TO THE PURCHASER LISTED IN THE ATTACHED
SCHEDULE A WHO IS A SIGNATORY HERETO:

Ladies and Gentlemen:

ENERPLUS CORPORATION, a body corporate constituted under the laws of Alberta (the “*Company*”), hereby agrees with you as follows:

SECTION 1. AUTHORIZATION OF NOTES.

The Company will authorize the issue and sale of U.S. \$200,000,000 aggregate principal amount of its 3.79% Senior Notes, due September 3, 2026 (the “*Notes*”), such term to include any such Notes issued in substitution therefor pursuant to **Section 14** of this Agreement or the Other Agreements (as hereinafter defined)). The Notes shall be substantially in the form set out in **Exhibit 1**, with such changes therefrom, if any, as may be approved by you and the Company. Certain capitalized terms used in this Agreement are defined in **Schedule B**; and references to a “**Section**,” “**Schedule**” or an “**Exhibit**” are, unless otherwise specified, to a Section of, or a Schedule or an Exhibit attached to, this Agreement.

SECTION 2. SALE AND PURCHASE OF NOTES.

Section 2.1. Sale and Purchase of Notes. Subject to the terms and conditions of this Agreement, the Company will issue and sell to you and you will purchase from the Company, at the Closing provided for in **Section 3**, Notes in the principal amount specified opposite your name in **Schedule A** at the purchase price of 100% of the principal amount thereof. Contemporaneously with entering into this Agreement, the Company is entering into separate Note Purchase Agreements (the “*Other Agreements*”) identical with this Agreement with each of the other purchasers named in **Schedule A** (the “*Other Purchasers*”), providing for the sale at such Closing to each of the Other Purchasers of Notes in the principal amount specified opposite its name in **Schedule A**. Your obligation hereunder, and the obligations of the Other Purchasers under the Other Agreements, are several and not joint obligations, and you shall have no obligation under any Other Agreement and no liability to any Person for the performance or nonperformance by any Other Purchaser thereunder.

Section 2.2. Subsidiary Guaranty. Payment by the Company of all amounts due with respect to the Notes shall be absolutely and unconditionally guaranteed by the Subsidiary

Guarantors pursuant to a guaranty and subordination agreement dated as of the date of the Closing substantially in the form attached to this Agreement as **Exhibit 2.2** (the “*Subsidiary Guaranty*”) in favor of the holders of the Notes.

Section 2.3. Subordination Agreements. Pursuant to **Section 9.11**, each Subsidiary (other than a Subsidiary Guarantor) of the Company, if any, (i) which is owed Debt by the Company, a Restricted Subsidiary or any Subsidiary Guarantor and (ii) which has entered into a subordination agreement relating to the Bank Facility, the Existing Notes or the Additional Notes, shall enter into a subordination agreement substantially in the form attached to this Agreement as **Exhibit 2.3** (individually, a “*Subordination Agreement*,” and, collectively the “*Subordination Agreements*”) pursuant to which each of such Subsidiaries will subordinate its right to receive payments of Debt, interest accrued thereon and premium, if any, and all other sums which may from time to time be due and owing to it from the Company, the Subsidiary Guarantors or any other Restricted Subsidiary of the Company to the prior payment in full in cash of the Notes, all upon the terms and conditions set forth in the Subordination Agreements.

Section 2.4. Release. (a) The holders of the Notes acknowledge and agree that any Subsidiary Guarantor (any of the foregoing a “*Guarantor*”) shall be deemed automatically discharged and released from the Note Documents to which it is a party pursuant to the written request of the Company, *provided that* (i) such Guarantor has been released and discharged, or is being simultaneously released and discharged, as an obligor and guarantor under and in respect of all Debt of the Company under the Bank Facility, the Existing Notes and any Additional Notes and the Company so certifies to the holders of the Notes in a certificate which accompanies such request for release and discharge, (ii) any such release and discharge shall be expressly conditioned upon receipt by the holders of the Notes of a written agreement executed by the Guarantor to be released pursuant to which such Guarantor shall agree that if, for any reason whatsoever, it thereafter becomes an obligor or guarantor under and in respect of any Debt of the Company under the Bank Facility, the Existing Notes or any Additional Notes, then such Guarantor shall contemporaneously provide written notice thereof to the holders of the Notes accompanied by a Subsidiary Guaranty of such Guarantor, (iii) at the time of such release and discharge, the Company shall deliver a certificate of a Responsible Officer to the holders of the Notes to the effect that no Default or Event of Default exists and (iv) such Guarantor shall be designated an Unrestricted Subsidiary in accordance and in compliance with the terms of **Section 10.8**.

(b) The Company agrees that it will not, nor will it permit any Subsidiary or Affiliate to, directly or indirectly, pay or give, or cause to be paid or given, any consideration or remuneration, whether by way of supplemental or additional interest, fee or otherwise, to any creditor of the Company or of any Guarantor as consideration for or as an inducement to the entering into by any such creditor of any release or discharge of any Guarantor with respect to any liability of such Guarantor as an obligor or guarantor under or in respect of Debt of the Company under the Bank Facility, the Existing Notes or any Additional Notes, unless such consideration or remuneration, in an equivalent proportion to the number of Guarantors to be released hereunder, is concurrently paid, on the same terms, ratably to the holders of all of the Notes then outstanding.

SECTION 3. CLOSING.

Section 5.1. Organization; Power and Authority. The Company is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and is duly qualified as an extra-provincial or a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute

and deliver this Agreement, the Other Agreements and the Notes and to perform the provisions hereof and thereof. The Company is subject to the relevant commercial law and civil law and is generally subject to suit and it is not, nor does any of its properties or revenues, enjoy any right of immunity from any judicial proceedings, including attachment prior to judgment, attachment in aid of execution, execution of the judgment or otherwise. The Company represents that the execution and delivery of this Agreement, the Other Agreements and the Notes constitute private and commercial acts rather than governmental or public acts of the Company.

Section 5.2. Authorization, Etc. This Agreement, the Other Agreements and the Notes have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof each Note will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (a) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (b) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 5.3. Disclosure. Except as disclosed in **Schedule 5.3**, this Agreement, the documents, certificates or other writings delivered to you by or on behalf of the Company in connection with the transactions contemplated hereby, including, without limitation, the Debt Private Placement Presentation dated May 2014, and the financial statements listed in **Schedule 5.5** (this Agreement, the Other Agreements, the Notes, the Subsidiary Guaranty and such documents, certificates or other writings and financial statements delivered to you and the Other Purchasers prior to May 21, 2014 being referred to collectively as the "*Disclosure Documents*"), taken as a whole, do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. Except as disclosed in the Disclosure Documents, since December 31, 2013, there has been no change in the financial condition, operations, business, properties or prospects of the Company or any Restricted Subsidiary except changes that individually or in the aggregate could not reasonably be expected to have a Material Adverse Effect. There is no fact known to the Company that could reasonably be expected to have a Material Adverse Effect that has not been set forth herein or in the Disclosure Documents.

Section 5.4. Organization and Ownership of Shares of Subsidiaries; Affiliates. (a) **Schedule 5.4** contains (except as noted therein) complete and correct lists of (i) the Company's Subsidiaries, showing, as to each Subsidiary, the correct name thereof, the jurisdiction of its organization and the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by the Company and each other Subsidiary, (ii) of the Company's Affiliates, other than its Subsidiaries, (iii) the Subsidiary Guarantors and Restricted Subsidiaries of the Company and (iv) the Company's directors and senior officers.

(b) All of the outstanding shares of capital stock or similar equity interests of each Subsidiary shown in **Schedule 5.4** as being owned by the Company and its Subsidiaries have been validly issued, are fully paid and non-assessable and are owned by the Company or another Subsidiary free and clear of any Lien (except as otherwise disclosed in **Schedule 5.4**).

(c) Each Subsidiary or Affiliate identified in **Schedule 5.4** is a corporation, unlimited liability company, trust, partnership or other legal entity duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, and is duly qualified as an extra-provincial or a foreign corporation or other legal entity and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each such Subsidiary has the corporate or other power and authority to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact.

(d) Except pursuant to the Bank Facility, the senior notes previously issued or assumed by the Company and the subordination agreements and guaranties related to each of the foregoing, all as described in **Schedule 5.15**, no Restricted Subsidiary is a party to, or otherwise subject to, any legal restriction or any agreement (other than this Agreement and customary limitations imposed by corporate law or legally equivalent statutes) restricting the ability of such Restricted Subsidiary to pay dividends out of profits or make any other similar distributions of profits to the Company or any of the Restricted Subsidiaries that owns outstanding shares of capital stock or similar equity interests of such Restricted Subsidiary.

Section 5.5. Financial Statements; Material Liabilities. The Company has delivered to each Purchaser copies of the financial statements of the Company listed on **Schedule 5.5**. All of said financial statements (including in each case the related schedules and notes) fairly present in all material respects the consolidated financial position of the Company and its consolidated Subsidiaries as of the respective dates specified in such financial statements and the Company's consolidated results of operations and cash flows for the respective periods so specified and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments). The Company and its Subsidiaries do not have any Material liabilities that are not disclosed on such financial statements or otherwise disclosed in the Disclosure Documents.

Section 5.6. Compliance with Laws, Other Instruments, Etc. The execution, delivery and performance by the Company of this Agreement and the Notes will not (a) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Company or any Restricted Subsidiary under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter or by-laws or the legal equivalent of the foregoing, or any other agreement or instrument to which the Company or any Restricted Subsidiary is bound or by which the Company or any Restricted Subsidiary or any of their respective properties may be bound or affected, (b) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Restricted Subsidiary, or (c) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Restricted Subsidiary.

Section 5.7. Governmental Authorizations, Etc. No consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required in

connection with the execution, delivery or performance by the Company of this Agreement or the Notes, including, without limitation, any thereof required in connection with the obtaining of U.S. Dollars to make payments under this Agreement or the Notes and the payment of such U.S. Dollars to Persons resident in the United States of America, other than (i) the filing of a Form 45-106F1 and, if applicable, a Form 45-106F6 with the applicable Canadian securities regulatory authorities on or before the tenth day following the date of Closing, together with the applicable fees, and (ii) the filing of any document that constitutes an “offering memorandum” within the meaning of applicable Canadian provincial securities laws with the applicable Canadian securities regulatory authorities, together with the applicable fees. It is not necessary to ensure the legality, validity, enforceability or admissibility into evidence in Canada of this Agreement or the Notes that any thereof or any other document be filed, recorded or enrolled with any Governmental Authority, or that any such agreement or document be stamped with any stamp, registration or similar transaction tax that may be required in connection with admissibility into evidence.

Section 5.8. Litigation; Observance of Agreements, Statutes and Orders. (a) There are no actions, suits or proceedings pending or, to the knowledge of the Company, threatened against or affecting the Company or any Restricted Subsidiary or any property of the Company or any Restricted Subsidiary in any court or before any arbitrator of any kind or before or by any Governmental Authority that, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

(b) Neither the Company nor any Restricted Subsidiary is (i) in default under any term of any agreement or instrument to which it is a party or by which it is bound, (ii) in violation of any order, judgment, decree or ruling of any court, arbitrator or Governmental Authority or (iii) in violation of any applicable law, ordinance, rule or regulation of any Governmental Authority (including, without limitation, Environmental Laws, the USA PATRIOT Act or any of the other laws and regulations that are referred to in **Section 5.16**), which default or violation, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

Section 5.9. Taxes. The Company and the Restricted Subsidiaries have filed all tax returns that are required to have been filed in any jurisdiction, and have paid all taxes shown to be due and payable on such returns and all other taxes and assessments levied upon them or their properties, assets, income or franchises, to the extent such taxes and assessments have become due and payable and before they have become delinquent, except for any taxes and assessments (a) the amount of which is not individually or in the aggregate Material or (b) the amount, applicability or validity of which is currently being contested in good faith by appropriate proceedings and with respect to which the Company or a Restricted Subsidiary, as the case may be, has established adequate reserves in accordance with GAAP. The Company knows of no basis for any other tax or assessment that could reasonably be expected to have a Material Adverse Effect. The charges, accruals and reserves on the books of the Company and the Restricted Subsidiaries in respect of taxes for all fiscal periods are adequate.

