

NEWS RELEASE

April 10, 2013

Enerplus to Present at the Independent Petroleum Association of America OGIS New York Conference

CALGARY, Alberta – Enerplus Corporation (“Enerplus”) (TSX: ERF) (NYSE: ERF) is pleased to advise that Mr. Ian C. Dundas, Executive Vice-President & Chief Operating Officer, will provide an update on Enerplus’ activities via a presentation at the IPAA OGIS New York conference on Wednesday, April 17, 2013 at 1:35 PM ET (11:35 AM MT). Investors are invited to listen to a live webcast of the presentation at:

<http://www.investorcalendar.com/CEPage.asp?ID=170816>

To ensure timely participation in the webcast, please log in 15 minutes prior to the start time to register for the event. A copy of the presentation will be made available prior to the event on our website at www.enerplus.com.

Enerplus is a North American energy producer with a portfolio of high-quality, low-decline oil and gas assets, complemented by growth assets in resource plays with superior economics. We are focused on creating value for our investors through the successful development of our properties. Through our activities, we strive to provide investors with a competitive return comprised of both income and organic growth.

For further information, please contact Investor Relations at 1-800-319-6462 or e-mail investorrelations@enerplus.com.

Gordon J. Kerr
President & Chief Executive Officer
Enerplus Corporation

Except for the historical and present factual information contained herein, the matters set forth in this news release, including words such as “expects”, “projects”, “plans” and similar expressions, are forward-looking information that represents management of Enerplus’ internal projections, expectations or beliefs concerning, among other things, future operating results and various components thereof or the economic performance of Enerplus. The projections, estimates and beliefs contained in such forward-looking statements necessarily involve known and unknown risks and uncertainties, which may cause Enerplus’ actual performance and financial results in future periods to differ materially from any projections of future performance or results expressed or implied by such forward-looking statements. These risks and uncertainties include, among other things, those described in Enerplus’ filings with the Canadian and U.S. securities authorities. Accordingly, holders of Enerplus shares and potential investors are cautioned that events or circumstances could cause results to differ materially from those predicted.
