates shall have any liability under or with respect to this Declaration, and all obligations of Declarant arising under this Declaration shall be performed by the Board of Managers and/or the Unit Owners, as the case may be, at their sole cost and expense. None of the members, directors, officers, employees, agents or servants of Declarant or its Affiliates shall have any liability (personal or otherwise) hereunder, and no property or assets of Declarant or its Affiliates or the members, directors, officers, employees, agents or servants of Declarant or its Affiliates shall be subject to levy, execution or other enforcement procedure hereunder, provided that Declarant is not a Unit Owner of any Units upon recordation of the Declaration (except as to a Unit that is subject to a Declarant Net Lease).

(b) Notwithstanding the foregoing, for so long as a Declarant Net Lease is in effect with respect to a Unit or Units, the Declarant Net Lessee (and not the Declarant Net Lessor) (i) shall be deemed to be the sole Unit Owner of such Unit or Units, and such Declarant Net Lessee shall be deemed to have assumed, and to be solely responsible for, all of the obligations of such Unit Owner, (ii) shall have the sole right under Section 2.1 of the By-Laws to be the Designator (as defined in Section 2.1 of the By-Laws) for the purposes of designating a member of the Board of Managers with respect to such Unit, and (iii) shall have the sole right to act as the Unit Owner of such Unit for the purpose of casting any vote as a Unit Owner under the Condominium Documents, proposing or consenting to any amendment to the Condominium Documents, or giving any consents required under the Condominium Documents, except as otherwise specifically provided in Sections 14(b)(B) and 15(a)(B) hereof, and the provisions of the By-Laws respecting the rights of a Declarant Net Lessor following the occurrence of an Event of Default under a Declarant Net Lease. Declarant hereby grants to each Declarant Net Lessee a power of attorney, coupled with an interest, to take any of the actions described in this Section 28(b) in the name of Declarant Net Lessor, which power of attorney shall be revocable only as provided in the By-Laws.

SUBORDINATION, NONDISTURBANCE
AND ATTORNMENT AGREEMENT

This Subordination, Nondisturbance and Attornment Agreement (this **"Agreement")** is made effective as of the ____ day of _____, 20__, by and between the Board of Managers of Tower C Condominium (the **"Board"),** having its office at _____, New York, New York 100 ____, and _____ *[Insert name of a Tenant],* _____ *[Insert type of entity],* having an office at _____**, ("Tenant").**

WITNESSETH:

WHEREAS, _____*[Insert name of applicable Unit Owner]* **("Lessor")** is the owner of the _____Unit *[Insert name of applicable Unit]* (the **"Unit")** as defined in that certain Declaration of Condominium dated as of _____, 2013 (together with the By-Laws (and all exhibits) annexed thereto, as the same may be amended from time to time in accordance with their terms, the **"Condominium Documents");**

WHEREAS, pursuant to that certain lease dated as of _____ between Lessor and Tenant (such lease, as the same may be assigned, amended or restated from time to time, the **"Lease"),** Lessor leased to Tenant that portion of the Unit as more particularly described in the Lease (the **"Leased Premises");**

WHEREAS, the Lease provides that Tenant shall subordinate the Lease to the Condominium Documents, subject to certain terms and conditions stated in the Lease; and

WHEREAS, as a condition of such subordination the Board has agreed to provide for the non-disturbance of Tenant by the Board, and to provide for the recognition by the Board of the Lease, including all benefits, rights and conditions that Tenant enjoys under the Lease;

NOW, THEREFORE, in consideration of the promises and of the mutual covenants and agreements herein contained, the parties hereto agree as follows:

1. Tenant covenants and agrees that the Lease and the rights of Tenant thereunder are and shall be at all times subject and subordinate in all respects to the Condominium Documents, including, without limitation, the Board's lien on the Unit for Common Charges (as defined in the By-Laws), subject, however, to the provisions of this Agreement.

2. The Board agrees that so long as: no default exists under the Lease which would permit Landlord to tellninate the Lease or exercise any dispossess remedy provided for in the Lease and the Lease is otherwise in full force and effect, Tenant's (or, with respect to any person or entity claiming through or under Tenant, such person or entity's) rights thereunder (including without limitation Tenant's (or such person or entity's) right of possession, use and quiet enjoyment of the Leased Premises or any party thereof, and any extension or renewal period thereof which may be exercised in accordance with any option afforded in the Lease to Tenant); shall not be terminated, altered, disturbed or extinguished by any action of the Board, or any New Owner (as hereinafter defined), including without limitation, by any suit, action or proceeding for the foreclosure of the Unit, the Leased Premises or otherwise for the enforcement of the Board's rights or remedies under the Condominium Documents. Notwithstanding anything to the contrary contained in this Agreement, the Board and any New Owner upon becoming the owner of the Unit shall have the right to pursue all rights and remedies set forth under the Lease for any default by Tenant under the Lease beyond any applicable notice and grace period.

3. If the Board shall become the owner of the Unit by reason of the foreclosure or other action described in Paragraph 2 hereof, or the Unit shall be sold as a result of any foreclosure by the Board or transfer of ownership by deed or assignment given in lieu of foreclosure by the Board or otherwise, the Lease shall continue in full force and effect, without necessity for executing any new lease or other agreement, as a direct lease between Tenant and any subsequent owner of the Unit taking title through the Board (a **"New Owner"**), as "landlord," and the Board or the New Owner, as the case may be, shall assume the Lease and all obligations of landlord thereunder, and recognize Tenant as the tenant thereunder, upon all of the same terms, covenants and provisions contained in the Lease, provided, however, the Board or the New Owner shall, subject to the provisions of Paragraph 12 hereof, not be:

(i) bound by any fixed rent which Tenant might have paid for more than one (1) month in advance of its due date under the Lease to any prior landlord (including, without limitation, Lessor); unless otherwise consented to by the Board or the New Owner or unless such prepaid amount is actually received by the Board or the New Owner;

(ii) liable for any previous act or omission of any prior landlord (including without limitation, Lessor) in violation of the Lease except for any repair and maintenance obligations of a continuing nature as of the date of such acquisition; or

(iii) subject to any claims, counterclaims, offsets or defenses which Tenant might have against any prior landlord (including, without limitation, Lessor), excluding any right of Tenant to any offset against Tenant's payment of rent under the Lease arising from Lessor's default under the Lease; or

(iv) liable for the return of any: security deposit; overpayments of taxes, operating expenses, merchant association dues, or other items of additional rent paid in estimates in advance by Tenant subject to subsequent adjustment; other monies which pursuant to the Lease are payable by Lessor to Tenant; or other sums, in each case to the extent not delivered to the Board or the New Owner, as the case may be; or

(v) obligated to: complete any construction work required to be done by any prior landlord (including, without limitation, Lessor) pursuant to the provisions of the Lease, to reimburse Tenant for any construction work done by Tenant, to make funds available to Tenant in connection with any such construction work, or for any other allowances or cash payments owed by any prior landlord to Tenant (but the foregoing shall not relieve the New Owner from any repair and maintenance obligations of a continuing nature as of the date of such acquisition).

Tenant hereby agrees that, upon the Board or the New Owner becoming the owner of the Unit pursuant to this Paragraph 3, Tenant shall attorn to the Board or the New Owner (or any subsequent owner), as the case may be, and the Lease shall continue in full force and effect, in accordance with its terms. Nothing contained herein shall be deemed to modify the obligations of the Board under the Condominium Documents.

4. No provision of this Agreement shall be construed to make the Tenant liable for any covenants and obligations of Lessor under the Condominium Documents.

5. Tenant shall give written notice in accordance with Paragraph 6 hereof of any default by Lessor under the Lease to the Board at the same time and in the same manner as given to Lessor.

6. Any notices or communications given under this Agreement shall be in writing and shall be given by overnight couriers or registered or certified mail, return receipt requested, (a) if to the Board, at the address as hereinabove set forth, or such other addresses or persons as the Board may designate by notice in the manner herein set forth, or (b) if to Tenant, at the address of Tenant as hereinabove set forth, or such other address or persons as Tenant may designate by notice in the manner herein set forth. All notices given in accordance with the provisions of this Section shall be effective upon receipt (or refusal of receipt) at the address of the addressee set forth above, with copies of such notices delivered to the parties as follows: [to be completed].

7. This Agreement shall bind and inure to the benefit of and be binding upon and enforceable by the parties hereto and their respective successors and assigns.

8. This Agreement contains the entire agreement between the parties and cannot be changed, modified, waived or cancelled except by an agreement in writing executed by the party against whom enforcement of such modification, change, waiver or cancellation is sought.

9. This Agreement and the covenants herein contained are intended to run with and bind all land affected thereby. It is expressly acknowledged and agreed by Lessor and Tenant that as between Lessor and Tenant, the subordination of the Lease to the Condominium Documents effectuated pursuant to this Agreement shall in no way affect Lessor's and/or Tenant's rights and obligations under the Lease.

10. The parties hereto agree to submit this Agreement for recordation in the Register's Office for the City of New York. The parties further agree that this Agreement shall terminate and be void automatically, immediately upon the expiration or earlier termination of the Lease, and without the need for any termination or other agreement being recorded to evidence such termination. Notwithstanding the foregoing and without in any way affecting the automatic termination of this Agreement as aforesaid, the parties agree to execute, deliver and submit for recordation a Memorandum of Termination confirming the termination of this Agreement, promptly following the expiration or earlier termination of the Lease.

11. This Agreement may be executed in counterparts, any one or all which shall be one and the same agreement.

12. Notwithstanding anything to the contrary contained herein, if Landlord or any Affiliate of Landlord is the New Owner, then the provisions of Paragraph 3 hereof shall be of no force or effect.

13. No security interest that the Board may have in the Unit pursuant to the Condominium Documents or otherwise shall cover or be construed as subjecting in any manner to the lien thereof, any trade fixtures, signs or other personal property at any time furnished or installed by or for Tenant or its subtenants or licensees on or within the portion of the Leased Premises, regardless of the manner or mode of attachment thereof.

[Remainder of page left intentionally blank]

IN WITNESS WHEREOF, the parties hereto have hereunto caused this Agreement to be duly executed as of the day and year first above written.

Specifications for Initial Building Exterior Lighting System

The base of the Building will have high efficiency recessed white lighting which accentuates the faceted geometry of the colonnades and helps the tower achieve a sense of levity. In addition, these fixtures will provide a brighter pedestrian area at these spaces helping to mark the entry of the Building. The lighting helps the sense of the interior activity spilling through the colonnade. The soffit above the Office Unit 1 Lobby has integrated linear LED lighting (white) which accentuates its sculpted, shingled character and casts an ambient glow to the High Line area as it passes through the Building. The triangular shapes of the tower top are backlit and the crown ridge is uplit, which together provides a bright iconic shape for the identity of the Building on the New York skyline. The Declaration, these By-Laws, the Floor Plans and the Rules and Regulations are together referred to as the "Condominium Documents." As used herein, "business day" shall mean any day which is not a Saturday, Sunday, or a day observed as a holiday by the City or State of New York or the federal government of the United States.

Article 2

Board of Managers

Section 2.1 Number and Qualification. The affairs of the Condominium shall be governed by a board of managers (the "Board of Managers") consisting of one (1) member designated by the Unit Owner of each Unit (each Unit Owner so designating a member of the Board of Managers being the "Designator" of such member). Therefore, the Board of Managers will initially consist of nine (9) members, one designated by the Unit Owners of each of the Parking Unit, Retail Unit, Office Unit 1, Office Unit 2A, Office Unit 2B, Office Unit 3, Ancillary Unit, Loading Dock Unit and Destination Retail Access Unit. If a Unit is subdivided in accordance with the provisions of the Condominium Documents, the number of members of the Board of Managers may, at the election of the subdividing Unit Owner, be increased so that each subdivided Unit has the right to designate a member of the Board of Managers (but each member of the Board of Managers so designated shall have a vote proportionate to the Common Interest of the subdivided Unit). If Units are combined in accordance with the provisions of the Condominium Documents, the number of members of the Board of Managers shall be decreased so that such combined Unit has the right to designate a single member of the Board of Managers (but such member of the Board of Managers so designated shall have a vote proportionate to the aggregate Common Interests of the combined Units). In respect of any action taken by the Board of Managers, each member of the Board of Managers shall have a vote proportionate to the Common Interest of its Designator. (For example, a member of the Board of Managers designated by a Designator whose Unit has a Common Interest of 30% would have a vote equal to 30% of the total votes of the Board of Managers) provided that if any Unit is owned by Declarant but subject to a Declarant Net Lease (as defined in Section 14.5(a) hereof), the Declarant Net Lessee (as defined in Section 14.5(a) hereof), and not the Declarant or a Declarant Net Lessor, shall have the right to vote the Common Interest of such Unit. Following notice by Declarant or the Declarant Net Lessor to the Board of Managers that an Event of Default (as therein defined) has occurred under a Declarant Net Lease, (a) the Declarant Net Lessee under such Declarant Net Lease may not thereafter exercise any voting rights as a member of the Board of Managers until further written notice is provided from Declarant or the Declarant Net Lessor to the Board of Managers that such voting rights have been reinstated, and (b) Declarant may replace the member of the Board of Managers designated by the applicable Declarant Net Lessee, subject to the right of such Declarant Net Lessee to redesignate a member to the Board of Managers after a further notice to such effect from Declarant.

2.1.1 Declarant Net Lessees. The right of Declarant or its successor as a Unit Owner to designate a member of the Board of Managers may be assigned to its Declarant Net Lessee (as defined in Section 14.5(a) hereof), and such assignment shall be binding upon and recognized by the Board of Managers and the Unit Owners, provided that a copy of such assignment is delivered to the Board of Managers.

2.1.2 Board Members in Good Standing.

(a) Only Board Members in Good Standing (as herein defined) shall have the right to vote at meetings of the Board of Managers.

(b) As used herein:

(i) "Board Member in Good Standing" means, at any given time, a member of the Board of Managers that has been designated by a Designator that, at such time, is a Unit Owner in Good Standing (as such term is defined in Section 3.8 hereof).

(ii) "Majority Board Vote" means, with respect to a vote of the Board of Managers: (A) if all members of the Board of Managers are then Board Members in Good Standing, the affirmative vote of members of the Board of Managers whose Designators have or represent, in the aggregate, more than 50% of Common Interests, or (B) if any member of the Board of Managers is not then a Board Member in Good Standing, the affirmative vote of Board Members in Good Standing whose Designators have or represent, in the aggregate, Common Interests that are greater than the product of (x) 50%, and (y) a fraction, the numerator of which is the aggregate Common Interests held or represented by the Designators that have designated the members of the Board of Managers that are then Board Members in Good Standing, and the denominator of which is 100%. *By way of illustration only* (and without constituting a substantive provision of these By-Laws), if one (and only one) member of the Board of Managers (whose Designator's Common Interest is 20%) is not a Board Member in Good Standing, then a vote, to constitute a Majority Board Vote, shall require the affirmative vote of Board Members in Good Standing whose Designators have or represent, in the aggregate, more than 40% in Common Interests (i.e. more than 50% multiplied by 80% divided by 100%).

Section 2.2 Powers and Duties.

No Unit Owner, in its capacity as Unit Owner, shall be personally liable for any contract, act or omission of the Condominium. Nothing in the preceding sentence shall limit a Unit Owner's liability for the payment of Common Charges or Condominium Special Assessments. Any such contract or agreement may also provide that it covers the assets, if any, of the Board of Managers. Section 6.2 Payment of Common Charges. (a) Unit Owners shall be obligated to pay the Common Charges assessed by the Board of Managers at such time or times as the Board of Managers shall determine, but in no event more frequently than one time per month.

(b) Except as otherwise provided in Section 6.2(c) hereof, no Unit Owner shall be liable for the payment of any part of the Common Charges, any Condominium Special Assessment or other assessment assessed against such Unit Owner's Unit accruing subsequent to the effective date of a sale or other conveyance by such Unit Owner (made in accordance with these By Laws) of such Unit together with its appurtenant Common Interest.

(c) A purchaser of a Unit shall be liable for the payment of Common Charges, any Condominium Special Assessments and any other assessments accrued and unpaid against such Unit prior to the acquisition by such purchaser of such Unit. Without limiting the foregoing, in the event of a foreclosure sale of a Unit by a Permitted Mortgagee, a deed in lieu of foreclosure or other remedy elected by such Permitted Mortgagee, the owner of such Unit prior to the foreclosure sale or deed in lieu of foreclosure shall remain liable for the payment of all unpaid Common Charges, Condominium Special Assessments and other assessments, which accrued prior to such sale.

Section 6.3 Default in Payment of Common Charges; Board Lien; Other Remedies.

(a) The Board of Managers shall take prompt action to collect any Common Charges which remain unpaid following notice and the expiration of applicable grace periods, including, without limitation, the institution of such actions and the recovery of interest, late charges and expenses as are provided in this Article 6.

(b) The Board of Managers shall have a lien (the "Board Lien") for all unpaid Common Charges, Condominium Special Assessments, other sums payable as if part of Common Charges or amounts otherwise due to the Board of Managers (together with interest thereon as provided in this Section) from a delinquent Unit Owner. Such lien shall be superior to any mortgage liens of record encumbering such Unit and otherwise subordinate only to liens for real estate taxes and other assessments by taxing authorities on any such Units. Without limiting any of the foregoing, the Board of Managers may: (w) bring an action to foreclose the Board Lien in accordance with Section 339-aa of the Real Property Law of the State of New York; (x) purchase the interest of the owner of such Unit at a foreclosure sale resulting from any such action; (y) proceed by appropriate judicial proceedings to enforce the specific performance or observance by the defaulting Unit Owner of the applicable provisions of the Condominium Documents from which a monetary event of default arose; or (z) exercise any other remedy available at law or in equity; however, in the event the net proceeds received on a foreclosure sale are insufficient to satisfy the defaulting Unit Owner's obligations, there shall be no further cause of action against such Unit Owner with respect to such deficit. Each of the remedies herein described as well as any other remedy available at law or in equity may be exercised concurrently or sequentially. Any Permitted Mortgagee or Declarant Net Lessee may bid in a foreclosure sale of any Unit.

(c) The Board of Managers shall not record any notice of any Board Lien prior to the date on which all applicable notice and grace periods (including cure periods to which any Permitted Mortgagee may be entitled) in respect of the default(s) giving rise to the Board Lien have expired. The Board Lien shall be effective from and after the time of recording in the public records of New York County of a claim of lien stating the description of the Unit, the name, if any, and the address of the Unit, the City Register Filing Number (CRFN) of the Declaration, the name of the record owner, the amount due and purpose of such amount and the date when due. Subject to Section 6.1(d) hereof, such claim of lien shall include only sums which are due and payable when the claim of lien is recorded and shall be signed and verified by an officer or agent of the Board of Managers. Upon full payment of all sums evidenced by the lien including, without limitation, interest at the Default Rate, the party making payment shall be entitled to a recordable satisfaction of lien to be recorded at its expense. Liens for unpaid Common Charges may also be reduced to a personal money judgment against the Unit Owner or may be foreclosed by suit brought in the name of the Board of Managers or the Unit Owner asserting the lien in the same manner as a contract or other action (and without waiving the lien securing the same). In the event of the foreclosure of such lien, the Board of Managers shall have the power to bid on the Unit at foreclosure sale and to acquire, hold, lease, mortgage and convey such Unit. "Default Rate" shall mean a rate per annum equal to the lesser of: (i) five (5) percentage points above the rate publicly announced from time to time by Citibank N.A. (or its successor) in New York, New York as its "prime rate"; and (ii) the maximum rate of interest permissible under applicable Laws, if any, with respect to the applicable amount payable hereunder.

(d) The Board of Managers shall charge any delinquent Unit Owner: (i) a late charge of $.04 for each dollar of such amounts which remain unpaid for more than ten (10) days from their initial due date (although nothing herein shall be deemed to extend the period within which such amounts are to be paid); (ii) interest at the Default Rate on such unpaid amounts (exclusive of any "late charges" theretofore collected on such amounts) computed from the due date thereof to the date payment is actually received from the delinquent Unit Owner; and (iii) if the Board of Managers institutes a suit or other proceeding to collect sums due hereunder, all expenses, including, without limitation, attorneys' fees and expenses paid or incurred by the Board of Managers or by the Managing Agent in any proceeding brought to collect such unpaid Common Charges or in an action to foreclose a Board Lien with respect to such delinquent Person's Unit(s). All such late charges, interest, expenses and fees shall be added to and shall constitute Common Charges payable by such Unit Owner (and the Board Lien, as applicable, shall also secure the payment of such additional sums).

Section 6.4 Notice of Default to Other Persons. The Board of Managers (a) if requested in writing to do so by any Permitted Mortgagee, shall promptly notify such Permitted Mortgagee, (b) if requested to do so by any Unit Owner, shall promptly notify a tenant or subtenant of such Unit Owner and (c) each Declarant Net Lessee, of any Common Charges which remain due and unpaid for twenty (20) days after the due date therefore or any other default under the Condominium Documents. Such Permitted Mortgagee, tenant or subtenant, or Declarant Net Lessee shall have the right to cure any monetary default within thirty (30) days after notice from the Board of Managers and with respect to any other defaults, shall have such reasonable additional period of time to cure the default as may be necessary, provided such Permitted Mortgagee, tenant or subtenant, or Declarant Net Lessee commences to cure such default within thirty (30) days after notice and diligently and with continuity prosecutes such cure to completion.

Section 6.5 Foreclosure of Liens for Unpaid Common Charges. In any action brought by the Board of Managers to foreclose a lien on a Unit because of unpaid Common Charges, the Unit Owner shall be required to pay the reasonable rental for use and occupancy of such Unit as well as the cost of services provided by the Board of Managers or the Building to or for the use or benefit of such Unit or such Unit Owner, as reasonably determined by the Board of Managers, and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. A suit to recover a money judgment for unpaid Common Charges shall be maintainable without foreclosing or waiving the lien securing the same.

Section 6.6 Statement of Common Charges and Assessments. The Board of Managers (or the Managing Agent on its behalf) shall promptly provide any Unit Owner and/or Permitted Mortgagee so requesting the same in writing, with a written statement of all unpaid Common Charges and Condominium Special Assessments (including late charges and interest) due from such Unit Owner.

Any person or entity which conveys its Unit in compliance with the terms and conditions specified in the Condominium Documents shall be exempt from Common Charges and any other liabilities thereafter accruing with respect to the Unit so conveyed and its transferee shall be liable for Common Charges thereafter accruing.

The Unit Owners shall be responsible and shall pay the Board of Managers for their respective allocated shares (determined as aforesaid), which payments shall be payable as if the same were Common Charges and will be due at least ten (10) business days prior to the due date of such taxes. Such real estate taxes and/or PILOT will be paid by the Board of Managers in a timely manner so that no lien will be placed on the Property or on any Unit. When the Units have been separately assessed, each Unit Owner shall thereafter pay the real estate taxes and/or PILOT assessed with respect to its Unit, and any real estate taxes and/or PILOT pre-paid by the Board of Managers in respect of the period following such separate assessment shall be appropriately adjusted. A Unit Owner will not be responsible for the payment of, and will not be subject to any lien arising from, the non-payment of real estate taxes and/or PILOT assessed against or allocated to any other Unit(s). However, each Unit Owner shall be responsible for the Impositions payable in respect of its Unit. During the pendency of any such proceedings, all Unit Owners making such request to the Board of Managers and joining therein shall share in the costs thereof in relative proportion to their respective Common Interest; and upon the conclusion of any such proceedings, such Persons shall, after retroactive adjustment for any overpayments or underpayments as a result of prior sharing on the basis of Common Interest, share in the costs thereof in relative proportion to the benefits derived by such Unit Owners therefrom. In the event any Unit Owner individually seeks to have the assessed valuation of its Unit reduced by bringing a separate certiorari proceeding, the Board of Managers, if necessary or desirable for such proceeding, will execute any documents or other papers required for, and otherwise cooperate with such Unit Owner (at such Unit Owner's cost and expense) in pursuing, such reduction, provided that such Unit Owner indemnifies the Board of Managers from all claims, costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) resulting from such proceedings.

(iv) no Alteration shall adversely affect the use and occupancy of the Building other than the applicable Unit Owner's Unit; (v) Alterations that affect the façade of the Building shall not be permitted after the initial construction of the Building; (vi) no Alterations shall reduce the rentable square footage of the Building, other than the rentable square footage of the applicable Unit Owner's Unit, and will not reduce the rentable square footage of the applicable Unit Owner's Unit if the same would cause the Building to no longer quality as a Hudson Yards CCP (as such term is defined in the UTEP); (vii) such Alterations are completed in accordance with the applicable provisions of the Underlying Agreements; (viii) no Alterations shall affect the certificate of occupancy for the Building (other than as it relates to the applicable Unit Owner's Unit); (ix) prior to commencement of any Alteration, builder's risk insurance, liability insurance and workers' compensation coverage shall be provided in such reasonable amounts as may be determined by the Board of Managers and in compliance with the applicable requirements of the Underlying Agreements, and such liability insurance shall name the Board of Managers, the other Unit Owners (and the managing agent(s) of their respective Units, if any) and the Managing Agent and other persons specified in the Underlying Agreements as additional insureds; (x) all contractors shall be approved in advance by the Board of Managers, which approval shall not be unreasonably withheld or delayed (xi) subject to the provisions of Section 13 of the Declaration, no Alteration shall affect any General Common Elements (unless, with respect to General Common Elements, the relocation or replacement thereof does not materially and adversely affect the other Units, and is performed at the sole cost and expense of such Unit Owner and such Unit Owner thereafter bears all expenses and liabilities with respect thereto); (xii) such Unit Owner shall comply with all Laws and regulations of all Governmental Authorities having or asserting jurisdiction and applicable provisions of the Underlying Agreements, and shall agree to hold the other Unit Owners (and the managing agent(s) of such other Units, if any), the Board of Managers, and the Managing Agent harmless from any costs arising from the making of any Alteration; (xiii) no Alteration shall materially and adversely affect the use or rights of the other Unit Owners or any tenant of the other Unit Owners, without the prior consent of such Unit Owner(s); (xiv) the Unit Owner making, causing or suffering such Alteration shall use commercially reasonable efforts to minimize the extent, duration and timing of any adverse effect of such performance on any other portion of the Building (or the use, occupancy or operation thereof); (xv) all work shall at all times be done with diligence through completion; (xvi) all safety measures as may be reasonably required by the Board of Managers and/or the Managing Agent to protect the other Unit Owners (and their Permitted Users) and the Property from injury or damage caused by or resulting from the performance of the Alterations by such Unit Owner shall be observed and (xvii) such Unit Owner shall defend and hold the Board of Managers, the Managing Agent, and all Unit Owners harmless from any liability arising therefrom. Article 9

Subdivision and Combination of Units

Section 9.1 Subdivision and Combination of Units. The Unit Owner of each Unit shall have the right, without the consent of the Board of Managers, the other Unit Owners or the holders of mortgages on the other Units: to (i) subdivide its Unit into separate Units and recombine Units resulting from the subdivision; (ii) alter any boundary walls between one or more of its subdivided Units; (iii) apportion among its subdivided or combined Units their appurtenant Common Interest in accordance with the provisions of the Condominium Act, and (iv) create such easements and limited common elements in connection therewith as affect only such Unit and subdivided or combined Units, provided, however, that in each instance the subdividing Unit Owner shall comply with all Laws and the applicable provisions of the Underlying Agreements, and shall agree to hold the Board of Managers and the other Unit Owners harmless from any liability, damage, cost, obligation or expense arising from (a) such subdivision and/or combination and (b) the failure to comply with such Laws or the applicable provisions of the Underlying Agreements. If a Unit is subdivided: (i) the term "Unit" shall include all Units resulting from such subdivision; and (ii) the owners of the Units resulting from the subdivision of the Unit shall be Unit Owners and shall be required to act as provided in the Condominium Documents with respect to all matters in which action by a Unit Owner is required. The provisions of this Section 9.1 may not be amended, added to or deleted without the unanimous consent of all of the Unit Owners. In no case may the subdivision or recombining of a Unit result in a greater or lesser Common Interest for the total of the new Units created by such subdivision or recombination than existed for the Unit in question before such subdivision or recombination.

Section 9.2 Amendment to the Declaration. The amendment to the Declaration to be made by the subdividing Unit Owner or combining Unit Owner shall contain new or amended Floor Plans, specifications, tax lot numbers, the (re)apportionment among or to the subdivided Units or combined Unit, as the case may be, of their Common Interest in compliance with the New York Condominium Act and the other matters set forth in this Article 9 above; as appropriate, the allocation or aggregation to newly constituted subdivided Units or combined Unit(s) of the right to use, and responsibility for Maintenance, Repairs and decoration of, any previously existing Exclusive Use Common Elements appurtenant to the Unit(s) subdivided or combined (but only to the extent that such Exclusive Use Common Elements are not required to be maintained as Exclusive Use Common Elements for the shared use of any Units pursuant to any applicable Laws or the applicable provisions of the Underlying Agreements); and, as applicable, the designation of part of a Unit being subdivided as a newly created specially designated common area appurtenant to one or more of any newly constituted subdivided Units. The subdividing Unit Owner or combining Unit Owner, as the case may be, shall approve and execute an amendment to the Declaration effecting such subdivision and/or combination, and shall in any event duly certify and file such amendment in accordance with all applicable Laws and the applicable provisions of the Underlying Agreements and promptly deliver a copy of the filed amendment to the Board of Managers; and at the request of such Unit Owner, the Board of Managers shall execute any application or other document required to be filed with any Governmental Authority having or asserting jurisdiction, including, without limitation, applications for an amended certificate of occupancy for the Building, to effect the subdivision of the Unit in question and recombining of Units resulting from the subdivision.

Section 9.3 Sections and Sub-Boards. In connection with the subdivision of any Unit pursuant to this Article 9, the subdividing Unit Owner shall have the right, without the consent of any Unit Owner, the Board of Managers, or any Sub-Board, to amend the Declaration, the By-Laws and the Floor Plans to: (i) effect and reflect such subdivision; (ii) supplement the Declaration by annexing and incorporating therein a set of by-laws for the internal governance of the subdivided Units so created and any Exclusive Use Common Elements appurtenant thereto (referred to herein collectively as a "Section"), which shall (together with, but subject to, this Declaration and the By-Laws), from and after the recording of the amendment to the Declaration effecting such subdivision, govern the affairs, use and occupancy of such Section; (iii) allocate and assign to the Unit Owners of the Units so created to a sub-board of managers established to govern such Section (a "Sub-Board"), or to both, the applicable rights and obligations of the Unit Owner of the subdivided Unit under the Condominium Documents immediately prior to such subdivision (including, without limitation, with respect to voting, alterations, liens, self-help, governance, payment of Common Charges, appointing members of the Board of Managers, insurance, etc.); and (iv) make such other changes which do not materially and adversely affect the rights or property of the other Unit Owners and which are reasonably deemed appropriate or desirable by the subdividing Unit Owner consistent with the then prevailing practice in respect of office sub-groups, and the governance thereof and the offering of units therein, as part of mixed-use condominium projects in the City of New York. Any disputes with respect to any amendments to the Condominium Documents pursuant to clause (v) above shall be resolved by Arbitration in accordance with the provisions of Article 15 of the By-Laws. The remainder of the above-described changes may be made as of right. Nothing in this Section 9.3 or otherwise in the Condominium Documents shall be construed to prohibit ownership and use of any Unit for any purpose provided for in the Declaration.

Article 10

Mechanic's Liens; Violations; Compliance with Laws

Section 10.1 Mechanic's Liens. In the event that any mechanic's lien is filed against any Unit or other portion of the Property as a result of services provided or materials furnished to, or Alterations or Repairs or other work performed for a Unit Owner (or such Unit Owner's Permitted Users) with respect to all or any portion of its Unit or Sub-Board with respect to its Section (each such Unit Owner, or Sub-Board, as applicable, for purposes of this Section 10.1, being referred to as the "Lien-Causing Unit Owner"), or alleged to have been provided or furnished to, or performed for, any such Lien-Causing Unit Owner, then such Lien-Causing Unit Owner shall promptly notify the Board of Managers and the Managing Agent of same, and shall cause such lien to be released and discharged of record, either by paying the indebtedness which gave rise to such lien or by posting a bond or other security as shall be required by Law to obtain such release and discharge, in each case within thirty (30) days after receiving from a Unit Owner whose Unit has been adversely affected by such mechanic's lien, or from the Board of Managers if any Common Elements have been adversely affected by such mechanic's lien, a notice (a "Lien Notice") identifying the lien and requesting that the same be released or discharged, failing which the Board of Managers shall have the rights set forth in Article 13 hereof. For purposes of this Section 10.1, a Unit Owner shall be deemed to be "adversely affected" by a mechanic's lien (which is the responsibility of a Lien-Causing Unit Owner to remove, as aforesaid) if such Unit Owner's Unit is reasonably purportedly (whether or not actually) encumbered by or subjected to the mechanic's lien. In all events, the Lien-Causing Unit Owner shall defend, protect, indemnify and hold harmless all other Unit Owners, any Sub-Board, and the Board of Managers from and against any and all Costs arising out of or resulting from the applicable mechanic's lien. Copies of all Lien Notices sent by a Unit Owner shall be simultaneously sent to the Board of Managers.

Section 10.2 Violations. In the event that any violation shall be noted or noticed against any Unit or other portion of the Property as a result of any condition at the Property created or suffered by or existing with respect to a Unit Owner (or such Unit Owner's Permitted Users) with respect to all or any portion of its Unit or a Sub-Board with respect to a Section (each such Unit Owner or Sub-Board with respect to a Section, for purposes of this Section 10.2, being referred to as the "Violation-Causing Unit Owner"), the Violation-Causing Unit Owner shall promptly notify the Board of Managers and the Managing Agent of same, and shall cause the violation to be removed and the condition giving rise to the violation to be cured, in each case within thirty (30) days after receiving, from a Unit Owner whose Unit has been adversely affected by such violation, or from the Board of Managers if any Common Elements have been adversely affected by such violation, a notice (a "Violations Notice") identifying the violation and requesting that the same be removed and the condition giving rise to it be cured (provided that if such violation cannot, notwithstanding diligent efforts, be removed and/or such condition cured within such thirty (30) day period, the Violation-Causing Unit Owner commences the removal of such violation and/or the curing of such condition as promptly as practicable within such thirty (30) day period and thereafter proceeds with diligence and continuity to complete such removal and/or cure); failing which the Board of Managers shall have the rights set forth in Article 13 hereof. Notwithstanding the foregoing, any time a Violating Unit Owner is otherwise required under this Section 10.2 to remove a violation, such Violating Unit Owner shall nevertheless not be required to remove the violation if upon prior notice to the Board of Managers and the other Unit Owners, and, at its own expense, it is contesting by appropriate legal or administrative proceedings or redress, promptly initiated and conducted in good faith and with due diligence, the validity or enforceability, in whole or in part, of the applicable Law giving rise to the violations provided the following conditions are met: (i) such proceeding shall suspend the obligation of the Violating Unit Owner to comply with any such Law, (ii) failure to comply with any such Law pending the contest will not invalidate or vitiate any insurance required hereunder to be maintained with respect to the Property, in whole or in part, and will not in the reasonable opinion of the other Unit Owners and/or the Board of Managers, constitute a present danger to the Property or any portion thereof, or to the persons using and entering upon the Property, (iii) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, confiscated, terminated, canceled or lost as a result of such contest by the Violating Unit Owner (whether by foreclosure of any mortgage thereon or otherwise), (iv) the Violating Unit Owner shall have furnished such security as may be required in the proceeding, or in the event that none is required, as may be reasonably required by the other Unit Owners and/or the Board of Managers to insure the payment by the Violating Unit Owner of all costs of compliance, fines and penalties, together with interest thereon, as may be incurred by the Violating Unit Owner in the event of a determination in such proceeding adverse to the Violating Unit Owner, (v) failure to comply with any such Law pending the contest will not prevent other Unit Owners or the Board of Managers from performing work to the Building or other Units or obtaining permits or certificates of occupancy with respect to the same, and (vi) the other Unit Owners and the Board of Managers will not, in their reasonable opinion be subject to any criminal liability as the result of such contest by the Violating Unit Owner. If any compliance with this Section shall require any repairs to, or which otherwise affect, the General Common Elements, such repairs shall be performed by the Board of Managers pursuant to Section 8.3 hereof. For purposes of this Section 10.2, a Unit Owner shall be deemed to be "adversely affected" by a violation or condition giving rise to a violation (which is the responsibility of a Violation-Causing Unit Owner to remove or cure, as aforesaid) if such Unit Owner's Unit is reasonably purportedly (whether or not actually) subjected to the violation or the violation is noted against same. In all events, the contesting Unit Owner shall defend, protect, indemnify and hold harmless all other Unit Owners, any Sub-Board, and the Board of Managers (and their respective occupants) from and against any and all Costs arising out of or resulting from any proceeding undertaken pursuant to this Section 10.2 or the underlying violation or non-compliance related thereto. Copies of all Violations Notices sent by a Unit Owner shall be simultaneously sent to the Board of Managers.

Section 10.3 Compliance With Laws, Insurance Requirements and Underlying Agreements. Each Unit Owner and any Sub-Board, (without cost or expense to the other Unit Owners or Sub-Boards or the Board of Managers), shall promptly comply and/or cause its Permitted Users to comply with all Laws, Insurance Requirements, and the applicable provisions of the Underlying Agreements applicable to such Unit Owner's Unit and Exclusive Use Common Elements, if any, provided, however, that each Unit Owner shall have the right to contest, by appropriate legal or administrative proceedings diligently conducted in good faith, the validity or applicability to it of any such Law, Insurance Requirement, or applicable provision of the Underlying Agreements and may delay compliance until a final decision has been rendered in such proceedings and appeal is no longer possible, unless such delay is reasonably likely to: (1) render the other Unit(s) or any portion of any of the Common Elements liable to forfeiture, involuntary sale or loss; (2) result in involuntary closing of any business conducted thereon or therein; (3) subject another Unit Owner or the Board of Managers to potential or real civil or criminal liability; (4) impair or prohibit any insurance required to be maintained hereunder or under any of the other Condominium Documents; (5) subject any other Unit or the Common Elements to any lien or encumbrance, or (6) result in the breach of any applicable Underlying Agreement, in which case (with respect to any of the foregoing clauses (1)-(6)) the contesting Unit Owner shall immediately take such steps as may be necessary to prevent any of the foregoing, including posting bonds or security for complying with such Law, Insurance Requirement, or applicable provision of the Underlying Agreements. If such alternate measures shall not be effective to prevent any of the foregoing, then such contesting Person shall comply with the applicable requirements pending the resolution of any such contest. Each non-contesting Unit Owner shall cooperate to the fullest extent necessary with any contesting Unit Owner in any proceeding undertaken pursuant to this provision, including executing necessary documents or consents to such contest, provided all costs and expenses incurred with respect thereto are paid by the contesting Unit Owner. In all events, the contesting Unit Owner shall defend, protect, indemnify and hold harmless all other Unit Owners and the Board of Managers (and their respective occupants) from and against any and all Costs arising out of or resulting from any proceeding undertaken pursuant to this Section 10.3 or the underlying violation or non-compliance related thereto.

Section 10.4 Hazardous Materials. No Unit Owner (or its occupants or permittees) shall store, use or permit the storage or use of Hazardous Materials on, about, under or in its Unit or Exclusive Use Common Elements, if any, or otherwise in or on the Property, except to the extent that such Hazardous Materials are necessarily and customarily used in the ordinary course of usual business operations conducted thereon, and any such storage and/or use shall at all times be in compliance with all applicable Environmental Laws. Each Unit Owner shall defend, protect, indemnify and hold harmless the Board of Managers and each other Unit Owner (and the occupants of each of the foregoing) from and against any and all claims or demands, including any action or proceeding brought thereon, and all Costs relating thereto, including, but not limited to, costs of investigation, remedial response, and reasonable attorneys' fees and cost of suit, arising out of or resulting from any Hazardous Material generated, stored, used, maintained, released, or otherwise introduced by or removed, transported or disposed by such Unit Owner (including its occupants and permittees) under or in its Unit or Exclusive Use Common Elements, if any, or otherwise in or on the Property. For purposes of the Condominium Documents, "Hazardous Materials" shall mean petroleum products, asbestos, polychlorinated biphenyls, radioactive materials and all other dangerous, toxic or hazardous pollutants, contaminants, chemicals, materials or substances listed or identified in, or regulated by, any Environmental Law; and "Environmental Law" shall mean all federal, state and local laws, rules, regulations, ordinances, requirements and orders whether now existing or hereafter enacted, promulgated or issued, regulating, relating to or imposing liability or standards of conduct concerning any hazardous, toxic or dangerous waste, substance or material and/or the protection of human health and the environment.

Section 11.2 Annual Reports. An annual report of the receipts and expenditures of the Condominium, audited by an independent certified public accountant, shall be rendered by the Board of Managers to the Unit Owners and to all Permitted Mortgagees of Units who have requested the same, and to all Declarant Net Lessees promptly after the end of each fiscal year. The cost of such report shall be paid by the Board of Managers as a Common Expense

(b) If the use of all or any portion of any Unit causes an increase in the premium for the insurance which the Board of Managers or any Unit Owner is required to obtain and maintain as set forth herein or otherwise, then the owner of the Unit causing such increase shall be obligated to pay to the Board of Managers, as an additional Common Charge, or to pay to such other Unit Owner, as the case may be, a sum equal to the amount of such increase attributable to such use.

Section 12.4 General Insurance Matters.

(a) Self-Insurance. Notwithstanding anything in these By-Laws to the contrary, no Person (other than the Declarant, as provided in Section 12.2(f) hereof) may provide the insurance coverages required under these By-Laws pursuant to any plan of self-insurance.

(b) Blanket Policy. The insurance coverage required of any Person, including the Board of Managers, under this Article 12, at the option of such Person, may be offered under a blanket policy or policies, provided that any such blanket policy shall otherwise comply with the provisions of these By-Laws. With respect to blanket property polices covering the applicable property to be insured pursuant to these By-Laws (the "Insured Property") and other properties and assets not constituting a part of such Insured Property, such blanket policies shall be without possibility of co-insurance or reduction below the limits required by this Article 12 by reason of, or damage to, any other property (real or personal) named therein. If the insurance required by these By-Laws shall be effected by any such blanket policy, such Person shall furnish to the Person or Persons specified in Section 12.5 hereof (when and as such deliveries would be required for the insurance regularly required by these By-Laws not constituting blanket coverage) valid certificates of insurance evidencing such policy, with schedules thereto attached (with respect to property or building insurance) showing the amount of insurance afforded by such policies applicable to the Insured Property.

(c) Policy Requirements. All policies required to be obtained pursuant to these By-Laws shall:

(i) be purchased from and maintained with companies authorized to do business in the State of New York, which are rated at the time of purchase or renewal of such policy in the then most current A.M. Best Key Rating Guide with ratings of A-/IX or better (or the equivalent of such rating if there is a change in the basis of the rating, or any successor publication of comparable standing);

(ii) with respect to Special Causes of Loss, Comprehensive Boiler & Machinery, or other property coverage, contain a waiver of the insurer's right of subrogation against the Unit Owners, the Board of Managers, any Permitted Mortgagee, any Declarant Net Lessee, any Declarant Net Lessor, and all occupants.

(iii) provide that before any material change or cancellation of a policy for which an additional insured or loss payee is required to be named pursuant to this Article 12, at least thirty (30) days advance written notice, and ten (10) days written notice for non-payment of premium, shall be given in the case of insurance required to be maintained by: (y) the Board of Managers, to each Unit Owner and Sub-Board; and (z) a Unit Owner or Sub-Board, to the other Unit Owners and the Board of Managers.

(iv) be primary as to the named insured and not be entitled to contribution from any other insurance that may be maintained by any other party.

(v) if available without additional premium, contain an endorsement or agreement by the insurer that any loss shall be payable in accordance with the terms of such policy notwithstanding any act or negligence of the policy holder.

(d) All policies of Special Causes of Loss and Comprehensive Boiler & Machinery property coverage required to be obtained by any Person pursuant to these By-Laws shall name its Permitted Mortgagee, if any, as a "mortgagee" under a standard New York State mortgagee clause or its equivalent which shall provide that the loss, if any, thereunder shall be payable to such Permitted Mortgagee, as its interest may appear, subject, however, to the provisions of Section 12.8 hereof.

(e) All policies of Special Causes of Loss and Comprehensive Boiler & Machinery property coverage required to be obtained by the Board of Managers shall (A) provide that adjustment of loss shall be made by the Board of Managers on behalf of all Unit Owners, Permitted Mortgagees, if applicable, and Declarant Net Lessees, and (B) name the Board of Managers, or at the election of the Board of Managers, an insurance trustee meeting the qualifications set forth in Section 12.9 hereof (an "Insurance Trustee") as "loss payee" as agent for the insured in the event the proceeds payable are in excess of $1,000,000.

(f) If the Special Causes of Loss property insurance is provided by multiple carriers, a claims settling agent representing all carriers will be assigned when coverage is bound.

Section 12.5 Evidence of Insurance.

(a) Board of Managers Insurance. The Board of Managers shall deliver to all Unit Owners, each Permitted Mortgagee, each Declarant Net Lessee, and (so long as a Declarant Net Lease is in effect) the Declarant Net Lessor, a certificate of insurance evidencing the Board of Managers Insurance, and promptly after issuance of any renewal or replacement policy, shall deliver a new certificate evidencing same, together with proof of payment of premiums.

(b) Unit Owner Insurance. Each Unit Owner shall deliver to the other Unit Owners and the Board a certificate of insurance evidencing the insurance required to be maintained by such Unit Owner under this Article 12 and promptly after issuance of any renewal or replacement policy, and shall deliver a new certificate of evidencing same, together with proof of payment of premiums.

(c) Certificates of Insurance; Policies. The certificates of insurance required to be obtained by any Person pursuant to this Section shall be kept at the offices of such Person at the Property or at such other reasonably proximate location(s) in The City of New York. In the event that any certificate of insurance shall fail to contain detail reasonably sufficient enough to enable the Person(s) who are entitled to a copy of such certificate to reasonably determine if the insurance covered by such certificate complies with the provisions of this Article 12, then such Person or Persons shall have the right, upon reasonable notice to the Person maintaining such insurance, to inspect the policy or policies underlying such certificate.

Section 12.6 Waiver of Subrogation. The Board of Managers and each Unit Owner and their Occupants, as hereinafter defined (the "Releasing Party") hereby releases and waives for itself, and each Person claiming by, through or under it, each other Unit Owner and the Board and their respective Occupants (the "Released Party") from any liability for any loss or damage to all property of such Releasing Party located upon any portion of the Property, which loss or damage is of the type covered by "All-Risk," Comprehensive Boiler & Machinery, or other property insurance policies required to be carried under these By-Laws, irrespective either of any negligence on the part of the Released Party which may have contributed to or caused such loss, or of the amount of such insurance required or actually carried, including any deductible. The Releasing Party agrees to obtain, if needed, appropriate language in its policies of insurance, and to the policies of insurance carried by its Occupants, with respect to the foregoing release. As used herein, "Occupants" shall mean any Persons from time to time entitled to the use and occupancy of all or any portion of a Unit under any ownership right, a lease, sublease, or similar agreement.

Section 12.7 Indemnification. Subject to the waiver of claims and waiver of subrogation set forth in this Article 12, and to the fullest extent permitted by Law, each Unit Owner hereby indemnifies and agrees to defend and hold each other Unit Owner (and such other Unit Owner's Occupants) and the Board of Managers and any Sub-Board harmless (except for loss or damage resulting from the gross negligence, willful misconduct or bad faith of any such other Unit Owners or Sub- Board, or the Board of Managers, (or their respective Occupants), and their respective directors, officers, agents, tenants, contractors, employees, servants, licensees (collectively, the "Related Parties")) from and against any and all claims, actions, suits, judgments, damages, liabilities and expenses (including, without limitation, reasonable attorneys' fees) in connection with loss of life, personal injury and/or damage to property arising from or out of any occurrence in or upon the Unit (or any Exclusive Use Common Element appurtenant to such Unit) owned by such Unit Owner, or occasioned wholly, or in part, by any gross negligence, willful misconduct or bad faith of such Unit Owner, or its respective Related Parties.

Section 12.8 Casualty and Condemnation.

12.8.1 Common Element Restoration Funds. All insurance proceeds under all policies required to be obtained by the Board of Managers with respect to any property loss (the "CE Restoration Insurance Proceeds") and all condemnation awards, if any, with respect to the Common Elements (such sums, together with any interest or income earned thereon, but net of the reasonable fees, compensation and expenses incurred by the Insurance Trustee, collectively, the "CE Restoration Funds") shall be payable to the Board of Managers, except that if the CE Restoration Funds shall exceed $1,000,000, all CE Restoration Funds shall be payable to the Insurance Trustee.

12.8.2 Use of CE Restoration Funds. The Board of Managers shall (i) hold in trust on behalf of all Unit Owners any CE Restoration Funds it receives, (ii) subject to the provisions of Sections 12.8.3 and 12.8.5 of these By-Laws, use the CE Restoration Funds only for CE Restoration Work and (iii) not commingle the CE Restoration Funds with other funds being held by the Board of Managers.

12.8.3 Casualty to or Condemnation of Common Elements; Repair by Board of Managers; CE Restoration Work.

(a) CE Restoration Work. Except as provided herein, in the event of (i) the casualty of all or any part of the Common Elements, (ii) the taking in condemnation or by eminent domain of all or any part of the Common Elements, or (iii) the taking in condemnation or by eminent domain of all or any part of a Unit that affects the Common Elements, then, subject to the provisions set forth below, the Board of Managers will arrange for the prompt demolition (to the extent required) repair and restoration of the part of the Common Elements affected by such casualty or impaired by such taking which, pursuant to the provisions of the Declaration or By-Laws, are required to be maintained by the Board of Managers (the "CE Restoration Work"). In the event of a casualty, such CE Restoration Work shall restore the Common Elements so that they are the same type and quality as existed immediately prior to such casualty, with such changes to the General Common Elements as the Board of Managers may elect. In the event of a taking, such CE Restoration Work shall take into account the physical constraints imposed by such taking, and accordingly the Common Elements may be altered to account for such physical constraints; provided, however, that in no event shall the Board of Managers have the right to utilize additional space in any Unit in connection with such restoration, unless such right has otherwise been granted under these By-Laws or the Declaration or in connection with such taking. Notwithstanding anything herein to the contrary, in no event shall the Board of Managers be obligated to restore any Unit Owner's fit-out to or personal property contained within its Unit. All CE Restoration Work shall comply with the provisions of Exhibit D to the Master Declaration as if such CE Restoration Work were the initial construction of the Building (it being understood that Section 2.11 of said Exhibit D shall not apply to the same), and to the extent that any CE Restoration Work affects in more than a de minimis matters the use and enjoyment of the Yards Parcel Owner (as defined in Section 13.2(a)(iii) of these By-Laws) of the easement described in Section 5.1(k) of the Master Declaration, such CE Restoration shall be subject to the procedures for reviewing Parking Component Review Elements as set forth in said Exhibit D.

(b) Disbursement of CE Restoration Funds. In the event of any CE Restoration Funds held by the Insurance Trustee, the Board of Managers shall apply to the Insurance Trustee for disbursement of the CE Restoration Funds in installments as the CE Restoration Work progresses in accordance with the provisions of the agreement between the Board of Managers and the Insurance Trustee.

(c) CE Restoration Funds Deficiency. If prior to the commencement of (and also at any time during the prosecution of) the CE Restoration Work, the Board of Managers reasonably estimates that the cost to complete the CE Restoration Work exceeds the CE Restoration Funds then being held by the Insurance Trustee or the Board of Managers, as the case may be, then the Board of Managers shall notify each Unit Owner of the amount of such estimated deficiency and each Unit Owner's pro rata allocation thereof (which such allocation shall be determined in accordance with the Common Interest of each Unit Owner), if relating to the General Common Elements or borne entirely by the applicable Unit Owner if relating to the Unit Owner's appurtenant Exclusive Use Common Elements, and shall be payable by each Unit Owner as a Condominium Special Assessment (hereinafter referred to as a "Special CE Restoration Assessment"; all such Special CE Restoration Assessments received by the Board of Managers, the "Special CE Restoration Assessment Proceeds"). At the election of the Board of Managers, each Unit Owner shall then pay its respective Special CE Restoration Assessment either: (i) in a lump sum, or (ii) in installments, as may be necessary, in the determination of the Board of Managers to pay for the CE Restoration Work. The Special CE Restoration Assessment Proceeds shall be treated as if such monies were CE Restoration Funds.

(d) Excess CE Restoration Insurance Proceeds. To the extent not drawn upon and/or applied to the CE Restoration Work, the Insurance Trustee and/or the Board of Managers, as the case may be, shall, after the completion of the CE Restoration Work, return all excess CE Restoration Insurance Proceeds to the Unit Owners according to the Common Interest of such Unit Owner (after deducting from the amount to be distributed to each Unit Owner the amount, if any, of any Common Charges or Condominium Special Assessments (and other charges related thereto imposed under these By-Laws) then due and owing from such Unit Owner (such deducted amount, a "Delinquency Charge").

(e) Excess Special CE Restoration Assessment Proceeds. To the extent not drawn upon and/or applied to the CE Restoration Work, the Insurance Trustee and/or the Board of Managers, as the case may be, shall, after the completion of the CE Restoration Work, return all excess Special CE Restoration Assessment Proceeds it receives to each Unit Owner according to the pro rata share of such Unit Owner's contribution (which shall be based on Common Interest) to such Special CE Restoration Assessment Proceeds, after deducting any Delinquency Charge. If any Unit Owner fails to pay its Special CE Restoration Assessment in accordance with the provisions of Section 12.8.3(c) of these By-Laws, then the Special CE Restoration Assessment of such Unit Owner still due and payable (the "Delinquent Special CE Restoration Assessment") shall be subject to late charges, interest, expenses and fees, all pursuant to and in accordance with these By-Laws (such charges, the "Special CE Restoration Assessment Penalties"). Upon payment to the Board of Managers of the Delinquent Special CE Restoration Assessment, and to the extent not drawn upon and/or applied to such completed CE Restoration Work, then the Insurance Trustee and/or the Board of Managers, as the case may be, shall distribute the Delinquent Special CE Restoration Assessment to each Unit Owner, after deducting any Delinquency Charge, according to the pro rata share of such Unit Owner's contribution to the Special CE Restoration Assessment Proceeds. The Special CE Restoration Assessment Penalties shall be distributed to each Unit Owner (excluding the Unit Owner paying such Special CE Restoration Assessment Penalties) according to the pro rata share of such Unit Owner's contribution to the Special CE Restoration Assessment Proceeds (taking into account any prior distribution of any excess Special CE Restoration Assessment Proceeds and after deducting any Delinquency Charge) prior to the payment of the Delinquent Special CE Restoration Assessment.

12.8.4 Casualty to or Condemnation of Units; Repair by Unit Owners; Unit Restoration Work. In the event a Unit or a Section is damaged or destroyed by casualty or impaired by a partial taking by condemnation or eminent domain, the affected Unit Owner(s) (or Sub-Board, as applicable) shall immediately remove any rubble and debris resulting from such event and, within a reasonable time thereafter, shall (at its election) either repair and restore the Unit (or Section, if applicable) so damaged or destroyed by casualty, or such of the Unit (or Section, if applicable) and as shall remain following the taking, (i) to a complete, independent and self-contained architectural whole, and/or (ii) to a safe and secure "core and shell" condition, with complete and sightly demising walls, doors and exterior visible surfaces separating such Unit (or Section, if applicable) from any other Unit, any other Section, or any Common Element visible from outside of the applicable Unit (or Section, if applicable), having no adverse effect on any other Unit or the Common Elements (either or both of the foregoing (i) and/or (ii), the "Unit Restoration Work").

12.8.5 Casualty to Seventy Five Percent (75%) or More of the Building. Notwithstanding any provision of the Declaration or By-Laws to the contrary, if seventy-five (75%) percent or more of the Building is destroyed or damaged by fire or casualty and if, at any time prior to the execution and delivery of any construction contract relating to the CE Restoration Work (other than a construction contract relating solely to Safety Work (as hereinafter defined) or other minor construction work not constituting restoration work), then unless 75% or more in Number and Common Interest of the Unit Owners duly and promptly resolve to proceed with the necessary CE Restoration Work, (i) the Board of Managers shall secure and fence in the Property boundary, and shall raze the Building, if necessary, and put the Building and Property into compliance with applicable Laws and applicable provision of the Underlying Agreements, and otherwise make the Property and Building safe (all of the activities described in this clause (i), the "Safety Work") and (ii) the CE Restoration Insurance Proceeds, net of the costs and expenses of the Board of Managers hereunder and the cost of any Safety Work, shall be divided among the Unit Owners in accordance with their respective Common Interest; provided, however, that no payment shall be made to a Unit Owner until there has first been paid out of its share of such fund all liens of Permitted Mortgagees holding mortgages against such Unit Owner's respective Unit, and all unpaid charges, liens and Delinquency Charges applicable to such Unit. The determination as to whether 75% or more of the Building is destroyed or damaged by fire or casualty shall be made and certified by an independent architect or engineer licensed by the State of New York having not less than ten (10) years prior experience in connection with the construction of buildings in the Borough of Manhattan, City of New York, similar to the Building, which architect or engineer shall be selected by the Board of Managers. Each Unit Owner hereby resolves, and shall be deemed to have resolved, to proceed with the necessary CE Restoration Work in the event seventy-five (75%) percent or more of the Building is destroyed or damaged by fire or casualty. The provisions of the immediately preceding sentence of this Section 12.8.5 may not (so long as a Declarant Net Lease is in effect) be amended without the consent of the Declarant Net Lessor.

12.8.6 Partial Condemnation. Notwithstanding anything in the Declaration or these By-Laws to the contrary, if the Building is partially taken by condemnation or eminent domain (a "Partial Condemnation"), then (i) the Board of Managers shall be required to restore only those Common Elements necessary for the Units remaining after such Partial Condemnation, and (ii) any Unit Owner whose Unit has been partially taken (and irrespective of any condemnation award therefor), shall contribute to the Board of Managers the cost for any applicable CE Restoration Work relating to such Unit Owner's Unit, and such funds shall be deemed to be CE Restoration Funds; provided, however, that any excess CE Restoration Funds shall, after the completion of the applicable CE Restoration Work, be returned to such Unit Owner (after deducting any Delinquency Charges).

12.8.7 Total Condemnation. Notwithstanding any provision of the Declaration or By-Laws to the contrary, if all or substantially all of the Building is taken by condemnation or eminent domain (a "Total Condemnation") (a) the Board of Managers shall perform any Safety Work which it deems appropriate, (b) any award received by a Unit Owner with respect to the taking of its Unit as part of the Total Condemnation shall be payable to the applicable Unit Owner, provided, however, that no payment shall be made to a Unit Owner until there has first been paid out of its share of such award all liens of Permitted Mortgagees holding mortgages against such Unit Owner's respective Unit, and all unpaid charges, liens and Delinquency Charges applicable to such Unit, and (c) the Board of Managers shall have no obligation to restore the Common Elements.

12.8.8 Restoration Work; Plans. All Unit Restoration Work shall be performed in accordance with the applicable provisions of the Declaration and these By-Laws regarding the performance of Alterations and/or Repairs.

12.8.9 Reallocation of Percentage Interests.

(a) If, as a result of a Partial Condemnation, the gross square footage of any Unit changes, the Board of Managers shall promptly (i) adjust, as of the date of such partial Condemnation, the Unit Owner's Common Interest Percentage in a manner consistent with the allocation of the Common Interests in existence immediately preceding such casualty or taking and in accordance with the then applicable Real Property Law, and (ii) subject to the provisions of Article 16 of the Declaration and Article 16 of these By-Laws, prepare and record in the office of the New York City Register an amendment to the Declaration, confirming such reallocation. If the Board of Managers shall not agree on any of the matters referred to in the foregoing clauses (i) and (ii) within ninety (90) days after the date following completion of the reconstruction of the Building, they shall submit such issue to Arbitration pursuant to the provisions of Article 15 of the By-Laws.

(b) If a Unit Owner does not (in the course of restoring its Unit including any Exclusive Use Common Element appurtenant thereto, following a fire or other casualty) restore the number of gross square feet existing immediately preceding the fire or other casualty, then, notwithstanding the reduction in the number of gross square feet in such Unit Owner's Unit (or its Exclusive Use Common Element appurtenant thereto), such Unit Owner's Common Interest shall not be adjusted. Likewise, each Unit Owner's Common Interest shall not be adjusted if a Unit Owner chooses to restore its Unit to a "core and shell" condition rather than to a fully operational condition.

(c) Unless otherwise shown on the plans for the rebuilding, repairing, replacement or reconstruction of a Unit, during the period of any rebuilding, repairing, replacement or reconstruction of such Unit the gross square footage previously attributable to that Unit shall be deemed to be the same as existed immediately prior to such period.

Section 12.9 Insurance Trustee. The Insurance Trustee shall be designated by the Board of Managers and shall be a depository institution or trust company having an office located in The City of New York with net assets or a capital surplus and undivided profits of $500,000,000 or more having a long term credit rating from Standard & Poor's Rating Services of not less than "A". In the event the Insurance Trustee resigns or is replaced by the Board of Managers, the Board of Managers shall appoint a new Insurance Trustee. The Board of Managers shall pay the fees and disbursements of any Insurance Trustee and such fees and disbursements shall constitute a Common Expense. The Insurance Trustee shall hold all CE Restoration Funds (i) in trust on behalf of all Unit Owners, (ii) in accordance with the terms of these By-laws and (iii) in accordance with Section 254(4) of the Real Property Law of the State of New York.

Article 13

Compliance, Defaults, Cure Rights

Section 13.1 Compliance and Default.

(a) Each Unit Owner shall comply with the terms of the Condominium Documents. Failure to comply shall be grounds for (i) an action to recover sums due for damages or for injunctive relief maintainable by the other Unit Owners, each on its own behalf, or by the Board of Managers on behalf of the non-defaulting Unit Owners or (ii) in the case of unpaid Common Charges, an action by the Board of Managers to foreclose its lien, as hereinabove provided.

(b) For so long as a monetary event of default under the Condominium Documents exists and is continuing with respect to a particular Unit Owner, such Unit Owner shall not have the right to vote at any meeting of Unit Owners nor shall any member(s) of the Board of Managers designated by such Unit Owner have the right to vote at any meeting of the Board of Managers; and all references in the Condominium Documents to required votes or voting percentages shall, in such circumstances, mean the required vote or voting percentage of Unit Owners or members of the Board of Managers, as the case may be, who or which are eligible to vote at the time in question. In addition, any express reference to the required vote of such Unit Owner (or Board member appointed by such Unit Owner) shall, during the pendency of such default, be inapplicable.

(c) In any proceeding arising out of an alleged default by a Unit Owner, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorney's fees and disbursements as may be determined by the court.

(d) The failure of the Board of Managers or a Unit Owner to enforce any right, provision or covenant contained in the Condominium Documents shall not constitute a waiver of the right of the Board of Managers or the Unit Owner to enforce such right, provision or covenant in the future.

(e) All rights, remedies and privileges of the Board of Managers or a Unit Owner pursuant to the Condominium Documents shall be cumulative, and the exercise of any one or more shall not constitute an election of remedies nor shall it preclude the party exercising the same from exercising other and additional rights, remedies or privileges as may be granted to such party by the Condominium Documents or pursuant to law or in equity.

(f) In the event of a default by a Unit Owner with respect to the payment of any sums, or the performance of any obligation, or the cure of any default or violation of or under the Condominium Documents, and the same shall continue without payment, performance or cure, as the case may be, beyond the giving of all required notices and the expiration of all cure periods, in each case to the extent required under the Condominium Documents, without limiting the foregoing, the Board of Managers may (without the consent of the defaulting Unit Owner) but shall not be obligated to, pay the amount or perform or cause to be performed the obligation or otherwise cure or effect the cure of the default (including, for example, by means of causing Repairs or Alterations, or curing violations or removing or bonding mechanic's liens or otherwise as the Board of Managers shall deem appropriate). Such right on behalf of the Board of Managers to cure any such matters includes, without limitation, the right: (i) to enter the Unit and any Exclusive Use Common Element appurtenant thereto of the defaulting Unit Owner and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition resulting in such violation or breach and the Board of Managers shall not thereby be deemed guilty or liable in any matter of trespass; and/or (ii) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such violation or breach. Any funds expended by the Board of Managers together with interest at the Default Rate from the date of expenditure to the date of repayment, shall be reimbursed by the defaulting Unit Owner to the Board of Managers within ten (10) days after the giving by the Board of Managers of written notice of such default, and the same shall constitute part of the Common Charges payable by such person.

(g) Any rights or remedy of the Board of Managers may be exercised immediately, and if necessary, without notice, in the case of any Emergency.

Section 13.2 Defaults Under Master Declaration and ERY FAPOA Declaration.

(a) As used herein:

(i) "Facility Airspace Parcel" has the meaning set forth in the Master Declaration.

(ii) "Facility Airspace Improvements" has the meaning set forth in the Master Declaration.

(iii) "Individual Association Share" means, with respect to any Unit Owner, the percentage which reflects the Common Interest (or such other allocation as is specifically provided for in the Allocation Schedule) of such Unit Owner as applied to the total obligations of the Board of Managers with respect to its portion of the Facility Airspace Parcel or Facility Improvements Parcel in accordance with Article XVI of the Master Declaration.

(iv) "Yards Parcel Owner" has the meaning set forth in the Master Declaration.

(v) "YP Obligation Assessment" has the meaning set forth in the ERY FAPOA Declaration.

(b) The Board of Managers shall assess and collect Association Charges and Special Assessments from all Unit Owners as provided in Section 6.8(k) hereof. Each Unit Owner shall be responsible to fund in a timely manner its Individual Association Share of the total Association Charges and Special Assessments. If a Unit Owner (a "Defaulting Unit Owner") fails to so fund its Individual Association Share, the Board of Managers may impose a Condominium Special Assessment on the other Unit Owners in order to meet the obligation of the Condominium to pay Association Charges and Special Assessments, but such Condominium Special Assessment shall not relieve the Defaulting Unit Owner of its obligations.

(c) Each Unit shall be subject to levy or execution for the satisfaction of any monetary liability under the Master Declaration solely to the extent of the Association Share Interest of such Unit Owner of such Unit. In accordance with the Master Declaration and the ERY FAPOA Declaration, in the event of a default by the Condominium in payment of such Association Charges and/or Special Assessments to the Association, a lien shall exist upon the Unit of each Unit Owner in favor of the Association, solely to the extent of such Unit Owner's unpaid Individual Association Share, which lien shall include such Unit Owner's obligation for the costs of collection of such Unit Owner's unpaid Individual Association Share. Such lien shall have the same priority as the lien of the Board of Managers for unpaid Common Charges, and shall be superior to all other liens on the Unit, except to the extent provided in Section 339-z of the New York Real Property Law (or other applicable Legal Requirements), the lien of any real property taxes.

(d) The Board of Managers and the Unit Owners acknowledge that the ERY FAPOA Declaration provides that prior to enforcing its rights under the ERY FAPOA Declaration against a Unit Owner, the Association shall first use reasonable efforts to enforce its rights against the Board of Managers. In the event that the Board of Managers does not timely perform its obligations under the ERY FAPOA Declaration, the Association and the Yards Parcel Owner shall have the right at any time thereafter to obtain from the Board of Managers the names of any Unit Owners who have not paid their Individual Association Shares. In no event shall Yards Parcel Owner be obligated to bring suit against the Board of Managers or to exhaust remedies against the Board of Managers prior to making demand on the Unit Owners to fund their Individual Association Shares.

(e) The Board of Managers shall give a copy of any notice of default received by it from the declarant under the Master Declaration or from the Association with respect to the ERY FAPOA Declaration to each Unit Owner, Sub-Board, and Permitted Mortgagee. Each Unit Owner or Sub-Board may cure such default if the Board of Managers fails to do so, and shall promptly notify the Board of Managers of its intent. If more than one Unit Owner or Sub-Board notifies the Board of Managers of such intent, Unit Owners or a Sub-Board shall have priority to cure such default in order of their Common Interests, with the Unit Owner or Sub-Board with the highest Common Interest having the highest priority. A Permitted Mortgage shall also have the right to cure such default on behalf of its Unit Owner or Sub-Board.

(f) In the event that the Board of Managers fails to perform its obligations hereunder with respect to any YP Obligation Assessment and the Association fails to cause the Board of Managers to remedy such failure within ten (10) business days of the occurrence thereof, the Yards Parcel Owner shall be entitled, at its election, to make demand on and/or exercise any remedies against the Unit Owners directly to fund their respective Individual Association Shares of such YP Obligation Assessment. In no event shall the Yards Parcel Owner be obligated to bring suit against the Board of Managers or to exhaust remedies against the Condominium prior to making such demand on the Unit Owners to fund their Individual Association Shares of such YP Obligation Assessment or exercising any other remedies of the Yards Parcel Owner hereunder against the Condominium. Any suit by the Yards Parcel Owner against the Board of Managers and/or each Unit Owner to enforce the obligation to pay a YP Obligation Assessment may, at the option of the Yards Parcel Owner, be brought in a single action or successive actions (subject to any applicable statute of limitations). No Unit Owner shall be liable for payment of more than its Individual Association Share of any YP Obligation Assessment, and any Unit Owner that has duly paid its Individual Association Share of a YP Obligation Assessment to the Board shall not be obligated to pay any duplicative amount to the Yards Parcel Owner. Yards Parcel Owner shall hold any funds received from the Unit Owners on account of the YP Obligation Assessment in the name of and for the account of Yards Parcel Owner, and shall apply such funds to the Condominium's Association Share (as defined in the ERY FAPOA Declaration) of obligations under the Master Declaration.

(g) The obligations of the Board of Managers and its rights (and the rights of the Yards Parcel Owner) against the Unit Owners pursuant to this Section 13.2 are essential elements permitting the development of the Property. Every deed conveying title to a Unit to a Unit Owner, and every lease of all or substantially all of a Unit, shall make reference to the provisions of this Section 13.2, and shall expressly state that the Condominium Declaration and/or the applicable conveyance is subject to the ERY FAPOA Declaration.

(h) In no event may the provisions of this Section 13.2 be amended, modified, deleted or waived without the express written consent of Yards Parcel Owner.

Article 14

Sale, Lease and Mortgages of Units; Estoppel Certificates

Section 14.1 *Sales and Leases of Units.* The Unit Owner of each Unit, may, without the prior consent of the Board of Managers or any other Unit Owner, sell, assign or otherwise transfer, lease, sublease, license or encumber its Unit (whether by merger, consolidation, sale, lease, sublease, license, mortgage, assignment or otherwise, but subject to any restrictions provided herein or in any other of the Condominium Documents); provided, however, that: (i) no lien to secure repayment of any sum borrowed may be created on any other Unit without the prior written consent of the owner of such other Unit **or on** any of the Common Elements (as opposed to the applicable Unit Owner's undivided interest therein) without the prior written consent of all Unit Owners; and (ii) no Unit Owner (other than such borrowing Unit Owner), nor the Board of Managers, will be liable for repayment of any portion of any such loan, unless all such Unit Owner(s) and Board of Managers, as applicable, otherwise so agree in writing.

Section 14.2 Leasing of Units. Subject to the provisions of these By-Law, a Unit Owner (including a Permitted Mortgagee who acquires title to the Unit through foreclosure or by deed or assignment in lieu of foreclosure or otherwise) may lease or sublease the Unit in whole or in part, without any notice to or consent of the Board of Managers or other Unit Owner but subject, in all events, to the provisions of the Condominium Documents. Any lease for all or part of a Unit shall be consistent with and shall be deemed to incorporate by reference these By-Laws.

Section 14.3 ***[Intentionally Omitted]****.*

Section 14.4 Mortgaging of Units; Suits.

(a) Each Unit Owner shall have the right, without consent of the Board of Managers or any other Unit Owner, to mortgage (which term shall include, where applicable, any lease which is entered into in connection with a sale-leaseback, lease-subleaseback or similar financing arrangement) its Unit without restriction, which mortgage shall be subject, however, to the provisions of the Declaration and these By-Laws), and provided further that the mortgagee (or the lessor in a sale-leaseback or sublessor in a lease-subleaseback transaction) is: (i) a bank, savings bank, trust company, savings and loan association, real estate investment trust, credit union or similar banking institution whether organized under the laws of the State of New York, the United States or any other state; (ii) any foreign banking corporation licensed by the Superintendent of Banks of New York or the Comptroller of the Currency to transact business in the State of New York; (iii) any insurance company or pension and/or annuity company duly organized or licensed to do business in New York State, or any similar institutional lender; or (iv) any instrumentality created by the United States or any state with the power to make mortgage loans,(v) any real estate mortgage investment conduit within the meaning of the Internal Revenue Code, (vi) any entity not included within any of the foregoing that is regularly engaged in the business of making, owning, investing in, or servicing mortgage or mezzanine loans, including, without limitation, a so-called "conduit lender" or "investment fund", or (vii) any group of lenders which include one or more of the foregoing, or (viii) the seller of the Unit or (ix) any affiliate of any of the foregoing. A mortgage (or leaseback or subleaseback) complying with the provisions of this paragraph (a) is herein called a "Permitted Mortgage," and the holder of a Permitted Mortgage is herein called a "Permitted Mortgagee". A Permitted Mortgagee shall also include any lender providing mezzanine financing or preferred equity financing to one or more of the direct or indirect owners of a Unit Owner.

(b) A Unit Owner which mortgages its Unit or the holder of a Permitted Mortgage shall notify the Board of Managers of the name and address of the mortgagee and shall file a conformed copy of the note and mortgage with the Board of Managers and such Unit Owner shall, prior to giving such mortgage, satisfy all unpaid liens against its Unit other than Permitted Mortgages. A Unit Owner who satisfies a mortgage covering its Unit shall so notify the Board of Managers and shall file a conformed copy of the satisfaction of mortgage (or similar document in recordable form) with the Board of Managers. The Board of Managers shall maintain such information in a book entitled "Mortgages of Units."

(c) The Board of Managers shall accept payment of any sum or performance of any act by a Permitted Mortgagee or tenant or subtenant of a Unit Owner required to be paid or performed by a Unit Owner pursuant to the provisions of the Condominium Documents, with the same force and effect as though paid or performed by such Unit Owner.

(d) The Board of Managers shall send each Permitted Mortgagee of which it has received notice (i) a copy of any notice of default sent to the Unit Owner of such Unit, and (ii) notice of the commencement by the Board of Managers of any action or proceeding pursuant to Section 6.3(b) of these By-Laws.

(e) Any Permitted Mortgagee of which the Board of Managers has notice shall have a period of thirty (30) days after receipt of a notice of a default from the Board of Managers for remedying any default by a Unit Owner under the Declaration or these By-Laws or causing the same to be remedied and shall, within such period and otherwise as herein provided, have the right, but not the obligation, to remedy such default, or cause action to remedy such default to be taken; provided, however, that if such default is not reasonably susceptible of being cured by a Permitted Mortgagee either within such thirty (30) day period or without obtaining possession of the Unit, the Permitted Mortgagee shall have such additional period of time as is reasonably necessary to obtain possession of the Unit and thereafter cure such default, provided the Permitted Mortgagee has commenced such cure and is diligently prosecuting such cure. The Board of Managers will not commence a proceeding to foreclose its lien against any Unit as a result of any Unit Owner's default until the expiration of the time period described herein that is afforded to any Permitted Mortgagee to cure such default. Payment or performance of any obligation of a Unit Owner by a Permitted Mortgagee shall not give rise to any obligation on the part of the Permitted Mortgagee to so pay or perform in the future.

(f) No Unit Owner shall suffer or permit any lien on its Unit except as permitted in this Section 14.4. If the Unit Owner fails to satisfy any such lien or otherwise cause its discharge by bonding or otherwise within sixty (60) days after the date of receipt of notice of such lien, the Board of Managers shall have the right to take all necessary and appropriate steps to discharge the lien and charge such Unit Owner for all expenses incurred and such charges shall be due and payable within ten (10) days of demand.

(g) A Unit Owner shall forthwith give notice to the Board of Managers of any suit or other proceeding the outcome of which may directly affect title to its Unit.

Section 14.5 Net Leases of Units by Declarant.

(a) Declarant shall have the right to enter into a net lease (each, a "Declarant Net Lease") of each Unit owned by it with a third party without restriction, which Declarant Net Lease shall be subject, however, to the provisions of the Declaration and these By-Laws. The lessee under a Declarant Net Lease is herein called a "Declarant Net Lessee", and the Lessor under a Declarant Net Lease is herein called a "Declarant Net Lessor".

(b) Each Declarant Net Lessee shall provide the Board of Managers and each Unit Owner with its name and address and any changes thereto.

(c) Each Declarant Net Lessee shall provide the Board of Managers with a redacted copy of its Declarant Net Lease.

(d) The Board of Managers (and, if applicable, any Unit Owner) shall (i) accept payment of any sum or performance of any act by a Declarant Net Lessee required to be paid or performed by Declarant or a Declarant Net Lessor, as the owner of a Unit, pursuant to the provisions of the Condominium Documents, with the same force and effect as though paid or performed by Declarant or a Declarant Net Lessor, and (ii) deal with the Declarant Net Lessee in all respects as if it were the Unit Owner of the applicable Unit owned by Declarant or a Declarant Net Lessor, including, without limitation, the enforcement of all defaults and other remedies under the Declaration and these By-Laws, without first having to exercise any remedies against Declarant or a Declarant Net Lessor.

(e) Each Declarant Net Lessee shall (to the exclusion of Declarant or a Declarant Net Lessor) have all of the rights and obligations of the Unit Owner of the applicable Unit under the Declaration and these By-Laws, including, without limitation, the rights under Articles 15 and 16 of the Declaration and the rights to call for and vote at meetings of Unit Owners, subject, however, to the provisions of the last sentence of Section 3.8 hereof.

(f) The Board of Managers and each Unit Owner shall give to each Declarant Net Lessee and (so long as a Declarant Net Lease is in effect) to Declarant or a Declarant Net Lessor copies of all notices given to Unit Owners or the Board of Managers, as the case may be, pursuant to the provisions of the Declaration and these By-Laws.

(g) The provisions of this Section 14.5, the next to last sentence of Section 2.1 hereof, and the last sentence of Section 3.8 hereof may not (so long as a Declarant Net Lease is in effect) be amended without the consent of Declarant or the Declarant Net Lessor.

Section 14.6 Payment of Assessments. In addition to complying with all other provisions of these By-Laws, Unit Owners shall not be permitted to sell, convey, mortgage, pledge, hypothecate or lease their Units unless and until they shall have paid in full to the Board of Managers all unpaid Common Charges and other amounts required by the Board of Managers to be paid and theretofore assessed by the Board of Managers against such Units and until such Unit Owners shall have satisfied all unpaid liens against their Units, other than Permitted Mortgages. Unit Owners shall notify the Board of Managers or the Managing Agent at least five (5) business days prior to the closing of any of the aforementioned transactions for confirmation of any unpaid amounts.

Section 14.7 No Severance of Ownership. No Unit Owner shall execute any deed, mortgage or other instrument conveying or mortgaging title to its Unit without including therein its entire Common Interest appurtenant to such Unit, it being the intention to prevent any severance of such combined ownership. No part of the Common Interest appurtenant to any Unit may be sold, conveyed or otherwise disposed of, except as part of a sale, conveyance or other disposition of the Unit to which such interest is appurtenant. Any such deed, mortgage or other instrument purporting to affect one or more of such interests without including all such interests shall be deemed and taken to include the interest or interests so omitted even though the latter shall not be expressly mentioned or described therein. Nothing in this Section 14.6 shall prohibit the lease of all or any portion of a Unit without the simultaneous lease of its appurtenant Common Interest.

Section 14.8 Waiver of Right of Partition with Respect to Units Acquired on Behalf of Unit Owners as Tenants-in-Common; Waiver of Right of Surrender.

(a) In the event that any Unit Owner shall convey its Unit to the Board of Managers in accordance with Section 339-x of the Real Property Law of the State of New York, or any Unit shall be acquired by the Board of Managers or its designees (whether at a foreclosure sale or otherwise) on behalf of all Unit Owners as tenants-in-common, all such Unit Owners shall be deemed to have waived all rights of partition with respect to such acquired Unit.

(b) To the extent permitted by Law, each Unit Owner shall be deemed to have waived any and all right to surrender its Unit (in each case, together with its Appurtenant Interests), to the Board of Managers.

Section 14.9 Estoppels. The Board of Managers, at any time, and from time to time, upon at least ten (10) days' prior written notice by a Unit Owner, shall execute, acknowledge and deliver to the Unit Owner, and/or to any other person, firm or corporation specified by the Unit Owner, a statement: (i) certifying that the Condominium Documents are in full force and effect and are unmodified (or, if modified, stating the dates of any amendments thereto); (ii) setting forth the then annual Common Charges allocable to the Unit in question and the dates to which such Common Charges have been paid; and (iii) stating whether or not there exist any known defaults by the Unit Owner under any of the Condominium Documents and, if so, specifying each such known default. The Board of Managers shall be entitled to charge the requesting Unit Owner a reasonable fee for preparing and rendering said statement. The addressee of any such statement shall be entitled to rely thereon; and each statement delivered pursuant to this Section 14.9 shall act as a waiver of any claim between the addressee and the Board of Managers to the extent such claim is based upon facts contrary to those asserted in the statement and to the extent the claim is asserted against a bona fide encumbrancer or purchaser for value without knowledge of facts to the contrary of those contained in the statement, and who has acted in reasonable reliance upon the statement provided, however, that the issuance of such statement shall in no event subject the Board of Managers to any liability for the negligent or inadvertent failure of the Board of Managers to disclose correct and/or relevant information.

Section 14.10 Non-Disturbance. At the request of any Unit Owner made from time to time, the Board of Managers shall, at the sole cost and expense of the requesting Unit Owner, execute and deliver a non-disturbance agreement (substantially in the form annexed to the Declaration as Exhibit D or in any such other or changed form as may be agreed upon by the Board of Managers and the requesting Unit Owner, a "Non-Disturbance Agreement") to any of such Unit Owner's lessees whose lease covers at least 10,000 square feet of space in such Unit Owner's Unit.

Article 15

Arbitration

Section 15.1 Arbitrable Issues. Any dispute or controversy between the Unit Owners or between a Unit Owner and the Board of Managers concerning or relating to the Declaration or these By-laws, may, at the option of any party to the dispute or controversy be submitted to arbitration ("Arbitration") in accordance with this Article 15 (but only if the Declaration or these By-laws expressly provide that the dispute or controversy shall be resolved by Arbitration). Any dispute or controversy submitted to Arbitration shall be determined and resolved by Arbitration (and not by litigation, except with respect to the enforcement of an arbitrator's decision). Nothing in this Article or elsewhere in the Declaration or these By-laws shall (unless otherwise expressly provided) require the Arbitration of any dispute between (x) any Unit Owner or Unit Owners or the Board of Managers, on the one hand, and (y) any third parties (including mortgagees, tenants, insurers and managing agents), on the other. If the dispute or controversy is between the Board of Managers and a Unit Owner, the member(s) of the Board of Manager selected/elected by the other Unit Owner(s) shall have the right to make all decisions and bind the Board of Managers with respect to the Arbitration.

Section 15.2 Arbitration by Single Arbitrator. If any matter is to be submitted to Arbitration by the Board of Managers or by a Unit Owner(s) pursuant to the Declaration or these By-laws and in accordance with this Article 15, the Arbitration shall be conducted in New York City before a single arbitrator ("Arbitrator") in accordance with the then commercial arbitration rules and expedited procedures ("Expedited Procedures") of the American Arbitration Association (or any successor organization) ("AAA"), provided, however, that if the terms of this Article 15 differ from or conflict with then applicable Expedited Procedures, the Arbitrator shall be chosen in accordance with, and the Arbitration shall be governed by, the terms and provisions of this Article 15.

Section 15.3 Initiation of Arbitration. In the event that the Board of Managers or a Unit Owner elects to arbitrate a dispute or controversy in accordance with, and where permitted by, this Article 15, the Board of Managers or the Unit Owner electing Arbitration shall deliver written notice (an "Arbitration Notice") to each of the other Unit Owners or the Board of Managers, as the case may be, demanding Arbitration to resolve the dispute or controversy. The Arbitration Notice shall include a brief statement of the nature of the dispute and the relief being sought. Contemporaneously with the delivery of the Arbitration Notice, the party delivering the Arbitration Notice shall also request from the other parties to the Arbitration the production of documents relating to the dispute, which documents shall be produced within fourteen (14) days of the appointment of the Arbitrator. Within ten (10) business days following the delivery of an Arbitration Notice, any Unit Owner who is not one of the initial disputing parties but believes it may be affected by the outcome of the Arbitration may, by notice to each of the other Unit Owners, elect to intervene and participate in the Arbitration, in which event the intervening Unit Owner shall be deemed a disputing party with all of the same rights and obligations as the original disputing parties; provided, however, that the Arbitrator may, in the Arbitrator's sole discretion, exclude duplicative evidence and may require two (2) or more of the Unit Owners who elect to join the Arbitration in to consolidate the presentation of their cases as may be necessary or proper to the efficient administration of the proceedings.

Section 15.4 Selection of Arbitrator. Within ten (10) business days following the delivery of an Arbitration Notice, the parties to the Arbitration shall attempt to select a single disinterested Arbitrator to resolve the dispute described in the Arbitration Notice. If the disputing parties have not resolved the dispute or agreed on a single Arbitrator within ten (10) business days, then any disputing party (including the party who delivered the Arbitration Notice) may apply to the New York City office of the AAA to appoint an Arbitrator in accordance with the Expedited Procedures. If the AAA shall not then exist or shall fail, refuse or be unable to appoint an Arbitrator within thirty (30) days after the application, then any disputing party (including the party who delivered the Arbitration Notice) may apply to a judge of the highest court of appellate jurisdiction located in the County of New York for the appointment of an Arbitrator. Any Arbitrator selected by AAA shall be an independent real estate professional with no interest in or affiliation with any Unit Owner and have at least 10 years' experience in operations and management of Class A commercial buildings in the New York metropolitan area.

Section 15.5 Arbitration Procedures. Within five (5) business days following the delivery of Arbitration Notice, the Board of Managers shall make available to each disputing party all applicable books and records in connection with the dispute. The Arbitration hearing shall be conducted in accordance with the Expedited Procedures, or as the disputing parties may otherwise agree. The decision and award of the Arbitrator shall be binding on the Unit Owners and the Board of Managers and shall be enforceable in any court of competent jurisdiction. Notwithstanding anything to the contrary contained herein, the Arbitrator may order any interim measures or provisional remedies as may be deemed necessary, including injunctive relief. Each party to an Arbitration shall also be permitted recourse to a court for interim or provisional relief necessary to preserve its right to arbitrate.