No liability for any Tax, directly or indirectly, imposed, assessed, levied or collected by or for the account of any Governmental Authority of Canada or any political subdivision thereof will be incurred by the Company or any holder of a Note as a result of the execution or delivery

of this Agreement or the Notes and no deduction or withholding in respect of Taxes imposed by or for the account of Canada or, to the knowledge of the Company, any other Taxing Jurisdiction, is required to be made from any payment by the Company under this Agreement or the Notes except for any such liability, withholding or deduction imposed, assessed, levied or collected by or for the account of any such Governmental Authority of Canada arising out of circumstances described in clause (a), (b), (c) or (d) of **Section 13**.

Section 5.10. Title to Property; Leases. The Company and the Restricted Subsidiaries have good and sufficient title to their respective properties that individually or in the aggregate are Material, including all such properties reflected in the most recent audited balance sheet referred to in **Section 5.5** or purported to have been acquired by the Company or any Restricted Subsidiary after said date (except as sold or otherwise disposed of in the ordinary course of business), in each case free and clear of Liens prohibited by this Agreement. All leases that individually or in the aggregate are Material are valid and subsisting and are in full force and effect in all material respects.

Section 5.11. Licenses, Permits, Etc.

(a) The Company and the Restricted Subsidiaries own or possess all licenses, permits, franchises, authorizations, patents, copyrights, proprietary software, service marks, trademarks and trade names, or rights thereto, that individually or in the aggregate are Material, without known conflict with the rights of others;

(b) to the best knowledge of the Company, no product of the Company or any of the Restricted Subsidiaries infringes in any Material respect any license, permit, franchise, authorization, patent, copyright, proprietary software, service mark, trademark, trade name or other right owned by any other Person; and

(c) to the best knowledge of the Company, there is no Material violation by any Person of any right of the Company or any of the Restricted Subsidiaries with respect to any patent, copyright, proprietary software, service mark, trademark, trade name or other right owned or used by the Company or any of the Restricted Subsidiaries.

Section 5.12. Compliance with Pension Laws. (a) The Company and each ERISA Affiliate have operated and administered each Plan in compliance with all applicable laws except for such instances of noncompliance as have not resulted in and could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. Neither the Company nor any ERISA Affiliate has incurred any liability pursuant to Title I or IV of ERISA or the penalty or excise tax provisions of the Code relating to employee benefit plans (as defined in section 3 of ERISA), and no event, transaction or condition has occurred or exists that could, individually or in the aggregate, reasonably be expected to result in the incurrence of any such liability by the Company or any ERISA Affiliate, or in the imposition of any Lien on any of the rights, properties or assets of the Company or any ERISA Affiliate, in either case pursuant to Title I or IV of ERISA or to section 430(k) of the Code or to any such penalty or excise tax provisions under the Code or federal law or section 4068 of ERISA or by the granting of a

security interest in connection with the amendment of a Plan, other than such liabilities or Liens as could not be individually or in the aggregate Material.

(b) The present value of the aggregate benefit liabilities under each of the Plans (other than Multiemployer Plans), determined as of the end of such Plan's most recently ended plan year on the basis of the actuarial assumptions specified for funding purposes in such Plan's most recent actuarial valuation report, did not exceed the aggregate current value of the assets of such Plan allocable to such benefit liabilities by an amount which, individually for any Plan or in the aggregate, is Material. The term "benefit liabilities" has the meaning specified in section 4001(a)(16) of ERISA and the terms "current value" and "present value" have the meaning specified in section 3 of ERISA.

(c) The Company and its ERISA Affiliates have not incurred withdrawal liabilities (and are not subject to contingent withdrawal liabilities) under section 4201 or 4204 of ERISA in respect of Multiemployer Plans that individually or in the aggregate are Material.

(d) The expected post-retirement benefit obligation (determined as of the last day of the Company's most recently ended fiscal year in accordance with Financial Accounting Standards Board Statement No. 106, without regard to liabilities attributable to continuation coverage mandated by section 4980B of the Code) of the Company and the Restricted Subsidiaries could not reasonably be expected to result in a Material Adverse Effect.

(e) The execution and delivery of this Agreement and the issuance and sale of the Notes hereunder will not involve any transaction that is subject to the prohibitions of section 406 of ERISA or in connection with which a tax could be imposed pursuant to section 4975(c)(1)(A)-(D) of the Code, for which an exemption described in **Section 6.2** is not available. The representation by the Company in the first sentence of this **Section 5.12(e)** is made in reliance upon and subject to the accuracy of your representation in **Section 6.2** as to the sources of the funds to be used to pay the purchase price of the Notes to be purchased by you.

(f) All Non-U.S. Pension Plans have been established, operated, administered and maintained and, if applicable, terminated in compliance with all laws, regulations and orders applicable thereto, except where failure so to comply could not be reasonably expected to have a Material Adverse Effect. All premiums, contributions and any other amounts required by applicable Non-U.S. Pension Plan documents or applicable laws to be paid or accrued by the Company and the Restricted Subsidiaries have been paid or accrued as required, except where failure so to pay or accrue could not be reasonably expected to have a Material Adverse Effect. The Company and the Restricted Subsidiaries have not incurred withdrawal liabilities (and are not subject to any contingent withdrawal liabilities), that individually or in the aggregate are Material, in respect of Non-U.S. Pension Plans which are "multi-employer pension plans" pursuant to applicable laws.

Section 5.13. Private Offering by the Company. (i) Neither the Company nor anyone acting on its behalf has offered the Notes or any similar securities for sale to, or solicited any offer to buy any of the same from, or otherwise approached or negotiated in respect thereof with, any Person other than you, the Other Purchasers and not more than 30 other Institutional

Investors, each of which has been offered the Notes at a private sale for investment. Neither the Company nor anyone acting on its behalf has taken, or will take, any action that would subject the issuance or sale of the Notes to the registration requirements of Section 5 of the Securities Act or to the registration requirements of any securities or blue sky laws of any applicable jurisdiction;

(ii) In the case of each offer and sale of the Notes, no form of general solicitation or general advertising within the meaning of Rule 502(c) under the Securities Act was used in the United States by the Company nor any Person acting on its behalf, including advertisements, articles, notices or other communications published in any newspaper, magazine or similar medium or broadcast over television or radio, or over the Internet, or any seminar or meeting whose attendees have been invited by any general solicitation or general advertising; and

(iii) No securities of the same class or series as the Notes have been issued and sold by the Company nor any Person acting on its behalf in the United States or to any U.S. person as such persons are defined in Rule 902 of Regulation S under the Securities Act within the six-month period immediately prior to the date hereof.

Section 5.14. Use of Proceeds; Margin Regulations. The Company will apply the proceeds of the sale of the Notes as set forth in **Schedule 5.14** and not in a manner that would violate any of the laws referenced in **Section 5.16**. No part of the proceeds from the sale of the Notes hereunder will be used, directly or indirectly, for the purpose of buying or carrying any margin stock within the meaning of Regulation U of the Board of Governors of the Federal Reserve System (12 CFR 221), or for the purpose of buying or carrying or trading in any securities under such circumstances as to involve the Company in a violation of Regulation X of said Board (12 CFR 224) or to involve any broker or dealer in a violation of Regulation T of said Board (12 CFR 220). Margin stock does not constitute more than 2% of the value of the consolidated assets of the Company and the Restricted Subsidiaries and the Company does not have any present intention that margin stock will constitute more than 2% of the value of such assets. As used in this Section, the terms “margin stock” and “purpose of buying or carrying” shall have the meanings assigned to them in said Regulation U.

Section 5.15. Existing Debt; Future Liens. (a) Except as described therein, **Schedule 5.15** sets forth a complete and correct list of all outstanding Debt of the Company and the Restricted Subsidiaries as of March 31, 2014, since which date there has been no Material change in the commercial terms of agreements related to the Debt of the Company or its Restricted Subsidiaries. Neither the Company nor any Restricted Subsidiary is in default and no waiver of default is currently in effect, in the payment of any principal or interest on any Debt of the Company or such Restricted Subsidiary and no event or condition exists with respect to any Debt of the Company or any Restricted Subsidiary that would permit (or that with notice or the lapse of time, or both, would permit) one or more Persons to cause such Debt to become due and payable before its stated maturity or before its regularly scheduled dates of payment.

(b) Except as disclosed in **Schedule 5.15**, neither the Company nor any Restricted Subsidiary has agreed or consented to cause or permit in the future (upon the happening of a

contingency or otherwise) any of its property, whether now owned or hereafter acquired, to be subject to a Lien not permitted by **Section 10.4**.

(c) Neither the Company nor any Restricted Subsidiary is a party to, or otherwise subject to any provision contained in, any instrument evidencing Debt of the Company or such Restricted Subsidiary, any agreement relating thereto or any other agreement (including, but not limited to, its charter or other organizational document) which limits the amount of, or otherwise imposes restrictions on the incurring of, Debt of the Company, except as specifically indicated in **Schedule 5.15**.

Section 5.16. Foreign Assets Control Regulations, Etc. (a) Neither the Company nor any Controlled Entity (i) is a Blocked Person, (ii) has been notified that its name appears or may in the future appear on a State Sanctions List or (iii) is a target of sanctions that have been imposed by the United Nations or the European Union.

(b) Neither the Company nor any Controlled Entity (i) has violated, been found in violation of, or been charged or convicted under, any applicable U.S. Economic Sanctions Laws, Anti-Money Laundering Laws or Anti-Corruption Laws or (ii) to the Company's knowledge, is under investigation by any Governmental Authority for possible violation of any U.S. Economic Sanctions Laws, Anti-Money Laundering Laws or Anti-Corruption Laws.

(c) No part of the proceeds from the sale of the Notes hereunder:

(i) constitutes or will constitute funds obtained on behalf of any Blocked Person or will otherwise be used by the Company or any Controlled Entity, directly or indirectly, (A) in connection with any investment in, or any transactions or dealings with, any Blocked Person, (B) for any purpose that would cause any Purchaser to be in violation of any U.S. Economic Sanctions Laws or (C) otherwise in violation of any U.S. Economic Sanctions Laws;

(ii) will be used, directly or indirectly, in violation of, or cause any Purchaser to be in violation of, any applicable Anti-Money Laundering Laws; or

(iii) will be used, directly or indirectly, for the purpose of making any improper payments, including bribes, to any Governmental Official or commercial counterparty in order to obtain, retain or direct business or obtain any improper advantage, in each case which would be in violation of, or cause any Purchaser to be in violation of, any applicable Anti-Corruption Laws.

(d) The Company has established procedures and controls which it reasonably believes are adequate (and otherwise comply with applicable law) to ensure that the Company and each Controlled Entity is and will continue to be in compliance with all applicable U.S. Economic Sanctions Laws, Anti-Money Laundering Laws and Anti-Corruption Laws.

(e) Neither the Company nor any Controlled Entity (i) is a Person described or designated under the provisions of the *Special Economic Measures Act* (Canada) or the *United*

Nations Act (Canada), or any associated anti-money laundering and anti-terrorism laws and regulations in effect in Canada (each a “*Canadian Sanctions Designated Person*”), (ii) knowingly engages in any dealings or transactions with any Canadian Sanctions Designated Person that are restricted or prohibited under the statutes or regulations described in **Section 5.16(e)(i)**, or (iii) knowingly is in possession or control of any property or entity that is owned or controlled by a Canadian Sanctions Designated Person.

Section 5.17. Status under Certain Statutes. Neither the Company nor any Restricted Subsidiary is subject to regulation under the Investment Company Act of 1940, as amended, or the Federal Power Act, as amended.

Section 5.18. Notes Rank Pari Passu. The obligations of the Company under this Agreement and the Notes rank at least *pari passu* in right of payment with all other senior unsecured Debt (actual or contingent) of the Company, including, without limitation, all senior unsecured Debt of the Company described in **Schedule 5.15**.

Section 5.19. Environmental Matters. Neither the Company nor any Restricted Subsidiary has knowledge of any claim or has received any notice of any claim, and no proceeding has been instituted raising any claim against the Company or any of the Restricted Subsidiaries or any of their respective real properties now or formerly owned, leased or operated by any of them or other assets, alleging any damage to the environment or violation of any Environmental Laws, except, in each case, such as could not reasonably be expected to result in a Material Adverse Effect.

(a) Neither the Company nor any Restricted Subsidiary has knowledge of any facts which would give rise to any claim, public or private, of violation of Environmental Laws or damage to the environment emanating from, occurring on or in any way related to real properties now or formerly owned, leased or operated by any of them or to other assets or their use, except, in each case, such as could not reasonably be expected to result in a Material Adverse Effect.

