## Notes to Statement of Financial Condition

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Lightspeed Financial Services Group (Company), a subsidiary of Lightspeed Holdings, LLC (Parent), is a broker-dealer registered with the Securities and Exchange Commission (SEC) and the Financial Industry Regulatory Authority, Inc. (FINRA); is an introducing broker registered with the Commodity Futures Trading Commission (CFTC); and is a member of the National Futures Association (NFA). The Company conducts business on a fully disclosed basis with Wedbush Securities Inc. (WSI) and Interactive Brokers (IB) pursuant to clearing agreements (collectively referred to as the Clearing Brokers). WSI is a wholly owned subsidiary of Wedbush Capital (Wedbush). Wedbush is the majority owner of the Company's Parent. The Company is exempt under paragraph (k)(2)(ii) as defined by Rule 15c3-3 and has filed an Exemption Report as described in SEA Rule 17a-5.

A summary of significant accounting policies is either discussed below or included in the following footnotes.

**(a) Basis of Presentation**

The Company follows accounting principles generally accepted in the United States of America (U.S. GAAP), as established by the Financial Accounting Standards Board (FASB), to ensure consistent reporting of financial condition, results of earnings and cash flows. The U.S. dollar is the functional currency of the Company.

**(b) Use of Estimates**

In preparing the financial statements, management is required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements, and revenues and expenses during the reporting period. Although estimates and assumptions are based on the best available information, actual results could be different from these estimates.

**(c) Fair Value of Financial Instruments**

Certain assets and liabilities, including Cash, Cash segregated for the benefit of customers, Accounts receivable, Accounts payable and Accrued expenses and other liabilities, Due from and Due to clearing and other brokers, have a carrying value that approximates fair value due to their short-term nature.

**(d) Cash**

The Company maintains cash in accounts held by major banks and financial institutions, which at times exceed the amounts insured by the Federal Deposit Insurance Corporation. The Company has not experienced any losses related to these balances.

**(e) Cash Segregated for the Benefit of Customers**

Cash segregated for the benefit of customers consist of cash segregated in a special reserve bank account for the exclusive benefit of customers.

# **LIGHTSPEED FINANCIAL SERVICES GROUP LLC**

## **Notes to Statement of Financial Condition**

**June 30, 2022**

---

**(f) Accounts Receivable**

Accounts receivable represents fees, commissions, and other balances receivable from customers. This includes balances owed to the Company from customers who have equity deficits with the WSI. The \$137,095 in allowance for doubtful accounts is related to equity deficits which are unlikely to be collected from the customers.

**(g) Allowance for Credit Loss**

The Current Expected Credit Losses (CECL) model requires the measurement of expected credit losses for financial assets measured at amortized cost using relevant information about past events, including historical credit loss experience on financial assets with similar risk characteristics, current conditions, and reasonable and supportable forecasts that affect the collectability of the remaining cash flows over the contractual term of the financial assets. The overall estimate of the allowance for credit losses is based on both quantitative and qualitative considerations.

For all the financial assets subject to CECL, there is no history of significant credit losses and reasonable expectation of minimal future credit losses with any potential measurement of credit losses being immaterial. Other than the \$137,095 discussed above, no other CECL allowance against outstanding balances were deemed necessary on June 30, 2022.

**(h) Goodwill and Intangible Assets**

The Company tests goodwill for impairment annually or when an event occurs, or circumstances change that signify the existence of impairment. The Company also carries intangible assets which have an indefinite life which are not subject to amortization. The Company performs a qualitative assessment to determine whether it is more likely than not that the fair value of goodwill and indefinite life intangible assets is less than the respective carrying value. The Company amortizes finite-lived intangible assets on a straight-line basis over their useful lives and tests for recoverability whenever events indicate that the carrying amounts may not be recoverable.

**(i) Furniture, Equipment and Leaseholds**

Furniture, equipment, and leasehold improvements are stated at cost less accumulated depreciation and amortization. Depreciation and amortization are computed on a straight-line basis over the estimated useful lives of the assets. The estimated useful lives of the assets range from 3 to 7 years. Leasehold improvements are amortized over the lesser of the asset's economic life or the lease period.

**(j) Income Taxes**

The Company is a limited liability company taxed as a partnership for federal and state income tax purposes. As such, income or loss of the Company is allocated to its members in proportion to their ownership interest in the Company. Because the Company is subject to Unincorporated Business Tax in New York City (NYC), the Company incurred tax expenses for the reporting period.

**(k) New Accounting Pronouncements**

No new accounting pronouncements relevant to the Company were adopted during the year ended June 30, 2022.

2024	-

Pursuant to the respective agreements between the Company and the Clearing Brokers, the Clearing Brokers have the right to charge the Company for unsecured losses that result from a customer's failure to complete such transactions.

# LIGHTSPEED FINANCIAL SERVICES GROUP LLC

## Notes to Statement of Financial Condition

June 30, 2022

---

The Company has not historically experienced nonperformance by customers in the above situations. In addition, the Company has a policy of reviewing, as considered necessary, the credit standing of the customers, the Clearing Brokers, and financial institutions with which it conducts business.

In the normal course of business, customers may sell securities short. Subsequent market fluctuations may require the Clearing Brokers to obtain additional collateral from the Company's customers. It is the policy of the Clearing Brokers to value the short positions daily and to obtain additional collateral when deemed appropriate.

### 7. NET CAPITAL REQUIREMENT

The Company is a member of FINRA and is subject to the SEC Uniform Net Capital Rule 15c3-1 (the Rule). The Rule requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1. The Company is also subject to the CFTC's minimum financial requirements, which require that the Company maintain net capital, as defined, equal to the greater of its requirements under Regulation 1.17 under The Commodity Exchange Act or Rule 15c3-1. # LIGHTSPEED FINANCIAL SERVICES GROUP LLC

## Notes to Statement of Financial Condition

June 30, 2022

---

The Company does not anticipate any significant changes to its total unrecognized tax liabilities in the next 12 months.

Income taxes are provided under the provision of ASC Section 740, "Income Taxes". As required by the uncertain tax provision guidance, the Company recognizes the financial statement benefit of a tax position only after determining that the relevant authority would more likely than not uphold the position following an audit. There are no uncertain tax positions recorded in the financial statements. If there was any interest or penalties related to uncertain tax positions, it would be recorded in tax expense. Tax years 2019 – 2022 remain subject to examination by taxing authorities.

### Deferred Tax Assets

The Company recognizes deferred tax assets for future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax basis. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. It should be noted that deferred tax assets and liabilities arose primarily due to the Company's tax obligation pursuant to NYC's UBT.

Temporary differences and carry-forwards, which give rise to deferred tax assets, consist of the following as of June 30, 2022:

#### Deferred tax assets

Depreciation	\$ 10,815
Amortization	15,023
Accrued expenses	5,717

<b>Total deferred tax assets</b>	<b><u>\$ 34,488</u></b>

The Company has reviewed all its deferred tax assets to assess whether a valuation allowance should be established. The Company recognizes tax positions in the financial statements only when it is more likely than not that the position will be sustained upon examination by the relevant taxing authority based on the technical merits of the position. The Company's management believes it is more likely than not the deferred tax assets will be realized.

## 12. 401(K) PLAN

The Company participates in a 401(k) Retirement Plan (Plan) administered by WSI for eligible employees. Under the terms of the Plan, participants can contribute a portion of their annual compensation, subject to limitations provided by the Internal Revenue Code.