Section 15.6 Provisions Applicable to Arbitration. The Arbitrator's decision shall be based on the standards and provisions set forth in, and the purposes of, the Declaration and these By-laws, but absent specific standards and provisions, the decision shall be based on the standards of operation of the Condominium as set forth in the Condominium Documents and what a reasonably prudent Unit Owner of a comparable property in a comparable location would determine under similar circumstances. The Arbitrator shall consider only the specific issues submitted for resolution, as set forth in the Arbitration Notice. The Unit Owners and the Board of Managers shall execute all documents and do all other things necessary to submit to the Arbitration and hereby waive any and all rights they may have to revoke their election to arbitrate and to abide by the decision rendered by the Arbitrator. The Arbitrator shall apply the law of the State of New York without regard to conflict of law principles and shall have no power to vary or modify any of the provisions of the Declaration or these By-laws, and its powers and jurisdiction are hereby limited accordingly. In no event shall any Unit Owner seek (nor shall the Arbitrator award) consequential or punitive damages, and the Arbitrator's powers shall be so limited. No failure or refusal of a Unit Owner to give any consent required under the Condominium Documents shall be subject to Arbitration, except to the extent (i) the Unit Owner is required pursuant to express provisions of the Declaration or these By-laws to act in accordance with certain standards, (ii) the Arbitration is to determine whether the Unit Owner acted within those standards, and (iii) the Arbitration is otherwise permitted as provided in Section 15.1 of this Article 15. In the event that separate Arbitration proceedings are commenced under this Article 15, and the same or similar issues arise in two (2) or more such Arbitration proceedings, they shall be consolidated with, and heard by, the Arbitrator appointed in the proceeding in which the Arbitration Notice was first given.

Section 15.7 Resignation/Departure of a Potential Arbitrator. If any Arbitrator appointed hereunder shall be unwilling or unable, for any reason, to serve, or continue to serve, a replacement shall be appointed in the same manner as provided in Section 15.4 of this Article 15.

Section 15.8 Costs of Arbitration. (a) The fees, costs and expenses of the Arbitrator shall be borne by the losing party in the Arbitration or, if neither party prevails, the fees, costs and expenses shall be borne equally by the parties. Each party shall also bear the fees and expenses of its own counsel and expert witnesses. All costs and expenses paid or incurred by the Board of Managers in connection with any Arbitration held hereunder (including, without limitation, the fees and expenses of counsel and expert witnesses) shall constitute Common Expenses.

(b) Each disputant shall also bear the fees and expenses of its counsel and expert witnesses. All costs and expenses paid or incurred by the Board of Managers in connection with any arbitration held hereunder (including, without limitation, the fees and expenses of counsel and expert witnesses) shall constitute Common Expenses.

Section 15.9 Alternative Dispute Resolution. The parties to any dispute submitted to Arbitration may, by mutual written agreement, vary any of the provisions of this Article with respect to the Arbitration of any dispute, or may agree to resolve their dispute in any other manner, including the manner set forth in Section 3031 of the New York Civil Practice Law and Rules and known as the "New York Simplified Procedure for Court Determination of Disputes."

Section 15.10 No Evidentiary or Preclusive Effect. No determination or other finding in an Arbitration conducted under this Article 15 shall have any preclusive effect nor shall it be deemed, *res judicata* against any disputing party (or other Person) in connection with any claim, suit or cause of action brought by a third party.

Section 15.11 Right of Mortgagee to Participate. A Permitted Mortgagee shall have the right, upon notice to the parties to the Arbitration, to participate in the Arbitration, but not the selection of the Arbitrator, except in lieu of and on behalf of its borrower Unit Owner.

Article 16

Amendments to By-Laws

Article 14 of the Declaration with respect to amendments is incorporated herein in its entirety; and the provisions of these By-Laws may be amended, modified, added to or deleted only in accordance with the terms of such Article, as if each reference therein to the Declaration, were a reference herein to these By-Laws. In no event may the provisions of Section 13.2 of these By-Laws be amended. modified, deleted or waived without the express written consent of the Declarant named herein (and not the Declarant Net Lessee) and the Yards Parcel Owner.

Article 17

Fiscal Year

The fiscal year of the Condominium shall be the calendar year unless the Board of Managers shall adopt a different period.

Article 18

Execution of Instruments

After the effective date of the Declaration, all instruments of the Condominium shall be signed and executed by such officer or officers as the Board of Managers shall designate.

Article 19

Rules and Regulations

The Board of Managers shall adopt and amend Rules and Regulations governing the operation, Maintenance and Repair of the Property as shall be appropriate from time to time, subject to the provisions of Section 2.2.3(f) hereof. In promulgating Rules and Regulations with respect to matters of access to the Building, hours of operation, security and like matters, due consideration shall be given to the fact that portions of certain Unit Owners' activities in the Building are expected to occur in the evenings or on weekends. No **Rule** or Regulation shall unreasonably or discriminatorily or in any material respect whatsoever restrict or impair (directly or indirectly or through discriminatory Condominium Special Assessments or charges) the rights of any Unit Owner to use its Unit for the purposes set forth in Section 7 of the Declaration.

Article 20

Miscellaneous

Section 20.1 Consents and Approvals.

(a) Any approval or consent of the Board of Managers or a Unit Owner required under the Declaration or these By-Laws may, except to the extent expressly provided to the contrary in the Declaration or these By-Laws, be granted or withheld in such Unit Owner's sole discretion. Whenever the approval or consent of the Board of Managers or a Unit Owner is required under the Declaration or these By-Laws not to be unreasonably withheld, such approval shall also not be unreasonably conditioned or delayed.

(b) Notwithstanding that the consent and/or approval of the Board of Managers or any Unit Owner may be required for or with respect to any particular matter, there shall be no separate or further requirement to obtain the consent or approval of the Managing Agent or managing agent for any of the Unit Owners.

Section 20.2 Invalidity. The invalidity of any provision of these By-Laws shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of these By-Laws and, in such event, all of the other provisions of these By-Laws shall continue in full force and effect as if such invalid provision had never been included herein.

Section 20.3 Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of these By-Laws, or the intent of any provision thereof.

Section 20.4 Gender. The use of the masculine gender in these By-Laws shall be deemed to refer to the feminine gender and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

Section 20.5 Waiver. No provision contained in these By-Laws shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur.

Section 20.6 Unanimous Consent. After the subdivision of any of the Units as originally constituted upon the initial recording of the Declaration, any vote requiring the "unanimous consent of Unit Owners" (or like provision) shall, with respect to such subdivided Unit, require the consent of Unit Owners holding a simple majority of the common interest appurtenant to all Units resulting from such subdivided Unit.

Section 20.7 CPI Increases. All specific dollar amounts set forth in these By-Laws or the Declaration shall be adjusted annually by the CPI Increase Factor except to the extent otherwise provided. For such purposes, the "CPI Increase Factor" means an increase proportionate to any increase in the cost of living from the date of the initial recording of the Declaration, as reflected by the change in the Consumer Price Index (CPI-U; All Items; 1982-84 = 100 standard reference base period) for New York, New York (or the smallest measured area including New York, New York), as published by the Bureau of Labor Statistics, United States Department of Labor or, if the same ceases to be published, a commonly used substitute therefor reasonably selected by the Board of Managers (as applicable, the "Consumer Price Index").

Section 20.8 Covenant of Further Assurances.

(a) Any party which is subject to the terms of these By-Laws, whether such party is a Unit Owner, a lessee or sublessee of a Unit Owner, an occupant of a Unit, a member or an officer of the Board, a Permitted Mortgagee, a Declarant Net Lessee, or otherwise, shall, at the expense of any such other party requesting the same, execute, acknowledge and deliver to such other party such instruments, in addition to those specifically provided for herein, and take such other action, as such other party may reasonably request, as shall be reasonably necessary to effectuate the provisions of these By-Laws or any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction (but without expanding the scope of any liability or obligation on the part of the cooperating party beyond that set forth in the Condominium Documents).

(b) If any Unit Owner or any other party which is subject to the terms of these By-Laws fails to execute, acknowledge or deliver any instrument, or fails or refuses to take any action which such Unit Owner or other party is required to perform pursuant to one or more specific provision of these By-Laws, in each case (unless a specific provision with respect thereto is provided for elsewhere in the Condominium Documents) within fifteen (15) business days after request therefor and within five (5) business days after receipt of a second request therefor (which second request shall be accompanied by a copy of the initial request (and any supporting materials) and stating in bold print: "THIS IS A SECOND AND FINAL REQUEST FOR YOU TO EXECUTE, ACKNOWLEDGE AND/OR DELIVER THE DOCUMENTS, OR TO TAKE THE ACTIONS, DESCRIBED IN THE ENCLOSED PRIOR REQUEST THEREFOR, WHICH IS REQUIRED UNDER THE TERMS OF THE CONDOMINIUM DECLARATION AND/OR BY-LAWS. YOUR FAILURE TO EXECUTE, ACKNOWLEDGE AND/OR DELIVER THE DOCUMENTS, OR TO TAKE THE ACTIONS, AS THE CASE MAY BE, WITHIN FIVE BUSINESS DAYS FROM THE DATE HEREOF SHALL ENTITLE THE BOARD OF MANAGERS TO DO SO ON YOUR BEHALF."), then the Board of Managers is hereby authorized, as attorney-in-fact, coupled with an interest, for such Unit Owner or other party, to execute, acknowledge and deliver such instrument, or to take such action, in the name of such Unit Owner or other party, and such instrument or action shall be binding on such Unit Owner or other party, as the case may be. Any dispute with respect to the foregoing shall be subject to Arbitration pursuant to Article 15 of the By-Laws; provided, the Person refusing to execute, acknowledge or deliver any such instrument, or refusing to take any such action, expressly renders such refusal in writing (together with its rationale for such refusal) within the time period(s) provided in this Section.

The amounts set forth in clauses (i)(A), (ii)(A) and (iii)(A) above shall be equitably pro-rated to reflect annual adjustments to the amounts set forth in clauses (i)(A), (ii)(A) and (iii)(A) hereof and to reflect any partial year.

For the avoidance of doubt, if a Purchase Option Notice (hereinafter defined) or Lease Option Notice (hereinafter defined) is delivered on or prior to the expiration of the Option Period, Optionee's exercise of the Option pursuant thereto and the terms of this Agreement shall remain valid and in full force and effect with respect to the Expansion Option Space (hereinafter defined) that is the subject of such Purchase Option Notice or Lease Option Notice, notwithstanding that the Purchase Closing (hereinafter defined) or the Lease Closing (hereinafter defined), as applicable, occurs, or is scheduled to occur, after the expiration of the Option Period in accordance with the terms of this Agreement.

(b) As used herein, the "Option Period" means the period commencing on the date hereof and expiring at 5:00 p.m. (Eastern time) on the date that immediately precedes the applicable Vacancy Date by one (1) year. (b) Upon the delivery of a Purchase Option Notice with respect to any Purchase Option Exercise Space as provided in this Section 3, the Parties shall proceed to effectuate the closing of the purchase and sale of the Purchase Option Exercise Space (the "Purchase Closing") in accordance with the terms and conditions of this Agreement and the Purchase Option Terms, all of which Purchase Option Terms shall be deemed effective and binding on the Parties and shall be deemed incorporated in this Agreement as if set forth in full herein. The Purchase Closing shall occur on a date following the vacancy Date for the applicable Purchase option Exercise Space mutually agreed upon by the Parties, but not later than forty-five (45) days after such Vacancy Date (the date on which the Purchase Closing actually occurs with respect to such Purchase Option Exercise Space (the "Purchase Closing Date").

(c) On the applicable Purchase Closing Date, (i) the Deposit, together with the balance of the Purchase Price, shall be paid by wire transfer of immediately available funds to Optionor to such account or accounts specified by Optionor, as provided in the Purchase Option Terms, and (ii) Optionor and Optionee shall execute and deliver the documents and other deliveries set forth in the Purchase Option Terms in accordance with the terms hereof.

(a) The purchase price for the purchase of any Purchase Option Exercise Space (the "Purchase Price") shall be an amount equal to ninety-five percent (95%) of the Fair Market Value (hereinafter defined) of such Purchase Option Exercise Space as of the date that immediately precedes the applicable Vacancy Date by one (1) year. Within thirty (30) days of delivery of a Purchase Option Notice, Optionor shall deliver to Optionee written notice ("Optionor's Initial Purchase Price Determination") specifying Optionor's determination of the Purchase Price for such Purchase Option Exercise Space as of the date that immediately precedes the applicable Vacancy Date by one (1) year. As used herein, "Fair Market Value" means, with respect to any Purchase Option Exercise Space, the purchase price that a willing purchaser would pay and a willing seller would accept for such Purchase Option Exercise Space on the date that immediately precedes the applicable Vacancy Date by one (1) year, vacant and free and clear of any and all tenancies and other rights of occupancy or possession, and taking into account all other relevant factors (including, without limitation, the location of the Purchase Option Exercise Space, the Class A classification of the Building and the date on which construction thereof was completed, and the Common Charges (as defined in the Condominium Declaration) and assessments payable with respect to the Purchase Option Exercise Space as of the date that immediately precedes the applicable Vacancy Date by one (1) year (including, without limitation, any amounts payable pursuant to the ERY FAOA Declaration (as defined in the Condominium Declaration), if any, in addition to such Common Charges and assessments, the applicable Delivery Condition of the Purchase Option Exercise Space and the cost (if any) to Optionee of demolishing any existing leasehold improvements therein, and all other Purchase Option Terms). Within thirty (30) days after receipt of an Optionor's Initial Purchase Price Determination, Optionee shall notify Optionor in writing (the "PP Response Notice") whether Optionee accepts or disputes Optionor's determination of the Purchase Price for the applicable Purchase Option Exercise Space, and if Optionee disputes Optionor's determination of the Purchase Price, then the PP Response Notice shall set forth Optionee's determination thereof ("Optionee's Initial Purchase Price Determination"). If Optionee fails timely to object to Optionor's Initial Purchase Price Determination by delivery of a PP Response Notice that sets forth Optionee's determination of the Purchase Price for the applicable Purchase Option Exercise Space, then Optionor may send second notice to Optionee of such failure and if Optionee does not respond to such second notice within ten (10) Business Days after receipt of the same, then Optionee shall be deemed to have accepted Optionor's Initial Purchase Price Determination with respect to the applicable Purchase Option Exercise Space.

(b) (i) If Optionee disputes Optionor's Initial Purchase Price Determination with respect to any Purchase Option Exercise Space and Optionor and Optionee fail to agree as to the Purchase Price within thirty (30) days after Optionor's receipt of the PP Response Notice, then the Purchase Price for such Purchase Option Exercise Space shall be determined by arbitration in the City of New York, as set forth in this Section 4(b). Optionee shall initiate the arbitration process by giving notice to that effect to Optionor within forty-five (45) days after the giving of PP Response Notice, which notice shall include the name and address of Optionee's designated arbitrator. Within five (5) Business Days after the designation of Optionee's arbitrator, Optionor shall give notice to Optionee of the name and address of Optionor's designated arbitrator. If Optionor shall fail timely to appoint an arbitrator, then Optionee may request the American Arbitration Association (or any organization which is the successor thereto) (the "AAA") to appoint an arbitrator on Optionor's behalf. Such two arbitrators shall have ten (10) Business Days to appoint a third arbitrator who shall be impartial. If such arbitrators fail to do so, then either Optionor or Optionee may request the AAA to appoint an arbitrator who shall be impartial within thirty (30) days after such request and both Parties shall be bound by any appointment so made within such thirty (30) day period. If no such third arbitrator shall have been appointed within such thirty (30) day period, either Optionor or Optionee may apply to the Supreme Court, New York County to make such appointment. The third arbitrator only shall subscribe and swear to an oath fairly and impartially to determine such dispute.

(ii) Within seven (7) days after the appointment of the third arbitrator, the three arbitrators will meet (the "Initial Meeting") and set a hearing date for the arbitration. The hearing shall not exceed two days and shall be scheduled to be held within thirty (30) days after the Initial Meeting. At the Initial Meeting, Optionor and Optionee may each submit a revised Purchase Price determination for the applicable Purchase Option Exercise Space (each, a "Final Purchase Price Determination"); provided, that Optionor's Final Purchase Price Determination may not be greater than Optionor's Initial Purchase Price Determination, and Optionee's Final Determination may not be lower than Optionee's Initial Purchase Price Determination. If Optionor shall fail so to submit a Final Purchase Price Determination, then Optionor's Initial Purchase Price Determination shall constitute Optionor's Final Purchase Price Determination, and if Optionee shall fail so to submit a Final Purchase Price Determination, then Optionee's Initial Purchase Price Determination, as applicable, shall constitute Optionee's Final Purchase Price Determination.

(iii) There shall be no discovery in the arbitration. On reasonable notice to the other Party, however, Optionee may inspect the Purchase Option Exercise Space and any portion of the Building relevant to its claims. Thirty (30) days prior to the scheduled hearing, the Parties may exchange opening written expert reports and opening written pre-hearing statements. Opening written pre-hearing statements shall not exceed twenty (20) pages in length. Two weeks prior to the hearing, the Parties may exchange rebuttal written expert reports and rebuttal written pre-hearing statements. Rebuttal written pre-hearing statements shall not exceed ten (10) pages in length. Ten (10) days prior to the hearing, the Parties shall exchange written witness lists, including a brief statement as to the subject matter to be covered in the witnesses' testimony. One week prior to the hearing, the Parties shall exchange all documents which they intend to offer at the hearing. Other than rebuttal witnesses, only the witnesses listed on the witness lists shall be allowed to testify at the hearings. Closing arguments shall be heard immediately following conclusion of all testimony. The proceedings shall be recorded by stenographic means. Each Party may present live witnesses and offer exhibits, and all witnesses shall be subject to cross-examination. The arbitrators shall conduct the two (2) day hearing so as to provide each Party with sufficient time to present its case, both on direct and on rebuttal, and permit each Party appropriate time for cross examination; provided, that the arbitrators shall not extend the hearing beyond two (2) days. Each Party may, during its direct case, present evidence in support of its position and in opposition to the position of the opposing Party.

(iv) The determination of the Purchase Price by the third arbitrator shall be either the amount set forth in Optionor's Final Purchase Price Determination or the amount set forth in Optionee's Final Purchase Price Determination. The third arbitrator may not select any other amount as the Purchase Price. The fees and expenses of any arbitration pursuant to this Section 4(b) shall be borne by the Parties equally, but each Party shall bear the expense of its own arbitrator, attorneys and experts and the additional expenses of presenting its own evidence and proof. The arbitrators shall not have the power to add to, modify or change any of the provisions of this Agreement. Each arbitrator shall have at least ten (10) years in the valuation of first class office properties in Manhattan similar in character to the Purchase Option Exercise Space. After a determination has been made of the Purchase Price, the Parties shall execute and deliver an instrument setting forth the Purchase Price, but the failure to so execute and deliver any such instrument shall not affect the determination of Purchase Price.

(v) If the final determination of the Purchase Price shall not be made on or before the day that is thirty (30) days prior to the scheduled Purchase Closing Date, the scheduled Purchase Closing Date shall be adjourned until the date that is thirty (30) days after the date on which such final determination of the Purchase Price is made.

5. Exercise of Lease Option; Fixed Rent.

(a) Subject to the terms of Section 1 and this Section 5, Optionee may exercise the Lease Option at any time, and from time to time, during the Option Period, by delivering to Optionor a written notice stating that Optionee elects to exercise the Lease Option pursuant to the terms of this Agreement (a "Lease Option Notice"). A Lease Option Notice shall not be effective to exercise the Lease Option unless such Lease Option Notice shall identify the applicable Office Unit(s) with respect to which Optionee is exercising the Lease Option (the "Lease Option Exercise Space").

(b) Upon the delivery of a Lease Option Notice with respect to any Lease Option Exercise Space as provided in this Section 5, within thirty (30) days after determination of the Fixed Rent (hereinafter defined) for such Lease Option Exercise Space in accordance with this Section 5, Optionee shall execute and deliver to Optionor (i) six (6) executed original counterparts of the Lease with respect to such Lease Option Exercise Space, executed on behalf of Optionee, which Lease shall provide that the term thereof shall commence on (and the Lease Option Exercise Space shall be delivered to Optionee in the Delivery Condition on) the date that is forty-five (45) days after the Vacancy Date (the "Delivery Date"), and (ii) if required pursuant to Section 13, three (3) original counterparts of a Guaranty (hereinafter defined) executed by Coach. Optionor shall promptly execute all six (6) original counterparts of such Lease and deliver three (3) executed original counterparts of such Lease, executed on behalf of Optionor and Optionee, to Optionee (the "Lease Closing"; any Purchase Closing and any Lease Closing, each hereinafter referred to as, individually or collectively, as the context indicates, an "Option Closing"), which in no event shall be delivered to Optionee later than three (3) Business Days after Optionor's receipt of the original executed counterparts of such Lease from Optionee.

(c) The fixed rent for any Lease Option Exercise Space (the "Fixed Rent") shall be an amount equal to ninety-five percent (95%) of the Fair Market Rent (hereinafter defined) for such Lease Option Exercise Space as of the date that immediately precedes the applicable Vacancy Date by one (1) year for the initial term of the Lease therefor. Within thirty (30) days of delivery of a Lease Option Notice, Optionor shall deliver to Optionee written notice ("Optionor's Initial Fixed Rent Determination") specifying Optionor's determination of the Fixed Rent for such Lease Option Exercise Space as of the date that immediately precedes the applicable Vacancy Date by one (1) year. As used herein, "Fair Market Rent" means, with respect to any Lease Option Exercise Space, the fixed annual rent that a willing lessee would pay and a willing lessor would accept for such Lease Option Exercise Space on the date that immediately precedes the applicable Vacancy Date by one (1) year, taking into account all relevant factors (including, without limitation, the location of such Lease Option Exercise Space, the Class A classification of the Building and the date on which construction thereof was completed, any additional rent that would be payable by Optionee, as tenant, in respect of PILOT, real estate taxes (taking into account any burn-off or loss of any tax abatements and any reset of real estate taxes occurring during the term of the Lease therefor), operating expenses and the Common Charges and assessments payable with respect to the Lease Option Exercise Space as of the date that immediately precedes the applicable Vacancy Date by one (1) year (including, without limitation, any amounts payable pursuant to the ERY FAOA Declaration, if any, in addition to such Common Charges and assessments), the applicable Delivery Condition of the Lease Option Exercise Space and the cost (if any) to Optionee of demolishing any existing leasehold improvements therein, and all other relevant terms and conditions of the Lease). Within thirty (30) days after receipt of Optionor's Initial Fixed Rent Determination for any Lease Option Exercise Space, Optionee shall notify Optionor in writing (the "Rent Response Notice") whether Optionee accepts or disputes Optionor's determination of the Fixed Rent for any Lease Option Exercise Space, and if Optionee disputes Optionor's determination of the Fixed Rent for any Lease Option Exercise Space, then the Rent Response Notice shall set forth Tenant's determination thereof ("Optionee's Initial Fixed Rent Determination"). If Optionee fails timely to object to Optionor's determination of the Fixed Rent for any Lease Option Exercise Space and to set forth Optionee's determination thereof, then Optionor may send second notice to Optionee of such failure and if Optionee does not respond to such second notice within ten (10) Business Days after receipt of the same, then Optionee shall be deemed to have accepted Optionor's Initial Fixed Rent Determination for the Lease Option Exercise Space.

(d) If Optionee disputes Optionor's Initial Fixed Rent Determination for any Lease Option Exercise Space and Optionor and Optionee fail to agree as to the Fixed Rent within thirty (30) days after the giving of the Rent Response Notice, then the Fixed Rent shall be determined by arbitration in the same manner as disputes regarding the Purchase Price pursuant to Section 5; provided, that (i) all references in Section 4 to "Purchase Price" shall be deemed to refer to "Fixed Rent", (ii) all references in Section 4 to "Optionor's Initial Purchase Price Determination" shall be deemed to refer to "Optionor's Initial Fixed Rent Determination", (iii) all references in Section 5 to "Optionee's Initial Purchase Price Rent Determination" shall be deemed to refer to "Optionee's Initial Fixed Rent Determination" and (iv) each arbitrator shall be a licensed real estate broker having at least ten (10) years of experience in leasing of first class office buildings in Manhattan similar in character to the applicable Lease Option Exercise Space.

(a) As used herein:

(i) "Available" shall mean, as to the 23rd Floor, that such space is vacant and free of any present or future possessory right or option then existing in favor of any third party. Notwithstanding the foregoing, Optionee's right of first offer pursuant to this Section 6 is subordinate to: (A) the rights of L'Oreal USA, Inc., a Delaware corporation ("L'Oreal"), pursuant to the terms of that certain Lease, dated as of April __, 2013 (the "L'Oreal Lease"), between Legacy Tenant, as landlord, and L'Oreal, as tenant, including any renewal or extension thereof; (B) if L'Oreal shall have exercised the Initial Contraction Option (as such term is defined in the L'Oreal Lease) and Legacy Tenant shall have elected to provide the 23rd Floor as the Second Expansion Space (as such term is defined in the L'Oreal Lease), the rights L'Oreal under the L'Oreal Lease and any renewal or extension thereof; and (C) if L'Oreal shall have exercised the Initial Contraction Option and Legacy Tenant shall have elected to not provide the 23rd Floor as the Second Expansion Space and shall have instead leased the 23rd Floor to a third party tenant, the rights of the initial tenant of the 23rd Floor immediately thereafter (such tenant, the "Initial Third Party Tenant") and any renewal or extension, or new lease, of the 23rd Floor exercised by, or entered into with, the Initial Third Party Tenant, whether pursuant to the terms of the Initial Third Party Tenant's lease or otherwise.[3] Optionor shall provide Optionee with written updates from time to time upon request therefor concerning the status of the 23rd Floor, including, without limitation, (x) whether L'Oreal has exercised the Initial Contraction Option, (y) whether Legacy Tenant shall have elected to provide the 23rd Floor as the Second Expansion Space or not, and (z) whether there is an Initial Third Party Tenant and the duration of such Initial Third Parties lease term, etc.

---

[3] Definition of "Available" and rights of L'Oreal and a third party tenant to which the right of first offer is subordinate to be updated prior to execution of this Agreement to reflect the exercise or non-exercise by L'Oreal of the Initial Contraction Option.

(ii) "Offer Period" means the period commencing on the date hereof and ending on: (A) if L'Oreal shall not have exercised the Initial Contraction Option, the date on which the L'Oreal Lease shall expire or terminate pursuant to the express terms thereof; (B) if L'Oreal shall have exercised the Initial Contraction Option and Legacy Tenant shall have elected to provide the 23rd Floor as the Second Expansion Space, the date on which the L'Oreal Lease shall expire or terminate with respect to the 23rd Floor; and (C) if L'Oreal shall have exercised the Initial Contraction Option and Legacy Tenant shall have elected to not provide the 23rd Floor as the Second Expansion Space and shall have instead leased the 23rd Floor to the Initial Third Party Tenant, the date upon which the Initial Third Party Tenant shall vacate the 23rd Floor; provided, that in no event shall the Offer Period expire earlier than the date that is the thirteenth (13th) anniversary of the date on which Optionee first occupies the Coach Unit for the normal conduct of business in the ordinary course.[4]

(b) If at any time during the Offer Period the entirety of the 23rd Floor either becomes, or Optionor reasonably anticipates that within the next twenty-four (24) months the entire 23rd Floor will become, Available, then Optionor shall give Optionee notice (an "Offer Notice") thereof, specifying (A) the date or estimated date that the 23rd Floor has or is anticipated to become Available, (B) Optionor's determination of the Purchase Price and the Fixed Rent for the 23rd Floor as of the date of such Offer Notice, and (C) such other matters as Optionor may deem appropriate for such Offer Notice.

(c) Optionee shall have the option (the "23rd Floor Option"), exercisable by written notice (an "Acceptance Notice") given to Optionor on or before the date that is sixty (60) days after the date the Offer Notice is given, either (i) to purchase the 23rd Floor, if Optionee shall have exercised the Purchase Option for all of the Coach Expansion Premises, or (ii) to lease the 23rd Floor, in each case pursuant to the further terms and conditions of this Section 6.

The 23rd Floor Closing shall occur on a date following the date the 23rd Floor becomes Available mutually agreed upon by the Parties, but not later than forty-five (45) days after such date on which the 23rd Floor becomes Available (the date on which the Purchase Closing actually occurs with respect to such Purchase Option Exercise Space (the "23rd Floor Closing Date"). The Purchase Price for the purchase of the 23rd Floor shall be determined in accordance with Section 4 which shall apply, mutatis mutandis, with respect to the 23rd Floor, except that: (x) all references to "Purchase Option Exercise Space" shall be deemed to refer to the 23rd Floor, (y) all references to "Purchase Closing Date" shall be deemed to refer to 23rd Floor Closing Date and (z) "Optionor's Initial Purchase Price Determination" shall be deemed to mean the amount specified as the Purchase Price in the Offer Notice. If Optionee elects to purchase the 23rd Floor, then on the 23rd Floor Closing Date (1) the Deposit, together with the balance of the Purchase Price, shall be paid by wire transfer of immediately available funds to Optionor to such account or accounts specified by Optionor, as provided in the Purchase Option Terms, and (2) Optionor and Optionee shall execute and deliver the documents and other deliveries set forth in the Purchase Option Terms in accordance with the terms hereof and thereof.

(e) If Optionee timely elects to lease the 23rd Floor, then the terms and conditions of Section 5 shall apply, mutatis mutandis, with respect to the leasing of the 23rd Floor, except that: (i) clause (a) of Section 5 shall not apply, (ii) all references to "Lease Option Notice" shall be deemed to refer to the Acceptance Notice, (iii) all reference to "Lease Option Exercise Space" shall be deemed to refer to the 23rd Floor, (iv) all reference to "Vacancy Date" shall be deemed to refer to the date that the 23rd Floor is or will become Available as set forth in the Offer Notice, and (v) "Optionor's Initial Fixed Rent Determination" shall be deemed to mean the amount specified for Fixed Rent in the Offer Notice.

(f) If Optionee elects to exercise the 23rd Floor Option (whether to purchase or lease), then Optionor shall cause the 23rd Floor to be subdivided and severed from Office Unit 3, so that the 23rd Floor shall be a separate and distinct condominium unit in the Condominium (as defined in the Condominium Declaration), together with a [2.28]% interest in the Common Elements (as defined in the Condominium Declaration), which subdivision and severance shall be at (i) Optionor's sole cost and expense if Optionee elects to purchase the 23rd Floor or (ii) Optionee's sole cost and expense if Optionee elects to lease the 23rd Floor. The Parties agree to cooperate in good faith in connection with such subdivision and severance.

EXHIBIT C

Purchase Option Terms

1. Integration with Option Agreement; Definitions. These Purchase Option Terms contain additional terms for the purchase and sale of any Purchase Option Exercise Space (also sometimes referred to herein as the "Premises") pursuant to the Option Agreement (the "Agreement") to which these Purchase Option Terms are attached and deemed incorporated therein as if set forth in full therein. Capitalized terms not otherwise defined herein have their respective meanings set forth in the Agreement. In the event of any inconsistency between the provisions of these Purchase Option Terms and the Agreement, the provisions of the Agreement shall govern.

2. Purchase and Sale of Exercise Space. Subject to the terms and conditions set forth in the Agreement and these Purchase Option Terms, if the Purchase Option is timely and effectively exercised in accordance with Section 3 of the Agreement, Optionor shall sell, assign and convey to Optionee, and Optionee shall purchase and assume from Optionor, all of Optionor's right, title and interest in the Premises, subject to and in accordance with the applicable terms and conditions set forth in the Agreement and these Purchase Option Terms. Optionor and Optionee acknowledge and agree that the value of any fixtures, furnishings, equipment, machinery, inventory, appliances, permits, licenses and all other tangible and intangible personal property, if any, included or relating to the Premises (the "Personal Property") is de minimis and no part of the Purchase Price is allocable thereto.

3. Purchase Price and Deposit. The Purchase Price to be paid by Optionee for the Premises shall be determined in accordance with Section 4 of the Agreement. The Purchase Price, subject to adjustment as provided herein, shall be payable as follows:

(i) The Deposit shall be deposited with the Escrow Agent in accordance with Section 3 of the Agreement and the further terms of this Section 3 of this Exhibit C.

(a) The Deposit shall be held in an interest bearing account in a bank selected by the Escrow Agent (it being agreed that the Escrow Agent shall not be liable for the amount of interest which accrues thereon or for the solvency of such bank), and shall be applied in accordance with Section 3 of this Exhibit C. Any interest accruing on the Deposit shall be distributed to the party that receives the Deposit in accordance with the terms of this Exhibit C; provided, that if Optionor receives the Deposit, any interest accrued thereon shall be credited against the Purchase Price. The party receiving such interest shall pay any income taxes thereon.

(b) If the Purchase Closing does not occur and either party makes a written demand upon the Escrow Agent for payment of the Deposit (including any interest that shall have accrued thereon), the Escrow Agent shall promptly give written notice to the other party of such demand. If the Escrow Agent does not receive a written objection from the other party to the proposed payment or delivery, which objection shall state the reasons the party objects to the proposed payment or delivery (and a copy of which shall be sent to the other party), within ten (10) Business Days after the giving of such notice, the Escrow Agent is hereby irrevocably authorized and directed to make such payment or delivery. If the Escrow Agent does receive such written objection within such ten (10) Business Day period or if for any other reason the Escrow Agent in good faith shall elect not to make such payment or delivery, the Escrow Agent shall continue to hold the Deposit (together with all interest that shall have accrued thereon), until directed by joint written instructions from Optionor and Optionee or as directed pursuant to a final judgment of a court of competent jurisdiction.

(c) The Escrow Agent shall act as escrow agent without charge as an accommodation to the parties, it being understood and agreed that the Escrow Agent shall not be liable for any error in judgment or for any act done or omitted by it in good faith or pursuant to a court order, or for any mistake of fact or law, unless caused or created as the result of the Escrow Agent's gross negligence or willful misconduct. The Escrow Agent shall not incur any liability in acting upon any signature, notice, request, waiver, consent, receipt or other paper or document reasonably believed by the Escrow Agent to be genuine, and it shall be released and exculpated from all liability by Optionor and Optionee, except in the case of gross negligence or willful misconduct of the Escrow Agent. The Escrow Agent may assume that any person purporting to give it notice on behalf of any party in accordance with the provisions of Section 9 of the Agreement. The sole responsibility of the Escrow Agent hereunder shall be to hold and disburse the Deposit, together with all interest that shall have accrued thereon, in accordance with the provisions of this Section 3.

(d) The Escrow Agent shall not be liable for and Optionor and Optionee shall indemnify, jointly and severally, the Escrow Agent for, and to hold the Escrow Agent harmless against any loss, liability or expense, including, without limitation, reasonable attorneys' fees and disbursements, arising out of any dispute hereunder, including the cost and expense of defending itself against any claim arising hereunder, unless the same is caused by the gross negligence or willful misconduct of the Escrow Agent.

(e) The Escrow Agent may, on notice to Optionor and Optionee, take such affirmative steps as it may, at its option, elect in order to terminate its duties as the Escrow Agent, including, without limitation, the delivery of the Deposit, together with all interest that shall have accrued thereon, to a new escrow agent designated by Optionor and Optionee or in the event any such termination upon or during any dispute between Optionor and Optionee, to a court of competent jurisdiction and the commencement of an action for interpleader. The costs and expenses, including, without limitation, reasonable attorneys' fees and disbursements, incurred by the Escrow Agent in commencing such an action and in making such delivery shall be borne by whichever of the parties is the non-prevailing party. Upon the taking by the Escrow Agent of such action, the Escrow Agent shall be released from all duties and responsibilities hereunder.

(f) Any notices to Optionor or Optionee shall be delivered in accordance with the provisions of Section 9 of the Agreement. Any notices to the Escrow Agent shall be delivered in accordance with Section 9 to the following address(es):

[INSERT ESCROW AGENT'S NOTICE ADDRESS(ES)]

(ii) On the Purchase Closing Date, (a) the Deposit (together with any interest accrued thereon) shall be paid by Escrow Agent to Optionor by wire transfer of immediately available federal funds to an account or accounts designated by Optionor to the Escrow Agent within one (1) Business Day prior to the scheduled Purchase Closing Date, and (b) Optionee shall pay by wire transfer of immediately available federal funds to an account or accounts designated by Optionor to Optionee within one (1) Business Day prior to the scheduled Purchase Closing Date, the Purchase Price, as adjusted in accordance with Section 7 of this Exhibit C, less the Deposit (such amount, the "Balance").

4. Condition of Title.

(i) On the Purchase Closing Date, title to the Premises shall be conveyed free and clear of all liens, tenancies and encumbrances, subject only to the following matters (collectively, the "Permitted Exceptions"):

(a) those matters set forth on Schedule 1 attached hereto and incorporated herein by this reference;

(b) the state of facts shown on the survey prepared by [_____] dated [_____];

(c) all present and future zoning, building, environmental and other laws, ordinances, codes, restrictions and regulations of all governmental authorities having jurisdiction with respect to the Premises, including, without limitation, landmark designations and all zoning variances and special exceptions, if any;

(d) all presently existing and future liens of real estate taxes or assessments and water rates, water meter charges, water frontage charges and sewer taxes, rents and charges, if any, provided that such items are not yet due and payable as of the date of the Purchase Closing, subject to adjustment as hereinbelow provided;

(e) all covenants, restrictions and rights and all easements and agreements for the erection and/or maintenance of water, gas, steam, electric, telephone, sewer or other utility pipelines, poles, wires, conduits or other like facilities, and appurtenances thereto, over, across and under the Premises which are either (i) presently existing or (ii) granted to a public utility in the ordinary course, provided that the same shall not have any adverse effect (other than to a de minimis extent) on the use or occupancy of the Premises;

(f) standard pre-printed exclusions from coverage contained in the form of title policy or "marked-up" title commitment employed by the Title Insurer;

(g) any lien or encumbrance arising out of the acts or wrongful omissions of Optionee;

(h) any encumbrance that will be extinguished upon conveyance of the Premises to Optionee, provided that the Title Insurer shall remove any such encumbrance as an exception from the title insurance policy to be issued to Optionee at the Purchase Closing at no additional cost to Optionee (or with Optionor paying any such cost); and

(i) any other matter which, pursuant to the terms of the Agreement or these Purchase Option Terms, is a Permitted Exception.

(ii) At the Purchase Closing, good and insurable title to the Premises shall be conveyed to Optionee in fee simple absolute, subject only to Permitted Exceptions.

5. Title Insurance and Title Objections.

(i) At least forty-five (45) days prior to the scheduled Purchase Closing Date, Optionee may obtain, at Optionee's expense, a title commitment (a "Title Commitment") with respect to the Premises from a nationally recognized title insurance company licensed to do business in the state of New York selected by Optionee (the "Title Insurer"). If Optionee elects to obtain a Title Commitment, Optionee shall instruct the Title Insurer to deliver a copy of the Title Commitment and all updates to the Title Commitment (each, a "Title Update") to Optionor simultaneously with its delivery of the same to Optionor.

(ii) No later than thirty (30) days prior to the scheduled Purchase Closing Date, Optionee may furnish to Optionor a written statement setting forth any exceptions to title appearing in the Title Commitment (each, a "Commitment Exception") to which Optionee objects and which are not Permitted Exceptions (the "Title Objections"). In addition, if prior to the scheduled Purchase Closing Date, any Title Update discloses any additional exceptions to title that are not Permitted Exceptions (each, an "Update Exception"), then Optionee shall have until the earlier of (x) ten (10) Business Days after delivery by the Title Insurer of the Title Update or (y) the Business Day immediately prior to the scheduled Purchase Closing Date, to deliver to Optionor a Title Objection with respect to any Update Exceptions. If Optionor fails to timely deliver any Title Objection as set forth herein, Optionor shall be deemed to have irrevocably waived its right to object to the Commitment Exceptions and/or the applicable Update Exceptions and the same shall be deemed Permitted Exceptions.

(iii) Optionee shall not be entitled to object to, and shall be deemed to have approved, any Commitment Exceptions or Update Exceptions (and the same shall be deemed Permitted Exceptions) (x) over which the Title Insurer is willing to insure (without additional cost to or an indemnity from Optionee or where Optionor pays all such costs or provides such indemnity); (y) against which the Title Insurer is willing to provide affirmative insurance (without additional cost to or an indemnity from Optionee or where Optionor pays all such costs or provides such indemnity); or (z) which will be extinguished upon the transfer of the Premises. If Optionor is unable to eliminate any lien or encumbrance that is a Commitment Exception or Update Exception by the scheduled Purchase Closing Date, unless the same is waived by Optionee, Optionor may, upon at least two (2) Business Days' prior notice (a "Title Cure Notice") to Optionor (except with respect to matters first disclosed during such two (2) Business Day period, as to which matters notice may be given at any time through and including the scheduled Purchase Closing Date) adjourn the scheduled Purchase Closing Date for a period not to exceed sixty (60) days (the "Title Cure Period") in the aggregate in order to attempt to eliminate such exception.

(iv) Optionor, at its election, may eliminate any Commitment Exception or Update Exception on or prior to the Purchase Closing Date by using all or a portion of the Purchase Price to satisfy the same, and in furtherance thereof (A) Optionee agrees to pay a portion of the Purchase Price to such Persons as Optionor may direct and (B) Optionor shall deliver to Optionee or the Title Insurer at or prior to the Purchase Closing Date, instruments in recordable form and sufficient, as determined by the Title Insurer, to eliminate such Commitment Exceptions or Update Exceptions.

(v) If Optionor is unable to eliminate any Title Objection within the Title Cure Period (or on the scheduled Purchase Closing Date, if Optionor does not elect to deliver a Title Cure Notice), unless the same is waived by Optionee, then Optionee, as it sole remedy, may either (A) accept the Premises subject to such Commitment Exception or Update Exception without abatement of the Purchase Price, in which event (x) such Commitment Exception or Update Exception shall be deemed to be, for all purposes, a Permitted Exception, (y) Optionee shall close hereunder notwithstanding the existence of same, and (z) Optionor shall have no obligations whatsoever after the Purchase Closing Date with respect to Optionor's failure to cause such Commitment Exception or Update Exception to be eliminated, or (B) terminate the Agreement as to the transaction that is the subject of the applicable Purchase Option Notice by notice given to Optionor on or at any time within ten (10) Business Days following the expiration of the Title Cure Period and receive a return of the Deposit. If Optionee shall fail to deliver the termination notice described in clause (B) within the ten (10) Business Day period described herein, Optionee shall be deemed to have made the election under clause (A) and Optionee and Optionor shall close hereunder on a mutually agreed upon date following the expiration of the Title Cure Period, but not more than ten (10) Business Days thereafter. Upon the timely giving of any termination notice under clause (B), the Deposit shall be returned to Optionee (and Optionor shall so instruct Escrow Agent) whereupon the Agreement shall terminate as to the transaction that is the subject of the applicable Purchase Option Notice and neither party hereto shall have any further rights or obligations hereunder with respect thereto other than those which are expressly provided to survive such termination.

(vi) It is expressly understood that in no event shall Optionor be required to bring any action or institute any proceeding, or to otherwise incur any costs or expenses in order to attempt to eliminate any Title Objection, or take any other actions to cure or remove any Title Objection, or to otherwise cause title in the Premises to be in accordance with the terms of this Section 5 on the Purchase Closing Date; provided, that Optionor shall be required to remove, eliminate or otherwise cure, by payment, bonding or otherwise, (A) all notes or notices of violations of applicable laws or regulations, noted in or issued by any federal, state, municipal or other governmental department, agency or bureau or any other governmental authority having jurisdiction over the Premises, unless caused by Optionee, (B) all mortgages (together with any assignment of leases and Uniform Commercial Code financing statements and subordination and non-disturbance agreements recorded in connection therewith), (C) all mechanic's or materialman's liens, unless filed as a result of any work or materials performed by or on behalf of Optionee (other than as a result of work or materials performed by or on behalf of Optionor or any affiliate thereof), (D) all tax and judgment liens filed against Optionor, (E) all leases, licenses and other occupancy agreements and all rights or claims of occupants and persons in possession relating to the Premises or any portion thereof, and (F) any other Title Objection which have been voluntarily granted by Optionor on or following the date hereof (other than with the approval of Optionee).

(vii) If the Title Commitment or any Title Update discloses judgments, bankruptcies or other returns against other Persons having names the same as or similar to that of Optionor, Optionor shall cause the Title Insurer to omit as an exception such judgments, bankruptcies or other returns based on an affidavit or such additional evidence or assurance as the Title Insurer may reasonably require.

6. Certain Covenants.

During the period from the date of the applicable Purchase Option Notice until the Purchase Closing Date (as the same may be extended in accordance with the terms of the Agreement and these Purchase Option Terms), Optionor shall:

(a) not enter into any lease, license or other occupancy agreement with respect to or affecting the Premises or any portion thereof (each, a "Lease"), or amend, supplement or otherwise modify any Lease, unless such Lease, as amended, supplemented or otherwise modified (taking into account all renewals, extensions or other provisions or contingencies contained therein that could extend the term thereof) expires by its terms on or prior to the Vacancy Date;

(b) on or prior to the Vacancy Date, cause all Leases and the estates or rights granted thereunder to terminate, and all Persons claiming rights under any Leases to vacate and surrender the Premises or any portion thereof;

(c) not enter into any Contract (as hereinafter defined) or permit any Person claiming by, through or under a Lease to enter into any Contract with respect to or affecting the Premises or any portion thereof, or amend, supplement or otherwise modify any Contract, unless such Contract, as amended, supplemented or otherwise modified, terminates by its terms on or prior to the Vacancy Date or is otherwise terminable at will on not more than 30 days' notice without penalty, premium or other charge, and in either case would not be binding or impose any obligations upon the Premises or any portion thereof or the owner thereof from and after such expiration or termination;

(d) on or prior to the Vacancy Date, cause all Contracts and the rights granted thereunder to terminate;

(e) maintain in full force and effect the insurance policies currently in effect with respect to the Premises (or replacements continuing similar coverage); and

(f) not subject the Premises to any additional liens, encumbrances, covenants, restrictions or easements other than Permitted Exceptions, unless such lien, encumbrance, covenant, restriction or easement terminates by its express terms on or prior to the Purchase Closing Date.

7. Apportionments.

(i) The following shall be apportioned between Optionor and Optionee at the Purchase Closing with respect to the applicable Premises as of 11:59 p.m. of the day immediately preceding the Purchase Closing Date, and the net amount thereof either shall be paid by Optionee to Optionor or credited to the Purchase Price, as the case may be, at the Purchase Closing:

(a) Real property taxes and assessments (or installments thereof), including all payments in lieu thereof, and payments required to be made to any business improvement district taxes ("BID taxes") and any other governmental taxes, charges or assessments levied or assessed against the Premises, apportioned on the basis of the respective periods for which each is assessed or imposed;

(b) If separately assessed from Common Charges (as such term is defined in the Condominium Declaration), water rates and charges and sewer taxes and rents, apportioned on the basis of the respective periods for which each is assessed or imposed;

(c) Permit, license and inspection fees, if any, on the basis of the fiscal year for which levied, if the rights with respect thereto are transferred to Optionee;

(d) Deposits on account with any utility company servicing the Premises to the extent transferred to Optionee shall not be apportioned, but Optionor shall receive a credit in the full amount thereof (including accrued interest thereon, if any);

(e) All Common Charges and other amounts assessed against the Premises by the Condominium Board (as defined in the Condominium Declaration) (collectively, "Common Charges"); and

(f) All other items customarily apportioned in connection with the sale of similar properties in the City of New York, State of New York.

(ii) Apportionment of real property taxes or payments in lieu thereof, BID taxes, water rates and charges, sewer taxes and rents and vault charges shall be made on the basis of the fiscal year for which assessed. If the Purchase Closing Date shall occur before the real property tax rate or payments in lieu thereof, BID taxes, water rates or charges, sewer taxes are assessed or fixed for the period in which the Purchase Closing Date occurs, apportionment for any item not yet assessed or fixed shall be made on the basis of the real property tax rate or payments in lieu thereof, BID taxes, water rates and charges, sewer taxes and rents, as applicable, for the preceding year. After the real property taxes or payments in lieu thereof, BID taxes, water rates and charges, sewer taxes and rents are finally fixed, Optionor and Optionee shall make a recalculation of the apportionment of same after the Purchase Closing, and Optionor or Optionee, as the case may be, shall make an appropriate payment to the other based upon such recalculation.

(iii) If any refund of real property taxes or payments in lieu thereof, BID taxes, water rates or charges, sewer taxes or rents is made after the Purchase Closing Date covering a period prior to the Purchase Closing Date, the same shall be applied first to the reasonable out-of-pocket costs incurred in obtaining same and the balance, if any, of such refund shall, to the extent received by Optionee, be paid to Optionor (for the period prior to the Purchase Closing Date) and to the extent received by Optionor, be paid to Optionee (for the period commencing on and after the Purchase Closing Date).

(iv) If there are meters measuring water consumption or sewer usage at the Premises, Optionor shall use commercially reasonable efforts to obtain readings to a date not more than ten (10) days (but in no event more than thirty (30) days) prior to the Purchase Closing Date. If such readings are not obtained (and if such readings are obtained, then with respect to any period between such reading and the Purchase Closing Date), water rates and charges and sewer taxes and rents, if any, shall be apportioned based upon the last meter readings, subject to reapportionment when readings for the relevant period are obtained after the Purchase Closing Date.

(v) If any adjustment or apportionment is miscalculated at the Purchase Closing, or the complete and final information necessary for any adjustment is unavailable at the Purchase Closing, the affected adjustment shall be calculated after the Purchase Closing.

(vi) The provisions of this Section 7 shall survive the Purchase Closing Date for a period of one (1) year.

8. Purchase Closing. The Purchase Closing shall occur at the offices of Optionee or its attorneys, in either case, located in Manhattan, on the Purchase Closing Date (as set forth in the Purchase Option Notice) or such later or other date to which the Purchase Closing may adjourned pursuant these Purchase Option Terms or as otherwise determined pursuant to Section 3(c)(ii) of the Agreement.

9. Documents to be Delivered at Purchase Closing.

(i) At the Purchase Closing, Optionor shall deliver to Optionee, executed and acknowledged, as applicable:

(k) To the extent in Optionor's or its manager's possession or control, (x) those transferable licenses and permits, authorizations and approvals pertaining to the Premises, (y) all transferable guarantees and warranties which Optionor has received in connection with any work or services performed or equipment installed in and improvements erected on the Premises, and (z) all books, records and files maintained by Optionor or its manager in connection with the ownership, operation and use of the Premises;

(m) A closing statement setting forth the prorations and adjustments set forth herein together with all underlying backup documentation (the "Closing Statement"), to be prepared by Optionor and delivered to Optionee at least five (5) Business Days prior to the Purchase Closing Date for Optionee's review and comment;

(n) Keys or combinations to locks at the Premises in the possession or control of Optionor or its manager;

(o) A general assignment agreement in the form of Exhibit 9(i)(o) (the "General Assignment"); and

(p) Such other instruments or documents which by the terms of the Agreement and these Purchase Option Terms are to be delivered by Optionor at the Purchase Closing and such other documents as shall be reasonably required to consummate the sale by Optionor of the Premises in accordance with the terms of the Agreement and these Purchase Option Terms.

(h) The Closing Statement;

(i) The General Assignment; and

(j) Such other instruments or documents which by the terms of the Agreement or these Purchase Option Terms are to be delivered by Optionee at the Purchase Closing and such other documents as shall be reasonably required to consummate the purchase by Optionee of the Premises in accordance with the terms of the Agreement and these Purchase Option Terms.

(i) Optionor shall be responsible for (a) the costs of its legal counsel, advisors and other professionals employed by it in connection with the sale of the Premises, (b) the costs associated with terminating any contracts or employees, and (c) any recording fees relating to remove any Title Objections.

(ii) Except as otherwise provided above, Optionee shall be responsible for (a) the costs and expenses associated with its due diligence, (b) the costs and expenses of its legal counsel, advisors and other professionals employed by it in connection with the purchase of the Premises, (c) all premiums and fees for title examination and owner's title insurance obtained by Optionee with respect to the Premises and all related charges and survey costs in connection therewith, (d) all recording taxes and/or charges for any financing that Optionee may elect to obtain, (e) premiums and fees for title examination and mortgagee title insurance in connection with any financing that Optionee may elect to obtain and all related charges in connection therewith, and (f) any recording fees for the recording of the deed to be recorded in connection with the transactions contemplated by the Agreement and these Purchase Option Terms.

(iii) The provisions of this Section 10 shall survive the Purchase Closing.

11. Conditions Precedent.

(i) The obligation of Optionor to effect the Purchase Closing shall be subject to the fulfillment or written waiver by Optionor at or prior to the Purchase Closing of the following conditions:

(a) The representations and warranties of Optionee contained in the Agreement and these Purchase Option Terms shall be true and correct in all material respects as of the Purchase Closing Date, as though made on and as of the Purchase Closing Date;

(b) Optionee shall have, in all material respects, performed or cause to be performed all obligations required of Optionee under the Agreement and these Purchase Option Terms on and prior to the Purchase Closing Date, including payment of the Balance in accordance with the Agreement;

(c) Each of the documents required to be executed, acknowledged (if applicable) or delivered by Optionee at the Purchase Closing shall have been delivered as provided herein.

(ii) The obligations of Optionee to effect the Purchase Closing shall be subject to the fulfillment or written waiver by Optionee at or prior to the Purchase Closing Date of the following conditions:

(a) The representations and warranties of Optionor contained in the Agreement and these Purchase Option Terms shall be true and correct in all material respects as of the Purchase Closing Date, as though made on and as of the Purchase Closing Date;

(b) Optionor shall have, in all material respects, performed or cause to be performed all obligations required of Optionor under the Agreement and these Purchase Option Terms on or prior to the Closing Date;

(c) Each of the documents required to be executed, acknowledged (if applicable) or delivered by Optionor at the Purchase Closing shall have been delivered as provided herein;

(d) Subject to the terms and provisions of the Agreement and these Purchase Option Terms, title to the Premises to be sold, assigned and conveyed by Optionor to Optionee hereunder shall be subject only to Permitted Exceptions;

(e) All Leases shall have expired or terminated and all tenants or other occupants thereunder shall have vacated the premises demised thereunder and Optionor shall have delivered evidence to Optionee thereof (to the extent applicable); and

(f) Optionor shall have delivered evidence to Optionee that all service, brokerage, maintenance, supply and other agreements applicable to the Premises (including all modifications and amendments thereof and supplements thereto, each a "Contract" and collectively the "Contracts") have expired or terminated or will expire or terminate on or prior to the Purchase Closing Date.

(iii) If Optionor is unable to timely satisfy the conditions precedent to Optionee's obligation to effect the Purchase Closing (and such failure of condition precedent is not the result of Optionor's default hereunder), then (a) Optionor may, if it so elects and without any abatement in the Purchase Price, adjourn the scheduled Purchase Closing Date for a period or periods not to exceed sixty (60) days in the aggregate to cause such condition precedent to be satisfied and (b) if, after any such extension, the conditions precedent to Optionee's obligation to effect the Purchase Closing continue to not be satisfied (and Optionee has not waived the same in writing) or Optionor does not elect such extension, then Optionee shall be entitled to terminate the Agreement as to the transaction that is the subject of the applicable Purchase Option Notice by notice thereof to Optionor. If Optionee elects to so terminate the Agreement, then the Deposit shall be promptly returned to Optionee (and Optionor shall so instruct Escrow Agent), whereupon this Agreement shall terminate as to the transaction that is the subject of the applicable Purchase Option Notice and neither party shall have any further rights or obligations hereunder with respect thereto except those expressly stated to survive such termination. If the provisions of clause (b) of this Section 11(iii) would be applicable, except that such failure of condition precedent is the result of Optionor's default, then the provisions of Section 9 of the Agreement shall govern.

12. Optionee Defaults. If (i) Optionee defaults or shall fail or refuse to perform any of its obligations to be performed on the Purchase Closing Date, or (ii) Optionee defaults or shall fail or refuse to perform any of its obligations to be performed prior to the Purchase Closing Date and, with respect to this clause (ii) only, such default, failure or refusal continues for ten (10) Business Days after notice to Optionee, the parties hereto agree that Optionor's sole remedy shall be to terminate the Agreement as to the transaction that is the subject of the applicable Purchase Option Notice and receive and retain the Deposit (and all interest earned thereon) as liquidated damages, it being expressly understood and agreed that in the event of Optionee's default, Optionor's damages would be impossible to ascertain and that the Deposit constitutes a fair and reasonable amount of compensation in such event. Upon such termination, neither party to the Agreement shall have any further rights or obligations hereunder with respect thereto except that: (a) Escrow Agent shall deliver to Optionor and Optionor shall have the right to retain the Deposit (and all interest earned thereon) as liquidated damages; and (b) the obligations which expressly survive such termination shall survive and continue to bind Optionee and Optionor in accordance with the express provisions hereof.

13. Representations and Warranties.

(i) In addition to the representations and warranties contained in Section 8(a) of the Agreement, Optionor represents and warrants to Optionee as of each Purchase Closing Date (each a "Representation" and collectively, the "Representations") that:

(a) There are no Leases affecting the Premises or any portion thereof in effect as of the Purchase Closing Date.

(b) Optionor has not (A) made a general assignment for the benefit of its creditors, (B) admitted in writing its inability to pay its debts as they mature, (C) had an attachment, execution or other judicial seizure of any property interest which remains in effect, or (D) taken, failed to take or submitted to any action indicating a general inability to meet its financial obligations as they accrue. There is not pending any case, proceeding or other action seeking reorganization, arrangement, adjustment, liquidation, dissolution or recomposition of Optionor or any of its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking appointment of a receiver, trustee, custodian or other similar official for any of them or for all or any substantial part of its or their property.

(c) Any collective bargaining agreements that affect or relate to the Premises are between Optionor or the Condominium Board and the particular union and apply to the entire Condominium, of which the Premises are a part. Optionee shall have no obligation to assume any such collective bargaining agreement, except to the extent of its Common Charge obligations or other obligations generally applicable to all unit owners in the Condominium.

(d) All building service and maintenance employees who work at the Condominium, of which the Premises are a part, are and shall remain employed by the Condominium Board or its managing agent on its behalf.

(e) There are no condemnation or eminent domain proceedings as to which Optionor has received written notice, or to Optionor's knowledge, threatened in writing against the Premises or any portion thereof.

(f) There is no contract or agreement for management or leasing of the Premises or any portion thereof which will be binding on Optionee as of the Purchase Closing Date.

(g) Optionor has not granted any person or entity any oral or written right, agreement or option to acquire all or any portion of the Premises.

(h) Except as disclosed to Optionee in writing, Optionor has not received written notice from any governmental authority of any violation of any Environmental Laws at the Premises which violation remains uncured.

(i) Optionor: (A) is not under investigation by any governmental authority for, or has been charged with, or convicted of, money laundering, drug trafficking, terrorist related activities, any crimes which in the United States would be predicate crimes to money laundering, or any violation of any Anti-Money Laundering Laws; (B) has not been assessed civil or criminal penalties under any Anti-Money Laundering Laws; or (C) has not had any of its funds seized or forfeited in any action under any Anti-Money Laundering Laws, which investigation, charge, conviction, penalties, seizure, or forfeiture as described in clause (A), (B) or (C) above would prohibit Optionor and Optionee from consummating the transactions contemplated by this Agreement. Such laws, regulations and sanctions shall be deemed to include the Patriot Act, the Bank Secrecy Act, 31 U.S.C. Section 5311 et. seq., the Trading with the Enemy Act, 50 U.S.C. App. Section 1 et. seq., the International Emergency Economic Powers Act, 50 U.S.C. Section 1701 et. seq., and the sanction regulations promulgated pursuant thereto by the OFAC, as well as laws relating to prevention and detection of money laundering in 18 U.S.C. Sections 1956 and 1957.

The Representations contained in this Section 13(i) shall survive the Purchase Closing for one hundred eighty (180) days following the Purchase Closing Date (the "Limitation Period"). Each Representation shall automatically be null and void and of no further force and effect upon the expiration of the Limitation Period unless, prior to the expiration of the Limitation Period, Optionee shall have provided Optionor with a Breach Notice (as hereinafter defined) alleging that Optionor is in breach of such Representation. Any claim by Optionee that Optionor is in breach of any Representation (each, a "Seller Breach") shall be made by Optionee delivering to Optionor written notice (each a "Breach Notice") promptly after Optionee has learned of such Seller Breach and prior to the expiration of the Limitation Period, which Breach Notice shall set forth (x) a description in reasonable detail of the claimed Seller Breach, including all facts and circumstances upon which the claimed Seller Breach is based and why those facts and circumstances constitute an alleged Seller Breach, (y) the section and/or subsection of this Agreement under which the claimed Seller Breach is asserted, and (z) Optionee's good faith determination of the damages suffered by Optionee resulting from the Seller Breach described in the Breach Notice (the "Claimed Damage"), which Claimed Damage shall be expressed as a dollar amount. Optionee shall allow Optionor thirty (30) days after receipt of a Breach Notice within which to cure the applicable Seller Breach. If Optionor fails to cure such Seller Breach within such thirty (30) day period, Optionee's sole remedy shall be to commence a legal proceeding against Optionor alleging that Optionor has breached this Agreement and that Optionee has suffered actual damages as a result thereof (a "Proceeding"). Any proceeding with respect to the Representations must be commenced, if at all, no later than the date (the "Outside Proceeding Date") that is sixty (60) days after the expiration of the later of (A) the Limitation Period and (B) Optionor's thirty (30) day cure period. If Optionee shall have timely commenced a Proceeding and a court of competent jurisdiction shall, pursuant to a final, non-appealable order in connection with such Proceeding, determine that (i) a Seller Breach has occurred and (ii) Optionee suffered actual damages (the "Damages") by reason of such Seller Breach and that such Damages exceed $50,000.00 in the aggregate (the "Threshold Amount"), and (iii) Optionee did not have actual knowledge of such Seller Breach on or prior to the Purchase Closing Date, then, Optionee shall be entitled to receive an amount equal to the Damages; provided, that in no event shall Optionor's aggregate liability for any and all Optionee breaches under this Agreement or any of the agreements, certificates or instruments executed by Optionor in connection herewith or pursuant hereto, exceed two percent (2%) of the Purchase Price (the "Maximum Liability Amount"). Any such Damages, subject to the limitations contained herein, shall be paid within thirty (30) days following the entry of such final, non-appealable order and delivery of a copy thereof to Optionor. If there shall be a Seller Breach and Optionee is entitled to receive any Damages as a result thereof, Optionee shall have no recourse to the property or other assets of Optionor, other than Optionor's interest in the net sales proceeds received by Optionor from Optionee at the Purchase Closing (subject to the Maximum Liability Amount and the other limitations expressly set forth in this Agreement).

(ii) Optionee represents and warrants to Optionor as of each Purchase Closing Date that:

(a) Optionee is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware, is duly qualified or otherwise authorized as a foreign limited liability company and is in good standing in each jurisdiction where such qualification is required by law; Optionee has taken all action required to execute, deliver and perform the Agreement and these Purchase Option Terms and to make all of the provisions of the Agreement and these Purchase Option Terms the valid and enforceable obligations they purport to be and has caused the Agreement and these Purchase Option Terms to be executed by a duly authorized person.

(b) The Agreement and these Purchase Option Terms are, and all documents which are to be delivered to Optionor by Optionee at the Purchase Closing are or at the time of such Purchase Closing will be, duly authorized, executed and delivered by Optionee, the legal, valid and binding obligations of Optionee enforceable in accordance with their terms, subject to general principles of equity and to bankruptcy, insolvency, reorganization, moratorium or other similar laws presently or hereafter in effect affecting the rights of creditors or debtors generally, and do not and will not, (a) conflict with any provision of any law or regulation to which any Optionee is subject, or violate any provision of any judicial order to which any Optionee is a Party or to which any Optionor or Optionee is subject, (b) breach or violate any organizational documents of any Optionee, (c) conflict with or violate or result in a breach of any of the provisions of, or constitute a default under, any agreement or instrument to which any Optionee is a Party or by which it or any of its property is bound, or (d) require the consent, approval or ratification by any governmental entity or any other Person that has not been obtained.

(c) Optionee is not a "foreign person" within the meaning of Section 1445(f)(3) of the Internal Revenue Code.

(d) Optionee is not a Person with whom Optionor is restricted from doing business under the International Emergency Economic Powers Act, 50 U.S.C. § 1701 et seq.; the Trading With the Enemy Act, 50 U.S.C. App. § 5; the USA Patriot Act of 2001; any executive orders promulgated thereunder, any implementing regulations promulgated thereunder by OFAC (including those persons or entities named on OFAC's List of Specially Designated Nationals and Blocked Persons), or any other applicable law of the United States.

(iii) Except as expressly set forth in Section 13(i), Optionor makes no warranty with respect to the presence of Hazardous Materials (as hereinafter defined) in, on, above or beneath the Premises. Optionee's closing hereunder shall be deemed to constitute an express waiver of Optionee's right to cause Optionor to be joined in any action brought under any Environmental Laws (as hereinafter defined). As used herein, the term "Hazardous Materials" means (a) those substances included within the definitions of any one or more of the terms "hazardous materials," "hazardous wastes," "hazardous substances," "industrial wastes," and "toxic pollutants," as such terms are defined under the Environmental Laws, or any of them, (b) petroleum and petroleum products, including, without limitation, crude oil and any fractions thereof, (c) natural gas, synthetic gas and any mixtures thereof, (d) asbestos and or any material which contains any hydrated mineral silicate, including, without limitation, chrysotile, amosite, crocidolite, tremolite, anthophylite and/or actinolite, whether friable or non-friable (collectively, "Asbestos"), (e) polychlorinated biphenyl ("PCBs") or PCB-containing materials or fluids, (vi) radon, (f) any other hazardous or radioactive substance, material, pollutant, contaminant or waste, and (g) any other substance with respect to which any Environmental Law or governmental authority requires environmental investigation, monitoring or remediation. As used herein, the term "Environmental Laws" means all federal, state and local laws, statutes, ordinances and regulations, now or hereafter in effect, in each case as amended or supplemented from time to time, including, without limitation, all applicable judicial or administrative orders, applicable consent decrees and binding judgments relating to the regulation and protection of human health, safety, the environment and natural resources (including, without limitation, ambient air, surface, water, groundwater, wetlands, land surface or subsurface strata, wildlife, aquatic species and vegetation), including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. §§ 9601 et seq.), the Hazardous Material Transportation Act, as amended (49 U.S.C. §§ 1801 et seq.), the Federal Insecticide, Fungicide, and Rodenticide Act, as amended (7 U.S.C. §§ 136 et seq.), the Resource Conservation and Recovery Act, as amended (42 U.S. §§ 6901 et seq.), the Toxic Substance Control Act, as amended (15 U.S.C. §§ 2601 et seq.), the Clean Air Act, as amended (42 U.S.C. §§ 7401 et seq.), the Federal Water Pollution Control Act, as amended (33 U.S.C. §§ 1251 et seq.), the Occupational Safety and Health Act, as amended (29 U.S.C. §§ 651 et seq.), the Safe Drinking Water Act, as amended (42 U.S.C. §§ 300f et seq.), Environmental Protection Agency regulations pertaining to Asbestos (including, without limitation, 40 C.F.R. 14. Condemnation.

(i) If, prior to the Purchase Closing Date, any part of the Premises is taken (other than a temporary taking), or if Optionor shall receive an official notice from any governmental authority having eminent domain power over the Premises of its intention to take, by eminent domain proceeding, any part of the Premises (a "Taking"), then:

(a) if such Taking involves ten percent (10%) or less of the rentable area of the Premises as determined by an independent architect chosen by Optionor (subject to Optionee's review and reasonable approval of such determination and the provisions of Section 14(ii)), then the parties shall nonetheless consummate this transaction in accordance with the Agreement, without any abatement of the Purchase Price or any liability or obligation on the part of Optionor by reason of such Taking; provided, that Optionor shall, on the Purchase Closing Date, (x) assign and remit to Optionee any award or other proceeds which may have been collected by Optionor as a result of such Taking, less all amounts reasonably and actually expended by Optionor to collect such award and/or to remedy any unsafe conditions at, or repair any damage to, the Premises as a result of such Taking, or (y) if no award or other proceeds shall have been collected, deliver to Optionee an assignment of Optionor's right to all such award or other proceeds which may be payable to Optionor as a result of such Taking, and Optionee shall reimburse Optionor for all amounts reasonably and actually expended by Optionor in furtherance of collecting such award or other proceeds;

(b) if such Taking involves more than ten percent (10%) of the rentable area of the Premises as determined by an independent architect chosen by Optionor (subject to Optionee's review and reasonable approval of such determination and the provisions of Section 14(ii)), then Optionee shall have the option to terminate the Agreement as to the transaction that is the subject of the applicable Purchase Option Notice by delivering notice of such termination to Optionor, whereupon the Agreement shall terminate as to the transaction that is the subject of the applicable Purchase Option Notice, and neither party shall have any further rights or obligations with respect thereto other than pursuant to the provisions of the Agreement which are expressly provided to survive such termination. If a Taking described in this clause (b) shall occur and Optionee shall not elect to terminate the Agreement as to the transaction that is the subject of the applicable Purchase Option Notice, then Optionee and Optionor shall consummate this transaction in accordance with the Agreement, without any abatement of the Purchase Price or any liability or obligation on the part of Optionor by reason of such Taking; provided, that Optionor shall, on the Purchase Closing Date, (x) assign and remit to Optionee any award or other proceeds which may have been collected by Optionor as a result of such Taking, less all amounts reasonably and actually expended by Optionor to collect such award and/or remedy any unsafe or unlawful conditions at the Premises as a result of such Taking, or (y) if no award or other proceeds shall have been collected, deliver to Optionee an assignment of Optionor's right to all such award or other proceeds which may be payable to Optionor as a result of such Taking, and Optionee shall reimburse Optionor for all amounts reasonably and actually expended by Optionor in furtherance of collecting such award or other proceeds.

(ii) Optionee shall have the right to dispute any determination by an independent architect pursuant to Section 14(i) by giving Optionor a notice thereof and describing the basis of such dispute in reasonable detail within ten (10) Business Days following Optionor's delivery of such independent architect's determination. If Optionee fails to timely deliver such a notice, then Optionee shall be deemed to have waived its right to dispute the same. If Optionee shall timely deliver such a notice, then such dispute shall be resolved by expedited arbitration before a single arbitrator in New York, New York acceptable to both Optionor and Optionee in their reasonable judgment in accordance with the rules of the American Arbitration Association; provided that if Optionor and Optionee fail to agree on an arbitrator within five (5) Business Days after Optionor's receipt of Optionee's notice, then either party may request the office of the American Arbitration Association located in New York, New York to designate an arbitrator. Such arbitrator shall be an independent architect having at least ten (10) years of experience in the construction of office buildings in New York, New York. The costs and expenses of such arbitrator shall be borne equally by Optionor and Optionee.

(iii) The provisions of this Section 14 supersede any law applicable to the Premises governing the effect of condemnation in contracts for real property and shall survive the Purchase Closing.

15. Destruction.

(i) If, prior to the Purchase Closing Date, any part of the Premises is damaged or destroyed by fire or other casualty, Optionor shall promptly notify Optionee in writing of such fact. If the portion of the Premises so damaged or destroyed exceeds twenty percent (20%) of the rentable square feet of the Premises (a "Significant Portion"), Optionee shall have the option to terminate the Agreement as to the transaction that is the subject of the applicable Purchase Option Notice upon thirty (30) days' notice to Optionor, provided, that within such thirty (30) day period Optionor may, at its option, but subject to the terms and conditions of the Condominium Documents, notify Optionor that it intends to repair such damage at its sole cost and expense, and Optionor may, upon such notice, postpone the Purchase Closing for a period of time reasonably necessary, but not to exceed ninety (90) days in the aggregate, to make such repairs. If Optionee shall elect to terminate the Agreement as aforesaid, and Optionor shall not notify Optionee within such thirty (30) day period of its intention to make such repairs, then the Deposit shall be promptly returned to Optionee whereupon the Agreement shall terminate as to the transaction that is the subject of the applicable Purchase Option Notice and neither party shall have any further rights or obligations hereunder with respect thereto other than those that expressly survive such termination. If Optionee does not elect to terminate the Agreement as provided above, or if the portion of the Premises so damaged or destroyed is not more than a Significant Portion of the Premises, Optionee shall accept the Premises in its then "as is" condition with no abatement of the Purchase Price, and at the Purchase Closing Optionor shall assign and turn over to Optionee, and Optionee shall be entitled to make a claim for and to receive and keep, all of Optionor's interest in and to all casualty insurance proceeds payable in connection with such casualty, and Optionee shall receive a credit against the Purchase Price at the Purchase Closing in the amount of (a) any deductible payable by Optionor in connection with casualty coverage, plus (b) the insurance proceeds, if any, actually received by Optionor prior to the Purchase Closing, minus (c) the reasonable out-of-pocket costs actually incurred or paid by Optionor in collecting the proceeds and/or in making any repairs; provided, that the insurer confirms in writing its willingness to pay to Optionee the full amount of the estimated cost of the restoration of the Premises (less the deductible), or Optionor grants to Optionee a credit in an amount equal to the difference between the full amount of the estimated cost of the restoration of the Premises and the amount the insurer agrees to pay to Optionee. This Section 15 is an express agreement to the contrary of Section 5-1311 of the New York General Obligation Law.

(ii) Any disputes under this Section 15 as to whether Optionee has the right to terminate the Agreement or the amount of square feet damaged by any casualty shall be resolved by expedited arbitration (the "Arbitration") before a single arbitrator acceptable to both Optionor and Optionee in their reasonable judgment in accordance with the rules of the American Arbitration Association; provided that if Optionor and Optionee fail to agree on an arbitrator and initiate the Arbitration within five (5) Business Days after a dispute arises, then either party may request the American Arbitration Association (the "AAA") to designate an arbitrator and the Arbitration shall begin on the Business Day immediately subsequent to the day on which the AAA designates an arbitrator and shall proceed continuously thereafter until concluded. Such arbitrator shall be an independent architect having at least ten (10) years of experience in the construction of office buildings in New York, New York. The costs and expenses of such arbitrator shall be borne equally by Optionor and Optionee. This Section 15 shall survive the Purchase Closing.

16. No Waiver. No Waiver by either party of any failure or refusal to comply with its obligations under the Agreement shall be deemed a waiver of any other or subsequent failure or refusal to so comply.

ARTICLE 2
TERM

2.01 The Premises are leased for a term (the "Term") which shall commence on _____ (the "Commencement Date") and shall end on the fifteenth (15th) anniversary of the Commencement Date (the "Expiration Date") or on such earlier or later date upon which the Term shall expire, be canceled or terminated pursuant to any of the conditions or covenants of this Lease or pursuant to law.

ARTICLE 3
RENT AND ADDITIONAL RENT

3.01 Tenant shall pay fixed annual rent (the "Fixed Annual Rent") at the rates provided for in the schedule annexed hereto and made a part hereof as Exhibit B-1 (in equal monthly installments in advance on the first (1st) day of each calendar month during the Term). All sums other than Fixed Annual Rent payable hereunder shall be deemed to be "Additional Rent" and shall be payable within thirty (30) days after invoice, unless other payment dates are hereinafter provided. Tenant shall pay all Fixed Annual Rent and Additional Rent due hereunder at the office of Landlord or such other place as Landlord may designate on at least thirty (30) days' advance notice to Tenant, payable in United States legal tender, by cash, or by good and sufficient check drawn on a New York City bank which is a member of the New York Clearing House or a successor thereto, or at Tenant's option, by electronic or wire transfer of immediately available funds payable to such account as Landlord may from time to time (but on at least thirty (30) days' notice) designate (or upon Tenant's request), and, in each case, and without any set off or deduction whatsoever, except as otherwise expressly permitted under this Lease. The term "Rent" as used in this Lease shall mean Fixed Annual Rent and Additional Rent.

ARTICLE 4
ASSIGNMENT/SUBLETTING

4.01 Subject to the terms of this Article 4, neither Tenant nor Tenant's legal representatives or successors in interest by operation of law or otherwise, shall assign, mortgage or otherwise encumber this Lease, or sublet or permit all or part of the Premises to be used by others, without the prior written consent of Landlord in each instance. The transfer of a majority of the issued and outstanding capital stock of any corporate tenant or sublessee of this Lease or a majority of the total interest in any partnership or limited liability company tenant or sublessee or other entity, however accomplished, and whether in a single transaction or in a series of related or unrelated transactions, the conversion of a tenant or sublessee entity to either a limited liability company or a limited liability partnership or the merger or consolidation of a corporate tenant or sublessee, shall be deemed an assignment of this Lease or of such sublease; provided, however, that Landlord's consent shall not be required with respect to any such deemed assignment to a Related Entity of Tenant (or subtenant) if the terms and conditions of Section 4.09 are satisfied. If this Lease is assigned, or if the Premises or any part thereof is underlet or occupied by anybody other than Tenant, Landlord may, after default by Tenant, collect rent from the assignee, undertenant or occupant, and apply the net amount collected to the Rent herein reserved, but no assignment, underletting, occupancy or collection shall be deemed a waiver of the provisions hereof, the acceptance of the assignee, undertenant or occupant as tenant, or a release of Tenant from the further performance by Tenant of covenants on the part of Tenant herein contained. The consent by Landlord to an assignment or underletting shall not in any way be construed to relieve Tenant from obtaining the express consent in writing of Landlord to any further assignment or underletting if and to the extent such consent is otherwise required hereunder. In no event shall any permitted sublessee assign or encumber its sublease or further sublet all or any portion of its sublet space, or otherwise suffer or permit the sublet space or any part thereof to be used or occupied by others, without Landlord's prior written consent in each instance (unless consent is not required hereunder), which consent shall be granted or withheld in accordance with all applicable provisions of this Article 4 as if such sublease or assignment were made by Tenant (i.e., the provisions of this Article 4 shall be applied as if the references herein to Tenant were references to such sublessee seeking consent). A material modification, material amendment or extension (but not a termination) of a sublease which is not expressly contemplated in such sublease shall be deemed a sublease and shall be subject to all of the provisions of this Article 4. The listing of the name of a party or entity other than that of Tenant on the Building or floor directory or on or adjacent to the entrance door to the Premises shall neither grant such party or entity any right or interest in this Lease or in the Premises nor constitute Landlord's consent to any assignment or sublease to, or occupancy of the Premises by, such party or entity. Notwithstanding anything to the contrary contained herein, transfers of ownership interests in Tenant on a recognized United States or foreign securities exchange or in an over-the-counter market or transfer of ownership interests in Tenant pursuant to a public offering shall not be deemed an assignment for purposes of this Lease. If any lien is filed against the Premises or the Building for brokerage services claimed to have been performed for Tenant in connection with any such assignment or sublease, whether or not actually performed, the same shall be discharged within twenty (20) days after Tenant has notice of such lien, at Tenant's expense, by filing the bond required by law, or otherwise, and paying any other necessary sums, and Tenant agrees to indemnify Landlord and its agents and hold them harmless from and against any and all claims, losses or liability resulting from such lien for brokerage services rendered.

4.02 If Tenant desires to assign this Lease or sublet all or any portion of the Premises, then, in each such case, Tenant shall first submit in writing to Landlord a notice referencing this Section 4.02 together with a term sheet setting forth all of the following terms and conditions upon which Tenant is willing to assign this Lease or sublet the Premises, or portion thereof, whichever may be applicable, (a) in the case of a proposed subletting, the area proposed to be sublet, and, in the case of a proposed assignment such notice shall set forth Tenant's intention to assign this Lease, (b) the term of the proposed subletting including the proposed dates of the commencement and the expiration of the term of the proposed sublease or the effective date of the proposed assignment, as the case may be, (c) the rents, work contributions, free rent and all other concessions and material economic provisions that are proposed to be included in the transaction, (d) in the case of a proposed subletting of less than the entire Premises where alterations are required to physically separate such portion of the Premises from the remainder of the Premises, which party shall perform such alterations and which party shall pay the cost thereof, and (e) in the case of a proposed subletting, the condition in which the Premises (or applicable portion thereof) shall be delivered by Tenant, and which shall be deemed an offer (a "Tenant's Recapture Offer"): (i) with respect to a prospective assignment, to terminate or assign this Lease to Landlord without any payment of moneys or other consideration therefor by Landlord to Tenant, or, (ii) with respect to a sublease for all or a portion of the Premises for all or substantially all of the balance of the Term (i.e., term of sublease would expire with one (1) year or less remaining in the Term), to terminate this Lease with respect to the portion of the Premises covered by such sublease (the "Lease Termination Area"), or (iii) with respect to a prospective subletting, to sublet to Landlord (a "Leaseback") the portion of the Premises involved ("Leaseback Area") for the term specified by Tenant in Tenant's Recapture Offer at Tenant's proposed sub-rental, and otherwise on the terms, covenants and conditions (including provisions relating to escalation rents), as are contained in Tenant's Recapture Offer. Tenant's Recapture Offer shall specify the date when the Leaseback Area, the Lease Termination Area or the Premises, as the case may be, will be made available to Landlord, which date shall be in no event earlier than sixty (60) days nor later than two hundred seventy (270) days following the acceptance of Tenant's Recapture Offer (the "Recapture Date"). Landlord shall have a period of thirty (30) days from the giving of such Tenant's Recapture Offer to either accept or reject Tenant's Recapture Offer as of the Recapture Date (it being understood that for purposes of this Article 4, "accepting" a Tenant's Recapture Offer shall mean that Landlord shall elect, as permitted hereunder, to terminate this Lease with respect to the Premises (or applicable portion thereof), require Tenant to assign this Lease to Landlord or sublease the applicable portion of the Premises to Landlord, as the case may be). If Landlord fails to respond to Tenant's Recapture Offer within the thirty (30) day period, then Tenant shall have the right to deliver a second notice to Landlord (a copy of which, as a condition to its effectiveness, must be sent to Landlord's notice parties set forth in Article 27) requesting Landlord's response to Tenant's Recapture Offer, which request shall state in bold upper case letters at the top of the first page as follows: "**THIS IS A TIME SENSITIVE NOTICE AND SUBJECT TO THE PROVISIONS OF SECTION 4.02 OF THE LEASE LANDLORD SHALL BE DEEMED TO HAVE ELECTED NOT TO EXERCISE ANY OF ITS RIGHTS UNDER SECTION 4.02 OF THE LEASE WITH RESPECT TO TENANT'S RECAPTURE OFFER.**" If Tenant shall have delivered such reminder notice to Landlord, and Landlord shall fail to respond to such reminder notice within ten (10) days thereafter, and provided that Tenant has otherwise complied with all of Tenant's obligations under this Article 4 in connection with such request, then Landlord shall be deemed to have elected not to exercise any of its rights set forth in this Section 4.02 with respect to Tenant's Recapture Offer, but the remaining provisions of this Article 4, including, without limitation, Section 4.07, shall govern and control Tenant's desire to assign this Lease or sublet all or any portion of the Premises. Notwithstanding anything contained herein to the contrary, the provisions of this Section 4.02 shall not apply to an assignment of this Lease or sublet of the Premises or portion thereof to a Related Entity that is permitted without Landlord's consent pursuant to Section 4.09. Provided Tenant is not then in monetary default under this Lease or in default under any Leaseback, in either case, beyond any applicable notice or cure period (and taking into account the provisions of Section 4.05), the sub-rental due and payable by Landlord to Tenant under each Leaseback shall be automatically credited as and when due under such Leaseback(s) against the next installment(s) of Rent thereafter becoming due under this Lease (it being agreed that the provisions hereof shall not be deemed to diminish Landlord's or Tenant's rights under such Leaseback(s)) (e.g., if a monthly payment of $20,000 is payable by Landlord to Tenant on or before May 1st pursuant to a Leaseback between Landlord and Tenant and Tenant is not then in monetary default under this Lease or in default under the Leaseback, in either case, beyond any applicable notice or cure period, such $20,000 shall be automatically credited against the Rent payable by Tenant to Landlord under this Lease on such May 1st and such credit shall be deemed a payment by Landlord of the sub-rental payable under such Leaseback).

4.03 If Landlord exercises its option to terminate this Lease pursuant to Section 4.02 (whether with respect to the entire Premises or a portion thereof), then (i) the Term (with respect to the applicable portion of the Premises) shall end on the Recapture Date and (ii) Tenant shall surrender to Landlord and vacate the Premises (or applicable portion thereof) on or before such date in the same condition as is otherwise required upon the expiration of this Lease by its terms, (iii) the Rent and Additional Rent due hereunder shall be paid and apportioned to such date, and (iv) Landlord shall be free to lease the Premises (or the applicable portion thereof) to any individual or entity including, without limitation, Tenant's proposed assignee or subtenant.

4.04 If Landlord shall accept Tenant's Recapture Offer pursuant to Section 4.02, Tenant shall then execute and deliver to Landlord, or to anyone designated or named by Landlord, an assignment or sublease, or deliver to Landlord a surrender agreement, as the case may be, in any such case in a form reasonably satisfactory to Landlord's counsel and Tenant's counsel.

If a sublease is so made it shall expressly:

(i) permit Landlord to make further subleases of all or any part of the Leaseback Area and (at no cost or expense to Tenant) to make and authorize any and all changes, alterations, installations and improvements in such space as necessary; provided, however, that if any such changes, alterations, installations or improvements constitute Specialty Alterations which Tenant is required to remove hereunder prior to the end of the Term (it being agreed that for purposes hereof, such changes, alterations, installations or improvements shall be deemed to be Specialty Alterations regardless of whether Landlord has advised Tenant thereof as required in Section 8.01(b)), then, at Landlord's option (or, in the case of a sublease that expires more than one (1) year prior to the end of the Term of this Lease, at Tenant's option), Landlord shall either (1) remove such Specialty Alterations prior to the end of the term of the applicable sublease, or (2) waive Landlord's right to require Tenant to remove such Specialty Alterations at the end of the Term of this Lease;

(ii) provide that Tenant will at all times permit reasonably appropriate means of ingress to and egress from the Leaseback Area;

(iii) negate any intention that the estate created under such sublease be merged with any other estate held by either of the parties;

(iv) provide that Landlord shall accept the Leaseback Area in the condition set forth in the Recapture Notice with respect to delivery of the Leaseback Area by Tenant;

(v) provide that at the expiration of the term of such sublease Tenant will accept the Leaseback Area in its then existing condition, subject to the obligations of Landlord pursuant to clause (i) above and the obligations of Landlord to make such repairs thereto as may be necessary to preserve the Leaseback Area in good order and condition, ordinary wear and tear excepted.