(b) Neither the Company nor any Restricted Subsidiary has stored any Hazardous Materials on real properties now or formerly owned, leased or operated by any of them or has disposed of any Hazardous Materials in a manner contrary to any Environmental Laws in each case in any manner that could reasonably be expected to result in a Material Adverse Effect.

(c) All buildings on all real properties now owned, leased or operated by the Company or any Restricted Subsidiary are in compliance with applicable Environmental Laws, except where failure to comply could not reasonably be expected to result in a Material Adverse Effect.

SECTION 6. REPRESENTATIONS OF THE PURCHASER.

(a) *No Default* — if no Default or Event of Default then exists, at the expense of you, such Other Purchaser or such holder and upon reasonable prior notice to the Company, to visit the principal executive office of the Company, to discuss the affairs, finances and accounts of the Restricted Group with the Company's officers, and (with the consent of the Company, which consent will not be unreasonably withheld) its independent chartered accountants, and (with the consent of the Company, which consent will not be unreasonably withheld) to visit the other offices and properties of the Restricted Group, all at such reasonable times and as often as may be reasonably requested in writing; and

(b) *Default* — if a Default or Event of Default then exists, at the expense of the Company, to visit and inspect any of the offices or properties of the Restricted Group, to examine all their respective books of account, records, reports and other papers, to make copies and extracts therefrom, and to discuss their respective affairs, finances and accounts with their respective officers and independent chartered accountants (and by this provision the Company authorizes said accountants to discuss the affairs, finances and accounts of the Restricted Group), all at such times and as often as may be requested.

Section 7.4. Limitation on Disclosure Obligation. The Company shall not be required to disclose the following information pursuant to **Section 7.1(c), 7.1(h)** or **7.3**:

(a) information that the Company determines after consultation with counsel qualified to advise on such matters that, notwithstanding the confidentiality requirements of **Section 21**, it would be prohibited from disclosing by applicable law or regulations without making public disclosure thereof; or

(b) information that, notwithstanding the confidentiality requirements of **Section 21**, the Company is prohibited from disclosing by the terms of an obligation of

confidentiality contained in any agreement with any non-Affiliate binding upon the Company and not entered into in contemplation of this clause (b), *provided* that the Company shall use commercially reasonable efforts to obtain consent from the party in whose favor the obligation of confidentiality was made to permit the disclosure of the relevant information and *provided further* that the Company has received a written opinion of counsel confirming that disclosure of such information without consent from such other contractual party could reasonably be expected to constitute a breach of such agreement.

Promptly after a request therefor from any holder of Notes that is an Institutional Investor, the Company will provide such holder with a written opinion of counsel (which may be addressed to the Company) relied upon as to any requested information that the Company is prohibited from disclosing to such holder under circumstances described in this **Section 7.4**.

Section 7.5. Electronic Delivery. Financial statements, opinions of independent certified public accountants, other information and Officer's Certificates that are required to be delivered by the Company pursuant to **Sections 7.1(a), (b), (c) or (g)** and **Section 7.2** shall be deemed to have been delivered if the Company satisfies any of the following requirements with respect thereto:

(a) such financial statements satisfying the requirements of **Section 7.1(a)** or **(b)** and related Officer's Certificate satisfying the requirements of **Section 7.2** and any other information required under **Section 7.1(c)** or **(g)** are delivered to you, each Other Purchaser and each holder of a Note by e-mail at the e-mail address set forth in such holder's Purchaser Schedule or as communicated from time to time in a separate writing delivered to the Company; or

(b) such financial statements satisfying the requirements of **Section 7.1(a)** or **Section 7.1(b)** and related Officer's Certificate(s) satisfying the requirements of **Section 7.2** and any other information required under **Section 7.1(c)** or **(g)** are timely posted by or on behalf of the Company on IntraLinks, on "EDGAR", on Canada's System for Electronic Document Analysis and Retrieval ("*SEDAR*") or on any other similar website to which each holder of Notes has free access or are made available on its home page on the internet, which is located at <http://www.enerplus.com> as of the date of this Agreement;

provided however, that in no case shall access to such financial statements, other information and Officer's Certificates be conditioned upon any waiver or other agreement or consent (other than confidentiality provisions consistent with **Section 21** of this Agreement); *provided further*, that in the case of clause (b), the Company shall have given each holder of a Note prior written notice, which may be by e-mail or in accordance with **Section 19**, of such posting or availability in connection with each delivery; and *provided further*, that upon request of any holder to receive paper copies of such forms, financial statements, other information and Officer's Certificates or to receive them by e-mail, the Company will promptly e-mail them or deliver such paper copies, as the case may be, to such holder.

SECTION 8. PAYMENT OF THE NOTES.

Section 8.1. Maturity; Required Repayments. As provided therein, the entire unpaid principal balance of the Notes shall be due and payable on the stated maturity date thereof. In addition to paying the remaining outstanding principal amount of and the interest due on the Notes on the maturity date thereof, on September 3, 2022 and on each September 3 thereafter to and including September 3, 2025, the Company will repay U.S. \$40,000,000 principal amount (or such lesser principal amount as shall then be outstanding) of the Notes at par and without payment of the Make-Whole Amount or any premium; *provided* that upon any partial prepayment of the Notes pursuant to **Section 8.2, 8.3, 8.4 or 8.9** the principal amount of each required prepayment of the Notes becoming due under this **Section 8.1** on and after the date of such prepayment shall be reduced in the same proportion as the aggregate unpaid principal amount of the Notes is reduced as a result of such prepayment.

Section 8.2. Optional Prepayments. The Company may, at its option, upon notice provided below, prepay at any time all, or from time to time any part of, the Notes in an amount not less than 10% of the aggregate principal amount of the Notes then outstanding, at 100% of the principal amount so prepaid, together with interest accrued thereon to the date of such prepayment, plus the Make-Whole Amount determined for the prepayment date with respect to such principal amount. The Company will give each holder of Notes written notice of each optional prepayment under this **Section 8.2** not less than 30 days and not more than 60 days prior to the date fixed for such prepayment. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with **Section 8.5**), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall also be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to any prepayment pursuant to this **Section 8.2**, the Company shall deliver to each holder of Notes to be prepaid a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

Section 8.3. Designated Event.

(a) *Notice of Designated Event.* The Company will, within five Business Days after any Responsible Officer has knowledge of the occurrence of any Designated Event, give written notice of such Designated Event to each holder of Notes. If the Company for any reason whatsoever fails to comply with **Section 10.11**, it shall offer to prepay Notes as described in **Section 8.3(c)** and the offer shall be accompanied by the certificate described in **Section 8.3(g)**.

(b) *[Reserved]*

(c) *Offer to Prepay Notes.* The offer to prepay Notes contemplated by **Section 8.3(a)** shall be an offer to prepay, in accordance with and subject to this **Section 8.3**, the Notes held by each holder (in this case only, “holder” in respect of any Note registered in the name of a

nominee for a disclosed beneficial owner shall mean such beneficial owner) on a date specified in such offer (the “*Proposed Prepayment Date*”) on an equal basis with each of the Lenders which are being prepaid pursuant to the Bank Facility as a result of the occurrence of such Designated Event. If such Proposed Prepayment Date is in connection with an offer contemplated by **Section 8.3(a)**, such date shall be not less than 15 days and not more than 20 days after the date of such offer (if the Proposed Prepayment Date shall not be specified in such offer, the Proposed Prepayment Date shall be the first Business Day after the 15th day after the date of such offer).

(d) *Rejection.* A holder of Notes may accept the offer to prepay made pursuant to this **Section 8.3** by causing a notice of such acceptance to be delivered to the Company not later than 10 days after receipt by such holder of the most recent offer of prepayment. A failure by a holder of Notes to respond to an offer to prepay made pursuant to this **Section 8.3** shall be deemed to constitute a rejection of such offer by such holder.

(e) *Prepayment.* Prepayment of the Notes to be prepaid pursuant to this **Section 8.3** shall be at 100% of the principal amount of such Notes, together with interest on such Notes accrued to the date of prepayment, but without the Make-Whole Amount or any other premium. The prepayment shall be made on the Proposed Prepayment Date except as provided in **Section 8.3(f)**.

(f) *Deferral Pending Designated Event.* The obligation of the Company to prepay Notes pursuant to the offers required by **Section 8.3(c)** and accepted in accordance with **Section 8.3(d)** is subject to the occurrence of the Designated Event in respect of which such offers and acceptances shall have been made. In the event that such Designated Event has not occurred on the Proposed Prepayment Date in respect thereof, the prepayment shall be deferred until, and shall be made on, the date on which such Designated Event occurs. The Company shall keep each holder of Notes reasonably and timely informed of (i) any such deferral of the date of prepayment, (ii) the date on which such Designated Event and the prepayment are expected to occur, and (iii) any determination by the Company that efforts to effect such Designated Event have ceased or been abandoned (in which case the offers and acceptances made pursuant to this **Section 8.3** in respect of such Designated Event shall be deemed rescinded).

(g) *Officer’s Certificate.* Each offer to prepay the Notes pursuant to this **Section 8.3** shall be accompanied by a certificate, executed by a Senior Financial Officer of the Company and dated the date of such offer, specifying: (i) the Proposed Prepayment Date; (ii) that such offer is made pursuant to this **Section 8.3**; (iii) the principal amount of each Note offered to be prepaid; (iv) the interest that would be due on each Note offered to be prepaid, accrued to the Proposed Prepayment Date; (v) that the conditions of this **Section 8.3** have been fulfilled; and (vi) in reasonable detail, the nature and date or proposed date of the Designated Event.

Section 8.4. Prepayment for Tax Reasons. If at any time as a result of a Change in Tax Law (as defined below) the Company is or becomes obligated to make any Additional Payments (as defined below) in respect of any payment of interest on account of any of the Notes in an aggregate amount for all affected Notes equal to 5% or more of the aggregate amount of such

interest payment on account of all of the Notes, the Company may give the holders of all affected Notes irrevocable written notice (each, a “*Tax Prepayment Notice*”) of the prepayment of such affected Notes on a specified prepayment date (which shall be a Business Day not less than 30 days nor more than 60 days after the date of such notice) and the circumstances giving rise to the obligation of the Company to make any Additional Payments and the amount thereof and stating that all of the affected Notes shall be prepaid on the date of such prepayment at 100% of the principal amount so prepaid together with interest accrued thereon to the date of such prepayment plus an amount equal to the Make-Whole Amount for each such Note, except in the case of an affected Note if the holder of such Note shall, by written notice given to the Company no more than 20 days after receipt of the Tax Prepayment Notice, reject such prepayment of such Note (each, a “*Rejection Notice*”). Such Tax Prepayment Notice shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. The form of Rejection Notice shall also accompany the Tax Prepayment Notice and shall state with respect to each Note covered thereby that execution and delivery thereof by the holder of such Note shall operate as a permanent waiver of such holder’s right to receive the Additional Payments arising as a result of the circumstances described in the Tax Prepayment Notice in respect of all future payments of interest on such Note (but not of such holder’s right to receive any Additional Payments that arise out of circumstances not described in the Tax Prepayment Notice or which exceed the amount of the Additional Payment described in the Tax Prepayment Notice), which waiver shall be binding upon all subsequent transferees of such Note. The Tax Prepayment Notice having been given as aforesaid to each holder of the affected Notes, the principal amount of such Notes together with interest accrued thereon to the date of such prepayment plus the Make-Whole Amount shall become due and payable on such prepayment date, except in the case of Notes the holders of which shall timely give a Rejection Notice as aforesaid. Two Business Days prior to such prepayment, the Company shall deliver to each holder of a Note being so prepaid a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of such prepayment date.

No prepayment of the Notes pursuant to this **Section 8.4** shall affect the obligation of the Company to pay Additional Payments in respect of any payment made on or prior to the date of such prepayment. For purposes of this **Section 8.4**, any holder of more than one affected Note may act separately with respect to each affected Note so held (with the effect that a holder of more than one affected Note may accept such offer with respect to one or more affected Notes so held and reject such offer with respect to one or more other affected Notes so held).

The Company may not offer to prepay or prepay Notes pursuant to this **Section 8.4** (a) if a Default or Event of Default then exists, (b) until the Company shall have taken commercially reasonable steps to mitigate the requirement to make the related Additional Payments or (c) if the obligation to make such Additional Payments directly results or resulted from actions taken by the Company or any Subsidiary (other than actions required to be taken under applicable law), and any Tax Prepayment Notice given pursuant to this **Section 8.4** shall certify to the foregoing and describe such mitigation steps, if any.

