You are receiving this notice as Enerplus Corporation ("Enerplus") has elected to use the notice-and-access model for delivery of meeting materials to its shareholders who do not hold their common shares in their own name ("beneficial shareholders"). Under notice-and-access, beneficial shareholders receive a voting instruction form enabling them to vote at Enerplus' annual meeting (the "meeting"). However, instead of receiving a paper copy of the Information Circular and Proxy Statement (the "Information Circular") and Notice of Meeting (together the "meeting materials"), beneficial shareholders receive this notice with information on how they may access the meeting materials electronically. Beneficial shareholders should follow the instructions below to view the meeting materials on the internet. This communication presents only an overview of the more complete meeting materials that are available to beneficial shareholders on the internet.

MATTERS TO BE VOTED UPON AT THE MEETING

The matters to be considered at the meeting are listed below, along with the section within the Information Circular where disclosure regarding each matter can be found.

1. To receive the consolidated financial statements of Enerplus for the year ended December 31, 2016, together with the auditors' report on those statements; see "Business of the Meeting – Financial Statements" in the Information Circular;
2. To appoint the auditors of Enerplus; see "Business of the Meeting – Appointment of Auditors" in the Information Circular;
3. To elect the directors of Enerplus; see "Business of the Meeting – Annual Election of Board of Directors" in the Information Circular;
4. To consider and, if thought advisable, to pass an ordinary resolution to approve all unallocated restricted share unit awards and performance share unit awards under Enerplus' share award incentive plan; see "Business of the Meeting – Approval of Unallocated Share Awards under the Share Award Incentive Plan" in the Information Circular;
5. To vote, on an advisory, non-binding basis, to accept Enerplus' approach to executive compensation; see "Business of the Meeting – Advisory Vote on Executive Compensation" and "Executive Compensation" in the Information Circular; and
6. To conduct any other business that may properly come before the meeting.

If you do request a paper copy of the meeting materials, please note that another voting instruction form will not be sent; please retain the enclosed voting instruction form for voting purposes.