4.05 Landlord shall indemnify and save Tenant harmless from all obligations under this Lease as to the Leaseback Area during the period of time it is so sublet, except for Fixed Annual Rent and Additional Rent, if any, due under this Lease, which are in excess of the rents and additional sums due under such sublease. Subject to the foregoing, performance by Landlord, or its designee, under a sublease of the Leaseback Area shall be deemed performance by Tenant of any similar obligation under this Lease and any default under any such sublease shall not give rise to a default under a similar obligation contained in this Lease, nor shall Tenant be liable for any default under this Lease or deemed to be in default hereunder if such default is occasioned by or arises from any act or omission of the tenant under such sublease or is occasioned by or arises from any act or omission of any occupant holding under or pursuant to any such sublease.

4.06 Following the expiration of Landlord's right to recapture pursuant to Section 4.02 (and Landlord's failure (or deemed failure) to accept Tenant's Recapture Offer in accordance with the term thereof) with respect to a particular assignment or subletting, if Tenant proceeds to request Landlord's consent to said particular assignment or subletting, Tenant shall submit in writing to Landlord (i) the name and address of the proposed assignee or sublessee, (ii) a duly executed counterpart of the proposed agreement of assignment or sublease, (iii) reasonably satisfactory information as to the nature and character of the business of the proposed assignee or sublessee and as to the nature of its proposed use of the space, and (iv) except with respect to a Non-Financial Sublease (as hereinafter defined), banking, financial or other credit information relating to the proposed assignee or sublessee reasonably sufficient to enable Landlord to determine the financial responsibility and character of the proposed assignee or sublessee. Landlord shall respond to such a consent request (pursuant to the terms and conditions of Section 4.07) within thirty (30) days after Tenant gives such request to Landlord. If Landlord fails to respond within such thirty (30) day period, then Tenant shall have the right to deliver a second notice to Landlord (a copy of which, as a condition to its effectiveness, must in addition be sent to Landlord's notice parties set forth in Article 27) requesting Landlord's consent to such assignment or sublet, which request shall state in bold upper case letters at the top of the first page as follows: "**THIS IS A TIME SENSITIVE NOTICE AND, SUBJECT TO THE PROVISIONS OF SECTION 4.06 OF THE LEASE, LANDLORD SHALL BE DEEMED TO HAVE APPROVED TENANT'S ASSIGNMENT OR SUBLET REQUEST.**" If Tenant shall have delivered such second notice to Landlord, and Landlord shall fail to respond to such second notice within ten (10) days thereafter, then Landlord shall be deemed to have consented to such assignment or sublet. Tenant may give the notices under Section 4.02 and this Section 4.06 concurrently (either in a single combined notice or in separate notices).

4.07 If Landlord shall not have (or shall be deemed not to have) timely accepted Tenant's Recapture Offer pursuant to Section 4.02, then Landlord will not unreasonably withhold, condition or delay its consent to Tenant's request for consent to such specific assignment or subletting for the Permitted Uses, provided that any such assignment or subletting shall (A) have a net effective rental that shall not be more favorable to such assignee or subtenant by more than five percent (5%) of the net effective rental contained in Tenant's Recapture Offer (taking into consideration all relevant terms of such assignment or sublease), (B) be for a term expiring on or approximately the same date designated in Tenant's Recapture Offer and upon all of the material terms and conditions set forth in Tenant's Recapture Offer (including, without limitation, the terms in Tenant's Recapture Offer regarding the condition in which the Premises (or the applicable portion thereof) shall be delivered by Tenant and the terms relating to alterations and the cost thereof (if any), in each case, required to separately demise a portion of the Premises in the case of a subletting of less than the entire Premises), (C) in the case of a subletting, (i) the sublet space is at least one-half of a floor of the Premises (and if the sublet space is on more than a single floor, such sublet space must be at least one-half of each floor to be sublet), (ii) the balance of the floor is of a size and configuration such that it will be commercially reasonable to be leased, and (iii) Tenant shall be obligated to separate the sublet space from the balance of the Premises at Tenant's sole cost and expense, pursuant to plans and specifications approved in advance by Landlord, such approval not to be unreasonably withheld, delayed or conditioned, and (D) comply with all other applicable provisions of this Article 4 (and if the net effective rental and/or the term of such proposed subletting or assignment, as the case may be, vary from the net effective rental and/or the term contained in Tenant's Recapture Offer beyond the variances set forth above, or if an assignment or sublease is not effected within twelve (12) months following the date upon which Tenant's Recapture Offer is rejected (or deemed to have been rejected) by Landlord, then Tenant's request for consent shall be deemed to constitute a new Tenant's Recapture Offer to Landlord under the terms and conditions contained in the proposed sublease or assignment, as the case may be, with respect to which all of the provisions of this Article 4 shall again apply), and provided further that:

(i) The proposed assignee or subtenant shall have a financial standing and propose to use the Premises, in a manner reasonably consistent with the Permitted Use and in keeping with the standards of the Building; provided, however, that with respect to the proposed subletting by the Named Tenant of no more than eight thousand (8,000) rentable square feet in the aggregate (to no more than three (3) subtenants) in each case as designated by Tenant (each, a "Non-Financial Sublease"), the financial standing of such subtenant(s) shall not be considered by Landlord for purposes of Landlord's granting or withholding its consent thereto;

(ii) The proposed assignee or subtenant shall not then be a tenant, subtenant, assignee or occupant of any space in the Building, nor shall the proposed assignee or subtenant be a person or entity who has dealt with Landlord or Landlord's agent (directly or through a broker) with respect to space in the Building during the six (6) months immediately preceding Tenant's request for Landlord's consent; provided that, in any such instance, Landlord has comparably-sized space available for leasing in the Building for a term equal to or greater than the remaining term of this Lease (in the case of a proposed assignment) or the term of the proposed sublease, as applicable (or will have comparably-sized space available in the Building within six (6) months after the proposed effective date of such assignment or subletting for a term equal to or greater than the remaining term of this Lease (in the case of a proposed assignment) or the term of the proposed sublease, as applicable);

(iii) The character of the business to be conducted in the Premises by the proposed assignee or subtenant shall not require any alterations, installations, improvements, additions or other physical changes to be performed, or made to, any portion of the Building or the Building Project other than the Premises and any other portions of the Building with respect to which Tenant has use rights and in which Tenant is permitted to perform Alterations pursuant to this Lease;

(iv) In the case of a subletting, the subtenant shall be expressly subject to all of the obligations of Tenant under this Lease with respect to the applicable portion of the Premises so sublet and the further condition and restriction that such sublease shall not be assigned, encumbered or otherwise transferred or the Premises further sublet by the subtenant in whole or in part, or any part thereof suffered or permitted by the subtenant to be used or occupied by others, without the prior written consent of Landlord in each instance which consent with respect to any request to further sublease or assign shall be granted or withheld in accordance with all applicable provisions of this Article 4, as if Tenant was the proposed sublandlord or assignor (i.e., the provisions of this Article 4 shall be applied as if the references herein to Tenant were references to such sublessee seeking consent);

(v) Tenant shall reimburse Landlord, as Additional Rent hereunder, within thirty (30) days after demand (which shall include reasonable supporting documentation), for any reasonable out-of-pocket costs to third parties, including attorneys' fees and disbursements, that may be incurred by Landlord in connection with said assignment or sublease; and

(vi) The proposed assignee or subtenant shall not be any entity which is entitled to diplomatic or sovereign immunity or which is not subject to service of process in the State of New York or to the personal jurisdiction of the courts of the State of New York and the United States located in New York County.

4.08 Any consent of Landlord under this Article 4 shall be subject to the terms of this Article 4 and conditioned upon (i) there being no default by Tenant, beyond any grace period, under any of the terms, covenants and conditions of this Lease at the time that Landlord's consent to any such subletting or assignment is requested, and (ii) this Lease being in full force and effect (and not terminated by Landlord as a result of any default by Tenant) on the date of the commencement of the term of any proposed sublease or the effective date of any proposed assignment. Tenant acknowledges and agrees that no assignment or subletting shall be effective unless and until Tenant, upon receiving any necessary Landlord's written consent (and unless it was theretofore delivered to Landlord) causes a duly executed copy of the sublease or assignment to be delivered to Landlord within thirty (30) days after execution thereof. Any such sublease shall provide that the sublessee shall comply with all applicable terms and conditions of this Lease to be performed by Tenant hereunder (other than the payment of Rent). Any such assignment of this Lease shall contain an assumption by the assignee of all of the terms, covenants and conditions of this Lease to be performed by Tenant arising from and after the effective date of such assignment; provided, however, with respect to any assignment to a Related Entity, such assumption by the assignee shall be of all of the terms, covenants and conditions of this Lease to be performed by Tenant arising from and after the Commencement Date.

4.09 (a) Anything contained in this Lease to the contrary notwithstanding, Landlord's consent shall not be required (nor shall the provisions of Section 4.02 and Section 4.10 apply) for an assignment of this Lease, or sublease (or further sublease) of all or part of the Premises for the Permitted Uses, or the occupancy of all or a portion of the Premises, to a Related Entity; provided, that (i) Landlord is given notice within thirty (30) days after the occurrence of any such sublease or assignment and reasonably satisfactory proof that the requirements of this Lease have been met with respect thereto, (ii) any such transaction is for a legitimate business purpose and not for the purpose of circumventing the rights of Landlord under this Article 4, and (iii) the proposed assignee or subtenant is engaged in a business and the Premises, or the relevant part thereof, will be used in a manner which is in keeping with the standards of the Building.

(b) For purposes of this Article 4:

(i) a "Related Entity" shall mean (x) any corporation or entity which controls or is controlled by Tenant or is under common control with Tenant (a "Tenant Affiliate"), or (y) any legal entity (1) to which all or substantially all of the assets of Tenant are transferred, (2) to which more than fifty percent (50%) of the equity interests are transferred, or (3) into which Tenant may be merged or consolidated; and

(ii) the term "control" shall mean, in the case of a corporation or other entity, ownership or voting control, directly or indirectly, of at least fifty percent (50%) of all of the general or other partnership (or similar) interests therein.

4.10 If Landlord shall not have (or be deemed not to have) accepted Tenant's Recapture Offer hereunder in accordance with the terms hereof, and Tenant effects any assignment or subletting (other than an assignment or subletting described in Section 4.09 or occupancy by Service and Business Relationship Entities pursuant to Section 4.12), then Tenant thereafter shall pay to Landlord a sum equal to fifty percent (50%) of (a) any rent or other consideration payable to Tenant by any subtenant which is in excess of the Rent allocable to the subleased space which is then being paid by Tenant to Landlord pursuant to the terms hereof, and (b) any other profit or gain realized by Tenant from any such subletting or assignment (without being required to amortize such profits or gain). In computing such excess amount and/or profit or gain, Tenant may deduct all Transaction Costs as and when incurred and paid by Tenant. "Transaction Costs" means (i) the amount of any costs incurred by Tenant in making Alterations to the sublet space for the subtenant, and the amount of any work allowance granted by Tenant to the subtenant, (ii) advertising, legal expenses and brokerage commissions actually incurred by Tenant in connection with such assignment or subleasing, and (iii) the Fixed Annual Rent and the Additional Rent payable under Article 32 and Article 49 paid by Tenant under this Lease during any commercially reasonable free rent period under such sublease (it being agreed that any dispute regarding whether the free rent period under such sublease is commercially reasonable shall be resolved by expedited arbitration pursuant to Article 51). Transaction Costs shall not include any Rent under this Lease allocable to the space in question during the period of marketing the space.

4.11 In no event shall Tenant be entitled to make, nor shall Tenant make, any claim, and Tenant hereby waives any claim, for money damages (nor shall Tenant claim any money damages by way of set-off, counterclaim or defense) based upon any claim or assertion by Tenant that Landlord has unreasonably withheld or unreasonably delayed its consent or approval to a proposed assignment or subletting as provided for in this Article 4. Tenant's sole remedy shall be to submit such dispute to expedited arbitration pursuant to Article 51 and, if it is determined thereby that Landlord unreasonably withheld or unreasonably delayed its consent, Landlord's consent shall be deemed to have been given upon such final determination. Notwithstanding the foregoing to the contrary, if Tenant reasonably believes that Landlord has acted in bad faith in connection with a request by Tenant for consent to a proposed assignment or sublease (as opposed to Landlord having acted unreasonably), Tenant shall have the right to submit such dispute regarding whether Landlord acted in bad faith to a court of competent jurisdiction and if it is finally determined by any such court of competent jurisdiction that Landlord acted in bad faith in connection with such consent or approval request, Tenant shall have the right to seek damages in connection therewith.

4.12 Provided that the relevant portion of the Premises is not separately demised, the occupancy of the Premises by one or more Service and Business Relationship Entities (as hereinafter defined) for the Primary Use, shall be permitted without the need to obtain Landlord's consent and without being subject to Landlord's right of recapture pursuant to Section 4.02 and without being subject to the payment to Landlord of any share of the profit with respect to such arrangement pursuant to Section 4.10; provided, that (a) such Service and Business Relationship Entities shall not occupy portions of the Premises constituting, in the aggregate, more than 10% of the rentable square footage of the Premises, (b) in no event shall the use of any portion of the Premises by a Service and Business Relationship Entity create or be deemed to create any right, title or interest of such Service and Business Relationship Entity in any portion of the Premises or this Lease, (c) such Service and Business Relationship Entity shall not have any signage outside of the Premises (except that the foregoing is not intended to restrict the ability of a Service and Business Relationship Entity to have a listing in any electronic or other directory in the lobby of the Building, as provided in this Lease), and (d) such Service and Business Relationship Entity is engaged in a business, and uses the portion of the Premises that it occupies in a manner, that is in keeping with standards generally maintained by prudent landlords of Comparable Buildings. "Service and Business Relationship Entities" shall mean (i) persons actively engaged in providing services to Tenant or any Tenant Affiliate, (ii) Tenant's (or any of Tenant Affiliate's) attorneys, consultants and other persons with which Tenant (or any Tenant Affiliate) has an active and meaningful business relationship and is using the relevant portion of the Premises for a purpose associated with the business of Tenant and (iii) any regulatory authorities having jurisdiction over Tenant or any Tenant Affiliate that is using the relevant portion of the Premises for a purpose associated with the business of Tenant.

4.13 Landlord shall, within ten (10) Business Days after Tenant's request, accompanied by an executed counterpart of an Eligible Sublease (as hereinafter defined), deliver to Tenant and the subtenant under an Eligible Sublease (an "Eligible Subtenant") a commercially reasonable non-disturbance agreement (the "Landlord's Non-Disturbance Agreement"). Following the Eligible Subtenant's and Tenant's execution and delivery of the Landlord's Non-Disturbance Agreement, Landlord shall, within seven (7) Business Days, execute and deliver a counterpart thereof to the Eligible Subtenant. For purposes hereof, the term "Eligible Sublease" shall mean a direct sublease:

(1) between (a) Named Tenant and (b) a direct subtenant of the Named Tenant which direct subtenant, as of the date of execution of the Eligible Sublease, has a net worth, exclusive of goodwill and determined in accordance with GAAP, of not less than (x) twenty (20) times the aggregate amount of Fixed Annual Rent then payable by Tenant with respect to the Premises or the applicable portion being demised pursuant to such Eligible Sublease, and Landlord has been provided with proof thereof reasonably satisfactory to Landlord;

(2) that has been consented to (or consent has been deemed given) by Landlord pursuant to the provisions of and which meets all of the applicable requirements of this Article 4;

(3) demising at least one full floor of the Premises (provided that, unless an Eligible Sublease shall demise the entire Premises, no Eligible Sublease shall demise portions of the Premises consisting of less than the entire rentable area of any floor(s) on which the Premises are located), in any case, for a minimum initial sublease term of not less than five (5) years; and

(4) providing for a rental rate, on a per rentable square foot basis (including fixed annual rent and additional rent) which (after taking into account all rent concessions provided for therein) is equal to or in excess of the Fixed Annual Rent and Additional Rent, on a per rentable square foot basis, payable hereunder for the term of the Eligible Sublease (hereinafter called the "Lease Rent") or, in the alternative, provides for a rental rate that is less than the Lease Rent, but will automatically increase to the Lease Rent from and after the attornment of the sublessee to Landlord pursuant to the Landlord's Non-Disturbance Agreement.

Notwithstanding anything to the contrary set forth in this Section 4.13, any Landlord's Non-Disturbance Agreement delivered by Landlord pursuant to this Section 4.13 shall (x) be personal to the subtenant initially named in such Landlord's Non-Disturbance Agreement and (y) expressly contain the condition that, in the event of any termination of this Lease other than by reason of Tenant's default including, without limitation, a bankruptcy or insolvency related default (e.g., by reason of a casualty pursuant to Article 11), then such Landlord's Non-Disturbance Agreement shall, automatically and without further act of the parties, terminate and be of no further force or effect from and after the applicable termination date.

ARTICLE 5
DEFAULT

5.01 Landlord may terminate this Lease on five (5) Business Days' advance notice: (a) if Fixed Annual Rent or Additional Rent is not paid within five (5) Business Days after written notice from Landlord given after such Fixed Annual Rent or Additional Rent is due and payable; or (b) if Tenant shall have failed to cure a default in the performance of any covenant of this Lease (except the payment of Rent), or any Rules and Regulations (as hereinafter defined) or any Alteration Rules and Regulations (as hereinafter defined), within thirty (30) days after written notice thereof from Landlord, or if such default cannot be completely cured in such time, if Tenant shall not promptly proceed to cure such default within said thirty (30) days, or shall not complete the curing of such default with due diligence; or (c) when and to the extent permitted by law, if a petition in bankruptcy shall be filed by or against Tenant (and, such petition is not withdrawn or vacated within ninety (90) days) or if Tenant shall make a general assignment for the benefit of creditors, or receive the benefit of any insolvency or reorganization act; or (d) if a receiver or trustee is appointed for any portion of Tenant's property and such appointment is not vacated within ninety (90) days; or (e) if an execution or attachment shall be issued under which the Premises shall be taken or occupied or attempted to be taken or occupied by anyone other than Tenant. At the expiration of the five (5) Business Day notice period, this Lease and any rights of renewal or extension thereof shall terminate as completely as if that were the date originally fixed for the expiration of the Term of this Lease, but Tenant shall remain liable as hereinafter provided.

5.02 In the event that Tenant is in arrears for Fixed Annual Rent or any item of Additional Rent beyond the expiration of any applicable notice and grace periods, Tenant waives its right, if any, to designate the items against which payments made by Tenant are to be credited and Landlord may apply any payments made by Tenant to any items which Landlord in its sole discretion may elect irrespective of any designation by Tenant as to the items against which any such payment should be credited.

5.03 Tenant shall not seek to consolidate any summary proceeding brought by Landlord with any action commenced by Tenant in connection with this Lease or Tenant's use and/or occupancy of the Premises.

5.04 In the event of a default by Tenant hereunder, no property or assets of any principals, shareholders, officers, directors, employees, partners or members of Tenant, whether disclosed or undisclosed, other than the assets and income of Tenant and any security deposit held by Landlord hereunder, shall be subject to levy, execution or other enforcement procedure for the satisfaction of Landlord's remedies under or with respect to this Lease, the relationship of Landlord and Tenant hereunder or Tenant's use and occupancy of the Premises.

ARTICLE 6
RELETTING, ETC.

6.01 If Landlord shall re-enter the Premises on the default of Tenant, by summary proceedings or otherwise: (a) Landlord may re-let the Premises or any part thereof, as Tenant's agent, in the name of Landlord, or otherwise, for a term shorter or longer than the balance of the term of this Lease, and may grant concessions or free rent; (b) Tenant shall pay Landlord any deficiency between the Rent hereby reserved and the net amount of any rents collected by Landlord for the remaining term of this Lease, through such re-letting. Such deficiency shall become due and payable monthly, as it is determined. Landlord shall have no obligation to re-let the Premises, and its failure or refusal to do so, or failure to collect rent on re-letting, shall not affect Tenant's liability hereunder. In computing the net amount of rents collected through such re-letting, Landlord may deduct all expenses incurred in obtaining possession or re-letting the Premises, including legal expenses and fees, brokerage fees, the cost of restoring the Premises to good order, and the cost of all alterations and decorations deemed necessary by Landlord to effect re-letting. In no event shall Tenant be entitled to a credit or repayment for re-rental income which exceeds the sums payable by Tenant hereunder or which covers a period after the original term of this Lease; (c) Tenant hereby expressly waives any right of redemption granted by any present or future law; and (d) Landlord shall recover as liquidated damages, in addition to accrued rent and other charges, if Landlord's re-entry is the result of Tenant's bankruptcy, insolvency, or reorganization, the full rental for the maximum period allowed by any law relating to bankruptcy, insolvency or reorganization. "Re-enter" and "re-entry" as used in this Lease are not restricted to their technical legal meaning. In the event of a breach or threatened breach of any of the covenants or provisions hereof, Landlord shall have the right of injunctive relief. Mention herein of any particular remedy shall not preclude Landlord from any other available remedy.

6.02 If Landlord re-enters the Premises for any cause, or if Tenant abandons the Premises, or after the expiration of the Term, any property left in the Premises by Tenant shall be deemed to have been abandoned by Tenant, then Landlord shall have the right to retain or dispose of such property in any manner without any obligation to account therefor to Tenant.

6.03 If either party institutes a suit against the other for violation of or to enforce any covenant, term or condition of this Lease, or if either party institutes an expedited arbitration proceeding pursuant to the terms of this Lease, then, in either case, the prevailing party shall be entitled to reimbursement of all of its reasonable costs and expenses, including, without limitation, reasonable attorneys' fees incurred in connection therewith.

ARTICLE 7
LANDLORD MAY CURE DEFAULTS

7.01 If Tenant shall default in performing any covenant or condition of this Lease beyond the expiration of any applicable cure or grace period, Landlord may perform the same for the account of Tenant, and if Landlord, in connection therewith, makes any expenditures or incurs any obligations for the payment of money, including but not limited to reasonable attorney's fees, such sums so paid or obligations so incurred shall be deemed to be Additional Rent hereunder, and shall be paid by Tenant to Landlord within thirty (30) days after rendition of a reasonably detailed bill or statement therefor, and if the Term shall have expired at the time of the making of such expenditures or incurring of such obligations, such sums shall be recoverable by Landlord as damages.

ARTICLE 8
ALTERATIONS

8.01 (a) Subject to the further provisions of this Section 8.01(a), Tenant shall make no changes, alterations, additions or improvements in or to the Premises (collectively, "Alterations"), without the prior written consent of Landlord; provided, however, that: (A) Landlord agrees not to unreasonably withhold, condition or delay its consent in accordance with the procedure set forth in Section 8.02 to Alterations that (1) do not affect the Building's exterior (including the exterior appearance of the Building), (2) do not adversely affect the usage or the proper functioning of any Building Systems, (3) are non-structural (except that Landlord shall not unreasonably withhold, condition or delay its consent to (i) any internal staircases (not to exceed one (1) per floor) proposed to be installed by Tenant if Tenant shall then be leasing two (2) or more contiguous floors, or (ii) any core drilling required in connection with Tenant's Alterations provided that, except if such core drilling is required in connection with installation of any internal staircases, same do not result in the reduction of any floor area in the Premises (except to a *de minimis* extent), in the case of either (i) or (ii), provided such structural Alterations are customary for other similarly-situated tenants in the Building or in Comparable Buildings and provided further that the other provisions of this sentence are satisfied), and (4) do not adversely affect any service required to be furnished by Landlord to Tenant (unless Tenant agrees, in writing, to accept such diminished services without any liability or obligation to Landlord under this Lease in connection therewith) or to any other tenant or occupant of the Building (collectively, "Non-Material Alterations") and (B) Landlord's consent shall not be required with respect to (x) Non-Material Alterations which (i) do not require a building permit, (ii) are limited to work within the Premises, and (iii) subject to Section 8.04, do not require a change in the Certificate of Occupancy for the Building, or (y) work that is solely of a decorative nature, such as painting, wallpapering and carpeting (such items identified in clause "(B)", collectively, "Non-Consent Alterations"). Rent shall in no event be reduced by reason of any reduction in the floor area of the Premises resulting from any Alterations performed (x) by or on behalf of Tenant, or (y) by or on behalf of Landlord if due to Tenant's failure to perform any Alterations or other work required under this Lease or otherwise due to Tenant's breach of this Lease. All Alterations, including air-conditioning equipment and duct work, except movable office furniture and trade equipment installed at the expense of Tenant, shall, unless same constitute Specialty Alterations for which Tenant has been directed to remove from the Premises, in accordance with Section 8.01(b), become the property of Landlord, and shall be surrendered with the Premises at the expiration or sooner termination of the Term.

(b) Notwithstanding anything contained in this Lease to the contrary, Tenant shall not be obligated to remove any Alterations except for Specialty Alterations. "Specialty Alterations" shall mean Alterations consisting of all raised computer room floors in excess of 2,500 rentable square feet in the aggregate, vaults, generators, structurally reinforced filing systems, pneumatic tubes, vertical and horizontal transportation systems, any Alterations which penetrate or expand an existing penetration of any floor slab and any other Alterations which affect the structural elements of the Building (which for purposes of this Lease shall mean the exterior walls and roof of the Building, foundations, footings, load bearing columns, ceiling and floor slabs, windows and window frames of the Building), in each case if and to the extent Landlord advises Tenant thereof as and to the extent Landlord is required to do so pursuant to the next following sentence; *provided, however,* that Specialty Alterations shall not include (i) one (1) customary internal staircase with respect to each connection of contiguous floors of the Premises, (ii) conduits, (iii) cabling, (iv) supplemental HVAC equipment, or (v) any Alteration existing in the Premises as of the date of this Lease. Landlord shall advise Tenant together with Landlord's approval of the plans and specifications in question whether or not Tenant shall be required to remove any portion of such Specialty Alteration upon the expiration or sooner termination of this Lease, provided that Tenant, as part of its request for such consent, notifies Landlord in writing that Landlord is required to make such election and/or designation as part of its consent. Prior to the end of the Term, Tenant shall, at Tenant's cost and expense, remove any Specialty Alteration designated by Landlord pursuant to this Section 8.01(b), repair any damage to the Premises or the Building due to such removal, cap all electrical, plumbing and waste disposal lines in accordance with sound construction practice and restore (except if such restoration (as opposed to repair) is non-structural in nature such as, by way of example, replacing carpeting and painting) the Premises to the condition existing prior to the making of such Specialty Alteration. All such work shall be performed in accordance with plans and specifications first approved by Landlord in accordance with the terms hereof and all applicable terms, covenants, and conditions of this Lease. If Landlord's insurance premiums increase as a result of any Specialty Alterations, Tenant shall pay each such increase each year as Additional Rent within thirty (30) days after receipt of a reasonably detailed bill therefor from Landlord.

8.02 All Alterations shall be performed in accordance with the following conditions:

(i) (A) Prior to the commencement of any Alterations, Tenant shall first submit to Landlord for its approval in accordance with the terms hereof detailed dimensioned coordinated plans and specifications, including layout, architectural, mechanical, electrical, plumbing and structural drawings for each proposed Alteration ("Tenant's Plans"); provided, however, with respect to Non-Consent Alterations, Tenant shall only be required to provide Tenant's Plans in connection therewith to Landlord if and to the extent such Tenant's Plans are required to be prepared in accordance with good construction practices (and such Tenant's Plans shall not be subject to Landlord's approval unless any Alterations shown thereon are not Non-Consent Alterations). Landlord shall be given, in writing, a good description of all other Alterations (i.e., Alterations for which Tenant's Plans are not required). Landlord shall respond to any request for consent to an Alteration not later than twenty (20) days after the giving of Tenant's written request for such consent (which consent to Tenant's Plans shall be granted or withheld in accordance with the same standards applied to Alterations set forth in this Article 8) that Landlord either: (a) approves such Tenant's Plans, (b) disapproves such Tenant's Plans (stating, in reasonable detail, the reasons therefor), or (c) in good faith requires clarification or additional information; provided, if and to the extent Tenant is required to submit revisions to such Tenant's Plans, Landlord shall respond to any request for consent to such revised Tenant's Plans not later than ten (10) Business Days after the giving of Tenant's written request for such consent that Landlord either: (i) approves such revised Tenant's Plans, (ii) disapproves such revised Tenant's Plans (stating, in reasonable detail, the reasons therefor), or (iii) in good faith requires clarification or additional information. If Landlord fails to respond within such twenty (20) day or ten (10) Business Day period (as applicable), then Tenant shall have the right to deliver a second notice to Landlord (a copy of which, as a condition to its effectiveness, must be sent to Landlord's notice parties set forth in Article 27) requesting Landlord's consent to such Tenant's Plans (or revisions thereto), which request shall state in bold upper case letters: "**THIS IS A TIME SENSITIVE NOTICE AND SUBJECT TO THE PROVISIONS OF SECTION 8.02(i) OF THE LEASE, LANDLORD SHALL BE DEEMED TO HAVE APPROVED TENANT'S PLANS**." If Tenant shall have delivered such reminder notice to Landlord, and Landlord shall fail to respond to such reminder notice within ten (10) days after Landlord's receipt of such reminder notice, and provided that Tenant has otherwise complied with all of Tenant's obligations under this Article 8 in connection with such request, then Landlord shall be deemed to have consented to the Alterations shown on such Tenant's Plans (or revisions thereto) provided that any such Alteration (x) is limited to work within the Premises or if not limited to work within the Premises, such work is non-structural, does not affect the exterior of the Building, and does not affect Building Systems servicing areas of the Building outside of the Premises, and (y) does not require a change in the certificate of occupancy for the Building (the above Alterations being referred to as "Non-Approved Alterations"). The above notwithstanding, if Tenant's Plans propose a Non-Approved Alteration and Landlord fails to respond to Tenant's first request for approval within the 20-day time period or ten (10) Business Day period, as the case may be, detailed above and Tenant's second request within the ten (10) day period detailed above, such Non-Approved Alterations may be considered to have been denied by Landlord, in which case Tenant shall have the right to bring an expedited arbitration proceeding pursuant to Article 51 in order to determine whether Landlord should consent (pursuant to the terms of this Article 8) to any such Non-Approved Alterations.

(B) Landlord may engage the services of an outside engineer or consultant (each, an "Outside Consultant") if, as reasonably determined by Landlord, required to review Tenant's Plans (as the same may be revised), it being agreed that Tenant will pay all reasonable, out-of-pocket costs and expenses associated with such Outside Consultant's review of Tenant's Plans.

(ii) All Alterations in and to the Premises shall be performed in a good and workmanlike manner and in accordance with the Building's rules and regulations governing tenant alterations in the Building, a copy of which as in effect on the date of this Lease is annexed hereto as Exhibit I and any reasonable modifications thereof or additions thereto for which Tenant has received at least ten (10) days' prior written notice (the "Alteration Rules and Regulations"). Any dispute regarding the reasonableness of any modifications or additions to the Alteration Rules and Regulations shall be resolved by expedited arbitration pursuant to Article 51. In the event of any conflict between the terms of this Lease and the Alteration Rules and Regulations, the terms of this Lease shall control. Prior to the commencement of any such Alterations, Tenant shall, at Tenant's sole cost and expense, obtain and exhibit to Landlord any governmental permit that may be required pursuant to Applicable Laws in connection with such Alterations.

(iii) All Alterations shall be performed in compliance with all other applicable provisions of this Lease and with all Applicable Laws, including, without limitation, the Americans with Disabilities Act of 1990 and New York City Local Law No. 57/87 and similar present or future laws, and regulations issued pursuant thereto, and also New York City Local Law No. 76 and similar present or future laws, and regulations issued pursuant thereto, on abatement, storage, transportation and disposal of asbestos and other hazardous materials, which work, if required, shall be effected at Tenant's sole cost and expense (unless otherwise set forth in Section 15.04) and in strict compliance with the Alteration Rules and Regulations.

(iv) All Alterations shall be performed with union labor having the proper jurisdictional qualifications. Tenant may employ architects, contractors, subcontractors and engineering firms of Tenant's choice to design and construct Alterations, subject to Landlord's reasonable approval, such approval not to be unreasonably withheld, conditioned or delayed (it being agreed that if such approval is not either granted or denied by Landlord within five (5) Business Days after request, Tenant shall have the right to send a second notice requesting such consent, which second notice shall state "**THIS IS A TIME SENSITIVE NOTICE AND SUBJECT TO THE PROVISIONS OF SECTION 8.02(iv) OF THE LEASE, LANDLORD SHALL BE DEEMED TO HAVE APPROVED TENANT'S CONTRACTOR**" and, if Landlord fails to respond to such second notice within five (5) Business Days after receipt thereof, Landlord's approval to such contractor shall be deemed to have been granted); provided, that (i) all work to the Building's life safety systems (including tie ins to such systems) shall be performed by Landlord's designated contractor provided that the rates charged by such contractor to Tenant are commercially reasonable, (ii) Tenant shall utilize and/or consult with Landlord's designated expeditor provided that the rates charged by such expeditor to Tenant are commercially reasonable, and (iii) Tenant shall utilize and/or consult with Landlord's consulting engineer for coordination of plan review provided that the rates charged by such engineer to Tenant are commercially reasonable. Notwithstanding the foregoing to the contrary, Landlord shall be entitled to rescind its approval (or deemed approval) of any contractor, subcontractor, architect or engineer previously approved by Landlord if Landlord, or any of Landlord's affiliates, reasonably determines such contractor, subcontractor, architect or engineer is not reputable, is the subject to a criminal investigation or subject to investigation by any applicable governing authority or has otherwise acted in a manner that is inconsistent with the manner generally shown by contractors, subcontractors, architects and engineers working in Comparable Buildings.

(v) Subject to the terms of Article 9, Tenant shall keep the Building and the Premises free and clear of all liens for any work or material claimed to have been furnished to Tenant or to the Premises.

(vi) Prior to the commencement of any Alterations by or for Tenant, Tenant shall furnish to Landlord certificates evidencing the existence of the following insurance to be carried by each of Tenant's contractors or subcontractors:

(A) Workmen's compensation insurance covering all persons employed for such work and with respect to whom death or bodily injury claims could be asserted against Landlord, Tenant or the Premises.

(B) Broad form general liability insurance written on an occurrence basis naming Tenant as an insured and naming Landlord and its commercially reasonable designees as additional insureds, with limits of not less than $5,000,000 combined single limit for personal injury in any one occurrence, and with limits of not less than $1,000,000 for property damage (the foregoing limits may be revised from time to time by Landlord to such higher limits as Landlord from time to time reasonably requires). Tenant, at its sole cost and expense, shall cause all such insurance to be maintained at all times when the work to be performed for or by Tenant is in progress. All such insurance shall be obtained from a company authorized to do business in New York and shall provide that it cannot be canceled without thirty (30) days prior written notice to Landlord (or, with respect to Tenant's non-payment of premiums, such policies cannot be canceled without ten (10) days prior written notice to Landlord). All policies, or certificates therefor, issued by the insurer and bearing notations evidencing the payment of premiums, shall be delivered to Landlord. Blanket coverage shall be acceptable, provided that coverage meeting the requirements of this paragraph is assigned to Tenant's location at the Premises.

(vii) In granting its consent to any Alterations, Landlord may impose such conditions as to guarantee completion (including, without limitation, requiring Tenant to post additional security or a bond to insure the completion of such Alterations, payment, restoration or otherwise), as Landlord may reasonably require; provided, however, Tenant shall not be required to provide any guarantee of completion pursuant this Section 8.02(vii) (a) with respect to the Initial Alterations; provided that Tenant is the Named Tenant at the time Tenant requests consent to such Alterations and upon the commencement thereof, or (b) if, at the time Tenant requests consent to such Alterations and upon the commencement of such Alterations, Tenant has a net worth, exclusive of goodwill and determined in accordance with GAAP, of not less than twenty (20) times the aggregate amount of Fixed Annual Rent then payable under this Lease (and provides Landlord reasonable evidence thereof).

(viii) All work to be performed by Tenant shall be done in a manner which will not unreasonably interfere with or unreasonably disturb other tenants and occupants of the Building. Landlord shall use reasonable efforts to enforce the terms of other leases demising space in the Building to ensure that work performed by other tenants of the Building will not unreasonably interfere with or unreasonably disturb Tenant's ability to use the Premises for the Permitted Uses.

(ix) The review and/or approval by Landlord, its agents, consultants and/or contractors, of any Alteration or of Tenant's Plans therefor and the coordination of such Alteration with Landlord, as described in part above, are solely for the benefit of Landlord, and neither Landlord nor any of its agents, consultants or contractors shall have any duty toward Tenant with respect thereto; nor shall Landlord or any of its agents, consultants and/or contractors be deemed to have made any representation or warranty to Tenant, or have any liability, with respect to the safety, adequacy, correctness, efficiency or compliance with Applicable Laws of any Tenant's Plans, Alterations or any other matter relating thereto.

(x) Promptly following the substantial completion of any Alterations (except Non-Consent Alterations), Tenant shall submit to Landlord one (1) electronic copy (using a current version of Autocad or such other similar software as is then commonly in use) of plans for the applicable portion of the Premises showing all such Alterations, provided that in the case any Tenant's Work (as hereinafter defined) with respect to which any portion of Landlord's Contribution and/or the Additional Landlord's Contribution (as such terms are hereinafter defined) has been applied, such final plans shall be "as built" or marked "final" plans or shop drawings from subcontractors in AutoCAD format and otherwise shall be final plans with field notes noted thereon showing all such Alterations and demonstrating that such Alterations were performed substantially in accordance with Tenant's Plans first approved by Landlord, and (b) an itemization of Tenant's total construction costs, detailed by contractor, subcontractors, vendors and materialmen; bills, receipts, lien waivers and releases from all contractors, subcontractors, vendors and materialmen; architects' and Tenant's certification of completion, payment and acceptance, and all governmental approvals and confirmations of completion for such Alterations (if and to the extent such governmental approvals and confirmations are required by Applicable Laws); provided, however, for Alterations with respect to which Tenant is not receiving any Landlord's Contribution, in lieu of the obligations contained in clause "(b)" of this sentence, Tenant shall be required to provide, promptly upon Landlord's request, only (i) lien waivers and releases from all contractors, subcontractors, vendors and materialmen, and (ii) all governmental approvals and confirmations of completion for such Alterations (if and to the extent such governmental approvals and confirmations are required by Applicable Laws).

8.03 Subject to (a) the terms of this Article 8, (b) reasonable restrictions as Landlord may impose, and (c) the rights of the existing tenants and occupants on the affected floor of the Building, in connection with the performance of Alterations to the Premises approved (or deemed approved) by Landlord pursuant to this Article 8, Landlord shall provide reasonable access to Tenant to the ceiling below the respective floor of the Premises for the purpose of running cable for Tenant's use in the Premises and for other purposes reasonably required in connection with Tenant's approved Alterations, provided (i) all such cabling work shall be performed after hours at times reasonably designated by Landlord and in a manner reasonably designated by Landlord, (ii) Tenant shall promptly repair any damage to the affected premises or the ceiling accessed, and (iii) Tenant shall immediately following such work, on a daily basis, ensure that the affected premises are cleaned in a manner reasonably satisfactory to Landlord as a result of the work being performed by Tenant. In addition to the foregoing, subject to (a) the terms of this Article 8, and (b) reasonable restrictions as Landlord may impose, in connection with the performance of Alterations to the Premises approved (or deemed approved) by Landlord pursuant to this Article 8, Landlord shall provide reasonable access to Tenant to portions of the Building outside of the Premises (except any portions of the Building leased or occupied by any tenants or occupants) if and to the extent such access is reasonably required in connection with such Alterations, provided (i) all such access shall be at times reasonably designated by Landlord and in a manner reasonably designated by Landlord, (ii) Tenant shall promptly repair any damage caused by or in connection with such access, and (iii) Tenant shall immediately following such work, on a daily basis, ensure that the affected areas of the Building are cleaned in a manner reasonably satisfactory to Landlord. Tenant shall use commercially reasonable efforts to notify Landlord of any access to any portions of the Building outside of the Premises that may be required in connection with any Alterations at the time Tenant requests consent to such Alterations.

8.04 Landlord shall reasonably cooperate with Tenant in connection with obtaining necessary permits for the Alterations, which may include, without limitation, executing applications required by Tenant for such permits prior to or after commencement or completion of Landlord's review of Tenant's Plans for such Alterations; provided, that (i) execution of any such application by Landlord shall not constitute Landlord's consent to the proposed Alteration in question or Tenant's Plans and shall not impose any cost or liability on Landlord, and (ii) no such application shall include a proposed change in the certificate of occupancy for the Building. Further, if, and to the extent Tenant requests Landlord to execute any applications reasonably required by Tenant for such permits prior to commencement or completion of Landlord's review of Tenant's Plans for such Alterations, then any such execution shall be solely as a courtesy to and at the specific request of Tenant, based upon Tenant's express acknowledgment and agreement of the foregoing clauses "(i)" and "(ii)" and further that: (a) no such Alterations to the Building or Premises shall be performed until such time as (x) consent to Tenant's Plans with respect to such Alterations (other than Non-Consent Alterations) has been given (or deemed given) by Landlord in accordance with the terms hereof, and (y) Tenant has complied fully with all other applicable provisions of this Lease, and (b) Tenant shall not in any manner rely upon Landlord's execution of such applications in designing or performing any Alterations.

ARTICLE 9
LIENS

9.01 With respect to contractors, subcontractors, materialmen and laborers, and architects, engineers and designers, for all work or materials to be furnished to Tenant at the Premises, Tenant agrees to obtain and deliver to Landlord written and unconditional waiver of mechanics liens upon the Premises or the Building after payments to the contractors, etc., subject to any then applicable provisions of the Lien Law. Notwithstanding the foregoing, Tenant at its expense shall cause any lien filed against the Premises or the Building, for work or materials claimed to have been furnished to Tenant, to be discharged of record within thirty (30) days after notice thereof.

ARTICLE 10
REPAIRS

10.01 Tenant shall take good care of the Premises (including, without limitation, any horizontal distribution portion of Building Systems (other than perimeter convectors) within the Premises installed by, or on behalf of, Tenant (even if by Landlord) or any other permitted occupant of the Premises) and the fixtures and appurtenances therein, and shall make all repairs necessary to keep them in good working order and condition, including structural repairs when those are necessitated by (i) the act, omission or negligence of Tenant (or anyone claiming by, through or under Tenant) or its (or their) agents, employees, invitees or contractors, (ii) cause or condition created by Tenant (or anyone claiming by, through or under Tenant) and/or (iii) any Alteration performed by or on behalf of Tenant, subject in each case to the provisions of Article 11. The exterior walls and roofs of the Building, the mechanical rooms, service closets, shafts and the windows and the portions of all window sills outside same are not part of the Premises demised by this Lease, and Landlord hereby reserves all rights to such parts of the Building. The areas above any hung ceiling shall be deemed a part of the Premises; provided, however, Landlord shall have the right, subject to Section 19.01, to utilize same for purposes of installing pipes, ducts, cables or other equipment therein reasonably required in connection with the Building Systems or in connection with the operation of the Building or in connection with other leases or occupancy agreements in the Building. Tenant shall not paint, alter, drill into or otherwise change the appearance of the windows including, without limitation, the sills, jambs, frames, sashes, and meeting rails. For purposes of clarification, with respect to any floor on which the Premises is located but the entire rentable area is not leased to Tenant, Tenant shall only be responsible hereunder for any horizontal distribution portions of any Building Systems located on such floors that exclusively serve the Premises.

10.02 Landlord, at Landlord's expense (subject to reimbursement in accordance with, and to the extent provided, in Article 49, and to reimbursement from Tenant if resulting from any Alteration, cause or condition (subject to Article 11) created by Tenant (or anyone claiming by, through or under Tenant, or negligence or willful misconduct of Tenant (or Tenant's employees, agents, invitees or contractors) or persons claiming by, through or under Tenant)) shall (x) operate, maintain and make all necessary repairs and replacements (both structural and non-structural) to the Building Systems (including perimeter convectors within the Premises) and the public portions of the Building and the structural elements of the Building, both exterior and interior, the roof of the Building, the windows of the Building, the shaft ways in the Building, the service closets in the Building and the common areas on multi-tenant floors in the Building on which the Premises are located, the sidewalks adjacent to the Building and the Building Project, and (y) provide security for the Building on a 24 hour per day, 365 day per year basis, in each case, in conformance with standards applicable to Comparable Buildings; it being agreed, however, that Landlord shall be required to perform the obligations under clause "(x)" above only if and to the extent failure to do so would adversely affect (other than to a *de minimis* extent) Tenant's use of the Premises or the common areas of the Building for the uses permitted hereunder; and, it being further agreed, that Landlord's obligations hereunder to provide security for the Building shall not be or be deemed an obligation by Landlord to install turnstiles in the lobby or any other portion of the Building to regulate access to and from the Building or otherwise (whether or not such turnstiles are used in Comparable Buildings). For purposes hereof, the term "Building Systems" shall mean all systems operated and maintained by Landlord for the proper operation of the Building including, without limitation, mechanical, electrical, plumbing, heating, ventilation and air-conditioning ("HVAC"), fire and life safety and security systems, but shall exclude any horizontal distribution portion of such systems (other than perimeter convectors) within (and exclusively serving) the Premises installed by, or on behalf of, Tenant or any other permitted occupant of the Premises. Nothing contained in this Section 10.02 shall be deemed to diminish Landlord's obligations set forth in Section 30.07.

ARTICLE 11
FIRE OR OTHER CASUALTY

11.01 (A) Damage by fire or other casualty to the Building and to the core and shell of the Premises (excluding tenant improvements and betterments and Tenant's personal property) shall be repaired at the expense of Landlord ("Landlord's Restoration Work"). Landlord shall not be required to repair or restore any of Tenant's property or any alteration, installation or leasehold improvement made in and/or to the Premises. If, as a result of such damage to the Building or to the core and shell of the Premises, the Premises are rendered untenantable, the Rent shall abate in proportion to the portion of the Premises not usable by Tenant for the Permitted Uses from the date of such fire or other casualty until the earlier to occur of (i) the date Tenant occupies such portion of the Premises for the ordinary conduct of business, or (ii) ninety (90) days following the substantial completion of Landlord's Restoration Work. Provided that Landlord shall be performing Landlord's Restoration Work in good faith, Landlord shall not be liable to Tenant for any delay in performing Landlord's Restoration Work, Tenant's sole remedy being the right to an abatement of Rent, as provided above. Tenant shall reasonably cooperate with Landlord in connection with the performance by Landlord of Landlord's Restoration Work. If the Premises are rendered wholly untenantable by fire or other casualty and if Landlord shall decide not to restore the Premises, or if the Building shall be so damaged that Landlord shall decide to demolish it or not to rebuild it (whether or not the Premises have been damaged) and, in either case, Landlord is also terminating other office leases in the Building demising, in the aggregate, at least 50% of the rentable office space in the Building, Landlord may within ninety (90) days after such fire or other casualty give written notice to Tenant of its election that the term of this Lease shall automatically expire no less than ten (10) days after such notice is given (it being agreed that in the event of such a termination by Landlord, Tenant shall not be required to remove any Specialty Alterations from the Premises upon the expiration of the Term). Tenant hereby expressly waives the provisions of Section 227 of the Real Property Law and agrees that the foregoing provisions of this Article 11 shall govern and control in lieu thereof.

(B) Upon any termination of this Lease under this Article 11 all insurance proceeds Tenant shall be entitled to (the "Tenant Insurance Proceeds") with respect to any improvements, alterations or changes in the Premises shall be distributed as follows:

(i) first, Tenant shall receive the unamortized portion of the cost of any Alterations performed by Tenant in the Premises from and after the date hereof (amortized over a term commencing on the date such Alterations were substantially completed through the Expiration Date); and

(ii) (1) second, any Tenant Insurance Proceeds remaining after distribution pursuant to Section 11.01(B)(i) (the "Excess Insurance Proceeds") shall be distributed, (a) to Tenant, if Landlord shall have exercised its right to terminate this Lease pursuant to this Article 11, (b) to Landlord, if Tenant shall have exercised its right to terminate this Lease pursuant to this Article 11, or (c) to Landlord and to Tenant, each receiving 50% of the Excess Insurance Proceeds, if either (x) Landlord and Tenant shall have simultaneously exercised their rights to terminate this Lease pursuant to this Article 11, or (y) this Lease shall have automatically terminated pursuant to this Article 11 without either Landlord or Tenant exercising its right of termination.

11.02 In the event that the Premises has been damaged or destroyed and this Lease has not been terminated in accordance with the provisions of this Article 11, Tenant shall (i) reasonably cooperate with Landlord in the restoration of the Premises and shall remove from the Premises as promptly as reasonably possible all of Tenant's salvageable inventory, movable equipment, furniture and other property and (ii) repair the damage to the tenant improvements and betterments and Tenant's personal property and restore the Premises promptly and with due diligence following the date upon which the core and shell of the Premises shall have been substantially repaired by Landlord.

11.03 Anything contained in Section 11.01 to the contrary notwithstanding, if the Building shall be so damaged by fire or other casualty that Landlord's Restoration Period (as hereinafter defined) is eighteen (18) months or more (but only if all or a substantial portion of the Premises shall have been damaged or rendered untenantable) as detailed in a Restoration Statement, then Tenant, at its option, may, not later than thirty (30) days after the giving of the Restoration Statement, give to Landlord a notice in writing terminating this Lease. If Tenant elects to terminate this Lease in accordance with this Section 11.03, the Term shall expire upon a date set by Tenant in Tenant's notice of termination, but not sooner than ninety (90) days after such notice is given, unless sooner if required by any Applicable Laws or insurance requirements, and Tenant shall vacate the Premises and surrender the same to Landlord in accordance with the provisions hereof (it being agreed that in the event of such a termination by Tenant, Tenant shall not be required to remove any Specialty Alterations from the Premises upon the expiration of the Term). Upon such termination of this Lease, and without limiting the abatement of Rent provided for in Section 11.01, Tenant's liability for Fixed Annual Rent and Additional Rent shall cease and any prepaid portion of Fixed Annual Rent and Additional Rent for any period after such termination date shall be promptly refunded by Landlord to Tenant. In addition, if Landlord's Restoration Work is not substantially completed before the date which is the later to occur of (i) the date that is 18 months after the date of the casualty (subject to day for day extension for (a) Unavoidable Delays for up to an additional 90 days only or (b) any Tenant Delays), and (ii) the date which is the end of the Landlord's Restoration Period (but, in either case, only if all or a substantial portion of the Premises shall have been damaged or rendered untenantable), then Tenant shall be entitled to terminate this Lease by notice given to Landlord, and this Lease shall automatically terminate on the 30th day following such notice as if such date were the original Expiration Date, unless prior to such 30th day Landlord shall have substantially completed Landlord's Restoration Work (it being agreed that in the event of such a termination by Tenant, Tenant shall not be required to remove any Specialty Alterations from the Premises upon the expiration of the Term). "Tenant Delay" shall mean any delay which results from any act or omission of Tenant, or any agent, employee or contractor of Tenant, including delays due to changes in or additions to, or interference with, any work to be done by Landlord, or delays by Tenant in submission of information, or selecting construction materials to be installed by Landlord as part of Landlord's Restoration Work, if any (e.g., color of paint and carpet), or approving working drawings or estimates or giving authorizations or approvals.

11.04 Within ninety (90) days after any damage described in Section 11.01, Landlord shall deliver to Tenant a statement (the "Restoration Statement") prepared by a reputable independent contractor setting forth such contractor's good faith estimate as to the time (the "Landlord's Restoration Period") required to perform Landlord's Restoration Work. Any dispute with respect to the Landlord's Restoration Period shall be resolved by expedited arbitration in accordance with Article 51.

ARTICLE 12
END OF TERM

12.01 Tenant shall surrender the Premises to Landlord at the expiration or sooner termination of this Lease in good order and condition, except for reasonable wear and tear and damage by fire or other casualty, and Tenant shall remove all of its personal property. The parties recognize and agree that the damage to Landlord resulting from any failure by Tenant timely to surrender the Premises will be substantial, will exceed the amount of monthly Rent theretofore payable hereunder, and will be impossible of accurate measurement. Tenant therefore agrees that if possession of the Premises is not surrendered to Landlord within one (1) day after the date of the expiration or sooner termination of the Term of this Lease, then Tenant will pay Landlord as liquidated damages for each month and for each portion of any month during which Tenant holds over in the Premises after the expiration or termination of the Term of this Lease, a sum equal to (x) for the first thirty (30) days of such holdover, one and one-half (1½) times the average Fixed Annual Rent and Additional Rent which was payable per month under this Lease during the last six (6) months of the Term, and (y) commencing on the thirty-first (31st) day of such holdover and thereafter, two (2) times the average Fixed Annual Rent and Additional Rent which was payable per month under this Lease during the last six (6) months of the Term. The aforesaid obligations shall survive the expiration or sooner termination of the Term of this Lease.

12.02 At any reasonable time during the Term of this Lease and upon reasonable prior notice, Landlord may exhibit the Premises to prospective purchasers or mortgagees of Landlord's interest therein. During the last year of the term of this Lease, Landlord may, at all reasonable times and upon reasonable prior notice exhibit the Premises to prospective tenants. With respect to Landlord's access pursuant to this Section 12.02, Tenant shall have the right to designate, by advance written notice to Landlord, certain "secured areas" in the Premises not to exceed 2,500 rentable square feet with respect to which Landlord's rights of access shall be reasonably restricted.

ARTICLE 13
SUBORDINATION AND ESTOPPEL, ETC.

13.01 (a) Subject to the provisions of this Article 13, this Lease shall be subordinate to the priority of each and every lease of the Land or the Building or any part thereof and to the lien of each and every mortgage now or hereafter affecting the Building Project or any Superior Lease, and to all renewals, extensions, supplements, amendments, modifications, consolidations and replacements thereof or thereto, substitutions therefor, and advances made thereunder; provided, that Tenant's foregoing agreement to subordinate the priority of this Lease to any particular lease or to the lien of any particular mortgage as aforesaid is conditioned upon the applicable Mortgagee or Lessor executing and delivering to Tenant a Non-Disturbance Agreement. The term "Non-Disturbance Agreement" shall mean, subject to Section 13.01(b), an agreement, in recordable form, between a Lessor or a Mortgagee, as the case may be, and Tenant, that contains commercially reasonable terms, to the effect that (i) if there is a foreclosure of the Mortgage, then the successor to Landlord by virtue of the foreclosure will not make Tenant a party to such proceeding (unless required by Applicable Laws), evict Tenant, disturb Tenant's possession under this Lease, or terminate or disturb Tenant's leasehold estate or rights hereunder, and will recognize Tenant as the direct tenant of such successor to Landlord on the same terms and conditions as are contained in this Lease, or (ii) if the Superior Lease terminates, then the Lessor will not evict Tenant, disturb Tenant's possession under this Lease, or terminate or disturb Tenant's leasehold estate or rights hereunder, and will recognize Tenant as the direct tenant of such Lessor on the same terms and conditions as are contained in this Lease. [Tenant acknowledges and agrees that the forms of Non-Disturbance Agreement attached to the lease between Landlord and the New York City Industrial Development Agent (the "IDA"), and the mortgages made by Landlord in favor of the Hudson Yards Infrastructure Corporation (the "HYIC") shall be deemed to contain commercially reasonable terms and are satisfactory to Tenant solely in connection with Non-Disturbance Agreements required to be provided by the IDA and the HYIC hereunder and not for any other Mortgagee or Lessor. For the avoidance of doubt, Tenant's foregoing acceptance of the IDA and HYIC Non-Disturbance Agreements shall not be used to determine whether or not any Non-Disturbance Agreement from any other Mortgagee or Lessor is commercially reasonable.] Tenant's receipt of a Non-Disturbance Agreement is a condition precedent to Tenant's subordination of its rights under, and interests in, this Lease, and Tenant's obligation to subordinate its rights under, and interests in, this Lease (including, without limitation, its obligations under Section 13.03) at any time during the Term is excused until the foregoing condition is satisfied with respect to each Mortgage or Superior Lease. Any Superior Lease to which the priority of this Lease is subordinate will not vitiate the rights of Tenant hereunder or impose additional obligations other than to a *de minimis* extent upon Tenant with respect to non-monetary obligations, and same shall not impose any additional financial obligations on Tenant hereunder. If the date of expiration of any Superior Lease shall be the same date as the Expiration Date, the Term shall end and expire twelve (12) hours prior to the expiration of the Superior Lease. Tenant shall promptly execute any such Non-Disturbance Agreement proffered by Landlord hereunder, provided the terms thereof comply with the requirements of this Section 13.01.

(b) Subject to the terms of this Section 13.01, any Non-Disturbance Agreement may provide that the successor to Landlord by reason of the foreclosure of a Mortgage, or the termination of a Superior Lease, as the case may be (any such successor being referred to herein as the "Successor") shall not be:

(i) liable for any act or omission of any prior landlord (including, without limitation, the then defaulting landlord), except to the extent that (x) such act or omission continues after the date that the Successor succeeds to Landlord's interest in the Building, and (y) such act or omission of such prior landlord is of a nature that the Successor can cure by performing a service or making a repair,

(ii) subject to any credits, defenses, offsets or abatements that Tenant has against any prior landlord (including, without limitation, the then defaulting landlord), except that the Successor shall be subject to any credits, defenses, abatements or offsets that are expressly permitted under this Lease,

(iii) bound by any payment of Rent that Tenant has made to any prior landlord (including, without limitation, the then defaulting landlord) more than thirty (30) days in advance of the date that such payment is due unless actually received by such Successor,

(iv) bound by any obligation to make any payment to or on behalf of Tenant to the extent that such obligation accrues prior to the date that the Successor succeeds to Landlord's interest in the Building, but subject, however, to Tenant's rights set forth in clause (ii) above with respect to offsets that are expressly permitted under this Lease,

(v) bound by any obligation to perform any work or to make improvements to the Building, except for:

(1) repairs and maintenance that Landlord is required to perform pursuant to the provisions of this Lease and that first become necessary, or the need for which continues, after the date that the Successor succeeds to Landlord's interest in the Building, or

(2) Landlord's Restoration Work that becomes necessary by reason of a fire or other casualty that occurs from and after the date that the Successor succeeds to Landlord's interest in the Building and that Landlord is required to perform pursuant to Article 11 (it being agreed, however, that with respect to Landlord's Restoration Work that became necessary by reason of a fire or other casualty that occurred before the date that the Successor succeeded to Landlord's interest in the Building, the foregoing shall not be or be deemed to affect any rent abatement or termination right that Tenant may otherwise be entitled to pursuant to Article 11 of this Lease and, in addition, if a Successor shall fail to commence to perform any Landlord's Restoration Work that became necessary by reason of a fire or other casualty that occurred before the date that the Successor succeeded to Landlord's interest in the Building, and if a substantial portion of the Premises remains untenantable as a result thereof, Tenant shall have the right to terminate this Lease effective as of the date which is thirty (30) days after the giving of notice to such Successor, unless prior to the expiration of such thirty (30) day period, such Successor shall give written notice to Tenant of its intention to perform such Landlord's Restoration Work within a reasonable period of time thereafter).

(vi) bound by any amendment or modification of this Lease entered into after Tenant has been notified of the existence or identity of such Mortgagee or Lessor and made without the consent of the Mortgagee or the Lessor, as the case may be, other than an amendment or modification that is expressly permitted or required by the terms of this Lease or a modification of merely an administrative nature.

Any Non-Disturbance Agreement may also contain other terms and conditions that are reasonably required by the Mortgagee or the Lessor, as the case may be, provided that they do not (a) increase Tenant's monetary obligations under this Lease, (b) adversely affect or diminish Tenant's rights or Landlord's obligations under this Lease (except in either case to a *de minimis* extent), or (c) increase Tenant's other obligations or any of Landlord's rights under this Lease (except to a *de minimis* extent).

[As of the date hereof, the sole existing Mortgages are held by the HYIC and [_____] (collectively, "Lenders"). Concurrently with the execution and delivery of this Lease, Tenant shall execute, acknowledge and deliver to Landlord a Non-Disturbance Agreement for the benefit of each of the Lenders, and with respect to the Mortgages held by the HYIC, substantially in the form attached thereto. Concurrently with the execution and delivery of this Lease by Landlord, Landlord shall deliver to Tenant such Non-Disturbance Agreements executed and acknowledged by the Lenders.][5]

[As of the date hereof, the sole existing Superior Leases are held by the IDA and the MTA (collectively, the "Ground Lessors"). Concurrently with the execution and delivery of this Lease, Tenant shall execute, acknowledge and deliver to Landlord a Non-Disturbance Agreement for the benefit of each of the Ground Lessors, and with respect to the Superior Lease with the IDA, substantially in the form attached thereto. Concurrently with the execution and delivery of this Lease by Landlord, Landlord shall deliver to Tenant such Non-Disturbance Agreements executed and acknowledged by the Ground Lessors.][6]

[5] This bracketed provision will be updated accordingly at Lease execution to reflect the then Lenders.

[6] This bracketed provision will be updated accordingly at Lease execution to reflect the then Ground Lessors.

13.02 In confirmation of such subordination, Tenant shall execute and deliver any reasonable instrument that Landlord, a Lessor, or a Mortgagee or any of its successors in interest shall reasonably request to evidence such subordination, provided that such instrument includes a Non-Disturbance Agreement or a separate Non-Disturbance Agreement with respect to the applicable Mortgage or Superior Lease and has been delivered to Tenant and executed by all parties thereto. The leases to which this Lease is, at the time referred to, subordinate pursuant to this Article 13 are herein called "Superior Leases", the mortgages to which this Lease is, at the time referred to, subordinate pursuant to this Article 13 are herein called "Mortgages", the lessor of a Superior Lease or its successor in interest at the time referred to is herein called a "Lessor" and the mortgagee under a Mortgage or its successor in interest at the time referred to is herein called a "Mortgagee".

13.03 Subject to the terms and conditions of any Non-Disturbance Agreement negotiated and executed by Tenant and any Mortgagee or Lessor, if at any time prior to the expiration of the Term, any Superior Lease shall terminate or be terminated for any reason or any Mortgagee comes into possession of the Building Project or the Building or the estate created by any Superior Lease by receiver or otherwise, Tenant agrees, at the election and upon demand of any owner of the Building Project or the Building, or of the Lessor, or of any Mortgagee in possession of the Building Project or the Building, to attorn, from time to time, to any such owner, Lessor or Mortgagee or any person acquiring the interest of Landlord hereunder as a result of any such termination, or as a result of a foreclosure of the Mortgage or the granting of a deed in lieu of foreclosure, upon the then executory terms and conditions of this Lease, subject to the provisions of Section 13.01, for the remainder of the Term; provided, that such owner, Lessor or Mortgagee, as the case may be, or receiver caused to be appointed by any of the foregoing, shall then be entitled to possession of the Premises.

13.04 Subject to the terms and conditions of any Non-Disturbance Agreement negotiated and executed by Tenant and any Mortgagee or Lessor, in the event of any act or omission of Landlord that would give Tenant the right, immediately or after lapse of a period of time, to cancel or terminate this Lease, or to claim a partial or total eviction, Tenant shall not exercise such right until:

(i) it has given written notice of such act or omission to the Mortgagee of each superior Mortgage and the Lessor of such Superior Lease whose name and address shall previously have been furnished to Tenant; and

(ii) a reasonable period for remedying such act or omission shall have elapsed following the giving of such notice. Nothing contained herein shall obligate such Lessor or Mortgagee to remedy such act or omission.

13.05 If, in connection with obtaining financing or refinancing for the Building, a banking, insurance, or other lender shall request reasonable modifications to this Lease as a condition to such financing or refinancing, Tenant shall not unreasonably withhold, delay, or defer its consent thereto, provided that such modifications do not (a) increase Tenant's monetary obligations under this Lease, (b) extend or shorten the Term, (c) reduce the size of the Premises or (d) except to a de minimis extent, otherwise increase the obligations, or decrease the rights, of Tenant hereunder, or decrease the obligations or increase the rights of Landlord hereunder. In no event shall a requested modification of this Lease requiring Tenant to do the following be deemed to adversely affect the leasehold interest hereby created by more than a de minimis amount:

(i) give notice of any default by Landlord under this Lease to such Mortgagee and/or permit the curing of such default by such Mortgagee within the time periods that are granted to Landlord hereunder with respect to such default; and

(ii) obtain such Mortgagee's reasonable consent for any modification of this Lease.

13.06 Unless otherwise expressly required by Applicable Laws, this Lease may not be modified or amended so as to reduce the Rent, shorten the Term, or otherwise affect the rights of Landlord hereunder (other than to a de minimis extent), or be canceled or surrendered, without the prior written consent in each instance of the Lessors and of any Mortgagees whose Mortgages shall require such consent provided that such consent shall not be unreasonably withheld, conditioned or delayed (provided that Tenant has been given notice of such Superior Lease or Mortgage). Subject to this Section 13.06, any such modification, agreement, cancellation or surrender made without such prior written consent shall be null and void.

13.07 Tenant agrees that if this Lease terminates, expires or is canceled for any reason or by any means whatsoever by reason of a default under a Superior Lease or Mortgage, and the Lessor or Mortgagee so elects by written notice to Tenant, this Lease shall automatically be reinstated for the balance of the Term which would have remained but for such termination, expiration or cancellation, at the same rental, and upon the same agreements, covenants, conditions, restrictions and provisions herein contained, with the same force and effect as if no such termination, expiration or cancellation had taken place. Tenant covenants to execute and deliver any instrument reasonably required to confirm the validity of the foregoing. Notwithstanding anything to the contrary contained herein, the provisions of this Section 13.07 shall apply only if Tenant shall have failed to comply with its obligation under the last sentence of Section 13.01(a) to execute a Non-Disturbance Agreement proffered by Landlord that complies with the requirements of Section 13.01.

13.08 From time to time (but no more than three (3) times during any 12-month period), on at least fifteen (15) days' prior written request by Landlord, Tenant shall deliver to Landlord a statement in writing certifying that this Lease is unmodified and in full force and effect (or if there shall have been modifications, that the same is in full force and effect as modified and stating the modifications) and the dates to which the Fixed Annual Rent and Additional Rent have been paid and stating whether or not, to Tenant's actual knowledge, Landlord is in default in the performance of any covenant, agreement or condition contained in this Lease and, if so, specifying each such default. Tenant acknowledges and agrees that any such statement may be relied upon by any Lessor, Mortgagee or prospective purchaser of the Building.

13.09 From time to time (but no more than three (3) times during any 12-month period), on at least fifteen (15) days' prior written request by Tenant, Landlord shall deliver to Tenant a statement in writing certifying to Tenant that this Lease is unmodified and in full force and effect (or if there shall have been modifications, that the same is in full force and effect as modified and stating the modifications) and the dates to which the Fixed Annual Rent and Additional Rent have been paid and stating whether or not to Landlord's actual knowledge Tenant is in default (beyond any applicable cure or grace period) in the performance of any covenant, agreement or condition contained in this Lease and, if so, specifying each such default. Landlord acknowledges and agrees that any such statement may be relied upon by any prospective lender, purchaser, investor, subtenant or assignee of Tenant.

ARTICLE 14
CONDEMNATION

14.01 If the whole or any substantial part (i.e., 10% or more of the rentable square footage of the Premises) of the Premises shall be condemned, or if Tenant no longer has reasonable means of access to the Premises as a result of eminent domain or acquisition by private purchase in lieu thereof, for any public or quasi-public purpose, this Lease shall terminate on the date of the vesting of title through such proceeding or purchase, and Tenant shall have no claim against Landlord for the value of any unexpired portion of the Term of this Lease, nor shall Tenant (subject to Section 14.03) be entitled to any part of the condemnation award or private purchase price. If less than a substantial part of the Premises is condemned, this Lease shall not terminate, but Rent shall abate in proportion to the portion of the Premises condemned.

14.02 If this Lease is not terminated pursuant to Section 14.01, then Landlord shall proceed with due diligence to make all necessary repairs to the Building, the Building Systems, the common areas and/or the Premises in order to render and restore the same to the condition that they were prior to the condemnation to the extent such restoration is practical when taking into account the portion of the Building Project that has been condemned. Tenant shall remain in possession of the portion of the Premises not condemned (provided same is tenantable), subject to the Rent abatement described in Section 14.01.

14.03 Damages awarded to Landlord for any condemnation shall belong to Landlord, whether or not the damages are awarded as compensation for loss or reduction in value of the Building or the Building Project; however, nothing shall restrict or limit Tenant from asserting a claim for any additional damages resulting from the condemnation for any unamortized leasehold improvements paid for by Tenant, the interruption of Tenant's business, Tenant's moving expenses, or Tenant's trade fixtures and equipment, provided such claim does not reduce Landlord's award.

ARTICLE 15
REQUIREMENTS OF LAW

15.01 Tenant at its expense shall comply with all applicable laws, orders and regulations of any governmental authority having or asserting jurisdiction over the Premises, including, without limitation, compliance in the Premises with all City, State and Federal laws, rules and regulations on the disabled or handicapped, on fire safety and on hazardous materials (collectively, "Applicable Laws") which shall impose any violation, order or duty upon Landlord or Tenant with respect to the Premises (other than any vertical elements of Building Systems located within the Premises), the making of any Alterations therein, or the use or occupancy thereof; provided, however, that Tenant shall not be obligated to make structural repairs or Alterations in or to the Premises in order to comply with Applicable Laws unless the need for same arises out of any of the causes set forth in clauses (i) through (iii) of the next succeeding sentence. Further, Tenant shall also be responsible for the cost of compliance with all Applicable Laws in respect of the Building arising from (i) Tenant's particular manner of use of the Premises (other than arising out of the mere use of the Premises as executive and general offices), (ii) subject to Article 11, any cause or condition (including, but not limited to, an Alteration made by or on behalf of Tenant) created by or at the instance of Tenant, or (iii) the breach of any of Tenant's obligations hereunder beyond any applicable cure or grace periods, whether or not such compliance requires work which is structural or non-structural, ordinary or extraordinary, foreseen or unforeseen. Tenant shall pay all the costs, expenses, fines, penalties and damages which may be imposed upon Landlord by reason of or arising out of Tenant's failure to fully and promptly comply with and observe the provisions of this Section 15.01. Tenant, at its expense, after notice to Landlord, may contest, by appropriate proceedings prosecuted diligently and in good faith, the validity, or applicability to the Premises, of any Applicable Laws, provided that (a) Landlord shall not be subject to criminal penalty or to prosecution for a crime, or any other fine or charge, nor shall the Premises or any part thereof or the Building or Land, or any part thereof, be subject to being condemned or vacated, nor shall the Building or Land, or any part thereof, be subjected to any lien (unless Tenant shall remove such lien by bonding or otherwise) or encumbrance, in each case, by reason of non-compliance or otherwise by reason of such contest; (b) Tenant shall indemnify Landlord against the cost of such contest and against all liability for damages, interest, penalties and the reasonable and actual out-of-pocket expenses (including reasonable attorneys' fees and expenses), resulting from or incurred in connection with such contest or non-compliance; (c) unless Tenant then has a net worth, exclusive of goodwill and determined in accordance with GAAP, of not less than twenty (20) times the aggregate amount of Fixed Annual Rent then payable under this Lease (and provides Landlord reasonable evidence thereof), Tenant shall have provided Landlord with such security as Landlord shall reasonably require to ensure the diligent and good faith prosecution of such proceedings and to cover any costs or liabilities Landlord may incur in connection therewith; (d) such noncompliance or contest shall not prevent Landlord from obtaining any and all permits and licenses in connection with the operation of the Building; and (e) Tenant shall keep Landlord advised as to the status of such proceedings. Without limiting the application of the foregoing, Landlord shall be deemed to be subject to prosecution for a crime if Landlord, or its managing agent, or any officer, director, partner, shareholder or employee of Landlord or its managing agent, as an individual, is charged with a crime of any kind or degree whatever, whether by service of a summons or otherwise, unless such charge is withdrawn or dismissed before Landlord or its managing agent, or such officer, director, partner, shareholder or employee of Landlord or its managing agent (as the case may be) is required to plead or answer thereto.

15.02 Tenant shall require every person engaged by Tenant to clean any window in the Premises from the outside, to use the equipment and safety devices required by Section 202 of the Labor Law and the rules of any governmental authority having or asserting jurisdiction.

15.03 Tenant at its expense shall comply with all requirements of the New York Board of Fire Underwriters, or any other similar body affecting the Premises, and shall not use the Premises in a manner which shall increase the rate of fire insurance of Landlord or of any other tenant, over that in effect prior to this Lease (it being agreed that Tenant's use of the Premises for the Primary Uses shall not be deemed a manner of use which increases such rates as aforesaid). If Tenant's use of the Premises (other than for the Primary Use) increases the fire insurance rate, Tenant shall reimburse Landlord for all such increased costs. That the Premises are being used for the Ancillary Uses shall not relieve Tenant from the foregoing duties, obligations and expenses.

15.04 Landlord, at Landlord's sole cost and expense (but subject to reimbursement, if any, in accordance with Article 49), shall comply with all Applicable Laws applicable to the Premises and the Building, including, without limitation, the removal of Building violations that would delay Tenant from obtaining a building permit or a final sign-off on its Alterations or would otherwise adversely affect the use of the Premises for any of the uses permitted hereunder, other than those laws which Tenant shall be required to comply with pursuant to the terms of this Lease, including, without limitation, Section 15.01, or other occupants of the Building shall otherwise be required to comply with, subject, however, to Landlord's right to contest diligently and in good faith the applicability or legality thereof. If and to the extent compliance with any Applicable Laws is required by any other tenant or occupant of the Building pursuant to any lease or occupancy agreement and failure of such other tenant or occupant to so comply would have a material adverse effect on Tenant's ability to use the Premises for the Permitted Uses or to perform Alterations in the Premises, then Landlord shall use commercially reasonable efforts to enforce the terms of such other lease or occupancy agreement to cause such tenant or occupant to comply with such lease or occupancy agreement. If Landlord's failure to remove any Building violation (including any violation with respect to the Premises which Tenant is not required to remedy under this Lease), after written notice from Tenant thereof, results in an actual delay in Tenant's ability to obtain a building permit or a final sign-off on its Alterations and, as a direct result thereof, Tenant is delayed in occupying the Premises (or a portion thereof) for the conduct of its business, Tenant shall be entitled to an abatement of Fixed Annual Rent and any payment due under Articles 32 and 49 in proportion to the portion of the Premises actually affected thereby, which abatement shall commence on the date Tenant would have been permitted to occupy the Premises (or applicable portion thereof) for the conduct of its business if such Building violation had been removed by Landlord as required under this Article 15 and continue through the date which is the earlier to occur of the date (a) such Building violation is actually removed, (b) Tenant is able to obtain such building permit or final sign-off, or (c) Tenant occupies the Premises (or the applicable portion thereof) for the conduct of its business.

ARTICLE 16
CERTIFICATE OF OCCUPANCY

16.01 Subject to Section 8.04, Tenant will at no time use or occupy the Premises in violation of the certificate of occupancy issued for the Building. The statement in this Lease of the nature of the business to be conducted by Tenant shall not be deemed to constitute a representation or guaranty by Landlord or Tenant that such use is lawful or permissible in the Premises under the certificate of occupancy for the Building.

ARTICLE 17
POSSESSION

17.01 Tenant has inspected the Premises and the Building and is fully familiar with the physical condition thereof and Tenant agrees to accept the Premises on the Commencement Date in their then "as is" condition. Subject to the provisions of Article 22, Landlord shall not be required to perform any work to make the Premises suitable for Tenant's occupancy thereof or Tenant's or such Tenant Affiliate's continued occupancy thereof, it being agreed however, that the foregoing shall not be deemed to relieve Landlord of any continuing obligations with respect to the Premises expressly set forth in this Lease. The provisions of this Article 17 are intended to constitute an "express provision to the contrary" within the meaning of Section 223(a) of the New York Real Property Law.

ARTICLE 18
QUIET ENJOYMENT

18.01 Landlord covenants that so long as this Lease is in full force and effect, Tenant may peaceably and quietly enjoy the Premises, subject to the terms, covenants and conditions of this Lease.

ARTICLE 19
RIGHT OF ENTRY

19.01 Tenant shall permit Landlord to erect, construct and maintain pipes, conduits and shafts in and through the Premises; provided, that in the case of any such installation by Landlord: (i) Landlord shall minimize any impact on Tenant's use and occupancy of the Premises and Tenant's business conducted therein, and (ii) any such pipes, conduits or shafts shall either be concealed behind, beneath or within then-existing partitioning, columns, ceilings or floors located or to be located in the Premises, or shall require a de minimis amount of space and be completely furred at points immediately adjacent to then-existing partitioning columns or ceilings located or to be located in the Premises. Landlord or its agents shall have the right, upon reasonable prior notice (which may be oral) to enter or pass through the Premises at all reasonable times, by master key and, in the event of an emergency, by reasonable force or otherwise and without notice to examine the same, and to make such repairs, alterations or additions as it may deem reasonably necessary or reasonably desirable to the Building (or any portion thereof), and to take all material into and upon the Premises that may be required therefor provided that Landlord shall use commercially reasonable efforts to minimize any impact on Tenant's use and occupancy of the Premises and Tenant's business conducted therein during such access (it being agreed, however, that Landlord shall not be required to use overtime or other premium rate labor unless Tenant shall have agreed to pay the costs to perform such work on an overtime or premium-pay basis). Such entry and work shall not constitute an eviction of Tenant in whole or in part, shall not be grounds for any abatement of Rent, and shall impose no liability on Landlord by reason of inconvenience or injury to Tenant's business provided that Landlord complies with the obligations set forth herein with respect to such entry. Provided that Tenant's rights pursuant to this Lease are not diminished (other than to a de minimis extent), Landlord shall have the right at any time, without the same constituting an actual or constructive eviction, and without incurring any liability to Tenant, to change the arrangement and/or location of entrances or passageways, windows, corridors, elevators, stairs, toilets (provided the number of toilets to which Tenant has access to is not decreased unless required by Applicable Laws), or other public parts of the Building so long as Tenant's access to or the rentable square footage of the Premises is not diminished (except to a de minimis extent), and to change the designation of rooms and suites (it being agreed that the foregoing shall not be deemed to permit Landlord to relocate the Premises or any portion thereof) and the name or number by which the Building is known. Notwithstanding the foregoing to the contrary, Landlord shall not (i) designate any elevator in the Building for the exclusive use of any other tenant of the Building unless the aggregate capacity of the remaining elevators utilized by Tenant after such designation (as such elevators may have been reprogrammed and/or upgraded) shall not be diminished from the aggregate capacity of all elevators utilized by Tenant immediately preceding such exclusive designation (as determined by an elevator consultant reasonably selected by Landlord), and (ii) permanently remove any elevator from service for any reason (other than to dedicate such elevator to another tenant of the Building in accordance with the terms hereof) unless such removal is required by any Applicable Law or for any other commercially reasonable reason (other than to dedicate such elevator to another tenant of the Building) provided that doing so would not result in the elevator service to the Premises being of an aggregate capacity that is not comparable to elevator service provided in Comparable Buildings. Any dispute with respect to the immediately preceding sentence shall be resolved by expedited arbitration pursuant to Article 51.

ARTICLE 20
INDEMNITY

20.01 Tenant shall indemnify to the fullest extent permitted by law and hold harmless Landlord, all Lessors and all Mortgagees and each of their respective partners, directors, officers, shareholders, principals, agents and employees (each, a "Landlord Indemnified Party"), from and against any and all claims made by third parties against such Landlord Indemnified Party to the extent arising from or to the extent in connection with (i) any negligence or willful misconduct of Tenant or any person claiming through or under Tenant or any of their respective partners, directors, officers, agents, employees or contractors, or (ii) any accident, injury or damage occurring in, at or upon the Premises during the Term, or (iii) any accident, injury or damage occurring in the common or public areas resulting from the activities of Tenant or any of Tenant's agents, employees and/or contractors within such common or public areas; in each case together with all reasonable costs, expenses and liabilities incurred in connection with each such claim or action or proceeding brought thereon, including, without limitation, all reasonable attorneys' fees and disbursements; provided, that the foregoing indemnity shall not apply to the extent such claim, action or proceeding results from the negligence or willful misconduct of any Landlord Indemnified Party.

20.02 Landlord shall indemnify to the fullest extent permitted by law and hold harmless Tenant, its partners, directors, officers, members, shareholders, principals, agents and employees (each, a "Tenant Indemnified Party") from and against any and all claims made by third parties against such Tenant Indemnified Party to the extent arising from or to the extent in connection with (i) any negligence or willful misconduct of Landlord or any person claiming through or under Landlord or any of their respective partners, directors, officers, agents, employees or contractors, (ii) any accident, injury or damage occurring in, at or upon the common or public areas of the Building, except if Tenant, a Tenant Indemnified Party or their agents, contractors, or employees are utilizing such common or public areas of the Building, whether or not pursuant to the terms of this Lease, or (iii) any accident, injury or damage occurring in the Premises resulting solely as a result of Landlord's access to the Premises pursuant to Article 19; in each case together with all reasonable costs, expenses and liabilities incurred in connection with each such claim or action or proceeding brought thereon, including, without limitation, all reasonable attorneys' fees and disbursements; provided, that the foregoing indemnity shall not apply to the extent such claim, action or proceeding results from the negligence or willful misconduct of any Tenant Indemnified Party.

20.03 Notwithstanding anything to the contrary contained in this Lease, in case any claim, action or proceeding is brought against an indemnified party (whether under this Article 20 or any other indemnity provided for in this Lease), the indemnified party shall give the indemnifying party prompt written notice thereof and the indemnifying party shall resist and defend such action or proceeding on behalf of the indemnified party by counsel for the indemnifying party's insurer (if such claim is covered by insurance) or otherwise by other counsel reasonably satisfactory to the indemnified party, provided, however, that the indemnified party shall not be liable for any settlement agreed to by the indemnifying party, unless such settlement is approved in writing by the indemnified party, such approval not to be unreasonably withheld, conditioned or delayed.

20.04 Anything to the contrary contained in this Lease notwithstanding, in no event shall Landlord or Tenant be liable to the other for consequential and/or punitive damages under this Lease except as and to the extent expressly provided in Article 12.

20.05 Landlord's and Tenant's obligations under this Article 20 shall survive the expiration or earlier termination of this Lease.

ARTICLE 21
LANDLORD'S AND TENANT'S LIABILITY

21.01 Unless otherwise expressly set forth in this Lease to the contrary, if, by reason of (a) strike, (b) labor troubles, (c) governmental pre-emption in connection with a national emergency, (d) any rule, order or regulation of any governmental agency, (e) conditions of supply or demand, (f) Tenant Delay, (g) acts of God, public enemy or terrorist action, civil commotion, or fire or other casualty, or (h) any cause beyond Landlord's reasonable control (the foregoing circumstances described in this Section 21.01 being herein called "Unavoidable Delays"), Landlord shall be unable to fulfill, or is delayed in fulfilling, any of its obligations under this Lease or shall be unable to supply any service which Landlord is obligated to supply, this Lease and Tenant's obligations hereunder, including, without limitation, the payment of Rent hereunder, shall in no wise be affected, impaired or excused nor shall Landlord have any liability whatever to Tenant, nor shall the same be deemed constructive eviction (it being agreed that the inability to pay shall be a cause within Landlord's control).

21.02 Subject to Section 30.06, Landlord shall have the right, without incurring any liability to Tenant, to stop any service because of accident or emergency, or for repairs, alterations or improvements, necessary or desirable in the reasonable judgment of Landlord, until such repairs, alterations or improvements shall have been completed. In connection with any such repairs, alterations or improvements, Landlord agrees to use its commercially reasonable efforts to minimize interference with Tenant's use and occupancy of the Premises and Tenant's business conducted therein; provided that Landlord shall not be required to perform any such work on an overtime or premium-pay basis unless Tenant shall have agreed to pay the costs to perform such work on an overtime or premium-pay basis. In connection with any of the foregoing, Landlord shall not be liable to Tenant or anyone else, for any loss or damage to person, property or business; nor shall Landlord be liable for any latent defect in the Premises or the Building unless, in any such case, Landlord fails to comply with the obligations set forth herein with respect to such repairs, alterations or improvements or unless such loss or damage is the result of Landlord's negligence or willful misconduct. Neither the partners, entities or individuals comprising Landlord, nor the agents, directors, or officers or employees of any of the foregoing shall be liable for the performance of Landlord's obligations hereunder or for the satisfaction of any right or remedy of Tenant for the collection of a judgment (or other judicial process) requiring the payment of money by Landlord. Tenant agrees to look solely to Landlord's estate and interest in the Land and the Building, or the lease of the Building or of the Land and the Building, and the Premises, for the satisfaction of any right or remedy of Tenant for the collection of a judgment (or other judicial process) requiring the payment of money by Landlord, and in the event of any liability by Landlord, no other property or assets of Landlord or of any of the aforementioned parties shall be subject to levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies under or with respect to this Lease, the relationship of Landlord and Tenant hereunder, or Tenant's use and occupancy of the Premises or any other liability of Landlord to Tenant. Landlord's estate and interest in the Land and the Building, or the lease of the Building or of the Land and the Building, and the Premises shall be deemed to include rental and proceeds from sales or insurance received by Landlord.

21.03 Neither the partners, entities or individuals comprising Tenant, nor the agents, directors, or officers or employees of Tenant shall be liable for the performance of Tenant's obligations hereunder**.**

ARTICLE 22
CONDITION OF PREMISES

22.01 The parties acknowledge that Tenant has inspected the Premises and the Building and is fully familiar with the physical condition thereof and Tenant agrees to accept the Premises on the Commencement Date in their "as is" condition on such date. Tenant acknowledges and agrees that Landlord shall have no obligation to do any work in or to the Premises in order to make it suitable and ready for occupancy and use by Tenant or to make it suitable for the continued occupancy by Tenant.

ARTICLE 23
CLEANING

23.01 Tenant shall cause the Premises to be kept clean in accordance with the practices and with the cleaning contractor selected by Tenant to clean the Coach Unit.

ARTICLE 24
JURY WAIVER

24.01 Landlord and Tenant hereby waive trial by jury in any action, proceeding or counterclaim involving any matter whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Premises or involving the right to any statutory relief or remedy. Tenant will not interpose any counterclaim of any nature in any summary proceeding (unless failure to impose such counterclaim would preclude Tenant from asserting in a separate action the claim which is the subject of such counterclaim).

ARTICLE 25
NO WAIVER, ETC.

25.01 No act or omission of Landlord or its agents shall constitute an actual or constructive eviction, unless Landlord shall have first received written notice of Tenant's claim and shall have had a reasonable opportunity to meet such claim. Unless otherwise expressly set forth in this Lease to the contrary, in the event that any payment herein provided for by Tenant to Landlord shall become overdue for a period in excess of ten (10) days, then Tenant shall pay to Landlord, as Additional Rent, from the date it was due until payment is made, interest on the overdue amount at the Interest Rate. No act or omission of Landlord or its agents shall constitute an acceptance of a surrender of the Premises, except a writing signed by Landlord. The delivery or acceptance of keys to Landlord or its agents shall not constitute a termination of this Lease or a surrender of the Premises. Acceptance by Landlord of less than the Rent herein provided shall at Landlord's option be deemed on account of the earliest Rent remaining unpaid. No endorsement on any check, or letter accompanying Rent, shall be deemed an accord and satisfaction, and such check may be cashed without prejudice to Landlord.