For purposes of this **Section 8.4**: “*Additional Payments*” means additional amounts required to be paid to a holder of any Note pursuant to **Section 13** by reason of a Change in Tax Law; and a “*Change in Tax Law*” means (individually or collectively with one or more prior changes) (i) an amendment to, or change in, any law, treaty, rule or regulation of Canada after the date of the Closing, or an amendment to, or change in, an official interpretation or application of such law, treaty, rule or regulation after the date of the Closing, which amendment or change is in force and continuing and meets the opinion and certification requirements described below or (ii) in the case of any other jurisdiction that becomes a Taxing Jurisdiction after the date of the Closing, an amendment to, or change in, any law, treaty, rule or regulation of such jurisdiction, or an amendment to, or change in, an official interpretation or application of such law, treaty, rule or regulation, in any case after such jurisdiction shall have become a Taxing Jurisdiction, which amendment or change is in force and continuing and meets such opinion and certification requirements. No such amendment or change shall constitute a Change in Tax Law unless the same would in the opinion of the Company (which shall be evidenced by an Officer’s Certificate of the Company and supported by a written opinion of counsel having recognized expertise in the field of taxation in the Taxing Jurisdiction, which for certainty includes Blake, Cassels & Graydon LLP in any appropriate jurisdiction, both of which shall be delivered to all holders of the Notes prior to or concurrently with the Tax Prepayment Notice in respect of such Change in Tax Law) affect the deduction or require the withholding of any Tax imposed by such Taxing Jurisdiction on any payment payable on the Notes.

Section 8.5. Allocation of Partial Prepayments. In the case of each partial prepayment of the Notes pursuant to **Section 8.2**, the principal amount of the Notes to be prepaid shall be allocated pro rata among all of the holders of the Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment. All prepayments pursuant to **Section 8.3** or **8.4** shall be applied as therein provided.

Section 8.6. Maturity; Surrender, Etc. In the case of each prepayment of Notes pursuant to this **Section 8**, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment (which shall be a Business Day), together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

Section 8.7. Purchase of Notes. The Company will not and will not permit any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with the terms of this Agreement and the Notes or (b) pursuant to an offer to purchase made by the Company or an Affiliate pro rata to the holders of all Notes at the time outstanding upon the same terms and conditions. Any such offer shall provide each holder with sufficient information to enable it to make an informed decision with respect to such offer, and shall remain open for at least 15 Business Days. If the holders of more than 25% of the principal amount of the Notes then outstanding accept such offer, the Company shall promptly notify the remaining holders of such

fact and the expiration date for the acceptance by holders of Notes of such offer shall be extended by the number of days necessary to give each such remaining holder at least 10 Business Days from its receipt of such notice to accept such offer. The Company will promptly cancel all Notes acquired by it or any Affiliate pursuant to any payment, prepayment or purchase of Notes pursuant to any provision of this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

Section 8.8. Make-Whole Amount. The term “*Make-Whole Amount*” means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal; *provided* that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“*Applicable Percentage*” means (a) 0.50% in the case of any prepayment of the Notes pursuant to **Section 8.2** or in the case of the acceleration of the Notes pursuant to **Section 12.1** or (b) 0.75% in the case of any prepayment or payment of the Notes pursuant to **Section 8.4**.

“*Called Principal*” means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to **Section 8.2** or **8.4** or has become or is declared to be immediately due and payable pursuant to **Section 12.1**, as the context requires.

“*Discounted Value*” means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“*Reinvestment Yield*” means, with respect to the Called Principal of any Note, the sum of the (x) Applicable Percentage plus (y) the yield to maturity implied by the “Ask Yield(s)” reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (“*Reported*”) having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between the “Ask Yields” Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then “*Reinvestment Yield*” means, with respect to the Called Principal of any Note, the sum of (x) the Applicable Percentage plus (y) the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (1) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

“*Remaining Average Life*” means, with respect to any Called Principal, the number of years (calculated to the nearest one-twelfth year) obtained by dividing (a) such Called Principal into (b) the sum of the products obtained by multiplying (i) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (ii) the number of years (calculated to the nearest one-twelfth year) that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“*Remaining Scheduled Payments*” means, with respect to the Called Principal of any Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date; *provided* that if such Settlement Date is not a date on which interest payments are due to be made under the terms of the Notes, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to **Sections 8.2, 8.4 or 12.1**.

“*Settlement Date*” means, with respect to the Called Principal of any Note, the date on which such Called Principal is to be prepaid pursuant to **Section 8.2 or 8.4** or has become or is declared to be immediately due and payable pursuant to **Section 12.1**, as the context requires.

Section 8.9. Change in Control.

(a) *Notice of Change in Control.* The Company will, within five Business Days after any Responsible Officer has knowledge of the occurrence of any Change in Control, give written notice of such Change in Control to each holder of Notes. Such notice shall contain and constitute an offer to prepay Notes as described in subparagraph (b) of this **Section 8.9** and shall be accompanied by the certificate described in subparagraph (e) of this **Section 8.9**.

(b) *Offer to Prepay Notes.* The offer to prepay Notes contemplated by subparagraph (a) of this **Section 8.9** shall be an offer to prepay, in accordance with and subject to this **Section 8.9**, all, but not less than all, the Notes held by each holder (in this case only, “holder” in respect of any Note registered in the name of a nominee for a disclosed beneficial owner shall mean such beneficial owner) on a date specified in such offer (the “*Proposed Prepayment Date*”). Such date shall be not less than 30 days and not more than 120 days after the date of such offer (if the Proposed Prepayment Date shall not be specified in such offer, the Proposed Prepayment Date shall be the first Business Day after the 45th day after the date of such offer).

(c) *Acceptance/Rejection.* A holder of Notes may accept the offer to prepay made pursuant to this **Section 8.9** by causing a notice of such acceptance to be delivered to the Company not later than 15 days after receipt by such holder of the most recent offer of prepayment. A failure by a holder of Notes to respond to an offer to prepay made pursuant to this **Section 8.9** shall be deemed to constitute rejection of such offer by such holder.

(d) *Prepayment.* Prepayment of the Notes to be prepaid pursuant to this **Section 8.9** shall be at 100% of the principal amount of such Notes, together with interest on such Notes accrued to the Proposed Prepayment Date, but without Make-Whole Amount or other premium. The prepayment shall be made on the Proposed Prepayment Date.

(e) *Officer’s Certificate.* Each offer to prepay the Notes pursuant to this **Section 8.9** shall be accompanied by a certificate, executed by a Senior Financial Officer of the Company and dated the date of such offer, specifying: (i) the Proposed Prepayment Date; (ii) that such offer is made pursuant to this **Section 8.9**; (iii) the principal amount of each Note offered to be prepaid; (iv) the interest that would be due on each Note offered to be prepaid, accrued to the Proposed Prepayment Date; (v) that the conditions of this **Section 8.9** have been fulfilled; and (vi) in reasonable detail, the nature and date of the Change in Control.

(f) *Effect on Required Payments.* The amount of each payment of the principal made pursuant to this **Section 8.9** shall be applied against and reduce each of the then remaining principal payments due pursuant to **Section 8.1** by a percentage equal to the aggregate principal amount of the Notes so paid divided by the aggregate principal amount of the Notes outstanding immediately prior to such payment.

(g) *Certain Definitions.* “*Change in Control*” shall be deemed to have occurred if, following the consummation of a transaction or a series of related transactions any person (as such term is used in Section 13(d) and Section 14(d)(2) of the Exchange Act as in effect on the Execution Date) or related persons constituting a group (as such term is used in Rule 13d-5 under the Exchange Act),

(i) become the “beneficial owners” (as such term is used in Rule 13d-3 under the Exchange Act as in effect on the Execution Date), directly or indirectly, of more than 50% of the total voting power of all classes then outstanding of the Company’s Voting Equity Capital, or

(ii) acquire after the Execution Date (x) the power to elect, appoint or cause the election or appointment of at least a majority of the members of the board of directors of the Company through beneficial ownership of the capital stock of the Company or otherwise, or (y) all or substantially all of the consolidated properties and assets of the Company (other than by a Wholly-owned Subsidiary of the Company).

(h) All calculations contemplated in this **Section 8.9** involving the capital stock of any Person shall be made with the assumption that all convertible Securities of such Person then outstanding and all convertible Securities issuable upon the exercise of any warrants, options and other rights outstanding at such time were converted at such time and that all options, warrants and similar rights to acquire shares of capital stock of such Person were exercised at such time.

Section 8.10. Prepayment in Connection with a Noteholder Sanctions Event. (a) Upon the Company's receipt of notice from any Affected Noteholder that a Noteholder Sanctions Event has occurred (which notice shall refer specifically to this **Section 8.10(a)** and describe in reasonable detail such Noteholder Sanctions Event), the Company shall promptly, and in any event within 10 Business Days, make an offer (the "*Sanctions Prepayment Offer*") to prepay the entire unpaid principal amount of Notes held by such Affected Noteholder (the "*Affected Notes*"), together with interest thereon to the prepayment date selected by the Company with respect to each Affected Note but without payment of any Make-Whole Amount with respect thereto, which prepayment shall be on a Business Day not less than 30 days and not more than 60 days after the date of the Sanctions Prepayment Offer (the "*Sanctions Prepayment Date*"). Such Sanctions Prepayment Offer shall provide that such Affected Noteholder notify the Company in writing by a stated date (the "*Sanctions Prepayment Response Date*"), which date is not later than 10 Business Days prior to the stated Sanctions Prepayment Date, of its acceptance or rejection of such prepayment offer. If such Affected Noteholder does not notify the Company as provided above, then the holder shall be deemed to have accepted such offer.

(b) Subject to the provisions of subparagraphs (c) and (d) of this **Section 8.10**, the Company shall prepay on the Sanctions Prepayment Date the entire unpaid principal amount of the Affected Notes held by such Affected Noteholder who has accepted such prepayment offer (in accordance with subparagraph (a)), together with interest thereon to the Sanctions Prepayment Date with respect to each such Affected Note, but without payment of any Make-Whole Amount with respect thereto.

(c) If a Noteholder Sanctions Event has occurred but the Company and/or its Controlled Entities have taken such action(s) in relation to their activities so as to remedy such Noteholder Sanctions Event (with the effect that a Noteholder Sanctions Event no longer exists, as reasonably determined by such Affected Noteholder) prior to the Sanctions Prepayment Date, then the Company shall no longer be obliged to prepay such Affected Notes in relation to such Noteholder Sanctions Event. If the Company and/or its Controlled Entities shall undertake any actions to remedy any such Noteholder Sanctions Event, the Company shall keep the holders reasonably and timely informed of such actions and the results thereof.

(d) If any Affected Noteholder that has given written notice to the Company of its acceptance of (or has been deemed to have accepted) the Company's prepayment offer in

accordance with subparagraph (a) also gives notice to the Company prior to the relevant Sanctions Prepayment Date that it has determined (in its sole discretion) that it requires clearance from any United States Governmental Authority in order to receive a prepayment pursuant to this **Section 8.10**, the principal amount of each Note held by such Affected Noteholder, together with interest accrued thereon to the date of prepayment, shall become due and payable on the later to occur of (i) such Sanctions Prepayment Date and (ii) the date that is 10 Business Days after such Affected Noteholder gives notice to the Company that it is entitled to receive a prepayment pursuant to this **Section 8.10** (which may include payment to an escrow account designated by such Affected Noteholder to be held in escrow for the benefit of such Affected Noteholder until such Affected Noteholder obtains such clearance from such United States Governmental Authority), and in any event, any such delay in accordance with the foregoing clause (ii) shall not be deemed to give rise to any Default or Event of Default.

(e) Promptly, and in any event within 5 Business Days, after the Company's receipt of notice from any Affected Noteholder that a Noteholder Sanctions Event shall have occurred with respect to such Affected Noteholder, the Company shall forward a copy of such notice to each other holder of Notes.

(f) The Company shall promptly, and in any event within 10 Business Days, give written notice to the holders after the Company or any Controlled Entity having been notified that (i) its name appears or may in the future appear on a State Sanctions List or (ii) it is in violation of, or is subject to the imposition of sanctions under, any U.S. Economic Sanctions Laws, in each case which notice shall describe the facts and circumstances thereof and set forth the action, if any, that the Company or a Controlled Entity proposes to take with respect thereto.

