Note 2. Summary of Significant Accounting Policies

Recently Adopted Accounting Pronouncements, page F-19

1. You state that you are in the process of evaluating the impact that the amended revenue recognition guidance in Topic 606 will have on your consolidated financial statements. Please provide additional qualitative financial statement disclosures in future filings of the potential impact that this standard will have on your financial statements when adopted. In this regard, include a description of the effects of the accounting policies that you expect to apply, if determined, and a comparison to your current revenue recognition policies. Describe the status of your process to implement the new standard and the significant implementation matters yet to be addressed. In addition, to the extent that you determine the quantitative impact that adoption of Topic 606 is expected to have on your financial statements, please also disclose such amounts. Please refer to ASC 250-10-S99-6 and SAB Topic 11.M.