25.02 No waiver of any provision of this Lease by either party shall be effective, unless such waiver be in writing signed by the party to be charged. In no event shall Tenant be entitled to make, nor shall Tenant make any claim, and Tenant hereby waives any claim for money damages (nor shall Tenant claim any money damages by way of set-off, counterclaim or defense) based upon any claim or assertion by Tenant that Landlord had unreasonably withheld, delayed or conditioned its consent or approval to any request by Tenant made under a provision of this Lease except if it is finally determined by a court of competent jurisdiction that Landlord acted in bad faith in connection with such consent or approval request. Subject to the immediately preceding sentence with respect to Tenant's ability to seek money damages from a court of competent jurisdiction if Landlord acted in bad faith, any dispute as to the reasonableness of any denial or withholding of Landlord's consent or approval to any request by Tenant made under a provision of this Lease shall be resolved by expedited arbitration pursuant to Article 51 and, upon final determination in accordance therewith that Landlord has unreasonably denied or withheld its consent or approval to a request by Tenant, Landlord's consent with respect thereto shall be deemed to have been given.

25.03 Tenant shall comply with the rules and regulations annexed hereto as Exhibit C, and any reasonable modifications thereof or additions thereto of which Landlord has given Tenant reasonable prior notice (the "Rules and Regulations"). Any dispute as to the reasonableness of any such modifications or additions to the Rules and Regulations shall be resolved by expedited arbitration pursuant to Article 51. Landlord shall not be liable to Tenant for the violation of such Rules and Regulations by any other tenant; provided, however, Landlord shall enforce the Rules and Regulations against all tenants in the Building in a non-discriminatory manner (subject to the terms of any other tenant's lease). Failure of Landlord or Tenant to enforce any provision of this Lease, or any Rule or Regulation, shall not be construed as the waiver of any subsequent violation of a provision of this Lease, or any Rule or Regulation. This Lease shall not be affected by nor shall Landlord in any way be liable for the closing, darkening or bricking up of windows in the Premises, for any reason, including as the result of construction on any property of which the Premises are not a part or by Landlord's own acts; provided, however, Landlord shall not voluntarily (i.e., if not required by Applicable Laws or in connection with any required repairs or replacements to the Building) permanently close, darken or brick up the windows of the Premises and Landlord shall use commercially reasonable efforts to minimize any temporary closing, darkening or bricking up of the windows (provided that Landlord shall not be required to perform any such work on an overtime or premium-pay basis unless Tenant shall have agreed to pay the costs to perform such work on an overtime or premium-pay basis). Unless required by Applicable Laws, Landlord shall not permit advertising by any third-party that is not a tenant or occupant of the Building on any scaffolding erected by Landlord on the outside of the Building.

ARTICLE 26
ADDITIONAL REMEDIES UPON TENANT DEFAULT

26.01 If this Lease is terminated because of Tenant's default hereunder beyond any applicable cure, grace or notice periods, then, in addition to Landlord's rights of re-entry, restoration, preparation for and re-rental, and anything elsewhere in this Lease to the contrary notwithstanding, Landlord shall retain its right to judgment on and collection of Tenant's obligation to make a single payment to Landlord of a sum equal to an amount by which the Rent for the period which otherwise would have constituted the unexpired portion of the Term exceeds the then fair and reasonable rental value of the Premises for the same period, both discounted to present worth (assuming a discount at a rate per annum equal to the interest rate then applicable to United States Treasury Bonds having a term which most closely approximates the period commencing on the date that this Lease is so terminated, and ending on the Expiration Date) less the aggregate amount of any monthly amounts theretofore collected by Landlord pursuant to the provisions of Section 6.01 for the same period; if, before presentation of proof of such liquidated damages to any court, commission or tribunal, the Premises, or any part thereof, shall have been relet by Landlord for the period which otherwise would have constituted the unexpired portion of the Term, or any part thereof, the amount of rent reserved upon such reletting shall be deemed, prima facie, to be the fair and reasonable rental value for the part or the whole of the Premises so relet during the term of the reletting. In no event shall Tenant be entitled to a credit or repayment for re-rental income which exceeds the sums payable by Tenant hereunder or which covers a period after the original Term.

ARTICLE 27

27.01 Except as otherwise expressly provided in this Lease, any bills, statements, consents, notices, demands, requests or other communications (each, a "Notice") given or required to be given under this Lease shall be in writing and shall be deemed sufficiently given or rendered if delivered by hand, by registered or certified mail (return receipt requested) or if sent by a nationally recognized overnight courier for next business-day delivery, in each case addressed as follows:

Tenant shall pay the amount of Landlord's cost for all domestic water used by Tenant based upon readings of the submeters installed by Landlord. Such water charges shall be deemed Additional Rent hereunder, and shall be due and payable within thirty (30) days following Tenant's receipt of Landlord's invoice(s) therefor accompanied by reasonable back-up documentation.

ARTICLE 30
HEAT, ELEVATOR, ETC.

30.01 [Heating, ventilation and air-conditioning to the Premises will be provided by connection to the equipment servicing the Coach Unit. Tenant shall arrange for such heating, ventilation and air-conditioning service to the Premises with the owner of the Coach Unit. Landlord shall provide access to the Building risers and shafts for the connection of such equipment to the Premises.][7]

30.02 Landlord shall provide elevator service serving the floors on which the Premises are located in accordance with the terms hereof. Landlord shall provide a minimum of two (2) passenger elevators from the lobby of the Building to each floor of the Premises twenty four (24) hours per day, seven (7) days per week, subject to all other applicable provisions of this Lease, and subject to Unavoidable Delays and takedowns for maintenance (subject to Section 30.06).

30.03 No bulky materials including, but not limited to, furniture, office equipment, packages, or merchandise ("Freight Items") shall be received in the Premises or Building by Tenant or removed from the Premises or Building by Tenant except on Business Days between the hours of 8:00 a.m. to 12:00 p.m. and 1:00 p.m. and 5:00 p.m., and by means of the one (1) freight elevator and the loading dock only, which Landlord will provide without charge on a first come, first served basis. If Tenant requires additional freight elevator or loading dock service at hours other than those set forth above, Landlord shall make available to Tenant, upon reasonable notice, overtime freight elevator and loading dock service at Tenant's sole cost (at Landlord's actual out-of-pocket costs for same (subject to any minimum hour union requirements). If Landlord's charge for providing overtime freight elevator and loading dock service is increased due to an increase in Landlord's actual out-of-pocket costs in providing same, promptly after written request by Tenant to Landlord (given no later than thirty (30) days after Tenant receives notice of an increase in such charge), Landlord shall provide reasonable evidence of any such increases in Landlord's actual out-of-pocket costs in providing overtime freight elevator and/or loading dock service, as applicable. If additional freight and loading dock service is requested for a weekend or for a period of time that does not immediately precede or follow the working hours of the personnel providing such overtime freight service, the minimum charge prescribed by Landlord shall be for four (4) hours. Subject to the provisions of Section 43.06, any damage done to the Building or Premises by Tenant, its employees, agents, servants, representatives and/or contractors in the course of moving any Freight Items shall be paid by Tenant within thirty (30) days after written demand by Landlord (which shall include reasonably detailed invoices for such work).

---

[7] Landlord and Tenant agree that if the 23rd floor of the Building shall be part of the Premises, then the provisions of Section 35.01 and Section 35.02 below shall apply with respect to the 23rd floor only and the provisions of this Section 30.01 shall not apply with respect to the 23rd floor.

30.04 Except in the case of an emergency or due to casualty or condemnation, Tenant shall have access to the Premises 24 hours per day, 7 days per week.

30.05 Landlord shall provide Tenant with reasonable shaft space in the Building sufficient to accommodate one (1) 4-inch conduit for the purpose of Tenant running data and telecommunications wiring between and within the Premises and, if Tenant is then utilizing the Rooftop Area, extending from the Premises to the roof of the Building. Upon Tenant's written request therefor and subject to Article 8, provided that the same is then available (as reasonably determined by Landlord), Landlord shall make available to Tenant additional shaft space in the Building, utilizing a different point of entry to the Building and a different path through the Building, sufficient to accommodate the installation, at Tenant's sole cost and expense, of one (1) additional 4-inch conduit for the purpose of Tenant running data and telecommunications wiring between and within the Premises and, if Tenant is then utilizing the Rooftop Area, extending from the Premises to the roof of the Building.

30.06 If any Substantial Portion of the Premises is rendered Untenantable for a period of five (5) consecutive Business Days (or a total of ten (10) Business Days within any twelve (12) month period) after Tenant shall have notified Landlord of such Untenantability, by reason of any stoppage or interruption of any Essential Service required to be provided by Landlord under this Lease, but excluding by reason of a casualty, then for the period commencing on the day Tenant notifies Landlord that such Substantial Portion of the Premises became so Untenantable until such Substantial Portion of the Premises is no longer Untenantable, Fixed Annual Rent and any payment due under Article 32 and Article 49 shall be proportionately abated with respect only to such Substantial Portion; provided, however, if any such stoppage or interruption of an Essential Service results by reason of Unavoidable Delay, the reference herein to five (5) consecutive Business Days shall be deemed to be eight (8) consecutive Business Days. "Untenantable" means that Tenant shall be unable to use or access the Premises or the applicable portion thereof for the conduct of Tenant's business in the manner in which such business is ordinarily conducted, and shall not be using the Premises or the applicable portion thereof other than to the limited extent of Tenant's security personnel for the preservation of Tenant's property, Tenant's insurance adjusters, and/or a minimal number of Tenant's employees for file retrieval, planning of temporary relocation and other disaster recovery functions. "Essential Service" shall mean (a) heating, ventilation and air-conditioning, (b) electrical service, (c) elevator service, (d) water and sewer, and (e) Supplemental Condenser Water (as hereinafter defined) or any other condenser water that Landlord is required to provide to Tenant hereunder. "Substantial Portion" shall mean any portion of the Premises consisting of five thousand (5,000) or more contiguous rentable square feet, or such reasonably smaller area if the Untenantability of such area has a materially adverse impact on Tenant's ability to conduct its ordinary course of business in the Premises.

30.07 Subject to casualty, condemnation, Unavoidable Delays and the other provisions of this Lease, Tenant shall have the non-exclusive right to use, in common with others, the public and common areas of the Building, to the extent required for access to the Premises or use of the Premises for the Permitted Uses, including, without limitation, the Building's lobby, exterior plaza areas, loading docks, elevators, entrances, and sidewalks to the extent any or all of the foregoing are designated by Landlord, as the case may be, for the common use of tenants and others, stairways (subject to Article 51), and restrooms (provided however that restrooms located on full floors demised under this Lease shall be part of the Premises). Landlord shall operate and maintain the public and common areas of the Building and all Building Systems serving such areas and the Premises, all in a manner consistent with the standards maintained in other Comparable Buildings of a similar quality.

30.08 Landlord will use commercially reasonable efforts to permit Tenant, at no out-of-pocket cost to Landlord, to utilize the same technology utilized by Landlord in any security system utilized by Landlord from time to time in the lobby of the Building so that Tenant may issue to its employees a single card that will permit access through the lobby and to the Premises; provided, however, that nothing contained herein shall be construed to permit Tenant to control or monitor or tie in to Landlord's system (except that Tenant, at Tenant's sole cost and expense, shall be permitted to interface with Landlord's system solely to the extent required to monitor the access of its own personnel through the lobby). Nothing contained herein shall prevent Landlord, without any liability to Tenant, from changing from time-to-time the technology utilized by Landlord in connection with the foregoing**.**

ARTICLE 32
TAX ESCALATION

32.01 Tenant covenants to pay, before any fine, penalty, interest or cost may be added thereto for the nonpayment thereof, as Additional Rent, all Real Estate Taxes accruing during the Term in respect of the Premises.

(a) For the purpose of this Lease, the following definitions shall apply:

(i) The term "Real Estate Taxes" shall mean the total of all taxes and special or other assessments levied, assessed or imposed at any time by any governmental authority upon or against the Premises, including, without limitation, any tax or assessment levied, assessed or imposed at any time by any governmental authority in connection with the receipt of income or rents from said Premises to the extent that same shall be in lieu of all or a portion of any of the aforesaid taxes or assessments, or additions or increases thereof, upon or against said Premises and any business improvement district assessment payable by or with respect to the Premises. Without duplication, the term "Real Estate Taxes" shall also include any payments in lieu of taxes agreement or Uniform Tax Exemption Policy ("PILOT Agreement") made to any governmental authority having jurisdiction over the Premises which are specifically applicable to the Premises pursuant to any PILOT Agreement entered into with such governmental authority. If, due to a future change in the method of taxation or in the taxing authority, or for any other reason, a franchise, income, transit, profit or other tax or governmental imposition, however designated, shall be levied against Landlord in substitution in whole or in part for the Real Estate Taxes, or in lieu of additions to or increases of said Real Estate Taxes, then such franchise, income, transit, profit or other tax or governmental imposition shall be deemed to be included within the definition of "Real Estate Taxes" for the purposes hereof.

(ii) The term "Tax Year" shall mean each period of twelve (12) months, commencing on the first day of July of each such period, in which occurs any part of the term of this Lease, or such other period of twelve (12) months occurring during the term of this Lease as hereafter may be duly adopted as the fiscal year for real estate tax purposes of the City of New York.

32.02 If, after Tenant shall have made a payment of Additional Rent under Section 32.01, Landlord shall receive a refund of any portion of the Real Estate Taxes payable for any Tax Year on which such payment of Additional Rent shall have been based, as a result of a reduction of such Real Estate Taxes by final determination of legal proceedings, settlement or otherwise, Landlord shall within thirty (30) days after receiving the refund pay to Tenant an equitable share (based on the Real Estate Taxes paid by Tenant with respect to which the refund was received) of the refund. Tenant shall have the right, at Tenant's sole cost and expense, to bring any application or proceeding seeking a reduction in Real Estate Taxes or assessed valuation. The provisions of this Section 32.02 shall survive the expiration or sooner termination of the Term of this Lease.

32.03 In no event shall the Fixed Annual Rent under this Lease be reduced by virtue of this Article 32.

32.04 Upon the date of any expiration or termination of this Lease (except termination because of Tenant's default), (i) if Tenant shall not already paid a proportionate share of said Additional Rent for the Tax Year during which such expiration or termination occurs, then the same shall immediately become due and payable by Tenant to Landlord and (ii) if Tenant shall have already paid said Additional Rent for Real Estate Taxes for a period extending beyond the date of such expiration or termination of this Lease, then Tenant shall be entitled to a proportionate refund thereof from Landlord within thirty (30) days of such expiration or termination. If Landlord is entitled to a payment of Additional Rent pursuant to clause (i) above, then the proportionate share shall be based upon the length of time that this Lease shall have been in existence during such Tax Year and if Tenant shall be entitled to a refund of Additional Rent pursuant to clause (ii) above, then the proportionate share shall be based upon the length of time that his Lease shall not be in existence during such Tax Year. Landlord shall promptly cause statements of said Additional Rent for that Tax Year to be prepared and furnished to Tenant. Landlord and Tenant shall thereupon make appropriate adjustments of amounts then owing. The provisions of this Section 32.04 shall survive the expiration or sooner termination of the Term of this Lease.

ARTICLE 33
RENT CONTROL

33.01 In the event the Fixed Annual Rent or Additional Rent or any part thereof provided to be paid by Tenant under the provisions of this Lease during the Term shall become uncollectible or shall be reduced or required to be reduced or refunded by virtue of any Federal, State, County or City law, order or regulation, or by any direction of a public officer or body pursuant to law, or the orders, rules, code or regulations of any organization or entity formed pursuant to law, whether such organization or entity be public or private (collectively, "Rent Law"), Tenant shall cooperate with Landlord at Landlord's sole cost and expense to permit Landlord to collect the maximum rents which may be legally permissible from time to time during the effective period of such Rent Law (but not in excess of the amounts reserved therefor under this Lease). If the effective period of such Rent Law terminates during the Term, Tenant shall pay to Landlord, to the extent permitted by the Rent Law, an amount equal to (i) the Fixed Annual Rent and Additional Rent which would have been paid pursuant to this Lease but for such Rent Law, less (ii) the Fixed Annual Rent and Additional Rent paid by Tenant to Landlord during the effective period of such Rent Law.

ARTICLE 34
SUPPLIES

34.01 Landlord shall have the right to exclude from the Building any one or more persons, firms, or corporations utilized by Tenant for purposes of furnishing laundry, linens, towels, drinking water, water coolers, ice and other similar supplies and services to the Premises if Landlord shall have had an unfavorable experience with such person, firm or corporation. Landlord may fix, in its reasonable discretion, from time to time, the hours during which and the regulations under which such supplies and services are to be furnished.

34.02 Landlord shall have the right to exclude from the Building any one or more persons, firms or corporations utilized by Tenant for purposes of selling, delivering or furnishing any food or beverages to the Premises or elsewhere in the Building if Landlord shall have had an unfavorable experience with such person, firm or corporation. It is understood, however, that Tenant or its regular office employees may personally bring food or beverages into the Building for consumption within the Premises by the said employees, but not for resale or for consumption by any other tenant. Landlord may fix in its reasonable discretion from time to time the hours during which, and the regulations under which, food and beverages may be brought into the Building by Tenant or its regular employees.

34.03 Notwithstanding the foregoing provisions of this Article 34, in no event shall Landlord have the right to exclude any of the service providers listed above in this Article 34 if Tenant (or its affiliate) who is the owner of the Coach Unit shall be permitted to use such service provider for the provisions of such services in the Coach Unit.

ARTICLE 35
AIR CONDITIONING

35.01 [Subject to the provisions of this Article 35 and all other applicable provisions of this Lease, Landlord shall supply air-conditioning service to the Premises through the Building's central air-conditioning facilities (the "Building HVAC System") during HVAC Periods (and during non-HVAC Periods if requested by Tenant in accordance with the terms hereof) pursuant to the specifications detailed on Exhibit F annexed hereto. Subject to Section 30.06, Landlord reserves the right to suspend operation of the Building HVAC System at any time that Landlord, in its reasonable judgment, deems it necessary to do so for reasons such as accidents, emergencies or any situation arising in the Premises or within the Building which has an adverse effect, either directly or indirectly, on the operation of the Building HVAC System, including without limitation, reasons relating to the making of repairs, alterations or improvements in the Premises or the Building, and Tenant agrees that any such suspension in the operation of the Building HVAC System may continue until such time as the reason causing such suspension has been remedied (provided that Landlord shall diligently repair and remedy such suspension) and that Landlord shall not be held responsible or be subject to any claim by Tenant due to such suspension. Subject to Section 30.06, Tenant further agrees that Landlord shall have no responsibility or liability to Tenant if operation of the Building HVAC System is prevented by strikes or accidents or any cause beyond Landlord's reasonable control, or by the orders or regulations of any federal, state, county or municipal authority or by failure of the equipment or electric current, steam and/or water or other required power source.

35.02 In the event that Tenant shall require air conditioning service other than during HVAC Periods, Landlord shall furnish such after hours service through the Building HVAC System provided that written notice is given to Landlord by Tenant at least five (5) hours prior to the time when such service is needed by Tenant. Tenant shall reimburse Landlord, as Additional Rent, within thirty (30) days after receipt of an invoice from Landlord evidencing the same, for the provision by Landlord of non-HVAC Period air-conditioning service at Landlord's then Actual AC Cost (which current cost is $_____ per hour) and which Actual AC Cost shall only be increased from time to time by Landlord's actual increased out-of-pocket costs in connection therewith). For purposes hereof, the term "Actual AC Cost" shall mean the actual out-of-pocket incremental extra costs to Landlord to provide non-HVAC Period air conditioning service without markup for profit or overhead. If Landlord's Actual AC Cost is increased, promptly after written request by Tenant to Landlord (given no later than thirty (30) days after Tenant receives notice of any such increase), Landlord shall provide reasonable evidence of any such increases in Landlord's Actual AC Costs. The provision to Tenant of non-HVAC Period air-conditioning service shall be subject to any minimum hour union requirements in effect from time to time, which minimum requirements call for a minimum block of four (4) hours, unless such non-HVAC Period air-conditioning service is required for a period starting immediately after an HVAC Period (*i.e.,* starting at 6:00 pm on a Business Day). If more than one tenant served by the same air conditioning zone as Tenant requests non-HVAC Period air conditioning service through such air conditioning zone during any non-HVAC Periods, the charge to Tenant shall be adjusted pro rata based on the period of time each tenant, including Tenant, shall utilize such air conditioning zone and on the rentable area of the Building leased by each such tenant, including Tenant, within such air conditioning zone.][8]

[8] As noted above in footnote 1, Section 35.01 and Section 35.02 shall only apply with respect to the 23rd floor.

35.03 (a) Subject to the provisions of this Section 35.03, Landlord shall make available to Tenant or reserve for Tenant's use up to 75 tons of condenser water ("Supplemental Condenser Water") in connection with the operation by Tenant of supplemental air-conditioning equipment and units in any portion of the Premises. Subject to Unavoidable Delays and any provision of this Lease relating to stoppage of services and Landlord's inability to perform, Landlord shall supply Supplemental Condenser Water to the Premises on a twenty-four (24) hour, 365 day basis. Tenant must provide its own independent circulating pump, properly sized and balanced for any supplemental air-conditioning units in the Premises. Tenant may elect to have Landlord supply or reserve such Supplemental Condenser Water by notice (a "Supplemental Condenser Water Notice") given to Landlord on or before the date which is the eighteen (18) month anniversary of the date hereof (the "CW Outside Date"), which notice shall set forth the tonnage of Supplemental Condenser Water requested by Tenant, not to exceed 75 tons. Tenant shall be deemed to have elected to have Landlord supply and reserve only such Supplemental Condenser Water being reserved for the Premises as of the date hereof if Tenant fails to give to Landlord a Supplemental Condenser Water Notice on or before the CW Outside Date. If Tenant gives a Supplemental Condenser Water Notice on or before the CW Outside Date requiring Landlord to supply and/or reserve less than the 75 tons detailed above, then in any such event Landlord shall have no obligation to reserve the unused or unreserved portion of such Supplemental Condenser Water for Tenant's future use; provided, that if Tenant thereafter requires such Supplemental Condenser Water, Landlord shall provide such Supplemental Condenser Water to Tenant to the extent such Supplemental Condenser Water is available after taking into account reasonably appropriate reserves to serve the current and anticipated future needs of Landlord and the other tenants of the Building as reasonably determined by Landlord.

(b) Commencing as of (i) the Commencement Date with respect to any connected load of condenser water then being utilized by Tenant in the Premises, and (ii) the date upon which Tenant gives to Landlord Tenant's Supplemental Condenser Water Notice with respect to any condenser water in excess of that described in clause (i), Tenant shall pay to Landlord an annual charge of $_____ per ton for all condenser water being used or reserved by Tenant (the "Annual Condenser Water Charge"), plus sales tax, if applicable, subject to increase as provided for herein. Except as otherwise provided for herein, all sums payable under this Article 35 shall be deemed to be Additional Rent and paid by Tenant within thirty (30) days after the issuance of a statement therefor. The Annual Condenser Water Charge shall be adjusted to reflect any actual out-of-pocket increases in Landlord's cost to provide condenser water. If the Annual Condenser Water Charge is increased due to an increase in Landlord's actual out-of-pocket costs in providing condenser water to Tenant hereunder, promptly after written request by Tenant to Landlord (given no later than thirty (30) days after Tenant receives notice of an increase in the Annual Condenser Water Charge), Landlord shall provide reasonable evidence of any such increases in Landlord's actual out-of-pocket costs in providing condenser water.

ARTICLE 36
SHORING

36.01 Tenant shall permit any person authorized to make an excavation on land adjacent to the Building to do any work within the Premises necessary to preserve the wall of the Building from injury or damage, and Tenant shall have no claim against Landlord for damages or abatement of rent by reason thereof.

ARTICLE 37
EFFECT OF CONVEYANCE, ETC.

37.01 If the Building shall be sold, transferred or leased, or the lease thereof transferred or sold, Landlord shall be relieved of all future obligations and liabilities hereunder and the purchaser, transferee or tenant of the Building shall be deemed to have assumed and agreed to perform all such obligations and liabilities of Landlord hereunder. In the event of such sale, transfer or lease, Landlord shall also be relieved of all existing obligations and liabilities hereunder, provided that the purchaser, transferee or tenant of the Building assumes in writing such obligations and liabilities and Tenant receives notice (from Landlord or otherwise) of such assumption.

ARTICLE 38
RIGHTS OF SUCCESSORS AND ASSIGNS

38.01 This Lease shall bind and inure to the benefit of the heirs, executors, administrators, successors, and, except as otherwise provided herein, the assigns of the parties hereto. If any provision of any Article of this Lease or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of that Article, or the application of such provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each provision of said Article and of this Lease shall be valid and be enforced to the fullest extent permitted by law.

ARTICLE 39
CAPTIONS

39.01 The captions herein are inserted only for convenience, and are in no way to be construed as a part of this Lease or as a limitation of the scope of any provision of this Lease.

ARTICLE 40
BROKERS

40.01 Tenant covenants, represents and warrants that Tenant has had no dealings or negotiations with any broker or agent in connection with the consummation of this Lease other than CBRE (the "Broker") and Tenant covenants and agrees to defend, hold harmless and indemnify Landlord from and against any and all cost, expense (including reasonable attorneys' fees) or liability for any compensation, commissions or charges claimed through Tenant by any broker or agent with respect to this Lease or the negotiation thereof (other than the Broker). Landlord covenants, represents and warrants that Landlord has had no dealings or negotiations with any broker or agent in connection with the consummation of this Lease other than the Broker and Landlord covenants and agrees to defend, hold harmless and indemnify Tenant from and against any and all cost, expense (including reasonable attorneys' fees) or liability for any compensation, commissions or charges claimed through Landlord by any broker or agent with respect to this Lease or the negotiation thereof (including the Broker). Landlord shall pay the Broker a commission pursuant to a separate agreement with said Broker.

ARTICLE 41
ELECTRICITY

41.01 Except as otherwise set forth herein to the contrary, Landlord and Tenant acknowledge and agree that electric service shall be supplied to the Premises on a direct metered basis in accordance with the provisions of this Article 41. Electricity and electric service, as used herein, shall mean any element affecting the generation, transmission, and/or distribution or redistribution of electricity, including but not limited to services which facilitate the distribution of service. Landlord shall make electricity available during the Term at the combined electrical closets servicing the Premises for all purposes with an average capacity of six (6) watts demand load per usable square foot of the Premises (exclusive of electricity required for the operation of the Building HVAC System serving the Premises), which shall be distributed by Tenant throughout the Premises at its sole cost and expense.

41.02 (a) Tenant shall pay, as and when due, directly to the utility company supplying electricity to the Premises or the applicable portion thereof the amounts due for electric current consumed by Tenant as indicated by meters measuring Tenant's consumption thereof.

(b) If electricity can no longer be provided to the Premises on a direct metered basis, Landlord shall provide redistributed electricity to the Premises (or the applicable portions thereof) on a submetered basis and, in such event, Tenant agrees that the charges for such redistributed electricity shall be computed in the manner hereinafter described, to wit, a sum equal to the product of (i) Landlord's actual out-of-pocket cost for such electricity ("Landlord's Cost").

41.03 Landlord shall not be liable to Tenant for any loss or damage or expense which Tenant may sustain or incur if either the quantity or character of electric service is changed or is no longer available or suitable for Tenant's requirements, except to the extent caused by the negligence or willful misconduct of Landlord. Tenant covenants and agrees that at all times its use of electric current shall never exceed the capacity of existing feeders to the Building or wiring installation subject to Landlord's obligation to provide the capacity set forth in Section 41.01. Any riser or risers to supply Tenant's electrical requirements, upon written request of Tenant, will be installed by Landlord, at the sole cost and expense of Tenant, if, in Landlord's reasonable judgment, the same are reasonably necessary and will not cause permanent damage or injury to the Building or the Premises or cause or create a dangerous or hazardous condition or entail excessive or unreasonable alterations, repairs or expense or interfere with or disturb other tenants or occupants. In addition to the installation of such riser or risers, Landlord will also at the sole cost and expense of Tenant, install all other equipment proper and necessary in connection therewith subject to the aforesaid terms and conditions.

ARTICLE 42
LEASE SUBMISSION

42.01 Landlord and Tenant agree that this Lease is submitted to Tenant on the understanding that it shall not be considered an offer and shall not bind Landlord or Tenant in any way unless and until (i) Tenant has duly executed and delivered duplicate originals thereof to Landlord and (ii) Landlord has executed and delivered one of said originals to Tenant.

ARTICLE 43
INSURANCE

43.01 Tenant shall not violate, or permit the violation of, any condition imposed by the standard property insurance policy then issued for office buildings in the Borough of Manhattan, City of New York, or cause or permit any action or condition that would invalidate or conflict with Landlord's insurance policies or any insurance policies maintained by the Condominium, and shall not do, or permit anything to be done, or keep or permit anything to be kept in the Premises which would subject Landlord to any liability or responsibility for personal injury or death or property damage, or which would increase the fire or other casualty insurance rate on the Building or the property therein over the rate which would otherwise then be in effect (unless Tenant pays the resulting premium as hereinafter provided for) or which would result in insurance companies of good standing refusing to insure the Building or any of such property in amounts reasonably satisfactory to Landlord; it being understood and agreed that the mere occupancy and operation of the Premises for the Primary Use (as opposed to the particular manner of use of the Premises) in accordance with the provisions of this Lease will not increase the fire or other casualty insurance rate on the Building or the property therein over the rate which would otherwise then be in effect.

43.02 Tenant covenants to include the Premises in all insurance coverages required to be provided by Tenant with respect to the balance of space occupied by Tenant within the Building (but in all events the types and at the levels at least equivalent to the types and levels required of tenants and occupants of the Building pursuant to the Declaration), at Tenant’s sole cost and expense.

43.03 All such policies shall be issued by companies of recognized responsibility permitted to do business within New York State and reasonably approved by Landlord and rated by Best’s Insurance Reports or any successor publication of comparable standing and carrying a rating of A- VIII or better or the then equivalent of such rating (it being agreed that Hospitals Insurance Co. shall be deemed an acceptable insurance company for purposes hereof), and all such policies shall contain a provision whereby the same cannot be canceled or modified unless Landlord and any additional insureds are given at least thirty (30) days prior written notice of such cancellation or modification, or with respect to non-payment of premiums, at least ten (10) days prior written notice of such cancellation or modification.

43.04 Prior to the time such insurance is first required to be carried by Tenant and thereafter, at least fifteen (15) days prior to the expiration of any such policies, Tenant shall deliver to Landlord either duplicate originals of the aforesaid policies or, with respect to liability coverage, a current version of the Acord 25 certificate and, with respect to property insurance, a 2003 Acord 28 certificate, each evidencing the insurance required hereunder (the 2006 Acord 28 and the 2006 Acord 25 both being unacceptable to Landlord), together with evidence of payment for the policy. If Tenant delivers certificates as aforesaid Tenant, upon reasonable prior notice from Landlord, shall make available to Landlord, at the Premises, duplicate originals of such policies from which Landlord may make copies thereof, at Landlord’s cost. Subject to Article 5, Tenant’s failure to provide and keep in force the aforementioned insurance shall be regarded as a material default hereunder, entitling Landlord to exercise any or all of the remedies as provided in this Lease in the event of Tenant’s default. In addition, in the event Tenant fails to provide and keep in force the insurance required by this Lease, at the times and for the durations specified in this Lease, Landlord shall have the right, but not the obligation, at any time and from time to time, and without notice, to procure such insurance and/or pay the premiums for such insurance in which event Tenant shall repay Landlord within five (5) days after demand by Landlord (accompanied by reasonable supporting documentation), as Additional Rent, all sums so paid by Landlord and any costs or expenses incurred by Landlord in connection therewith without prejudice to any other rights and remedies of Landlord under this Lease.

43.05 Landlord and Tenant shall each endeavor to secure an appropriate clause in, or an endorsement upon, each "all-risk" insurance policy obtained by it and covering property as stated in Section 43.02(b), pursuant to which the respective insurance companies waive subrogation against each other and any other parties, if agreed to in writing prior to any damage or destruction. The waiver of subrogation or permission for waiver of any claim hereinbefore referred to shall extend to the agents of each party and its employees and, in the case of Tenant, shall also extend to all other persons and entities occupying or using the Premises in accordance with the terms of this Lease. If and to the extent that such waiver or permission can be obtained only upon payment of an additional charge then, except as provided in the following paragraph, the party benefiting from the waiver or permission shall pay such charge upon demand, or shall be deemed to have agreed that the party obtaining the insurance coverage in question shall be free of any further obligations under the provisions hereof relating to such waiver or permission.

43.06 Subject to the foregoing provisions of this Article 43, and insofar as may be permitted by the terms of the insurance policies carried by it, each party hereby releases the other with respect to any claim (including a claim for negligence) which it might otherwise have against the other party for loss, damages or destruction with respect to its property by fire or other casualty (including rental value or business interruption, as the case may be) occurring during the Term of this Lease.

43.07 If, by reason of a failure of Tenant to comply with the provisions of this Lease, the rate of fire insurance with extended coverage on the Building or equipment or other property of Landlord shall be higher than it otherwise would be, Tenant shall reimburse Landlord, on demand, for that part of the premiums for fire insurance and extended coverage paid by Landlord because of such failure on the part of Tenant.

43.08 Landlord may, from time to time, require that the amount of the insurance to be provided and maintained by Tenant hereunder be increased so that the amount thereof adequately protects Landlord's interest, but in no event in excess of the amount that would be required of other tenants in Comparable Buildings.

43.09 A schedule or make up of rates for the Building or the Premises, as the case may be, issued by the New York Fire Insurance Rating Organization or other similar body making rates for fire insurance and extended coverage for the premises concerned, shall be conclusive evidence of the facts therein stated and of the several items and charges in the fire insurance rate with extended coverage then applicable to such premises.

43.10 Each policy evidencing the insurance to be carried by Tenant under this Lease shall contain a clause that such policy and the coverage evidenced thereby shall be primary with respect to any policies carried by Landlord, and that any coverage carried by Landlord shall be excess insurance.

43.11 Landlord shall maintain in respect of the Building, at all times during the Term, fire and casualty insurance covering the Building and Landlord's property in amounts of coverage required by any Mortgagee, or, if there is no Mortgagee, then in amounts comparable to the amounts carried by prudent landlords of Comparable Buildings.

ARTICLE 44
SIGNAGE

44.01 Tenant shall have the right, at its sole cost and expense, to install identification signage within the elevator vestibule and corridor of each full floor of the Premises. With respect to any multi-tenant floors on which the Premises are located, Tenant shall have the right, at Tenant's sole cost and expense, to install identification signage on the entry doors to such portion of the Premises and to include Tenant's name on any directory maintained by Landlord for such floor.

ARTICLE 45
RESERVED

ARTICLE 46
CONDOMINIUM STRUCTURE

46.01 It is expressly understood and agreed that the Premises are a portion of the Tower C Condominium (the "Condominium") which was established pursuant to that certain Declaration of Condominium, dated _____, and recorded _____, in the Office of the Register of the City of New York, County of New York (the "Register's Office"), as CRFN No. _____ (such declaration, together with the by-laws attached thereto, as such declaration and by-laws have been and may hereafter be amended from time to time, is called the "Declaration"). Tenant acknowledges that Tenant has received a copy of the Declaration and has had the opportunity to review same. Tenant shall be bound by all of the terms contained in the Declaration which pertain to an occupant of the Condominium. The board of managers of the Condominium (the "Board") shall have the power to enforce against Tenant (and each and every assignee or subtenant of Tenant) the terms of the Declaration if the actions of Tenant (or such assignee or subtenant) are in breach of the Declaration to the extent that the same would entitle the Board to enforce the terms of the Declaration against Landlord. Tenant owns fee title to "Office Unit 1" (as defined in the Condominium Documents) (herein, the "Coach Unit").

46.02 Landlord shall cause the Board to (i) furnish any service, (ii) make any repairs or restorations, (iii) comply with any laws or requirements of any governmental authorities, (iv) provide any insurance with respect to the Building or the improvements therein or (v) take any other action, in each case if and to the extent that the Board is obligated to furnish, make, comply with, provide or take the same under the Declaration. In all such instances, all references in this Lease to Landlord performing such obligation shall mean that Landlord shall cause the Board to perform such obligation. Performance by the Board under the Declaration shall be deemed and accepted by Tenant as performance by Landlord under this Lease. Landlord shall be liable to Tenant for any failure in performance resulting from the failure in performance by the Board.

ARTICLE 47
MISCELLANEOUS

47.01 This Lease represents the entire understanding between the parties with regard to the matters addressed herein and may only be modified by written agreement executed by all parties hereto. All prior understandings or representations between the parties hereto, oral or written, with regard to the matters addressed herein are hereby merged herein. Tenant acknowledges that except as expressly provided in this Lease neither Landlord nor any representative or agent of Landlord has made any representation or warranty, express or implied, as to the physical condition, state of repair, layout, footage or use of the Premises or any matter or thing affecting or relating to the Premises except as specifically set forth in this Lease. Tenant has not been induced by and has not relied upon any statement, representation or agreement, whether express or implied, not specifically set forth in this Lease. Landlord shall not be liable or bound in any manner by any oral or written statement, broker's "set-up", representation, agreement or information pertaining to the Premises, the Building or this Lease furnished by any real estate broker, agent, servant, employee or other person, unless specifically set forth herein, and no rights are or shall be acquired by Tenant by implication or otherwise unless expressly set forth herein. This Lease shall be construed without regard to any presumption or other rule requiring construction against the party causing this Lease to be drafted.

47.02 If Landlord or any affiliate of Landlord has elected to qualify as a real estate investment trust (a "REIT"), any service required or permitted to be performed by Landlord pursuant to this Lease, the charge or cost of which may be treated as impermissible tenant service income under the laws governing a REIT, may be performed by a taxable REIT subsidiary that is affiliated with either Landlord or Landlord's property manager, an independent contractor of Landlord or Landlord's property manager (the "Service Provider"). If Tenant is subject to a charge under this Lease for any such service, then, at Landlord's direction, Tenant will pay such charge either to Landlord for further payment to the Service Provider or directly to the Service Provider, and, in either case, (i) Landlord will credit such payment against any charge for such service made by Landlord to Tenant under this Lease, and (ii) such payment to the Service Provider will not relieve Landlord from any obligation under the Lease concerning the provisions of such service.

47.03 Tenant shall not permit the Premises, or any portion thereof, to be used or occupied by or for the benefit of any person or entity that the Office of Foreign Assets Control of the United States Department of the Treasury has listed on its list of Specially Designated Nationals and Blocked Persons (or is listed on any replacement or similar list in the future).

47.04 [As a material inducement to Landlord to enter into this Lease, Tenant shall deliver to Landlord simultaneously with the execution of this Lease a guaranty of Tenant's obligations under this Lease made by Coach, Inc., a Maryland corporation, in the form attached hereto as Exhibit D.][9]

[9] Guaranty to be provided by Coach, Inc. in the event this Lease is to be entered into by a tenant other than Coach, Inc. in accordance with the terms of the Option Agreement.

ARTICLE 48
RENEWAL OPTIONS

48.01 (a) For purposes hereof, the following terms shall have the following meanings:

"First Extension Option" shall mean Tenant's right to extend the Term of this Lease with respect to the Extension Premises for an additional term (the "First Extension Term") of ten (10) years commencing on the day immediately following the Expiration Date of the initial Term of this Lease (the "Commencement Date of the First Extension Term") and ending on the last day of the month in which occurs the ten (10) year anniversary of the Expiration Date of the initial term of this Lease.

"Second Extension Option" shall mean Tenant's right to extend the term of this Lease with respect to the Extension Premises for an additional term (the "Second Extension Term") of ten (10) years (but only if Tenant has exercised the First Extension Option) commencing on the day immediately following the Expiration Date of the First Extension Term (the "Commencement Date of the Second Extension Term") and ending on the last day of the month in which occurs the ten (10) year anniversary of the Expiration Date of the First Extension Term.

"Extension Term" shall mean the First Extension Term or the Second Extension Term, as the case may be.

"Extension Premises" shall mean either (i) the entire Premises demised by this Lease as of the day immediately preceding the Applicable Commencement Date or (ii) one (1) or more full floors of the Premises contiguous to the condominium unit owned by Tenant or Tenant's affiliate (and in the case of this clause "(ii)", may also include all (but not less than all) of the space then leased by Tenant on any floor of the Building on which Tenant does not then lease such full floor), in either case, as designated by Tenant in an Extension Notice. If Tenant gives an Extension Notice that does not specify the Extension Premises, Tenant will be deemed to have irrevocably elected to designate as the Extension Premises the entire Premises demised by this Lease as of the day immediately preceding the Applicable Commencement Date.

"Extension Notice" shall mean a written notice given by Tenant to Landlord electing to extend the Term of this Lease for the First Extension Term, the Second Extension Term, the Third Extension Term or the Fourth Extension Term, as the case may be.

"Applicable Commencement Date" shall mean the Commencement Date of the First Extension Term, the Commencement Date of the Second Extension Term, the Commencement Date of the Third Extension Term or the Commencement Date of the Fourth Extension Term, as applicable.

"Applicable Expiration Date" shall mean the Expiration Date of the initial term of this Lease, the Expiration Date of the First Extension Term, the Expiration Date of the Second Extension Term, the Expiration Date of the Third Extension Term or the Expiration Date of the Fourth Extension Term, as applicable.

(b) Subject to and in accordance with the provisions of this Article 48, Tenant shall have the right to exercise each applicable Extension Option provided that no monetary or material non-monetary default after notice and the expiration of any applicable cure period has occurred and is continuing at the time Tenant gives the Extension Notice, and this Lease is in full force and effect upon the date immediately preceding the Applicable Commencement Date. Subject to the provisions of this Article 48, the Extension Term shall commence on the Applicable Commencement Date and shall expire on the Applicable Expiration Date, unless the Extension Term shall sooner end pursuant to any of the terms, covenants or conditions of this Lease or pursuant to Applicable Law. Tenant may exercise the Extension Option by giving Landlord an Extension Notice no sooner than the date that is two (2) years prior to the Applicable Commencement Date and no later than the date that is eighteen (18) months prior to the Applicable Commencement Date, as to which date time is of the essence, and upon the giving of such notice, subject to the provisions of this Article 48, the Term shall be extended for the Extension Term with respect to the Extension Premises without execution or delivery of any other or further document, with the same force and effect as if the Extension Term had originally been included in the Term. All of the terms, covenants and conditions of this Lease shall continue in full force and effect during the Extension Term with respect to the Extension Premises, including items of Additional Rent and escalation which shall remain payable on the terms herein set forth (provided, however, that Tenant shall have no further right to extend the term of this Lease beyond the Second Extension Term for any reason, it being agreed, however, that if the Extension Premises shall be less than the entire Premises, then (i) Tenant shall be required to close any open floor slabs (if any) between portions of the Premises and remove any internal staircases within the Premises connecting multiple floors of the Premises (notwithstanding anything to the contrary contained in this Lease with respect to the closing of such floor slabs or the removal of internal staircases), and (ii) Tenant shall deliver the portions of the Premises not included in the Extension Premises to Landlord on or before the Applicable Expiration Date in the condition set forth in Article 12.

(c) Subject to Section 48.01(b), the Extension Term shall be upon all of the terms and conditions set forth in this Lease, except that:

(i) the Fixed Annual Rent shall be as determined pursuant to the provisions of Section 48.02,

(ii) Tenant shall accept the Extension Premises in its "as is" condition at the commencement of the Extension Term, and Landlord shall not be required to perform any work, to pay any work allowance or any other amount or to render any services to make the Extension Premises ready for Tenant's use and occupancy (other than Landlord's continuing obligations to perform maintenance and repairs and to provide services specifically set forth in this Lease) or to provide any abatement of Fixed Annual Rent or Additional Rent (other than any abatement rights specifically provided for in this Lease (e.g., abatement rights in the event of a casualty), in each case with respect to the Extension Term, and

(iii) Tenant shall have no option to extend or renew this Lease beyond the expiration of the Second Extension Term.

48.02 (a) The Fixed Annual Rent payable by Tenant for the Extension Premises during the Extension Term shall be an amount equal to ninety-five percent (95%) of the applicable Renewal FMRV (as hereinafter defined) in the case of the First Extension Term and the Second Extension Term. The Renewal FMRV shall be determined as follows:

(i) If Tenant exercises the Extension Option, twelve (12) months prior to the Applicable Commencement Date, Landlord and Tenant shall commence negotiations in good faith to attempt to agree upon the Renewal FMRV. If Landlord and Tenant cannot reach agreement by seven (7) months before the Applicable Commencement Date, Landlord and Tenant shall, no later than six (6) months before the Applicable Commencement Date, each select a reputable, qualified, independent, licensed real estate broker with at least twenty (20) years of experience in office leasing in midtown Manhattan, having an office in New York County and familiar with the rentals then being charged in midtown Manhattan (such brokers are referred to, respectively, as "Landlord's Broker" and "Tenant's Broker") who shall confer promptly after their selection by Landlord and Tenant and shall exercise good faith efforts to attempt to agree upon the Renewal FMRV. If Landlord's Broker and Tenant's Broker cannot reach agreement by four (4) months prior to the Applicable Commencement Date, then, within twenty (20) days thereafter, they shall designate a third reputable, qualified, independent, licensed real estate broker with at least twenty (20) years of experience in office leasing in midtown Manhattan, having an office in New York County and familiar with the rentals then being charged in the Building and in Comparable Buildings (the "Independent Broker"). Upon failure of Landlord's Broker and Tenant's Broker timely to agree upon the designation of the Independent Broker, then the Independent Broker shall be appointed in accordance with the rules of the AAA, or the successor thereto, within ten (10) days thereafter. Within ten (10) days after such appointment, Landlord's Broker and Tenant's Broker shall each submit a letter to the Independent Broker, with a copy to Landlord and Tenant, setting forth such broker's estimate of the Renewal FMRV and the rationale used in determining it (respectively, "Landlord's Broker's Letter" and "Tenant's Broker's Letter"). If the estimates set forth in Landlord's Broker's Letter and Tenant's Broker's Letter differ by three (3%) percent per annum or less, then the Renewal FMRV shall not be determined by the Independent Broker and the Renewal FMRV shall be the average of the estimates set forth in Landlord's Broker's Letter and Tenant's Broker's Letter.

(ii) If the estimates set forth in Landlord's Broker's Letter and Tenant's Broker's Letter differ by more than three (3%) percent per annum, then the Independent Broker shall consider such evidence as Landlord and/or Tenant may submit, conduct such investigations and hearings as he or she may deem appropriate and shall, within sixty (60) days after the date of his or her appointment, choose either the estimate set forth in Landlord's Broker's Letter or the estimate set forth in Tenant's Broker's Letter to be the Renewal FMRV and such choice shall be binding upon Landlord and Tenant. The fees and expenses of the Independent Broker shall be shared equally by Landlord and Tenant and Landlord and Tenant shall each pay the fees and expenses of its respective appraiser.

(b) If the Extension Term commences prior to a determination of the Fixed Annual Rent for such Extension Term as herein provided, then the amount to be paid by Tenant on account of Fixed Annual Rent until such determination has been made shall be the estimate set forth in Landlord's Broker's Letter. After the Fixed Annual Rent during the Extension Term has been determined as aforesaid, any amounts theretofore paid by Tenant to Landlord on account of Fixed Annual Rent in excess of the amount of Fixed Annual Rent as finally determined shall be credited by Landlord with interest at the Interest Rate (calculated from the date Tenant made such overpayment until such overpayment is credited and/or paid by Landlord) against the next ensuing monthly Fixed Annual Rent payable by Tenant to Landlord.

(c) Promptly after the Fixed Annual Rent has been determined, Landlord and Tenant shall execute and deliver an agreement setting forth the Fixed Annual Rent for the Extension Term, as finally determined, provided that the failure of the parties to do so shall not affect their respective rights and obligations hereunder.

(d) For purposes of this Article 48, the determination of "Renewal FMRV" shall mean the then fair market rent for the Extension Premises that an unaffiliated third party would be willing to pay to Landlord as of the Extension Term Notice Date for a term comparable to the Extension Term on all the terms and conditions which the Extension Premises will be leased to Tenant pursuant to this Article 48, each party acting prudently and under no compulsion to lease, and taking into account the terms set forth in Section 48.01 and all other then relevant factors, whether favorable to Landlord or Tenant. Landlord and Tenant agree that notwithstanding the foregoing, the particular value to Tenant of its own leasehold improvements shall not be taken into account as a relevant factor.

Notwithstanding anything to the contrary contained in this Article 48, if Tenant shall exercise Tenant's Extension Option, Landlord shall have the right, in its sole discretion, to waive the conditions to the effectiveness of Tenant's exercise of Tenant's Extension Option set forth in Section 48.01 without thereby waiving any default by Tenant, in which event, (i) the Term shall be extended without execution or delivery of any other or further document in accordance with the provisions of this Article 48 with the same force and effect as if the Extension Term had originally been included in the term of this Lease, and (ii) Landlord shall be entitled to all of the remedies provided by this Lease and at law with respect to any such default by Tenant.

ARTICLE 49
OPERATING EXPENSE ESCALATION

49.01 Tenant covenants to pay, directly to the Condominium Board (as such term is defined in the Declaration) before any fine, penalty, interest or cost may be added thereto for the nonpayment thereof, as Additional Rent, all Common Charges accruing during the Term in respect of the Premises.

49.02 Definitions: For the purpose of this Lease, the following definitions shall apply:

(i) The term "Common Charges" shall mean the Common Charges (as such term is defined in the Declaration) applicable to the Premises during the Term.

(ii) The term "Operating Year" shall mean each calendar year during the Term or any portion thereof.

49.03 If, after Tenant shall have made a payment of Additional Rent under Section 49.01, Landlord shall receive a refund of any portion of the Common Charges payable for any Operating Year on which such payment of Additional Rent shall have been based, as a result of a reduction of such Common Charges by final determination of legal proceedings, settlement or otherwise, Landlord shall within thirty (30) days after receiving the refund pay to Tenant an equitable share (based on the Common Charges paid by Tenant with respect to which the refund was received) of the refund. The provisions of this Section 49.03 shall survive the expiration or sooner termination of the Term of this Lease.

49.04 In no event shall the Fixed Annual Rent under this Lease be reduced by virtue of this Article 49.

49.05 Upon the date of any expiration or termination of this Lease (except termination because of Tenant's default), (i) if Tenant shall not already paid a proportionate share of said Additional Rent for the Operating Year during which such expiration or termination occurs, then the same shall immediately become due and payable by Tenant to Landlord and (ii) if Tenant shall have already paid said Additional Rent for Common Charges for a period extending beyond the date of such expiration or termination of this Lease, then Tenant shall be entitled to a proportionate refund thereof from Landlord within thirty (30) days of such expiration or termination. If Landlord is entitled to a payment of Additional Rent pursuant to clause (i) above, then the proportionate share shall be based upon the length of time that this Lease shall have been in existence during such Operating Year and if Tenant shall be entitled to a refund of Additional Rent pursuant to clause (ii) above, then the proportionate share shall be based upon the length of time that his Lease shall not be in existence during such Operating Year. Landlord shall promptly cause statements of said Additional Rent for that Operating Year to be prepared and furnished to Tenant. Landlord and Tenant shall thereupon make appropriate adjustments of amounts then owing. The provisions of this Section 49.05 shall survive the expiration or sooner termination of the Term of this Lease.

ARTICLE 50
TENANT'S SELF-HELP RIGHTS

50.01 Subject to the provisions of this Article 50, if Landlord fails to provide on a timely basis in accordance with the provisions of this Lease any item of maintenance, repair or service (including utilities) with respect to (i) items that are exclusively located within the Premises, and (ii) items which exclusively serve the Premises, in each case which do not affect the exterior of the Building or Building Systems (other than a horizontal extension of a base Building System located within and exclusively serving the Premises, such as a pipe running horizontally from a main plumbing line to a sink in a core bathroom), and in any such case such failure by Landlord is not the result of a Tenant Delay or an Unavoidable Delay, Tenant shall have the right (but not the obligation) to perform and fulfill Landlord's obligation with respect thereto. The extent of the work performed by Tenant in curing any such Landlord default shall not exceed the work that is reasonably necessary to effectuate such remedy and the cost of such work shall be reasonably prudent and economical under the circumstances. Notwithstanding anything to the contrary contained herein, Tenant shall not be entitled to cure any failure of Landlord if (A) such cure requires access to the premises of other tenants or occupants of the Building, or (B) the performance of such cure would impair or disrupt services to the tenants of the Building (in each case other than to a *de minimis* extent). The defaults of Landlord that Tenant is permitted to cure in accordance with the provisions of this Section 50.01 are hereinafter collectively referred to as "Self-Help Items".

50.02 (a) If Tenant believes that Landlord has failed to perform any Self-Help Item as required by this Lease, Tenant may give Landlord a notice (a "Self-Help Notice") of Tenant's intention to perform such Self-Help Item on Landlord's behalf, which notice shall contain a statement in bold type and capital letters at the top of such notice stating "**THIS IS A TIME SENSITIVE SELF HELP NOTICE AND LANDLORD SHALL BE DEEMED TO WAIVE ITS RIGHTS IF IT FAILS TO RESPOND IN THE TIME PERIOD PROVIDED**" as a condition to the effectiveness thereof. If Landlord fails within thirty (30) days after Tenant gives such Self-Help Notice (or within seven (7) Business Days after Tenant gives such Self-Help Notice in the event of an emergency that is causing a material disruption of Tenant's business) to either (i) commence (and thereafter continue to diligently perform) the cure of such Self-Help Item or (ii) give a notice to Tenant (a "Landlord's Self-Help Dispute Notice") disputing in good faith Tenant's right to perform the cure of such Self-Help Item pursuant to the terms of this Article 50, then Tenant shall have the right, but not the obligation, to commence and thereafter diligently prosecute the cure of such Self-Help Item in accordance with the provisions of this Article 50 at any time thereafter, but prior to the date on which Landlord either commences to cure such Self-Help Item or gives to Tenant a Landlord's Self-Help Dispute Notice. If either (A) within such thirty (30) day period (or seven (7) Business Day period, if applicable) or at any time thereafter prior to the date on which Tenant commences to cure such Self-Help Item, Landlord gives a Landlord's Self-Help Dispute Notice, or (B) Tenant disputes whether Landlord has commenced to cure or is diligently proceeding with the cure of such Self-Help Item, Tenant may commence an expedited arbitration proceeding pursuant to Article 51 (a "Self-Help Arbitration"). Such Self-Help Arbitration shall determine either (1) whether Landlord has failed to commence or has been and is then continuing to fail to diligently prosecute the Self-Help Item in question or (2) whether Tenant has the right pursuant to the terms of this Article 50 to cure such Self-Help Item. If Tenant shall prevail in such Self-Help Arbitration, Tenant may perform the cure of such Self-Help Item. Upon completion of the cure of such Self-Help Item, as provided herein, by Tenant, Tenant shall give notice thereof (the "Self-Help Item Completion Notice") to Landlord together with a copy of paid invoices setting forth the reasonable out-of-pocket costs and expenses incurred by Tenant to complete such Self-Help Item taking into account the circumstances of such Self-Help Item (the "Self-Help Amount"). Landlord shall reimburse Tenant in the amount of the Self-Help Amount within thirty (30) days after Tenant gives to Landlord the Self-Help Item Completion Notice, together with interest thereon at the Interest Rate from the date same were incurred through the date of reimbursement.

(b) If Landlord fails to reimburse Tenant for any Self-Help Amount which Landlord is required to pay hereunder in accordance with Section 50.02(a) then, provided Tenant is not in default under this Lease beyond any applicable cure or grace period, Tenant shall have the right to have such unpaid amount credited against the next installment(s) of Fixed Annual Rent thereafter becoming due under this Lease, provided Tenant first gives at least seven (7) Business Days' notice to Landlord in connection therewith, which notice shall state in bold type and capital letters at the top of such notice "**THIS IS A TIME SENSITIVE OFFSET NOTICE AND LANDLORD SHALL BE DEEMED TO ACCEPT SUCH OFFSET IF IT FAILS TO RESPOND IN THE TIME PERIOD PROVIDED**" as a condition to the effectiveness thereof. Within the seven (7) Business Day period described above, Landlord may dispute, in good faith, Tenant's right to such credit by providing written notice thereof to Tenant, in which case Tenant shall not be entitled to such offset pending the resolution of such dispute. If Landlord fails to dispute such credit within the seven (7) Business Day period described above and fails to pay such Self-Help Amount prior to the expiration of the seven (7) Business Day period, Tenant shall be entitled to take such credit against the next installment(s) of Fixed Annual Rent thereafter becoming due under this Lease. Any dispute arising under this Section 50.02(b) shall be resolved by expedited arbitration pursuant to Article 51.

50.03 Tenant shall diligently prosecute any Self-Help Item to completion in accordance with all Applicable Laws and provisions of this Lease (except for the requirements of this Lease that Tenant obtains Landlord's approval or consent to the work in question or the contractors or subcontractors that will perform such work). Anything to the contrary herein notwithstanding, Tenant shall reasonably coordinate the performance of Building System Self-Help Items with Landlord, pursuant to the Alteration Rules and Regulations and perform such work pursuant to Article 8 (other than the requirements therein requiring Tenant to obtain consent to the work in question or to the contractors or subcontractors that with perform such work).

ARTICLE 51
EXPEDITED ARBITRATION

51.01 In the event of any dispute under this Lease with respect to whether Landlord has unreasonably withheld, conditioned or delayed its consent in any instance when Landlord's consent was not to be unreasonably withheld or delayed (including, without limitation, with respect to any proposed assignment or subletting pursuant to Article 4 and/or to any Alterations pursuant to Article 8, or with respect to any other matter hereunder that may expressly be resolved by expedited arbitration pursuant to this Article 51), either party shall have the right to submit such dispute to arbitration in the City of New York under the expedited procedures of the Commercial Arbitration Rules of the American Arbitration Association (presently Rules E-1 through E-10); provided, however, that with respect to any such arbitration, (i) the list of arbitrators referred to in Rule E-4 shall be returned within five (5) days from the date of mailing; (ii) the parties shall notify the American Arbitration Association by telephone, within four (4) days of any objections to the arbitrator appointed and will have no right to object if the arbitrator so appointed was on the list submitted by the American Arbitration Association and was not objected to in accordance with Rule E-4; (iii) the Notice of Hearing referred to in Rule E-7 shall be four (4) days in advance of the hearing; (iv) the hearing shall be held within five (5) days after the appointment of the arbitrator; (v) the arbitrator shall have no right to award damages; and (vi) the decision and award of the arbitrator shall be final and conclusive on the parties. The time periods set forth in this Article 51 are of the essence. If any party fails to appear at a duly scheduled and noticed hearing for any reason other than an Unavoidable Delay, the arbitrator is hereby expressly authorized to enter judgment for the appearing party. The arbitrators conducting any arbitration shall be bound by the provisions of this Lease and shall not have the power to add to, subtract from, or otherwise modify such provisions. Landlord and Tenant agree to sign all reasonable documents and to do all other things reasonably necessary to submit any such matter to arbitration and further agree to, and hereby do, waive any and all rights they or either of them may at any time have to revoke their agreement hereunder to submit to arbitration and to abide by the decision rendered thereunder which shall be binding and conclusive on the parties and shall constitute an "award" by the arbitrator within the meaning of the American Arbitration Association rules and Applicable Laws. Judgment may be had on the decision and award of the arbitrators so rendered in any court of competent jurisdiction. Each arbitrator shall be a qualified, disinterested and impartial person who shall have had at least ten years' experience in New York City in a calling connected with the matter of the dispute. Landlord and Tenant shall each have the right to appear and be represented by counsel before said arbitrators and to submit such data and memoranda in support of their respective positions in the matter in dispute as may be reasonably necessary or appropriate under the circumstances. Each party hereunder shall pay its own costs, fees and expenses in connection with any arbitration or other action or proceeding brought under this Article 51, and the expenses and fees of the arbitrators selected shall be shared equally by Landlord and Tenant; provided, that, to the extent the arbitrator determines that a party significantly prevailed in a dispute, all of the actual reasonable out-of-pocket costs incurred by such party in connection with such arbitration shall be borne by the unsuccessful party; it being understood and agreed that the mere fact that the arbitrator may rule in the favor of a particular party shall not mean per se that such party prevailed "significantly" on the matter which is the subject of dispute. Notwithstanding any contrary provisions hereof, Landlord and Tenant agree that (i) the arbitrators may not award or recommend any damages to be paid by either party and (ii) in no event shall either party be liable for, nor shall either party be entitled to recover, any damages. Neither party shall have ex parte communications with any arbitrator selected under this Article 51 following his or her selection and pending completion of the arbitration hereunder.

ARTICLE 52
CONNECTION RIGHTS

52.01 Notwithstanding anything to the contrary contained in this Lease, Tenant shall have the right, from time to time, to use space in the Building's existing risers for the purposes of connecting Tenant's equipment located within the Premises to Tenant's equipment located in Tenant's or Tenant's affiliates condominium unit in the Building and to any other areas in or on the Building, including, without limitation, the roof thereof, where Tenant or its affiliates' equipment is permitted to be located as a result of such entity's ownership of the condominium unit within the Building.

ARTICLE 53
REIT/UBTI COMPLIANCE

53.01 It is the intention of Landlord and Tenant that Rent and all sums, charges, or amount of whatever nature under this Lease ("Lease Payments") payable to Landlord shall qualify as "rents from real property" under both the Internal Revenue Code § 512(b)(3) and § 856(d) and all related statutes, regulations, revenue rulings, interpretations, and other official pronouncements, all as in effect from time to time. If Landlord has been advised in writing (and a copy of such writing is sent to Tenant) by its tax advisors that a change or potential change in law, interpretation or position regarding the Lease Payments under Internal Revenue Code § 512(b)(3) and/or § 856(d) creates a significant risk that such Lease Payments no longer qualify as "rents from real property", then Landlord shall provide Tenant with notice of such change or potential change (together with a reasonable written explanation of such tax risk) and shall request reasonable adjustments to the calculation of the Lease Payments or to other related provisions of the Lease in order to mitigate such tax risk. Any such adjustment shall be subject to the Tenant's consent, provided that any such consent shall not be unreasonably withheld, conditioned or delayed and provided further, except as provided below, it shall be unreasonable for Tenant to withhold its consent if such adjustments, in the aggregate, produce Lease Payments that are economically equivalent to the Tenant both before and after the adjustments and do not otherwise adversely affect the rights of Tenant under the Lease. Tenant shall not be required to consent to such adjustments if such adjustments adversely affect the manner in which Tenant treats or accounts for the Lease Payments for accounting or financial reporting purposes or that compliance with such adjustments would subject Tenant to regulatory or governmentally imposed restrictions. Tenant shall execute such documents as Landlord reasonably requires to make such adjustments to the Lease Payments in conformity with this Section 8.29 provided such documents are reasonably satisfactory to Tenant. Landlord shall reimburse Tenant for any and all costs incurred by Tenant as a result of such adjustments including without limitation all reasonable legal and accounting fees, costs and expenses incurred by Tenant as a result of Landlord's request for such adjustment. If any service required or permitted to be performed by Landlord pursuant to this Lease results in "impermissible tenant service" income under Section 856 or unrelated business taxable income, then, in lieu of the Landlord, such service may be performed by a taxable REIT subsidiary that is affiliated with either Landlord or Landlord's property manager, an independent contractor of Landlord or Landlord's property manager (the "Service Provider"). If Tenant is subject to a charge under this Lease for any such service (or otherwise incurs costs in respect of such change in service), then, at Landlord's direction, Tenant will pay such charge either to Landlord for further payment to the Service Provider or directly to the Service Provider, and, in either case, (a) Landlord will credit such payment against Additional Charges due from Tenant under this Lease for such service, and (b) such payment to the Service Provider will not relieve Landlord from any obligation under this Lease concerning the provisions of such service.

IN WITNESS WHEREOF, the said Landlord, and Tenant have duly executed this Lease as of the day and year first above written.

EXHIBIT D

FORM OF GUARANTY

AGREEMENT AND GUARANTY

AGREEMENT AND GUARANTY (this "Guaranty") made as of [_____ __, 20__], by COACH, INC., a Maryland corporation, having an address at [_____ _____] ("Guarantor"), to [LEGACY YARDS TENANT LLC, a Delaware limited liability company] having an address at c/o The Related Companies, L.P., 60 Columbus Circle, New York, New York 10023 ("Landlord").

WITNESSETH:

WHEREAS:

A. Landlord has been requested by Coach Legacy Yards LLC, a Delaware limited liability company ("Tenant"), to enter into a Lease, dated as of the date hereof (the "Lease"), whereby Landlord would lease to Tenant, and Tenant would rent from Landlord, the [entire rentable area of the _____ (__th) floor], as more particularly described in the Lease (the "Premises"), in the building known as Tower C Condominium, located at _____ in New York, New York.

B. Guarantor owns, directly or indirectly, an interest in Tenant, and will derive substantial benefit from the execution and delivery of the Lease.

C. Guarantor acknowledges that Landlord would not enter into the Lease unless this Guaranty accompanied the execution and delivery of the Lease.

NOW, THEREFORE, in consideration of the execution and delivery of the Lease and of other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, Guarantor covenants and agrees as follows:

1. Definitions. Defined terms used in this Guaranty and not otherwise defined shall have the meanings assigned to them in the Lease.

2. Covenants of Guarantor.

(a) Guarantor absolutely, unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety: (i) the full and prompt payment of all Fixed Annual Rent and Additional Rent and all other sums and charges payable by Tenant under the Lease, and (ii) the full and timely performance of all covenants, terms, conditions, obligations and agreements to be performed by Tenant under the Lease (all of the obligations described in clauses (i) and (ii), collectively, the "Obligations"). If a default shall occur under the Lease and be continuing beyond any applicable notice, grace or cure periods thereunder (subject, in the event of any disputes between Landlord and Tenant, to the resolution thereof pursuant to the terms of the Lease), Guarantor will, upon demand, promptly pay and perform all of the Obligations, and pay to Landlord when due all Fixed Annual Rent and Additional Rent payable by Tenant under the Lease, together with all damages, costs and expenses to which Landlord is entitled pursuant to the Lease.

(b) Guarantor agrees with Landlord that (i) any action, suit or proceeding of any kind or nature whatsoever (an "Action") commenced by Landlord against Guarantor to collect Fixed Annual Rent and Additional Rent and any other sums and charges due under the Lease for any month or months shall not prejudice in any way Landlord's rights to collect any such amounts due for any subsequent month or months in any subsequent Action, (ii) Landlord may, at its option, without prior notice, upon demand (other than any notice or demand required by Applicable Laws), join Guarantor in any Action against Tenant in connection with or based upon the Lease or any of the Obligations, (iii) Landlord may seek and obtain recovery against Guarantor in an Action against Tenant in which Guarantor is joined as a party or in any independent Action against Guarantor without Landlord first asserting, prosecuting, or exhausting any remedy or claim against Tenant or against any security of Tenant held by Landlord under the Lease, and (iv) Guarantor will be conclusively bound in any jurisdiction by a judgment in any Action by Landlord against Tenant, as if Guarantor were a party to such Action, even though Guarantor is not joined as a party in such Action.

3. Guarantor's Obligations Unconditional.

(a) This Guaranty is an absolute and unconditional guaranty of payment and of performance, and not of collection, and shall be enforceable against Guarantor without the necessity of the commencement by Landlord of any Action against Tenant, and without the necessity of any notice of nonpayment, nonperformance or nonobservance, or any notice of acceptance of this Guaranty, or of any other notice or demand to which Guarantor might otherwise be entitled, all of which Guarantor hereby expressly waives in advance, other than any notice or demand otherwise provided for under this Guaranty.

(b) If the Lease is renewed or the Term thereof extended for any time period beyond the Expiration Date, whether pursuant to an option granted under the Lease or otherwise, or if Tenant hold over beyond the Expiration Date, the obligations of Guarantor hereunder shall extend and apply to the full and faithful performance and observance of all of the Obligations under the Lease during any such renewal, extension or holdover period.

(c) This Guaranty is a continuing guarantee and will remain in full force and effect notwithstanding, and the liability of Guarantor hereunder shall be absolute and unconditional irrespective of: (i) any modifications or amendments of the Lease, (ii) any releases or discharges of Tenant other than the full release and complete discharge of all of the Obligations, (iii) any extension of time that may be granted by Landlord to Tenant, (iv) any assignment or transfer of all or any part of Tenant's interest under the Lease, (v) any subletting of the Premises, (vi) any changed or different use of the Premises, (vii) any other dealings or matters occurring between Landlord and Tenant, (viii) the taking by Landlord of any additional guarantees from other persons or entities, (ix) the releasing by Landlord of any other guarantor, (x) Landlord's release of any security provided under the Lease, or (xi) Landlord's failure to perfect any landlord's lien or other security interest available under Applicable Laws. Guarantor hereby consents, prospectively, to Landlord's taking or entering into any or all of the foregoing actions.

(d) This Guaranty shall be effective as of the Commencement Date and shall remain in full force and effect, irrespective of whether or not Tenant shall have entered into possession of the Premises and notwithstanding any delays or failure to occur of such entry into possession.

(e) Notwithstanding the provisions of this Section 3, if Tenant shall have assigned the Lease to a Person which is not an Affiliate of Tenant in accordance with the terms of the Lease, no modification of such Lease made subsequent to such assignment without the written consent of Guarantor shall operate to increase the Obligations of Guarantor under this Guaranty beyond the obligations set forth in the Lease as of the date of such assignment or to which Guarantor has consented in writing following the date of such assignment.

4. Waivers of Guarantor.

(a) Guarantor waives (i) notice of acceptance of this Guaranty, (ii) notice of any actions taken by Landlord or Tenant under the Lease or any other agreement or instrument relating thereto, (iii) notice of any and all defaults by Tenant in the payment of all Fixed Annual Rent and Additional Rent or other charges, or of any other defaults by Tenant under the Lease, (iv) all other notices, demands and protests, and all other formalities of every kind in connection with the enforcement of the Obligations, omission of or delay in which, but for the provisions of this Section 4, might constitute grounds for relieving Guarantor of its obligations hereunder, and (v) any requirement that Landlord protect, secure, perfect or insure any security interest or lien, or any property subject thereto, or exhaust any right or take any action against Tenant or any other Person or any collateral.

(b) Guarantor waives trial by jury of any and all issues arising in any Action upon, under or in connection with this Guaranty, the Lease, the Obligations, and any and all negotiations or agreements in connection therewith.

5. Subrogation. Guarantor waives and disclaims any claim or right against Tenant by way of subrogation or otherwise in respect of any payment that Guarantor may be required to make hereunder, to the extent that such claim or right would cause Guarantor to be a "creditor" of Tenant for purposes of the United States Bankruptcy Code (11 U.S.C. §101 *et seq.*, as amended), or any other Federal, state or other bankruptcy, insolvency, receivership or similar Applicable Laws. If any amount shall be paid to Guarantor on account of such subrogation rights at any time when all of the Obligations shall not have been paid and performed in full, Guarantor shall hold such amount in trust for Landlord and shall pay such amount to Landlord immediately following receipt by Guarantor, to be applied against the Obligations, whether matured or unmatured, in such order as Landlord may determine. Guarantor hereby subordinates any liability or indebtedness of Tenant now or hereafter held by Guarantor to the obligations of Tenant to Landlord under the Lease.

6. Representations and Warranties of Guarantor. Guarantor represents and warrants that:

(a) Guarantor is a corporation, duly organized, validly existing and in good standing under the laws of the State of Maryland, is duly qualified to do business in each jurisdiction where the conduct of its business requires such qualification, and has all requisite power and authority to enter into and perform its obligations under this Guaranty.

(b) The execution, delivery and performance by Guarantor of this Guaranty does not and will not (i) contravene Applicable Laws or any contractual restriction binding on or affecting Guarantor or any of its properties, or (ii) result in or require the creation of any lien, security interest or other charge or encumbrance upon or with respect to any of its properties.

(c) No authorization or approval or other action by, and no notice to or filing with, any governmental authority or other regulatory body is required for the due execution, delivery and performance by Guarantor of this Guaranty.

(d) This Guaranty is a legal, valid and binding obligation of Guarantor, enforceable against Guarantor in accordance with its terms.

(e) There is no action, suit or proceeding pending or threatened against or otherwise affecting Guarantor before any court or other governmental authority or any arbitrator which may adversely affect Guarantor's ability to perform its obligations under this Guaranty.

(f) Guarantor's primary place of business is as first set forth above.

(g) Guarantor owns, directly or indirectly, an ownership interest in Tenant.

(h) The Guarantor has reviewed and approved the Lease and each of the documents, agreements and instruments executed and delivered in connection with the Lease.

7. Notices. All consents, notices, demands, requests, approvals or other communications given under this Guaranty shall be given as provided in the Lease, as follows:

(a) if to Guarantor at Guarantor's address set forth on the first page of this Guaranty, Attention: Todd Kahn, with a copy to (i) to Guarantor at Guarantor's address set forth on the first page of this Guaranty, Attention: Mitchell Feinberg and (ii) Fried, Frank, Harris, Shriver & Jacobson LLP, One New York Plaza, New York, New York 10004, Attention: Jonathan L. Mechanic and Harry R. Silvera, Esqs.; and

(b) if to Landlord, at Landlord's address set forth on the first page of this Guaranty, Attention: Richard O'Toole, and with copies to (i) Oxford Properties Group, Royal Bank Plaza, North Tower, 200 Bay Street, Suite 900, Toronto, Ontario M5J 2J2 130, Attention: Chief Legal Officer; (ii) Michael, Levitt & Rubenstein, LLC, 60 Columbus Circle, 20th Floor, New York, New York 10023, Attention: Bernard J. Michael, Esq.; and (iii) Schulte Roth & Zabel LLP, 919 Third Avenue, New York, New York 10022, Attention: Stuart D. Freedman, Esq., or

to such other addresses as either Landlord or Guarantor may designate by notice given to the other in accordance with the provisions of this Section 7.

8. Consent to Jurisdiction; Waiver of Immunities.

(a) Guarantor hereby irrevocably (i) submits to the jurisdiction of any New York State or Federal court sitting in New York City in any Action arising out of or relating to this Guaranty, and (ii) agrees that all claims in respect of such Action may be heard and determined in such New York State or Federal court. Guarantor hereby irrevocably appoints _____, with an office on the date hereof at _____ _____, New York, New York (the "Process Agent"), as its agent to receive, on behalf of Guarantor, service of copies of the summons and complaint and any other process which may be served in any such Action. Such service may be made by mailing or delivering a copy of such process to Guarantor in care of the Process Agent at the Process Agent's address with a copy to Guarantor at its address specified in Section 7 hereof, and Guarantor hereby irrevocably authorizes and directs the Process Agent to accept such service on its behalf. As an alternative method of service, Guarantor also irrevocably consents to the service of any and all process in any such Action by the mailing of copies of such process to Guarantor at its address specified in Section 7 hereof. Guarantor agrees that a final judgment in any such Action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner permitted under Applicable Laws.

(b) Guarantor irrevocably waives, to the fullest extent permitted by Applicable Laws, and agrees not to assert, by way of motion, as a defense or otherwise (i) any objection which it may have or may hereafter have to the laying of the venue of any such Action brought in any of the courts described in Section 8(a), (ii) any claim that any such Action brought in any such court has been brought in an inconvenient forum, or (iii) any claim that Guarantor is not personally subject to the jurisdiction of any such courts. Guarantor agrees that final judgment in any such Action brought in any such court shall be conclusive and binding upon Guarantor and may be enforced by Landlord in the courts of any state, in any federal court, and in any other courts having jurisdiction over Guarantor or any of its property, and Guarantor agrees not to assert any defense, counterclaim or right of set-off in any Action brought by Landlord to enforce such judgment.

(c) Nothing in this Section 8 shall limit or affect Landlord's right to (i) serve legal process in any other manner permitted by Applicable Laws, or (ii) bring any Action against Guarantor or its property in the courts of any other jurisdictions.

(d) Guarantor hereby irrevocably waives, with respect to itself and its property, any diplomatic or sovereign immunity of any kind or nature, and any immunity from the jurisdiction of any court or from any legal process, to which Guarantor may be entitled, and agrees not to assert any claims of any such immunities in any Action brought by Landlord under or in connection with this Guaranty. Guarantor acknowledges that the making of such waivers, and Landlord's reliance on the enforceability thereof, is a material inducement to Landlord to enter into the Lease.

(e) Guarantor agrees to execute, deliver and file all such further instruments as may be necessary under the laws of the State of New York, in order to make effective (i) the appointment of the Process Agent, (ii) the consent by Guarantor to jurisdiction of the state courts of New York and the federal courts sitting in New York, and (iii) all of the other provisions of this Section 8.

9. Miscellaneous.

(a) The provisions, covenants and guaranties of this Guaranty shall be binding upon Guarantor and its heirs, successors and assigns, and shall inure to the benefit of Landlord and its successors and assigns, and shall not be deemed waived or modified unless such waiver or modification is specifically set forth in writing, executed by Landlord or its successors and assigns, and delivered to Guarantor.

This Guaranty shall be interpreted and enforced without the aid of any canon, custom or rule of law requiring or suggesting construction against the party drafting or causing the drafting of the provision in question.

(c) The provisions of this Guaranty shall be governed by and interpreted solely in accordance with the internal laws of the State of New York, without giving effect to the principles of conflicts of law.

Form of Guaranty

AGREEMENT AND GUARANTY

AGREEMENT AND GUARANTY (this "Guaranty") made as of [_____ __, 20__], by COACH, INC., a Maryland corporation, having an address at [_____ _____] ("Guarantor"), to [LEGACY YARDS TENANT LLC, a Delaware limited liability company] having an address at c/o The Related Companies, L.P., 60 Columbus Circle, New York, New York 10023 ("Landlord").

WITNESSETH:

WHEREAS:

A. Landlord has been requested by Coach Legacy Yards LLC, a Delaware limited liability company ("Tenant"), to enter into a Lease, dated as of the date hereof (the "Lease"), whereby Landlord would lease to Tenant, and Tenant would rent from Landlord, the [entire rentable area of the _____ (__th) floor], as more particularly described in the Lease (the "Premises"), in the building known as Tower C Condominium, located at _____ in New York, New York.

B. Guarantor owns, directly or indirectly, an interest in Tenant, and will derive substantial benefit from the execution and delivery of the Lease.

C. Guarantor acknowledges that Landlord would not enter into the Lease unless this Guaranty accompanied the execution and delivery of the Lease.

NOW, THEREFORE, in consideration of the execution and delivery of the Lease and of other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, Guarantor covenants and agrees as follows:

1. Definitions. Defined terms used in this Guaranty and not otherwise defined shall have the meanings assigned to them in the Lease.

2. Covenants of Guarantor.

(a) Guarantor absolutely, unconditionally and irrevocably guarantees, as a primary obligor and not merely as a surety: (i) the full and prompt payment of all Fixed Annual Rent and Additional Rent and all other sums and charges payable by Tenant under the Lease, and (ii) the full and timely performance of all covenants, terms, conditions, obligations and agreements to be performed by Tenant under the Lease (all of the obligations described in clauses (i) and (ii), collectively, the "Obligations"). If a default shall occur under the Lease and be continuing beyond any applicable notice, grace or cure periods thereunder (subject, in the event of any disputes between Landlord and Tenant, to the resolution thereof pursuant to the terms of the Lease), Guarantor will, upon demand, promptly pay and perform all of the Obligations, and pay to Landlord when due all Fixed Annual Rent and Additional Rent payable by Tenant under the Lease, together with all damages, costs and expenses to which Landlord is entitled pursuant to the Lease.

(b) Guarantor agrees with Landlord that (i) any action, suit or proceeding of any kind or nature whatsoever (an "Action") commenced by Landlord against Guarantor to collect Fixed Annual Rent and Additional Rent and any other sums and charges due under the Lease for any month or months shall not prejudice in any way Landlord's rights to collect any such amounts due for any subsequent month or months in any subsequent Action, (ii) Landlord may, at its option, without prior notice, upon demand (other than any notice or demand required by Applicable Laws), join Guarantor in any Action against Tenant in connection with or based upon the Lease or any of the Obligations, (iii) Landlord may seek and obtain recovery against Guarantor in an Action against Tenant in which Guarantor is joined as a party or in any independent Action against Guarantor without Landlord first asserting, prosecuting, or exhausting any remedy or claim against Tenant or against any security of Tenant held by Landlord under the Lease, and (iv) Guarantor will be conclusively bound in any jurisdiction by a judgment in any Action by Landlord against Tenant, as if Guarantor were a party to such Action, even though Guarantor is not joined as a party in such Action.

3. Guarantor's Obligations Unconditional.

(a) This Guaranty is an absolute and unconditional guaranty of payment and of performance, and not of collection, and shall be enforceable against Guarantor without the necessity of the commencement by Landlord of any Action against Tenant, and without the necessity of any notice of nonpayment, nonperformance or nonobservance, or any notice of acceptance of this Guaranty, or of any other notice or demand to which Guarantor might otherwise be entitled, all of which Guarantor hereby expressly waives in advance, other than any notice or demand otherwise provided for under this Guaranty.

(b) If the Lease is renewed or the Term thereof extended for any time period beyond the Expiration Date, whether pursuant to an option granted under the Lease or otherwise, or if Tenant hold over beyond the Expiration Date, the obligations of Guarantor hereunder shall extend and apply to the full and faithful performance and observance of all of the Obligations under the Lease during any such renewal, extension or holdover period.

(c) This Guaranty is a continuing guarantee and will remain in full force and effect notwithstanding, and the liability of Guarantor hereunder shall be absolute and unconditional irrespective of: (i) any modifications or amendments of the Lease, (ii) any releases or discharges of Tenant other than the full release and complete discharge of all of the Obligations, (iii) any extension of time that may be granted by Landlord to Tenant, (iv) any assignment or transfer of all or any part of Tenant's interest under the Lease, (v) any subletting of the Premises, (vi) any changed or different use of the Premises, (vii) any other dealings or matters occurring between Landlord and Tenant, (viii) the taking by Landlord of any additional guarantees from other persons or entities, (ix) the releasing by Landlord of any other guarantor, (x) Landlord's release of any security provided under the Lease, or (xi) Landlord's failure to perfect any landlord's lien or other security interest available under Applicable Laws. Guarantor hereby consents, prospectively, to Landlord's taking or entering into any or all of the foregoing actions.

(d) This Guaranty shall be effective as of the Commencement Date and shall remain in full force and effect, irrespective of whether or not Tenant shall have entered into possession of the Premises and notwithstanding any delays or failure to occur of such entry into possession.

(e) Notwithstanding the provisions of this Section 3, if Tenant shall have assigned the Lease to a Person which is not an Affiliate of Tenant in accordance with the terms of the Lease, no modification of such Lease made subsequent to such assignment without the written consent of Guarantor shall operate to increase the Obligations of Guarantor under this Guaranty beyond the obligations set forth in the Lease as of the date of such assignment or to which Guarantor has consented in writing following the date of such assignment.

4. Waivers of Guarantor.

(a) Guarantor waives (i) notice of acceptance of this Guaranty, (ii) notice of any actions taken by Landlord or Tenant under the Lease or any other agreement or instrument relating thereto, (iii) notice of any and all defaults by Tenant in the payment of all Fixed Annual Rent and Additional Rent or other charges, or of any other defaults by Tenant under the Lease, (iv) all other notices, demands and protests, and all other formalities of every kind in connection with the enforcement of the Obligations, omission of or delay in which, but for the provisions of this Section 4, might constitute grounds for relieving Guarantor of its obligations hereunder, and (v) any requirement that Landlord protect, secure, perfect or insure any security interest or lien, or any property subject thereto, or exhaust any right or take any action against Tenant or any other Person or any collateral.

(b) Guarantor waives trial by jury of any and all issues arising in any Action upon, under or in connection with this Guaranty, the Lease, the Obligations, and any and all negotiations or agreements in connection therewith.

5. Subrogation. Guarantor waives and disclaims any claim or right against Tenant by way of subrogation or otherwise in respect of any payment that Guarantor may be required to make hereunder, to the extent that such claim or right would cause Guarantor to be a "creditor" of Tenant for purposes of the United States Bankruptcy Code (11 U.S.C. §101 *et seq.*, as amended), or any other Federal, state or other bankruptcy, insolvency, receivership or similar Applicable Laws. If any amount shall be paid to Guarantor on account of such subrogation rights at any time when all of the Obligations shall not have been paid and performed in full, Guarantor shall hold such amount in trust for Landlord and shall pay such amount to Landlord immediately following receipt by Guarantor, to be applied against the Obligations, whether matured or unmatured, in such order as Landlord may determine. Guarantor hereby subordinates any liability or indebtedness of Tenant now or hereafter held by Guarantor to the obligations of Tenant to Landlord under the Lease.

6. Representations and Warranties of Guarantor. Guarantor represents and warrants that:

(a) Guarantor is a corporation, duly organized, validly existing and in good standing under the laws of the State of Maryland, is duly qualified to do business in each jurisdiction where the conduct of its business requires such qualification, and has all requisite power and authority to enter into and perform its obligations under this Guaranty.

(b) The execution, delivery and performance by Guarantor of this Guaranty does not and will not (i) contravene Applicable Laws or any contractual restriction binding on or affecting Guarantor or any of its properties, or (ii) result in or require the creation of any lien, security interest or other charge or encumbrance upon or with respect to any of its properties.

(c) No authorization or approval or other action by, and no notice to or filing with, any governmental authority or other regulatory body is required for the due execution, delivery and performance by Guarantor of this Guaranty.

(d) This Guaranty is a legal, valid and binding obligation of Guarantor, enforceable against Guarantor in accordance with its terms.

(e) There is no action, suit or proceeding pending or threatened against or otherwise affecting Guarantor before any court or other governmental authority or any arbitrator which may adversely affect Guarantor's ability to perform its obligations under this Guaranty.

(f) Guarantor's primary place of business is as first set forth above.

(g) Guarantor owns, directly or indirectly, an ownership interest in Tenant.

(h) The Guarantor has reviewed and approved the Lease and each of the documents, agreements and instruments executed and delivered in connection with the Lease.