(g) The foregoing provisions of this **Section 8.10** shall be in addition to any rights or remedies available to any holder of Notes that may arise under this Agreement as a result of the occurrence of a Noteholder Sanctions Event; *provided*, that, if the Notes shall have been declared due and payable pursuant to **Section 12.1** as a result of the events, conditions or actions of the Company or its Controlled Entities that gave rise to a Noteholder Sanctions Event, the remedies set forth in **Section 12** shall control.

SECTION 9. AFFIRMATIVE COVENANTS.

From the date of this Agreement until the Closing and thereafter, so long as any of the Notes are outstanding, the Company covenants that:

Section 9.1. Compliance with Law. (a) Without limiting **Section 10.13**, the Company will, and will cause each of the Restricted Subsidiaries to, comply with all laws, ordinances or governmental rules or regulations to which each of them is subject, including, without limitation, ERISA, the USA Patriot Act and applicable laws in respect of Non-U.S. Pension Plans and all Environmental Laws, and the other laws and regulations that are referred to in **Section 5.16**, and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of their respective businesses, in each case to the extent necessary to ensure that non-compliance with such laws, ordinances or governmental rules or regulations or failures to

obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) Without limiting **Section 9.1(a)**, the Company will not, and will not permit any of the Restricted Subsidiaries to, take any action that would cause any supplemental pension plan, any employee pension arrangement or any employee benefit plan maintained by it to be terminated in a manner which could reasonably be anticipated to result in the imposition of a Material Lien on any property of the Company or any Restricted Subsidiary pursuant to any Canadian federal or provincial law, nor will the Company or any of the Restricted Subsidiaries withdraw from any multiemployer plan if such withdrawal would subject the Company or any of the Restricted Subsidiaries to a liability that would have a Material Adverse Effect.

Section 9.7. Nature of Business. Neither the Company nor any Restricted Subsidiary will engage in any business if, as a result, the general nature of the business, taken on a consolidated basis, which would then be engaged in by the Company and its Subsidiaries would be substantially changed from its business relating to the development, production, processing and transportation of hydrocarbons.

SECTION 12. REMEDIES ON DEFAULT, ETC.

Section 12.1. Acceleration. (a) If an Event of Default with respect to the Company described in paragraph (i) or (j) or (k) of **Section 11** (other than an Event of Default described in clause (i) of paragraph (i) or described in clause (vi) of paragraph (i) by virtue of the fact that such clause encompasses clause (i) of paragraph (i)) has occurred, all the Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, any holder or holders of 51% or more in principal amount of the Notes at the time outstanding may at any time at its or their option, by notice or notices to the Company, declare all the Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in paragraph (a) or (b) of **Section 11** has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event

of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by it or them to be immediately due and payable.

Upon any Note's becoming due and payable under this **Section 12.1**, whether automatically or by declaration, such Note will forthwith mature and the entire unpaid principal amount of such Note, plus (i) all accrued and unpaid interest thereon (including, without limitation, interest accrued thereon at the Default Rate) and (ii) the Make-Whole Amount determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for), and that the provision for payment of a Make-Whole Amount by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 12.2. Other Remedies. If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under **Section 12.1**, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

Section 12.3. Rescission. At any time after any Notes have been declared due and payable pursuant to clause (b) or (c) of **Section 12.1**, the holders of not less than 51% in principal amount of the Notes then outstanding, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to **Section 18**, and (c) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this **Section 12.3** will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.4. No Waivers or Election of Remedies, Expenses, Etc. No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under **Section 16**, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred

in any enforcement or collection under this **Section 12**, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

SECTION 13. TAX INDEMNIFICATION.

All payments whatsoever under this Agreement and the Notes will be made by the Company in lawful currency of the United States of America, free and clear of, and without liability for withholding or deduction for or on account of, any present or future Taxes of whatever nature imposed or levied by or on behalf of any jurisdiction, unless the withholding or deduction of such Tax is compelled by law.

If any deduction or withholding for any Tax shall at any time be required in respect of any amounts to be paid by the Company under this Agreement or the Notes, the Company will pay to the relevant jurisdiction the full amount required to be withheld, deducted or otherwise paid before penalties attach thereto or interest accrues thereon and pay with respect to any deduction or withholding for any Tax of any jurisdiction other than the United States (or any political subdivision or taxing authority of or in such jurisdiction) (hereinafter a "*Taxing Jurisdiction*") to each holder of a Note such additional amounts as may be necessary in order that the net amounts paid to such holder pursuant to the terms of this Agreement or the Notes after such deduction, withholding or payment (including, without limitation, any required deduction or withholding of Tax on or with respect to such additional amount), shall be not less than the amounts then due and payable to such holder under the terms of this Agreement or the Notes before the assessment of such Tax, *provided* that no payment of any additional amounts hereunder shall be required to be made for or on account of:

(a) any Tax that would not have been imposed but for the existence of any present or former connection between such holder (or a fiduciary, settlor, beneficiary, member of, shareholder of, or possessor of a power over, such holder, if such holder is an estate, trust, partnership or corporation or any Person other than the holder to whom the Notes or any amount payable thereon is attributable for the purposes of such Tax) and the Taxing Jurisdiction, other than the mere holding of the relevant Note or the receipt of payments thereunder or in respect thereof, including, without limitation, such holder (or such other Person described in the above parenthetical) being or having been a citizen or resident thereof, or being or having been present or engaged in trade or business therein or having or having had an establishment, office, fixed base or branch therein, *provided* that this exclusion shall not apply with respect to a Tax that would not have been imposed but for the Company, after the Execution Date, opening an office in, moving an office to, reincorporating in, or changing the Taxing Jurisdiction from or through which payments on account of this Agreement or the Notes are made to, the Taxing Jurisdiction imposing the relevant Tax;

(b) any Tax that would not have been imposed but for the delay or failure by such holder (following a written request by the Company) in the filing with the relevant Taxing Jurisdiction or providing to the Company Forms (as defined below) that are required to be filed or provided by such holder to avoid or reduce such Taxes (including for such purpose any refilings or renewals that may from time to time be required by the

relevant Taxing Jurisdiction), *provided* that the filing or provision of such Forms would not (in such holder's reasonable judgment) impose any unreasonable burden (in time, resources or otherwise) on such holder or result in any confidential or proprietary income tax return information being revealed, either directly or indirectly, to any Person and such delay or failure could have been lawfully avoided by such holder, and *provided further* that such holder shall be deemed to have satisfied the requirements of this clause (b) upon the good faith completion and submission of such Forms (including refilings or renewals) as may be specified in a written request of the Company no later than 60 days after receipt by such holder of such written request (accompanied by copies of such Forms and related instructions, if any, all in the English language or with an English translation thereof);

(c) to a holder of a Note (or a third party on behalf of a holder) in circumstances where the holder or beneficial owner (if other than the holder) is not a resident of Canada for purposes of the Income Tax Act (Canada) and is not acting at arm's length (as defined in the Income Tax Act (Canada)) with the Company or is a "specified non-resident shareholder" or a non-resident person not dealing at arm's length with a "specified shareholder" of the Company for purposes of subsection 18(5) of the Income Tax Act (Canada); or

(d) any combination of clauses (a), (b) and (c) above;

and, *provided, further* that in no event shall the Company be obligated to pay such additional amounts to any holder of a Note (i) not resident in the United States of America or any other jurisdiction in which you (being, for greater certainty, the purchaser of the Notes under this Agreement and not any substituted Purchaser pursuant to **Section 22** or successor or assign (including, without limitation, any subsequent holder of a Note) pursuant to **Section 23.3**) are resident for tax purposes on the Execution Date in excess of the amounts that the Company would be obligated to pay if such holder had been a resident of the United States of America or such other jurisdiction, as applicable, for purposes of, and eligible for the benefits of, any double taxation treaty from time to time in effect between the United States of America or such other jurisdiction and the relevant Taxing Jurisdiction or (ii) registered in the name of a nominee if under the law of the relevant Taxing Jurisdiction (or the current regulatory interpretation of such law) securities held in the name of a nominee do not qualify for an exemption from the relevant Tax and the Company shall have given timely notice of such law or interpretation to such holder.

Each holder shall, upon the occurrence of any event giving rise to the operation of this **Section 13** with respect to such holder, if requested by the Company, use reasonable efforts (subject to overall policy considerations of such holder) to designate another lending office for any Note affected by such event with the object of avoiding the consequences of such event; *provided*, that such designation is made on terms that, in the sole judgment of such holder, cause such holder and its lending office(s) to suffer no economic, legal or regulatory disadvantage, and *provided, further*, that nothing in this paragraph shall affect or postpone any of the obligations of the Company or the rights of any holder pursuant to this **Section 13**.

By acceptance of any Note, the holder of such Note agrees, subject to the limitations of clause (b) above, that it will from time to time with reasonable promptness (x) duly complete and deliver to or as reasonably directed by the Company all such forms, certificates, documents and returns provided to such holder by the Company (collectively, together with instructions for completing the same, “*Forms*”) required to be provided or filed by or on behalf of such holder in order to avoid or reduce any such Tax pursuant to the provisions of an applicable statute, regulation or administrative practice of the relevant Taxing Jurisdiction or of a tax treaty entered into by such Taxing Jurisdiction and (y) provide the Company with such information with respect to such holder as the Company may reasonably request in order to complete any such Forms, *provided* that nothing in this **Section 13** shall require any holder to provide information with respect to any such Form or otherwise if in the opinion of such holder such Form or disclosure of information would involve the disclosure of tax return or other information that is confidential or proprietary to such holder, and *provided further* that each such holder shall be deemed to have complied with its obligation under this paragraph with respect to any Form if such Form shall have been duly completed and delivered by such holder to the Company or mailed to the appropriate taxing authority, whichever is applicable, within 60 days following a written request of the Company (which request shall be accompanied by copies of such Form and English translations of any such Form not in the English language) and, in the case of a transfer of any Note, at least 90 days prior to the relevant interest payment date.

On or before the date of the Closing the Company will furnish you with copies of the appropriate Form (and English translation if required as aforesaid) currently required to be filed in Canada pursuant to clause (b) of the first paragraph of this **Section 13**, if any, and in connection with the transfer of any Note the Company will furnish the transferee of such Note with copies of any Form and English translation then required.

If any payment is made by the Company to or for the account of the holder of any Note after deduction for or on account of any Taxes, and increased payments are made by the Company pursuant to this **Section 13**, then, if such holder at its sole discretion determines that it has received or been granted a refund of such Taxes, such holder shall, to the extent that it can do so without prejudice to the retention of the amount of such refund, reimburse to the Company such amount as such holder shall, in its sole discretion, determine to be attributable to the relevant Taxes or deduction or withholding. Nothing herein contained shall interfere with the right of the holder of any Note to arrange its tax affairs in whatever manner it thinks fit and, in particular, no holder of any Note shall be under any obligation to claim relief from its corporate profits or similar tax liability in respect of such Tax in priority to any other claims, reliefs, credits or deductions available to it or (other than as set forth in clause (b) above) oblige any holder of any Note to disclose any information relating to its tax affairs or any computations in respect thereof.

The Company will furnish the holders of Notes, promptly and in any event within 60 days after the date of any payment by the Company of any Tax in respect of any amounts paid under this Agreement or the Notes, the original tax receipt issued by the relevant taxation or other authorities involved for all amounts paid as aforesaid (or if such original tax receipt is not available or must legally be kept in the possession of the Company, a duly certified copy of the original tax receipt or any other reasonably satisfactory evidence of payment), together with such

other documentary evidence with respect to such payments as may be reasonably requested from time to time by any holder of a Note.

If the Company is required by any applicable law, as modified by the practice of the taxation or other authority of any relevant Taxing Jurisdiction, to make any deduction or withholding of any Tax in respect of which the Company would be required to pay any additional amount under this **Section 13**, but for any reason does not make such deduction or withholding with the result that a liability in respect of such Tax is assessed directly against the holder of any Note, and such holder pays such liability, then the Company will promptly reimburse such holder for such payment (including any related interest or penalties to the extent such interest or penalties arise by virtue of a default or delay by the Company) upon demand by such holder accompanied by an official receipt (or a duly certified copy thereof) issued by the taxation or other authority of the relevant Taxing Jurisdiction.

