**TELE2 PASSES MILESTONE OF THREE MILLION MOBILE  
CUSTOMERS IN SWEDEN**  
**confirming its position as the fastest growing mobile operator in Sweden**

New York and Stockholm– January 9, 2003 - Tele2 AB (“Tele2”, “the Group”) (Nasdaq Stock Market: TLTOA and TLTOB and Stockholmsbörsen: TEL2A and TEL2B), the leading alternative pan-European telecommunications company, today announced that its Swedish mobile operator, Comviq, now has over 3 million customers. Comviq is continuing to grow faster than its two main competitors, and had a market share of over 50% of new mobile customers in the first three quarters of 2002.

“The sales of new subscriptions and pre-paid cards in the run up to Christmas were better than expected. We also had excellent offers during the Christmas period, for example, we launched our lowest ever fee per minute for evenings and weekends”, says Fredrik Berglund, CEO of Tele2 Sweden.

With over two million pre-paid customers, Comviq is indisputably the largest pre-paid operator in Sweden and also in the private market.

“Our strategy always to be price leading and to adjust our offering to the Swedish mobile users’ various needs, has proven to be very successful”, says Fredrik Berglund.