7. Notices. All consents, notices, demands, requests, approvals or other communications given under this Guaranty shall be given as provided in the Lease, as follows:

(a) if to Guarantor at Guarantor's address set forth on the first page of this Guaranty, Attention: Todd Kahn, with a copy to (i) to Guarantor at Guarantor's address set forth on the first page of this Guaranty, Attention: Mitchell Feinberg and (ii) Fried, Frank, Harris, Shriver & Jacobson LLP, One New York Plaza, New York, New York 10004, Attention: Jonathan L. to such other addresses as either Landlord or Guarantor may designate by notice given to the other in accordance with the provisions of this Section 7.

8. Consent to Jurisdiction; Waiver of Immunities.

(a) Guarantor hereby irrevocably (i) submits to the jurisdiction of any New York State or Federal court sitting in New York City in any Action arising out of or relating to this Guaranty, and (ii) agrees that all claims in respect of such Action may be heard and determined in such New York State or Federal court. Guarantor hereby irrevocably appoints _____, with an office on the date hereof at _____ _____, New York, New York (the "Process Agent"), as its agent to receive, on behalf of Guarantor, service of copies of the summons and complaint and any other process which may be served in any such Action. Guarantor agrees that final judgment in any such Action brought in any such court shall be conclusive and binding upon Guarantor and may be enforced by Landlord in the courts of any state, in any federal court, and in any other courts having jurisdiction over Guarantor or any of its property, and Guarantor agrees not to assert any defense, counterclaim or right of set-off in any Action brought by Landlord to enforce such judgment.

(c) Nothing in this Section 8 shall limit or affect Landlord's right to (i) serve legal process in any other manner permitted by Applicable Laws, or (ii) bring any Action against Guarantor or its property in the courts of any other jurisdictions.

(d) Guarantor hereby irrevocably waives, with respect to itself and its property, any diplomatic or sovereign immunity of any kind or nature, and any immunity from the jurisdiction of any court or from any legal process, to which Guarantor may be entitled, and agrees not to assert any claims of any such immunities in any Action brought by Landlord under or in connection with this Guaranty. Guarantor acknowledges that the making of such waivers, and Landlord's reliance on the enforceability thereof, is a material inducement to Landlord to enter into the Lease.

(e) Guarantor agrees to execute, deliver and file all such further instruments as may be necessary under the laws of the State of New York, in order to make effective (i) the appointment of the Process Agent, (ii) the consent by Guarantor to jurisdiction of the state courts of New York and the federal courts sitting in New York, and (iii) all of the other provisions of this Section 8.

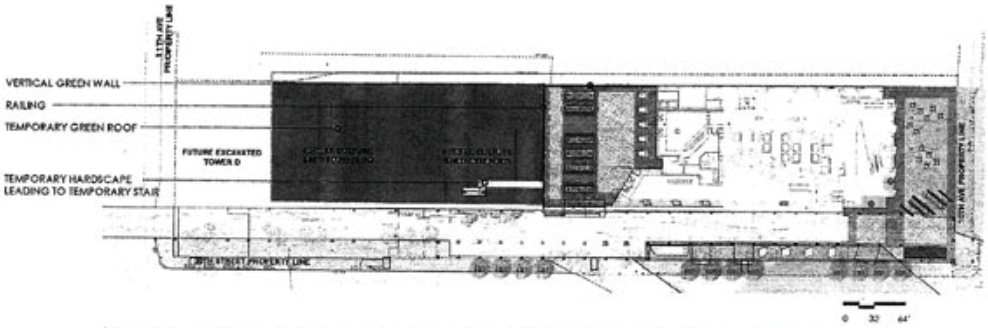
Temporary Landscape Plan



A temporary green roof installation is proposed at the site of the future Culture Shed (39,700 sf) as interim landscape feature between buildout of tower and Culture Shed. The use of a pre-grown modular system will provide full coverage of plants grown to maturity at installation as well as provide an opportunity to disassemble for potential re-use on or off-site. Plant palette may range from low growing sedums to taller perennials and ornamental grasses depending on the soil depth systems selected - ranges from 2 ½" to 8" of engineered lightweight soil.

Modules to be placed directly upon heavy duty (HDPE, Polypropylene, TPO, EPDM or recyclable PVC) slip sheet/root barrier of 40-60 mil.

Simple overhead irrigation system is recommended; requirements are dependent on plant selection.

(c) The Coach Member hereby approves Tutor Perini Building Corp., as the Construction Manager for the Project, and the Construction Management Agreement. Subject to the Coach Member's prior written approval of any substitute construction management or general contracting firm, which approval shall not be unreasonably withheld, conditioned or delayed, Developer shall have the right to retain a substitute construction management or general contracting firm as the Construction Manager. If any part of the costs of retaining any additional or substitute "hard" cost contractors or "soft" cost contractors or consultants in connection with the Developer Work is or will be included in the Coach Total Development Costs (as and to the extent provided in the Cost Allocation Methodology), the terms of any agreement with any such contractor or consultant shall not in any way prejudice the Coach Member in favor of the Fund Member or Developer or any other Person.

(e) The Coach Member agrees that if it does not respond or object to, or comment on, any request for approval of any substitute Project Architect or Executive Construction Manager or any new contract, or any amendment to any contract which the Coach Member has the right to approve (as and to the extent provided in the preceding subparagraphs of this Section 3.01), within fifteen (15) Business Days of receipt of any such written request for approval in the case of any substitute Project Architect or Executive Construction Manager or within ten (10) Business Days of receipt of any such written request for approval in the case of any new contract, or amendment to any contract (accompanied, in the case of each such request, with reasonably detailed supporting information regarding the terms of employ with such proposed Person to the extent relevant to such approval), and such request conspicuously indicated on the first page thereof in bold face print "**REQUEST FOR APPROVAL; FAILURE TO RESPOND WITHIN [15] [10] BUSINESS DAYS MAY RESULT IN DEEMED APPROVAL**", then the Coach Member will be deemed to have approved the substitute Project Architect or Executive Construction Manager or, the new contract or amendment, as applicable.

(f) The Coach Member's approval of the Project Architect, the Executive Construction Manager, the Construction Manager, the Existing Consultants/Contractors, or of any substitute or additional Project Architect, Executive Construction Manager, Construction Manager, consultant or contractor, shall not be deemed the acceptance by the Coach Member of any work performed or to be performed by any such Person.

In any event, Developer shall meet with the Coach Member, Coach's Architect and Coach's Consultants (i) not less often than monthly to evaluate the status and progress of the design, development or construction of the Base Building as a whole, as well as specific aspects of the development process, and (ii) not less often than monthly, to review changes to the Plans, including proposed Budget changes and the impact of any proposed Budget changes on the Coach Total Development Costs. Without limiting any of the foregoing and the Coach Member's right to attend (and invite Coach's Architect and Coach's Consultants to attend) all bank finance meetings (which are anticipated to occur once a month), Developer will not be obligated to include Coach in design meetings that do not involve or affect any Coach Total Development Costs, the Schedule, any Coach Areas, any Developer Work or any Coach Approval Areas. Developer will use Best Efforts to cause Developer's Consultants and the Executive Construction Manager to provide directly to the Coach Member, Coach's Architect and Coach's Consultants copies of all plans, specifications and other materials prepared by any such Persons for the Coach Member's review and approval (as and to the extent such materials relate to the Developer Work or the Coach Approval Areas or as otherwise provided herein).

(b) Coach will use its commercially reasonable efforts to cause Coach's Architect and Coach's Consultants to consult directly with Developer and the Project Architect and Developer's Consultants with respect to any Coach Finish Work impacting any areas of the Building other than the Coach Areas.

Section 3.04 The Coach Member's Approval Rights; Change Orders; Changes Required by Law. (a) The Coach Member shall have the right to approve or disapprove, in its sole discretion, any change or set of changes to the Plans, any change order or any Field Change (subject in each case to Section 3.05), any Shop Drawings, Product Data and Samples, or any new Plan which would (y) increase the Coach Total Development Costs or (z) affect or impact, other than to a de minimis extent, any of the following (hereinafter referred to as the "Coach Approval Areas"):

(i) the Developer Work;

(ii) the Schedule for Substantial Completion or for completing Punch List Work or for Final Completion;

(iii) the volume (including floor-to-ceiling heights), area, quality, lay-out, use, safety, functionality or efficiency of any of the Coach Areas, the Coach Expansion Premises or the areas in which are located or comprising the Coach Shared Building Systems and Areas (but, as to the Coach Shared Building Systems and Areas, only as they affect the Coach Areas or the Coach Expansion Premises); and the finishes in any of the foregoing, to the extent they are to be performed by Developer;

(iv) the location and size of any columns and floor penetrations in or through the Coach Areas or the Coach Expansion Premises;

(v) the location and size of, or the quality, lay-out, use, safety, functionality, efficiency or specifications for, any of the systems, utilities or fixtures forming a part of the Coach Exclusive Systems or the Coach Shared Building Systems and Areas (but, as to the Coach Shared Building Systems and Areas, only as they affect the Coach Areas or the Coach Expansion Premises);

(vi) the location and specifications of any elevator, escalator, stairway and stairwell serving the Coach Areas or the Coach Expansion Premises (including, without limitation, the Coach Elevators);

(vii) any acoustical ratings for the curtain wall or demising walls separating the Coach Areas or the Coach Expansion Premises from any other Unit or area of the Building, and any transmissions of sound/vibration from mechanical floors to the Coach Areas or the Coach Expansion Premises;

(viii) the access to or egress from the Coach Areas or the Coach Expansion Premises;

(ix) the access from the Coach Areas or the Coach Expansion Premises to the Parking Unit, or any material deviation from the location, size, area or floor-to-ceiling height of the Coach Reserved Parking Spaces as shown on the Plans;

(x) the portion of any roof or setback which is designated in the Plans to be used by the Coach Member or any owner or occupant of the Coach Expansion Premises, and access by the Coach Member to any satellite, antennae or camera hook-ups to be used by the Coach Member;

(xi) the massing and envelope of the Building, the façade of the Building (including any change to the exterior finishes and materials of the Building, and any lanterns or treatment on the top of the Building, it being acknowledged that the Forty-Seventh Floor Curtain Wall Adjustment shall be permitted), the entrances to the Building;

(xii) any plan for, and any change to any plan for, the Base Building Lighting;

(xiii) any plan for, and any material change to any plan for, landscaping or streetscaping work with respect to the Landscaping;

(xiv) signage (including, without limitation, any advertising signage) to be placed on any fence, enclosure or sidewalk bridge surrounding or erected on the Property during construction (other than signage identifying the Project as "Hudson Yards" or identifying Developer, the Fund Member or its Affiliates, the Construction Lender or the Construction Manager); provided, that with respect to any such signage solely identifying a tenant of the Building (as opposed to advertising signage), upon submission of a reasonably detailed proposal therefor to the Coach Member (which proposal shall include information regarding size, content, fabrication and duration of display of such signage), the Coach Member shall be reasonable in the granting of its approval or disapproval thereof, provided that the Coach Member and its Affiliates shall have the right to join in such signage in the most prominent position;

(xv) subject to all applicable Laws, the Core Wall Installation and the Signage Plan and Signage Guidelines (or any amendments or additions thereto or to any element thereof), signage at the Coach Lobby or any lobby shared by the Coach Member and any other Unit Owner prior to the recordation of the Condominium Declaration (it being acknowledged and agreed that the Condominium Declaration shall govern and control all signage with respect to the Building from and after the recordation thereof);

(xvi) the total Floor Area of the Building or the Floor Area ratio of the Office Units to the Retail Unit or any other Units in the Building, in each case to the extent the same would in any way affect the Building's qualification for any real estate tax abatements, including, without limitation, any tax abatement under UTEP; or

(xvii) without limiting clause (xvi) above, the Building's qualification for any real estate tax abatements, including, without limitation, the tax abatement under UTEP.

(b) Any dispute as to whether any matter is subject (or not) to the approval of the Coach Member as set forth in Section 3.04(a) shall be submitted to Arbitration to be resolved in accordance with the provisions of Article 14. If the Coach Member has the right of approval, the Coach Member's decision to approve or disapprove any matter described in Section 3.04(a) shall not be arbitrable, however.

(c) Developer will consult with the Coach Member in connection with changes to the Plans which affect or relate to any Base Building Work that does not otherwise constitute Developer Work; provided, that such consultation pursuant to this Section 3.04(c) shall not be construed as conferring on the Coach Member any additional approval rights beyond those rights otherwise conferred on the Coach Member under the other provisions of this Agreement.

(d) Intentionally omitted.

(e) In no event shall Developer utilize or claim any portion of the Coach Unit Loan to fund or pay for any change(s) requested by Developer on behalf of or for the primary benefit of any Member (other than the Coach Member).

(f) If a change in the Plans is required by Law or the MTA or Construction Lender and if such change would impact or affect any Coach Approval Areas or the Coach Total Development Costs, Developer shall advise and promptly consult with the Coach Member as to the particular requirement and the solution or solutions it is considering. Unless there is only one clear way to comply with such requirement, Developer shall obtain the Coach Member's prior written approval for the proposed change, which approval shall not be unreasonably withheld; provided, that to the extent economically feasible, Developer will use its Best Efforts to make any such change in the manner that has the least impact on the Plans for the Developer Work and any other Coach Approval Areas and that minimizes any increase in the Coach Total Development Costs (so long as such manner does not discriminate in its impact on the Plans against any other Unit or the cost of any other Unit). Subject to the Coach Costs Cap, the cost of implementing any change in the Plans that is required as a result of any change in Laws shall be borne by the Coach Member and the Fund Member in accordance with the Cost Allocation Methodology. The cost of implementing any change in the Plans that is required by the MTA or Construction Lender shall be borne by the Fund Member. For the avoidance of doubt, Developer shall not be obligated to make any change in the Plans requested by the Coach Member after the date hereof if, and to the extent, such change would violate the terms of the MTA Project Documents, the IDA Documents or the Loan Documents, as applicable, or which has been disapproved by the MTA, the IDA or the Construction Lender, if and to the extent the MTA, the IDA or Construction Lender has a discretionary right to approve such change under the MTA Project Documents, the IDA Documents or the Loan Documents, as applicable.

(g) The parties acknowledge that Developer's failure to seek, in accordance with, and to the extent required by, the provisions of this Agreement, the Coach Member's prior consent to any change in the Plans, new Plan, change order, Field Change or Shop Drawings, Product Data and Sample which is (or are) implemented during the course of construction and which impact or affect to more than to a de minimis extent any of the Coach Approval Areas may constitute a Developer Default subject to the provisions of Section 10.02.

Section 3.05 Field Changes. (a) The Coach Member will make a representative available to approve or disapprove Field Changes which are subject to the Coach Member's approval in accordance with the provisions of Section 3.04 within no more than three (3) Business Days following the receipt of such information and materials as shall be reasonably required to consider such proposed Field Change (including the estimated cost and Schedule impact (if any) of the proposed Field Change). If the Coach Member does not approve or disapprove a Field Change which is subject to the Coach Member's approval (in accordance with the provisions of Section 3.04) within such three (3) Business Day period, then the Coach Member will be deemed to have approved such Field Change.

(b) Notwithstanding the provisions of Section 3.04(a) or Section 3.05(a), if, with respect to a change order or a Field Change, (i) the total cost thereof shall not exceed $250,000.00, (ii) the total cost of all such change orders and Field Changes made pursuant to this Section 3.05(b) shall not exceed Two Million and No/100 Dollars ($2,000,000.00) in the aggregate and (iii) such change order or Field Change shall have no adverse effect on the Coach Areas or the Coach Member's use and occupancy of the Coach Areas, then Developer shall have the right to implement such change order or Field Change without prior approval from the Coach Member.

(c) Developer shall maintain a log of all Field Changes on site, shall keep such log current, and shall make such log available for inspection by the Coach Member (and Coach's Architect and Coach's Consultants) promptly upon request therefor.

***** Confidential Treatment Requested**

Section 3.06 Change Orders Initiated by the Coach Member; Payment for such Changes. The Coach Member may request changes in the design of the Developer Work (a "Coach Change Order") by submitting a completed "Owner Scope Change Request" Form in the form attached hereto as Exhibit Q (an "OSCR"). Developer shall, subject to the provisions of Section 3.07, cause the Project Architect, Executive Construction Manager and Developer's Consultants to make any change pursuant to a Coach Change Order (and the same shall not be subject to Developer's approval) if (a) such change will not require any adverse changes to any portion of the Building other than the Coach Areas, (b) such change will not increase the cost of operating any Unit other than the Coach Unit (other than to a de minimis extent), (c) such change will not cause any material delay in the Schedule or in the completion of any Major Milestone Event or Substantial Completion of the Developer Work or Base Building Work, (d) such change complies with Law, and (e) the Third Party Lender has approved such change to the extent such approval is required under the Loan Documents. The aggregate net Total Coach Change Cost of implementing all Coach Change Orders will be added to, or subtracted from, Coach Total Development Costs as further provided in Section 10.01 and, if so added to Coach Total Development Costs, shall be funded by the Coach Member or through the Coach Unit Loan as part of Coach Total Development Costs and the Coach Costs Cap shall be adjusted accordingly as provided in Section 10.07. In addition, and without limiting the provisions of Section 2.04, if (i) the Total Coach Change Cost for any single Coach Change Order equals or exceeds *** or (ii) the net Total Coach Change Cost for all Coach Change Orders equals or exceeds ***, then the Development Fee shall be increased by an amount equal to *** of the total net "hard" costs of such Coach Change Order(s).

Section 3.07 Pricing of Changes; Time for Approvals. (a) Where the Coach Member's approval to any change in the Plans (including to any change order or Field Change) is required or requested by Developer hereunder, Developer shall provide the Coach Member and Coach's Architect and Coach's Consultants with notice of such change and shall make all documents evidencing such change (including, without limitation, Shop Drawings, Product Data and Samples and similar documents) available for review by the Coach Member, Coach's Architect and Coach's Consultants at the Field Office, in each case in order to solicit the Coach Member's views and obtain the Coach Member's approval(s) thereto (subject, in the case of Field Changes, to the provisions of Section 3.05).

(b) With respect to any change to the Plans or any change order (other than Field Changes), or any change to any Shop Drawings, Product Data and Samples, or any new Plan requested by Developer which is subject to the Coach Member's approval, Developer shall furnish (or cause Executive Construction Manager to furnish) to the Coach Member, a reasonably detailed statement, including a completed OSCR (an "Approval Statement of Changes") (i) setting forth in reasonable detail Developer's reasonable estimate of (A) any anticipated change in the Coach Total Development Costs expected to result therefrom (which may be expressed as a reasonably anticipated range or maximum) and (B) any adjustments in the Schedule (including the Schedule for completing Punch List Work) resulting therefrom and (ii) unless the Coach Member agrees (in its sole discretion) to pay any increase in the Coach Total Development Costs resulting therefrom, establishing that any such change (including, without limitation, soft costs and any increases of any nature in the Coach Total Development Costs associated with implementing the requested change(s)) will be funded by Developer or the Fund Member (and not by the Coach Member or through the Coach Unit Loan) or out of a non-Coach contingency or other line item that does not affect any Coach Total Development Costs in accordance with the applicable provisions of the Loan Documents. Developer shall provide the Coach Member with back-up or cost analyses or estimates and any other supporting documentation for any Approval Statement of Changes, in each case reasonably promptly upon request.

(c) With respect to any Coach Change Order, within ten (10) Business Days of Developer's receipt of an OSCR with respect thereto, Developer shall furnish (or cause Executive Construction Manager to furnish) to the Coach Member, a reasonably detailed statement (an "OSCR Response Statement of Changes", and together with any Approval Statement of Changes, each a "Statement of Changes") setting forth in reasonable detail Developers' best reasonable estimate of (i) the net delay (the "Coach Change Delay"), if any, that such proposed change will cause to Schedule, including, without limitation, to the date of Substantial Completion, (ii) the cost that will be incurred, if any, solely as a result of any such net delay, which cost shall include, without limitation, any costs required to be paid by Developer under the Construction Management Agreement (collectively, but subject to the provisions of Section 3.07(h), the "Coach Change Delay Cost"), (iii) the amount, if any, by which such proposed change will increase or decrease the cost of constructing the Developer Work or Base Building Work (including, without limitation, any increase or decrease in the Coach Total Development Costs (which amount shall be expressly set forth therein) and any actual increase or decrease in financing charges or overhead, but excluding those items of overhead covered by, and payable out of, the Development Fee) (such amount, the "Net Increased Cost or Savings"), and (iv) the actual cost that shall be incurred by Developer, if any, in connection with the preparation of revised Plans as a result of such proposed change (such actual cost, the "Plan Revision Cost"). The sum of the actual Net Increased Cost or Savings, the actual Coach Change Delay Cost (subject to the provisions of Section 3.07(h)) and the actual Plan Revision Cost are referred to herein as the "Total Coach Change Cost". Developer's best reasonable estimate of the foregoing costs or savings may be expressed as a reasonably anticipated range or maximum (the high end of such range or such maximum being referred to as "Maximum Change Cost"). The Coach Member acknowledges that the Total Coach Change Cost and the Coach Change Delay Cost, calculated as set forth above, are good-faith estimates only and agrees that (A) to the extent the Maximum Change Cost for any change requested by the Coach Member is equal to or less than One Hundred Thousand and No/100 Dollars ($100,000.00), then, subject to Section 3.06, Developer will perform, or cause to be performed, such proposed change and the Coach Member shall be deemed to have agreed to pay, as a part of Coach Total Development Costs, the Total Coach Change Cost (subject to the Coach Member and Developer agreeing on the Total Coach Change Costs as set forth in Section 3.07(d) (which process for agreement shall not interrupt or delay Developer's construction of the Project in accordance with the change requested by the Coach Member or limit the Coach Member's rights hereunder, and in no event shall the Coach Member be responsible to pay, as part of the Coach Total Development Costs or otherwise, any portion of the Total Coach Change Cost that exceeds the Maximum Change Cost), and the Coach Member shall comply, to the extent compliance by the Coach Member (as opposed to compliance by Legacy Tenant, Legacy Mezzanine or Developer) is required, with the provisions of the Loan Documents applicable thereto (and shall reasonably cooperate in connection with compliance with any requirements under the Loan Documents applicable to Legacy Tenant, Legacy Mezzanine or Developer), and (B) to the extent the Maximum Change Cost for any change requested by the Coach Member is greater than One Hundred Thousand and No/100 Dollars ($100,000.00), Developer shall not undertake to perform any such change order work unless and until the Coach Member authorizes Developer in writing to proceed with such work and either the Coach Member agrees in writing to pay, as a part of Coach Total Development Costs, the Total Coach Change Cost, which may be on a time and materials basis as if Developer was performing such work for its own account (and in no event shall the Coach Member be responsible to pay, as part of the Coach Total Development Costs or otherwise, any portion of the Total Coach Change Cost that exceeds of the Maximum Change Cost), or the Coach Lender agrees in writing to advance such Total Coach Change Cost to Legacy Tenant or Legacy Mezzanine, as applicable (and in no event shall the Coach Lender be responsible to advance any portion of the Total Coach Change Cost that exceeds of the Maximum Change Cost), and the Coach Member shall comply, to the extent compliance by the Coach Member (as opposed to compliance by Legacy Tenant, Legacy Mezzanine or Developer) is required, with the provisions of the Loan Documents applicable thereto; provided, that notwithstanding any such agreement, the Coach Member and Developer shall attempt in good faith to agree on the Total Coach Change Costs as set forth in Section 3.07(d), which process for agreement shall not interrupt or delay Developer's construction of the Project in accordance with the change requested by the Coach Member or limit the Coach Member's rights hereunder. In the event that, solely as a result of a Coach Change Order (implemented by Developer), the Third Party Loan is no longer "in balance", the Coach Member shall make Completion Deposits as and to the extent required under the Loan Documents to the extent necessitated by reason of such change, and the amount of any such Completion Deposits made by the Coach Member shall be credited against the Coach Total Development Costs as and when applied. Notwithstanding anything to the contrary set forth above, if a Coach Change Order results in a Total Coach Change Cost that is a negative number (i.e., there is a net cost savings), then (x) with respect to Coach Change Orders that only relate to the Coach Unit (or to the Coach Unit and to one or more other Units to a de minimis extent), the Coach Member will receive the full benefit of any Project Cost savings resulting from such change, and (y) with respect to Coach Change Orders that relate to the Coach Unit and one or more other Units (other than to a de minimis extent), the Project Cost savings resulting from such change shall be applied to the Coach Unit and such other Unit(s) through the Cost Allocation Methodology.

(d) Subject to Section 3.07(c), Developer and the Coach Member (and their respective Consultants) shall consult and attempt, in good faith, to agree on the costs of implementing any change, the resulting adjustment (if any) in the Coach Total Development Costs, the Total Coach Change Cost, any adjustment in the Schedule, any Coach Change Delay, and on all other matters set forth in any Statement of Changes, in each case as soon as practicable and within no more than ten (10) Business Days after the Coach Member receives a Statement of Changes and all additional information it may reasonably request to evaluate such Statement of Changes. This provision shall apply whether the change is requested by Developer or by the Coach Member. Any such agreement (if and when reached) shall be memorialized in writing or in an amended and approved Budget or in an amended and approved Schedule or set of Plans, in each case initialed by the Developer and the Coach Member. Developer's approval or implementation of a change pursuant to a Coach Change Order, as aforesaid, shall be deemed a representation by Developer that it has obtained (or determined that it was not required to obtain) the prior consent of the Thirty Party Lender to such change. If Developer and the Coach Member are unable to agree on any Statement of Change, or on any component thereof, within ten (10) Business Days, then either party may submit such dispute to Arbitration pursuant to the provisions of Article 14. Notwithstanding the foregoing, the Coach Member's disapproval of any change for which its approval is required shall not be arbitrable.

(e) If the Coach Member does not respond or object to, or comment on, any Statement of Changes within ten (10) Business Days after receipt of the same and all additional information reasonably requested by the Coach Member to evaluate such Statement of Changes, then the Coach Member will be deemed to have disapproved such Statement of Changes and the implementation of the proposed changes described therein. If the Coach Member gives comments or objections within such ten (10) Business Day period (including any request for further information), Developer and the Coach Member will consult in an effort to resolve any issues. The ten (10) Business Day period provided in this Section 3.07(e) shall be extended if the Coach Member reasonably determines and notifies Developer within such ten (10) Business Day period that Developer's submission is materially defective or incomplete. Developer will furnish interpretations, explanations, and additional information if and as requested by the Coach Member within five (5) Business Days of the Coach Member's written request. If Developer and the Coach Member are unable to resolve any outstanding issues within ten (10) Business Days, then either party may submit such dispute to Arbitration pursuant to the provisions of Article 14. Notwithstanding the foregoing, the Coach Member's disapproval of any change for which its approval is required shall not be arbitrable.

(f) If Developer notifies the Coach Member that it has determined it is not required to implement any change in the Developer Work requested by the Coach Member pursuant to the provisions of this Agreement within ten (10) Business Days after receipt of the OSCR submitted by the Coach Member with respect thereto and all requested additional information, Developer and the Coach Member will consult in an effort to resolve any issues. If Developer and the Coach Member are unable to resolve any outstanding issues within ten (10) Business Days, then either party may submit such dispute to Arbitration pursuant to the provisions of Article 14.

(g) Developer shall keep accurate books and records in accordance with generally accepted accounting principles consistently applied to all items included in all Statements of Changes and shall make such books and records and all invoices, receipts, contracts, subcontracts and other information pertaining to the computation thereof available to the Coach Member and its representatives, from time to time and upon reasonable, advance request, in the event that the Coach Member demands Arbitration with respect to any Statements of Changes.

(h) Notwithstanding the foregoing provisions of this Section 3.07, the Coach Member shall not be responsible for, and shall not be required to pay (nor shall the same be included in Coach Total Development Costs), any Coach Change Delay Costs with respect to any change in the Developer Work pursuant to any Coach Change Order undertaken by Developer in accordance with this Agreement until such time as the total days of Coach Change Delay for all Coach Change Orders undertaken by Developer exceeds thirty (30) calendar days in the aggregate (the "Change Order Grace Period"), and, at such time, the Coach Member shall only be responsible for, and required to pay, Coach Change Delay Costs with respect to each day of Coach Change Delay from and after the 31st calendar day of Coach Change Delay resulting from any Coach Change Order undertaken by Developer (i.e., no Coach Change Delay Costs shall be payable by the Coach Member (or included in Coach Total Development Costs), in any event, with respect to the first thirty (30) calendar days of Coach Change Delay).

(i) Notwithstanding anything to the contrary contained in this Section 3.07, if Developer fails to notify the Coach Member of any delay that could become a Coach Change Delay within five (5) Business Days after Developer becomes aware of such delay, then such delay shall not be deemed to have occurred until Developer gives notice to the Coach Member of such delay. Any calculation of Coach Change Delay shall be made on a net basis taking into account actual time savings, if any, resulting from any acts of the Coach Member, Coach's Architect, Coach's Consultants or any of such parties' agents, employees or contractors. If Developer or the Coach Member believes that any Coach Change Delay (or any delay which may result in a Coach Change Delay) might be mitigated by the expenditure of additional money or the performance of overtime work, Developer or the Coach Member, as applicable, may give notice thereof to the other party setting forth in reasonable detail Developer's or the Coach Member's, as applicable, proposed plan of mitigation. In addition, if requested by the Coach Member, Developer shall endeavor to propose a plan that, in Developer's reasonable judgment, might mitigate the Coach Change Delay in question. If, in Developer's reasonable judgment, the Coach Member's mitigation plan or Developer's mitigation plan will reduce or eliminate said Coach Change Delay and will not otherwise cause a disruption in the Schedule, Developer shall notify the Coach Member of Developer's estimate of the cost and the amount of overtime work required to implement any such mitigation plan, and the Coach Member shall have the right to pay such additional cost (as finally determined) and the cost of any overtime work or cause such overtime work to be performed at the Coach Member's sole cost and expense, in either case by giving notice thereof to Developer within ten (10) days after the Coach Member was given such notification by Developer. Any such costs, and the cost of overtime work performed by the Coach Member in implementing any mitigation plan pursuant to this Section 3.07(i), shall be in addition to, and separate from, the Coach Total Development Costs and shall not be subject to the Coach Costs Cap, and the payment of such additional money by the Coach Member or the performance of such overtime work at the Coach Member's expense shall not affect the obligations of the Coach Member with respect to such Coach Change Delay (to the extent such delay is not mitigated or eliminated). Any dispute with respect to the existence or duration of any Coach Change Delay shall be submitted to Arbitration pursuant to the provisions of Article 14. The obligation of the Coach Member to pay all such costs required to be paid by the Coach Member pursuant to this Section 3.07(i) is guaranteed by the Coach Guarantor subject to and in accordance with the Coach Guaranty.

Section 3.08 The Coach Member Review of Plans Not a Representation or Assumption. The review or approval by the Coach Member (or Coach's Architect or any of Coach's Consultants on behalf of the Coach Member) of any of the Plans or Shop Drawings, Product Data and Samples shall in no event be or be deemed to be (a) a representation or agreement, implied or otherwise, by the Coach Member, Coach's Architect or any of Coach's Consultants, that any such Plans or other materials comply with applicable Laws, or (b) an assumption by the Coach Member, Coach's Architect or Coach's Consultants of any liability in respect of any such Plans or materials, or in respect of the implementation of any such Plans or materials.

Section 3.09 Plans and Materials Available. Developer shall maintain at the Building or at Developer's field office, for inspection and use by the Coach Member and Coach's Consultants (on a non-exclusive basis), at least one record copy of (a) the Plans, and any change orders or other modifications to any such Plans, in each case in good order, and (b) all Shop Drawings, Product Data and Samples showing or related to all current and pending Developer Work or for any construction work the cost of which is included in the Coach Total Development Costs. The obligations of Developer pursuant to this Section 3.09 shall survive the Closing and the termination of this Agreement for a period of two (2) years.

ARTICLE 4.
OPEN-BOOK NATURE OF PROJECT; DRAW REQUESTS, AND RE-ALLOCATION OF PROJECT COSTS; MONTHLY REPORTS; AUDIT RIGHTS; BOOKS AND RECORDS; ENVIRONMENTAL REPORTS

Section 4.01 "Open-Book" Nature of Project; Meeting with Lenders. (a) All modifications to the Budget and all back-up therefor, all spreadsheets supporting any numbers or categories of cost therein, all cost breakdowns and allocations relating to the Developer Work or any of the costs included in the Coach Total Development Costs, all value engineering and cost estimating studies and exercises performed or prepared in connection with the Project, all revised Schedules, and all material financial analyses, studies and materials performed or prepared in connection with the Project or any Project Costs shall be done on an "open book" basis, with the Coach Member and Coach's Consultants having prompt, complete and unrestricted access thereto.

(b) Without limiting the generality of the foregoing, Developer shall invite the Coach Member and Coach's Consultants to attend each monthly meeting with the Construction Lender or its disbursement agent (including after Closing to the extent they affect the Coach Member), and shall, simultaneously with any Draw Request or other material submission made to the Construction Lender or its disbursement agent regarding the Base Building (including submissions made after the Closing, if they affect the Coach Member), copy or cause the Executive Construction Manager to copy, the Coach Member on such Draw Request or submission (including, in each copy to the Coach Member, a copy of all supporting documentation simultaneously submitted to the Construction Lender or such disbursement agent, including copies of lien waivers, title continuations, architect's certificates or revised budgets showing re-allocations among line items included therein, etc.). In addition, Developer shall provide (or cause to be provided) to the Coach Member, with each monthly Draw Request, monthly reports regarding the Developer Work and the Base Building (in a format, and providing for a level of detail, reasonably acceptable to the Coach Member), which shall include reasonably detailed information regarding Developer's overhead and soft cost expenses for the prior month.

Section 4.02 Draw Requests and Re-Allocation of Project Costs. (a) Each Draw Request shall be prepared and submitted to the Coach Member as follows:

(i) Developer will cause the Construction Manager and each subcontractor to submit to Developer at least five (5) days prior to the end of each calendar month its preliminary hard cost application for payment (each, an "Application for Payment") via the Textura—CPM billing and payment system, and will provide the Coach Member, Coach's Architect and the applicable Coach's Consultants with access to each Application for Payment when submitted. Within two (2) Business Days after the end of each calendar month, Developer, the Executive Construction Manager, the Construction Manager, the Coach Member, Coach's Architect and the applicable Coach's Consultants and the construction consultant for the Construction Lender ("Lender's Consultant") will meet to review the percentage of completion and the Application for Payment submitted by the Construction Manager and each subcontractor. Each Application for Payment shall be jointly approved by Developer, the Coach Member, Coach's Architect and the applicable Coach's Consultants and the Lender's Consultant, and if any Application for Payment is not so jointly approved, Developer will cause the Construction Manager or the applicable subcontractor, as the case may be, to revise and resubmit to Developer its Application for Payment within three (3) Business Days of Developer's request therefor and provide the Coach Member, Coach's Architect and the applicable Coach's Consultants with access via the Textura—CPM billing and payment system to such revised Application for Payment when submitted. Developer shall cause the Executive Construction Manager to summarize the Applications for Payment received from the Construction Manager and the subcontractors and submit to Developer and the Coach Member, Coach's Architect and the applicable Coach's Consultants a Draw Request which complies with the further provisions of this Section 4.02 on or prior to the ninth (9th) day of each calendar month during the term of this Agreement.

(ii) Developer will cause each design professional to submit to Developer at least five (5) days prior to the end of each calendar month an Application for Payment via the Textura—CPM billing and payment system and will provide the Coach Member, Coach's Architect and the applicable Coach's Consultants with access to each Application for Payment when submitted. The Coach Member, Coach's Architect and the applicable Coach's Consultants may provide comments to Developer with respect to the Application for Payment submitted by any design professional. Developer shall (A) cause the Executive Construction Manager to summarize the Applications for Payment received from the design professionals, (B) summarize all other soft costs, design costs, Developer Overhead Costs, and other Project Costs, and (C) cause the Executive Construction Manager to submit to Developer and the Coach Member, Coach's Architect and the applicable Coach's Consultants a Draw Request which sets forth all of the foregoing and which complies with the further provisions of this Section 4.02 on or prior to the ninth (9th) day of each calendar month during the term of this Agreement.

(iii) Developer shall prepare a monthly Draw Request that sets forth and summarizes all of the costs described in clauses (i) and (ii) above and specifically and clearly allocates all such costs to the Coach Unit and the Fund Member Units in accordance with the Cost Allocation Methodology and the applicable provisions of this Agreement. Each Draw Request shall conform to the Cost Allocation Methodology and the applicable requirements of this Agreement and shall in all cases be subject to and comply with all of the requirements for draw requests under the Mortgage Loan or the Mezzanine Loan, as applicable, set forth in the applicable Loan Documents (which requirements shall also apply, *mutatis mutandis*, to Draw Requests for any equity funds to be contributed by any Member to the Building C JV). Developer shall submit each Draw Request to the Coach Member, Coach's Architect and the applicable Coach's Consultants on the tenth (10th) day of each calendar month during the term of this Agreement.

(iv) Developer shall submit each Draw Request prepared in accordance with the foregoing provisions of this Section 4.02 on or about the fifteenth (15th) day of the applicable calendar month during the term of this Agreement to the Mortgage Lender or the Mezzanine Lender, as applicable, for disbursement of Mortgage Loan proceeds or Mezzanine Loan proceeds in accordance with the terms of this Agreement and applicable the Loan Documents or following the disbursement in full of the Mezzanine Loan and the Mortgage Loan, to the Building C JV and the Members in accordance with the terms of this Agreement and the Operating Agreement, as applicable. In no event shall any dispute between Developer and the Coach Member with respect to any Draw Request prevent or delay the submission thereof on or about the fifteenth (15th) day of the applicable calendar month or, subject to the further provisions of this Section 4.02, reduce the amount of such Draw Request.

(b) The Coach Member shall have the right to review and dispute all or any portion of each Draw Request (except to the extent consistent with the applicable approved Application for Payment), and the allocation of costs to the Coach Member as shown in each Draw Request, as follows:

(i) If, in the Coach's Member's opinion, the amount of any hard cost item to be funded pursuant to a Draw Request is not supported by the work performed as of the date of such Draw Request, then within three (3) Business Days of its receipt of such Draw Request, the Coach Member shall inform the Developer in writing of its objection to the amount of such hard cost item or percentage of completion (it being agreed that any objection raised after such three (3) Business Day period shall be addressed in the following month's Draw Request). Developer, the Executive Construction Manager, and the Construction Manager shall review and attempt to resolve the Coach Member's objections, and Developer and the Coach Member shall agree to do one of the following: (A) adjust such hard cost item, and the amount of such adjustment, in such Draw Request, (B) require additional documentation or inspection or (C) remove the amount for such hard cost item in its entirety from such Draw Request. In the event that the Coach Member and Developer are unable to agree on the amount of any hard cost item included in a Draw Request, then such Draw Request shall be submitted for funding, including the amount of such hard cost item in dispute, and the dispute with respect to such amount will be resolved through Arbitration pursuant to the provisions of Article 14.

(ii) If, in the Coach's Member's opinion, the amount of any design professional costs or other soft costs to be funded pursuant to a Draw Request is not supported by the work performed as of the date of such Draw Request, then within three (3) Business Days of its receipt of such Draw Request, the Coach Member shall inform the Developer in writing of its objection to the amount of such soft cost item or percentage of completion (it being agreed that any objection raised after such three (3) Business Day period shall be addressed in the following month's Draw Request). Developer shall respond within two (2) Business Days of its receipt of such objection from the Coach Member by (A) adjusting the amount for such item in such Draw Request, (B) providing additional documentation to the Coach Member, (C) removing the amount for such item in its entirety from such Draw Request or (D) notifying the Coach Member that Developer does not agree with such objection. In the event that the Coach Member and Developer are unable to agree on the amount of any soft cost item included in a Draw Request, then such Draw Request shall be submitted for funding, including the amount of such soft cost item in dispute, and the dispute with respect to such amount will be resolved through Arbitration pursuant to the provisions of Article 14.

(iii) The Coach Member shall be entitled to all material and information that is reasonably necessary to evaluate and analyze the cost information in each Draw Request and the allocation of costs to the Coach Member, and Developer shall provide the Coach Member, Coach's Architect and the applicable Coach's Consultants with all such material and information. If the Coach Member disputes the allocation to the Coach Member of any cost in any Draw Request, it shall notify the Developer in writing within five (5) Business Days of receipt of such Draw Request together with such material and information (it being agreed that any objection raised after such five (5) Business Day period shall be addressed in the following month's Draw Request). Developer and the Coach Member will consult in good faith to resolve any allocation dispute, and any re-allocation of costs in resolution of such dispute will be implemented in the following month's Draw Request in accordance with the further provisions of this Section 4.02.

(iv) In no event shall any dispute with respect to any Draw Request prevent or delay the submission of such Draw Request on the fifteenth (15th) day of the applicable calendar month, or reduce the amount of any Draw Request so submitted.

(v) On a quarterly basis, Developer will furnish the Coach Member with an interest adjustment at the applicable Construction Loan Rate for any of items which were disputed by the Coach Member but initially paid for with proceeds of the Coach Unit Loan or by the Coach Member.

(c) Following the resolution or Arbitration of any dispute referenced in Section 4.02(b), Developer shall, and shall cause Legacy Tenant or Legacy Mezzanine, as applicable, to direct the Construction Lender to, re-allocate Project Costs among the Units (together with interest, as provided below) as necessary to reflect the resolution or Arbitration of all allocation issues in dispute, and the next Draw Request (to be prepared and submitted by Developer) shall reflect such re-allocations. If any costs were (or are) initially allocated to the Coach Unit and then are re-allocated to another Unit (whether before or after the Closing), the Coach Total Development Costs shall be decreased by all such amounts which are so re-allocated together with interest thereon at the Interest Rate from the date on which each such cost was (or is) paid by a Coach Lender Advance or otherwise by the Coach Member until the date on which each such cost is re-allocated to the Fund Member, and Legacy Tenant or Legacy Mezzanine, as applicable (and the Fund Member as required pursuant to the terms of the Operating Agreement), shall make Completion Deposits as and to the extent required under the applicable Loan Documents if the Mortgage Loan proceeds then available to Legacy Tenant and the Mezzanine Loan proceeds then available to Legacy Mezzanine are insufficient to fund such re-allocated costs or if the Third Party Loan is not "in balance" as a result of such re-allocation. If any costs are (or were) initially allocated to the Fund Member Units and then are re-allocated to the Coach Unit, the cost of the Fund Member Units likewise shall be decreased by all such amounts which are so re-allocated together with interest thereon at the Interest Rate from the date on which each such cost was (or is) initially funded by a Third Party Lender Advance or otherwise by the Fund Member pursuant to the terms of the Operating Agreement or the Third Party Lender until the date on which each such respective cost is re-allocated to the Coach Unit. In such event, such costs shall be funded out of the Coach Unit Loan, if available, or by the Coach Member pursuant to the terms of the Operating Agreement, as applicable.

(d) Should any re-allocation occur after the Closing, and if the Coach Member shall have made (directly or through a Coach Lender Advance) an overpayment, Developer shall, or shall cause Legacy Tenant or Legacy Mezzanine, as applicable, to direct the Construction Lender to, re-allocate Project Costs (together with interest thereon, as provided in the following sentence) to the Fund Member Units to the extent of such overpayment, and credit any future Coach Lender Advances to be made to Legacy Tenant or Legacy Mezzanine, as applicable, or equity contributions to be made by or on behalf the Coach Member to such extent, so as to reduce the next payment required under this Agreement. Costs which are so re-allocated to the Fund Member Units shall bear interest (and be re-allocated with interest) at the Interest Rate from the date on which the Coach Member (directly or through a Coach Lender Advance) made (or makes) a payment in respect of such cost until the date on which such cost is re-allocated. Should any re-allocation occur after the Closing, and if the Coach Member shall have made an underpayment, Developer shall, or shall cause Legacy Tenant or Legacy Mezzanine, as applicable, to direct the Construction Lender to, re-allocate Project Costs (together with interest thereon, as provided in the following sentence) to the Coach Unit to the extent of such underpayment and credit any future Third Party Lender Advances to be made to Legacy Tenant or Legacy Mezzanine or equity contributions to be made by or on behalf the Fund Member to such extent, together with interest thereon at the Interest Rate from the date such cost was paid or funded until the date on which such cost is re-allocated.

(e) The payment of any costs which are re-allocated to the Fund Member Units under Section 4.02(b), Section 4.02(c) or Section 4.02(d) and which are not recovered by the Coach Member, whether through (i) adjustments in the Coach Lender Advances which result (dollar-for-dollar) in decreases in the Coach Total Development Costs or (ii) [intentionally omitted] or (iii) payment to the Coach Member by the Fund Member, shall be paid by the Building C JV directly to the Coach Member at Final Completion, together with interest thereon as provided in Section 4.02(c) and Section 4.02(d). Such payment obligations are guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty and are consistent with the obligation to make final payments under Section 13.05. Neither the Coach Contingency nor any portion of the Coach Unit Loan may be used to pay such amounts to the Coach Member or to "cover" such amounts.

Section 4.03 Audit of Construction Costs. (a) The Coach Member and its representatives shall have the right, on a semi-annual basis, to inspect, audit and make copies of all books and records of the Building C JV and its subsidiaries or the Developer, and all materials in Developer's possession or in the possession of the Building C JV, the Executive Construction Manager, the Construction Manager (but, in such case, only to the extent relating to the Project or Project Costs), the Project Architect (but, in such case, only to the extent relating to the Project or Project Costs), any of the Members or the Related/Oxford Guarantor (but, in each case, only to the extent that such Person has records relating to expenses charged to the Project which are not otherwise available from Developer or the Building C JV and its subsidiaries), and relating to the Project or Project Costs, to the extent necessary in order to enable the Coach Member to establish or confirm the Coach Total Development Costs or any other amounts payable by or chargeable to the Coach Member under this Agreement. Any such audit shall be conducted during business hours, on reasonable notice, and at the Coach Member's cost and expense; provided, that if such audit reveals any over-charging or over-allocation to the Coach Member of Project Costs in excess of 3% of the aggregate amounts charged or allocated to the Coach Member which are the subject of such audit, then Developer shall reimburse the Coach Member for all out of pockets costs actually incurred by the Coach Member in conducting such audit. Any such audit may cover all prior monthly Draw Requests that have not been the subject of any prior audit (unless it shall be necessary, in order to understand and evaluate particular transactions or payments that are the subject of the audit in question, to review transactions or payments made which were the subject of a prior audit). The Coach Member shall submit a report of its findings (in each audit) to Developer not later than ten (10) Business Days after it concludes each such audit.

(b) Developer and the Coach Member shall consult in good faith to resolve any matter in dispute raised in any audit conducted by the Coach Member as provided in Section 4.03(a) within ten (10) Business Days of Developer's receipt of the Coach Member's audit report. If they cannot resolve a particular dispute (with respect to any matter raised in such audit report) within such ten (10) Business Day period, the dispute shall be submitted to Arbitration pursuant to the provisions of Article 14. In no event shall a dispute prevent or delay Draw Requests from being processed and paid, subject in all events to the satisfaction of all conditions applicable thereto.

(c) If any amounts paid are ultimately determined not to be Project Costs, or to have been improperly charged to the Coach Total Development Costs, the Coach Total Development Costs will be appropriately reduced and credited with interest at the Interest Rate.

(d) Nothing herein shall prevent the Coach Member from conducting an inspection of all books and records of the Building C JV, Developer, its subsidiaries, the Executive Construction Manager or the Construction Manager (but, in the latter case, only to the extent relating to the Project or Project Costs) for purposes of a final accounting described in Section 13.05.

Section 4.04 Books and Records. Developer shall maintain copies of all Draw Requests, invoices and other documentation as shall be necessary to establish and verify the Project Costs for a period of two (2) years following the date on which Final Completion occurs; provided, that such maintenance shall give the Coach Member no additional rights or time periods for audit; and provided, further, that if the Coach Member requests (at any time prior to the expiration of such two-year period) that Developer deliver to the Coach Member (at the Coach Member's sole cost and expense) copies of all such Draw Requests, invoices and other documentation, then Developer shall deliver all such materials to the Coach Member.

Section 4.05 Environmental Reports; Indemnification. (a) Developer shall provide the Coach Member with a copy of all reports, inspections, or analyses concerning the presence (or possible presence) of Hazardous Materials in or on the Land or the Building, including, without limitation, drafts thereof, which Developer commissions or receives, in each case promptly after receipt thereof.

(b) In connection with all aspects of the Project, Developer shall comply, and shall use commercially reasonable efforts to cause the Project Architect and any Developer's Consultants to comply, with all Environmental Laws, and shall take all such actions with respect to the Project which may be required by any Government Entity to comply with any such Environmental Laws.

(c) Developer shall indemnify, defend, reimburse, and hold harmless the Coach Member, and each of the Coach Indemnitees, from and against any and all claims relating to (i) any alleged violation or contravention of any Environmental Laws by Developer or any of Developer's Consultants with respect to the Land, the Developer Work, the Base Building Work, or any Finish Work performed by or on behalf of Developer or any of its Affiliates, and (ii) in connection with any remediation or cleanup of the Land required by Environmental Laws resulting from the acts or omissions of any Person; except, in each case, to the extent such losses, claims or costs (A) are caused by the Coach Member or any of the Coach Indemnitees or (B) result from the Coach Member or the Coach's Consultants carrying out of any Coach Finish Work. The provisions of this Section 4.05(c) and the obligations of Developer hereunder shall survive the Closing and the termination of this Agreement; provided, that Developer shall have no further obligations or liabilities under this Section 4.05(c) (other than for then existing claims hereunder) from and after both of the following occur: (x) the third (3rd) anniversary of the date on which Final Completion is achieved, as agreed to by Developer and the Coach Member or, in the absence of such agreement, as determined by Arbitration as provided in this Agreement, and (y) the delivery by Developer to the Coach Member of a current Phase I environmental site assessment (and, if applicable, a current Phase II environmental assessment) for the Property, dated on or about the date referred to in clause (x) above, prepared consistent with ASTM Practice E 1527 that does not identify any recognized environmental conditions that require further investigation or remediation.

(d) The Coach Member shall indemnify, defend, reimburse, and hold harmless Developer, and each of the Developer Indemnitees, from and against any and all claims relating to any alleged violation or contravention of any Environmental Laws by the Coach Member or any of Coach's Consultants with respect to their performance of the Coach Finish Work; except, in each case, to the extent such losses, claims or costs (i) are caused by the Developer or any of the Developer Indemnitees or (ii) result from the Developer or the Developer's Consultants carrying out of any Developer Work, Base Building Work or Developer Finish Work. The provisions of this Section 4.05(d) and the obligations of the Coach Member hereunder shall survive the Closing; provided, that the Coach Member shall have no further obligations or liabilities under this Section 4.05(d) (other than for then existing claims hereunder) from and after the third (3rd) anniversary of the date on which the Coach Finish Work is completed.

Section 4.06 Survival. Except as otherwise expressly provided in Section 4.05, the provisions of this Article 4 and the obligations of Developer and its successors and assigns shall survive the Closing and the termination of this Agreement.

ARTICLE 5.
AWARD OF TRADE CONTRACTS; LABOR MATTERS

Section 5.01 Bidding and Award of Contracts. (a) Developer has entered into the Executive Construction Management Agreement for the performance of the Base Building Work. The trade contracts for construction of the Project bid and awarded as of the date hereof are set forth on Exhibit R attached hereto.

(b) To the extent not already bid and awarded, Developer shall bid and award trade contracts for construction of the Project in accordance with the provisions of this Article 5 and the Schedule.

(c) The construction work not yet bid will be bid in separate bid packages. The Developer will or will cause the Executive Construction Manager to prepare for each bid package, in consultation with the Coach Member, a list of bidders who will be asked to respond to each bid package; provided, that no Affiliate of Developer, the Fund Member, Related, Oxford, or the Executive Construction Manager, shall be included on such list of bidders without disclosure to the Coach Member, in reasonable detail, of such Affiliate relationship and the prior written approval of Coach. If any Affiliated party is included on any list of bidders (which inclusion shall be subject to Coach's written approval as herein provided), such Affiliated bidder shall not be provided, and shall not have or be given any access to, any information of any kind with respect to the bid package, the Schedule, the Budget, or any other aspect of, or information with respect to, the Project that is not provided to all third-party bidders and shall, in all events, be treated in the same manner and subject to the same requirements and process as all third-party bidders (except as may be otherwise agreed to in writing by the Coach Member). Developer will, or will cause the Executive Construction Manager to, provide the Coach Member with copies of the bid lists for all contractors, subcontractors and vendors and shall consult with the Coach Member in connection therewith. At the request of the Coach Member, the Developer (or the Executive Construction Manager) shall supply to the Coach Member (i) to the extent available to Developer (or the Executive Construction Manager), information regarding the background and qualifications of any contractor, subcontractor or vendor under consideration for receipt of each such bid package, and (ii) information regarding any affiliation or prior or current business dealings between Developer, Related, Oxford or the Executive Construction Manager, on the one hand, and each such contractor, subcontractor or vendor, on the other hand. The Coach Member shall have the right to request that Developer include on the list of bidders for each bid package, one or more bidders selected by the Coach Member.

(d) As contract documents for each bid package are completed, Developer or the Executive Construction Manager shall solicit and receive from at least three (3) third-party bidders fixed price bids on each bid package; provided, that to the extent Developer believes that, with respect to any bid package, it is not possible to solicit and receive at least three (3) fixed price bids from third-party bidders, Developer shall promptly notify the Coach Member thereof and request the Coach Member's approval to solicit and receive less than three (3) third-party fixed price bids, which approval shall not be unreasonably withheld, conditioned or delayed. During the period when Developer or the Executive Construction Manager is proceeding with the bid process (i) Developer shall keep the Coach Member apprised (on a weekly basis regarding such week's progress and developments, if any) of the status of the bid process and provide to the Coach Member and Coach's Consultants all information and access to all documents relating thereto as may be reasonably requested by the Coach Member or Coach's Consultants (it being understood that such access shall be provided at a location mutually agreed to by Developer and Coach Member and that copies of fixed price bids shall not be delivered to the Coach Member but prompt access thereto will be given to the Coach Member), and (ii) the Coach Member and Coach's Consultants may communicate any of their concerns with the bids or bidding process to Developer, which shall act reasonably to address such concerns. Developer or the Executive Construction Manager shall level bids received and prepare a bid comparison analysis and prepare a "leveling report" and access to such analyses and leveling report to the Coach Member and its Consultants promptly (it being understood that such access shall be provided at the Field Office and that copies of fixed price bids and the leveling report shall not be delivered to the Coach Member outside of the Field Office). If Developer shall arrange bid conferences, Developer shall invite the Coach Member and Coach's Consultants to attend all bid conferences. The Coach Member and Coach's Consultants may attend any bid conferences.

(e) Developer shall consult with the Coach Member and Coach's Consultants prior to awarding any hard cost contract if any part of the costs of such contract is or will be borne by the Coach Member. After consulting with the Coach Member and Coach's Consultants, Developer shall award all contracts based on cost, quality of work, ability to meet the Schedule and ability to satisfy the requirement of this Agreement; provided, that if Developer does not award a contract to the lowest bidder, Developer shall provide the Coach Member with an explanation of Developer's reasons for not awarding the applicable contract to the lowest bidder, which must be consistent with the foregoing criteria. Notwithstanding the foregoing Developer shall not award any contract to any Affiliate of Developer, the Fund Member, Related, Oxford, or the Executive Construction Manager, if such person is not the lowest bidder, without the prior written approval of the Coach Member. In addition, there shall be a trade payment breakdown or schedule of values attached to each trade contract entered into by Legacy Tenant or the Executive Construction Manager (either prior to or after the date of this Agreement) which will allocate costs consistent with the Cost Allocation Methodology. Costs will, in any event, be allocated to the Coach Member in accordance with the Cost Allocation Methodology, as elsewhere provided in this Agreement. Any dispute regarding whether any trade payment breakdown or schedule of values is, in fact, consistent with the Cost Allocation Methodology shall be submitted to Arbitration to be resolved in accordance with the provisions of Article 14.

(f) In no event shall the Coach Member have any liability or obligation to any contractor, subcontractor or vendor solicited or selected by Developer, Legacy Tenant or the Executive Construction Manager as provided in this Section 5.01 or otherwise providing goods or services to the Project (unless such contractor is employed directly by the Coach Member in connection with its Finish Work), and except that the costs thereof shall constitute Project Costs and shall be part of the Coach Total Development Costs to the extent provided in this Agreement, the Cost Allocation Methodology and the Budget.

(g) The Coach Member shall keep confidential any confidential bid information received by it. If the Coach Member shares any bid information with its consultants, it shall direct such consultants likewise to keep such information confidential.

(h) The provisions of this Section 5.01 (other than Section 5.01(g)) shall only apply to contracts as to which all or any portion of the payments thereunder shall constitute part of the Coach Total Development Costs. If the Coach Member is not allocated any portion of the cost of such contract, the Coach Member shall have no involvement in the bidding with respect to such contract.

(i) Either party may elect to dispute whether Developer's bidding and awarding procedures comply with the provisions of this Section 5.01 and to have such dispute submitted to Arbitration pursuant to the provisions of Article 14, and, to the extent feasible, the parties shall diligently attempt to cause the Arbiter to resolve such dispute within five (5) Business Days after the appointment of such Arbiter. Developer shall have no obligation to suspend the bidding and awarding process if the Coach Member causes any dispute with respect thereto to be submitted to Arbitration; provided, that Developer shall be responsible for any and all additional costs and expenses, including, without limitation, Project Costs, resulting from Developer's failure to comply with the provisions of this Section 5.01 and bid and award contractors in accordance with such provisions.

Section 5.02 Project Labor Agreement. Developer has provided a copy of the Project Labor Agreement to the Coach Member. Developer hereby represents and warrants to the Coach Member that the Project Labor Agreement by its terms will no longer apply to the Coach Unit or any owner or occupant thereof from and after the substantial completion of the Coach Finish Work (including any Coach Finish Work punch list items). Developer shall, and shall cause Legacy Tenant and the Executive Construction Manager to, promptly deliver to the Coach Member any amendment or supplement to the Project Labor Agreement, or any separate or additional letter or agreement sent to or entered into with the Building & Construction Trade Council of Greater New York or with any individual union or other trade group in connection with the Project, and shall not, and shall not cause or permit Legacy Tenant or the Executive Construction Manager to, enter into any of the foregoing without the prior written consent of the Coach Member if the same would impose any costs on or otherwise adversely affect the Coach Member or the Coach Unit. In no event shall there be any agreement or commitment with any trade group or union which will affect the management or operation of the Coach Unit by the Coach Member.

ARTICLE 6.
SCHEDULE AND UPDATES

Section 6.01 Project Schedule; Updates. (a) Developer shall use Best Efforts to adhere to, and will instruct and use its Best Efforts to cause the Executive Construction Manager, the Project Architect and other Consultants and all contractors to adhere to, the dates and time periods set forth in the Schedule (subject to Force Majeure events, Coach Change Delays extending beyond the Change Order Grace Period resulting from any change requested by the Coach Member and Coach Work Delays).

(b) Developer shall give the Coach Member (for the Coach Member's review) (i) monthly "look-aheads" with respect to the Schedule and (ii) quarterly updates of the Schedule (or on such other shorter basis, including monthly, as any such updates are prepared and issued by the Executive Construction Manager or Developer), in each case showing revisions, additions, and deletions and providing detailed explanations of all such modifications. The Coach Member shall have the right to approve any such updates or amendments if any such updates or amendments (or any component thereof) have or will have the effect (on their face, or as implemented) of discriminating against the Coach Member (i.e., if the change favors or has the effect of favoring the work for the Fund Member or any Fund Unit over work to be performed for the Coach Member or the Coach Unit). Notwithstanding the foregoing, no update to the Schedule shall be deemed to modify or amend the Block Delivery Schedule or the anticipated Substantial Completion Date unless and to the extent specifically approved by the Coach Member. Any dispute regarding any such matter shall be submitted to Arbitration to be resolved in accordance with the provisions of Section 14.01.

Section 6.02 Milestones. (a) For purposes hereof, the terms "Major Milestone Event" and "Major Milestone Outside Date" means the Major Milestone Event and the corresponding Major Milestone Outside Date set forth directly across from said Major Milestone Event in the chart below:

*Each Major Milestone Outside Date shall be extended on a day-for-day basis for delays caused by Force Majeure events, Coach Change Delays extending beyond the Change Order Grace Period, and Coach Work Delays. For all purposes of this Agreement, (i) concurrent delays caused by any Force Majeure event, Coach Change Delay extending beyond the Change Order Grace Period, or Coach Work Delay, shall only be counted once as a single period of delay, (ii) concurrent delays caused by any Force Majeure event, Coach Change Delay and Coach Work Delay shall be deemed to be caused by such Force Majeure event, and (iii) concurrent delays caused by any Coach Change Delay and Coach Work Delay shall be deemed to be caused by such Coach Change Delay.

(b) Developer shall exercise Best Efforts to cause each Major Milestone Event to be achieved on or prior to the corresponding Major Milestone Target Date set forth directly across from said Major Milestone Event (but the failure of said Major Milestone Event to be achieved on or prior to the applicable Major Milestone Target Date shall not, in and of itself, constitute a Developer Default or otherwise impose on Developer penalties or other liabilities to the Coach Member hereunder). If, on or prior to a Major Milestone Outside Date, Developer shall not complete, or cause to be completed, the applicable Major Milestone Event, then Developer shall, or shall cause the Executive Construction Manager to, exercise Best Efforts to take all actions necessary or appropriate to mitigate any delays to the construction of the Project, the completion of the applicable Major Milestone Event and the timely completion of the next Major Milestone Event on or prior to the Major Milestone Outside Date with respect thereto (including, without limitation, the employment of overtime labor or other expenditure of additional money) at Developer's sole cost and expense (and no portion of the cost thereof shall be included in Coach Total Development Costs). Nothing contained in this Section 6.02 (including, without limitation, Developer's efforts to mitigate any delay) shall in any way limit any rights or remedies of the Coach Member set forth in this Agreement or the Operating Agreement or otherwise with respect to any such delay or affect any of Developer's obligations to the Coach Member with respect thereto (except to the extent any such delay is actually mitigated or eliminated).

(c) If the Coach Member believes in good faith that any delay with respect to the completion of any Major Milestone Event on or prior to the applicable Major Milestone Outside Date might be mitigated by the expenditure of additional money or the performance of overtime work, the Coach Member may give notice thereof to Developer setting forth in reasonable detail the Coach Member's proposed plan of mitigation. If, in Developer's reasonable judgment, the Coach Member's mitigation plan will reduce or eliminate the applicable delay in the completion of such Major Milestone Event, Developer shall, or shall cause the Executive Construction Manager to, implement such plan at Developer's sole cost and expense (and no portion of the cost thereof shall be included in Coach Total Development Costs). In addition, if requested by the Coach Member, Developer shall provide to the Coach Member a proposed plan for mitigation of the delay in question, and Developer shall, or shall cause the Executive Construction Manager to, exercise Best Efforts to implement such plan at Developer's sole cost and expense (and no portion of the cost thereof shall be included in Coach Total Development Costs). The performance of any such mitigation work by Developer (including, without limitation, the payment of additional money by Developer or the performance of overtime work at Developer's sole cost and expense) shall not affect any of Developer's obligations to the Coach Member with respect to such delay (except to the extent any such delay is actually mitigated or eliminated).

(d) For the avoidance of doubt, the obligations of Developer under this Section 6.02 are guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty, and neither the Coach Contingency nor any portion of the Coach Unit Loan may be used to pay such amount to the Coach Member or to "cover" such amount.

(e) Any dispute regarding the timely completion of any Major Milestone Event or Developer's compliance with its obligations under this Section 6.02 to mitigate any delay in the completion of any Major Milestone Event shall be submitted to Arbitration pursuant to the provisions of Article 14.

ARTICLE 7.
SUBGUARD; PAYMENT AND PERFORMANCE BONDS; DEVELOPER'S INSURANCE; DEVELOPER INDEMNITIES

Section 7.01 Subguard. (a) Subject to the provisions of Section 7.01(b), Developer shall obtain and maintain that certain subguard policy form (the "Subguard Policy") issued by an insurer selected by Developer and reasonably acceptable to the Coach Member for the benefit of the Building C JV. The Coach Member shall have the right to approve any material amendments to the Subguard Policy, such approval not to be unreasonably withheld or delayed. Developer shall provide the Coach Member with any notice of cancellation of the Subguard Policy it receives from the Subguard Policy insurer within five (5) Business Days of its receipt of such notice. The costs associated with obtaining and maintaining the Subguard Policy shall constitute a Project Cost.

(b) Notwithstanding the foregoing provisions of Section 7.01(a), Developer may, in lieu of obtaining and maintaining a Subguard Policy, obtain or cause to be obtained (i) dual obligee payment and performance bonds for all trade contracts relating to the Developer Work and the Base Building Work a contract amount in excess of Two Million Dollars ($2,000,000.00), which dual obligee payment and performance bonds shall be substantially in the form of Exhibit P attached hereto with a surety company reasonably acceptable to the Coach Member and licensed to do business in the State of New York, as surety, and with, inter alia, Executive Construction Manager, Developer, Legacy Tenant, the Coach Member and the Coach Lender as dual obligees, and (ii) a guaranty in favor of, inter alia, Executive Construction Manager, Developer and Legacy Tenant, from the creditworthy parent entity of Construction Manager with respect to any work that is "self-performed" by Construction Manager or an Affiliate thereof.

Section 7.02 Insurance Coverages. (a) Developer or the Executive Construction Manager shall cause to be maintained (through Final Completion) the insurance coverages listed and described in Exhibit S-1 attached hereto, naming the parties described in Exhibit S-2 attached hereto as named or additional insureds, as applicable. Developer shall not amend or revise or terminate (or permit the Executive Construction Manager or any Person to amend or revise or terminate) the coverages (including any limits or deductibles shown on Exhibit S-1 attached hereto) without the Coach Member's prior written approval, which approval shall not be unreasonably withheld or delayed; provided, that Developer may, without first obtaining the Coach Member's prior written approval, revise (or cause to be revised) any builder's risk policy obtained and maintained by Developer, as required herein, to omit or reduce from the coverage provided thereby at the appropriate time the Coach Unit is conveyed to the Coach Member (and thereafter covered by the Condominium policies or the Coach Member's property insurance) in accordance with the provisions of this Agreement and the Operating Agreement.

(b) Developer shall maintain in full force and effect the OCIP "Wrap-Up" liability insurance policy which is currently in effect until Final Completion. The OCIP Wrap-Up policy shall be limited to the activities that are performed on the Project site and shall be implemented prior to the commencement of construction activity. Coach, Inc. and the Coach Member shall be named insured, and the Coach Lender shall be named as an additional insured, for any policies issued under the OCIP "Wrap-Up". Developer shall use Best Efforts to cause the Project Architect to maintain in full force and effect, the errors and omissions policies which are currently in effect until the Base Building Work is completed. Developer shall not amend or revise or terminate (or permit or consent to any amendment, revision or termination of) such policies without, in each case, the Coach Member's prior written approval, which approval shall not be unreasonably withheld or delayed.

(c) With respect to all insurance policies maintained by Developer as required hereunder, Developer shall (i) provide the Coach Member with a certified copy of binders and polices and (ii) provide the Coach Member with certificates of insurance evidencing such insurance policies in a form reasonably acceptable to the Coach Member.

(d) Each insurance policy provided under Sections 7.02(a), (b) or (c) above shall provide that it will not expire or terminate or be cancelled without, in each case, the insurer's providing to the Coach Member at least thirty (30) days prior written notice of such expiration, termination or cancellation.

Section 7.03 Legal Proceedings. (a) Developer shall, or shall cause Legacy Tenant (or its insurance carrier) to, defend any Legal Proceedings commenced against any of the Coach Indemnitees arising from or due to any bodily injury, sickness, disease or death of or to any person or persons, or any damage to or destruction of property, arising as a result of or in connection with the construction of any portion of the Base Building and any activities of any Person retained by or on behalf of the Developer, Legacy Tenant or the Executive Construction Manager in connection with the Project (whether such activities are on-site or off-site). All reasonable and actual net costs thereof (to the extent not covered by insurance) shall constitute Project Costs, and shall constitute a part of Coach Total Development Costs to the extent of Coach's Allocable Share thereof.

(b) Developer shall copy the Coach Member on all material documents it sends or serves in any such Legal Proceeding, shall give the Coach Member copies of any material documents served on it in any such Legal Proceeding and shall advise the Coach Member regularly as to the status of the same (unless such Proceeding is being handled by an insurance carrier or its counsel, in which event Developer shall provide the Coach Member with reports on the status of such Legal Proceedings from time to time and, in any event, upon request). If Developer fails to defend, or cause Legacy Tenant (or its insurance carrier) to defend, diligently against any such Legal Proceeding, the Coach Member (or any other Coach Indemnitee named in such proceeding) shall have the right (but not the obligation) to defend the same at the expense of the Developer or the Building C JV, as applicable. Developer shall not settle any such Legal Proceeding without the written consent of the Coach Indemnitee named in such Legal Proceeding unless such settlement shall release each Coach Indemnitee against whom liability has been asserted from all liability with respect to such Legal Proceeding without any contribution from such Coach Indemnitee. The foregoing provisions shall not require defense of any Legal Proceeding against any Coach Indemnitee to the extent of the gross negligence of willful misconduct of such Coach Indemnitee or any other Coach Indemnitee.

(c) Developer's obligations to cause Legacy Tenant to undertake the defense under this Section 7.03 shall not be limited or defined by the amount of insurance carried by Developer or by limitations on amount or type of damages under worker's compensation acts or other laws relating to employee benefits.

(d) Notwithstanding any provision of this Agreement to the contrary, the Coach Member shall have the right to approve the settlement of any litigation or the settlement of any arbitration, or the release or compromise of any claim of or debt due to the Building C JV or any of its subsidiaries, which settlement, release or compromise could result in an increase the Coach Total Development Costs.

(e) In no event shall the Coach Member have any liability or obligation to the Executive Construction Manager, any Developer's Consultant, any contractor, subcontractor, vendor, worker, employee or other Person employed by Developer or by Executive Construction Manager or any of Developer's Consultants, or, except to the extent otherwise provided in the Operating Agreement, the Building C JV, and Developer shall indemnify the Coach Member from and against claims from any such Person, except to the extent such losses are caused by the Coach Member's gross negligence or willful misconduct.

(f) The provisions of this Section 7.03 and the obligations of Developer and its successors and assigns hereunder shall survive the Closing and termination of this Agreement.

ARTICLE 8.
COACH FINISH WORK; SITE LOGISTICS

Section 8.01 Design of Coach Finish Work. (a) The Coach Member will design the Coach Finish Work, at the Coach Member's expense, and will consult with Developer on an on-going basis in order to facilitate proper coordination of the design of the Coach Finish Work with the design and construction of the Developer Work. The Coach Member will update and deliver to Developer a schedule for construction of the Coach Finish Work periodically as such schedule is updated. A preliminary schedule for construction of the Coach Finish Work is attached hereto as Exhibit T. The Coach Member will deliver design development documents and final construction documents showing the Coach Finish Work to Developer. To the extent any Coach Finish Work requires the prior consent of the Construction Lender pursuant to the terms of the Loan Documents, the performance of such work shall be subject to Construction Lender's consent and Developer shall promptly seek, or shall cause Legacy Tenant or Legacy Mezzanine, as applicable, to promptly seek, Construction Lender's consent and shall reasonably cooperate with the Coach Member and the Construction Lender to obtain Construction Lender's consent.

(b) Developer will have the right to review plans for the Coach Finish Work, submit comments to the Coach Member and disapprove any design feature in a plan or design relating to the Coach Finish Work only if the design feature or element (i) violates the Declaration of Easements, the Restrictive Declarations or the ZLDA (as each such term is defined in the Operating Agreement), or applicable Laws, (ii) is structurally or mechanically incompatible with any aspect of the Base Building, (iii) would require changes in the Base Building design to accommodate such design feature (it being understood that Developer's right to disapprove any such change and the design for the Coach Finish Work shall, in such instance, be governed by the provisions of Section 3.06, which are incorporated herein by this reference), (iv) would increase the costs of operation or construction of any portion of the Building other than the Coach Unit (unless, in the case of any such increased construction costs, the Coach Member funds such costs), (v) would delay completion of the Base Building in accordance with the then current Schedule, or (vi) would cause the Floor Area of the Coach Unit to exceed the Coach Floor Area in the aggregate.

(c) Developer shall respond or object to any plans for the Coach Finish Work (to the extent it is permitted to do so, as provided in paragraph (b) above) within ten (10) Business Days after receipt of the same and all requested additional information. If Developer gives comments or objections within such ten (10) Business Days (including any request for further information), Developer and the Coach Member will consult, in an effort to resolve any issues. The ten (10) Business Day period in this Section 8.01(c) shall be extended if the Coach Member's submission is materially defective or incomplete and Developer so notified the Coach Member. The Coach Member will furnish interpretations, explanations, and additional information if and as requested by Developer within the ten (10) Business Day period under this Section 8.01(c). Any consent granted by Developer to any plan submitted by the Coach Member which impacts the design or construction of the Base Building shall be deemed an acknowledgment by Developer that it has obtained (or determined that it was not required to obtain) the prior consent, as applicable, of the Construction Lender to such plan.

(d) If Developer does not respond or object to any plans for the Coach Finish Work within ten (10) Business Days after receipt of the same and all requested additional information, then Developer will be deemed to have approved such proposed change and the implementation thereof; provided, that with respect to any proposed change which would cause the Floor Area of the Coach Unit to exceed the Coach Floor Area in the aggregate, if Developer fails to respond within such ten (10) Business Day period, the Coach Member may send a second notice to Developer of such failure to respond and if Developer does not respond or object, in reasonable detail, to such second notice within five (5) days after receipt of the same, then Developer will be deemed to have approved such proposed change. The Coach Member understands that any deemed consent by Developer as provided in this Section 8.01(d) shall not bind the Construction Lender (if its consent to such a plan is required). Developer shall, however, seek to obtain the consent of the Construction Lender (where such consent is required).

(e) The Coach Member may not proceed to construct any aspect of the Coach Finish Work which has been disapproved by Developer until the issue is resolved. Any dispute as to whether any matter is (or is not) subject to the approval of Developer as set forth in Section 8.01(b) shall be submitted to Arbitration to be resolved in accordance with the provisions of Article 14. Any dispute as to Developer's approval or disapproval of any matter described in this Section 8.01 shall not be arbitrable.

(f) Without limiting the provisions of Section 3.03, Section 8.02 or Section 9.01, the Coach Member, Coach's Architect and Coach's Consultants shall have the right, but not the obligation, prior to the same satisfying the Delivery Condition, to enter any Block of the Coach Unit between the hours of 8:00 a.m. and 3:00 p.m. and at all other times during which a hoist or any other vertical transportation is in operation at the Building for the purposes of inspecting, measuring and designing the same, subject to reasonable notice to Developer. Developer shall have the right to have its representatives present during such access.

(g) The Coach Member may not proceed to construct any aspect of the Coach Finish Work unless the Coach Member first obtains all applicable DOB or other permits required by Law. Developer shall, promptly upon request, provide to the Coach Member and Coach's Consultants all information and materials necessary (and execute the same if required) for the Coach Member to obtain all applicable DOB or other approvals and permits required by Law which respect to the Coach Finish Work.

(h) The Coach Member shall perform the Coach Finish Work in accordance with the LEED certification requirements set forth on Exhibit U attached hereto or otherwise in accordance with LEED Gold certification requirements.

Section 8.02 Block Delivery. (a) Developer shall use its Best Efforts to deliver to the Coach Member each Block in Delivery Condition in accordance with the schedule and sequence for such delivery set forth in Section 6.02(a) (the "Block Delivery Schedule") and the provisions of this Section 8.02 so as to permit the Coach Member to perform the Coach Finish Work in advance of Substantial Completion and the Closing. Anything contained in this Section 8.02 to the contrary notwithstanding, the Coach Member shall not be obligated to accept delivery of any Block outside of the sequence set forth in the Block Delivery Schedule or to accept delivery of any partial Block.

(b) With respect to each Block, Developer shall give the Coach Member a notice stating that Developer believes that such Block is, or is about to be, in Delivery Condition, and setting forth a date, not less than ten (10) Business Days after the giving of such notice, for the parties to conduct a joint walk-through of such Block. On the date so set forth in Developer's notice, Developer, Developer's Consultants, the Coach Member and Coach's Consultants shall walk through and make a visual inspection of each floor in such Block, and (i) if the Coach Member concurs that the Block is in Delivery Condition, the Coach Member shall thereupon be deemed to have accepted delivery of possession of such Block, subject to any punch-list items noted during such walk-through which shall be completed by Developer, any latent defects and any other defects, omissions, or failures in Delivery Condition not readily ascertainable by a visual inspection, or (ii) if the Coach Member concludes such Block is not in Delivery Condition, the Coach Member shall specify and list in reasonable detail all items of work asserted to be incomplete which result in the Delivery Condition not having been achieved. Notwithstanding the foregoing, the Coach Member may (but shall have no obligation), upon any walk-through, concur that one or more whole (but not partial) floors within a Block are in Delivery Condition (but not the balance of such Block), in which case the Coach Member may (but shall have no obligation to) accept delivery of such floor or floors (but not of the balance of such Block).

(c) Without limiting the foregoing provisions of Section 8.02(b) with respect to Delivery Condition, the parties agree that the delivery to, and acceptance by, the Coach Member of any Block, or any performance of Coach Finish Work by the Coach Member on any floor or floors of such Block, will not constitute Substantial Completion.

(d) Without limiting the obligations of Developer under Section 6.02, if Developer shall (i) fail to deliver any Block in its Delivery Condition to the Coach Member on or prior to the date specified for such delivery on the Block Delivery Schedule or (ii) fail to complete or cause to be completed any Major Milestone Event on or prior to the applicable Major Milestone Outside Date or (iii) otherwise delay (in violation of this Agreement) the Coach Member's completion of the Coach Finish Work, then (A) the Coach Member shall have the right to take any actions and incur any expenses (including, without limitation, the expenditure of additional monies and the performance of overtime work) which the Coach Member believes in good faith would reasonably be expected to mitigate any delay to the Coach Finish Work resulting from Developer's failure to so deliver any such Block, complete or cause the completion of any Major Milestone Event on or prior to the applicable Major Milestone Outside Date, or Developer otherwise delaying (in violation of this Agreement) the Coach Member's completion of the Coach Finish Work, and any and all such actual out-of-pocket expenses so incurred by the Coach Member shall be reimbursed by Developer within ten (10) days of the Coach Member's demand therefor, and (B) Developer shall pay to the Coach Member all Coach Holdover Costs and other actual out-of-pocket losses, costs, expenses and damages (but not any punitive, speculative or special damages) resulting from the Coach Member's inability to perform or complete timely the Coach Finish Work and occupy timely the Coach Unit as a result of any such delay, such payment to be due as and when incurred and within ten (10) days after demand by the Coach Member (such payments to be made timely within such time periods without regard to the existence or pendency of any dispute with respect thereto as provided below, but subject to true-up based on the resolution of any such dispute, if applicable). The obligation of Developer to make the payments set forth in this Section 8.02(d) is guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty, and neither the Coach Contingency nor any portion of the Coach Unit Loan may be used to pay such amount to the Coach Member or to "cover" such amount. Nothing contained in this Section 8.02(d) shall in any way limit any rights or remedies of the Coach Member set forth in this Agreement or the Operating Agreement or otherwise with respect to any such delay or affect any of Developer's obligations to the Coach Member with respect thereto (except to the extent any such delay is actually mitigated or eliminated). Any dispute regarding whether (x) the Coach Member's mitigation efforts were made in good faith or (y) the incurrence by the Coach Member of costs (but not the amount thereof) in connection therewith was reasonable giving due regard to the nature of the delay in question or (z) with respect to a claim under clause (iii) above, whether Developer has otherwise delayed the Coach Member's completion of the Coach Finish Work in violation of this Agreement, in each case shall be submitted to Arbitration pursuant to the provisions of Article 14.

Section 8.03 Site Logistics Procedures. Simultaneously herewith, Developer has prepared and the Coach Member has approved the preliminary plan and written procedures for logistics, hoisting and access which is attached hereto as Exhibit V attached hereto (the "Preliminary Site Logistics Plan"). Developer shall amend and expand upon the Preliminary Site Logistics Plan as may be reasonably necessary or desirable to (a) further accommodate for the side-by-side performance of (i) the Developer Work and Base Building Work and (ii) the Coach Finish Work, (b) further address procedures for coordination by Coach's Consultants and Developer's Consultants with respect to the sharing of the Building hoist and loading docks during the performance of Developer Work and the Coach Finish Work, and (c) without duplication of any amounts otherwise included in Coach Total Development Costs, properly allocate the equitable sharing of costs associated therewith; provided, that Developer shall consult with the Coach Member in developing any such amendments or materials and shall obtain the Coach Member's prior written consent to any such amendment to, or other expansion of, the Preliminary Site Logistics Plan (or new such Plan or procedures) (which consent shall not be unreasonably withheld or delayed). The Preliminary Site Logistics Plan and any revisions or additions to the Preliminary Site Logistics Plan (or any new like plan or procedure) (collectively, the "Site Logistics Procedures"), and Developer and the Executive Construction Manager in implementing same, shall: (i) not discriminate against the Coach Member (e.g., favor the Fund Member or its occupants), it being understood, however, that Base Building Work shall have priority over Coach Finish Work (but Coach Finish Work shall have priority over any other Finish Work); (ii) ensure that, as of the Substantial Completion Date, the Coach Member shall have the exclusive use of (and regular access to) the Coach Elevators and the Coach Lobby (provided that such exclusive use shall be subject to the completion of Punch List Work); (iii) following the delivery of any Block to the Coach Member in Delivery Condition, allow the Coach Member orderly and regular access to those areas of the Building outside the Coach Areas (including the roofs) which the Coach Member must access to perform the Coach Finish Work and for commissioning of Coach Exclusive Systems and Coach Shared Building Systems; (iv) following the delivery of any Block to the Coach Member in Delivery Condition, provide that the Coach Member is provided with temporary utilities, to perform Coach Finish Work, if available under normal construction sequencing (it being understood that the Coach Member shall have permanent utility power and HVAC in the Coach Unit at and as a condition of Substantial Completion); and (v) following the delivery of any Block to the Coach Member in Delivery Condition, provide the Coach Member non-exclusive access to, and use of, construction hoists, freight elevators, loading docks, staging areas (outdoor or indoor as appropriate) and other services and facilities (each if and to the extent operational) for use by the Coach Member, Coach's Consultants and their respective workers and vendors; in all cases, the Coach Member and Developer hereby agreeing to coordinate side-by-side performance of the Base Building Work and the Coach Finish Work in accordance with the Site Logistics Plan. The Site Logistics Procedures shall not impose, at any time, any cost or charge or fees for access to or through, or use of, any facilities or areas in the Building; provided, that Developer shall have the right to restrict the Coach Member's access to certain non-common areas of the Building, to the extent reasonably necessary to complete the Developer Work or the Base Building Work, so long as such restriction of access shall not affect the Coach Member's ability to timely perform the Coach Finish Work or occupy the Coach Areas for the normal conduct of business in the ordinary course. The Site Logistics Procedures shall not impose, at any time, any cost or charge or fees for utilities (other than as set forth in the Budget) or general conditions items (other than as set forth in the Cost Allocation Methodology). Notwithstanding the foregoing, the Coach Member understands and agrees that it may be required to pay additional general conditions costs (e.g., overtime or utilities) in connection with the performance of the Coach Finish Work, but under no circumstances shall the Coach Member be charged for costs it is already paying for through (or as part of) the Coach Total Development Costs; provided, that from the date of the Delivery of the first Block in Delivery Condition until Final Completion, Developer shall be responsible for any and all costs of installing and commissioning the permanent perimeter heating units in the Coach Unit during the performance of Coach Finish Work (it being understood and agreed that the Coach Member shall be responsible for maintaining, and for all costs of operating, such perimeter heating units in the Coach Unit).

Section 8.04 Performance of Coach Finish Work; Coach Work Delay. (a) Developer understands that the Coach Member may perform the Coach Finish Work both prior to and after the Substantial Completion Date and the Closing Date. The Coach Member understands that its contractors and subcontractors performing any Coach Finish Work, whether prior to or after the Substantial Completion Date or the Closing Date and until Developer completes all of its work in the Base Building, will be subject to the direction and coordination of Developer in accordance with the Site Logistics Plan. The Coach Member shall comply with the Site Logistics Procedures, and shall repair any damage to the Building caused by the Coach Member or its contractors and subcontractors in the performance of any Finish Work.

(b) If the Coach Member shall perform any Coach Finish Work prior to the Substantial Completion Date on any Block delivered to the Coach Member in accordance with Section 8.02 and the Coach Member reasonably anticipates that such performance of Coach Finish Work shall result in an actual delay in the Substantial Completion of Developer Work or Developer obtaining a temporary certificate of occupancy for the Building, the completion of Punch List Work within the agreed-upon time periods to complete such Punch List Work, the Coach Member shall promptly notify Developer thereof. If (i) prior to the Substantial Completion Date on any Block delivered to the Coach Member in accordance with Section 8.02, the Coach Member shall perform Coach Finish Work with respect to such Block in a manner that is not consistent with good construction practices for comparable projects in New York City and the Site Logistics Procedures (taking into account the side by side performance of (x) the Developer Work and Base Building Work and (y) the Coach Finish Work contemplated under this Agreement), and such performance of Coach Finish Work results in an actual delay in the Substantial Completion of the Developer Work, (ii) the Coach Member fails to comply with its obligations under this Agreement and such failure results in an actual delay in the Substantial Completion of the Developer Work or an actual delay in the completion of Punch List Work within the agreed-upon time periods to complete such Punch List Work, or (iii) Coach's Architect or Coach's Consultants act in a manner that is outside the scope of their engagement in connection with the Project and inconsistent with this provisions of this Agreement and such actions result in an actual delay in the Substantial Completion of the Developer Work or an actual delay in the completion of Punch List Work within the agreed-upon time periods to complete such Punch List Work (each of clauses (i)-(iii), a "Coach Work Delay"), then, as applicable, the Developer Work shall be deemed to have been Substantially Completed (solely for purposes of Developer's obligation to substantially complete in accordance with the Schedule) on the date it would have been Substantially Completed but for such delay, such Punch List Work shall be deemed to have been completed (solely for purposes of Developer's obligation to complete the same within the agreed-upon time periods) on the date it would have been completed but for such delay, as applicable. If Developer fails to notify the Coach Member of any delay that could become a Coach Work Delay within five (5) Business Days after Developer becomes aware of such delay, then such delay shall not be deemed to have occurred until Developer gives notice to the Coach Member of such delay. Any calculation of Coach Work Delay shall be made on a net basis taking into account actual time savings, if any, resulting from any acts of the Coach Member, Coach's Architect, Coach's Consultants or any of such parties' agents, employees or contractors. If Developer or the Coach Member believes that any Coach Work Delay (or any delay which may result in a Coach Work Delay) might be mitigated by the expenditure of additional money or the performance of overtime work, Developer or the Coach Member, as applicable, may give notice thereof to the other party setting forth in reasonable detail Developer's or the Coach Member's, as applicable, proposed plan of mitigation. In addition, if requested by the Coach Member, Developer shall endeavor to propose a plan that, in Developer's reasonable judgment, might mitigate the Coach Work Delay in question. If, in Developer's reasonable judgment, the Coach Member's mitigation plan or Developer's mitigation plan will reduce or eliminate said Coach Work Delay and will not otherwise cause a disruption in the Schedule, Developer shall notify the Coach Member of Developer's estimate of such expenditure or the amount of such overtime work, and the Coach Member shall have the right to pay such additional money (as finally determined) or to cause such overtime work to be performed at the Coach Member's sole cost and expense, in either case by giving notice thereof to Developer within ten (10) days after the Coach Member was given such notification by Developer. The payment of such additional money by the Coach Member or the performance of such overtime work at the Coach Member's expense shall be in addition to, and separate from, the Coach Total Development Costs and shall not be subject to the Coach Costs Cap, shall not affect the obligations of the Coach Member with respect to such Coach Work Delay (to the extent such delay shall not be mitigated or eliminated), and shall be guaranteed by the Coach Guarantor subject to and in accordance with the Coach Guaranty. Any dispute with respect to the existence or duration of any Coach Work Delay shall be submitted to Arbitration pursuant to the provisions of Article 14.