If the Company makes payment to or for the account of any holder of a Note and such holder is entitled to a refund of the Tax to which such payment is attributable upon the making of a filing (other than a Form described above), then such holder shall, as soon as practicable after receiving written request from the Company (which shall specify in reasonable detail and supply the refund forms to be filed), use reasonable efforts to complete and deliver such refund forms to or as directed by the Company, subject, however, to the same limitations with respect to Forms as are set forth above.

The obligations of the Company under this **Section 13** shall survive the payment or transfer of any Note and the provisions of this **Section 13** shall also apply to successive transferees of the Notes.

SECTION 14. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

Section 14.1. Registration of Notes. The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. If any holder of one or more Notes is a nominee, then (a) the name and address of the beneficial owner of such Note or Notes shall also be registered in such register as an owner and holder thereof and (b) either such beneficial owner or at such beneficial owner's direction, its nominee, may execute any amendment, waiver or consent pursuant to this Agreement. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

Section 14.2. Transfer and Exchange of Notes. Upon surrender of any Note to the Company at the address and to the attention of the designated officer (all as specified in **Section 19**) for registration of transfer or exchange (and in the case of a surrender for registration of transfer, duly endorsed or accompanied by a written instrument of transfer duly executed by

the registered holder of such Note or its attorney duly authorized in writing and accompanied by the address for notices of each transferee of such Note or part thereof) within ten Business Days thereafter, the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of **Exhibit 1**. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than U.S. \$500,000; *provided* that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than U.S. \$500,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in **Section 6.2**.

Section 14.3. Replacement of Notes. Upon receipt by the Company at the address and to the attention of the designated officer (all as specified in **Section 19(iii)**) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (*provided* that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least U.S.\$25,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within ten Business Days thereafter the Company at its own expense shall execute and deliver, in lieu thereof, a new Note, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

SECTION 15. PAYMENTS ON NOTES.

Section 15.1. Place of Payment. Subject to **Section 15.2**, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in Calgary, Canada at the principal office of the Company in such jurisdiction. The Company may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

Section 15.2. Home Office Payment. So long as you or your nominee shall be the holder of any Note, and notwithstanding anything contained in **Section 15.1** or in such Note to the

contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, and interest by the method and at the address specified for such purpose below your name in **Schedule A**, or by such other method or at such other address as you shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, you shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to **Section 15.1**. The Company will make such payments in immediately available funds, no later than 11:00 a.m. New York, New York time on the date due. If for any reason whatsoever the Company does not make any such payment by such 11:00 a.m. transmittal time, such payment shall be deemed to have been made on the next following Business Day and such payment shall bear interest at the Default Rate set forth in the Note. Prior to any sale or other disposition of any Note held by you or your nominee you will, at your election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to **Section 14.2**. The Company will afford the benefits of this **Section 15.2** to any Institutional Investor that is the direct or indirect transferee of any Note purchased by you under this Agreement and that has made the same agreement relating to such Note as you have made in this **Section 15.2**.

SECTION 16. EXPENSES, ETC.

Section 16.1. Transaction Expenses. Whether or not the transactions contemplated hereby are consummated, the Company will pay all costs and expenses (including reasonable attorneys' fees of a special counsel and, if reasonably required by the Required Holders, local or other counsel) incurred by you or any of the Other Purchasers, or holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement, the Notes, the Subsidiary Guaranty or any Subordination Agreement (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, the Notes, the Subsidiary Guaranty or any Subordination Agreement, or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement, the Notes, the Subsidiary Guaranty or any Subordination Agreement, or by reason of being a holder of any Note, (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Restricted Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby, by the Notes, by the Subsidiary Guaranty or by any Subordination Agreement and (c) the fees and costs incurred in connection with the initial filing of this Agreement and all related documents and financial information and all subsequent annual and interim filings of documents and financial information related to this Agreement, with the SVO, *provided* that such costs and expenses under this clause (c) shall not exceed U.S. \$3,000. The Company will pay, and will save you and each other holder of a Note harmless from, all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those retained by you).

Section 16.2. Certain Taxes. The Company agrees to pay all stamp, documentary or similar taxes or fees which may be payable in respect of the execution and delivery or the enforcement of this Agreement or the execution and delivery (but not the transfer) or the enforcement of any of the Notes in the United States or Canada or of any amendment of, or waiver or consent under or with respect to, this Agreement, any of the Notes, the Subsidiary Guaranty or any of the Subordination Agreements and to pay any value added tax due and payable in respect of reimbursement of costs and expenses by the Company, any Subsidiary Guarantor or any other party to any of the Subordination Agreements pursuant to this **Section 16**, and will save each holder of a Note to the extent permitted by applicable law harmless against any loss or liability resulting from nonpayment or delay in payment of any such tax or fee required to be paid by the Company hereunder.

Section 16.3. Survival. The obligations of the Company under this **Section 16** will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement, the Notes, the Subsidiary Guaranty or any Subordination Agreement, and the termination of this Agreement.

SECTION 17. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement, the Notes, the Subsidiary Guaranty and the Subordination Agreements, the purchase or transfer by you of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of you or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company, or any Subsidiary Guarantor, as the case may be, pursuant to this Agreement, the Subsidiary Guaranty or the Subordination Agreement to which it is a party. Subject to the preceding sentence, this Agreement, the Notes, the Subsidiary Guaranty and the Subordination Agreement embody the entire agreement and understanding between you and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

SECTION 18. AMENDMENT AND WAIVER.

Section 18.1. Requirements. This Agreement, the Notes, the Subsidiary Guaranty and each Subordination Agreement may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the Required Holders, except that (a) no amendment or waiver of any of the provisions of **Section 1, 2.1, 3, 4, 5, 6 or 22** hereof, or any defined term (as it is used therein), will be effective as to you unless consented to by you in writing, and (b) no such amendment or waiver may, without the written consent of you and the holder of each Note at the time outstanding affected thereby, (i) subject to the provisions of **Section 12** relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of interest or of the Make-Whole Amount on, the Notes, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any such amendment or waiver or the

principal amount of the Notes that you or the Other Purchasers are to purchase pursuant to **Section 2** upon the satisfaction of the conditions to Closing that appear in **Section 4**, or (iii) amend any of **Section 8, 11(a), 11(b), 12, 13, 14.3, 18 or 21 or 23.9**.

Section 18.2. Solicitation of Holders of Notes.

(a) *Solicitation.* The Company will provide you, each Other Purchaser and each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable you, each Other Purchaser and such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes, the Subsidiary Guaranty or any Subordination Agreement. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this **Section 18** to you, each Other Purchaser and each holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite purchasers or holders of Notes.

(b) *Payment.* The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to you, each Other Purchaser or any holder of Notes as consideration for or as an inducement to the entering into by you, each Other Purchaser or any holder of Notes of any waiver or amendment of any of the terms and provisions hereof or of the Subsidiary Guaranty or any Subordination Agreement unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to you, each Other Purchaser and each holder of Notes then outstanding even if you, each Other Purchaser or such holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent given pursuant to this **Section 18** or any Subsidiary Guaranty by a holder of a Note that has transferred or has agreed to transfer its Note to the Company, any Subsidiary or any Affiliate or to any other Person in connection with, or in anticipation of, an acquisition of, tender offer for or merger with the Company in connection with such consent shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

Section 18.3. Binding Effect, Etc. Any amendment or waiver consented to as provided in this **Section 18** applies equally to you, the Other Purchasers and all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. Upon receipt of such notice, wherever the word "you" is used in this Agreement (other than in this **Section 22**), such word shall be deemed to refer to such affiliate in lieu of you. In the event that such affiliate is so substituted as a purchaser hereunder and such affiliate thereafter transfers to you all of the Notes then held by such affiliate, upon receipt by the Company of notice of such transfer, wherever the word "you" is used in this Agreement (other than in this **Section 22**), such word shall no longer be deemed to refer to such affiliate, but shall refer to you, and you shall have all the rights of an original holder of the Notes under this Agreement.

SECTION 23. MISCELLANEOUS.

Section 23.1. Interest Act of Canada. For the purposes of the *Interest Act* (Canada) and disclosure thereunder, whenever interest to be paid hereunder or in connection herewith is to be calculated on the basis of a year of 360 days consisting of twelve 30-day months, the yearly rate of interest to which the rate used in such calculation is equivalent during any particular period is the rate so used multiplied by a fraction of which:

- (a) the numerator is the product of:
 - (i) the actual number of days in the calendar year in which such period ends; and
 - (ii) the sum of (A) the product of 30 and the number of complete months elapsed in the relevant period, and (B) the number of days elapsed in any incomplete month in the relevant period; and
- (b) the denominator is the product of 360 and the actual number of days in the relevant period.

Section 23.2. Time. Time shall be of the essence of this Agreement. The mere lapse of the time provided for the Company to perform its obligations or the arrival of the term shall automatically create a default, without any notice being required.

Section 23.3. Successors and Assigns. All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including, without limitation, any subsequent holder of a Note) whether so expressed or not; *provided* that no successor or assignee shall be entitled to receive any greater amount pursuant to **Section 13** than that to which the assignor would have been entitled to receive had no such assignment occurred.

Section 23.4. Payments Due on Non-Business Days. Anything in this Agreement or the Notes to the contrary notwithstanding (but without limiting the requirement in **Section 8.6** that notice of any optional prepayment specify a Business Day as the date fixed for such prepayment), any payment of principal of or Make-Whole Amount or interest on any Note that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; *provided* that if the maturity date of any Note is a date other than a Business Day, the payment otherwise due on such maturity date shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

Section 23.5. Accounting Terms. (a) All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, all computations made pursuant to this Agreement shall be made in accordance with GAAP, and all financial statements shall be prepared in accordance with GAAP. For purposes of determining compliance with this Agreement (including **Section 9**, **Section 10** and the definition of “Debt”), any election by the Company to measure any item of Debt using fair value (as permitted by Financial Accounting Standards Board Accounting Standards Codification Topic No. 825-10-25 – *Fair Value Option*, International Accounting Standard 39 – *Financial Instruments: Recognition and Measurement* or any similar accounting standard) shall be disregarded and such determination shall be made as if such election had not been made.

(b) If:

- (i) there occurs a material change in GAAP;
- (ii) the Company, or any of the Restricted Subsidiaries adopts a material change in an accounting policy in order to more appropriately present events or transactions in its financial statements; or
- (iii) the conversion by the Company from Canadian generally accepted accounting principles to U.S. generally accepted accounting principles or the conversion by the Company from U.S. generally accepted accounting principles to Canadian generally accepted accounting principles;

and in either case the above change would require disclosure under GAAP in the consolidated financial statements of the Company and would cause an amount required to be determined for the purposes of a financial covenant under **Section 10.1, 10.2 or 10.3** or otherwise (a “*Financial Covenant*”) to be materially different than the amount that would be determined without giving effect to such change, the Company shall notify each holder of such change (an “*Accounting Change*”). Such notice (an “*Accounting Change Notice*”) shall describe the nature of the Accounting Change, its effect or anticipated effect on the current and immediately prior year’s financial statements in accordance with GAAP and state whether the Company desires to revise the method of calculating one or more of the Financial Covenants (including the revision of any of the defined terms used in the determination of such Financial Covenant) in order that amounts determined after giving effect to such Accounting Change and the revised method of calculating such Financial Covenant will approximate the amount that would be determined without giving effect to such Accounting Change and without giving effect to the revised method of calculating such Financial Covenant. The Accounting Change Notice shall be delivered to the holders within 60 days of the end of the fiscal quarter in which the Accounting Change is implemented or, if such Accounting Change is implemented in the fourth fiscal quarter or in respect of an entire fiscal year, within 120 days of the end of such period.

If, pursuant to the Accounting Change Notice, the Company does not indicate that it desires to revise the method of calculating one or more of the Financial Covenants, the Required Holders may, within 30 days of receipt of the date of the Accounting Change Notice, notify the Company that they wish to revise the method of calculating one or more of the Financial Covenants in the manner described above.

