Form 10-KSB for the Year Ended December 31, 2007  
Form 10-QSB for the period Ended March 31, 2008  
File No. 000-31585**

Dear Mr. Williams:

We have reviewed your filing and have the following two sets of comments. We have limited our review of your filing to the disclosures pertaining to the evaluation of your internal control over financial reporting and the proper form type.

Specifically, with respect to internal control, we have reviewed your filing to determine if you conducted the evaluation of your internal control over financial reporting, as required by Exchange Act Rules 13a-15 and 15d-15, and provided an assessment and a conclusion as to the effectiveness of your internal control over financial reporting, as required by Item 308T(a) of Regulation S-B. Where indicated, we think you should revise your document in response to these comments; however, if you disagree, we would be pleased to consider your explanation as to why a revision is not necessary. Please be as detailed as necessary in your explanation.

Form 10-KSB for the Fiscal Year Ended December 31, 2007

General

1. We note that your most recent quarterly report for the period ending March 31, 2008 was on Form 10-QSB and not Form 10-Q. Beginning February 4, 2008, companies formerly classified as "small business issuers" under Regulation S-B must file their quarterly reports on Form 10-Q after they have filed an annual report for a fiscal year ending after December 15, 2007. Although small business issuers are now required to file on Form 10-Q, the disclosure requirements for that form are now tailored for smaller companies.

Although we are not asking you to correct your most recent filing just to reflect

the proper form type, we ask that you review your filing requirements and consider whether any action is necessary if your most recently filed quarterly report does not contain all required material information. In any event, you should file your next quarterly report on Form 10-Q.

Information about recent changes to rules affecting small business issuer form types and disclosure and filing requirements is available on the SEC website at <http://www.sec.gov/info/smallbus/secg/smrepcosysguid.pdf>

If you have any questions about these changes, please feel free to contact the SEC's Office of Small Business Policy at (202) 551-3460 or [smallbusiness@sec.gov](mailto:smallbusiness@sec.gov).

2. It does not appear that your management has performed its assessment of internal control over financial reporting as of December 31, 2007. Since you were required to file or filed an annual report for the prior fiscal year, it appears you are required to report on your management's assessment of internal control over financial reporting.

If your management has not yet performed its assessment, we ask that you complete your evaluation and amend your filing within 30 calendar days to provide the required management's report on internal control over financial reporting.

In performing your evaluation, you may find the following documents helpful:

- the Commission's release *Amendments to Rules Regarding Management's Report on Internal Control Over Financial Reporting* (Securities Act Release 8809/Financial Reporting Release 76). You can find this release at: <http://www.sec.gov/rules/final/2007/33-8809.pdf>;
- the Commission's release *Commission Guidance Regarding Management's Report on Internal Control Over Financial Reporting Under Section 13(a) or 15(d) of the Securities Exchange Act of 1934* (Securities Act Release 8010/Financial Reporting Release 77). You can find this release at <http://sec.gov/rules/interp/2007/33-8810.pdf>; and
- the "Sarbanes-Oxley Section 404 – A Guide for Small Business" brochure at: (<http://www.sec.gov/info/smallbus/404guide.shtml>).

In addition, please consider whether management's failure to provide its report on

internal control over financial reporting impacts its conclusions regarding the effectiveness of your disclosure controls and procedures *as of the end of the fiscal year* covered by the report and revise your disclosure as appropriate.

Finally, we note that you filed your Principal Executive Officer and Principal Financial Officer certifications under Item 601(b)(31) of Regulation S-B. Please revise these certifications to include the introductory language of paragraph 4 and the language of paragraph 4(b) of Item 601(b)(31) of Regulation S-B.

Please note that the failure to complete management's assessment adversely affects the company's and its shareholders ability to avail themselves of rules and forms that are predicated on the current or timely filing of Exchange Act reports. For further information regarding these impacts, please see Compliance and Disclosure Interpretation 115.02, which you can find at <http://www.sec.gov/divisions/corpfin/guidance/regs-kinterp.htm>.