(c) The performance of any Developer Work or Finish Work, including, without limitation, the Coach Finish Work, or any other work in the Project, shall not be carried out in a manner which would violate the Project Labor Agreement or any other union contracts affecting the Project (provided that any such other union contracts shall be subject to the Coach Member's prior written approval to the extent such contracts would impose any obligations or restrictions on the Coach Member or any Coach Finish Work would otherwise fall under the purview thereof), or create any work stoppage, picketing, labor disruption or labor disharmony. If Developer Work is performed using union labor, the Coach Finish Work shall also be performed using union labor.

Section 8.05 Cost of Performing Coach Finish Work. The cost of Coach Finish Work shall not be the responsibility of the Developer, the Building C JV or any of its subsidiaries or the Fund Member, but shall be at the sole cost and expense of the Coach Member.

ARTICLE 9.
INSPECTION RIGHTS DURING CONSTRUCTION; SUBSTANTIAL COMPLETION; DELAYS IN ACHIEVING SUBSTANTIAL COMPLETION; PUNCH LIST; WARRANTIES; DEFECTIVE WORK

Section 9.01 Inspection by the Coach Member During Construction; On-Going Consultation. The Coach Member and its representatives (including Coach's Consultants) will have the right, at the Coach Member's expense, and on reasonable notice between the hours of 8:00 a.m. and 3:00 p.m. and at all other times during which a hoist or any other vertical transportation is in operation at the Building, to inspect from time to time any construction work being performed by or on behalf of Developer if such work comprises or relates to the Developer Work or if the cost of such work (or any portion thereof) will be included in the Coach Total Development Costs (including, without limitation, work on the exterior of the Building). Without limiting the foregoing, once each month on the date established by Developer as the inspection date for purposes of preparing the monthly Draw Request, the Coach Member and its representatives shall have the right to observe the construction work performed since the prior inspection (if and to the extent such work comprises or relates to the Developer Work or if the cost of such work (or any portion thereof) shall be included in the Coach Total Development Costs) for the purpose, inter alia, of confirming whether such work is in conformance with the Plans for such work. Inspection by the Coach Member pursuant to the provisions of this Section 9.01 or the Coach Member's failure to give a Construction Objection Notice, will not, however, be construed as acceptance by the Coach Member or the Coach Member's representatives of work which is defective, incomplete, or otherwise not in compliance with the Plans, or as a waiver by the Coach Member of any rights under this Agreement, or as a release by the Coach Member of Developer or any of Developer's contractors or any surety from any warranty, guarantee, or obligation provided under this Agreement or the Plans or the applicable construction contract(s). Any inspection performed by the Coach Member or its representatives shall be performed in compliance with the Project site safety plan. The Coach Member acknowledges that its right to inspect the Base Building Work hereunder shall give it no right to direct any portion of the work except as provided in this Agreement. If the Coach Member objects to any such aspect of the construction being performed by or on behalf of Developer or, in the course of its visual inspection, becomes aware that any Developer Work is defective, incomplete or otherwise not in compliance with the Plans, the Coach Member shall give Developer written notice within five (5) Business Days or such longer period of time as is reasonable under the circumstances after the Coach Member becomes so aware of the same (such notice, and each subsequent objection notice as contemplated in the further provisions of this Section 9.01, a "Construction Objection Notice") detailing such objection(s). If the Coach Member gives a Construction Objection Notice, the Project Architect and Coach's Architect will consult and meet at least twice in an effort to resolve any issues within ten (10) Business Day of receipt by Developer of any Construction Objection Notice from the Coach Member. If the Project Architect and Coach's Architect are unable to resolve any dispute as to whether any Developer Work is defective, incomplete or otherwise not in compliance with the Plans or are otherwise unable to agree on a course of action that addresses the Coach Member's objection(s) within such ten (10) Business Day period, then either the Coach Member or Developer may submit the matters still in dispute to Arbitration, to be resolved in accordance with the provisions of Article 14 by the Work Dispute Arbiter.

Section 9.02 Substantial Completion of Coach Unit; Punch List; Acceptance Procedure. Developer and the Coach Member agree that the following procedures shall apply to determine when Substantial Completion has been achieved:

(a) Developer shall give the Coach Member at least one hundred eighty (180) and then ninety (90) days' prior notice of Developer's good faith estimate of the Substantial Completion Date (it being understood that such dates shall constitute estimates only and shall in no way affect the actual occurrence of Substantial Completion).

(b) When Developer considers that Substantial Completion has occurred, Developer shall submit to the Coach Member (i) a Certificate of Substantial Completion, together with appropriate back-up and related materials (e.g., a temporary certificate of occupancy), (ii) a proposed punch list (the "Proposed Punch List"), listing all Punch List Work items to be performed by Developer following the Substantial Completion Date, and (iii) the outside date(s) by which Developer expects each item or group of items listed on the Proposed Punch List to be completed. Within ten (10) Business Days after the Coach Member's receipt of the aforesaid deliveries, the Coach Member, Coach's Architect, Coach's Consultants, Developer and the Project Architect shall conduct one or more inspection(s) of the Building to confirm whether Substantial Completion has occurred (and the Substantial Completion Date) and, further, but subject to Section 9.02(c), to confirm the Punch List Work to be performed and the outside dates by which the items of Punch List Work will be expected to be completed (such dates being hereinafter referred to as the "Punch List Work Completion Dates").

(c) If the Coach Member believes that Substantial Completion has not yet occurred, or if the Coach Member objects to (or believes corrections or additions are required to be made to) the Proposed Punch List or the dates by which the items or group of items listed on the Proposed Punch List will be completed, the Coach Member shall give Developer notice (such notice, and each subsequent objection notice as contemplated in the further provisions of this Section 9.02(c), an "Exceptions Notice") within ten (10) Business Days following the Coach Member's receipt of the Proposed Punch List (or any revised Proposed Punch List resubmitted to the Coach Member for its approval) detailing (i) the conditions to Substantial Completion which the Coach Member believes have yet to be achieved, if any, or (ii) revisions to the Proposed Punch List, if any, or to the dates proposed for completion of the Punch List Work. Developer and the Coach Member shall cooperate and proceed expeditiously to confirm the Substantial Completion Date, the Punch List Work and the dates for completion of the Punch List Work, and shall perform such additional inspections of the Building as shall be required to confirm such date and lists. The term "Punch List" means the Proposed Punch List, as amended following resolution by Developer and the Coach Member or by the Work Dispute Arbiter in an Arbitration of any dispute with respect thereto (including in respect of the dates for completion of the Punch List Work). The term "Punch List Work" means, collectively, minor or insubstantial details of construction, decoration, mechanical adjustment or installation the non-completion of which does not prevent the use and occupancy of the Coach Areas for their intended purposes.

(d) If Developer and the Coach Member are unable to agree on whether the construction-related conditions of Substantial Completion have occurred (or the additional work required to achieve same has occurred) or on the Punch List (including the dates set forth therein) within ten (10) Business Days after Developer's receipt of an Exceptions Notice, then either the Coach Member or Developer may submit the matters still in dispute to Arbitration, to be resolved in accordance with the provisions of Article 14 by the Work Dispute Arbiter.

(e) If the parties determine (or it is determined pursuant to Arbitration) that additional work is required in order to achieve Substantial Completion, Developer shall cause such work to be performed with due diligence and Developer shall deliver a new Certificate of Substantial Completion (and revised Proposed Punch List, as appropriate) and the same procedure (including, without limitation, as to inspections and delivery of Exceptions Notices, and timing for delivery of Exceptions Notices) shall be repeated to the extent necessary until it is determined that Substantial Completion has occurred and the Punch List has been agreed upon.

(f) If the Coach Member fails to deliver an Exceptions Notice to Developer within any of the ten (10) Business Day period(s) referred to in Section 9.02(c), Developer may send notice to the Coach Member of such failure and if the Coach Member does not respond or object, in reasonable detail, to such notice within five (5) Business Days after receipt of the same, then the Coach Member shall have waived its right to deliver an Exceptions Notice and the Certificate of Substantial Completion (or revised Certificate of Substantial Completion) and the Proposed Punch List (or the revised Proposed Punch List or revised Punch List Work Completion Dates, as the case may be) shall be deemed approved by the Coach Member.

(g) Notwithstanding any provision of this Agreement to the contrary, any agreement regarding Substantial Completion, and any resolution by Arbitration of any dispute regarding Substantial Completion or the Substantial Completion Date, shall not preclude the Coach Member from asserting any claims for latent defects. Further, notwithstanding any provision of this Agreement to the contrary, the parties further agree that any agreement regarding Substantial Completion or the Substantial Completion Date, and any resolution by Arbitration of any dispute regarding Substantial Completion, shall not finally resolve, nor shall it preclude the Coach Member from auditing or questioning (in the manner provided for in this Agreement), the Coach Total Development Costs or the cost of any item of work performed to achieve Substantial Completion or the allocation of any such costs to the Coach Member.

(h) If the only matter in dispute regarding Substantial Completion is (are) the date(s) on which particular items of Punch List Work (is) are expected to be completed, then, notwithstanding any provision of this Agreement or the Operating Agreement to the contrary, the parties will proceed with the Closing in accordance with the applicable provisions of the Operating Agreement.

Section 9.03 Delay in Achieving Substantial Completion. Without limiting the provisions of Section 6.02 or Section 8.02 or any applicable provisions of the Operating Agreement or any of the Coach Member's other rights or remedies, if Developer does not achieve Substantial Completion by June 1, 2015 (as such date may be extended on a day-for-day basis by reason of Force Majeure, Coach Change Delays extending beyond the Change Order Grace Period, or Coach Work Delays), then (a) the Coach Member shall have the right to take any actions and incur any expenses (including, without limitation, the expenditure of additional monies and the performance of overtime work) which the Coach Member believes in good faith would reasonably be expected to mitigate any delay to the Coach Finish Work or the ability of the Coach Member to commence occupying the Coach Unit for the normal conduct of business in the ordinary course resulting from Developer's failure to so achieve Substantial Completion, and any and all such actual out-of-pocket expenses so incurred by the Coach Member shall be reimbursed by Developer within ten (10) days of the Coach Member's demand therefor, and (b) Developer shall pay to the Coach Member all Coach Holdover Costs and other actual out-of-pocket losses, costs, expenses and damages (but not any punitive, speculative or special damages) resulting from the Coach Member's inability to perform or complete timely Coach Finish Work and commence occupying the Coach Unit for the normal conduct of business in the ordinary course on or prior to June 1, 2015 (as such date may be extended on a day-for-day basis by reason of Force Majeure, Coach Change Delays extending beyond the Change Order Grace Period, or Coach Work Delays) as a result of such delay, such payment to be due as and when incurred and within ten (10) days after demand by the Coach Member (such payments to be made timely within such time periods without regard to the existence or pendency of any dispute with respect thereto as provided below, but subject to true-up based on the resolution of any such dispute, if applicable). The obligation of Developer to make the payments set forth in this Section 9.03 is guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty, and neither the Coach Contingency nor any portion of the Coach Unit Loan may be used to pay such amount to the Coach Member or to "cover" such amount. Nothing contained in this Section 9.03 shall in any way limit any rights or remedies of the Coach Member set forth in this Agreement or the Operating Agreement or otherwise with respect to any such delay or affect any of Developer's obligations to the Coach Member with respect thereto (except to the extent any such delay is actually mitigated or eliminated). Any dispute regarding whether (i) the Coach Member's mitigation efforts were made in good faith or (ii) the incurrence by the Coach Member of costs (but not the amount thereof) in connection therewith was reasonable giving due regard to the nature of the delay in question shall be submitted to Arbitration pursuant to the provisions of Article 14.

Section 9.04 Contractor Warranties; Defective Work; Latent Defects. (a) Developer has included in the Executive Construction Management Agreement and in each hard cost contract which governs (in whole or in part) the performance of any Developer Work entered into prior to the date hereof, and agrees that it shall use its Best Efforts to include in each hard cost contract which governs (in whole or in part) the performance of any Developer Work entered into after date hereof), warranty/guaranty provisions customary for the type or category of work involved in projects of similar scope and character as the Project, which are assignable as contemplated herein (any such, a "Contractor Warranty") under which the Executive Construction Manager or the respective contractor will be required, at its (or their) expense, to repair, replace, or correct any work which is incorrect, inadequate, defective, incomplete, omitted or not in compliance with the applicable Plans and this Agreement (any such, "Defective Work") for a period after completion by such contractor as is customary for such type or category of work. Developer shall use Best Efforts, also, to obtain the agreement of the Executive Construction Manager and each contractor that (i) the Condominium shall be a third-party beneficiary of (and, in any event, a permitted assignee of), and may enforce directly, the Contractor Warranty as to any work performed in respect of the Common Elements (including any Coach Areas, to the extent they are Common Elements, and any Coach Shared Building Systems and Areas) (Developer agreeing to ensure, or cause the Executive Construction Manager to ensure, that each such Condominium Warranty is severable and assignable (in whole and in part) and to assign, or cause the Executive Construction Manager or each contractor to assign, such warranties to the Condominium on creation of the Condominium or when the contractor completes its work in the Base Building, if later (any such assigned warranties, the "Condominium Warranty")), and (ii) the Coach Member shall be a third-party beneficiary of (and, in any event, a permitted assignee of), and may enforce directly, any Contractor Warranty covering work performed in the Coach Areas or to the Coach Exclusive Systems and the Coach Elevators (any such warranty, a "Coach Warranty") (Developer agreeing to ensure, or cause the Executive Construction Manager to ensure, that each such Coach Warranty is severable and assignable (in whole and in part) and to assign, or cause the Executive Construction Manager or each contractor to assign, such warranties to the Coach Member at the later of the completion of all work by such contractor or at the Closing). Each Contractor Warranty that is not either a Condominium Warranty or a Coach Warranty shall be assigned to Legacy Tenant or Legacy Tenant shall be a third-party beneficiary thereunder and may enforce such Contractor Warranty with respect to work performed in respect of the Fund Member Units. If the Executive Construction Manager or a contractor raises ongoing claims with Developer as a defense in any claim by the Coach Member for Defective Work against such contractor, then Developer will remain responsible to use Developer's Best Efforts to enforce the applicable Contractor Warranty, including any Coach Warranty, in accordance with its terms and conditions so as to cause the Executive Construction Manager or such contractor, at the Executive Construction Manager's or such contractor's expense (as the case may be), to repair, replace, or correct such Defective Work, but Developer shall have no liability, except as otherwise expressly provided in this Agreement, for any failure of the Executive Construction Manager or any contractor to repair, replace, or correct such Defective Work; provided, that the foregoing shall in no event limit Developer's obligation to cure or correct Defective Work as provided in Section 9.05. The Coach Member shall have the right to review and reasonably approve any Developer's Consultant's proposal for remedying or addressing any Defective Work.

(b) Any dispute as to whether Developer has used Best Efforts to enforce a Coach Warranty shall be submitted to Arbitration to be resolved in accordance with the provisions of Article 14.

(c) Notwithstanding any provision of this Agreement to the contrary, if in the course of performing the Coach Finish Work or at any other time, the Coach Member discovers Defective Work in any Developer Work, and if the Defective Work is covered by a Coach Warranty or a Condominium Warranty, then, until such time as Developer assigns the applicable Contractor Warranty to the Coach Member or the Condominium Board (as applicable), Developer shall use Best Efforts to enforce any applicable Coach Warranty or Condominium Warranty so as to cause the contractor to correct or replace the Defective Work, but Developer shall have no liability, except as otherwise expressly provided in this Agreement, for any failure of the Executive Construction Manager or any contractor to repair, replace, or correct such Defective Work; provided, that the foregoing shall in no event limit Developer's obligation to cure or correct Defective Work as provided in Section 9.05.

(d) The provisions of this Section 9.04 shall survive the Closing and the termination of this Agreement.

Section 9.05 Developer Warranty. Notwithstanding anything to the contrary contained herein, Developer shall be responsible for curing or correcting, at its sole cost and expense, any Defective Work identified on or prior to the two (2) year anniversary of the Closing Date. The costs of curing or correcting any Defective Work pursuant to this Section 9.05 are guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty. Developer may use the Coach Contingency or any other portion of Coach Total Development Costs (subject to the Coach Costs Cap and only to the extent such costs would otherwise constitute Coach Total Development Costs) to pay any such costs or to "cover" such amount. The provisions of this Section 9.05 shall survive the Closing and the termination of this Agreement.

Section 9.06 Coach Member's Right to Remove Developer Violations. Without limiting the provisions of Section 9.03, if the Coach Member notifies Developer that Developer is not timely removing Developer Violation(s) and that such failure is preventing or delaying the Coach Member from obtaining a temporary certificate of occupancy for the Coach Areas, and if Developer fails within thirty (30) days following receipt of any such notice to remove or cure the Developer Violation, then the Coach Member shall have the right (but not the obligation) to remove such Developer Violation or pay the fine imposed in connection therewith. In such event, Developer shall reimburse the Coach Member for the costs of removing such Violation within ten (10) days of receiving an invoice therefor from the Coach Member. Developer's obligation to pay any amounts to the Coach Member as required in this Section 9.06 is guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty.

Section 9.07 Coach Unit Certificate of Occupancy. Developer shall reasonably cooperate with the Coach Member, at no additional out-of-pocket cost to Developer (unless the Coach Member shall pay for the same), in the Coach Member's efforts to obtain a permanent certificate of occupancy for the Coach Unit that permits office use and any legal uses ancillary thereto (which shall include, as an accessory use (within the meaning of the Zoning Resolution) to the Coach Member's office use (in a manner substantially the same as the Coach Member's current accessory use at 516 West 34th Street, New York, New York), the manufacture and assembly of the Coach Member products on-site, and the use of the Coach Member cafeteria and showrooms for employees and guests).

ARTICLE 10.
COACH TOTAL DEVELOPMENT COSTS; DEVELOPER DEFAULT; ALLOCATION AND USE OF CONTINGENCIES AND SAVINGS; DEVELOPER'S OVERHEAD; HOLDBACKS AND ESCROW; COACH COSTS CAP

Section 10.01 Coach Total Development Costs. (a) The Coach Member shall be responsible for paying the Coach Total Development Costs as and when provided in, and subject to the provisions of, this Agreement and the Operating Agreement (including the Coach Costs Cap). Subject to the satisfaction (or waiver) during the Construction Loan Funding Phase of all conditions precedent to advances of Construction Loan proceeds set forth in the applicable Loan Documents, such obligation of the Coach Member shall not be conditioned upon or contingent upon the funding of any Coach Lender Advance (but shall be subject to the satisfaction (or waiver) of such conditions precedent). Based on the Budget attached to this Agreement as Exhibit D attached hereto, on the date hereof, the Coach Member and Developer budget the Coach Total Development Costs (including the Coach Fixed Land Cost and including the entire Coach Contingency (i.e., assuming that the Coach Contingency is allocated and expended in full on Project Costs allocated to the Coach Member)) to be ***. The Budget is based on the Construction Management Agreement, the existing contracts for hard and soft costs relating to the Developer Work and the balance of the Base Building Work, the current Plans, the current Schedule and the Cost Allocation Methodology (each as approved by the Coach Member and Developer as of the date of this Agreement (subject to the rights of each of Developer and the Coach Member to review and, as applicable, revise from time to time the allocation of costs set forth therein in accordance with the Cost Allocation Methodology and other applicable provisions of this Agreement)). The budgeted Coach Total Development Costs will be increased or decreased from time to time to reflect actual increases or decreases in Project Costs as the same are permitted to be allocated to the Coach Member in accordance with the Cost Allocation Methodology and this Agreement, subject to the Coach Costs Cap, and the Coach Total Development Costs will be finally determined at Final Completion based on the final Project Costs allocated to the Coach Member as provided in Section 13.05.

(b) Without limiting the foregoing, the budgeted Coach Total Development Costs will be increased from time to time to include the following:

(i) subject to the provisions of Section 3.06 and Section 3.07, the aggregate net Total Coach Change Costs (if the same is a positive amount); and

(ii) subject in all events to the Coach Costs Cap, Coach's Allocable Share of all other increases in Project Costs not otherwise allocated in this Section 10.01(b) and which are permitted to be allocated to the Coach Member as provided in this Agreement, including, without limitation, due to (A) Force Majeure events which affect the performance of Developer Work, (B) professional consultant errors or omissions and contractor defaults relating to the design or performance of Developer Work, (C) unforeseen job site conditions (including Field Changes approved by the Coach Member (to the extent such approval is required)), and (D) recovery-effort costs (should Developer seek and obtain recovery from professional consultants, contractors and other third parties relating to the design or performance of Developer Work), which shall, in each case, be reconciled at the time of Substantial Completion or as soon as practicable thereafter and again at Final Completion in accordance with Section 13.05.

(c) Without limiting the foregoing, the budgeted Coach Total Development Costs shall be decreased from time to time to reflect all net savings or decreases in Project Costs, including, without limitation:

(i) Coach's Allocable Share of savings in hard costs;

(ii) Coach's Allocable Share of any reductions in interest cost and of any other soft cost savings, resulting from time savings in the Schedule or early distribution of the Coach Unit;

(iii) subject to the provisions of Section 3.06 and Section 3.07, Coach's Allocable Share of the aggregate net Total Coach Change Costs (if the same is a negative amount), and one hundred percent (100%) of any cost reductions attributable to the elimination of items relating specifically to the Coach Unit from the Developer Work or the transfer of such items to Coach Finish Work; and

(iv) Coach's Allocable Share of insurance or any other cost recoveries that may be obtained or any penalties or delay payments or other amounts paid to Developer by any insurer, the Executive Construction Manager or any contractors or other Persons employed on the Project.

(d) In no event shall the Coach Total Development Costs include or be increased by any of the following:

(i) any costs due to changes in the design of the Developer Work or Base Building Work other than changes to the Developer Work requested by the Coach Member after the date hereof (as set forth in Section 10.01(b)(i)) or as may be required by changes in applicable Law after the date hereof (as set forth in Section 3.04(f)) or as otherwise specifically agreed to by the Coach Member as provided in Section 3.07(b);

(ii) any cost increases in Project Costs incurred by reason of the Schedule for performance of any Developer Work or any Base Building Work not being met or the Schedule for distribution of the Coach Unit not being met, except (subject to Section 3.07(h)) to the extent any such delay is caused by a Coach Change Delay extending beyond the Change Order Grace Period or is otherwise caused by any Coach Work Delay or any failure of the Coach Member to comply with its obligations under this Agreement or the Operating Agreement;

(iii) any costs resulting from (A) any "Default" or "Event of Default" (as such terms are defined in the Loan Documents), except if caused by the Coach Member or its Affiliates, or Coach's Architect or Coach's Consultants, or (B) the failure by any Person (other than the Coach Member or Coach's Architect or Coach's Consultants) to comply with any condition to funding of a Coach Lender Advance or a Third Party Lender Advance, as applicable, under the Loan Documents, this Agreement or the Operating Agreement; it being understood, however, that if the matter comprising the Default or the Event of Default or non-compliance would otherwise give rise to an increase in the Coach Total Development Costs if such matter were not a Default or an Event of Default (e.g., a failure to complete the Project by a certain date due to a Force Majeure event), then, the fact that a Default or an Event of Default or any such non-compliance has occurred shall not preclude an increase in the Coach Total Development Costs which would otherwise be required hereunder; or

(iv) any extension fee or administrative or other similar fee payable to the Third Party Lender during any extension of the Construction Loan (which the Coach Member shall not be obligated to pay, in whole or in part), unless such extension is required solely as a result of a Coach Change Delay extending beyond the Change Order Grace Period or a Coach Work Delay or any failure of the Coach Member to comply with its obligations under this Agreement or the Operating Agreement.

(e) Any disputes between Developer and the Coach Member as to the Coach Total Development Costs shall be resolved by Arbitration as provided in Article 14.

(f) Developer agrees to use Best Efforts to minimize any increases in the Coach Total Development Costs and, in connection therewith, to seek recovery from insurers, professional consultants, contractors and other third parties when appropriate and cost effective to do so.

(g) The parties acknowledge and agree that all Project Costs of any type or nature which are not properly included in the Coach Total Development Costs or otherwise payable by the Coach Member pursuant to this Agreement or the Operating Agreement, and, except as expressly provided herein, any Project Costs that are properly included in Coach Total Development Costs but that would cause the Coach Total Development Costs to exceed the Coach Costs Cap, are the responsibility of the Fund Member pursuant to the terms of the Operating Agreement and are guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty, and neither the Coach Contingency nor any portion of the Coach Unit Loan may be used to pay any such costs. Without limiting the foregoing, the parties further acknowledge and agree that (i) the Coach Total Development Costs shall not include any amounts payable in respect of or attributable to the Third Party Loan or, except to the extent included in Coach Fixed Land Cost or otherwise payable by the Coach Member pursuant to the express terms of this Agreement or of the Operating Agreement, (A) any costs associated with acquiring fee title of the Coach Unit from the MTA in order to effectuate the Closing, including, without limitation, any deposits payable to the MTA and, if applicable, any contributions required to be made to the LIRR Work Fund, (B) any rental or other amounts that may be payable under the Building C Lease (including, if applicable, any rental in respect of Estimated ERY Roof Costs or the LIRR Work Cost Allocable Share or the Guaranteed Default Payments), or (C) any costs of constructing the Podium, and (ii) payment of all such amounts and costs in full are the responsibility of the Fund Member pursuant to the terms of the Operating Agreement and are guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty, and neither the Coach Contingency nor any portion of the Coach Unit Loan may be used to pay any such amounts and costs. Without limiting the foregoing, payment of all of the foregoing costs and amounts (whether by the Fund Member or the Related/Oxford Guarantor) shall not be shall not be conditioned upon or contingent upon the funding of any Third Party Lender Advance.

(h) (i) Subject to the further provisions of this Section 10.01(h), all items of Project Cost that, pursuant to the Cost Allocation Methodology and the applicable provisions of this Agreement and the Operating Agreement, are shared between (A) the Coach Member, on the one hand, and (B) the Fund Member, on the other hand, shall be funded by the applicable parties as incurred, pro rata, in accordance with their respective percentage shares of the applicable item of Project Cost based on the Budget in effect from time to time (without regard for whether the tangible construction material of work corresponding to such cost is being supplied or performed in respect of only one (or more than one but less than all) Units or whether the Cost Allocation Methodology derives a party's ultimate percentage share of such cost item based on a physical or tangible metric (e.g., Façade Contact Area). Thus, for example only, if based on the Budget and the Cost Allocation Methodology, Coach's Allocable Share of Project Costs in respect of the concrete utilized in construction of the Building is [X]% (and, correspondingly, the Fund Member's allocable share of such Project Costs is [Y]%), then each dollar of Project Cost incurred in respect of the Building concrete shall be funded [X]% by the Coach Member and [Y]% by Developer or the Fund Member, notwithstanding the fact that the Building concrete may be utilized with respect to construction of the Coach Unit before it is utilized with respect to construction of any Additional Office Unit.

(ii) The parties acknowledge and agree that: (A) the Coach Member and the Fund Member intend to fund their respective Project Costs (y) first, through Coach Lender Advances and Third Party Lender Advances, respectively, and (z) second, after the final disbursement of Construction Loan proceeds, through their respective contributions of equity capital to the Building C JV; (B) based on Developer's current draw schedule, the Construction Loan is intended to fund monthly during the anticipated period commencing on the date hereof through and including September 2014 (the period of time commencing on the date hereof and ending on the date on which the final advance of Construction Loan proceeds is actually made is referred to herein as the "Construction Loan Funding Phase"); and (C) notwithstanding the foregoing provisions of Section 10.01(h)(i), during the Construction Loan Funding Phase, Coach Lender Advances and Third Party Lender Advances shall be funded in accordance with the fixed *pro rata* percentages set forth in the Construction Loan Agreement rather than in accordance with the provisions of Section 10.01(h)(i). Accordingly, if as a result of the funding of Project Costs through the Construction Loan in the manner described above, the Coach Unit Loan has funded as of the end of the Construction Loan Funding Phase either more or less Coach Total Development Costs than would have been funded had the relative funding of Coach Lender Advances and Third Party Lender Advances been made in accordance with the provisions of Section 10.01(h)(i), then concurrently with the funding by the Coach Member and the Fund Member of the first monthly Draw Request to be funded with equity capital, the following shall apply: (I) in the case of an overfunding of the Coach Unit Loan, Developer shall cause the Fund Member to pay to the Coach Member the amount of such overfunding (without regard to any interest that may have accrued or been paid on such amount), or (II) in the case of an underfunding of the Coach Unit Loan, the Coach Member shall pay to the Fund Member the amount of such underfunding (without regard to any interest that may have accrued or been paid on such amount). Thereafter, the parties shall continue to fund their respective Allocable Shares of Project Costs in accordance with the provisions of Section 10.01(h)(i).

(iii) In addition, the parties acknowledge the additional "true-up" payments of the Coach Fixed Land Cost and other previously incurred Coach Total Development Costs that will be due and payable by the Coach Member pursuant to Section 3.3(c) of the Operating Agreement in connection with the Coach Member's exercise of the Coach Expansion Right thereunder.

(i) Notwithstanding anything to the contrary contained herein or in the Operating Agreement, if Developer (or its Affiliate) enters into a binding agreement with any other purchaser of office space in the Building (other than an Affiliate of Developer or the Fund Member) prior to the Closing which provides for (i) a fixed land cost which is less than $212 per square foot (taking into account all components comprising the Coach Fixed Land Cost), (ii) a development fee or an allocation of Developer's overhead costs which is less (on a per square foot basis) than the Development Fee or the Coach Overhead Costs, respectively, or (iii) otherwise provides for an allocation or methodology of allocation for Project Costs which is more favorable in any material respect to such other purchaser than that provided for herein, then the Coach Total Development Costs payable by the Coach Member under this Agreement and the Operating Agreement will be reduced to equal the amount which the Coach Member would have paid had such more favorable terms been applicable to the Coach Member.

(j) For the avoidance of doubt, the foregoing provisions of this Section 10.01 shall not limit the obligations of the Coach Member under this Agreement to pay any other amounts which pursuant to the terms hereof do not constitute Coach Total Development Costs, as and when required to be paid by the Coach Member pursuant to the terms hereof.

Section 10.02 Developer Default. (a) Without limiting the provisions of Section 10.01, to the extent that the Coach Total Development Costs exceeds the Base Cost, or the cost of the Coach Finish Work is increased or the Coach Member otherwise incurs any other actual loss, cost or expense, in each case as a result of Developer Default(s) (collectively, the "Excess Cost" or "Excess Costs", as applicable), then, notwithstanding any provision of this Agreement to the contrary, Developer shall be liable for the Excess Costs (including interest thereon from the date each such Excess Cost is incurred to the date of recovery at the Interest Rate). The obligations of Developer under this Section 10.02 are guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty and neither Developer nor the Building C JV nor the Fund Member may use or permit the use of the Coach Contingency or any portion of the Coach Unit Loan to pay any such costs or to "cover" such amount.

(b) As used herein, the term "Base Cost" means (i) the sum of (A) the budgeted Coach Total Development Costs shown on the Budget, together with the Coach Contingency shown in the Budget, and (B) any increases in the Coach Total Development Costs as described in Section 10.01(b), less (ii) any decreases in the Coach Total Development Costs as described in Section 10.01(c).

(c) The Coach Member shall notify Developer of any Developer Default within thirty (30) days following the date on which the Coach Member has knowledge of such Developer Default (or the Coach Member shall be deemed to have waived its claim for such alleged Developer Default). In addition, at the Closing, the Coach Member will notify Developer whether it knows of any Developer Default(s) as of such date. The Coach Member shall recognize any cure of a Developer Default(s), whether performed by Developer, the Building C JV, the Fund Member, the Related/Oxford Guarantor or the Third Party Lender; provided, that such recognition shall not entitle Developer, the Building C JV, the Fund Member or the Third Party Lender, to any notice or additional cure period with respect to any Developer Default. As used in this Agreement, the term "the Coach Member knows of" or "the Coach Member has knowledge of" any Developer Default means solely the actual knowledge of Todd Kahn or Mitchell L. Feinberg.

(d) Any dispute regarding a Developer Default, the Excess Cost or the Base Cost shall be submitted to Arbitration to be resolved in accordance with the provisions of Article 14.

(e) Without limiting the foregoing, upon the occurrence and during the continuance of a Developer Default, the Coach Member shall have the right, without prejudice to any other rights and remedies otherwise available to the Coach Member, to (i) obtain equitable relief by way of injunction, or (ii) compel specific performance by Developer of its obligations hereunder (without any need to prove or demonstrate damages).

(f) Without limiting the foregoing, upon the occurrence of any Management Change Event (as defined in the Operating Agreement) or any other event or circumstance which would entitle the Coach Member to assume or acquire control of the day-to-day operation and management of the Building C JV (including, without limitation, the occurrence of certain "Events of Default" under the Operating Agreement), the Coach Member shall have the right, without prejudice to any other rights and remedies otherwise available to the Coach Member, but subject to compliance with the applicable terms of the Loan Documents (or waiver thereof by the Third Party Lender) and the Project Documents (or the waiver thereof by the MTA or IDA, as applicable), to terminate this Agreement and Developer's rights under this Agreement upon delivery of a termination notice to Developer and to appoint or engage, or cause the Building C JV to appoint or engage, an Approved Replacement Developer for the Developer Work and the Base Building Work in accordance with the terms of the Operating Agreement.

(g) The failure or delay by the Coach Member in exercising any right, power or privilege shall not operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise.

(h) The provisions of this Section 10.02 shall survive the Closing and the termination of this Agreement.

Section 10.03 Intentionally Omitted.

Section 10.04 Allocation and Use of Contingencies in Budget; Allocation of Cost Savings. (a) The hard and soft cost contingencies have been allocated in the Budget and under the Loan Documents among the Coach Unit and the Fund Member Units all as set forth in the Budget and the Loan Documents. The contingencies allocated to the Coach Member, as shown in the Coach Contingency line-items in the Budget (including for hard costs and soft costs), are referred to herein, collectively, as the "Coach Contingency". Cost increases or adjustments in Project Costs, and the application or use of any contingency, including the Coach Contingency, will continue to be reflected in any amended Budget on a Unit-by-Unit basis (i.e., among the Coach Unit and the Fund Member Units) in the manner currently shown in the Budget and Loan Documents.

(b) Developer may request the Coach Lender to advance funds out of the Coach Contingency to pay for the Coach Total Development Costs for which the Coach Member is responsible under this Agreement, but not if such costs arise from Developer Defaults or, except as expressly provided in this Agreement, exceed the Coach Costs Cap, subject to the provisions of this Agreement and compliance with the applicable terms of the Loan Documents; provided, Developer may not utilize any portion of the Coach Contingency that would exceed, on a percentage basis, the percentage completion of the Developer Work at the time in question plus ten percent (10%). For example, if percentage completion of the Developer Work at the time in question is forty percent (40%), then fifty percent (50%) of the Coach Contingency may be applied in accordance with the provisions of this Section 10.04(b).

(c) Developer may re-allocate Coach's Allocable Share of any Project Cost savings to the Coach Contingency and use such savings to fund the Coach Total Development Costs, subject to the provisions of this Agreement and compliance with the applicable requirements of the Coach Lender or the Third Party Lender under the Loan Documents; provided, that such reallocation shall not affect the calculation of Base Cost under Section 10.02(b).

Section 10.05 Developer's Overhead. Developer and the Coach Member have agreed to an "overhead budget and staffing plan" which sets forth a staffing plan and a line-item budget and contingency for overhead items attributable to the Coach Unit. The Budget reflects a cost of *** (the "Coach Overhead Costs") which the Coach Member agrees to pay, subject to the provisions of Section 10.07, and as part of the Coach Total Development Costs, provided that Developer adheres to such budget and staffing plan, as follows:

(a) *** of the Coach Overhead Costs monthly on a percentage of completion basis until Substantial Completion (thus leaving, based on the current Schedule, *** of the Coach Overhead Costs unpaid at such time); and

(b) the remaining *** of the Coach Overhead Costs will be earned and payable on the date on which the Coach Member first commences occupying the Coach Unit for the normal conduct of business in the ordinary course.

The parties agree that if there are material deviations from the overhead budget and staffing plan (in the implementation of the Project), Developer and the Coach Member will re-visit the overhead budget and staffing plan and the costs set forth therein. The Coach Member will have the right to audit the matters set forth in the overhead budget and staffing plan in the audits it conducts (to confirm that Developer is complying in all material respects with the staffing plan and other expectations set forth in the "overhead budget and staffing plan") in accordance with the provisions of Section 4.03 and Section 13.05. In no event shall the Coach Total Development Costs include any Coach Overhead Costs in excess of $*** (the "Coach Overhead Cap"). The provisions of this Section 10.05 shall survive the Closing and the termination of this Agreement for a period of three (3) years following Final Completion.

***** Confidential Treatment Requested**

Section 10.06 Holdbacks and Escrows. As more particularly set forth in the Operating Agreement, at Closing, the Coach Member shall (a) be entitled to holdback from its payment of the Coach Total Development Costs an amount equal to the product of (i) 125% and (ii) the reasonably estimated cost to complete the items set forth in the Punch List, which funds will be released as such Punch List Work is completed (with the balance, if any, being paid upon final completion of all Punch List Work), and (b) deposit into an escrow account a portion of the Coach Total Development Costs equal to 105% of the cost of all disputed items of Coach Total Development Costs as of the Closing Date (not in excess of $12,500,000), which funds will be released as such dispute(s) are resolved as provided in Section 10.01(e).

Section 10.07 Cap on Coach Total Development Costs. Notwithstanding anything to the contrary contained herein or in the Operating Agreement, in no event shall the Coach Total Development Costs payable by Coach (whether pursuant to this Agreement or the Operating Agreement or otherwise) exceed the maximum aggregate sum of (a) the Coach Fixed Land Cost plus (b) the product of (i) *** multiplied by (ii) the total rentable square feet of the Coach Unit (which will include, for the avoidance of doubt, and without duplication, (A) the total rentable square feet of Office Unit 2A, if the Coach Expansion Right is exercised with respect to Office Unit 2A, or (B) the total rentable square feet of Office Unit 2A and Office Unit 2B, if the Coach Expansion Right is exercised with respect to Office Unit 2A and Office Unit 2B) plus (c) subject to the provisions of Section 3.06 and Section 3.07, the aggregate net Total Coach Change Costs (if the same is a positive amount) (such sum, the "Coach Costs Cap"). The parties acknowledge and agree that the Coach Total Development Costs shall not include any interest and other financing costs pertaining solely to the Coach Unit Loan (i.e., commitment fees, title insurance premiums payable with respect to the Coach Lender's title policy, the Coach Lender's legal fees and disbursements, and interest on the Coach Unit Loan), and that the Coach Member shall be responsible for such costs and expenses outside of the Coach Costs Cap. In addition, the parties acknowledge and agree that with respect to the items set forth on Exhibit O attached hereto (the "Coach TI Items"), the actual cost of each Coach TI Item shall be included in Coach Total Development Costs and the Budget contains allowances therefor (which are reflected in the budgeted figure for Coach Total Development Costs set forth in Section 10.01(a)), but that any excess of the actual costs thereof in the aggregate over the aggregate of such allowances shall not be subject to the Coach Costs Cap. The provisions of this Section 10.07 shall survive the Closing and the termination of this Agreement.

Section 10.08 Coach Fixed Land Cost. (a) On or prior to the date hereof, the Coach Member has funded, as part of its Initial Capital Contribution (as defined in the Operating Agreement) to the Building C JV or from the proceeds of the Coach Unit Loan, an amount equal to *** (subject to Section 10.01(i)) of the Coach Fixed Land Cost as of the date hereof. Subject to Section 10.01(i), the Coach Member shall pay, or cause the Coach Lender to advance Coach Unit Loan proceeds to pay, as part of the Coach Total Development Costs, the balance of the Coach Fixed Land Cost as follows:

(i) the balance of the Coach Fixed Land Cost less the portion of the Coach Fixed Land Cost equal to the amount described in clause (ii) below will be paid monthly on the basis of the percentage of completion of the Required Podium Infrastructure until construction of the Required Podium Infrastructure is completed; and

(ii) a portion of Coach Fixed Land Cost equal to the sum of (A) *** plus (B) either (y) *** if the Coach Expansion Right is exercised with respect to Office Unit 2A or (z) *** if the Coach Expansion Right is exercised with respect to Office Unit 2A and Office Unit 2B, will be paid at, and upon the occurrence of, the Closing.

(b) Developer or the Fund Member shall submit to the Coach Member a request for funding of any installment of the Coach Fixed Land Cost not less than ten (10) Business Days prior to the date on which such funding is to be made, except if such installment of the Coach Fixed Land Cost is to be funded, in whole or in part, from proceeds of the Coach Unit Loan, such submission shall be made no later than two (2) Business Days before the date the applicable request for disbursement of proceeds is made under the Coach Unit Loan. Each request for payment of any monthly installment of the Coach Fixed Land Cost pursuant to clause (i) of Section 10.08(a) shall include a breakdown in reasonable detail as to the calculation of the applicable portion of the Coach Fixed Land Cost for which request is being made for payment and a certification from the certification from the Project Architect to Legacy Tenant setting forth, in reasonable detail, the percentage of completion of the Required Podium Infrastructure, which percentage of completion shall be subject to confirmation by Coach's Consultants. If the Coach Member wishes to dispute the calculation of all or any portion of the Coach Fixed Land Cost for which request is being made for payment (including, without limitation, the percentage of completion achieved), the Coach Member shall deliver notice to Developer within five (5) Business Days (or such longer period as may be reasonable under the circumstances) of the date such request for payment is delivered to the Coach Member, which notice shall set forth, in reasonable detail, the basis for such the Coach's Member's dispute. If the parties are unable to resolve such dispute within ten (10) Business Days after delivery of such notice, then either party may submit such dispute to Arbitration to be resolved in accordance with the provisions of Article 14. If the Coach Member shall deliver notice of dispute as aforesaid, then the Coach Member shall have no obligation to pay any portion of the Coach Fixed Land Cost for which payment is being disputed until such dispute is resolved, except as otherwise agreed by the Coach Member and Developer while working in good faith to resolve such dispute.

Section 10.09 Coach Guaranty. All payment obligations of the Coach Member under this Agreement and the Operating Agreement, including, without limitation, the obligation to pay all Coach Total Development Costs and all other amounts payable by the Coach Member hereunder or under the Operating Agreement, are guaranteed by the Coach Guarantor subject to and in accordance with the Coach Guaranty, and the Coach Member may not use any contingency, other than the Coach Contingency, or any portion of the Third Party Loan to pay the Coach Total Development Costs or any such amounts.

TITLE COSTS; LITIGATION COSTS

Section 12.01 Title Costs. (a) The costs incurred by Developer, the Fund Member or the Building C JV to remove, by payment, bonding or otherwise, any Encumbrance which is not a Permitted Encumbrance shall be a Project Cost allocable among the Coach Unit and the Fund Member Units in accordance with the Cost Allocation Methodology and the applicable provisions of this Agreement (and shall be subject to the Coach Costs Cap) based on the nature of the underlying claim; provided, that (i) if such Encumbrance results from any affirmative action or wrongful omission (i.e., where there is an obligation to affirmatively act) of Developer, the Fund Member or any of their respective Affiliates, then all such costs shall be borne in their entirety by Developer or the Fund Member (through the Building C JV), as applicable, and (ii) if such Encumbrance results from any affirmative action or wrongful omission (i.e., where there is an obligation to affirmatively act) of the Coach Member or any of its Affiliates, then all such costs shall be borne in their entirety by the Coach Member (and shall not be subject to the Coach Costs Cap). The foregoing allocation of costs shall not limit the obligations of the Fund Member under the Operating Agreement to cause any Encumbrance which is not a Permitted Encumbrance to be removed from the Coach Unit in connection with the Closing.

(b) The costs of satisfying any indemnity delivered in any affidavit given to the Title Company that is customarily given by a seller to induce the Title Company to issue a commitment to issue an owner's policy of title insurance insuring the fee simple title to the buyer free of Encumbrances other than the Permitted Encumbrances (should the Coach Member elect to obtain title insurance), or any obligation assumed in any such affidavit, shall be a Project Cost allocable among the Coach Unit and the Fund Member Units in accordance with the Cost Allocation Methodology and the applicable provisions of this Agreement (and shall be subject to the Coach Costs Cap) based on the nature of the underlying claim (unless caused by Developer, the Fund Member or any of their respective Affiliates, and then shall be borne in its entirety by Developer or the Fund Member, as applicable). The foregoing allocation of costs shall not limit the obligations of the Fund Member under the Operating Agreement to deliver any such indemnity or affidavit in connection with the Closing.

(c) The costs incurred by Developer, the Fund Member or the Building C JV to satisfy any Material Litigation shall be a Project Cost allocable among the Coach Unit and the Fund Member Units in accordance with the Cost Allocation Methodology and the applicable provisions of this Agreement (and shall be subject to the Coach Costs Cap) based on the nature of the underlying claim; provided, that (i) if such litigation results from any affirmative action or wrongful omission (i.e., where there is an obligation to affirmatively act) of Developer, the Fund Member or any of their respective Affiliates, then all such costs shall be borne in their entirety by Developer or the Fund Member (through the Building C JV), as applicable, and (ii) if such litigation results from any affirmative action or wrongful omission (i.e., where there is an obligation to affirmatively act) of the Coach Member or any of its Affiliates, then all such costs shall be borne in their entirety by the Coach Member (and shall not be subject to the Coach Costs Cap). The foregoing allocation of costs shall not limit the obligations of the Fund Member under the Operating Agreement to cause any Material Litigation to be satisfied in connection with the Closing.

(d) The obligations of Developer under this Article 12 are guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty, and neither Developer nor the Building C JV nor the Fund Member may use or permit the use of the Coach Contingency or any portion of the Coach Unit Loan to pay any such costs or to "cover" such amount. The obligations of the Coach Member under this Article 12 are guaranteed by the Coach Guarantor subject to and in accordance with the Coach Guaranty.

Section 12.02 Survival. The provisions of this Article 12 shall survive the Closing.

ARTICLE 13.
PUNCH LIST WORK; SPECIAL HOIST PROVISIONS; DELIVERIES AND PAYMENTS TO BE MADE FOLLOWING THE CLOSING; FINAL ACCOUNTING

Section 13.01 Completion of Punch List Work. (a) Developer shall cause the Punch List Work to be completed in accordance with the Plans and all applicable Laws, and with due diligence and, in any event, within the times periods set forth therefor on the Punch List, subject to Force Majeure, Coach Change Delays extending beyond the Change Order Grace Period and Coach Work Delays.

(b) If Developer fails to commence (or cause to be commenced) the Punch List Work promptly following agreement on the Punch List or if Developer does not thereafter diligently progress and complete (or cause the progression and completion of) such Punch List Work within the time periods set forth for completion of such work as set forth on the Punch List (subject to extension for Force Majeure, Coach Change Delays extending beyond the Change Order Grace Period and Coach Work Delays), and if the Coach Member notifies Developer that the applicable contractors have not commenced or are not proceeding with due diligence and within the agreed-upon time periods to complete such Punch List Work (subject to extension for Force Majeure, Coach Change Delays extending beyond the Change Order Grace Period and Coach Work Delays) and of the Coach Member's intention to perform the Punch List Work, then within ten (10) Business Days thereafter, if the Punch List Work is not completed or being diligently prosecuted to completion by Developer (subject to extension for Force Majeure, Coach Change Delays extending beyond the Change Order Grace Period and Coach Work Delays), the Coach Member shall have the right (but not the obligation) to undertake the Punch List Work. In addition, the parties acknowledge and agree that any failure by Developer to commence (or cause to be commenced) the Punch List Work promptly following agreement on the Punch List, and any failure by Developer to cause the progression and completion of the Punch List Work within the time periods set forth for completion of such work as set forth on the Punch List (subject to extension for Force Majeure, Coach Change Delays extending beyond the Change Order Grace Period and Coach Work Delays), may constitute a Developer Default subject to the provisions of Section 10.02.

(c) Without limiting the foregoing provisions of this Section 13.01, if Developer fails to complete or cause the completion of the Punch List Work within the agreed-upon time periods for the completion of such Punch List Work (subject to extension for Force Majeure, Coach Change Delays extending beyond the Change Order Grace Period and Coach Work Delays), then (i) the Coach Member shall have the right to take any actions and incur any expenses (including, without limitation, the expenditure of additional monies and the performance of overtime work) which the Coach Member believes in good faith would reasonably be expected to mitigate any delay to the Coach Finish Work or the ability of the Coach Member to commence occupying the Coach Unit for the normal conduct of business in the ordinary course resulting from Developer's failure to so complete the Punch List Work, and any and all such actual out-of-pocket expenses so incurred by the Coach Member shall be reimbursed by Developer within ten (10) days of the Coach Member's demand therefor, and (ii) Developer shall pay to the Coach Member all Coach Holdover Costs and other actual out-of-pocket losses, costs, expenses and damages (but not any punitive, speculative or special damages) resulting from the Coach Member's inability to perform or complete timely Coach Finish Work and commence occupying the Coach Unit for the normal conduct of business in the ordinary course on or prior to June 1, 2015 (as such date may be extended on a day-for-day basis by reason of Force Majeure, Coach Change Delays extending beyond the Change Order Grace Period, or Coach Work Delays) as a result of such delay, such payment to be due as and when incurred and within ten (10) days after demand by the Coach Member (such payments to be made timely within such time periods without regard to the existence or pendency of any dispute with respect thereto as provided below, but subject to true-up based on the resolution of any such dispute, if applicable). The obligation of Developer to make the payments set forth in this Section 13.01(c) is guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty, and Developer may not use the Coach Contingency or any portion of the Coach Unit Loan to pay such amount to the Coach Member or to "cover" such amount. Nothing contained in this Section 13.01(c) shall in any way limit any rights or remedies of the Coach Member set forth in this Agreement or the Operating Agreement or otherwise with respect to any such delay or affect any of Developer's obligations to the Coach Member with respect thereto (except to the extent any such delay is actually mitigated or eliminated).

(d) Any dispute regarding whether (i) any such failure by Developer has caused a delay in the Coach Member's ability to complete Coach Finish Work and commence occupying the Coach Unit for the normal conduct of business in the ordinary course, (ii) the Coach Member's mitigation efforts were made in good faith or (iii) the incurrence by the Coach Member of costs (but not the amount thereof) in connection therewith was reasonable giving due regard to the nature of the delay in question, in each case shall be submitted to Arbitration pursuant to the provisions of Article 14.

Section 13.02 Intentionally Omitted.

Section 13.03 The East Hoist. (a) Notwithstanding the occurrence of Substantial Completion, from and after the Substantial Completion Date until the date that is six (6) months following the date on which the Coach Member first begins to take occupancy of any Block (or portion thereof) for the normal conduct of business in the ordinary course (the "Hoist Use Period"), the Developer may continue to maintain and use the construction hoist located on the 10th Avenue side of the Building (the "East Hoist") on the following terms and conditions:

(i) For each month during the Hoist Use Period (and for each month or partial month thereafter to and including the Hoist Removal Date), Developer shall pay to the Coach Member a monthly fee (the "Hoist Use Fee") equal to the product of (A) the applicable Hoist Fee Rate multiplied by (B) the Hoist Impact Area, which Hoist Use Fee shall be payable monthly in advance on the first day of each such monthly period (which Hoist Use Fee shall be prorated for any partial month and if the Hoist Removal Date is any day other than the last day of a calendar month, any amount paid for any period after the Hoist Removal Date shall be refunded to Developer).

(ii) During the Hoist Use Period (and thereafter until the Hoist Removal Date), the Coach Member shall enjoy non-exclusive use of the East Hoist in accordance with the Site Logistics Procedures.

(iii) At all times during the Hoist Use Period (and thereafter until the Hoist Removal Date), excepting any East Hoist brackets that may remain), the curtain wall enclosing the Coach Areas (or the façade surrounding the same) shall have been completed and finished in a water and weather-tight manner as shown on the Plans, in compliance with all applicable Laws and the Site Logistics Procedures.

(iv) All temporary fire-rated walls required by applicable Law to demise the Hoist Impact Area from the balance of the Coach Areas shall be installed and removed by Developer at Developer's sole cost and expense.

(v) Developer shall use Best Efforts to cause the Hoist Removal Date to occur on or prior to the end of the Hoist Use Period (it being acknowledged and agreed, however, but without limiting Developer's liability under Section 13.03(c), that Developer's liability for the failure of the Hoist Removal Date to occur on or prior to the expiration of the Hoist Use Period shall be limited to payment of the Hoist Use Fee as provided herein).

(b) As used herein: (i) "Hoist Impact Area" means an amount of rentable square feet equal to two (2) times the rentable square feet of the Coach Unit affected by the East Hoist as shown on Exhibit W attached hereto; (ii) "Hoist Rate" means a rate per annum equal to (A) $60.00 for the period commencing on the first day of the Hoist Use Period and continuing until the date that is six (6) months thereafter, plus (B) an additional $20.00 for each additional month thereafter until the occurrence of the Hoist Removal Date (i.e., $80 for the seventh month, $100 for the eighth month, and so on); and (iii) "Hoist Removal Date" means the date on which Developer shall remove the East Hoist and any brackets relating to the East Hoist, and shall patch any penetrations through the core of the Coach Areas (or the façade surrounding the same) resulting from the East Hoist and complete and finish the curtain wall enclosing the Coach Areas (or the façade surrounding the same) in a water and weather-tight manner as shown on the Plans.

(c) Developer shall indemnify, defend, reimburse, and hold harmless the Coach Member, and each of the Coach Indemnitees, from and against any and all claims arising out of or relating to the continued use of the East Hoist or presence of the East Hoist on the Building from and after the Substantial Completion Date through the Hoist Removal Date.

(d) Developer's obligations under this Section 13.03 are guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty.

(e) The provisions of this Section 13.03 shall survive the Closing and the termination of this Agreement.

Section 13.04 Payment of the Cost of Post-Distribution Work Properly Allocable to the Coach Unit. Following the Closing, the Coach Member shall continue to make payments, or shall cause the Coach Lender to make additional Coach Lender Advances, for Project Costs properly allocable to the Coach Unit (including, without limitation, for Punch List Work and releases of retainage amounts held on account of work performed prior to the Closing). The Coach Member will be responsible for reimbursing the Coach Lender for all such monies properly advanced by the Coach Lender, as shall be agreed by the Coach Lender and the Coach Member. In no event shall the sum of the amounts paid by the Coach Member following the Closing exceed the costs properly chargeable to the Coach Member hereunder on account of the Coach Total Development Costs after the Closing Date (but including any Project Cost re-allocations with respect to periods prior thereto, as provided herein).

Section 13.05 Final Accounting at Final Completion; Final Payments. (a) Promptly following Final Completion, Developer shall prepare and submit to the Coach Member a final statement of all the Project Costs and Coach's Allocable Share thereof and the final Coach Total Development Costs, including a detailed statement of any costs incurred since the last Draw Request through the date of Final Completion, a final computation of all savings and liquidated damages inuring to the benefit of the Coach Unit, a statement of the resolution of all claims relating to the Project, and the final allocation of Project Costs among the Coach Unit and the Fund Member Units. The Coach Member shall have the right to examine such final statement and all the books and records of the Project for the purposes of (i) verifying or confirming any matters set forth in such final statement which relate to the preceding Draw Requests or which have been the subject of adjustments or re-allocations among the Units, (ii) reconciling Project Costs included in the Coach Total Development Costs and which relate to matters (e.g., resolution of claims with the Executive Construction Manager or contractors or suppliers, liquidated damages paid by the Executive Construction Manager, and payments of retainages) covered in the preceding Draw Requests or were the subject of adjustments or re-allocations among the Units or (iii) determining whether any Project Costs were mistakenly or improperly allocated to the Coach Member during the course of the Project. The Coach Member and Developer shall endeavor to resolve promptly any issues arising out of such examination. If the parties are unable to resolve such matters promptly, either the Coach Member or Developer may submit to Arbitration such matters as are arbitrable under the provisions of Article 14. If this final accounting shall establish that the amounts paid by or on behalf of the Coach Member exceed the final Coach Total Development Costs determined as provided in this Agreement, then, within thirty (30) days of the completion of said final accounting, Developer shall cause to be paid by the Fund Member (through the Building C JV) to the Coach Member the amount of such excess together with interest thereon at (A) the applicable Construction Loan Interest Rate, to the extent the costs resulting in such excess were initially funded or paid out of Coach Lender Advances, and (B) the Interest Rate, to the extent the costs resulting in such excess were initially funded by the Coach Member under the Operating Agreement or otherwise. Subject to the Coach Costs Cap, if the final accounting shall establish that the final Coach Total Development Costs exceeds amounts paid by the Coach Member to date, then, within thirty (30) days of the completion of said final accounting, the Coach Member shall pay to the Building C JV (for distribution to the Fund Member) the amount of such deficiency, together with interest thereon, at (x) the applicable Construction Loan Interest Rate, to the extent the costs resulting in such deficiency were initially funded or paid out of Third Party Lender Advances, and (y) the Interest Rate, to the extent the costs resulting in such excess were initially funded by Completion Deposits or otherwise by the Fund Member under the Operating Agreement; provided, that in no event shall the Coach Member be obligated to pay any amounts on account of the Coach Total Development Costs in excess of the Coach Costs Cap, and the Fund Member shall be responsible for, and Developer shall cause the Fund Member to pay, any and all amounts in excess of the Coach Cost Cap.

(b) Developer's obligation to pay or caused to be paid to the Coach Member any amounts as required in this Section 13.05 is guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty. Developer may not use the Coach Contingency or any proceeds of the Coach Unit Loan to pay such amount to the Coach Member or to "cover" such amount.

Section 13.06 Developer's Obligation to Discharge Liens and Remove Violations After the Closing. Developer shall cause to be bonded or removed any liens or other Encumbrances (other than Permitted Encumbrances) filed or recorded against the Coach Unit after the Closing by any Person performing Developer Work or any Base Building Work, or by any Person asserting a claim against Developer, Legacy Tenant or the Building C JV with respect thereto, in each case within thirty (30) days of the filing thereof. In addition, Developer shall proceed with due diligence to cause to be removed all Developer Violations which are noticed or filed against the Building after the Closing. Developer's obligations under this Section 13.06 are guaranteed by the Related/Oxford Guarantor subject to and in accordance with the Related/Oxford Guaranty. Developer may not use the Coach Contingency or any proceeds of the Coach Unit Loan to pay such amount to the Coach Member or to "cover" such amount.

Section 13.07 Survival. The provisions of this Article 13 shall survive the Closing and the termination of this Agreement.

ARTICLE 14.

Section 14.01 Dispute Resolution. (a) If a dispute arises that the parties are unable to resolve and for which this Agreement provides resolution by Arbitration or pursuant to the provisions of this Article 14, then, in any such case, the Coach Member or Developer shall present the dispute to the arbiters identified in Exhibit X-1 attached hereto (each, an "Arbiter"), who are listed in the order of priority (i.e., the second individual serves only if the first is not available and the third individual serves only if the first and second are not available) and who will resolve the dispute as provided in this Article 14; provided, that if this Agreement provides that a dispute is to be resolved by a Work Dispute Arbiter, then the Coach Member or Developer shall present the dispute to the arbiters identified in Exhibit X-2 attached hereto (each, a "Work Dispute Arbiter"), who are listed in the order of priority (i.e., the second individual serves only if the first is not available and the third individual serves only if the first and second are not available) and who will resolve the dispute as provided in this Article 14. If one from among the panel of Arbiters (or Work Dispute Arbiters) resigns or becomes unable to serve hereunder, a successor individual shall be selected by the parties hereto. Except during the pendency of an arbitration proceeding pursuant to the procedures contained herein, either party may, by written notice to the other, disqualify any of the Arbiters or Work Dispute Arbiters for reasonable cause and propose additional arbitrators to be Arbiters or Work Dispute Arbiters to be agreed upon by the parties hereto.

(b) A party ("Disputing Party") may submit a request for resolution of a dispute (a "Dispute") pursuant to the provisions of this Agreement by giving notice (a "Dispute Notice") of the Dispute to the other party to the Dispute (the "Other Disputing Party") and to the Arbiter (or Work Dispute Arbiter), which Dispute Notice shall identify the provision of the Agreement at issue and shall specify in reasonable detail: (i) the nature of the dispute and the interpretation or decision requested; (ii) the party's proposal to resolve the dispute; and (iii) a written explanation of its position, together with any materials that it deems relevant for such purpose.

(c) Within five (5) Business Days after receiving the Dispute Notice, the Other Disputing Party to the Dispute shall have the right to deliver to the Arbiter (or Work Dispute Arbiter), with a copy to the Disputing Party), its written statement setting forth (i) its position in reasonable detail with respect to the matters in Dispute, (ii) its proposal to resolve the dispute, and (iii) a written explanation of its position, together with any materials that it deems relevant for such purpose. The Arbiter (or Work Dispute Arbiter) shall coordinate among the Disputing Party and the Other Disputing Party in order to arrange for a time or time(s) to meet and present positions within the time deadlines as provided below. The Disputing Party and the Other Disputing Party shall each make themselves available during such time deadlines and if no mutually convenient time is agreed upon, each party shall be available during business hours on the last Business Day of such time deadline.

(d) The Disputing Party and Other Disputing Party shall each be entitled to present additional evidence and arguments to the Arbiter (or Work Dispute Arbiter) (in addition to the initial written statements described above) in accordance with procedures, if any, determined by the Arbiter (or Work Dispute Arbiter), which procedures shall be implemented by the Arbiter (or Work Dispute Arbiter) so as to cause the time deadlines set forth below to be met. All evidence and arguments must be presented to the Arbiter (or Work Dispute Arbiter) within five (5) Business Days after the expiration of the five (5) Business Day period described in Section 14.01(c). The Arbiter (or Work Dispute Arbiter) shall in all events render its decision by the later of (i) ten (10) Business Days after receipt of the second initial statements of the Other Disputing Party pursuant to Section 14.01(c) or (y) seven (7) Business Days after all evidence and arguments have been presented under this Section 14.01(d). The Arbiter (or Work Dispute Arbiter) shall issue a single written decision stating, in reasonable detail, the basis for its decision. The Arbiter (or Work Dispute Arbiter) shall allocate the costs of the Dispute (including the costs of the arbitration, any expert witnesses and reasonable attorney's fees) between the Disputing Parties as it deems appropriate and shall set forth such cost allocation in its decision. Although the Arbiter (and Work Dispute Arbiter) cannot vary the terms of this Agreement, the decision of the Arbiter (or Work Dispute Arbiter) need not accept, in its entirety, the position(s), or the specific cost allocations, advanced by any one Disputing Party. The Arbiter's (or Work Dispute Arbiter's) decision shall be conclusive and binding on all Parties to the Dispute and shall be confirmable in a court of competent jurisdiction.

(e) Developer shall not stop the design or construction of the Building during the pendency of any dispute, but shall not proceed with any aspects of the work at issue in the dispute if any work performed might have to be changed depending on the resolution of the Arbitration.

(f) Proceedings before or involving dispute resolution under this Article 14 in and of themselves shall not constitute events of Force Majeure.

(g) No dispute or matter arising under this Agreement shall be subject to resolution under this Article 14 unless this Agreement provides for such dispute or matter to be resolved by Arbitration under this Article 14.

(h) The decision of the Arbiters (or Work Dispute Arbiters) with respect to the allocation of fees incurred in any Arbitration shall be final and binding on all parties to the Arbitration.

(i) The provisions of this Article 14 shall survive the Closing and the termination of this Agreement.

MISCELLANEOUS

Section 19.01 Further Assurances. The Coach Member and Developer shall do such other and further acts and things, and execute and deliver such instruments and documents (not creating any obligations or imposing any expense (except to a de minimis extent) in addition to those otherwise created or imposed by this Agreement), as either may reasonably request from time to time in furtherance of effectuating the transactions contemplated in this Agreement.

Section 19.02 Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of New York, without regard to principles of conflicts of law.

Section 19.03 Submission to Jurisdiction; Waiver of Jury Trial. (a) Developer and the Coach Member hereby irrevocably and unconditionally (i) agree that the exclusive forum for any suit, action or other legal proceeding arising out of or relating to this Agreement shall be the Supreme Court of the State of New York in New York County or the United States, Southern District of New York; (ii) consent to, and waive any and all personal rights under the laws of any state to object to the jurisdiction of each such court in any such suit, action or proceeding; and (iii) waive any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts. In furtherance of such agreement, Developer and the Coach Member agree, upon request of the other party, to discontinue (or cause to be discontinued) any such suit, action or proceeding pending in any other jurisdiction or court and Developer and the Coach Member irrevocably consent to the service of any and all process in any such suit, action or proceeding by service of copies of such process to Developer or the Coach Member, as the case may be, at its address provided herein. Nothing in this Section 19.03, however, shall affect the right of Developer or the Coach Member to serve legal process in any other manner permitted by law.

(b) TO THE FULL EXTENT PERMITTED BY LAW, DEVELOPER AND THE COACH MEMBER HEREBY KNOWINGLY, INTENTIONALLY AND VOLUNTARILY, WITH AND UPON THE ADVICE OF COMPETENT COUNSEL, WAIVE, RELINQUISH AND FOREVER FORGO THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED UPON, ARISING OUT OF, OR IN ANY WAY RELATING TO THIS AGREEMENT OR ANY CONDUCT, ACT OR OMISSION OF DEVELOPER OR THE COACH MEMBER, OR ANY OF THEIR RESPECTIVE DIRECTORS, OFFICERS, SHAREHOLDERS, PARTNERS, MEMBERS, MANAGERS, EMPLOYEES, AGENTS OR ATTORNEYS, OR ANY AFFILIATES, IN EACH OF THE FOREGOING CASES, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE.

(c) The waivers contained in this Section 19.03 are given knowingly and voluntarily by Developer and the Coach Member and, with respect to the waiver of jury trial, is intended to encompass individually each instance and each issue as to which the right to a trial by jury would otherwise accrue. Developer and the Coach Member are hereby authorized to file a copy of this Section 19.03 in any proceeding as conclusive evidence of these waivers by the other party.

Section 19.04 Amendments and Waivers. This Agreement may not be amended, supplemented or otherwise modified, except by a written instrument executed by the Coach Member and Developer. No provision of this Agreement may be waived except by a written instrument executed by the party against whom the enforcement of such waiver is sought and then only to the extent set forth in such instrument.

Section 19.05 Confidentiality; Publicity. (a) The Coach Member, Developer and their respective partners, principals, members, owners, shareholders, partners, attorneys, agents, employees and consultants (and their respective successors and assigns) will treat the terms of this Agreement and all information disclosed to it by the other party, or otherwise gained through to the Project, as confidential, giving it the same care as its own confidential information, and make no use of any such disclosed information not independently known to it, except (A) in connection with the transactions contemplated hereby, (B) to the extent legally compelled (by deposition, interrogatory, request for documents, subpoena, civil investigative demand or similar process) to disclose the same, (C) to the extent required by any federal, state, local or foreign laws, or by any rules or regulations of the United States Securities and Exchange Commission (or its equivalent in any foreign country) or any domestic or foreign public stock exchange or stock quotation system, that may be applicable to Developer or the Coach Member or any of their direct or indirect constituent owners or Affiliates or (D) to the extent required by the MTA Project Documents or the Loan Documents, but in such case disclosure may only be made to the MTA or the Construction Lender. Notwithstanding the foregoing, the terms hereof may be disclosed to (i) a party's accountants, attorneys, employees, agents, actual or potential direct or indirect transferees, sublessees, direct or indirect investors and direct or indirect lenders, and others in privity with such party or its Affiliates or actual or potential transferees or lenders, in each case to the extent reasonably necessary for such party's business purposes or in connection with a dispute hereunder, (ii) the Building C JV, the Fund Member and any Construction Lender or other lender providing financing to the Coach Member or its Affiliates or to the Fund Member or its Affiliates, which financing shall be secured by the Coach Unit or the Fund Member Units or any direct or indirect interests therein, and (iii) any equity investor in the Coach Member or its Affiliates or the Fund Member or its Affiliates providing equity capital for the Project. In the event of a termination of this Agreement, each party shall promptly return all confidential information it has received.

(b) All publicity signs located at or about the Project shall first be approved by the Coach Member and Developer. Neither party may, without the other party's prior consent, permit the public dissemination of any public relations releases, advertisements or other communications or materials with respect to the Project that includes or describes the identity the other party or its constituents or affiliates.

Section 19.06 Non-Waiver of Rights. Except as expressly provided in this Agreement, no delay on the part of any party hereto in exercising any right, power or privilege hereunder shall operate as a waiver thereof or as a waiver of any other right, power or privilege hereunder, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise hereunder. The waiver of any breach hereunder shall not be deemed to be a waiver of any other or any subsequent breach hereof. Except as otherwise provided in this Agreement, the rights and remedies of each party under this Agreement are cumulative and are not exclusive of any rights or remedies which the party may otherwise have at law or in equity.

Section 19.07 Execution in Counterparts. This Agreement may be executed in two or more counterparts, each of which will be deemed an original, but all of which together shall constitute one and the same instrument.

Section 19.08 Exhibits and Schedules. All Exhibits and Schedules attached to this Agreement or subsequently incorporated herein are hereby made (and shall be deemed) a part of this Agreement.

Section 19.09 Headings. The Article and Section headings in this Agreement are inserted only as a matter of convenience and are not to be given any effect (whether limiting or otherwise) in construing any provision of this Agreement.

Section 19.10 Assignments of this Agreement. (a) Developer shall not assign this Agreement, or any of its rights or obligations herein or hereunder, except with the prior written consent of the Coach Member (and only if such assignee assumes Developer's obligations hereunder from and after the date of such assignment). Notwithstanding the foregoing (but subject to the applicable provisions of the Loan Documents and the MTA Project Documents), Developer may, without the consent of the Coach Member, (i) assign this Agreement and its rights and obligations herein or hereunder to (x) Related, (y) a Related Affiliate or (z) an Affiliate of Related and Oxford; provided, that in each case (A) no such assignment shall impair, vitiate or otherwise affect the obligations of Developer hereunder or the Related/Oxford Guarantor under the Related/Oxford Guaranty, (B) such assignment is made in connection with an assignment of all of Developer's other rights and interests in and to the Project to such assignee and (C) such assignment is made at the sole expense of Developer, and (ii) collaterally assign this Agreement to the Construction Lender (subject to any applicable terms and conditions as may be set forth in the Loan Documents). Any transfer of a direct or indirect interest in Developer shall constitute an assignment of this Agreement for purposes hereof if, as a result of such transfer, Developer is no longer controlled by (x) Related, (y) a Related Affiliate or (z) Related and Oxford collectively. Any attempted assignment in violation of this Section 19.10(a) shall be null and void.

(b) The Coach Member shall not assign this Agreement, or any of its rights or obligations herein or hereunder, except with the prior written consent of Developer (and only if such assignee assumes the Coach Member's obligations hereunder from and after the date of such assignment). Notwithstanding the foregoing (but subject to the applicable provisions of the Loan Documents), the Coach Member may, without the consent of Developer, assign this Agreement and its rights and obligations herein or hereunder to (i) the Coach Guarantor or one or more Affiliates of the Coach Guarantor, (ii) an entity created by merger, reorganization or recapitalization of or with the Coach Guarantor or any Affiliate thereof or (iii) a purchaser of all or substantially all of the Coach Member's, the Coach Guarantor's, or their Affiliate's assets or a purchaser of a controlling share of the Coach Member's, the Coach Guarantor's, or their Affiliate's stock or other ownership interest; provided, that in each case (A) no such assignment shall impair, vitiate or otherwise affect the obligations of the Coach Member hereunder or the Coach Guarantor under the Coach Guaranty and (B) such assignment is made at the sole expense of the Coach Member. Any transfer of a direct or indirect interest in the Coach Member shall constitute an assignment of this Agreement for purposes hereof if, as a result of such transfer, the Coach Member is no longer an Affiliate of the Coach Guarantor. Any attempted assignment in violation of this Section 19.01(b) shall be null and void.

Section 19.11 Successors and Assigns. This Agreement (and all terms thereof, whether so expressed or not), shall be binding upon the respective successors, permitted assigns and legal representatives of the parties and shall inure to the benefit of and be enforceable by the parties and their respective successors, permitted assigns and legal representatives.

Section 19.12 Severability. If any term, covenant, condition or provision of this Agreement is determined by a final judgment to be invalid or unenforceable, the remaining terms, covenants, conditions and provisions of this Agreement shall not be affected thereby; and each other term, covenant, condition and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

Section 19.13 No Third Party Beneficiaries. The representations, warranties, covenants and agreements of the parties contained herein are intended solely for the benefit of the parties (and their successors and permitted assigns) to whom such representations, warranties, covenants or agreements are made and shall confer no rights hereunder, whether legal or equitable, upon any other party, and no other party shall be entitled to rely thereon, except that the Coach Indemnitees and the Developer Indemnitees may rely on and shall have the right to enforce any indemnification of such Person under and in accordance with the terms of this Agreement.

Section 19.14 No Joint Venture or Partnership. The Coach Member and Developer intend that the relationships created hereunder and under the other transaction documents be solely that of owner and developer. Nothing herein or therein is intended to create a joint venture or partnership relationship between the Coach Member and Developer.

Section 19.15 No Construction Against Draftsperson. This Agreement shall be construed without regard to any presumption requiring construction against the party drafting this Agreement.

Section 19.16 Brokerage. Each party hereby represents and warrants to the other that it has had no communication with any broker, consultant, finder or similar person in connection with the transactions contemplated hereby, other than CBRE, Inc. ("Broker"). Each party shall indemnify and hold the other harmless against and from all costs, expenses, damages and liabilities, including reasonable attorneys' fees and disbursements, arising from any claims for brokerage commissions, finders' fees or other compensation resulting from or arising out of any conversations, negotiations or actions (or claims of the same) that the indemnifying party had by itself or anyone acting on behalf of itself, with any broker, consultant, finder or similar person, other than Broker. The Coach Member shall be solely responsible to compensate Broker pursuant to the terms of a separate agreement with Broker.

Section 19.17 Authorized Representatives. The signature of any one of a party's Authorized Representatives, acting alone, shall constitute the duly authorized, valid and binding act of the party for whom the respective person is the Authorized Representative. A party may change (or add) Authorized Representative(s) at any time by notice to the other party; and each party shall be entitled to rely upon the written certificate or consent of any person designated by the other party as an Authorized Representative.

Section 19.18 Remedies. Except as specifically provided herein, each party has and may pursue all rights available at law or in equity by reason of the failure, by any other party hereto, to keep or perform such other party's agreements or obligations under this Agreement.

Section 19.19 Prevailing Party Entitled to Fees and Costs. In the event of any Legal Proceeding between or among the Coach Member and Developer concerning this Agreement, the prevailing party shall be entitled to reimbursement from the losing party for the fees and costs of such proceeding incurred by the prevailing party. For this purpose, "prevailing party" means the party who obtains a judgment or order, final beyond appeal, adverse to the other party. The foregoing provisions shall not apply to the fees and costs of any dispute that is governed by the provisions of Article 14.

Section 19.20 Survival. The provisions of this Article 19 shall survive the Closing and the termination of this Agreement.

BASE BUILDING LIGHTING

1. See pictorial rendering attached hereto.

2. The base of the Building will have high efficiency recessed white lighting which accentuates the faceted geometry of the colonnades and helps the tower achieve a sense of levity. In addition, these fixtures will provide a brighter pedestrian area at these spaces helping to mark the entry of the Building. The lighting helps the sense of the interior activity spilling through the colonnade. The soffit above the Coach Lobby has integrated linear LED lighting (white) which accentuates its sculpted, shingled character and casts an ambient glow to the High Line area as it passes through the Building. The triangular shapes of the tower top are backlit and the crown ridge is uplit, which together provides a bright iconic shape for the identity of the Building on the New York skyline.

Cost Allocation Methodology

I. GENERAL COST ALLOCATION METHODOLOGIES

The following sets forth the various methodologies pursuant to which costs associated with the Building will be allocated:

1. DIRECT ALLOCATIONS — Where applicable, cost categories will be split into clearly defined components ("Direct Allocations") fully attributed to each Unit.

2. GSF — Costs allocated by gross square footage ("GSF") are allocated based on the total GSF of the Building. Coach's share of costs allocated by GSF will be the GSF of the Coach Unit divided by the GSF of the Building.

3. THE TOWER — That portion of the Building that is located from the Building's eastern property line to 365 feet west of the Building's eastern property line, as more specifically shown on the plans (the "Tower").

4. TOWER GSF — Costs allocated by GSF in the Tower ("Tower GSF") will be split based on an allocation of the total GSF in the Tower which is attributable to each Unit. For avoidance of doubt, the portion of the Building located west of the point that is 365 feet west of the Building's eastern property line to the Building's western property line (the "Terra Firma Portion"), which includes the parking facility, loading docks, and certain retail space, is not part of the Tower for this purpose and, except to the extent included in the Coach Fixed Land Cost, no costs associated with the construction of such portion of the Building shall be allocated to the Coach Member pursuant to these Cost Allocation Methodologies.

5. OFFICE GSF — Costs allocated by "Office GSF" are allocated based on the total GSF of office space in the Tower. Coach's share of costs allocated by Office GSF will be the GSF of the Coach Unit divided by the total GSF of the Coach Unit plus the aggregate GSF of the Additional Office Units.

6.	**FAÇADE CONTACT AREA**	Costs allocated by "Façade Contact Area" are shared based on the portion of the contact area of the Tower façade behind which each Unit and Common Elements are located.
7.	**TOTAL COSTS**	Costs allocated by "Total Costs" are shared based on the proportion of total development costs for each Unit in the Building. For the Coach Unit, this represents Coach Total Development Costs divided by the total Project Costs.
8.	**HARD COSTS**	Costs allocated by "Hard Costs" are allocated based on the total overall percentage of Building specific Hard Costs allocated to each Unit pursuant to the other cost allocation rules set forth herein.
9.	**COACH TI**	Costs allocated by "Coach TI" with respect to the Coach TI Items referenced in Section 10.07 of the Development Agreement will be allocated to Coach as tenant items subject to the Coach Costs Cap to the extent provided in Section 10.07 of the Development Agreement.
10.	**LEGACY GSF**	Costs allocated by "Legacy GSF" are allocated based on the total GSF of the following portions of the Building: the Coach Unit, the Additional Office Units, the Retail Unit and the Parking Unit. Coach's share of costs allocated by Legacy GSF will be the GSF of the Coach Unit divided by the aggregate GSF of the Coach Unit, the Additional Office Units, the Retail Unit and the Parking Unit.
11.	**LEGACY TOTAL COSTS**	Costs allocated by "Legacy Total Costs" (i.e., legal costs of outside counsel to the Third Party Lender) will be allocated based on the total overall percentage of Project Costs allocated to the Coach Unit, the Additional Office Units, the Retail Unit and the Parking Unit.
12.	**NON-COACH LEGACY GSF**	Costs allocated by "Non-Coach Legacy GSF" are allocated among the Additional Office Units, the Retail Unit and the Parking Unit based on their total relative GSF. The Coach Unit will not have a share of costs allocated by Non-Coach Legacy GSF.

13.	**NON-COACH LEGACY TOTAL COSTS**	Costs allocated by "Non-Coach Legacy Total Costs" will be allocated among the Additional Office Units, the Retail Unit and the Parking Unit based on each such Unit's share of the total of Project Costs for such Units. The Coach Unit will not have a share of costs allocated by Non-Coach Total Costs.
14.	**TERRA FIRMA GSF**	Costs allocated by "Terra Firma GSF" relate to the Terra Firma Portion and will be allocated among the Parking Unit, the Retail Unit, the Coach Unit and Required Podium Infrastructure based on their relative GSF. The Coach Unit will not have a share of costs allocated by Terra Firma GSF except for its share relating to its storage space in the Loading Dock area.
15.	**FUTURE COST CATEGORIES**	As the design and development process progresses, additional cost items may require allocation among the Units. Developer and Coach will work in good faith to divide the costs as Direct Allocations. For costs not divisible into Direct Allocations, one of the above allocation methodologies may be employed with the agreement of both Coach and Developer. Additional cost allocation methods may also be created with the agreement of both Coach and Developer.

II. COACH FIXED LAND COST

Coach Fixed Land Cost of *** per RSF of the Coach Unit will consist of the Coach Member's share of the following costs:

A. LAND

The cost to Coach of the fee purchase of the Coach Premises from the MTA (the "Coach Fixed Land Costs") shall be an amount equal to the product of (a) *** multiplied by (b) the total rentable square feet of the Coach Unit (which will include, for the avoidance of doubt, and without duplication, (i) the total rentable square feet of Office Unit 2A, if the Coach Expansion Right is exercised with respect to Office Unit 2A, or (ii) the total rentable square feet of Office Unit 2A and Office Unit 2B, if the Coach Expansion Right is exercised with respect to Office Unit 2A and Office Unit 2B). The Coach Fixed Land Cost includes (x) all costs of the fee purchase of the Coach Unit from the MTA in order to effectuate the Closing, including, without limitation, any deposits payable to the MTA and, if applicable, any contributions required to be made to the LIRR Work Fund (as defined in the Building C Lease), (y) Coach's Allocable Share of rental and any other amounts that may be payable under the Building C Lease (including, if applicable, any rental in respect of Estimated ERY Roof Costs or the LIRR Work Cost Allocable Share or the Guaranteed Default Payments (as each such phrase is defined therein)), and (z) Coach's Allocable Share of the cost of constructing the Podium (it being acknowledged and agreed that, except to the extent included in Coach Fixed Land Cost, the Coach Member shall not be responsible for the payment of any costs associated with acquiring fee title of the Coach Unit from the MTA, any rental or other amounts that may be payable under the Building C Lease or any costs of constructing the Podium).

If Developer enters into a binding agreement with any other purchaser of office space in the Building (other than an affiliate of Developer) which provides for (i) a fixed land cost which is less than *** per square foot (taking into account all components comprising the Coach Fixed Land Cost), (ii) a development fee or an allocation of Developer's overhead costs which is less (on a per square foot basis) than the Development Fee or the Coach Overhead Costs, respectively, or (iii) otherwise provides for an allocation or methodology of allocation for Project Costs which is more favorable in any material respect to such other purchaser than that provided for herein, then the Coach Total Development Costs payable by the Coach Member under this Agreement and the Operating Agreement will be reduced to equal the amount which the Coach Member would have paid had such more favorable terms been applicable to the Coach Member.

III. COSTS TO BE ALLOCATED

The following are the costs to be allocated pursuant to the various methodologies above:

1. BUILDING-SPECIFIC HARD COSTS

A.	**STRUCTURE**	Coach's share of concrete structural frame, secondary structural steel, column encasements, trusses, truss encasements, outriggers, metal deck, concrete on metal deck, cast concrete decks, shear walls, columns, outriggers, roofs, parapets and bulkheads shall be allocated on a Tower GSF basis.
B.	**FAÇADE**	Coach's share of building façade costs will be based on a Façade Contact Area basis.
C.	**ELECTRICAL**	Where possible, electrical systems costs shall be allocated as Direct Allocations for all work from the incoming service through distribution. Shared electrical systems costs shall be allocated on a Tower GSF basis.
D.	**FIRE ALARM**	Fire alarm costs shall be allocated as Direct Allocations, with exception of any FDNY required tie-ins, and cross communication systems for fire alarm panels, which shall be allocated on a Tower GSF basis.
E.	**SEPARATE MECHANICAL**	Where possible, mechanical systems costs shall be allocated as Direct Allocations.
F.	**SHARED MECHANICAL**	Shared mechanical systems, such as support for incoming services and common mechanical within transfer trusses, will be allocated on a Tower GSF basis.

H.	**SHARED PLUMBING**	Shared plumbing systems, including underslab and foundation drainage, roof leaders, roof drainage, and mechanical room drainage, shall be allocated on a Tower GSF basis.
I.	**SPRINKLER**	Where possible, sprinkler system costs shall be allocated as Direct Allocations. The common standpipe system and common storage tanks shall be allocated on a Tower GSF basis.

J.	**VERTICAL TRANSPORTATION**	Vertical transportation costs shall be allocated as Direct Allocations. Shared freight elevators shall be allocated on a Tower GSF basis. For the avoidance of doubt, elevator bank 1 shall be allocated to the Coach Member and elevator banks 2 and 3 shall not be allocated to the Coach Member, regardless of whether the Coach Member elects to take all or any portion of the Coach Expansion Premises.
K.	**INTERNAL CORE DIVISIONAL WALLS**	Where possible, sheetrock and stud wall costs, and masonry wall costs shall be allocated as Direct Allocations. Exceptions to this allocation are for common mechanical and incoming service rooms, which shall be allocated on a Tower GSF basis.
L.	**GENERAL CONDITIONS**	General conditions shall be allocated on a Hard Costs basis.
M.	**COACH EXPANSION PREMISES**	The incremental costs of constructing Office Unit 2A and Office Unit 2B over the Base Building Work shall be allocated to the Coach Expansion Premises (i.e., to the Fund Member or to the Coach Member, depending on whether the Coach Member exercises the Coach Expansion Right with respect to such portion of the Coach Expansion Premises) and subject to the Coach Costs Cap to the extent the Coach Member exercises the Coach Expansion Right with respect to such portion of the Coach Expansion Premises; provided, that the incremental cost of the Coach spec interior finishes of core bathrooms in the Coach Expansion Premises in excess of the allowance therefor in the Project budget shall be allocated to the Coach Member on a Coach TI basis.
2.	**BUILDING-SPECIFIC SOFT COSTS**	
A.	**ARCHITECTS & ENGINEERS**	Project architectural and engineering costs will be allocated on a GSF basis.
B.	**LEGAL**	Legal costs will be allocated as Direct Allocations where possible (and, with respect to the portion allocated to the Fund Units, may be further allocated on a Non-Coach Legacy Total Costs basis). F.	**PERMITS, FEES & SURVEY**	Permits, fees and survey costs will be allocated on a GSF basis.
G.	**REAL ESTATE TAXES / PILOT**	Real estate taxes and PILOT payments during construction will be based on Legacy GSF.