If either the Company or the Required Holders so indicate that they wish to revise the method of calculating one or more of the Financial Covenants, the Company and the Required Holders shall in good faith attempt to agree on a revised method of calculating the Financial Covenants. If, however, within 120 days of the foregoing notice by the Company or the Required Holders of their desire to revise the method of calculating one or more of the Financial Covenants, the Company and the Required Holders have not reached agreement in writing on such revised method of calculation, such method of calculation shall not be revised and all amounts to be determined thereunder shall be determined without giving effect to the Accounting Change. For greater certainty, if no notice of a desire to revise the method of

calculating the Financial Covenants in respect of an Accounting Change is given by either the Company or the Required Holders within the applicable time period described above, the method of calculating the Financial Covenants shall not be revised in response to such Accounting Change and all amounts to be determined pursuant to the Financial Covenants shall be determined after giving effect to such Accounting Change.

If a certificate is delivered pursuant to **Section 7.2** in respect of a fiscal quarter or fiscal year in which an Accounting Change is implemented without giving effect to any revised method of calculating any of the Financial Covenants, and subsequently, as provided above, the method of calculating one or more of the Financial Covenants is revised in response to such Accounting Change, or the amounts to be determined pursuant to any of the Financial Covenants are to be determined without giving effect to such Accounting Change, the Company shall deliver within 30 days of such revision a revised certificate in accordance with **Section 7.2**. Any Default or Event of Default arising as a result of the Accounting Change and which is cured by this **Section 23.5** shall be deemed to be of no effect *ab initio*.

Section 23.6. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

Section 23.7. Construction, Etc. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

For the avoidance of doubt, all **Schedules** and **Exhibits** attached to this Agreement shall be deemed to be a part hereof.

Section 23.8. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

Section 23.9. Governing Law. This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the Province of Alberta and the laws of Canada applicable therein, excluding choice-of-law principles of the law of such Province that would require the application of the laws of a jurisdiction other than such Province.

Section 23.10. Jurisdiction and Process; Waiver of Jury Trial. (a) The Company hereby irrevocably submits and consents to the jurisdiction of the Court of Queen's Bench of Alberta,

and irrevocably agrees that all actions or proceedings relating to this Agreement and the Notes may be litigated in such court, and the Company waives any objection which it may have based on improper venue or *forum non conveniens* to the conduct of any proceeding in any such court and waives personal service of any and all process upon it, and consents that all such service of process be made by delivery to it at the address of the Company set forth in **Section 19** above or to its agent referred to below at such agent's address set forth below (with a courtesy copy to the Company at the address set forth in **Section 19**) and that service so made shall be deemed to be completed upon actual receipt.

(b) The Company consents to process being served by or on behalf of any holder of a Note in any suit, action or proceeding of the nature referred to in **Section 23.10(a)** by mailing a copy thereof by registered or certified or priority mail, postage prepaid, return receipt requested, or delivering a copy thereof in the manner for delivery of notices specified in **Section 19**. The Company agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(c) Nothing in this **Section 23.10** shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(d) The Company hereby irrevocably appoints any Partner of the law firm of Blake, Cassels & Graydon LLP who is a member of the Law Society of Alberta, with an office on the date hereof at Suite 3500, East Tower Bankers Hall, 855 2nd Street S.W., Calgary, Alberta, Canada 2TP 4J8, Attn: Chad Schneider, as its agent for the purpose of accepting service of process within the Province of Alberta.

(e) THE PARTIES HERETO HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HERewith OR THEREWITH.

Section 23.11. Obligation to Make Payment in Dollars. Any payment on account of an amount that is payable hereunder or under the Notes in U.S. Dollars which is made to or for the account of any holder of Notes in any other currency, whether as a result of any judgment or order or the enforcement thereof or the realization of any security or the liquidation of the Company, shall constitute a discharge of the obligation of the Company under this Agreement or the Notes only to the extent of the amount of U.S. Dollars which such holder could purchase in the foreign exchange markets in New York, New York, with the amount of such other currency in accordance with normal banking procedures at the rate of exchange prevailing on the New York Banking Day following receipt of the payment first referred to above. If the amount of U.S. Dollars that could be so purchased is less than the amount of U.S. Dollars originally due to

such holder, the Company agrees to the fullest extent permitted by law, to indemnify and save harmless such holder from and against all loss or damage arising out of or as a result of such deficiency. This indemnity shall, to the fullest extent permitted by law, constitute an obligation separate and independent from the other obligations contained in this Agreement and the Notes, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by such holder from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under the Notes or under any judgment or order. As used herein the term “New York Banking Day” shall mean any day other than Saturday or Sunday or a day on which commercial banks are required or authorized by law to be closed in New York, New York.

GUARANTEE AND INDEMNITY

Section 2.1. Guarantee. Each Guarantor unconditionally and irrevocably guarantees to and for the benefit of each of the Noteholders the due and punctual payment and performance of all Guaranteed Obligations. This Agreement contained herein is an absolute, unconditional, present and continuing guarantee of payment, and not of collection, is in no way conditioned or contingent upon any attempt to collect from or enforce payment by the Company or upon any other event, contingency or circumstance whatsoever and shall be binding upon and against each Guarantor without regard to the validity or enforceability of any Note Document. If, for any reason whatsoever, the Company shall fail or be unable to duly, punctually and fully pay or perform any Guaranteed Obligation as and when the same shall become due and payable, each Guarantor shall forthwith pay, cause to be paid or cause to be performed, such Guaranteed Obligation to the Noteholders.

Section 2.2. Indemnity. The Noteholders may concede or compromise any claim that such payment ought to be rescinded or otherwise returned, without discharging, diminishing or in any way affecting the liability and the obligation of any Guarantor under this Agreement.

ARTICLE 3

SUBORDINATION

Section 3.1. Subordination and Postponement. Each Guarantor agrees that the Subordinated Obligations shall be fully subordinated and postponed as contemplated in this Agreement, to and in favour of the Prior Obligations in all circumstances. The Noteholders shall have priority over each Guarantor in respect of all of the property of every nature and kind now existing or hereafter acquired of the Company and any other Restricted Subsidiary, to discharge and satisfy the Prior Obligations, all in priority to any claim of any Guarantor.

Without limiting the generality of the foregoing and in addition to any other rights and remedies available to the Noteholders under this Agreement, a Noteholder may give a written notice (a “*Default Notice*”) to any Guarantor that a Default or Event of Default has occurred and is continuing and notwithstanding the provisions of any of the Subordinated Documents, each Guarantor shall, subject to applicable laws relating to bankruptcy, insolvency or other laws affecting creditors’ rights generally, to the extent of its legal entitlement to do so, hold in trust for the Noteholders and immediately pay over to the Noteholders, all Subordinated Proceeds which it then holds or it receives or holds at any time thereafter.

Section 3.5. Insolvency/Receivership. In the event of any Proceeding involving or affecting the Company or its property and/or any other Restricted Subsidiary or their property, or any marshalling of the assets and liabilities of the Company and/or any other Restricted Subsidiary:

(a) the Noteholders will be entitled to receive payment in full of the Prior Obligations before any Guarantor will be entitled to receive any payment upon the Subordinated Obligations or any distribution of any kind or character, whether in cash, securities or other Property, that may be payable or deliverable in any such event in respect of the Subordinated Obligations;

(b) any payment or distribution of any property of the Company and/or any other Restricted Subsidiary of any kind or character, whether in cash, securities or other Property, to which any Guarantor would be entitled, except for the provisions of this Section 3.5, shall, subject to applicable laws relating to bankruptcy, insolvency or other laws affecting creditors’ rights generally, to the extent of its legal entitlement to do so, be paid by the Person making such payment or distribution, whether a trustee in bankruptcy, a receiver, receiver and manager or liquidator, trustee or otherwise, directly to the Noteholders, to the extent necessary to pay in full all Prior Obligations, including, without limitation, the Indemnified Amounts, remaining unpaid after giving effect to any concurrent payment or distribution to the Noteholders; and

(c) if, notwithstanding the foregoing, any payment or distribution of property of the Company and/or any other Restricted Subsidiary of any kind or character, whether in cash, securities or other property, is received by a Guarantor before all Prior Obligations are paid in full, such payment or distribution shall be held in trust by such Guarantor for the benefit of and shall, subject to applicable laws relating to bankruptcy, insolvency or other laws affecting creditors' rights generally, to the extent of its legal entitlement to do so, be paid over to the Noteholders for application to the payment of all Prior Obligations remaining unpaid until all Prior Obligations have been paid in full after giving effect to any concurrent payment or distribution to the Noteholders.

Section 3.6. Dealings with the Company/Restricted Subsidiaries. The Noteholders shall be entitled to deal with the Company, any other Restricted Subsidiary, the Note Documents and the Prior Obligations as the Noteholders may see fit without in any manner affecting the subordination of the Subordinated Obligations to the Prior Obligations, and in particular, without limiting the generality of the foregoing, the Noteholders may from time to time:

(a) grant time, renewals, extensions, releases, discharges or other indulgences or forbearances to the Company and/or any other Restricted Subsidiary;

(b) waive timely and strict compliance with or refrain from exercising any rights under the Note Documents or the Prior Obligations; and

(c) take and give up security interests in the property of the Company and/or any other Restricted Subsidiary and release, amend, extend, supplement, restate, substitute or replace any of the Note Documents or the Prior Obligations in whole or in part.

Section 3.7. Notice by each Guarantor. No Guarantor shall enforce any right or remedy against the Company and/or any other Restricted Subsidiary by reason of a default by the Company and/or any other Restricted Subsidiary under the Subordinated Documents unless such Guarantor provides 180 days' prior written notice to the Noteholders of any such default and the intention of such Guarantor to exercise its rights and remedies in respect of such default, together with reasonable particulars thereof.

ARTICLE 4

ENFORCEMENT

Section 4.1. Demand. Upon default in the payment or performance of the Guaranteed Obligations or any part thereof, the Guarantors shall, on demand by or on behalf of the Noteholders, forthwith pay to the Noteholders, and/or perform or cause the performance of, all Guaranteed Obligations for which such demand was made. In addition, all Indemnified Amounts shall be payable by the Guarantors to the Noteholders forthwith upon demand by the Required Holders.

Section 4.2. Right to Immediate Payment or Performance. The Noteholders shall not be bound to make any demand on or to seek or exhaust their recourse against the Company or any other Person or any Security Interest held by the Noteholders, before being entitled to demand payment from or performance by the Guarantors and enforce their rights under this Agreement, and each Guarantor hereby renounces all benefits of discussion and division.

Section 4.3. Subrogation. No Guarantor shall have any right of subrogation to the Noteholders or be otherwise entitled to claim the benefit of any Security Interest now or hereafter held by the Noteholders in respect of the Guaranteed Obligations or the Indemnified Amounts, until the Noteholders have received full and final payment and performance of all Guaranteed Obligations, all Indemnified Amounts and all other amounts payable hereunder.

Section 4.4. Principal Debtor. Any amounts which may not be recoverable from any Guarantor as guarantor under this Agreement shall be recoverable from such Guarantor as principal debtor in respect thereof and shall be paid to the Noteholders by such Guarantor after demand therefor.

ARTICLE 5

PROTECTION OF NOTEHOLDERS

Section 5.1. Defects in Creation of Guaranteed Obligations. None of the Noteholders shall be concerned to see or inquire into the capacity and powers of the Company or its directors, officers, employees or agents acting or purporting to act on its behalf. All obligations, liabilities and indebtedness purporting to be incurred by the Company in favor of the Noteholders shall be deemed to form part of the Guaranteed Obligations even though the Company may not be a legal entity or the incurring of such obligations, liabilities or indebtedness was irregularly, fraudulently, defectively or informally effected or in excess of the capacity or powers of the Company or its directors, officers, employees or agents and notwithstanding that the Noteholders have specific notice of the capacity and powers of the Company or its directors, officers, employees or agents.

