Credit Rating, page 16

1. We note your disclosure indicating your credit ratings have been revised to reflect the impact of the additional debt issued to finance the acquisition of Alcan Packaging Food Americas. In future filings on Forms 10-Q and 10-K, please clearly disclose how your credit ratings have been revised, and explain how such revision or downgrade will impact your ability to issue commercial paper or enter into other means of financing, to the extent material. Provide us with the disclosure that you intend to include in future filings. Refer to FRC 501.13.b.2 for additional guidance.

Consolidated Statements of Income, page 24

2. We note your income statement caption “Other costs (income), net” and management’s related discussion on page 16. Your discussion describes a combination of dissimilar income and expense items that may possess both operating and non-operating characteristics. Please tell us how your net presentation satisfies the requirements of Rule 5-03 of Regulation S-X.

Item 9A – Controls and Procedures, page 46

3. We note your disclosure that “the Chief Executive Officer and Chief Financial Officer have concluded that disclosure controls and procedures in place at the Company are effective to ensure that information required to be disclosed by the Company in reports that it files under the Exchange Act is recorded, processed, summarized and reported within the time periods specified by the Securities and Exchange Commission’s rules and forms”. Please confirm in your response, if true, and state in future filings that your officers concluded that your disclosure controls and procedures are also effective to ensure that information required to be disclosed in the reports that you file or submit under the Exchange Act is accumulated and communicated to your management, including your Chief Executive Officer and Chief Financial Officer, to allow timely decisions regarding required disclosure. See Exchange Act Rule 13a-15(e).