I.	**LEASING AND COMMISSIONS**	Leasing and commissions will be allocated as Direct Allocations.
J.	**FINANCING AND INTEREST**	Financing and interest costs will be allocated as Direct Allocations (i.e., any interest and other financing costs pertaining solely to the Coach Unit Loan shall be borne by the Coach Member, and any interest and other financing costs pertaining solely to the Third Party Loan shall be borne by the Fund Member and allocated as Non-Coach Total Costs).

Temporary Landscape Plan

A temporary green roof installation is proposed at the site of the future Culture Shed (39,700 sf) as interim landscape feature between buildout of tower and Culture Shed. The use of a pre-grown modular system will provide full coverage of plants grown to maturity at installation as well as provide an opportunity to disassemble for potential re-use on or off-site. Plant palette may range from low growing sedums to taller perennials and ornamental grasses depending on the soil depth systems selected - ranges from 2 ½" to 8" of engineered lightweight soil.

Modules to be placed directly upon heavy duty (HDPE, Polypropylene, TPO, EPDM or recyclable PVC) slip sheet/root barrier of 40-60 mil.

Simple overhead irrigation system is recommended; requirements are dependent on plant selection.

4. The roof and all setback areas and riser closets and other infrastructure or areas (including risers from the Coach Areas to the roofs) necessary for the Coach Member to permanently and securely install its video, cable, telecommunications, satellite, microwave and other devices or technology shown on the Plans have been substantially completed in accordance with the Plans and in accordance with applicable Laws, other than the completion of the Developer Work set forth on the punch lists prepared by Architect and others.

5. All Coach Elevators (excluding, for all purposes of this paragraph 5, the elevator cab interiors) and one Tower C elevator providing access to the roof (i) have been substantially completed and (ii) have been inspected and certified for use by the NYC DOB.

Notwithstanding anything to the contrary herein or otherwise, nothing contained in this Certificate, including but not limited to the capitalized terms not defined herein and the definitions thereof, shall increase Architect's duties or obligations or decrease Architect's rights under the Architect Agreement or with regard to the Plans, the Project, or otherwise. Furthermore, without limiting the foregoing, any and all liability of Architect under this Certificate shall be subject to the same limitations of liability contained in the Architect Agreement. This certification is not a representation as to the performance of any of the systems or construction components contained in the Developer Work, and no opinions are expressed regarding the quality or completeness of the designs or work provided by any entity other than the Architect.

   (i) arrange for the Contractor, with the consent of the Obligee, to perform and complete the Construction Contract;

(ii) undertake to perform and complete the Construction Contract itself, through its agents or independent contractors;

(iii) obtain bids or negotiated proposals from qualified contractors acceptable to the Obligee for a contract for performance and completion of the Construction Contract, arrange for a contract to be prepared for execution by the Obligee and a contractor selected with the Obligee's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Construction Contract, and pay to the Obligee the amount of damages as described in Section 6 in excess of the Balance of the Contract Price incurred by the Obligee as a result of the Contractor Default; or

(iv) waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances:

a) after investigation, determine the amount for which it may be liable to the Obligee and, as soon as practicable after the amount is determined, make payment to the Obligee; or

b) deny liability in whole or in part and notify the Obligee, citing the reasons for denial.

5. If the Surety does not proceed as provided in Section 4, the Surety shall be deemed to be in default on this Bond seven (7) days after receipt of an additional written notice from the Obligee to the Surety demanding that the Surety perform its obligations under this Bond, and the Obligee shall be entitled to enforce any remedy available to the Obligee. If the Surety proceeds as provided in Section 4(iv), and the Obligee refuses the payment or the Surety has denied liability, in whole or in part, without further notice the Obligee shall be entitled to enforce any remedy available to the Obligee.

6. If the Surety elects to act under Sections 4(i), 4(ii) or 4(iii), then the responsibilities of the Surety to the Obligee shall not be greater than those of the Contractor under the Construction Contract, and the responsibilities of the Obligee to the surety shall not be greater than those of the Obligee under the Construction Contract. Subject to the commitment by the Obligee to pay the Balance of the Contract Price, the Surety is obligated, without duplication, for

(i) the responsibilities of the Contractor for correction of defective work and completion of the Construction Contract;

(ii) additional legal, design professional and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under Section 4; and

(iii) liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of the Contractor.

7. If the Surety elects to act under Section 4(i), 4(ii) or 4(iii), the Surety's liability is limited to the amount of this Bond.

8. The Surety shall not be liable to the Obligee or others for obligations of the Contractor that are unrelated to the Construction Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than the Obligee or its heirs, executors, administrators, successors and assigns.

9. The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations. The Surety agrees that no change, extension of time, alteration, addition, omission or other modification of the Construction Contract, the Contract Documents or the Work to be performed, shall in any way affect its obligation under this Bond.

10. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the work or part of the work is located and shall be instituted within two years after a declaration of Contractor Default or within two years after the Contractor ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first.

(A) Developer shall purchase and maintain the following insurance during the pendency of the Project and any additional period as may be required elsewhere in the Development Agreement ("Agreement"). All insurance coverage required hereunder shall be issued in amounts required by law but in no event less than those specified below and shall be issued by insurance companies having an A.M. Best Financial Strength Rating of "A-" or better and a Size Category of "VII" or greater. No work shall be commenced under this Agreement until Developer, Executive Construction Manager, and the Construction Manager shall have obtained all of the following insurance and the Coach Member shall have approved of same:

i. Statutory Worker's Compensation and Employers Liability in accordance with the laws of the State of New York as well as any applicable Federal law (e.g. U.S. Longshore and Harbor Workers) and including coverage for "other states" as set forth in Part Three of the Workers Compensation and Employers Liability Insurance Policy. Limits shall be as follows:

Employers Liability:
$1,000,000 Bodily Injury by Accident
$1,000,000 Bodily Injury by Disease
$1,000,000 Policy Limit for Bodily Injury by Disease

ii. Commercial General Liability insurance on an occurrence form in a minimum amount of Two Hundred Million Dollars ($200,000,000) combined single limit per occurrence, and in the aggregate including a contractual liability endorsement. Such policy or policies shall include coverage for bodily injury, including wrongful death, property damage liability, personal injury, advertising liability, premises/operations, products/completed operations, broad form property damage, elevator liability (including coverage for escalators), and such other coverages as the Coach Member may require. Commercial General Liability Insurance shall include Products and Completed operations extended reporting period for the lesser of ten (10) years.

iii. Excess Liability Insurance may be provided on an Each Occurrence and Combined Single Limit excess of Commercial General Liability and Employer's Liability.

(B) If the Liability policies above do not contain the standard ISO separation of insureds provision, or an equivalent clause, such polices shall be endorsed to provide cross-liability coverage.

(C) Coverage under Section A shall be extended to include the interest of the Coach Member and Coach Guarantor as an additional insured for both ongoing and completed operations. Certificates of Insurance evidencing Liability coverage under which the Coach Member and Coach Guarantor is required to be named as an Additional Insured must state that the Coach Member, Coach Guarantor and its respective officers, employees and agents are included as Additional Insureds on a primary and non-contributory basis with respect to any other insurance or self-insurance programs afforded to, or maintained by the Coach Member. The certificate of insurance must specify the policies under which such Additional Insured status has been granted and a copy of the Additional Insured Endorsement(s) or Policy Provision(s) that grant(s) the required Additional Insured status must be attached to the certificate. Policies shall contain a provision whereby the coverage may not renewed, cancelled or materially changed without at least sixty (60) days written notice to the Coach Member. Limits under said policies shall reinstate annually during the period of construction.

(D) Developer or Executive Construction Manager and the Coach Member agree that with respect to any hazard, liability, casualty or other loss or claim which is covered by insurance then being carried by either Coach Member or Developer or Executive Construction Manager, (a) the party carrying such insurance and suffering such loss releases the other party of and from any and all claims with respect to such loss to the extent of the insurance proceeds paid with respect thereto and specifically excepting from such release any deductible required to be paid therewith; and (b) their respective insurance companies shall have no right of subrogation against the other or their respective agents, sub-contractors, employees, licensees or invitees on account thereof. Developer or Executive Construction Manager's insurance policies will also be specifically endorsed to waive, to the extent possible without invalidating or making it impossible for Developer or Executive Construction Manager to obtain insurance, all rights of subrogation against the Coach Member.

(E) A "Wrap-up" Liability policy wherein the Developer shall maintain the insurance specified in Section 7.02(b) for all on site activities until final project completion at Developer's cost and expense. The "Wrap-Up" will be for the benefit of the Developer, Executive Construction Manager, Construction Manager and all eligible contractors and subcontractors that are enrolled in the "Wrap-Up" program. The polices shall name the Coach Member and Coach Guarantor as named insured for all policies issued for the project. The "Wrap-Up" shall be limited to activities that are performed on the project site and will be implemented prior to the commencement of construction activity.

(F) Builders' Risk insurance shall be purchased by the Developer or the Construction Manager for the entire work on a completed value form, on a non-reporting basis. Insurance shall be written on an "all risks" basis in an amount equal to 100% of the Full Replacement Cost. The insurance shall be written to cover all risks of physical loss, including terrorism, except those specifically excluded in the policy. Coverage shall be extended to include as named insureds the Coach Member, Coach Guarantor, the Developer and all contractors and subcontractors that are performing work on the project.

(G) Automobile liability insurance (including coverage of owned, non-owned, and hired vehicles) providing insurance against liability for personal injury, including death resulting there from, and for damage to property, with limits of liability not less than Five Million Dollars ($5,000,000) per occurrence and Five Million Dollars ($5,000,000) aggregate.

(H) Railroad Protective Liability insurance, as required by local transit authority, with limits of liability of not less than Two Million Dollars ($2,000,000) per claim and Six Million Dollars ($6,000,000) aggregate; provided, however, that if the insurance required by this shall be obtained through the Developer's "Wrap-Up' Liability insurance or Contractor Provided insurance with the contractual exclusion for work done within fifty (50) feet of a railroad, light rail, subway or similar tracked conveyance deleted, the requirements of this Section shall be deemed satisfied.

(I) Professional Liability insurance with limits of at least $5,000,000 per claim and in the aggregate with respect to claims made against the Developer or such consultants or professionals employed by the developer for negligent acts, errors, or omissions attributable to Developer or such consultants or professionals in the performance of work hereunder. This coverage shall be maintained in effect for not less than the statute of repose period after the period of substantial completion.

(J) Contractor's Pollution Liability (for Contractors involved with services or activities involving potential Environmental Risks) or Asbestos/Lead Abatement Liability (for Contractors engaged in asbestos/lead abatement activities).

Bodily Injury and Property Damage Limit:	$10,000,000 each occurrence
Products/Completed Operations Limit:	$10,000,000 annual aggregate
Personal Injury & Advertising Injury Limit:	$10,000,000 each person
General Aggregate:	$10,000,000 per project
Per Project	$10,000,000

If protection is not afforded under the Commercial General Liability Coverage, (and the work performed or services provided involve potential Environmental Risks) this insurance shall be maintained on an occurrence basis unless otherwise agreed by the Coach Member and shall be maintained for a period of not less than the Statute of Repose or Statute of Limitations whichever is greater after the date of substantial completion after final acceptance of the work. No endorsement or modification of this policy limiting the scope of coverage for Contractual Liability, Products/Completed Operations, explosion, collapse and underground hazards, or Personal Injury shall be permitted. In addition, no pollution, asbestos, lead or similar exclusions or limitations that would, in any way, limit or restrict coverage for the contractor's abatement or other environmental services or activities shall be permitted. Also, no designated Premises/Operations limitation shall be permitted. Asbestos/Lead Abatement Liability policies shall provide bodily injury coverage for "exposure" to asbestos/lead and shall be modified so that the "impaired property" exclusion does not apply to property that has been "contaminated" by asbestos/lead.

LEED Tenant Measures

Related, Oxford and Coach are partners in developing a healthy and high performance building with the collective goal of achieving LEED CS v2009 Gold certification for the base building and LEED CI v2009 Gold or Platinum certification for Coach's space. The joint venture partners intend for the building to be New York City's most energy efficient Class A office building.

ENERGY

LEED includes tenant fit out specifications in the quantification of whole building energy performance for LEED CSv2009. As such, Coach shall comply and document compliance with the following specifications or advise Developer at the earliest possible occasion that the specifications will not be met. Developer is committed to working with Coach to minimize or eliminate all first cost premium associated with these measures.

Lighting

1. Lighting power density (LPD)
    - At least 15% lower LPD (connected load) than ASHRAE/IESNA Std 90.1-2007 limits, as calculated using the space-by-space method and excluding decorative lighting. Decorative lighting shall be controlled independently and designed not to exceed ASHRAE/IESNA Std 90.1-2007 limits.

2. Occupancy and vacancy sensors
    - Vacancy sensors in rooms less than 250 sqft as per Local Law 48.
    - Occupancy sensors in all other rooms and throughout open plan layouts.
    - During regular working hours, lighting in the open plan layouts shall be controlled by a lighting control processor with time based astronomical operation or by occupancy sensors,. Zones should be set up in accordance with code minimums, and it's permissible for the controls to require all adjacent zones to be unoccupied prior to establishing an "off" condition.
    - After hours, lighting in the open plan layouts shall be controlled by zone and the above occupancy sensor configuration. Lighting in unoccupied areas shall be shut off, with the exception of lighting required by code and a "night light" level of lighting (typically 1% to 5% of output) that may be desirable in certain areas.

3. Daylight dimming for perimeter spaces
    - Continuous, automated daylight dimming for the first 15 ft from the perimeter in all spaces with fenestration, with the exception of conference rooms that have multi-scene control.

4. Light dimming in occupied space
    - Coach will consider dimmable lighting in regularly occupied space with addressable ballasts.

5. Lighting Management
    - Lighting control panels shall be capable of linking to central BMS for central control.
    - Lighting controls shall be reconfigured for convenience and operability when space is reconfigured.

6. Commissioning
    - All lighting controls shall be commissioned and documented as operating in accordance with Coach's requirements.

Fans

1. Fan-powered VAV boxes, where provided, shall have electronically commutated motors.

Computers printers, other office equipment and appliances

1. EnergyStar for 75% of the equipment. *A commitment from Coach to purchase EnergyStar-qualified equipment moving forward, wherever available, is satisfactory.*

WATER

Fixture flow rates

Base building installed fixtures shall have the following flow rates, unless Coach specifies lower flow rates.

1. Water closet: 1.28 gpf or dual flush
2. Urinals: 0.125 gpf
3. Lavatory: 0.5 gpm w/ hands free autosensor
4. Pantry faucet: 1.7 gpm
5. Showers: 1.75 gpm

Irrigation

Any irrigation system installed on tenant terraces shall connect to the building's storm water collection system.

HEAT ISLAND REDUCTION

Rooftop paving

Coach shall coordinate with Developer in selecting the surfacing of their terrace and roof surfacing, as the building as a whole must achieve LEED SSc7.2. The terraces must have an SRI of at least 26, with higher being better, but should not exceed 50 to avoid reflected glare.

Tenant Standards
For Fit-Out Work During Base Building Construction

South Office Tower (Tower C) at Hudson Yards

March 7, 2013

Contractor Requirements

1. Any contractor performing fit-out work for occupants of the Building ("Fit-Out Contractor") shall cooperate and coordinate with the Base Building Executive Construction Manager ("ECM"), Base Building General Contractor ("GC"), Base Building Trade Contractors ("Trade Contractors") and their sub-contractors of all tiers.
2. The Fit-Out Contractor will only access areas of the site and project they are cleared to access and are required to complete their work. Access to other areas requires the approval of the GC.
3. The Fit-Out Contractor will sequence, or change the sequencing of their work to coordinate with the work of the GC and Trade Contractors within a reasonable amount of occurrences. Coordination of Fit-Out Contractor and GC sequencing will be part of regular ongoing coordination meetings.
4. The project's hours of operation ("Hours of Operation") are from 7:00 AM to 6:00 PM, Mondays through Fridays excluding holidays and 9:00 AM to 5:00 PM on Saturdays, as determined and at the discretion of General Contractor.
5. In areas of the Building that have not received a Temporary Certificate of Occupancy, GC approval is required for all Fit-Out Contractor work outside the Hours of Operation.
6. To the extent required for Fit-Out Contractor work, the costs associated with work outside the Hours of Operation, including but not limited to elevator operators, hoist operators, fire watch, building engineering, supervision overtime and other costs, will be charged directly to the occupant of the Building as Fit-Out costs (and not included in the project budget).
7. The Fit-Out Contractor will be required to abide by the Project's Site Safety Plan attached as Appendix A. Amongst other regulations, this includes the requirement that the Fit-Out Contractor and their subcontractors will have to partake in the Site Orientation provided by the GC and all on-site personnel will have to pass pre-access drug and alcohol testing. All workers will have completed the 10-hour OSHA course and present their certification upon request.
8. All Fit-Out Contractors are required to meet the Base Building Project's insurance requirements. Before access to the site is allowed, the Fit-Out Contractor must submit insurance certificates evidencing the required coverage for the review of the appropriate parties. The project's insurance requirements are included as an exhibit to the Development Agreement.
9. Access for all of the Fit-Out Contractors personnel and deliveries will be through the loading dock or the man/material hoists or as directed by the GC.
10. All deliveries have to be coordinated and scheduled with GC. Unless the Fit-Out Contractor has a pre-established dedicated hoist car/service car, all hoisting and vertical transportation will be at the discretion of the GC.
11. Deliveries entering and leaving the site are subject to the Project's pre-determined screening protocols. For off-hour deliveries, the cost of the Project's screening personnel (security guards, etc...) will be paid for by the Fit-Out Contractor. No more than 3 Project personnel will be required for typical off-hours deliveries, and fewer personnel will be used when feasible in the GC's discretion.
12. There will be no on-site Parking.

13. There will be no dedicated areas for the Fit-Out Contractor's on-site offices or staging areas other than the area of their fit-out space. Access and use of any other areas will be by the prior approval of the GC.
14. There is no guarantee that bathroom facilities will be provided by the GC. The Fit-Out Contractor shall arrange to use the bathroom facilities in their own space wherever possible. To the extent possible and in compliance with OSHA requirements, temporary restroom locations will be coordinated with the Fit-Out Contractor to limit impacts to fit-out work.
15. Fit-Out Contractor hoist access will be provided according to the schedule set forth on the Hoist Exhibit. Maintenance of all hoists will be a GC responsibility, with costs to be split based on usage. For dedicated hoists, Fit-Out Contractor may elect to use their own local 14 operators, subject to coordination with the GC. As part of sequencing coordination noted above in #3, GC will be reasonable in providing shared access to Hoist #5 and Hoist #6 (or alternative hoists at GC's discretion) for Fit-Out Contractor use when feasible, subject to Base Building construction requirements.
16. An overview of site-wide logistics and the anticipated location of construction entrances, cranes and hoists over the course of the project is shown in Appendix B.

TABLE OF CONTENTS

SECTION 1: SAFETY PHILOSOPHY

The Principle parties to this construction project are dedicated to the philosophy that a safe project is a successful and profitable project for all parties having an interest. This team is committed to the safety and welfare of our Project workers, the surrounding community, and the environment. The number one goal is that every worker goes home to their family every night, the way he showed up for work in the morning.

Safety is viewed as an integral component of the construction process, the other key components being production and quality; however, safety will be the primary component for judging the ultimate success of this project.

Tutor Perini Building Corp and its Trade Contractors shall be responsible for initiating, maintaining, supervising, training and enforcing all safety regulations for their respective employees and for programs in connection with the performance of the contract. Their employees and Trade Contractors share in that responsibility as well. Project workers are expected to work safely and to contribute to the safety of others. That culture will be developed and expected from all parties on this project.

Incident prevention contributes to the worker's well-being by avoiding injury or illness to its employees, thereby improving productivity, contributing to quality, and reducing costs. The community also benefits directly from incident prevention efforts when potential damage to the environment or injury to the general public, are effectively managed.

To say that all incidents can be prevented is a realistic goal, not just a theoretical objective. It is achievable, in part by eliminating sources of hazards and unsafe acts, and also by incorporating measures such as pre-planning, safety controls, proper training, safe operating procedures and personal protective equipment. More important than just physical devices to protect our workers, is developing an attitude and proper mindset that permeates throughout the project, that safety really does matter. Making sure and caring that the person right next to you is working in a safe manner, and feeling comfortable to mention something to him if he is not, should be the goal of all workers.

SECTION 2: ENVIRONMENTAL, HEALTH & SAFETY PRINOCIPLES

PURPOSE: To establish the minimum performance expectations & employee responsibilities for safety as a Contractor's or Trade Contractor's employee.

INTRODUCTION:

This manual was developed to ensure pro-active safety processes are used on this project. You, as a Trade Contractor on this project have a responsibility, to prevent injuries to all employees and the down time associated with incidents and accidents. The requirements of OSHA, Federal, State and Local ordinances and this manual establish the standards that your safety and loss prevention programs must meet or exceed.

In addition to setting minimum standards, this manual promotes safety by facilitating on-site employee safety orientations designed to promote a safe work environment.

The information in this manual is not intended to alter the provisions of the PLA Agreement. In the event of a conflict or inconsistency, the most stringent standard will govern.

A. General Information

The OCIP Safety Team's objective is to emphasize that protecting people and property are of paramount importance to the success of this project. To accomplish this objective we are utilizing a pro-active safety process.

The pro-active safety process is a practical approach to the prevention of accidents. The emphasis is on discovering what causes accidents and identifying where in the work processes those causes are likely to occur. Only by breaking the cycle of accident evolution can accidents be controlled.

Accident prevention is a continuing process, not a fixed program. The OCIP Safety Team recognizes that Trade Contractors of any tier, may have their own specific safety requirements. It is their responsibility to identify to the OCIP Safety Team how their program may deviate from the guidelines set forth in this manual. It needs to be approved prior to any deviation can take place.

While it is the responsibility of each individual to work safely, it is ultimately TPBC and their Trade Contractor's responsibility to see that all rules (safety and health) and practices are followed and enforced. Active participation in construction safety and loss prevention programs is mandatory. Trade Contractor's, of any tier, must demonstrate to their employee's complete support and continuing involvement in all safety and loss prevention efforts.

Safety is not to be sacrificed for production. Safety must be considered an integral part of the planning process. The goal of the OCIP Safety Team, along with Trade Contractors of any tier, is to eliminate accidents. TPBC and Trade Contractors are charged with the responsibility for developing, adhering to, and enforcing the safety and loss prevention program.

B. Trade Contractor's Site Specific Safety and Loss Prevention Program

The Trade Contractors bid will include cost to establish and maintain a Site Specific Safety Program that meets or exceeds the requirements contained in this manual. The Site Specific Plan must be submitted to TPBC Director of Safety and Owner's OCIP Safety Representative for review at least two weeks prior to the initiation of construction activities.

Trade Contractors, of any tier, are solely responsible for carrying out their safety and loss prevention program. Therefore, the OCIP Safety Team requires that the Trade Contractors designate a competent on-site employee to carry out this responsibility. This employee is directly responsible for ensuring that their program and employee actions comply with the minimum safety standards required by Federal, State and Local Codes and Regulations, and the safety guidelines set forth in this manual.

Alliant Insurance Services will monitor the project Site Specific Safety Plan.

The Alliant Insurance Services On-Site Safety Representative is a technical advisor to the Owner and is a resource to the Trade Contractor's on site. Also, the Trade Contractor's On-Site Safety Representative is responsible for monitoring compliance with all policies and procedures established for the project.

C. Drug Free Work Environment

In order to maintain a safe, healthful and efficient work environment, and to minimize absenteeism and tardiness, all Employers shall implement a Substance Abuse Prevention Policy that, at minimum, includes screening and testing as prescribed by this section.

The TPBC's program utilizes a testing procedure and protocol that mirrors or exceeds US DOT parameters and protocols with the exception that the testing results will adhere to the policies set forth in the PLA. The testing protocol will be required for all pre-employment, post-incident events, and random, subject to agreements in PLA.

An industry-accepted commercially available drug screening protocol can be used for project assessments for workers, providing all positive result cases are referred for participation in the formal testing program. The screening method shall be capable of detecting, at a minimum, nanogram per milliliter (ng/ml) quantities of THC (marijuana), cocaine, amphetamines, opiates, phencyclidine (PCP), and benzodiazepines in human body fluids. This drug screening protocol can be utilized to obtain preliminary results only and would be unacceptable for obtaining any results which could have a legal impact, such as a post-incident event. The drug screening method must be scientifically-derived with supporting studies confirming the detection capabilities and sensitivities.

a. Trade Contractors shall implement and enforce a policy that prohibits the possession, distribution, promotion, manufacture, sale, use or abuse of illegal and unauthorized drugs, drug paraphernalia, controlled substances and alcoholic beverages by employees, agents or any person otherwise under the control of the employer, including employees and agents of Trade Contractor's and consultant's while on the work site, or while otherwise covered by the OCIP while working on the Project. Further, employees shall be prohibited from reporting to the premises under the influence of drugs or alcohol.

b. The policy must apply to all personnel, including but not limited to on site personal that are regular, part-time, probationary, casual, and contract employees of the company, as well as to employees and agents of Trade Contractor's and consultant's. The employer shall take whatever legally permissible steps are necessary or appropriate to enforce compliance with this policy.

initial

c. Employees governed by this policy may possess a prescription medication in its original container and prescribed for current use of the person in possession by an authorized medical practitioner; provided that the Employee taking the prescription medicine perform no duties which may affect the Employee's work ability (particularly their alertness and coordination), safety and the safety of others. Because marijuana remains illegal under Federal Law, the possession or use of marijuana, regardless of any prescription for its medical use, will not be allowed for any workers on this project.

d. At a minimum, any worker covered under the OCIP shall be subjected to a pre-project drug screening protocol for drug use in accordance with the provisions of the Contractor's program. A negative assessment result must be obtained prior to commencement of employment of this project.

e. Any worker covered under the OCIP shall be drug and alcohol tested in accordance with the provisions of TPBC's Program as follows:

   i. When preliminary drug screening results are positive indicating potential substance abuse and effected worker elects to have validated testing results. Prescription medication and potential test interferences will be considered during the collection and analysis process.

   ii. At the discretion of the OCIP Safety Team, when involved in any type of incident, requiring a clinical visit and/or resulting in property damage.

   iii. Any employee who fails or refuses to take a drug screen or drug and alcohol test in accordance with the terms of the contract, OCIP rules and this manual shall be removed from the project and not allowed back on the project for a period of 12 months.

D. Return to Work Program

This is to establish basic guidelines for the Trade Contractor to establish Early Return to Work (light duty) assignment for injured workers. Each employer shall have a written "Early Return to Work Program" that shall be implemented on this project unless specifically prohibited by the terms of a Project Labor Agreement.

Benefits of the "Return to Work Program:

a. Effectively impacts the Employer's Experience Modification Rating and contributes to reduced insurance premiums.
b. May eliminate the need for vocational rehabilitation.
c. Boosts employee morale and demonstrates that the Employer wants to cooperate with the injured worker.
d. A worker on light duty can be of value to an Employer if there is an alternative plan or job description available.

SECTION 6: CLASSIFYING OCCUPATIONAL INJURIES/ILLNESSES

PURPOSE: To provide direction for the proper and consistent classifications of occupational injuries/illnesses and to outline methods of managing injuries/illnesses in order to minimize the severity of injuries/illnesses classification.

Requirements:

A. Classifying Injuries

a. All job-related illnesses are recordable.

b. If an employee has a condition that meets the requirements of an illness, it shall be placed on the OSHA 300 log. Examples: heat related illnesses, dermatitis, carpal tunnel syndrome, etc. If there are uncertainties on whether or not an illness is recordable, contact TPBC Project Executive and assistance will be provided.

c. Examples of some recordable injuries: given more than one dose of a medication that cannot be bought over the counter; all sutures, steri-strips, butterfly bandages; positive x-rays for any fracture, loss of consciousness, repeated hot/cold therapy performed at work or the doctor's office (if performed at home, it is not considered recordable); removal of foreign bodies embedded in the eye (if it has to be treated by a physician, it is recordable).

d. Examples of some non-recordable injuries: Multiple doses of antiseptic ointments; multiple doses of prescription strength over the counter medication, hot/cold treatments performed at home; removal of foreign bodies in the eye with irrigation or a cotton tipped swab.

e. Lost workday cases (LWDC) involving days away from work are cases resulting in days the employees would have worked but could not because of the job-related injury or illness. The focus of these cases is on the employee's inability, because of injury or illness, to be present in the work environment during his or her normal work shift.

f. Examples of non-LWDC: Traveling to see a doctor and missing a complete work day(s) because of the travel; employees missing a non-scheduled workday, employees not returning to work even though released to work by a doctor. Missing the initial day due to the injury or a visit to a doctor is not a LWDC.

g. Per OSHA 300 Log lost workday cases involving days of restricted work activity are those cases where, because of injury or illness:

   a) The employee was assigned to another job on a temporary basis, or

   b) The employee worked at a permanent job less than full time, or

   c) The employee worked at his or her permanently assigned job, but could not perform all the duties normally connected with it.

h. Restricted work activity occurs when the employee, because of the job-related injury or illness, is physically or mentally unable to perform all or any part of his or her normal assignment during all or any part of the normal workday or shift. The emphasis is on the employee's inability to perform normal job duties over a normal work shift.

i. The Trade Contractor's Divisional Safety Officer is the final authority for determining the proper classification of occupational injuries/illnesses.

initial

SECTION 7: WORKERS COMPENSATION CLAIM MANAGEMENT

PURPOSE: To provide an outline of methods for managing injuries and illnesses that shall be used to control the costs of the injury/illness.

A. Requirements

1. Procedure

A. EMPLOYEE ORIENTATION

One of the requirements of all Trade Contractors is to conduct a complete basic safety orientation for all their employees new to the site. A project orientation and successful drug screen are required before an employee can receive a project ID and enter the work site. At a minimum, the orientation will include:

a) Contractor Employee Handbook
b) Contractor Orientation Video
c) Employee safety requirements and policies
d) Site Specific Safety and Health rules
e) Permitting procedures, including work permits, excavation, confined space entry, lock-out, etc.
f) Hazard communication
g) Emergency alarms and evacuation procedures

B. DOCUMENTATION

All employees will complete an Orientation Acknowledgement form supplied by TPBC at the end of the orientation. Upon successful completion, the employee will receive a hard hat sticker with an identification number to be worn on the employees hard hat at all times while on the project. Documentation of successful orientation and identification of said employees will be kept by the SSM, and be available upon request by the Owner or OCIP Safety Team.

C. FACILITY FOR ORIENTATION

TPBC will facilitate the project orientation and provide an appropriate meeting place on site for use in conducting the orientation sessions.

SECTION 10: HUDSON YARD: ZERO TOLERANCE AND DISCIPLINARY PROCEDURES

PURPOSE: To establish a Zero Tolerance Policy for a fair and consistent disciplinary procedure that meets the minimum expectations for the Health & Safety of all employees and Trade Contractors working on the Hudson Yard Project.

In an effort to effectively communicate minimum performance expectations as it relates to accident prevention programs, this document must be communicated and distributed as necessary to ensure all managers, employees and Trade Contractors of all tiers are aware of the content of this policy.

A. Zero Tolerance Defined:

Zero tolerance means that failure to follow a written requirement, such as but not limited to; rules, laws, programs or policy's, that is a blatant disregard for human life, whether it be his/her own or others, will not be tolerated. Furthermore, failure to follow the minimum requirements of any Safety program, whether willful or not, including but not limited to, programs such as Fall Protection, Control of Hazardous Energies, Scaffold, Electrical, Trenching and Excavations, Confined Space Entry, etc., will result in disciplinary action or immediate dismissal with no future employment opportunities at the Hudson Yards Project. The Project Executive Safety Committee will have the responsibility to make sure the decisions are made immediately following the incident investigation.

A. Drug & Alcohol Policy:

a. All job sites are a Drug & Alcohol Free Zone!
b. Zero tolerance for anyone being under the influence or testing positive for Drugs or Alcohol at the workplace.
c. Violations of this policy will result in disciplinary action, including termination.

C. Graffiti:

The use of graffiti anywhere on the Hudson Yards job site will be considered a Zero Tolerance violation which will result in disciplinary action, up to and including termination.

D. Discipline Program:

1. The purpose of the Safety Disciplinary Program is to channel all safety activities toward the singular goal of elimination of accidents and to ensure that discipline is administered with fairness and consistency.

2. The Safety Program mandates that all supervisory employees accept their responsibility for the prevention of accidents at work under their direction and be responsible for the safety training and instructions of employees under their direct supervision

3. Under all circumstances the supervisor shall follow the disciplinary procedure so that consistency and fairness can be maintained. The Trade Contractor's Project Manager or person designated by corporate management, are directly responsible for seeing that discipline is administered in a fair and consistent manner. The TPBC Division Safety Director shall provide direction and guidance to management personnel in the administration of this program.

4. The following are procedural guidelines:
   a) Except in cases involving major violations of Company Safety Rules and Regulations the company subscribes to a philosophy of progressive and constructive discipline. What this means is that discipline will be administered for the purpose of producing a corrective change in the employee's future behavior but if the change does not occur then a more

initial

serious form of discipline will be administered. Examples of major safety violations would be the false report of an injury with intent to collect Workmen's Compensation benefits, fighting, using drugs or alcohol on the project site, etc. These types of violations will result in the employee's immediate discharge.

b) Rules of conduct have been established for project safety. These rules must be followed by all employees. Violation of these safety rules will result in disciplinary action up to and including discharge.

c) Safety Rules must be posted on the bulletin board(s) of each project so that all employees are made aware of each rule.

d) The Safety Rules listing is not all-inclusive; therefore, project supervisors and managers must not assume that a safety violation has not occurred if such act is not listed.

e) Safety Rules are "rules of conduct" based primarily upon TPBC established safety standards. The communication of the safety rules to employees is important but of equal importance is the enforcement of these safety rules in a fair and consistent manner. To maintain fairness and consistency, the supervisor must administer the proper discipline in accordance with the severity of the safety violation as follows:

   i. Has a safety violation been verified?
   ii. Is the violation deserving of a reprimand?
   iii. Has a similar violation occurred before? If so, what discipline was administered?
   iv. If the supervisor can answer yes to (i), (ii) and (ii) above, then it is "fair" to administer discipline. If the discipline administered is similar to that administered previously for similar offenses, then "consistency" is maintained.

5. The typical disciplinary action pattern is as follows, however, the severity of a violation will determine the level of disciplinary action administered:

   a) Verbal Reprimand – The supervisor will inform the employee that he/she has committed a safety violation which, if repeated, could result in further disciplinary action. The verbal reprimand will be documented, however; such documentation does not transform such verbal reprimand into a written reprimand.

   b) Written Reprimand – A formal written notice will be issued by the supervisor informing the employee of the safety violation and notifying the employee that future violations may result in suspension or discharge from work.

   c) Suspension or Discharge – The employee's supervisor will inform the employee that he/she is suspended from work without pay for a specified period of time or discharged for a violation of company safety rules or regulations.

6. Whenever discipline is administered, proper documentation of the action taken should be maintained. The documentation should state what Safety Rule was violated, the Level of Disciplinary action administered and any other comments the supervisor wishes to note relative to the incident.

initial

7. Any individual removed from the job-site or dismissed from employment due to safety violations shall not return to the job-site or Trade Contractor employment without approval of the TPBC Executive Management Team.

8. The discipline program consists of 2 levels of engagement based on severity.

    1. Minor Offenses: Such as not wearing safety glasses, not wearing high visibility vests, not wearing hardhat 100% when on jobsite etc.

        a. 1st Offense: Verbal Warning
        b. 2nd Offense: Written warning and retraining
        c. 3rd Offense: Suspension, Time off and retraining
        d. 4th Offense: Termination

    2. Major Offenses: Practices endangering the individual or others

        a. 1st Offense starting with time off without pay and retraining, and up to immediate termination.
        b. 2nd Offense: Immediate Termination

SECTION 11: TRAINING

PURPOSE: A written Trade Contractor training program will be in place to provide a guideline and expectation for all employees working on the Hudson Yard Project.

GENERAL:
Trade Contractor management is responsible to provide the training resources necessary to equip employees with the safety knowledge and skills required for them to accomplish their jobs in compliance with company requirements. Trade Contractor shall maintain up to date documentation of such training and produce such documentation to Contractor upon request.

Trade Contractor management is responsible to assign tasks only to employees who have successfully completed the safety training required for the task.

Any employee on the LIRR side of the fence will be required to have this training. Upon successful completion of this required safety training program, the employees will receive a Roadway Worker card, which must be on their person at all, times, when working on or near a rail System. NOW, THEREFORE, in consideration of the promises herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

SECTION 1. Guaranteed Obligations.

(a) Subject to and in accordance with the succeeding provisions of this Guaranty (including without limitation Section 1(b)), Guarantor does hereby unconditionally, absolutely and irrevocably, as primary obligor and not merely as surety, guarantee, for the benefit of each of the Developer Parties (each of the following Guaranteed Obligations (as defined below) being a separate and independent obligation):

(i) the payment in full of: (A) all Coach Total Development Costs and all other sums and charges due to Developer under the Development Agreement (including, without limitation, all sums and charges due to Developer pursuant to Sections 2.04, 2.05, 3.07, 8.04, 10.01, 10.07 and 17.02 (a) and Article 12 of the Development Agreement); (B) all sums and charges that are the responsibility of the Coach Member under the Operating Agreement (including, without limitation, all sums and charges due to the Building C JV or the Fund Member pursuant to Sections 3.1, 3.8(f), 3.8(h), 3.8(j) (but not including Section 3.8(j)(iv) for this purpose), 4.2(a), 4.3, 7.8(b), 8.3, 8.4 and 10.2 of the Operating Agreement); and (C) any liquidated damages, penalties, self-help costs and interest charges payable by the Coach Member under the Development and the Operating Agreement (the costs, sums and charges described in clause (A)-(C), collectively, the "Coach Member Costs"; and such payment obligation, the "Coach Member Payment Obligation");

(ii) that any and all liens or claims of any Persons furnishing materials, labor or services in connection with the Coach Finish Work (other than any Coach Finish Work performed on behalf of the Coach Member by or on behalf of any Developer Party or any Affiliate of any Developer Party) encumbering or affecting any portion of the Building other than the Coach Areas shall be removed by bonding or otherwise discharged within the time periods provided in the Development Agreement, subject to the rights of the Coach Member, Developer, Building C Tenant, and the Building C Mezzanine Borrower (if any), as applicable, in accordance with the terms and conditions set forth in the Development Agreement and the Loan Documents, to contest any such liens or claims which are otherwise so removed by bonding, except for any liens or claims of Persons furnishing materials, labor or services to or on behalf of the Developer (the "Lien Discharge Obligation"); and

(iii) the payment of, or reimbursement to Developer and the Fund Member of, all reasonable costs and expenses incurred by such Developer Party in connection with its enforcement of the Coach Member Payment Obligation and the Lien Discharge Obligation (such costs and expenses, "Enforcement Costs"), where such enforcement is brought either against Guarantor or in a combined action against both Guarantor and the Coach Member and such Developer Party is the substantially prevailing party with respect thereto (the "Enforcement Costs Obligation").

The obligations set forth in clauses (i) through (iii) above are hereinafter collectively referred to as the "Guaranteed Obligations" (provided, that there shall be no duplication of any such obligation to the extent the same underlying obligation is included in more than one such clause). Notwithstanding anything to the contrary contained in the Operating Agreement or this Guaranty, there shall be no limitation on the liability of Guarantor hereunder with respect to the any liability of the Coach Member pursuant to Section 8.4 of the Operating Agreement.

(b) Subject to the provisions of Section 1(c), if at any time, whether or not a default shall have occurred or be continuing under the Development Agreement, the Operating Agreement or any other Building Document, but subject to the rights of the Coach Member and the Developer Parties with respect to the arbitration of disputes between or among such parties pursuant to the terms of the Development Agreement or the Operating Agreement, as applicable, any of the Guaranteed Obligations shall not have been duly paid or performed after the expiration of applicable notice and cure periods (if any), then Guarantor shall, within ten (10) Business Days of written notice and demand made by a Developer Party, pay and perform such Guaranteed Obligations. In addition to the other rights and remedies that a Developer Party may have hereunder, any Developer Party, at its option, shall have the right to undertake to pay or perform, to the extent not paid or performed by the Coach Member, the Guaranteed Obligations or any portion thereof (including the payment of costs and expenses to pay or perform any of the Guaranteed Obligations) either before or after the exercise of any other remedy of such Developer Party against the Coach Member or Guarantor. All reasonable expenditures made by a Developer Party in connection with such Developer Party's payment or performance of any Guaranteed Obligations, with interest at the Interest Rate (as defined in the Development Agreement), shall be paid to such Developer Party by Guarantor within ten (10) Business Days after written notice and demand, by wire transfer of immediately available federal funds to an account designated by such Developer Party.

(c) Notwithstanding anything to the contrary contained in this Guaranty, no amounts payable to any Developer Party hereunder shall duplicate any payments actually made to such or any other Developer Party in respect of the same underlying obligation under the Operating Agreement or the Development Agreement (or any other agreements or instruments executed by the Coach Member pursuant thereto). The Operating Agreement, the Development Agreement and any such other agreements and instruments executed by the parties pursuant thereto (excluding the Building C Lease and the MTA Documents) and this Guaranty shall collectively be referred to herein as the "Building Documents".

SECTION 2. Nature of Guaranty. Guarantor's liability under this Guaranty is a guaranty of payment and performance and not of collection. Each Developer Party has the right to require Guarantor to pay, comply with and satisfy its obligations and liabilities under this Guaranty, and shall have the right to proceed immediately against Guarantor with respect thereto, without being required to attempt recovery first from the Coach Member or any other Person, and without demonstrating that the Developer Parties have exercised (to any degree) or exhausted any of the Developer Parties' rights against the Coach Member under any of the Building Documents. This Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future, including Guaranteed Obligations arising or accruing after any bankruptcy of the Coach Member or Guarantor or any sale or other disposition of any security for this Guaranty under the Building Documents.

SECTION 3. Representations and Warranties. Guarantor hereby represents and warrants as of the date hereof as follows:

(a) It is a corporation, duly organized, validly existing and in good standing under the laws of the State of Maryland and owns a direct or indirect interest in the Coach Member.

(b) It has the power, authority and legal right, (i) to own and operate its properties and assets, (ii) to carry on the business now being conducted, and (iii) to execute, deliver and perform its obligations under, and engage in the transactions contemplated by, this Guaranty, and it has duly authorized, executed and delivered this Guaranty.

(c) There is no provision of any agreement or contract binding on it which would prohibit, conflict with, or in any way prevent the execution, delivery and performance of this Guaranty.

(d) True, correct and complete copies of the certificate of incorporation and by-laws of Guarantor and each amendment thereto entered into as of the date hereof (collectively, the "Organizational Documents") have been delivered to the Developer Parties. The Organizational Documents are not subject to any right of rescission, set-off, counterclaim or defense by any partner, member or shareholder, and no partner, member or shareholder has asserted any right of rescission, set-off, counterclaim or defense.

(e) It has, independently and without reliance upon the Developer Parties and based on such documents and information as Guarantor has deemed appropriate, made its own credit analysis and decision to enter into this Guaranty.

(f) It is not a Prohibited Person (as such term is defined in the Building C Lease).

(g) There are no actions, suits or proceedings at law or in equity by or before any Government Entity now pending or, to Guarantor's knowledge, threatened against Guarantor, any Affiliates of Guarantor or any of their respective assets, which actions, suits or proceedings, if determined against Guarantor, any such Affiliate of Guarantor or any of such assets, might reasonably be expected to materially adversely affect the financial condition of Guarantor or its ability to perform its obligations under this Guaranty.

(h) This Guaranty in all respects represent valid and legally binding obligations, which are enforceable against Guarantor in accordance with the terms hereof, subject only to the effects of bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally.

SECTION 4. Intentionally Omitted.

SECTION 5. Obligations Independent. The obligations of Guarantor under this Guaranty shall be independent of, and shall not be measured or affected by, (a) the legal sufficiency or insufficiency of the Development Agreement, the Operating Agreement or any other Building Document, (b) the modification, expiration or termination of the Development Agreement, the Operating Agreement or any other Building Document (except as any modifications shall modify the Guaranteed Obligations), (c) any extension of time for performance under the Development Agreement, the Operating Agreement or any other Building Document (except as any extensions of time shall extend the time to perform the Guaranteed Obligations), (d) the terms and provisions of the Loan Documents or the sufficiency of the funds advanced to Building C Tenant or Building C Mezzanine Borrower by the Coach Lender pursuant thereto, (e) any bankruptcy, insolvency or other discharge of the Coach Member, and (f) any offsets or defenses available to the Coach Member or any other offsets or defenses to liability of Guarantor (other than any offset based on a default by the Fund Member or Developer in the payment or performance of its obligations under the Development Agreement or the Operating Agreement, as applicable, that, if disputed by Developer or the Fund Member, has been finally determined to be due and payable or required to be performed pursuant to the dispute resolution process thereunder), all of which are hereby waived.

SECTION 6. Other Rights and Remedies. The rights of the Developer Parties under this Guaranty shall be in addition to the other rights and remedies of the Developer Parties against Guarantor, if any, under any other Building Document, or at law or in equity, and shall not in any way be deemed a waiver of any such rights.

SECTION 7. Limitation on Obligations. Notwithstanding anything to the contrary contained herein or in any other Building Document to the contrary, the maximum liability of Guarantor under this Guaranty shall be One and 00/100 Dollar ($1.00) less than the amounts which, under applicable federal and state laws, including those relating to the insolvency of debtors, and after giving effect to all applicable rights of contribution, would result in the avoidance or illegality of the obligations of Guarantor hereunder or, if applicable, under any other Building Document. Nothing herein shall be construed to shift to the Developer Parties the burden of proof with respect to the maximum liability of Guarantor.

SECTION 8. Survival of Obligations. The Guaranteed Obligations shall survive any termination, surrender, summary proceeding, foreclosure or other proceeding involving the Development Agreement, the Operating Agreement or any other Building Document and/or the exercise by any Developer Party of any of its remedies pursuant to the Development Agreement, the Operating Agreement or any other Building Document. The Guaranteed Obligations shall survive until performed in full, and shall be reinstated in the event that any payment made is rescinded.

SECTION 9. Obligations Absolute.

(a) The obligations and liability of Guarantor hereunder shall remain in full force and effect without regard to, and shall not be impaired by, the following: (i) any amendment, modification, renewal, supplement or extension of or waiver under the Development Agreement, the Operating Agreement or any other Building Document or any obligations thereunder (except that the Guaranteed Obligations shall be deemed to be modified to the extent that any such amendment, modification, renewal, supplement, extension or waiver shall modify any obligations of the Coach Member that constitute Guaranteed Obligations); (ii) any exercise or non-exercise by any Developer Party of (or any delay in exercising) any right or privilege under the Development Agreement, the Operating Agreement or any other Building Document; (iii) any voluntary or involuntary bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or similar proceeding relating to the Coach Member or Guarantor or any of the assets belonging to either of them, or any action taken with respect to this Guaranty by any trustee or receiver, or by any court, in any such proceeding, whether or not Guarantor shall have had notice or knowledge of any of the foregoing; (iv) any release, waiver or discharge of Guarantor from liability under any of the Building Documents (other than liability under this Guaranty); (v) any subordination, compromise, settlement, release (by operation of law or otherwise), discharge, collection or liquidation of any of the Building Documents or any repossession or surrender of the Premises (as defined in the Building C Lease) under the Building C Lease; (vi) any assignment or other transfer of any or all of the Development Agreement, the Operating Agreement, the Building C Lease or the other Building Documents, in whole or in part; (vii) any acceptance of a partial performance of any of the obligations of Guarantor (except to the extent of such partial performance); (viii) any transfer of any or all of the Building, the Land or any Unit or any consent thereto; (ix) any bid or purchase at any sale of any or all of the Building, the Land or any Unit; (x) any change in the composition of the Coach Member, or any member, partner or shareholder of the Coach Member, including, without limitation, the withdrawal or removal of Guarantor from any current or future position of direct or indirect ownership, management or control of the Coach Member or such member, partner or shareholder; (xi) any failure to file or record the Building C Lease or any documents related thereto or any failure to take or perfect any security interest intended to be provided thereby; and (xii) any breach or inaccuracy of a representation, warranty or covenant made by the Coach Member, whether express or implied.

(b) Guarantor unconditionally waives: (i) any right to require any Developer Party to terminate the Development Agreement, the Operating Agreement or any other Building Document or to pursue any other remedy whatsoever under the Development Agreement, the Operating Agreement or any other Building Document or otherwise; (ii) any defense arising by reason of any invalidity or unenforceability of the Development Agreement, the Operating Agreement or any other Building Document or any of the respective provisions thereof; (iii) any defense based upon an election of remedies by any Developer Party, including, without limitation, any election to proceed by termination of the Development Agreement, the Operating Agreement or any other Building Document, or exercise of any other remedies of the applicable Developer Party under the Development Agreement, the Operating Agreement or any other Building Document; (iv) any defense to the recovery by any Developer Party against Guarantor of any deficiency or otherwise to the enforcement of this Guaranty (except as otherwise expressly provided herein); (v) demand, presentment for payment, notice of nonpayment or other default by the Coach Member, protest, notice of protest and all other notices of any kind, or the lack of any thereof, including, without limiting the generality of the foregoing, notice of the existence, creation or incurring of any new or additional indebtedness or obligation or of any action or non-action on the part of any Developer Party, any endorser or creditor of Guarantor or any other person whomsoever under this or any other instrument in connection with any obligation or evidence of indebtedness held by any Developer Party, except for notices required under this Guaranty; (vi) any right or claim of right to cause a marshaling of the assets of Guarantor; (vii) any duty on the part of any Developer Party to disclose to Guarantor any facts any Developer Party may now or hereafter know about the Building, the Land or the Coach Areas, regardless of whether any Developer Party have reason to believe that any such facts materially increase the risk beyond that which Guarantor intends to assume or has reason to believe that such facts are unknown to Guarantor or has a reasonable opportunity to communicate such facts to Guarantor, it being understood and agreed that Guarantor is fully responsible for being and keeping informed of the condition of the Building, the Land and the Coach Areas and of any and all circumstances bearing on the risk that liability may be incurred by Guarantor hereunder; (viii) any lack of notice of disposition or of manner of disposition of any collateral for any Building Document or the Guaranteed Obligations; (ix) any deficiencies in the collateral for any Building Document or the Guaranteed Obligations or any deficiency in the ability of any Developer Party to collect or to obtain performance from any Persons now or hereafter liable for the payment and performance of any of the Guaranteed Obligations; and (x) any other circumstance which might otherwise constitute a defense available to a guaranty or surety, or a discharge of any of the Guaranteed Obligations. Without limiting the generality of the foregoing, Guarantor hereby waives all rights and defenses arising out of an election of remedies by any Developer Party and all rights of subrogation or contribution, whether arising by contract or operation of law or otherwise by reason of any payment by Guarantor pursuant to the provisions hereof for so long as the obligations under the Development Agreement or any other Building Document remain outstanding (to the extent such subrogation or contribution adversely affects the exercise of any Developer Party's rights hereunder). Furthermore, Guarantor shall not have any right of recourse against the Developer Parties or any of their respective Affiliates, or any other Developer Indemnitee, by reason of any action that any Coach Indemnitee may take or omit to take under the provisions of this Guaranty, the Development Agreement or, if applicable, any other Building Document, except as set forth in such Building Document or to the extent such action or omission constitutes gross negligence or willful misconduct, and provided that nothing in this Guaranty shall limit any rights or remedies of Guarantor or any of its Affiliates under the Development Agreement, the Operating Agreement or any other Building Document in the event of any default thereunder or violation of the terms thereof by the applicable Developer Party.

SECTION 10. Intentionally Omitted.

SECTION 11. Release of Guaranty. Subject to the provisions of Section 24 regarding reinstatement of Guaranteed Obligations, Guarantor shall be released and discharged from all liability for the Guaranteed Obligations under this Guaranty at such time as (a) all of the Guaranteed Obligations have been satisfied in full, and (b) all reasonable costs and expenses incurred by the Developer Parties with respect to the enforcement of the Guaranteed Obligations, including enforcement undertaken directly against the Coach Member pursuant to the Building Documents with respect to obligations which are the subject of this Guaranty (where such enforcement is brought either against Guarantor or in a combined action against Guarantor and the Coach Member) shall have been paid in full. Upon satisfaction of the Guaranteed Obligations and the conditions set forth in this Section 11, at the request of Guarantor, the Developer Parties will deliver a written instrument evidencing the termination of this Guaranty and the release of Guarantor of all obligations hereunder in form and substance reasonably satisfactory to the Developer Parties and Guarantor, which release shall be subject to reinstatement as provided in Section 24.

SECTION 12. Subordination.

(a) All indebtedness, liabilities and obligations of the Coach Member to Guarantor (including, without limitation, any obligation of the Coach Member arising out of any payment or performance by Guarantor hereunder) and all indebtedness, liabilities and obligations of any member, partner or shareholder of the Coach Member to Guarantor ("Subordinated Debt"), whether secured or unsecured and whether or not evidenced by any instrument, now existing or subsequently created or incurred, are and shall be subordinate and junior in right of payment to the Guaranteed Obligations.

(b) If any payment or distribution or security, or any proceeds of any of the foregoing, (i) is collected or received by Guarantor in respect of any Subordinated Debt or in respect of any obligation of any member, partner or shareholder of the Coach Member to make any capital contribution to the Coach Member, and (ii) is not expressly permitted under the provisions of this Guaranty, then Guarantor shall immediately turn over such payment, distribution, security or proceeds to the Developer Parties in the form received, and, until so turned over, the same shall be deemed to be held in trust by Guarantor as the property of the Developer Parties.

SECTION 13. Recourse; Exculpation.

(a) Guarantor's liability hereunder shall be fully recourse and shall not be subject to, limited by or affected in any way by any non-recourse provisions contained in the Development Agreement, the Operating Agreement or any other Building Document. Guarantor hereby acknowledges that it is the intent of the Developer Parties to create separate obligations of Guarantor hereunder which can be enforced against Guarantor without regard to the existence of any other Building Document or the rights, liens or security interests created therein. Guarantor agrees that the agreements made and given in this Guaranty are separate from, independent of and in addition to the undertakings under any other guaranty now existing or hereafter made by Guarantor in favor of any other Person with respect to any of the Guaranteed Obligations ("Other Guaranties"). Guarantor agrees that a separate action may be brought to enforce the provisions of this Guaranty which shall in no way be deemed to be an action on any of the Other Guaranties, the Development Agreement, the Operating Agreement or any other Building Document.

(b) The Developer Parties shall not be required (and Guarantor hereby waives any rights that Guarantor may have to require any Developer Party), in order to enforce the obligations of Guarantor hereunder, first to (i) institute any suit or exhaust any remedies against the Coach Member or any other Person liable under the Development Agreement, the Operating Agreement or any other Building Document, (ii) enforce any Developer Party's rights against any other guarantors of the Guaranteed Obligations, (iii) enforce any Developer Party's rights against any collateral which shall ever have been given to secure the Development Agreement, the Operating Agreement or any other Building Document, (iv) join the Coach Member or any other Person liable on the Guaranteed Obligations in any action seeking to enforce this Guaranty, or (v) resort to any other means of obtaining payment of the Guaranteed Obligations. The Developer Parties shall not be required to mitigate damages or take any other action to reduce, collect or enforce the Guaranteed Obligations.

(c) Guarantor shall have no right of recourse against any Developer Party by reason of any enforcement action any Developer Party may take or omit to take under the provisions of this Guaranty or any of the Building Documents in connection with the enforcement of the Guaranteed Obligations in compliance with law and with such Building Documents.

(d) No personal liability shall be asserted, sought or obtained by any Developer Party under this Guaranty or enforceable by any Developer Party under this Guaranty against (i) any Affiliate of Guarantor, (ii) any Person owning, directly or indirectly, any legal or beneficial interest in Guarantor or any Affiliate of Guarantor or (iii) any direct or indirect partner, member, principal, officer, beneficiary, trustee, advisor, shareholder, employee, agent, Affiliate or director of any Persons described in clauses (i) and (ii) above (collectively, the "Exculpated Parties"), and none of the Exculpated Parties shall have any personal liability in respect of any of the Guaranteed Obligations or any other liabilities and obligations of Guarantor under this Guaranty. Nothing in this Section 13(d) shall derogate from or reduce the rights of any Developer Party in respect of any separate undertakings or agreements given in connection herewith.

SECTION 14. Independent Actions. Guarantor waives any right to require that any action be brought by any Developer Party against any other Person, or that any other remedy under the Development Agreement, the Operating Agreement or any other Building Document be exercised. Any Developer Party may, at its option, proceed against Guarantor in the first instance to collect monies when due or obtain performance under this Guaranty, without first resorting to the Development Agreement, the Operating Agreement or any other Building Document or any remedies thereunder.

SECTION 15. Assignment.

(a) Guarantor may not assign any of its rights and obligations under this Guaranty without the prior written consent of the Fund Member, which consent may be granted or withheld by the Coach Member in its sole and absolute discretion.

(b) Subject to the provisions of the Building Documents, Guarantor acknowledges and agrees that the Developer Parties (or any Developer Party) shall have the right, upon notice to Guarantor but without Guarantor's consent, to assign, transfer, sell, lease, negotiate, pledge, grant or otherwise hypothecate all or any portion of its or their rights in and to the Fund Member Units, the Development Agreement, the Operating Agreement or any other Building Documents and/or this Guaranty to any permitted transferee of its interest under and in accordance with the terms of the Development Agreement, the Operating Agreement or such Building Document, and no such assignment, transfer, sale, lease, negotiation, pledge, grant or hypothecation and/or transfer of the Developer Parties' (or any Developer Party's) rights thereunder or hereunder, shall in any way impair or affect, or constitute a defense to, Guarantor's liability under this Guaranty.

SECTION 16. Successors and Assigns Included in Parties. Whenever in this Guaranty any of Guarantor, the Coach Member or any Developer Party is named or referred to, the heirs, legal representatives, successors and permitted assigns of such Person shall be included and all covenants and agreements contained in this Guaranty by or on behalf of Guarantor shall bind and inure to the benefit of their respective heirs, legal representatives, successors and permitted assigns, whether so expressed or not.

SECTION 17. Number and Gender. Whenever the singular or plural number, or the masculine, feminine or neuter gender is used herein, it shall equally include the other.

SECTION 18. Computation of Time Periods. In this Guaranty, with respect to the computation of periods of time from a specified date to a later specified date, the word "from" means both "from and including" and the words "to" and "until" both mean "to but excluding".

SECTION 19. Notices.

(a) Any request, notice, report, demand, approval or other communication (each, a "Notice") permitted or required by this Guaranty to be given or furnished shall be in writing signed by the party giving such Notice and shall be delivered (x) by hand (with signed confirmation of receipt), (y) by nationally or internationally recognized overnight mail or courier service (with signed confirmation of receipt) or (z) by facsimile transmission (with a confirmation copy delivered in the manner described in clause (x) or (y) above). All such Notices shall be deemed delivered, as applicable: (i) on the date of the personal delivery or facsimile (as shown by electronic confirmation of transmission) if delivered by 5:00 p.m., and if delivered after 5:00 p.m. then on the next business day; or (ii) on the next business day for overnight mail.

(b) Any party may change the entity, address or the attention party to which any Notice is to be given, by furnishing written Notice of such change to the other parties in the manner specified above. Rejection or refusal to accept, or inability to deliver because of changed address or because no notice of changed address was given, shall be deemed to be receipt of any such notice.

(c) Notices directed to a party shall be delivered to the parties at the addresses set forth below or at such other address or addresses as may be supplied by written Notice given in conformity with the terms of this Section 19:

SECTION 20. Governing Law. This Guaranty shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed solely within such State.

SECTION 21. Consent to Jurisdiction; Waiver of Jury Trial. Guarantor hereby irrevocably and unconditionally (a) agrees that any suit, action or other legal proceeding arising out of or relating to this Guaranty shall be brought in the courts of record of the State of New York in New York County or the courts of the United States, Southern District of New York; (b) consents to, and waives any and all personal rights under the laws of any state or the United States to object to, the jurisdiction of each such court in any such suit, action or proceeding; and (c) waives any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts. In furtherance of such agreement, Guarantor hereby agrees, upon request of any Developer Party, to discontinue (or allow to be discontinued) any such suit, action or proceeding pending in any other jurisdiction or court. Nothing contained herein, however, shall prevent any Developer Party from bringing any suit, action or proceeding or exercising any rights against any security or against Guarantor, or against any property of Guarantor, in any other state or court. Initiating such suit, action or proceeding or taking such action in any state shall in no event constitute a waiver of the agreement contained herein that the laws of the State of New York shall govern the rights and obligations of Guarantor and the Developer Parties hereunder or thereunder or the submission herein or therein by Guarantor to personal jurisdiction within the State of New York. Guarantor hereby irrevocably consents to the service of any and all process in any such suit, action or proceeding by service of copies of such process to Guarantor at its address provided herein. Nothing in this Section 21, however, shall affect the right of any Developer Party to serve legal process in any other manner permitted by law. TO THE FULLEST EXTENT PERMITTED BY LAW, GUARANTOR AND EACH DEVELOPER PARTY HEREBY KNOWINGLY, INTENTIONALLY AND VOLUNTARILY, WITH AND UPON THE ADVICE OF COMPETENT COUNSEL, WAIVES, RELINQUISHES AND FOREVER FORGOES THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED UPON, ARISING OUT OF, OR IN ANY WAY RELATING TO THIS GUARANTY OR ANY CONDUCT, ACT OR OMISSION OF GUARANTOR OR ANY DEVELOPER PARTY, OR ANY OF ITS RESPECTIVE DIRECTORS, OFFICERS, PARTNERS, MEMBERS, EMPLOYEES, ATTORNEYS OR AFFILIATES, IN EACH OF THE FOREGOING CASES, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. The waivers contained in this Section 21 are given knowingly and voluntarily by Guarantor and each Developer Party, as the case may be, and, with respect to the waiver of jury trial, are intended to encompass individually each instance and each issue as to which the right to a trial by jury would otherwise accrue. Each Developer Party and Guarantor is hereby authorized to file a copy of this Section 21 in any proceeding as conclusive evidence of these waivers.

SECTION 22. Invalid Provisions to Affect No Others. If fulfillment of any provision hereof at the time performance of such provision shall be due, shall involve transcending the limit of validity presently prescribed by law, with regard to obligations of like character and amount, then, ipso facto, the obligation to be fulfilled shall be reduced to the limit of such validity; and if any clause or provision herein contained operates or would prospectively operate to invalidate this Guaranty in whole or in part, then such clause or provision only shall be held for naught, as though not herein contained, and the remainder of this Guaranty shall remain operative and in full force and effect to the fullest extent permitted by law.

SECTION 23. No Waiver. No failure or delay on the part of any Developer Party to exercise any power, right or privilege under this Guaranty shall impair or be construed to be a waiver of any such power, right or privilege, or be construed to be a waiver of any default or an acquiescence therein, nor shall any single or partial exercise of such power, right or privilege preclude any other or further exercise thereof or of any other right, power or privilege.

SECTION 24. Reinstatement of Guaranteed Obligations. If at any time all or any part of any payment made by the Coach Member or Guarantor or received by any Developer Party from the Coach Member or Guarantor under or with respect to the Guaranteed Obligations and/or this Guaranty is or may be voided in bankruptcy proceedings as a preference or for any other reason, or shall at any time be required to be restored or returned by any Developer Party upon the insolvency, bankruptcy or reorganization of the Coach Member or Guarantor, or for any other reason, then the obligations of Guarantor hereunder shall, to the extent of the payment voided, rescinded or returned, be deemed to be reinstated and to have continued in existence, notwithstanding such previous payment made by the Coach Member or Guarantor, or receipt of payment by any Developer Party, and the obligations of Guarantor hereunder shall continue to be effective or be reinstated, as the case may be, as to such payment, all as though such previous payment by the Coach Member or Guarantor had never been made.

SECTION 25. Time of the Essence. Time is of the essence with respect to the performance by Guarantor of its obligations hereunder.

SECTION 26. Successive Actions. Separate and successive actions may be brought hereunder to enforce any of the provisions hereof at any time and from time to time. No action hereunder shall preclude any subsequent action, and Guarantor hereby waives and covenants not to assert any defense in the nature of splitting of causes of action or merger of judgments.

SECTION 27. Headings. The headings of the Sections and subsections of this Guaranty are for the convenience of reference only, are not to be considered a part hereof and shall not limit or otherwise affect any of the terms hereof.

SECTION 28. Waiver. Guarantor hereby covenants and agrees that upon the commencement of a voluntary or involuntary bankruptcy proceeding by or against the Coach Member, Guarantor shall not seek a supplemental stay pursuant to the United States Bankruptcy Code or any other debtor relief law (whether statutory, common law, case law, or otherwise) of any jurisdiction whatsoever, now or hereafter in effect, which may be or become applicable, to stay, interdict, condition, reduce or inhibit the ability of any of the Developer Parties to enforce its rights against Guarantor by virtue of this Guaranty or otherwise.

SECTION 29. Amendments. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated orally, but only by instrument in writing signed by the party against whom enforcement of the change, waiver, discharge or termination is sought.

SECTION 30. Counterparts. This Guaranty may be executed in any number of counterparts, each of which, when executed and delivered, shall be deemed an original, and such counterparts shall constitute but one and the same instrument and shall be binding upon each party hereto as fully and completely as if all had signed but one instrument. The exchange of copies of this Guaranty, any signature pages required hereunder or any other documents required or contemplated hereunder by facsimile or portable document format ("PDF") transmission shall constitute effective execution and delivery of such signature pages and may be used in lieu of the original signature pages for all purposes. Signatures of the parties transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

SECTION 31. Entire Agreement. This Guaranty embodies the entire agreement and understanding between the parties with respect to the subject matter hereof and supersedes all other prior agreements and understandings, whether oral or written, relating to the subject matter hereof, except as specifically agreed to the contrary.

SECTION 32. Remedies of Guarantors. In the event that a claim or adjudication is made that a Developer Party has acted unreasonably or has unreasonably delayed acting in any case where by law or under this Guaranty such Developer Party has an obligation to act reasonably or promptly, the Developer Parties shall not be liable for any monetary damages, and Guarantor's remedies shall be limited to injunctive relief or declaratory judgment.

SECTION 33. Approval Standard. In any circumstance where this Guaranty specifies that the approval or consent of a Developer Party must be given, or that any matter or circumstance must be satisfactory or acceptable to a Developer Party, then unless expressly set forth to the contrary, or unless such Developer Party expressly agrees hereunder to be reasonable, such approval or consent or such determination of satisfaction or acceptability, shall be within the sole and absolute discretion of the such Developer Party.

SECTION 34. Statute of Limitations. Guarantor hereby expressly waives and releases, to the fullest extent permitted by law, the pleading of any statute of limitations as a defense to payment or performance of its obligations hereunder.

SECTION 35. Confidentiality. Each of the Developer Parties and Guarantor, and their respective partners, principals, members, owners, shareholders, attorneys, agents, employees and consultants (and their respective successors and assigns), will treat the terms of this Guaranty and all confidential information disclosed to the Developer Parties by Guarantor as confidential, giving it the same care as its own confidential information and make no use of any such disclosed confidential information not independently known to it, except (a) in connection with the transactions contemplated hereby, (b) to the extent legally compelled (by deposition, interrogatory, request for documents, subpoena, civil investigative demand or similar process) to disclose the same, or (c) to the extent required by any federal, state, local or foreign laws, or by any rules or regulations of the United States Securities and Exchange Commission (or its equivalent in any foreign country) or any domestic or foreign public stock exchange or stock quotation system, that may be applicable to Guarantor or any of its direct or indirect constituent owners or Affiliates. Notwithstanding the foregoing, the terms hereof may be disclosed by any Developer Party or Guarantor to (i) its accountants, attorneys, employees, agents, actual and potential transferees, investors and lenders, and others in privity with such party to the extent reasonably necessary for such party's business purposes or in connection with a dispute hereunder, (ii) the MTA, and (iii) any Construction Lender or any lender providing financing to the Fund Member or any Developer Party or its Affiliates, which financing shall be secured by the Fund Member Units or any direct or indirect interests therein.

SECTION 36. Joint and Several Liability. If more than one Person executes this Guaranty, the obligations of those Person under this Guaranty shall be joint and several. A Developer Party may, in its sole and absolute discretion, (a) bring suit against Guarantor, or any one or more of the Persons comprising Guarantor, jointly and severally, or against any one or more of them; (b) compromise or settle with any one or more of the Persons comprising Guarantor for such consideration as such Developer Party may deem proper; (c) release one or more of the Persons comprising Guarantor from liability; and (d) otherwise deal with Guarantor or any one or more of them, in any manner, and no such action shall impair the rights of the Developer Parties to collect from Guarantor any amount guaranteed by Guarantor under this Guaranty.

2. PURCHASE AND SALE.

(a) Seller shall sell, assign and convey to Purchaser, and Purchaser shall purchase and assume from Seller, subject to the terms and conditions of this Agreement: (i) fee title to the Premises; (ii) all of Seller's right, title and interest in and to (A) the land lying in the bed of any street, highway, road or avenue, opened or proposed, public or private, in front of or adjoining the Land to the center line thereof, (B) any rights of way, rights of ingress and ingress, appendages, appurtenances, easements, sidewalks, alleys, gores or strips of land adjoining or appurtenant to the Land or any portion thereof and used in conjunction therewith, and (C) any air or development rights appurtenant to the Land or any portion thereof; (iii) all of the fixtures, furnishings, furniture, equipment, machinery, inventory, appliances and other tangible and intangible personal property owned by Seller, located at the Premises and used in connection with the operation thereof (collectively, the "Personalty"), subject to Section 8 below and depletions, replacements or additions thereto in the ordinary course of the use of the Property by Seller, Coach or any of their respective affiliates; (iv) all of Seller's right, title and interest in, to and under the Contracts (as hereinafter defined) in effect on the Closing Date (subject to Section 9); (v) guarantees, licenses, approvals, certificates, permits, consents, authorizations, variances and warranties relating to the Property (collectively, the "Permits and Licenses"), all to the extent assignable (the Contracts and the Permits and Licenses are sometimes hereinafter referred to collectively as the "Intangible Property"); and (vi) all plans and specifications, drawings, engineering reports and technical manuals for the Property which are in Seller's (or Seller's property manager's) possession (collectively, the "Plans"); and all books and records maintained by Seller, or Seller's property manager in connection with the operation of the Premises (collectively, the "Books and Records"). The items described in clauses (i) through (vi) above are referred to collectively as the "Property".

(b) The parties hereto acknowledge and agree that the value of the Personalty is de minimis and that no part of the Purchase Price is allocable thereto. Although it is not anticipated that any sales tax shall be due and payable, Purchaser agrees that Purchaser shall pay any and all State of New York and City of New York sales and/or compensating use taxes imposed upon or due in connection with the transfer of the Personalty under any applicable laws of State of New York or City of New York. Purchaser shall file all necessary tax returns with respect to all such taxes and, to the extent required by applicable law, Seller will join in the execution of any such tax returns. The provisions of this Section 2(b) shall survive the Closing.

3. INSPECTION.

(a) Subject to the provisions of this Section 3, Purchaser and its agents, employees, consultants, inspectors, appraisers, engineers and contractors (collectively "Purchaser's Representatives") shall have the right, through the Closing Date, from time to time, upon the advance notice required pursuant to Section 3(c), to enter upon and pass through the Premises during normal business hours to examine and physically inspect the same.

(b) In conducting any inspection of the Premises, Purchaser shall at all times comply in all material respects with all laws and regulations of all applicable governmental authorities, and neither Purchaser nor any of Purchaser's Representatives shall (i) contact or have any discussions with any of Seller's employees, agents or representatives (other than Seller's Representative) at, or contractors providing services to, the Premises, unless, in each case, Purchaser obtains the prior written consent of Seller, (ii) interfere in any material respect with the business of Seller, Coach or any of their respective affiliates conducted at the Premises, or (iii) physically damage the Premises. Seller shall designate a representative or representatives with whom Purchaser and Purchaser's Representatives may communicate with respect to the Premises and any inspection thereof (each and collectively, "Seller's Representative") and may from time to time establish reasonable rules of conduct for Purchaser and Purchaser's Representatives with respect to any access to or inspection of the Premises. Purchaser shall schedule and coordinate all inspections, including, without limitation, any environmental or engineering inspections and tests, with Seller and shall give Seller at least five (5) days prior notice thereof. Seller shall be entitled to have Seller's Representative present at all times during each such inspection of or other access to the Premises by Purchaser or any of Purchaser's Representatives. Purchaser agrees to pay to Seller on demand the actual out-of-pocket cost of repairing and restoring any damage which Purchaser or any of Purchaser's Representatives shall cause to the Property to the same condition the Property was in immediately prior to such damage. If Purchaser does not pay to Seller such costs within five (5) business days' of demand by Seller, Purchaser shall pay to Seller such cost with interest at the Default Rate from the date due to the date such costs are paid. All inspection fees, appraisal fees, engineering fees and other costs and expenses of any kind incurred by Purchaser or Purchaser's Representatives relating to any inspection of and access to the Premises shall be at the sole expense of Purchaser. In the event that the Closing hereunder shall not occur for any reason whatsoever (other than Seller's default), Purchaser shall promptly (A) deliver to Seller, at no cost to Seller, and without representation or warranty, the originals of all tests and reports made by or on behalf Purchaser with respect to the Property which are in the possession or control of Purchaser or Purchaser's Representatives, and (B) return to Seller copies of all due diligence materials delivered by Seller to Purchaser and shall destroy all copies and abstracts thereof. Purchaser or Purchaser's Representatives shall treat all due diligence materials furnished by or on behalf of Seller to Purchaser or Purchaser's Representatives with respect to the Property as confidential and proprietary to Seller, and shall not disclose to others during the term of this Agreement (or thereafter in the event that the Closing hereunder shall not occur) any such due diligence materials or any description thereof unless such disclosure is required by law or Purchaser obtains the prior written consent of Seller in each instance. Purchaser shall indemnify and hold Seller harmless from any and all actual damages, losses, liabilities and reasonable expenses (including, without limitation, reasonable attorneys' fees) incurred by Seller in the event Purchaser or any of Purchaser's Representatives discloses any such due diligence materials in violation of the terms of this Section 3(b). Purchaser and Purchaser's Representatives shall not be permitted to conduct borings of the Premises or drilling in or on the Premises, or any other invasive testing, in connection with the preparation of an environmental audit or in connection with any other inspection of the Premises without the prior written consent of Seller (and, if such consent is given, Purchaser shall be obligated to pay to Seller on demand the actual cost of repairing and restoring any borings or holes created or any other damage to the Premises caused thereby). Any liens against the Premises, or any portion thereof, arising from the performance by Purchaser's Representatives of any services in connection with Purchaser's due diligence activities shall be removed by Purchaser as promptly as practicable and in any event not later than forty-five (45) days after Purchaser shall have been notified in writing of the filing of such liens. The provisions of this Section 3(b) shall survive the Closing or any termination of this Agreement.

(c) Prior to conducting any physical inspection or testing at the Premises, other than mere visual examination, including, without limitation, boring, drilling and sampling of soil, Purchaser shall obtain, and during the period of such inspection or testing shall maintain, at its expense, commercial general liability insurance, including a contractual liability endorsement, and personal injury liability coverage, with Seller and its managing agent, if any, identified in writing by Purchaser, as additional insureds, from an insurer reasonably acceptable to Seller, which insurance policies must have limits for bodily injury and death of not less than Five Million Dollars ($5,000,000) for any one occurrence and not less than Five Million Dollars ($5,000,000) for property damage liability for any one occurrence. Prior to making any entry upon the Premises, Purchaser shall furnish to Seller a certificate of insurance evidencing the foregoing coverages in form and substance reasonably satisfactory to Seller.

(d) Purchaser agrees to indemnify and hold Seller and its disclosed or undisclosed, direct and indirect shareholders, officers, directors, trustees, partners, principals, members, employees, agents, affiliates, representatives, consultants, accountants, contractors and attorneys, and any successors or assigns of the foregoing (collectively with Seller, "Seller Parties") harmless from and against any and all actual losses, costs, damages, liens, claims, liabilities or expenses (including, but not limited to, reasonable attorneys' fees, court costs and disbursements) incurred by any of the Seller Parties arising from or by reason of Purchaser's and/or Purchaser's Representatives' access to, or inspection of, the Premises or any tests or inspections of the Premises or other due diligence conducted by or on behalf of Purchaser. The provisions of this Section 3(d) shall survive the Closing or any termination of this Agreement.

4. PURCHASE PRICE.

(a) The total purchase price to be paid by Purchaser to Seller for the Property (the "Purchase Price") is ONE HUNDRED THIRTY MILLION DOLLARS ($130,000,000), subject to apportionments, adjustments and credits as provided in this Agreement, payable in full by Purchaser to or as directed by Seller in cash at Closing.

(b) As used in this Agreement, the term "business day" shall mean every day other than Saturdays, Sundays, all days observed by the federal or New York State government as legal holidays and all days on which commercial banks in New York State are required by law to be closed. Any reference in this Agreement to a "day" or a number of "days" (other than references to a "business day" or "business days") shall mean a calendar day or calendar days.

5. STATUS OF TITLE.

Subject to the terms and provisions of this Agreement, Seller agrees to sell, assign and convey Seller's interest in the Premises to Purchaser, and Purchaser shall accept and assume the same, subject only to the following (collectively, the "Permitted Encumbrances"):

(a) the state of facts disclosed (the "Disclosed Survey Items") on (i) the survey prepared by Manhattan Surveying, P.C., dated August 20, 1993 and updated as of July 28, 2005 with respect to the portion of the Premises designated as Lot 45 of Block 705 on the Tax Map, and (ii) the survey dated May 15, 1942, updated on April 10, 2001 by Roland K. Link, and further updated on September 17, 2008 and October 24, 2008 by Harwood Surveying P.C., with respect to the portion of the Premises designated as Lot 46 of Block 705 on the Tax Map, (collectively, the "Existing Survey"), and any further state of facts which are not Disclosed Survey Items as a current survey or visual inspection of the Premises would disclose;

(b) the standard printed exclusions from coverage contained in the ALTA form of owner's title policy currently employed by the Title Company for use in New York State;

(c) Non-Objectionable Encumbrances (as hereinafter defined), and any liens, encumbrances or other title exception approved or waived in writing by Purchaser as provided in this Agreement;

(d) Property Taxes which are a lien but not yet due and payable, subject to proration in accordance with Section 7;

(e) any laws, rules, regulations, statutes, ordinances, orders and regulations of all governmental authorities having jurisdiction with respect to the Premises ("Laws and Regulations"), including, without limitation, all zoning, land use, building and environmental laws, rules regulations, statutes, ordinances, orders or other legal requirements, including, landmark designations and all zoning variance and special exceptions, if any;

(f) all covenants, restrictions and easements (i) of record as of the date hereof or hereafter approved or deemed approved by Purchaser as provided in this Agreement, or (ii) given for the benefit of any utility company or governmental authority, including all easements relating to electricity, water, steam, gas, telephone, sewer or other utility service or the right to use and maintain any utility pipelines, poles, lines, wires, cables, boxes, conduits or other like fixtures, facilities, and appurtenances thereto, in, on, over under or across the Premises, but excluding any license or other agreement with respect to any antenna, satellite dish or other cellular communications equipment, which agreements will not expire or terminate by their terms on or prior to the Closing Date or may not be terminated by the owner of the Property without penalty upon not more than thirty (30) days' (or less) prior notice;

(g) all Violations (as hereinafter defined) whether or not noted or issued as of the date hereof or the Closing Date, but excluding any liens, judgments, fines, penalties or other charges imposed or assessed by reason of any such Violations;

(h) the matters described in Schedule 5(h) attached hereto and made a part hereof and which are not stricken thereon;

(i) written consents granted by Seller or any former owner of all or a portion of the Premises prior to the date hereof for the erection of any structure or structures on, under or above any street or streets on which the Premises may abut, copies of which have been furnished to Purchaser to the extent in Seller's possession;

(j) possible encroachments and/or projections of stoop areas, roof cornices, window trims, vent pipes, cellar doors, steps, columns and column bases, flue pipes, signs, piers, lintels, window sills, fire escapes, satellite dishes, protective netting, sidewalk sheds, ledges, fences, coping walls (including retaining walls and yard walls), air conditioners and the like, if any, on, under, or above any street or highway onto to Premises or from the Premises to any adjoining property; and

(k) all other matters which, pursuant to the terms of this Agreement, are deemed Permitted Encumbrances.

6. TITLE INSURANCE; LIENS.

(a) (i) The parties acknowledge that Purchaser and Seller have received and reviewed a title commitment dated January 15, 2013 (the "Commitment") for an owner's policy of title insurance with respect to Purchaser's acquisition of the Premises from Royal Abstract Company, as agent for a national recognized title insurance company to be selected by Purchaser (the "Title Company"). Purchaser, at its option and expense, may obtain a new survey or an update of the Existing Survey (the "Updated Survey") of the Premises, and Seller agrees to provide Purchaser's surveyor with reasonable access to the Premises at reasonable times in connection therewith.

(ii) The parties acknowledge that Purchaser has received the Existing Survey and the Commitment.

(iii) Purchaser shall have no right to object to any exception or other matters disclosed in the Commitment or Existing Survey except for Item 2, and the mortgages identified on the Mortgage Schedule to the Commitment, and Items 4, 7, 8, 9, 10, 16(A), 18, 19 and 25 listed on Schedule B of the Commitment (collectively, the "Commitment Objections"). All such exceptions and other matter disclosed in the Commitment and Existing Survey (other than the Commitment Objections) shall be deemed Permitted Encumbrances.

(iv) Purchaser shall (A) direct the Title Company to deliver a copy of any update to the Commitment, and (B) if applicable, direct the surveyor to deliver a copy of the Updated Survey (and any update thereto), to Seller simultaneously with its delivery of the same to Purchaser. If, prior to the Closing Date, Purchaser shall receive the Updated Survey (or any update thereto) or any update to the Commitment which discloses additional liens, encumbrances or other title exceptions which were not disclosed by the Commitment and are not Disclosed Survey Items and which do not constitute Permitted Encumbrances hereunder (each, an "Update Exception"), then Purchaser shall have until the earlier of (x) thirty (30) days after delivery of such update to Purchaser or its counsel or (y) business day immediately preceding the Closing Date (except for matters first disclosed on the Closing Date, as to which Purchaser may object on the Closing Date), time being of the essence (the "Update Objection Date") to deliver written notice to Seller objecting to any of the Update Exceptions (the "Update Objections"; the Update Objections and Commitment Objections are referred to herein collectively as the "Title Objections"). If Purchaser fails to deliver such objection notice by the Update Objection Date, then Purchaser shall be deemed to have waived its right to object to such Update Exception and the same shall not be deemed a Title Objection, but shall instead be deemed a Permitted Encumbrance. If Purchaser shall deliver such objection notice by the Update Objection Date, any Update Exceptions which are not objected to in such notice shall not constitute Title Objections, but shall be Permitted Encumbrances.

(v) Purchaser shall not be entitled to object to, and shall be deemed to have approved, any liens, encumbrances or other title exceptions and the same shall not constitute Title Objections, but shall instead be deemed to be Permitted Encumbrances (A) over which the Title Company is willing to insure (without additional cost to or an indemnity from Purchaser or where Seller pays all such costs or provides such indemnity), (B) against which the Title Company is willing to provide affirmative insurance (without additional cost to or an indemnity from Purchaser or where Seller pays all such costs or provides such indemnity), or (C) which will be extinguished upon the transfer of the Property and not appear as an exception to Purchaser's title to the Premises (collectively, the "Non-Objectionable Encumbrances"). Notwithstanding anything to the contrary contained herein, if Seller is unable to eliminate the Title Objections by the Scheduled Closing Date, unless the same are waived in writing by Purchaser without any abatement in the Purchase Price, Seller may, from time to time, upon at least two (2) business days' prior notice (a "Title Cure Notice") to Purchaser (except with respect to matters first disclosed during such two (2) business day period, as to which notice may be provided at any time through and including the Scheduled Closing Date) adjourn the Scheduled Closing Date for a period not to exceed sixty (60) days in the aggregate (the "Title Cure Period") in order to attempt to eliminate such Title Objections. In the event that any Title Objection is first disclosed on the Closing Date, unless the same is waived in writing by Purchaser without any abatement in the Purchase Price, Seller may adjourn the Closing Date for a period not to exceed the Title Cure Period, taking into account any prior adjournment of the Scheduled Closing Date, in order to attempt to eliminate such Title Objection. The date to which Seller adjourns the Scheduled Closing Date pursuant to this Section 6(a) or Section 10(g) is referred to herein as the "Adjourned Closing Date".

(b) If Seller fails or is unable to eliminate any Title Objection within the Title Cure Period, then, unless the same is waived in writing by Purchaser, Purchaser may either (i) accept the Property subject to such Title Objection without abatement of the Purchase Price, in which event (A) such Title Objection shall be deemed to be, for all purposes, a Permitted Encumbrance, (B) Purchaser shall close hereunder notwithstanding the existence of same, and (C) Seller shall have no obligations whatsoever after the Closing Date with respect to Seller's failure to cause such Title Objection to be eliminated, or (ii) terminate this Agreement by notice given to Seller on or at any time within ten (10) business days following the expiration of the Title Cure Period. If Purchaser shall fail to deliver the termination notice described in clause (ii) within the ten (10) business day period described herein, Purchaser shall be deemed to have made the election under clause (i) and Purchase and Seller shall close hereunder on a mutually agreed upon date following the expiration of the Title Cure Period, but not more than ten (10) business days thereafter. Upon the timely giving of any termination notice under clause (ii), this Agreement shall terminate and neither party hereto shall have any further rights or obligations hereunder other than those which are expressly provided to survive the termination hereof.

(c) It is expressly understood that in no event shall Seller be required to bring any action or institute any proceeding, or to otherwise incur any costs or expenses in order to attempt to eliminate any Title Objections, or take any other actions to cure or remove any Title Objections, or to otherwise cause title in the Premises to be in accordance with the terms of this Agreement on the Closing Date. Notwithstanding the foregoing or anything in this Section 6 to the contrary, Seller shall be required to remove, eliminate or otherwise cure, by payment, bonding or otherwise, (i) all Commitment Objections specified in Section 6(a)(iii), (ii) all mortgages (together with any assignment of leases and Uniform Commercial Code financing statements and subordination and non-disturbance agreements recorded in connection therewith), (iii) all mechanic's or materialman's liens for work performed on behalf of, or goods provided to, Seller at the Premises, (iv) all tax and judgment liens filed against Seller, and (v) any other Title Objections which have been voluntarily granted by Seller on or following the date hereof (other than with the approval or deemed approval of Purchaser) and which are not given for the benefit of any utility company or governmental authority (collectively, "Voluntary Encumbrances").

(d) If the Premises shall, at the time of the Closing, be subject to any liens or transfer, inheritance, estate, franchise, license or other similar taxes which do not otherwise constitute Permitted Encumbrances, the same shall not be deemed an objection to title provided that, at the time of the Closing, either (i) Seller delivers certified or official bank checks at the Closing in the amount required to satisfy the same and delivers to Purchaser and/or the Title Company at the Closing instruments in recordable form (and otherwise in form reasonably satisfactory to the Title Company in order to omit the same as an exception to Purchaser's title policy at no additional premium or other charge) sufficient to satisfy and discharge of record such liens and encumbrances together with the cost of recording or filing such instruments or (ii) the Title Company will otherwise issue or bind itself to issue a policy which will insure Purchaser against collection thereof from or enforcement thereof against the Premises.

(e) If the Commitment or any update thereof discloses judgments, bankruptcies or other returns against other persons having names the same as or similar to that of Seller, on request Seller shall deliver to the Title Company affidavits showing that such judgments, bankruptcies or other returns are not against Seller in order to induce the Title Company to omit exceptions with respect to such judgments, bankruptcies or other returns or to insure over same. In addition, Seller shall cooperate in all reasonable respects with the Title Company in connection with obtaining the Title Policy and shall deliver to the Title Company such affidavits, certificates, other instruments and documents by evidence as are reasonably requested by the Title Company and customarily furnished in connection with a transaction of the nature contemplated by this Agreement.

(f) Purchaser agrees to purchase the Premises subject to any and all notes or notices of violations of Laws and Regulations, noted in or issued by any federal, state, municipal or other governmental department, agency or bureau or any other governmental authority having jurisdiction over the Premises (collectively, "Violations"), or any condition or state of repair or disrepair or other matter or thing, whether or not noted, which, if noted, would result in a Violation being placed on the Premises. Seller shall have no duty to remove any Violations or cure or repair any condition, matter or thing whether or not noted, which, if noted, would result in a Violation being placed on the Premises, and Purchaser shall accept the Premises subject to all such Violations, the existence of any conditions at the Premises which would give rise to such Violations, if any, and any governmental claims arising from the existence of such Violations, in each case, without any abatement of or credit against the Purchase Price; provided, that Seller shall pay on or prior to the Closing Date any judgments, fines, penalties or other charges imposed or assessed against the Premises prior to the Closing Date by reason of any such Violations, including, without limitation, all amounts in respect of Items 11(A)(1) and (2) of the Commitment (but in no event shall Seller be obligated to expend more than $25,000 in the aggregate pursuant to this sentence).

(g) If the Title Company shall be unwilling to remove any Title Objections which another major national title insurance company selected by Seller (either directly or through an agent) would be willing to remove at no additional cost to and without an indemnity from Purchaser, then Seller shall have the right to substitute such major national title insurance company for the Title Company, provided that if Purchaser elects not to use such major national title insurance company, such Title Objections which such major national title insurance company would be willing to remove shall not constitute Title Objections and shall be deemed Permitted Encumbrances.

7. APPORTIONMENTS.

(a) The following shall be apportioned between Seller and Purchaser as of 11:59 p.m. on the day immediately preceding the Closing Date (the "Apportionment Date") on the basis of the actual number of days of the month which shall have elapsed as of the Closing Date and based upon the actual number of days in the month and a 365 day year:

(i) real estate taxes, sewer rents and taxes, water rates and charges, vault charges and taxes, business improvement district taxes and assessments and any other governmental taxes, charges or assessments levied or assessed against the Premises (collectively, "Property Taxes"), on the basis of the respective periods for which each is assessed or imposed, to be apportioned in accordance with Section 7(b);

(ii) fuel oil, if any, as estimated by Seller's supplier, at current cost, together with any sales taxes payable in connection therewith, if any (a letter from Seller's fuel supplier shall be conclusive evidence as to the quantity of fuel on hand and the current cost therefor). To aid in such prorations, Seller shall endeavor to obtain meter readings as of a date that is no earlier than thirty (30) days prior to the Closing Date, and the unfixed meter charges, based thereon for the intervening time shall be apportioned on the basis of such last reading;

(iii) prepaid fees for Permits and Licenses assigned to Purchaser at the Closing;

(iv) any amounts prepaid or payable by the owner of all or a portion of the Property under the Contracts assigned to Purchaser at Closing;

(v) salaries, wages and fringe benefits (including, without limitation, vacation pay, sick pay, health, welfare, pension, disability and other benefits) of all Employees (as hereinafter defined);

(vi) all other operating expenses with respect to the Property; and

(vii) such other items as are customarily apportioned in accordance with real estate closings of commercial properties in the City of New York, State of New York.

(b) Property Taxes shall be apportioned on the basis of the fiscal period for which assessed. If the Closing Date shall occur either before an assessment is made or a tax rate is fixed for the tax period in which the Closing Date occurs, the apportionment of such Property Taxes based thereon shall be made at the Closing Date by applying the tax rate for the preceding year to the latest assessed valuation, but, promptly after the assessment and/or tax rate for the current year are fixed, the apportionment thereof shall be recalculated and Seller or Purchaser, as the case may be, shall make an appropriate payment to the other within ten (10) business days based on such recalculation. If as of the Closing Date the Premises or any portion thereof shall be affected by any special or general assessments which are or may become payable in installments of which the first installment is then a lien and has become payable, Seller shall pay the unpaid installments of such assessments which are due prior to the Closing Date and Purchaser shall pay the installments which are due on or after the Closing Date.

(c) If there are water meters at the Premises, the unfixed water rates and charges and sewer rents and taxes covered by meters, if any, shall be apportioned (i) on the basis of an actual reading done within thirty (30) days prior to the Apportionment Date, or (ii) if such reading has not been made, on the basis of the last available reading. If the apportionment is not based on an actual current reading, then, upon the taking of a subsequent actual reading, the parties shall, within ten (10) business days following notice of the determination of such actual reading, readjust such apportionment and Seller shall deliver to Purchaser or Purchaser shall deliver to Seller, as the case may be, the amount determined to be due upon such readjustment. Seller shall endeavor to obtain and deliver to Purchaser at Closing a current water meter reading.

(d) Charges for all electricity, steam, gas, light, telephone and other utility services at the Premises (each a "Utility" and collectively, "Utilities") shall be billed to Seller's account up to the Apportionment Date and, from and after the Apportionment Date, all Utilities shall be billed to Purchaser's account. If for any reason such changeover in billing is not practicable as of the Closing Date, as to any Utility, such Utility shall be apportioned on the basis of actual current readings or, if such readings have not been made, on the basis of the most recent bills that are available. If any apportionment is not based on an actual current reading, then upon the taking of a subsequent actual reading, the parties shall, within ten (10) business days following notice of the determination of such actual reading, readjust such apportionment and Seller shall promptly deliver to Purchaser, or Purchaser shall promptly deliver to Seller, as the case may be, the amount determined to be due upon such adjustment.

(e) Charges payable under Contracts that Seller elects to assume in respect of the billing period of the related service provider in which the Closing Date occurs (the "Current Billing Period") will be allocated on a per diem basis to Seller, based upon the number of days in the Current Billing Period prior to the Closing Date, and to Purchaser, based upon the number of days in the Current Billing Period on and after the Closing Date, and assuming that all charges are incurred uniformly during the Current Billing Period.

(f) At or prior to the Closing, Seller and Purchaser and/or their respective agents or designees will jointly prepare a preliminary closing statement (the "Preliminary Closing Statement") which will show the net amount due either to Seller or to Purchaser as the result of the adjustments and prorations provided for herein, and such net due amount will be added to or subtracted from the cash balance of the Purchase Price to be paid to Seller at the Closing pursuant to Section 4, as applicable. Within six (6) months following the Closing Date, Seller and Purchaser will jointly prepare a final closing statement reasonably satisfactory to Seller and Purchaser in form and substance (the "Final Closing Statement") setting forth the final determination of the adjustments and prorations provided for in this Agreement and setting forth any items which are not capable of being determined at such time (and the manner in which such items shall be determined and paid). The net amount due Seller or Purchaser, if any, by reason of adjustments to the Preliminary Closing Statement as shown in the Final Closing Statement, shall be paid in cash by the party obligated therefor within five (5) business days following the approval by both parties of the Final Closing Statement. The adjustments, prorations and determinations agreed to by Seller and Purchaser in the Final Closing Statement shall be conclusive and binding on the parties hereto except for any items which are not capable of being determined at the time the Final Closing Statement is agreed to by Seller and Purchaser, which items shall be determined and paid in the manner set forth in the Final Closing Statement and except for other amounts payable hereunder pursuant to provisions which survive the Closing. Prior to and following the Closing Date, each party shall provide the other with such information as the other shall reasonably request (including, without limitation, access to the books, records, files, ledgers, information and data with respect to the Property during normal business hours upon reasonable advance notice) in order to make the preliminary and final adjustments and prorations provided for herein.

(g) If any payment to be made after Closing under this Section 7 shall not be paid when due hereunder, the same shall bear interest (which shall be paid together with the applicable payment hereunder) from the date due until so paid at a rate per annum equal to the Prime Rate (as such rate may vary from time to time) as reported in the *Wall Street Journal* plus 3% (the "Default Rate"). To the extent a payment provision in this Section 7 or elsewhere in this Agreement does not specify a period for payment, then for purposes hereof such payment shall be due within five (5) business days of the date such payment obligation is triggered.

(h) The provisions of this Section 7 shall survive the Closing.

8. PROPERTY NOT INCLUDED IN SALE.

Notwithstanding anything to the contrary contained herein, it is expressly agreed by the parties hereto that (a) any fixtures, furniture, furnishings, equipment or other personal property (including, without limitation, trade fixtures in, on, around or affixed to the Building) owned or leased by any tenant, managing agent, leasing agent, contractor or employee at the Building, and (b) all inventory, samples and Coach products of all types, and any other personal property used in connection with the business of Coach and its affiliates (as opposed to the operation of the Property) and pictures, paintings, drawings, prints, sculptures, tapestries or other items of art now or hereafter located in the common areas of the Building ((a) and (b), collectively, "Excluded Personalty"), shall not be included in the Property to be sold to Purchaser hereunder.

9. COVENANTS

(a) During the period from the date hereof until the Closing Date (as the same may be extended in accordance with the terms of this Agreement), Seller shall:

If Purchaser fails to notify Seller of its disapproval of any such transaction within said ten (10) business day period with the reasonable basis therefor, then Purchaser shall be deemed to have approved same (except with respect to matters set forth in Section 9(b)(i) above, with respect to which Purchaser shall be deemed to have disapproved the same).

10. ASSIGNMENTS BY SELLER AND ASSUMPTIONS BY PURCHASER; EMPLOYEES; CONDITIONS TO CLOSING.

On the Closing Date, Seller agrees to assign to Purchaser, pursuant to the instruments referenced in Section 17(c), without recourse, representation or warranty (except as expressly set forth in this Agreement), all of Seller's right, title and interest in, and Purchaser agrees to assume Seller's obligations accruing on and after the Closing Date under, (i) all transferable Licenses and Permits, if any, relating to the Property and all other intangible Personalty, and (ii) to the extent transferable and then in effect, all service, maintenance, supply and other agreements required for the operation of or otherwise relating to the Property (including all modifications and amendments thereof and supplements thereto, collectively the "Contracts") that Purchaser elects to assume pursuant to the terms of this Section 17(a). The Seller Multiemployer Plans listed or referenced in the CBAs that are subject to Section 4201 of ERISA, are herein called the "Multiemployer Pension Plans".

(ii) If Purchaser elects to, or elects to cause another entity to, assume one or more of the CBAs, then the further provisions of this Section 10(d)(ii) shall apply, unless Purchaser notifies Seller in writing at least ten (10) business days prior to the Closing Date of its election not to have such further provisions of this Section 10(d)(ii) apply. With respect to each Multiemployer Pension Plan: (A) Purchaser shall have an obligation to contribute to such Multiemployer Pension Plan from and after the Closing Date for substantially the same number of contribution base units for which Seller had an obligation to contribute prior to the Closing Date, (B) to the extent required by such Multiemployer Pension Plan and Section 4204 of ERISA, Purchaser shall provide to such Multiemployer Pension Plan, for a period equal to five plan years of such Multiemployer Pension Plan, commencing with the first plan year beginning after the Closing Date, a bond issued by a corporate surety company that is an acceptable surety for purposes of Section 412 of ERISA, or an amount held in escrow by a bank or a similar financial institution or such other equivalent form of security permitted for this purpose in an amount equal to 100% (or 200% in the case that the Multiemployer Pension Plan is in reorganization in the plan year during which the Closing Date occurs) of the greater of (1) the average annual contribution required to have been made by Seller with respect to the Property under the Multiemployer Pension Plan for the three plan years preceding the plan year in which the Closing Date occurs or (2) the annual contribution that Seller was required to have made with respect to the Property under the Multiemployer Pension Plan for the last plan year of the Multiemployer Pension Plan preceding the plan year in which the Closing Date occurs, which bond, escrow or security shall be paid to the Multiemployer Pension Plan if Purchaser withdraws from the Multiemployer Pension Plan or fails to make a contribution to the Multiemployer Pension Plan when due, at any time during the first five plan years of the Multiemployer Pension Plan beginning after the Closing Date, (C) Purchaser shall notify the Multiemployer Plan of the transactions contemplated herein and will use its reasonable efforts to satisfy such Multiemployer Pension Plan that such transactions comply with the terms of Section 4204 of ERISA, and Seller shall cooperate with Purchaser in such efforts (including any efforts to obtain a waiver of the security provisions under ERISA by the Multiemployer Pension Plan or the PBCG), and (D) if Purchaser completely or partially withdraws (within the meaning of Sections 4203 and 4205 of ERISA, respectively) from such Multiemployer Pension Plan during the five plan years beginning after the Closing Date and does not pay any part of any Withdrawal Liability by reason of such withdrawal, Seller shall be secondarily liable to the Multiemployer Pension Plan for the Withdrawal Liability up to the amount of the Withdrawal Liability that it would have incurred but for the provisions of this Section 10(d) and Section 4204 of ERISA; provided, that Purchaser shall reimburse Seller for any such payment within ten (10) business days of demand by Seller. If Seller is required to provide a bond or an amount in escrow to the extent required by, and under the circumstances described in, Section 4204(a)(3) of ERISA, Purchaser shall pay to Seller the cost of such bond or the amount of such escrow not less than ten (10) business days prior to Seller obtaining such bond or establishing such escrow, and Seller shall not be required to reimburse the Purchaser for any such costs or amounts. Purchaser shall indemnify and hold harmless Seller from any fees or charges imposed by a Multiemployer Pension Plan to issue a Withdrawal Liability Estimate on or after the Closing Date. The obligations and undertaking of Purchaser under this Section 10(d)(ii) is a special inducement to Seller to enter into this Agreement without which Seller would not enter into this Agreement. Any reference to "Seller" or "Purchaser in the above paragraph shall also refer to their respective agents and affiliates, as applicable. The provisions of this Section 10(d) shall survive the Closing.

(e) Conditions to Obligations of Seller. The obligation of Seller to effect the Closing shall be subject to the fulfillment or written waiver by Seller at or prior to the Closing of the following conditions:

(i) Representations and Warranties. The representations and warranties of Purchaser contained in Section 11(f) shall be true and correct in all material respects as of the Closing Date, as though made on and as of the Closing Date.

(ii) Performance of Obligations. Purchaser shall have, in all material respects, performed or caused to be performed all obligations required of Purchaser under this Agreement on and prior to the Closing Date, including payment of the full balance of the Purchase Price as provided in Section 4(a) hereof.

(iii) Delivery of Documents. Each of the documents required to be executed, acknowledged (if applicable) and/or delivered by Purchaser at Closing shall have been delivered as provided herein.

(iv) Operating Agreement. The Closing (as such term is defined in the Operating Agreement) shall have occurred and Legacy Yards LLC shall have distributed the Coach Unit (as such term is defined in the Operating Agreement) to Coach in accordance with the Operating Agreement.

(v) Development Agreement. Developer shall have completed the TCO Work (as defined in the Development Agreement) and shall have received a temporary certificate of occupancy for the Coach Areas (as defined in the Development Agreement) in accordance with the terms of the Development Agreement on or before June 1, 2016, which date shall be extended on a day-for-day basis for delays caused by Force Majeure events, Coach Change Delays extending beyond the Chance Order Grace Period and Coach Work Delays (as such terms are defined in the Development Agreement).

(f) Conditions to Obligations of Purchaser. The obligations of Purchaser to effect the Closing shall be subject to the fulfillment or written waiver by Purchaser at or prior to the Closing Date of the following conditions:

(i) Representations and Warranties. The representations and warranties of Seller contained in Section 11(c) shall be true and correct in all material respects as of the Closing Date, as though made on and as of the Closing Date. Notwithstanding the foregoing, Purchaser shall have no right to terminate this Agreement and there shall be no reduction in the Purchase Price if any representation made by Seller on the date hereof shall not be true and correct in any material respect on or as of the Closing Date if such inaccuracy is due to (i) any condition or matter arising or occurring after the date hereof, in each case, not within Seller's reasonable control or (ii) any action taken, or any omission, by or on behalf of Seller in accordance with or permitted by the provisions of this Agreement (and, for the avoidance of doubt, no such permitted change shall constitute a Seller breach or a failure of condition under this Agreement). If Seller, in the Representation Update to be delivered by Seller pursuant to this Agreement, makes any qualifications or other changes to Seller's representations and warranties that are not described in the foregoing clause (i) or clause (ii) (any such other qualification or other change, a "Qualification"), Purchaser shall have no right, remedy or claim against Seller, and Seller shall in any event be deemed to have satisfied the condition set forth in this Section 10(f)(i), unless the sum of (A) in the case of Qualifications resulting from circumstances that can be cured by the payment of money, the aggregate cost of correcting all such circumstances, plus (B) in the case of Qualifications resulting from circumstances that cannot readily be corrected with the payment of money, the aggregate diminution in the value of the Premises, exceeds the Threshold Amount. If any Qualifications in the aggregate involve costs and/or impairments to value that are in excess of the Threshold Amount, then Seller shall have the right, in Seller's sole and absolute discretion, to credit Purchaser the amount of such costs and/or impairments to value in excess of the Threshold Amount, in which event such Qualification shall be deemed to not constitute a failure of a condition to Purchaser's obligations to effectuate the Closing under this Agreement, and Purchaser shall be required to close hereunder and shall have no further remedy therefor. In either event, the costs and/or impairments to value resulting from any such Qualifications shall be credited against the Threshold Amount for purposes of determining, after the Closing, whether the Damages resulting from any breach of the representations contained in Section 11(c) exceeds the Threshold Amount. If Seller does not elect to credit Purchaser the amount of such costs and/or impairments to value in excess of the Threshold Amount, then the provisions of Section 10(g) shall apply.

(ii) Performance of Obligations. Seller shall have, in all material respects, performed or cause to be performed all obligations required of Seller under this Agreement on or prior to the Closing Date.

(iii) Delivery of Documents. Each of the documents required to be executed, acknowledged (if applicable) and/or delivered by Seller at Closing shall have been delivered as provided herein.

(iv) Operating Agreement. The Closing (as such term is defined in the Operating Agreement) shall have occurred and Legacy Yards LLC shall have distributed the Coach Unit (as such term is defined in the Operating Agreement) to Coach in accordance with the Operating Agreement.

(v) Title. Subject to the terms and provisions of this Agreement, title to the Premises to be sold, assigned and conveyed by Seller to Purchaser hereunder shall be subject only to Permitted Encumbrances.

(vi) Occupancy. All Space Leases shall have expired or terminated and all tenants thereunder shall have vacated the premises demised thereunder and Seller shall have delivered evidence to Purchaser thereof (to the extent applicable).

(vii) Contracts. Seller shall have delivered evidence to Purchaser that all Contracts that Purchaser has not elected to assume have expired or terminated or will expire or terminate on or prior to the Closing Date.

(g) Failure of Condition. If Purchaser is unable to timely satisfy (and Seller has not waived in writing) the conditions precedent to Seller's obligation to effect the Closing, then such failure shall constitute a default hereunder, in which case, Section 20(a) shall govern. If Seller is unable to timely satisfy the conditions precedent to Purchaser's obligation to effect the Closing, then, (i) Seller may, if it so elects and without any abatement in the Purchase Price, adjourn the Scheduled Closing Date for a period or periods not to exceed sixty (60) days in the aggregate and (ii) if, after any such extension, the conditions precedent to Purchaser's obligation to effect the Closing continue to not be satisfied (and Purchaser has not waived the same in writing) or Seller does not elect such extension and, in either case, such failure of condition precedent is not the result of Seller's default hereunder, then Purchaser or Seller shall be entitled to terminate this Agreement by notice thereof to the other party. If this Agreement is so terminated, then neither party shall have any further obligations hereunder, except those expressly stated to survive the termination of this Agreement. If the provisions of clause (ii) of this Section 10(g) would be applicable, except such failure of condition precedent is the result of Seller's default hereunder, then Section 20(b) shall govern.

11. CONDITION OF THE PROPERTY; REPRESENTATIONS.

(a) PURCHASER EXPRESSLY ACKNOWLEDGES THAT, EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT (THE "EXPRESS REPRESENTATIONS"), NEITHER SELLER, NOR ANY OTHER SELLER PARTY, NOR ANY PERSON OR ENTITY WHICH PREPARED OR PROVIDED ANY OF THE MATERIALS REVIEWED BY PURCHASER IN CONDUCTING ITS DUE DILIGENCE, NOR ANY SUCCESSOR OR ASSIGN OF ANY OF THE FOREGOING PARTIES HAS MADE OR SHALL BE DEEMED TO HAVE MADE ANY ORAL OR WRITTEN REPRESENTATIONS OR WARRANTIES, WHETHER EXPRESSED OR IMPLIED, BY OPERATION OF LAW OR OTHERWISE (INCLUDING WITHOUT LIMITATION WARRANTIES OF HABITABILITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE), WITH RESPECT TO THE PROPERTY, THE PERMITTED USE OF THE PROPERTY OR THE ZONING AND OTHER LAWS, REGULATIONS AND RULES APPLICABLE THERETO OR THE COMPLIANCE BY THE PROPERTY THEREWITH, THE REVENUES AND EXPENSES GENERATED BY OR ASSOCIATED WITH THE PROPERTY, THE AVAILABILITY OR AMOUNT OF ANY TAX CREDITS, OR OTHERWISE RELATING TO THE PROPERTY OR THE TRANSACTIONS CONTEMPLATED HEREIN. PURCHASER IS ACQUIRING THE PROPERTY BASED SOLELY ON ITS OWN INDEPENDENT INVESTIGATION AND INSPECTION OF THE PROPERTY AND NOT IN RELIANCE ON ANY INFORMATION PROVIDED BY SELLER, OR ANY OF THE OTHER SELLER PARTIES, EXCEPT FOR THE REPRESENTATIONS EXPRESSLY SET FORTH HEREIN. PURCHASER EXPRESSLY DISCLAIMS ANY INTENT TO RELY ON ANY SUCH MATERIALS PROVIDED TO IT BY SELLER IN CONNECTION WITH ITS DUE DILIGENCE AND AGREES THAT IT SHALL RELY SOLELY ON ITS OWN INDEPENDENTLY DEVELOPED OR VERIFIED INFORMATION.

PURCHASER ACKNOWLEDGES AND AGREES THAT ITS OBLIGATIONS UNDER THIS AGREEMENT SHALL NOT BE SUBJECT TO ANY FINANCING CONTINGENCY OR OTHER CONTINGENCIES OR SATISFACTION OF ANY CONDITIONS OTHER THAN THE CONDITIONS PRECEDENT TO PURCHASER'S OBLIGATION TO EFFECT THE CLOSING EXPRESSLY SET FORTH IN THIS AGREEMENT, AND PURCHASER SHALL HAVE NO RIGHT TO TERMINATE THIS AGREEMENT EXCEPT AS EXPRESSLY PROVIDED FOR HEREIN.

(c) Seller hereby represents and warrants to Purchaser as of the date hereof and as of Closing Date (subject to Seller's Representation Update and the provisions of Section 10(f)(i)) as follows (each a "Representation" and collectively, the "Representations") that:

(i) Seller is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization and duly organized to do business in the State of New York.

(ii) Seller has the full power and authority to enter into this Agreement and perform its obligations hereunder. This Agreement has been duly authorized, executed and delivered by Seller and is the legal, valid and binding obligations of Seller enforceable against Seller in accordance with its terms, subject to equitable principles and principles governing creditors' right generally, and does not violate any provision of any agreement or judicial order to which Seller or the Property is subject. All documents to be executed by Seller and delivered to Purchaser at Closing will as of the Closing Date be duly authorized, executed and delivered by Seller and the legal, valid and binding obligations of Seller enforceable against Seller in accordance with their respective terms, subject to equitable principles and principles governing creditors' right generally, and will not violate any provision of any agreement or judicial order to which Seller or the Property is subject.

(iii) Neither the execution, delivery or performance of this Agreement nor the consummation of the transactions contemplated hereby is or will be prohibited, or requires or will require as a condition thereto any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction, decree or agreement which has not been obtained and delivered to Seller.

(iv) Seller is not a "foreign person" within the meaning of Section 1445 of the Internal Revenue Code 1986, as amended, or any regulations promulgated thereunder (collectively, the "Code").

(v) There are no leases, licenses or other agreements granting the right of occupancy at the Premises ("Space Leases") to any person or entity or any brokerage agreements or management agreements, except for those set forth on Schedule 11(c)(v) attached hereto and made a part hereof, each of which shall be terminated on or prior to Closing at no expense or cost to Purchaser.

(vi) Seller has not (A) made a general assignment for the benefit of its creditors, (B) admitted in writing its inability to pay its debts as they mature, (C) had an attachment, execution or other judicial seizure of any property interest which remains in effect, or (D) taken, failed to take or submitted to any action indicating a general inability to meet its financial obligations as they accrue. There is not pending any case, proceeding or other action seeking reorganization, arrangement, adjustment, liquidation, dissolution or recomposition of Seller or any of its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking appointment of a receiver, trustee, custodian or other similar official for any of them or for all or any substantial part of its or their property.

(vii) Except for the matter set forth on Schedule 11(c)(vii), there is no action, suit, litigation, hearing or administrative proceeding as to which Seller has received written notice, or, to Seller's knowledge, threatened in writing with respect to all or any portion of the Premises and which would adversely affect in any material respect, Seller's ability to consummate the transactions contemplated in this Agreement in accordance with the terms hereof.

(viii) Attached hereto as Schedule 11(c)(viii) is a true, correct and complete list of all CBAs affecting the Premises as of the date hereof, and a true, correct and complete copy of each CBA has been provided by Seller to Purchaser prior to the date hereof. Seller is not an "employee benefit plan" as defined in ERISA, whether or not subject to ERISA, or a "plan" as defined in Section 4975 of the Code and none of Seller's assets constitutes (or is deemed to constitute for purposes of ERISA or Section 4975 of the Code, or any substantially similar federal, state or municipal Law) "plan assets" for purposes of 29 CFR Section 2510.3-101, as amended by Section 3(42) of ERISA or otherwise for purposes of ERISA or Section 4975 of the Code.

(xii) There is no contract or agreement for management or leasing of the Premises or any portion thereof which will be binding on Purchaser as of the Closing Date.

(xiii) Seller has not granted any person or entity any oral or written right, agreement or option to acquire all or any portion of the Premises.

(xiv) Except as disclosed to Purchaser in writing, Seller has not received written notice from any governmental authority of any violation of any Environmental Laws (other than ECB violations) at the Premises which violation remains uncured.

(xv) Seller is not now nor shall it be at any time prior to or at the Closing a person with whom a U.S. person is prohibited from transacting business of the type contemplated by this Agreement, whether such prohibition arises under United States law, regulation, executive orders and lists published by the Office of Foreign Assets Control ("OFAC") (including those executive orders and lists published by OFAC with respect to Specially Designated Nationals and Blocked Persons or otherwise).

(xvi) Seller: (A) is not under investigation by any governmental authority for, or has been charged with, or convicted of, money laundering, drug trafficking, terrorist related activities, any crimes which in the United States would be predicate crimes to money laundering, or any violation of any Anti-Money Laundering Laws; (B) has not been assessed civil or criminal penalties under any Anti-Money Laundering Laws; or (C) has not had any of its funds seized or forfeited in any action under any Anti-Money Laundering Laws, which investigation, charge, conviction, penalties, seizure, or forfeiture as described in clause (A), (B) or (C) above would prohibit Seller and Purchaser from consummating the transactions contemplated by this Agreement. Such laws, regulations and sanctions shall be deemed to include the Patriot Act, the Bank Secrecy Act, 31 U.S.C. Section 5311 et. seq., the Trading with the Enemy Act, 50 U.S.C. App. Section 1 et. seq., the International Emergency Economic Powers Act, 50 U.S.C. Section 1701 et. seq., and the sanction regulations promulgated pursuant thereto by the OFAC, as well as laws relating to prevention and detection of money laundering in 18 U.S.C. Sections 1956 and 1957.

Any and all uses of the phrase, "to Seller's knowledge" or other references to the knowledge of Seller in this Agreement shall mean the actual, present, conscious knowledge of Todd Kahn or Mitchell Feinberg (the "Seller Knowledge Individuals") as to a fact at the time given without any investigation or inquiry. Without limiting the foregoing, Purchaser acknowledges that the Seller Knowledge Individuals have not performed and are not obligated to perform any investigation or review of any files or other information in the possession of Seller, or to make any inquiry of any persons, or to take any other actions in connection with the representations and warranties of Seller set forth in this Agreement. Neither the actual, present, conscious knowledge of any other individual or entity, nor the constructive knowledge of the Seller Knowledge Individuals or of any other individual or entity, shall be imputed to the Seller Knowledge Individuals.

The representations and warranties of Seller contained in this Section 11(c) (such representations and warranties, the "Surviving Representations") shall survive the Closing for one hundred eighty (180) days following the Closing Date (the "Limitation Period"). Each Surviving Representation shall automatically be null and void and of no further force and effect upon the expiration of the Limitation Period unless, prior to the expiration of the Limitation Period, Purchaser shall have provided Seller with a Breach Notice (as hereinafter defined) alleging that Seller is in breach of such Surviving Representation. Any claim by Purchaser that Seller is in breach of any Surviving Representation (each, a "Seller Breach") shall be made by Purchaser delivering to Seller written notice (each a "Breach Notice") promptly after Purchaser has learned of such Seller Breach and prior to the expiration of the Limitation Period, which Breach Notice shall set forth (x) a description in reasonable detail of the claimed Seller Breach, including all facts and circumstances upon which the claimed Seller Breach is based and why those facts and circumstances constitute an alleged Seller Breach, (y) the section and/or subsection of this Agreement under which the claimed Seller Breach is asserted, and (z) Purchaser's good faith determination of the damages suffered by Purchaser resulting from the Seller Breach described in the Breach Notice (the "Claimed Damage"), which Claimed Damage shall be expressed as a dollar amount. Purchaser shall allow Seller thirty (30) days after receipt of a Breach Notice within which to cure the applicable Seller Breach. If Seller fails to cure such Seller Breach within such thirty (30) day period, Purchaser's sole remedy shall be to commence a legal proceeding against Seller alleging that Seller has breached this Agreement and that Purchaser has suffered actual damages as a result thereof (a "Proceeding"). Any proceeding with respect to the Surviving Representations must be commenced, if at all, no later than the date (the "Outside Proceeding Date") that is sixty (60) days after the expiration of the later of (A) the Limitation Period and (B) Seller's thirty (30) day cure period. If Purchaser shall have timely commenced a Proceeding and a court of competent jurisdiction shall, pursuant to a final, non-appealable order in connection with such Proceeding, determine that (i) a Seller Breach has occurred and (ii) Purchaser suffered actual damages (the "Damages") by reason of such Seller Breach and that such Damages exceed $250,000.00 in the aggregate (the "Threshold Amount"), and (iii) Purchaser did not have actual knowledge of such Seller Breach on or prior to the Closing Date and is not deemed to have knowledge of such Seller Breach as described in Section 11(d) below, then, Purchaser shall be entitled to receive an amount equal to the Damages; provided, that in no event shall Seller's aggregate liability for any and all Seller Breaches under this Agreement or any of the agreements, certificates or instruments executed by Seller in connection herewith or pursuant hereto, exceed $2,600,000.00 (the "Maximum Liability Amount"). Any such Damages, subject to the limitations contained herein, shall be paid within thirty (30) days following the entry of such final, non-appealable order and delivery of a copy thereof to Seller. If there shall be a Seller Breach and Purchaser is entitled to receive any Damages as a result thereof, Purchaser shall have no recourse to the property or other assets of Seller or any other Seller Party, other than Seller's interest in the net sales proceeds received by Seller from Purchaser at the Closing (subject to the Maximum Liability Amount and the other limitations expressly set forth in this Agreement).

(d) The representations and warranties of Seller set forth in Section 11(c) are subject to the following limitations: (i) subject to the express provisions of Section 9(b), Seller does not represent or warrant that any particular Contract or Space Lease will be in force or effect as of the Closing or that the contractors thereunder, as applicable, will not be in default thereunder, (ii) to the extent that Seller has delivered or made available to Purchaser (or to any Diligence Party (as defined below)) any Contracts or other information with respect to the Property at any time prior to the date hereof, and such Contracts or other information contain provisions inconsistent with any of such representations and warranties, then such representations and warranties shall be deemed modified to conform to such provisions and Purchaser shall be deemed to have knowledge thereof and (iii) in the event that, prior to the Closing, Purchaser shall obtain actual knowledge of any information that is contradictory to, and would constitute the basis of a breach of, any representation or warranty or failure to satisfy any condition on the part of Seller, then, promptly thereafter (and, in all events, on or prior to Closing), Purchaser shall deliver to Seller notice of such information specifying the representation, warranty or condition to which such information relates, and Purchaser further acknowledges that such representation, warranty or condition will not be deemed breached in the event Purchaser shall have, prior to Closing, obtained actual knowledge of any information that is contradictory to such representation or warranty and shall have failed to disclose to Seller as required hereby and Purchaser shall not be entitled to bring any action after the Closing Date based on such representation, warranty or condition. Without limiting the generality of the foregoing, Purchaser shall be deemed to know that any representation or warranty contained herein is untrue, inaccurate or breached to the extent that (1) Purchaser has knowledge of any fact or information which is inconsistent with such representation or warranty or (2) this Agreement or any Contracts or other information with respect to the Property delivered or made available to Purchaser or any Diligence Party contain provisions inconsistent with any of such representations and warranties. "Diligence Party" shall mean any of the following: (i) Purchaser and (ii) any officers, directors, employees, agents, consultants, affiliates, attorneys and representatives of Purchaser or any affiliate of Purchaser who were involved in the negotiation of this Agreement, reviewed any Contracts or other information relating to the Property, were involved in the preparation of the Diligence Reports or the performance of the due diligence conducted on behalf of Purchaser in order to prepare the same. "Diligence Reports" mean the results of any examinations, inspections, investigations, tests, studies, analyses, appraisals, evaluations and/or investigations prepared by or for or otherwise obtained by or on behalf of Purchaser in connection with the Property.

(e) Each of the provisions of this Section 11 shall survive the Closing, but such survival shall be limited, in the case of the Surviving Representations, to the extent set forth in Section 11(c). The provisions of Section 11(a) and Section 11(b) shall be deemed incorporated by reference and made a part of all documents or instruments delivered by Seller to Purchaser in connection with the sale of the Property.

(f) Purchaser hereby represents and warrants to Seller as of the date hereof and as of Closing Date that:

(i) Purchaser is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization.

(ii) Purchaser has the full power and authority to enter into this Agreement and perform its obligations hereunder. This Agreement has been duly authorized, executed and delivered by Purchaser and is the legal, valid and binding obligations of Purchaser enforceable against Purchaser in accordance with its terms, subject to equitable principles and principles governing creditors' right generally, and does not violate any provision of any agreement or judicial order to which Purchaser is subject. All documents to be executed by Purchaser and delivered to Seller at Closing will as of the Closing Date be duly authorized, executed and delivered by Purchaser and the legal, valid and binding obligations of Purchaser enforceable against Purchaser in accordance with their respective terms, subject to equitable principles and principles governing creditors' right generally, and will not violate any provision of any agreement or judicial order to which Purchaser is subject.

(iii) Neither the execution, delivery or performance of this Agreement nor the consummation of the transactions contemplated hereby is or will be prohibited, or requires or will require as a condition thereto Purchaser to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction, decree or agreement which has not been obtained and delivered to Purchaser.

(iv) Purchaser is not the subject of any voluntary or involuntary bankruptcy proceedings for the dissolution or liquidation thereof.

(v) There are no judgments, orders or decrees of any kind against Purchaser unpaid and unsatisfied of record, nor any actions, suits or other legal or administrative proceedings pending or, to Purchaser's actual knowledge, threatened in writing against Purchaser, which would have a material adverse effect on Purchaser, its financial condition or its ability to consummate the transactions contemplated by this Agreement.

(vi) Purchaser is not acquiring the Property with the assets of an employee benefit plan (as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA")), or, if plan assets will be used to acquire the Property, Purchaser will deliver to Seller at Closing a certificate containing such factual representations as shall permit Seller and its counsel to conclude that no prohibited transaction would result from the consummation of the transactions contemplated by this Agreement. Purchaser is not a "party in interest" within the meaning of Section 3(14) of ERISA with respect to any beneficial owner of Seller.

(vii) Purchaser is not now nor shall it be at any time prior to or at the Closing a person with whom a U.S. person is prohibited from transacting business of the type contemplated by this Agreement, whether such prohibition arises under United States law, regulation, executive orders and lists published by OFAC (including those executive orders and lists published by OFAC with respect to Specially Designated Nationals and Blocked Persons or otherwise).

(viii) Purchaser: (A) is not under investigation by any governmental authority for, or has been charged with, or convicted of, money laundering, drug trafficking, terrorist related activities, any crimes which in the United States would be predicate crimes to money laundering, or any violation of any Anti-Money Laundering Laws; (B) has not been assessed civil or criminal penalties under any Anti-Money Laundering Laws; or (C) has not had any of its funds seized or forfeited in any action under any Anti-Money Laundering Laws, which investigation, charge, conviction, penalties, seizure, or forfeiture as described in clause (A), (B) or (C) above would prohibit Seller and Purchaser from consummating the transactions contemplated by this Agreement. Such laws, regulations and sanctions shall be deemed to include the Patriot Act, the Bank Secrecy Act, 31 U.S.C. Section 5311 et. seq., the Trading with the Enemy Act, 50 U.S.C. App. Section 1 et. seq., the International Emergency Economic Powers Act, 50 U.S.C. Section 1701 et. seq., and the sanction regulations promulgated pursuant thereto by the OFAC, as well as laws relating to prevention and detection of money laundering in 18 U.S.C. Sections 1956 and 1957.

Any and all uses of the phrase, "to Purchaser's knowledge" or other references to the knowledge of Purchaser in this Agreement shall mean the actual, present, conscious knowledge of L. Jay Cross, Bruce Warwick, Jeff T. Blau or Richard O' Toole (the "Purchaser Knowledge Individuals") as to a fact at the time given. Without limiting the foregoing, Seller acknowledges that the Purchaser Knowledge Individuals are not obligated to perform any investigation or review of any files or other information in the possession of Purchaser, or to make any inquiry of any persons, or to take any other actions in connection with the representations and warranties of Seller or Purchaser set forth in this Agreement, other than any investigations, reviews or inquiries which Purchaser has, or may hereafter in its discretion, perform. Neither the actual, present, conscious knowledge of any other individual or entity, nor the constructive knowledge of the Purchaser Knowledge Individuals or of any other individual or entity, shall be imputed to the Purchaser Knowledge Individuals.

(g) Except as expressly set forth in Section 11(c)(xiii) of this Agreement, Seller makes no warranty with respect to the presence of Hazardous Materials (as hereinafter defined) in, on, above or beneath the Premises (or any parcel in proximity thereto) or in any water on or under the Premises. Purchaser's closing hereunder shall be deemed to constitute an express waiver of Purchaser's right to cause Seller to be joined in any action brought under any Environmental Laws (as hereinafter defined). As used herein, the term "Hazardous Materials" means (i) those substances included within the definitions of any one or more of the terms "hazardous materials," "hazardous wastes," "hazardous substances," "industrial wastes," and "toxic pollutants," as such terms are defined under the Environmental Laws, or any of them, (ii) petroleum and petroleum products, including, without limitation, crude oil and any fractions thereof, (iii) natural gas, synthetic gas and any mixtures thereof, (iv) asbestos and or any material which contains any hydrated mineral silicate, including, without limitation, chrysotile, amosite, crocidolite, tremolite, anthophylite and/or actinolite, whether friable or non-friable (collectively, "Asbestos"), (v) polychlorinated biphenyl ("PCBs") or PCB-containing materials or fluids, (vi) radon, (vii) any other hazardous or radioactive substance, material, pollutant, contaminant or waste, and (viii) any other substance with respect to which any Environmental Law or governmental authority requires environmental investigation, monitoring or remediation. EXECUTION COPY

February 13, 2013

Victor Luis ("You")
Coach, Inc.
516 West 34th Street
New York, NY 10001

Dear Victor,

It is with great pleasure that I confirm your appointment as President and Chief Commercial Officer of Coach, Inc. (the "Company" or "Coach"), directly reporting to me, Lew Frankfort, Chairman and Chief Executive Officer, Coach. You will continue to be an Executive Officer of Coach, Inc. and a member of the Coach Operating Group (the "Operating Group"), and will be appointed as a member of the Board of Directors of Coach (the "Board").

It is the intent of the Board to appoint you to the position of Chief Executive Officer of Coach no later than January 1, 2014. You will then report directly to me in my role as Executive Chairman of the Company. At such time as I am no longer the Executive Chairman, you will report directly and exclusively to the Board.

If you accept this appointment, your employment in the position of President and Chief Commercial Officer will commence effective as of February 14, 2013 (the "Effective Date").

Base Salary

$1,100,000 per annum as President and Chief Commercial Officer.

Upon your appointment to the position of Chief Executive Officer, your base salary will be increased to $1,250,000 per annum.

Your salary will be paid monthly on the last Thursday of each calendar month (or as otherwise provided in accordance with the Company's standard payroll practices, but not less frequently than monthly). Your base salary may be increased, but not decreased.

As you are aware, performance reviews are typically conducted at the end of our fiscal year, which presently runs from approximately July 1 through June 30. Your compensation will be reviewed annually by the Human Resources Committee (the "Committee") of the Board at its August meeting, and any changes would take effect in September.

Incentive Compensation

You will continue to be eligible for the Coach, Inc. Performance-Based Annual Incentive Plan ("SOPS"), a cash incentive program under which payout is based solely on Coach's financial performance. The annual target bonus is 150% of your salary actually paid during the fiscal year. The maximum bonus is 200% of your salary actually paid during the fiscal year and assumes the highest possible level of Company financial performance. For fiscal year 2013, your target and maximum bonus will be pro-rated in accordance with the Company's normal practice for mid-fiscal year changes to either salary or bonus percentage targets. To be eligible for the bonus, you understand and agree you must be employed with Coach as of the payout date. The treatment of bonus payments in the event you leave the Company is explained under Separation, below.

Any SOPS bonus is paid within three months of the end of the fiscal year. Please refer to the My Pay section of Coachweb for the governing terms of the SOPS bonus plan.

Equity Compensation

Appointment Grant
On March 4, 2013, you will be granted a one-time performance restricted stock unit ("PRSU") award valued at $25 million on the date of grant. The number of PRSUs at grant will be based on the closing stock price on date of grant. The PRSU award will vest in full as of the fifth anniversary of grant with opportunities to vest 1/5th as of the third anniversary and 1/5th as of the fourth anniversary, depending in each case on performance. The shares of common stock underlying this award will be earned and distributed based on performance criteria to be established by the Committee at the time the grant is made, as set forth on Exhibit A, and such criteria will be linked to the Company's total stockholder return compared to the total stockholder return of the companies in the Standard & Poor's 500 Index ("S&P 500") on the date of grant. To vest in this award, you must be employed by Coach in the position of Chief Executive Officer as of the applicable vesting date; provided, however, that in the event of your death or Disability (as defined below), you (or your estate, as the case may be) will be eligible to receive a pro-rata portion of the award, determined based upon the number of days elapsed during the performance period prior to the date of termination, which portion shall be eligible to vest as of the original vesting dates based on actual Company performance (and, for the avoidance of doubt, such portion shall vest on such original vesting dates to the extent that the Company achieves the performance goals set forth in the appointment grant award agreement as of such dates).

Annual Equity Grants

Coach will make you an annual equity award each August, with a grant date value of no less than $4,800,000. The annual awards to be made in each of August 2013, 2014 and 2015 will be comprised of 60 percent PRSUs and 40 percent stock options. The number of PRSUs you receive in connection with each annual award will be based on the closing stock price on the date of grant. The number of stock options you receive in respect of any annual award will be based on the grant price (closing price on the grant date) and on an industry standard valuation model, Black-Scholes, which determines the value of a stock option. The grant dates for these annual awards will be in August on the dates the Committee approves such grants for all eligible employees, and the exercise price per share of the Company's common stock subject to each such stock option will be equal to the closing price per share on the grant date. Each stock option granted to you in connection with an annual award will be exercisable 1/3 after 1 year from the date of grant, 1/3 after 2 years from the date of grant, and 1/3 after 3 years from the date of grant, and will expire 10 years after the date of grant. Notwithstanding the foregoing, no annual award will be made unless you remain employed through the applicable grant date and, except as described below in the Separation paragraph, all annual awards will be forfeited if you cease to be employed prior to the applicable vesting date; provided, however, that in the event of your death or Disability, your annual awards shall accelerate and vest in full as of the date of such death or Disability, the target number of PRSUs subject to such awards shall be payable to you (or your estate, as the case may be) on or as soon as reasonably practicable following such date, and the stock options subject to such awards shall remain exercisable following such date in accordance with their terms.

For 2013, your annual award of PRSUs will have a grant date value of $2,880,000 and will vest in equal installments of 1/3 each as of each of the first three anniversaries of the date of grant, subject to achievement of performance criteria established on the grant date by the Committee and $1,920,000 will be in the form of a stock option. Thereafter, your annual PRSU awards will cliff vest as of the third anniversary of the grant date, subject to achievement of performance criteria established on the grant date by the Committee.

The terms of your equity grants will be set forth in the applicable award agreements, which will not be inconsistent with the terms hereof.

Outstanding Equity

For the avoidance of doubt, all of your currently outstanding equity awards and agreements will continue to be governed in accordance with the terms and conditions of such awards as of the date hereof (including without limitation all provisions related to vesting and termination of employment). A list of all of your currently existing equity awards and agreements is set forth on Exhibit B.

Stock Ownership Requirements

The Board has implemented stock ownership requirements for all Vice Presidents and above. You currently are required to meet the stock ownership requirements for Presidents and will continue to be subject to those requirements upon your appointment as Chief Commercial Officer. Upon your appointment to the position of Chief Executive Officer, you will be subject to the stock ownership requirements for the Chief Executive Officer. The current required amount of stock ownership for the Chief Executive Officer position is the lesser of Coach equity valued at five (5) times your then current annual salary, or 250,000 shares. You will be required to achieve this level of ownership by the time you have reached the fifth anniversary of your appointment as Chief Executive Officer. You agree that such stock ownership requirements may change from time-to-time as the Committee deems appropriate and/or as is required by law.

In addition to general restrictions on trading other types of Coach securities, as well as blackout periods, and to ensure that you do not inadvertently trade Coach securities when a non-public material event is taking place, you will be required to provide advance notice to, and obtain preapproval from, the Coach legal department of your intent to exercise stock options, or buy or sell Coach shares, along with the details (number of shares/options) of any proposed transaction.

Compensation Clawback

The Board has adopted the following incentive repayment policy affecting all performance-based compensation Coach pays to members of its Operating Group:

> In the event of a material restatement of the company's financial results, the Committee will review the circumstances that caused the restatement and consider accountability to determine whether an Operating Group member was negligent or engaged in misconduct. If the Committee determines that this was the case, and that the amount paid to that Operating Group member of a cash incentive award (for example SOPS), or the shares vesting of a performance-based long-term incentive award, would have been less during any period had the financial statements been correct, then the Committee will recover compensation from the responsible Operating Group member as it deems appropriate.
>
> Your acceptance of this agreement includes your acceptance of a binding agreement to return to the company the full amount of any compensation demanded by the Committee under this policy. This agreement will survive the longer of (i) six months following your departure from Coach, or (ii) up to six months after payment of the relevant incentive compensation.

You agree that you will be subject to this repayment policy and that it may change from time-to-time as the Committee deems appropriate and/or as is required by law.

In addition, upon your appointment to Chief Executive Officer, you will also be subject to the compensation clawback provisions of Section 304 of the Sarbanes-Oxley Act of 2002, and may be required to disgorge bonuses, other incentive- or equity-based compensation, and profits on sales of Company stock that you receive within the 12-month period following the public release of financial information if there is a restatement of the Company's financial statements due to material noncompliance, as a result of misconduct, with financial reporting requirements under the federal securities laws.

Benefits

Your other major benefits will include medical, dental and vision benefits for you and your family, life insurance, short and long term disability for you, Coach, Inc. Savings & Profit Sharing Plan, Employee Stock Purchase Plan, employee discount program, and 25 business days of vacation per year. Coach will provide you with up to $25,000 in reimbursement for reasonable and documented legal fees and expenses incurred in connection with the negotiation of this agreement. In addition, Coach will pay your premium for universal life insurance, with a benefit payable to your designated beneficiary, in the amount of $3,000,000.

Separation

On any termination of your employment, the Company will pay you (i) unpaid base salary through and including the date of termination, (ii) any bonus earned, but unpaid, for the year prior to the year in which the termination occurs, and (iii) any other amounts or benefits required to be paid or provided by law or under any plan, program or policy of the Company.

If your employment is terminated by the Company without "Cause" or if you resign for "Good Reason", the Company will pay you an amount (the "Severance Amount") equal to the sum of your (i) "Pro Rata Bonus," which shall mean a pro-rated amount of your annual bonus for the Company's fiscal year in which the date of termination occurs based on actual Company performance and payable at the time such bonuses are otherwise payable to senior executives of the Company for such fiscal year, (ii) 21 months of your then current salary, paid monthly during the 21-month period (the "Severance Period") following the later of (x) the date of your termination of employment or (y) the expiration of the three-month Notice period (as defined below), and (iii) 21 months of annual bonus (calculated as 1.75 times the average of the actual percentages of the maximum annual bonus amounts earned with respect to the pre-established Coach, Inc. financial performance goals (but not individual or business segment goals) for the three (3) fiscal years most-recently completed prior to the termination date and applied to the maximum annual bonus amount otherwise payable with respect to the year of termination) and paid monthly during the Severance Period. During the Severance Period, (i) you will continue to be eligible to participate in the Company's group health plans (or the Company will pay such portion of your applicable COBRA premiums that exceeds the active employee cost of participation in the Company's applicable group health plans), at the Company's expense, subject to applicable plan rules, and (ii) the Company will maintain your universal life insurance policy at its expense (the "Severance Benefits").

Receipt of such Severance Amount and Severance Benefits will be subject to your compliance with the terms of the Restrictive Covenants Agreement, attached hereto as Exhibit C. Upon termination of your employment by the Company without Cause or by you for Good Reason, (i) all of your unvested annual equity awards will continue to vest during the Severance Period to the extent that such awards would have become vested had you remained employed through the end of the Severance Period, and (ii) a pro-rata portion of any unvested annual PRSU awards subject to cliff-vesting, determined based upon the number of days elapsed during the performance period prior to the last day of the Severance Period, shall be eligible to vest as of the original vesting date based on actual Company performance. All portions of the annual equity awards that are not eligible to become vested during or following the Severance Period pursuant to the preceding sentence will be forfeited immediately following the last day of the Severance Period (however vested stock options shall remain outstanding until the 90th day following the end of the Severance Period). For the avoidance of doubt, any unvested appointment grant PRSUs shall not be eligible for continued vesting during the Severance Period and no additional shares will be earned pursuant to any appointment grant PRSUs following your termination of employment. You shall not be subject to the clawback provisions relating to competitive employment under the equity award agreements following the end of the Severance Period. To receive the Severance Amount and Severance Benefits, you will be required to sign a waiver and mutual release agreement in substantially the form attached hereto as Exhibit D (a "Release"), on or prior to the 60th day following the termination of your employment (the "Release Date"). Notwithstanding anything to the contrary in this agreement, to the extent that any payments of "nonqualified deferred compensation" (within the meaning of Section 409A) due under this agreement as a result of termination of your employment are subject to your execution and delivery of a Release and are payable prior to the Release Date, such amounts shall be paid in a lump sum on the Company's first standard payroll date to occur on or after the Release Date, provided that, as of the Release Date, you have executed and have not revoked the Release (and any applicable revocation period has expired). For the avoidance of doubt, you and the Company acknowledge and agree that, on and following your termination of employment hereunder, you will not be eligible to receive any severance payments or benefits from the Company except as specifically set forth in this Separation paragraph and/or the Terms and Conditions paragraph, below, or any other written agreement between you and the Company or any Company employee benefit plan or policy, or as otherwise required by applicable law.

The Company has "Cause" to terminate your employment upon (i) your willful failure to substantially perform the duties as President and Chief Commercial Officer or Chief Executive Officer, as applicable (other than any such failure resulting from your permanent Disability), which is not remedied within 30 days after receipt of written notice from the Company specifying such failure;(ii) your failure to carry out, or comply with, in any material respect any lawful and reasonable directive of the Chairman or of the Board, which is not remedied within 30 days after receipt of written notice from the Company specifying such failure; (iii) your commission at any time of any act or omission that results in a conviction, plea of no contest, or imposition of unadjudicated probation for any felony or crime involving fraud, embezzlement, material misconduct, misappropriation or moral turpitude; (iv) your willful taking of or failure to take any action that is materially injurious to the Company, whether monetarily or otherwise (including, without limitation, any act or omission that is materially detrimental to the business or reputation of the Company); (v) your unlawful use (including being under the influence) or possession of illegal drugs on the Company's premises or while performing your duties and responsibilities; or (vi) your willful commission at any time of any act of fraud, embezzlement, misappropriation, material misconduct, or breach of fiduciary duty against the Company (or any predecessor thereto or successor thereof).

You have "Good Reason" to resign your employment upon the occurrence of any of the following: (i) failure of the Company to continue you in the position of President and Chief Commercial Officer (or any other position not less senior to such position) or, upon appointment as Chief Executive Officer, failure to continue you in the position of Chief Executive Officer; (ii) a material diminution in the nature or scope of your responsibilities, duties or authority; (iii) failure of the Company to make any material payment or provide any material benefit under this agreement or the Company's material reduction of any compensation, equity or benefits that you are eligible to receive under this agreement, other than reductions applying to all Company employees; (iv) relocation of the Company's executive offices more than 50 miles outside of New York, New York or relocation of you away from the Company's executive offices; (v) the failure of the Board to appoint you to the position of Chief Executive Officer by January 1, 2014; (vi) the failure of the Company to nominate you to the Board during your employment hereunder; or (vii) the Company's material breach of the terms of this agreement; provided, however, that notwithstanding the foregoing you may not resign your employment for Good Reason unless: (x) you provide the Company with at least 30 days prior written notice of your intent to resign for Good Reason (which notice is provided not later than the 60th day following the occurrence of the event constituting Good Reason) and (y) the Company does not remedy the alleged violation(s) within such 30-day period; and, provided, further, that you may resign your employment for Good Reason if, in connection with any change in control, the surviving entity does not assume this agreement (or, with your written consent, substitute a substantially identical agreement) with respect to you in writing, delivered to you prior to, or as soon as reasonably practicable following the occurrence of, such change of control.

If you resign from employment hereunder other than for Good Reason, as defined above, during the Notice period, the Company may, in its sole discretion, elect to subject you to Section 1 of the Restrictive Covenants Agreement by providing you with written notice thereof. In the event (such event is referred to as a "Resignation Without Good Reason With Severance"), the Company agrees to pay you: (i) your "Pro Rata Bonus," as defined previously, (ii) 12 months of your then current salary, paid monthly during the 12-month period following the later of (x) the date of your termination of employment or (y) the expiration of the three-month Notice period, and (iii) 12 months of annual bonus (calculated as 1 times the average of the actual percentages of the maximum annual bonus amounts earned with respect to the pre-established Coach, Inc. financial performance goals (but not individual or business segment goals) for the three (3) fiscal years most-recently completed prior to the termination date and applied to the maximum annual bonus amount otherwise payable with respect to the year of termination) and paid monthly during such 12-month period. During such 12-month period, (i) you will continue to be eligible to participate in the Company's group health plans (or the Company will pay such portion of your applicable COBRA premiums that exceeds the active employee cost of participation in the Company's applicable group health plans), at the Company's expense, subject to applicable plan rules, and (ii) the Company will maintain your universal life insurance policy at its expense. Following your Resignation Without Good Reason With Severance, (i) all of your unvested annual equity awards will continue to vest during such 12-month period to the extent that such awards would have become vested had you remained employed through the end of such 12-month period, and (ii) a pro-rata portion of any unvested annual PRSU awards subject to cliff-vesting, determined based upon the number of days elapsed during the performance period prior to the last day of such 12-month period, shall be eligible to vest as of the original vesting date based on actual Company performance. All portions of the annual equity awards that are not eligible to become vested during or following such 12-month period pursuant to the preceding sentence will be forfeited immediately following the last day of such 12-month period (however vested stock options shall remain outstanding until the 90th day following the end of such 12-month period). For the avoidance of doubt, any unvested appointment grant PRSUs shall not be eligible for continued vesting during such 12-month period and no additional shares will be earned pursuant to any appointment grant PRSUs following your termination of employment. You shall not be subject to the clawback provisions relating to competitive employment under the equity award agreements following the end of such 12-month period. Receipt of the payments and benefits described in this paragraph shall be subject to your execution and non-revocation of a Release (as defined above) and your continued compliance with the terms of the Restrictive Covenants Agreement during such 12-month period.

If the Company does not provide you with written notice as described in the paragraph above, then Section 1 of the Restrictive Covenants Agreement shall not apply to you following your resignation without Good Reason and all your outstanding equity shall be treated in accordance with its existing terms.

For purposes of this agreement, "Disability" means any mental or physical illness, condition, disability or incapacity that can be expected to result in death or can be expected to last for a continuous period of not less than 12 months, and which: (i) prevents you from discharging substantially all of your essential job responsibilities and employment duties; (ii) must be attested to in writing by a physician or a group of physicians selected by you and acceptable to the Company; and (iii) continues for a period of 180 consecutive days or exists for any 180 days in any 12-month period. A Disability will be deemed to have occurred on the 180th consecutive day or the 180th day in any such 12-month period, as applicable, and will be determined in accordance with applicable law relating to disability.

Section 409A of the Internal Revenue Code

It is expressly intended and contemplated that this agreement comply with the provisions of Section 409A of the Code and the applicable guidance thereunder ("Section 409A") and that the payments hereunder will either be exempt from Section 409A or will comply with the provisions of Section 409A. This agreement will be administered and interpreted in a manner consistent with this intent, and any provision that would cause the agreement to fail to satisfy Section 409A will be amended to satisfy Section 409A or be exempt therefrom (which amendment may be retroactive to the extent permitted by Section 409A), which shall be done as soon as possible. In no event shall Coach be relieved of its obligation to make any payment due under this agreement by reason of this paragraph. Notwithstanding any other provision of this agreement, if you are a "specified employee" within the meaning of Treas. Reg. §1.409A-1(i)(1), then the payment of any amount or the provision of any benefit under this agreement which is considered deferred compensation subject to Section 409A of the Code shall be deferred for six (6) months after your "separation from service" or, if earlier, your death to the extent required by Section 409A(a)(2)(B)(i) of the Code (the "409A Deferral Period"). In the event payments are otherwise due to be made in installments or periodically during the 409A Deferral Period, the payments which would otherwise have been made in the 409A Deferral Period shall be accumulated and paid in a lump sum on the Company's first standard payroll date that arises on or after the 409A Deferral Period ends, and the balance of the payments shall be made as otherwise scheduled. For purposes of any provision of this agreement providing for reimbursements to you, such reimbursements shall be made no later than the end of the calendar year following the calendar year in which you incurred such expenses, and in no event shall the unused reimbursement amount during one calendar year be carried over into a subsequent calendar year. For purposes of this agreement, you shall not be deemed to have terminated employment unless you have a "separation from service" within the meaning of U.S. Treasury Regulations Section 1.409A-1(h), where it is reasonably anticipated that no further services will be performed after such date or that the level of bona fide services you will perform after that date (whether as an employee or independent contractor) will permanently decrease to no more than 20 percent of the average level of bona fide services performed by you over the immediately preceding 36-month period. All rights to payments and benefits under this agreement shall be treated as rights to receive a series of separate payments and benefits to the fullest extent allowed by Section 409A of the Code. No provision of this agreement shall be interpreted or construed to transfer any liability for failure to comply with the requirements of Section 409A from you or any other individual to the Company or any of its affiliates, employees or agents.

Terms and Conditions

The Company and you agree that, other than in connection with a termination of employment by the Company for Cause (which will be effective immediately), either party will give the other party three (3) months' notice of intention to end employment ("Notice"). In lieu of Notice, the Company may, in its sole discretion, pay you compensation in an aggregate amount equal to the sum of (i) three (3) months of your then current Annual Base Salary and (ii) three (3) months of your annual bonus (calculated as 25% of the average of the actual percentages of the maximum annual bonus amounts earned with respect to the pre-established Coach, Inc. financial performance goals (but not individual or business segment goals) for the three (3) fiscal years most-recently completed prior to the termination date and applied to the maximum annual bonus amount otherwise payable with respect to the year of termination), payable in equal monthly installments during the period beginning on the date Notice is delivered and ending on the 3-month anniversary thereof, in addition to any severance benefits set forth above under Separation for which you may be eligible (which severance benefits will commence immediately following the 3-month anniversary of the date the Notice is delivered). In the event of your resignation without Good Reason, except as provided above in connection with a Resignation Without Good Reason With Severance, no unvested annual equity awards or annual bonus payments will be eligible to vest during the Notice period unless you remain employed by the Company on the applicable vesting date.

You will be entitled to indemnification set forth in the Company's Charter to the maximum extent allowed under the laws of the State of Maryland, and you will be entitled to the protection of any insurance policies the Company may elect to maintain generally for the benefit of its directors and officers against all costs, charges and expenses incurred or sustained by you in connection with any action, suit or proceeding to which you may be made a party by reason of your being or having been a director, officer or employee of the Company or any of its subsidiaries or you serving or having served any other enterprise or benefit plan as a director, officer, employee or fiduciary at the request of the Company (other than any dispute, claim or controversy arising under or relating to this agreement). Notwithstanding anything to the contrary herein, your rights under this paragraph will survive the termination of your employment for any reason.

In case any one or more of the provisions of this agreement shall be held by any court of competent jurisdiction or any arbitrator selected in accordance with the terms hereof to be illegal, invalid or unenforceable in any respect, such provision shall have no force and effect, but such holding shall not affect the legality, validity or enforceability of any other provision of this agreement.

In the event that any dispute arises between the Company and you regarding or relating to this agreement and/or any aspect of your employment relationship with the Company, AND IN LIEU OF LITIGATION AND A TRIAL BY JURY, the parties agree to resolve the dispute through mediation using the services of JAMS, the Resolution Experts, at the cost of the Company. If such mediation fails to resolve the dispute, the parties consent to resolve such dispute through mandatory arbitration under the Commercial Rules of the American Arbitration Association, before a single arbitrator in New York, New York. The parties hereby consent to the entry of judgment upon award rendered by the arbitrator in any court of competent jurisdiction. Notwithstanding the foregoing, however, should adequate grounds exist for seeking immediate injunctive or immediate equitable relief, any party may seek and obtain such relief. The parties hereby consent to the exclusive jurisdiction in the state and Federal courts of or in the State of New York for purposes of seeking such injunctive or equitable relief as set forth above. Any and all out-of-pocket costs and expenses incurred by the parties in connection with such arbitration (including attorneys' fees) shall be allocated by the arbitrator in substantial conformance with his or her decision on the merits of the arbitration.

Neither the Company nor you shall be liable for any delay or failure in performance of any part of this agreement to the extent that such delay or failure is caused by an event beyond its reasonable control including, but not limited to, fire, flood, explosion, war, strike, embargo, government requirement, acts of civil or military authority, and acts of God not resulting from the negligence of the claiming party.

This agreement evidences an "employment-at-will" relationship between you and Coach; meaning that you are free, at any time, for any reason, to end your employment with Coach and that Coach may do the same, subject to the Notice provision above. Our agreement regarding employment-at-will may not be changed, except specifically in writing signed by both the Committee and you. Subject to the terms, and except as provided herein, Coach may in its discretion add to, discontinue, or change compensation, duties, benefits and policies. Notwithstanding the foregoing two sentences, nothing in the preceding two sentences shall be construed as diminishing the financial obligations of either of the parties hereunder, including, without limitation, Coach's obligations to pay Base Salary, Incentive Compensation, severance, Equity Compensation, etc., pursuant to the pertinent provisions set forth above. This agreement is contingent on the following:

- Formal ratification of this agreement by the Committee;
- Your execution of the Restrictive Covenants Agreement;
- You returning a signed copy of this agreement; and
- The terms and conditions of individual equity award agreements.

Subject to the terms, and except as provided herein, the terms and conditions contained in this agreement and the Restrictive Covenants Agreement constitute the entire agreement between you and the Company with respect to the subject matter described herein and supersedes all prior agreements and understandings between you and the Company, including without limitation that certain Employment Agreement dated as of April 24, 2006, as amended November 2, 2008, which will be terminated and of no further force and effect as of the date you sign this agreement. This agreement may not be modified, amended or waived in any manner, except by an instrument in writing signed by both parties hereto. The waiver by either party of compliance with any provision of this agreement by the other party shall not operate or be construed as a waiver of any other provision of this agreement, or of any subsequent breach by such party of a provision of this agreement. This agreement will be governed and construed under the internal laws of the State of New York, without regard to the conflicts of laws provisions thereof or any other jurisdiction. This agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

In no event will you be obligated to seek other employment, take any other employment, or take any other action by way of mitigation of the amounts payable to you under any provision of this agreement.

Please sign below to confirm your acceptance of this agreement, and to acknowledge you are not relying on any promise or representation that is not contained in this document, please sign in the space below and return both copies to me.

Sincerely,

/s/ Lew Frankfort

2010 Stock Incentive Plan
Performance Restricted Stock Unit Award Grant Notice and Agreement

VICTOR LUIS

Coach, Inc. (the "**Company**") is pleased to confirm that you have been granted a performance restricted stock unit award (the "**Award**"), effective as of March 4, 2013 (the "**Award Date**"), as provided in this Performance Restricted Stock Unit Award Grant Notice and Agreement (including all annexes attached hereto, this "**Agreement**") pursuant to the Coach, Inc. 2010 Stock Incentive Plan (as amended, the "**Plan**"). The Award is subject to all of the terms and conditions set forth in this Agreement.

1. Defined Terms. Capitalized terms used but not otherwise defined in this Agreement shall have the meanings set forth in the Definition Annex attached hereto as Annex A.

2. Award. Subject to the restrictions, limitations and conditions described in this Agreement, the Company hereby awards to you as of the Award Date performance restricted stock units (the "**PRSUs**") in accordance with the terms and conditions of this Agreement. PRSUs are considered Performance Stock Units under the Plan. Each PRSU represents the right to receive one share of Common Stock upon the satisfaction of the terms and conditions of this Agreement and the Plan (and in particular the terms and conditions set forth on Annex B) (the "**Restrictions**"). While the Restrictions are in effect, the PRSUs are not transferable by you by means of sale, assignment, exchange, pledge, or otherwise. The number of PRSUs subject to the Award shall be [_____].[1]

3. **Vesting**. The PRSUs will remain restricted and may not be sold or transferred by you until they have become vested pursuant to the terms of this Agreement and the vesting provisions set forth on Annex B.

4. **Distribution of the Award.** Except as otherwise provided by Section 5, on, or as soon as reasonably practicable following, each Vesting Date (and in no event later than the last date permitted by Treasury Regulation Section 1.409A-3(d)), the Committee will release the portion of the Award that has become vested as of such Vesting Date. Applicable withholding taxes will be settled by withholding a number of shares of Common Stock with a market value not less than the amount of such taxes (determined at the minimum applicable rates), and the net number of shares of Common Stock subject to the Award shall be distributed to you; *provided*, *however*, that certain transfer restrictions will continue to apply to certain shares of Common Stock distributed to you hereunder until the expiration of the Retention Period; and, *provided*, *further*, that in the event that the Company is liquidated in bankruptcy (a) the Committee will not release shares of Common Stock pursuant to the Award and (b) all payments made pursuant to the Award will be made in a per-share cash payment equal to the fair market value per share of Common Stock on the distribution date.

---

1 Note to Draft: Insert number equal to $25,000,000 divided by the Fair Market Value per share of Common Stock on March 4, 2013.

5. **Termination of Employment**.

(a) **General.** Except as otherwise provided in Section 5(b) with respect to a termination of employment due to your death or Disability and in Section 5(c) with respect to certain terminations of employment in connection with a Change in Control, if prior to the final Vesting Date your employment is terminated for any reason, all unvested portions of the Award shall thereupon be forfeited. If you are not appointed as the Company's Chief Executive Officer on or prior to January 1, 2014, this Award shall thereupon terminate.

(b) **Death or Disability.** Notwithstanding Section 5(a), if prior to the final Vesting Date you cease active employment with the Company because of your death or Disability, you (or your estate, as the case may be) will be eligible to receive a pro-rata portion of the unvested PRSUs, determined based upon the number of days elapsed during the period beginning on the first day of the Performance Period and ending on the Date of Termination, which portion shall be eligible to become vested as of the applicable Vesting Date(s) following the Date of Termination, based on actual Company performance as determined as of such Vesting Date (s).

(c) **Certain Terminations of Employment in connection with a Change in Control.** Notwithstanding Section 5(a), if your employment is terminated by the Company without Cause or by you for Good Reason prior to the final Vesting Date and upon, or within the 12 month period immediately following, a Change in Control, then, effective as of the Date of Termination, a pro-rata portion of the Award, determined based upon the number of days elapsed during the period beginning on the first day of the Performance Period and ending on the Date of Termination and on the Company's performance during such period, shall become vested and such vested portion of the Award shall be distributed in accordance with the provisions of Section 3 and Annex B as soon as reasonably practicable following the date of such vesting.

6. **Forfeiture and Claw-Back Provisions**.

(a) **PRSU Claw-Back.** Notwithstanding anything contained in this Agreement to the contrary, you shall be subject to the restrictive covenants set forth on Annex D hereto (the "**Restrictive Covenants**"), and you acknowledge and agree that the Company is granting you the Award in consideration for your agreement to be bound by such Restrictive Covenants. Accordingly, if you (i) violate any of the covenants set forth in Sections 1 or 2 of the Restrictive Covenants or (ii) materially violate any of the covenants set forth in Sections 3, 4 or 5 of the Restrictive Covenants, then (x) any portion of the Award that has not been distributed to you prior to the date of such violation shall thereupon be forfeited and (y) you shall be required to pay to the Company the amount of all PRSU Gain received by you in the 12 month period prior to the date you violate any of the Restrictive Covenants. The forfeiture provisions of this Section 6(a) shall also apply, and you shall also be required to pay to the Company the amount of all PRSU Gain received by you in the 12 month period prior to the date you willfully commit any act of fraud, embezzlement, misappropriation, material misconduct or breach of fiduciary duty against the Company (or any predecessor thereto or successor thereof) having a material adverse impact on the Company or if your employment is terminated by the Company for Cause.

(b) **Company Claw-Back Policy**. Pursuant to the Company's incentive repayment policy, in the event of a material restatement of the Company's financial results, the Committee will review the circumstances that caused the restatement and consider employee accountability for such restatement. In the event that the Committee determines that you were negligent or engaged in misconduct that resulted in such restatement and that a lesser portion of the Award would have vested if the financial statements had been correct, the Company shall be entitled to recover from you any portion of the Award and/or PRSU Gain as the Committee deems appropriate for your role in such restatement. Your acceptance of this Agreement includes your acceptance of a binding agreement to return to the Company the full portion of the Award and/or PRSU Gain demanded by the Committee under this policy, which agreement will survive the longer of (i) six (6) months following your departure from the Company or (ii) up to six (6) months after your receipt of such portion of the Award and/or PRSU Gain. Any claw-back pursuant to this Section 6(b) shall be in addition to any claw-back or similar requirements which might be imposed pursuant to Section 304 under the Sarbanes-Oxley Act of 2002, and the Company's claw-back policy may be modified or expanded to the extent required by the Dodd-Frank Act of 2010 and the related rules of the Securities and Exchange Commission. In no event shall you be required to forfeit the PRSU Gain more than once pursuant to both Sections 6(a) and 6(b).

7. **Award Not Transferable**. The Award will not be assignable or transferable by you, other than by a qualified domestic relations order or by will or by the laws of descent and distribution, and will be exercisable during your lifetime only by you (or your legal guardian or personal representative).

8. **Transferability of Award Shares**. The shares you will receive under the Award on or following each Vesting Date (or such other vesting date pursuant to Section 5) generally are freely tradable in the United States. However, you may not offer, sell or otherwise dispose of any shares in a way which would: (a) require the Company to file any registration statement with the Securities and Exchange Commission (or any similar filing under state law or the laws of any other country) or to amend or supplement any such filing or (b) violate or cause the Company to violate the Securities Act of 1933, as amended, the rules and regulations promulgated thereunder, any other state or federal law, or the laws of any other country. The Company reserves the right to place restrictions required by law on any shares of Common Stock received by you pursuant to the Award.

9. **Conformity with the Plan.** The Award is intended to conform in all respects with, and is subject to applicable provisions of, the Plan. Inconsistencies between this Agreement and the Plan shall be resolved in accordance with the terms of the Plan. By your acceptance of this Agreement, you agree to be bound by all of the terms of this Agreement (including the terms of any annex attached hereto) and the Plan.

10. **No Rights to Continued Employment.** Nothing in this Agreement confers any right on you to continue in the employ of the Company and any of its affiliates or direct or indirect subsidiaries or affects in any way the right of the Company and any of its affiliates or direct or indirect subsidiaries to terminate your employment at any time with or without cause.

11. **Miscellaneous**.

(a) **Amendment or Modifications**. The grant of the Award (and the allocation of PRSUs for any Performance Period) is documented by the minutes of the Committee, which records are the final determinant of the number of PRSUs granted in any Performance Period and the conditions of any such grant. The Committee may amend or modify the Award in any manner to the extent that the Committee would have had the authority under the Plan initially to grant such Award, *provided* that no such amendment or modification shall directly or indirectly impair or otherwise adversely affect your rights under this Agreement (including, without limitation, under Annex B) without your prior written consent. Except as in accordance with the two immediately preceding sentences, this Agreement may be amended, modified or supplemented only by an instrument in writing signed by both parties hereto.

(b) **Governing Law**. All matters regarding or affecting the relationship of the Company and its stockholders shall be governed by the General Corporation Law of the State of Maryland. All other matters arising under this Agreement shall be governed by the internal laws of the State of New York, including matters of validity, construction and interpretation. Upon termination of the Executive's employment with the Company for any reason, the Executive will promptly deliver to the Company all correspondence, drawings, manuals, letters, notes, notebooks, reports, programs, plans, proposals, financial documents, or any other documents concerning the Company's customers, business plans, designs, marketing or other business strategies, products or processes.

4. Notwithstanding Section 3, the Executive may respond to a lawful and valid subpoena or other legal process or other government or regulatory inquiry but shall give the Company prompt notice thereof (except to the extent legally prohibited), and shall, as much in advance of the return date as is reasonably practicable, make available to the Company and its counsel copies of any documents sought which are in the Executive's possession or to which the Executive otherwise has reasonable access. In the event of such requested cooperation, the Company shall reimburse the Executive's reasonable out-of-pocket expenses.

5. The Executive agrees not to disparage the Company, any of its products or practices, or any of its directors, officers, agents, representatives, employees, stockholders or affiliates, either orally or in writing, at any time. The Company agrees not to disparage the Executive, either orally or in writing, at any time. Notwithstanding the foregoing, nothing in this Section 5 shall limit the ability of the Company or the Executive, as applicable, to provide truthful testimony as required by law or any judicial or administrative process.

6. The Executive agrees that all strategies, methods, processes, techniques, marketing plans, merchandising schemes, themes, layouts, mechanicals, trade secrets, copyrights, trademarks, patents, ideas, specifications and other material or work product ("Intellectual Property") that the Executive creates, develops or assembles in connection with his employment under the Letter Agreement or otherwise shall become the permanent and exclusive property of the Company to be used in any manner it sees fit, in its sole discretion. The Executive shall not communicate to the Company any ideas, concepts, or other intellectual property of any kind (i) which were earlier communicated to the Executive in confidence by any third party as proprietary information, or (ii) which the Executive knows or has reason to know is the proprietary information of any third party. 9. It is recognized and acknowledged by the Executive that a breach of the covenants contained in Restrictive Covenants Agreement will cause irreparable damage to the Company and its goodwill (or to the Executive, as the case may be), the exact amount of which will be difficult or impossible to ascertain, and that the remedies at law for any such breach will be inadequate. Accordingly, the parties agree that in the event that a party breaches any covenant contained in this Restrictive Covenants Agreement, in addition to any other remedy which may be available at law or in equity (or under any other agreement between the Company and the Executive), the other party will be entitled to specific performance and injunctive relief.

11. The provisions of this Restrictive Covenants Agreement shall be binding on the heirs, executors, administrators and legal representatives of Executive and the successor sand assigns of the Company and inure to the benefit of the Company, its successors and assigns.

12. The Company's failure to exercise any of its rights in the event Executive breaches any of the separate and distinct promises in this Restrictive Covenants Agreement, or the Company's failure to exercise any of its rights under similar contracts with other Executives, shall not be construed as a waiver of any breach or prevent the Company from later enforcing strict compliance with any and all provisions of this Restrictive Covenants Agreement.

13. In order to preserve the Company's rights under this Restrictive Covenants Agreement, the Company may advise any third party of the existence of this Restrictive Covenants Agreement and of its terms, and Executive specifically releases and agrees to indemnify and hold the Company harmless from any liability for so doing.

14. This Restrictive Covenants Agreement contains the parties' complete understanding, and there are no other agreements, oral or written, pertaining to the subject matter of this Restrictive Covenants Agreement. Any amendments or modifications to this Restrictive Covenants Agreement must be in writing and signed by the parties. This Restrictive Covenants Agreement may be executed in several counterparts.

15. This Restrictive Covenants Agreement does not constitute a contract of employment and it does not give Executive the right to be retained in the employ of the Company. Nothing is this Restrictive Covenants Agreement shall obligate the Company to employ Executive for any period of time.

16. Executive hereby represents and warrants that he (a) has had an opportunity to review this Restrictive Covenants Agreement and ask the Company questions about this Restrictive Covenants Agreement and (b) understands the meaning and effect of each section of this Restrictive Covenants Agreement.

(b) EXECUTIVE SPECIFICALLY WAIVES AND RELEASES THE COMPANY FROM ALL CLAIMS EXECUTIVE MAY HAVE AS OF THE DATE EXECUTIVE SIGNS THIS AGREEMENT REGARDING CLAIMS OR RIGHTS ARISING UNDER THE AGE DISCRIMINATION IN EMPLOYMENT ACT OF 1967, AS AMENDED, 29 U.S.C. § 621 ("**ADEA**"). EXECUTIVE FURTHER AGREES: (A) THAT EXECUTIVE'S WAIVER OF RIGHTS UNDER THIS RELEASE IS KNOWING AND VOLUNTARY AND IN COMPLIANCE WITH THE OLDER WORKER'S BENEFIT PROTECTION ACT OF 1990; (B) THAT EXECUTIVE UNDERSTANDS THE TERMS OF THIS RELEASE; (C) THAT THE SEVERANCE PAYMENTS AND OTHER BENEFITS CALLED FOR IN THIS AGREEMENT WOULD NOT BE PROVIDED TO ANY EXECUTIVE TERMINATING HIS OR HER EMPLOYMENT WITH THE COMPANY WHO DID NOT SIGN A RELEASE SIMILAR TO THIS RELEASE, THAT SUCH PAYMENTS AND BENEFITS WOULD NOT HAVE BEEN PROVIDED HAD EXECUTIVE NOT SIGNED THIS RELEASE, AND THAT THE PAYMENTS AND BENEFITS ARE IN EXCHANGE FOR THE SIGNING OF THIS RELEASE; (D) THAT EXECUTIVE HAS BEEN ADVISED IN WRITING BY THE COMPANY TO CONSULT WITH AN ATTORNEY PRIOR TO EXECUTING THIS RELEASE; (E) THAT THE COMPANY HAS GIVEN EXECUTIVE A PERIOD OF AT LEAST TWENTY-ONE (21) DAYS WITHIN WHICH TO CONSIDER THIS RELEASE; (F) THAT EXECUTIVE REALIZES THAT FOLLOWING EXECUTIVE'S EXECUTION OF THIS RELEASE, EXECUTIVE HAS SEVEN (7) DAYS IN WHICH TO REVOKE THIS RELEASE BY WRITTEN NOTICE TO THE UNDERSIGNED, AND (G) THAT THIS ENTIRE AGREEMENT SHALL BE VOID AND OF NO FORCE AND EFFECT IF EXECUTIVE CHOOSES TO SO REVOKE, AND IF EXECUTIVE CHOOSES NOT TO SO REVOKE, THAT THIS AGREEMENT AND RELEASE THEN BECOME EFFECTIVE AND ENFORCEABLE.

(c) The Company does hereby knowingly and voluntarily release, acquit and forever discharge Executive from and against any and all charges, complaints, claims, cross-claims, third-party claims, counterclaims, contribution claims, liabilities, obligations, promises, agreements, controversies, damages, actions, causes of action, suits, rights, demands, costs, losses, debts and expenses of any nature whatsoever, known or unknown, suspected or unsuspected, foreseen or unforeseen, matured or unmatured, which, at any time up to and including the date thereof, exists, have existed, or may arise from any matter whatsoever occurring, including, but not limited to, any claims arising out of or in any way related to Executive's employment with the Company or its affiliates and the conclusion thereof, which the Company or its affiliates ever had, now has or at any time hereafter may have, own or hold against Executive. By executing this Agreement, the Company is waiving all claims against Executive arising under federal, state and local labor laws. Nothing herein shall release any party from any obligation under this Agreement. Notwithstanding the foregoing, this release shall not extend to any claims of Executive's fraud, embezzlement, intentional misconduct, recklessness or gross negligence against the Company, or to any claims of unlawful or criminal act of Executive that results in a judgment or settlement of such claims brought by a third party against the Company.

12. Covenant Not to Sue. To the maximum extent permitted by law, Executive covenants not to sue or to institute or cause to be instituted any action in any federal, state, or local agency or court against any of the Released Parties, with regard to any of the claims released in paragraph 11 of this Agreement. In the event of Executive's breach of the terms of this provision, without prejudice to the Company's other rights and remedies available at law or in equity, except as prohibited by law, Executive shall be liable for all costs and expenses (including, without limitation, reasonable attorney's fees and legal expenses) incurred by the Company as a result of such breach. Notwithstanding the foregoing, nothing herein shall prevent Executive or the Company from instituting any action required to enforce the terms of this Agreement. In addition, nothing herein shall be construed to prevent Executive from enforcing any rights Executive may have under the Employee Retirement Income Security Act of 1974, commonly known as ERISA.

13. Recommendations. The Company's executive officers will provide references for Executive to any prospective employer of the Executive who contacts the Company's executive officers in accordance with the Company's reference policy. The Company represents that it and its executive officers have no current knowledge concerning any issues that would affect the ability of the Company and its executive officers to provide such references.

14. Executive's Understanding. Executive acknowledges by signing this Agreement that Executive has read and understands this document, that Executive has had an opportunity to review this Agreement, that Executive has conferred with or had opportunity to confer with Executive's attorney regarding the terms and meaning of this Agreement, that Executive has had sufficient time to consider the terms provided for in this Agreement, that no representations or inducements have been made to Executive except as set forth in this Agreement, and that Executive has signed the same KNOWINGLY AND VOLUNTARILY.

15. Non-Reliance. Executive represents to the Company and the Company represents to Executive that in executing this Agreement they do not rely and have not relied upon any representation or statement not set forth herein made by the other or by any of the other's agents, representatives or attorneys with regard to the subject matter, basis or effect of this Agreement or otherwise.

16. Severability of Provisions. In the event that any one or more of the provisions of this Agreement is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby. Moreover, if any one or more of the provisions contained in this Agreement are held to be excessively broad as to duration, scope, activity or subject, such provisions will be construed by limiting and reducing them so as to be enforceable to the maximum extent compatible with applicable law.

17. Non-Admission of Liability. Executive agrees that neither this Agreement nor the performance by the parties hereunder constitutes an admission by any of the Released Parties of any violation of any federal, state or local law, regulation, common law, breach of any contract, or any wrongdoing of any type.

18. Non-Assignability. The rights and benefits available under this Agreement are personal to Executive and such rights and benefits shall not be subject to assignment, alienation or transfer, except to the extent such rights and benefits are lawfully available to the estate or beneficiaries of Executive upon death.

19. Entire Agreement. This Agreement sets forth all the terms and conditions with respect to compensation, remuneration of payments and benefits due Executive from the Company and supersedes and replaces any and all other agreements or understandings Executive may have had with respect thereto.