Section 5.2. Liability Absolute. This Agreement shall be a continuing guarantee and subordination agreement and the liability of the Guarantors hereunder shall be absolute, unconditional and irrevocable and shall not be discharged, diminished or in any way affected by:

(a) any amalgamation, merger, consolidation or reorganization of the Company, any Guarantor or any other Restricted Subsidiary or any continuation of the Company, any Guarantor or any other Restricted Subsidiary from the statute under which it now or hereafter exists to another statute whether under the laws of the same jurisdiction or another jurisdiction;

(b) any change in the name, business, objects, capital structure, ownership, constating documents, by-laws, declarations of trust, partnership agreements or resolutions of the Company, any other Restricted Subsidiary or any Guarantor, as the case may be, including without limitation any transaction (whether by way of transfer,

sale or otherwise) whereby all or any part of the undertaking, property and assets of the Company, any other Restricted Subsidiary or any Guarantor becomes the property of any other Person;

(c) any lack of validity, enforceability or value of any Note Document or any other agreement or instrument relating thereto or to any Security Interest therefor;

(d) any change in the time, manner or place of payment of, or in any other term of any Note Document or any amendment or waiver thereof, or any consent to departure from any Note Document;

(e) any taking, exchange, release or non-perfection of any Security Interest, or any release or amendment or waiver of or consent to departure from any other guarantee for any Note Document;

(f) any manner of application of any Security Interest or proceeds of realization thereof, or any manner of sale or other disposition of any collateral or any other assets of the Company, any other Restricted Subsidiary or any Guarantor;

(g) the bankruptcy, insolvency, liquidation or dissolution of the Company, any other Restricted Subsidiary or any Guarantor, or any other Person, and the occurrence of any other proceeding as a result of such bankruptcy or insolvency;

(h) any amendment or modification of or supplement to or other change in any Note Document;

(i) any failure, omission or delay on the part of any Person to conform or comply with any term of any Note Document;

(j) to the extent as may be waived under applicable law, the benefit of all principles or provisions of law, statutory or otherwise, which may be in conflict with the terms hereof, or

(k) any other circumstance which might otherwise constitute in whole or in part a defense available to, or a discharge of, any Guarantor, the Company, any other Restricted Subsidiary or any other Person in respect of the Guaranteed Obligations or the other obligations of such Guarantor hereunder.

Without limiting the generality of the foregoing, each Guarantor agrees that repeated and successive demands may be made and recoveries and judgments may be had hereunder as and when, from time to time, the Company shall default under or fail to comply with the terms of any Note Document and that notwithstanding the recovery or judgment hereunder for or in respect of any given default or failure to so comply by the Company under such Note Document, this Agreement shall remain in force and effect and shall apply to each and every subsequent default. If (i) an Event of Default shall at any time have occurred and be continuing and (ii) such exercise, or any consequences thereof provided in any Note Document, as the case may be, shall

at any time be prevented by reason of the pendency against the Company of a Proceeding, each Guarantor agrees that, solely for purposes of this Agreement and its obligations hereunder, such Note Document shall be deemed to have been declared in default and all amounts thereunder shall be deemed to be due and payable, with all the attendant consequences as provided in such agreement as if declaration of an Event of Default and the consequence thereof had been accomplished in accordance with the terms thereof, and each Guarantor shall forthwith pay and perform the Guaranteed Obligations.

Section 5.3. No Merger. The Guarantor covenants and agrees with the Noteholders that, in the case of any judicial or other proceeding to enforce the rights and remedies of the Noteholders hereunder (or any part hereof), judgment may be rendered against the Guarantor in favour of the Noteholders (or any of them) for any amount owing under this Agreement (or for which the Guarantor may be liable hereunder after the application to the payment thereof of the proceeds of any sale of any of the property of the Guarantor) and such judgment shall not create a merger with any other right or amount owing to the Noteholders under this Agreement or under any other Note Document.

Section 5.4. Dealings by the Noteholders. The Noteholders may from time to time in their absolute discretion, without discharging, diminishing or in any way affecting the liability of the Guarantors hereunder:

- (a) permit any increase or decrease, however significant, of the Guaranteed Obligations or supplement, amend, restate or substitute, in whole or in part, however significant, the Guaranteed Obligations, any Note Document or any other agreement relating to any of the foregoing or, in whole or in part, demand payment of all or any Guaranteed Obligations and/or the Indemnified Amounts;

- (b) enforce or take action under or abstain from enforcing or taking action under any Note Document or any other guarantee of the Guaranteed Obligations;

- (c) receive, give up, subordinate, release or discharge any Security Interest; supplement, amend, restate, substitute, renew, abstain from renewing, perfect or abstain from perfecting or maintaining the perfection of any Security Interest; enforce, take action under or realize in any manner or abstain from enforcing, taking action under or realizing any Security Interest; deal with or abstain from dealing with all or any part of the undertaking, property and assets subject to any Security Interest; or allow or abstain from allowing the Company or other Persons to deal with all or any part of such undertaking, property and assets;

No loss of or in respect of any Security Interest for the Guaranteed Obligations, the Indemnified Amounts or any part thereof, whether occasioned through the fault of the Noteholders or otherwise, shall discharge, diminish or in any way affect the liability of the Guarantors hereunder. ARTICLE 6

AFFIRMATIVE COVENANTS

Each Guarantor covenants that so long as this Agreement remains outstanding:

Section 6.1. Compliance with Law. (a) Such Guarantor will comply with all laws, ordinances or governmental rules or regulations to which each of them is subject, including, without limitation, ERISA, the USA Patriot Act and applicable laws in respect of Non-U.S. Pension Plans and all Environmental Laws, and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of its businesses, in each case to the

extent necessary to ensure that non-compliance with such laws, ordinances or governmental rules or regulations or failures to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) Without limiting Section 6.1(a), such Guarantor will not take any action that would cause any supplemental pension plan, any employee pension arrangement or any employee benefit plan maintained by it to be terminated in a manner which could reasonably be anticipated to result in the imposition of a Material Lien on any property of such Guarantor pursuant to any Canadian federal or provincial law, nor will such Guarantor withdraw from any multiemployer plan if such withdrawal would subject such Guarantor to a liability that would have a Material Adverse Effect.

Section 6.2. Insurance. Such Guarantor will maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities of established reputations engaged in the same or a similar business and similarly situated.

Section 6.3. Maintenance of Properties. Such Guarantor will maintain and keep, or cause to be maintained and kept, its properties in good repair, working order and condition (other than ordinary wear and tear), so that the business carried on in connection therewith may be properly conducted at all times; *provided* that this **Section 6.3** shall not prevent such Guarantor from discontinuing the operation and the maintenance of any of its properties if such discontinuance is desirable in the conduct of its business and such Guarantor has concluded that such discontinuance could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 6.4. Payment of Taxes and Claims. Such Guarantor will file all tax returns required to be filed in any jurisdiction and to pay and discharge all taxes shown to be due and payable on such returns and all other taxes, assessments, governmental charges, or levies imposed on them or any of their properties, assets, income or franchises, to the extent such taxes and assessments have become due and payable and before they have become delinquent and all claims for which sums have become due and payable that have or might become a Lien on properties or assets of such Guarantor; *provided* that such Guarantor need not pay or discharge any such tax assessment, charge or levy if (a) the amount, applicability or validity thereof is contested by such Guarantor on a timely basis in good faith and in appropriate proceedings, and such Guarantor has established adequate reserves therefor in accordance with GAAP on the books of the Company or such Guarantor or (b) the nonpayment of all such taxes, assessments, charges and levies in the aggregate could not reasonably be expected to have a Material Adverse Effect.

Section 6.5. Legal Existence, Etc. Subject to and except as permitted by Sections 10.6 and 10.7 and by Section 23.3 of the Note Purchase Agreement, such Guarantor will at all times

preserve and keep in full force and effect its legal existence (unless merged, amalgamated, consolidated or wound-up into the Company or a Wholly-owned Subsidiary) and all rights and franchises of such Guarantor unless, in the good faith judgment of such Guarantor, the termination of or failure to preserve and keep in full force and effect such corporate existence, right or franchise could not, individually or in the aggregate, have a Material Adverse Effect.

Section 6.6. Nature of Business. Such Guarantor will not engage in any business if, as a result, the general nature of the business, taken on a consolidated basis, which would then be engaged in by such Guarantor and its Subsidiaries would be substantially changed from its business relating to the development, production, processing and transportation of hydrocarbons.

Section 6.7. Guarantee to Rank Pari Passu. All obligations under this Agreement of such Guarantor are and at all times shall remain direct and unsecured obligations of such Guarantor ranking *pari passu* as against the assets of such Guarantor with all other present and future unsecured Debt (actual or contingent) of such Guarantor which is not expressed to be subordinate or junior in rank to any other unsecured Debt of such Guarantor.

REPRESENTATIONS

Each Guarantor represents and warrants to you on and as of the date of the Closing that:

Section 8.1. Organization; Power and Authority. Such Guarantor is a legal entity duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Such Guarantor has the power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and to perform the provisions hereof. Each Guarantor is subject to the relevant commercial law and civil law and is generally subject to suit and it is not, nor does any of its properties or revenues, enjoy any right of immunity from any judicial proceedings, including attachment prior to judgment, attachment in aid of execution, execution of the judgment or otherwise. Such Guarantor represents that the execution and delivery of this Agreement constitute private and commercial acts rather than governmental or public acts of such Guarantor.

Section 8.2. Authorization, Etc. This Agreement has been duly authorized by all necessary action on the part of each Guarantor, and this Agreement constitutes, a legal, valid and binding obligation of such Guarantor enforceable against each Guarantor in accordance with its

Section 8.3. Compliance with Laws, Other Instruments, Etc. The execution, delivery and performance by such Guarantor of this Agreement will not (a) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of such Guarantor under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter or by-laws or the legal equivalent of the foregoing, or any other agreement or instrument to which such Guarantor is bound or by which such Guarantor or any of its respective properties may be bound or affected, (b) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to such Guarantor, or (c) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to such Guarantor.

Section 8.4. Governmental Authorizations, Etc. No consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required in connection with the execution, delivery or performance by such Guarantor of this Agreement, including, without limitation, any thereof required in connection with the obtaining of U.S. Dollars to make payments under this Agreement or the Notes and the payment of such U.S. Dollars to Persons resident in the United States of America, other than (i) the filing of a Form 45-106F1 and, if applicable, a Form 45-106F6 with the applicable Canadian securities regulatory authorities on or before the tenth day following the date of Closing, together with the applicable fees, and (ii) the filing of any document that constitutes an "offering memorandum" within the meaning of applicable Canadian provincial securities laws with the applicable Canadian securities regulatory authorities, together with the applicable fees. It is not necessary to ensure the legality, validity, enforceability or admissibility into evidence in Canada of this Agreement that this Agreement or any other document be filed, recorded or enrolled with any Governmental Authority, or that any such agreement or document be stamped with any stamp, registration or similar transaction tax that may be required in connection with admissibility into evidence.

Section 8.5. Foreign Assets Control Regulations, Etc. Neither such Guarantor nor any of its Controlled Affiliates (i) is a Blocked Person, (ii) has been notified that its name appears or may in the future appear on a State Sanctions List or (iii) is a target of sanctions that have been imposed by the United Nations or the European Union. Neither such Guarantor nor any of its Controlled Affiliates (i) has violated, been found in violation of, or been charged or convicted under, any applicable U.S. Economic Sanctions Laws, Anti-Money Laundering Laws or Anti-Corruption Laws or (ii) to such Guarantor's knowledge, is under investigation by any Governmental Authority for possible violation of any U.S. Economic Sanctions Laws, Anti-Money Laundering Laws or Anti-Corruption Laws. Such Guarantor has established procedures and controls which it reasonably believes are adequate (and otherwise comply with applicable law) to ensure that the Guarantor and each of its Controlled Affiliates is and will continue to be in compliance with all applicable U.S. Economic Sanctions Laws, Anti-Money

Laundering Laws and Anti-Corruption Laws. Neither the Guarantor nor any of its Controlled Affiliates (i) is a Person described or designated under the provisions of the *Special Economic Measures Act* (Canada) or the *United Nations Act* (Canada), or any associated anti-money laundering and anti-terrorism laws and regulations in effect in Canada (each a “*Canadian Sanctions Designated Person*”), (ii) knowingly engages in any dealings or transactions with any Canadian Sanctions Designated Person that are restricted or prohibited under the statutes or regulations described in Section 5.16(e)(i) of the Note Purchase Agreement, or (iii) knowingly is in possession or control of any property or entity that is owned or controlled by a Canadian Sanctions Designated Person.

Section 8.6. Guarantee Rank Pari Passu. The obligations of such Guarantor under this Agreement rank at least *pari passu* in right of payment with all other senior unsecured Debt (actual or contingent) of such Guarantor, including, without limitation, all senior unsecured Debt of such Guarantor described in Schedule 5.15 of the Note Purchase Agreement.

ARTICLE 9

Section 9.2. No Prejudice. None of the Noteholders shall be prejudiced in their rights and remedies hereunder by any act or failure to act of any Guarantor, the Company or any other Restricted Subsidiary, or any failure by any Guarantor, the Company or any other Restricted Subsidiary to comply with any agreement or obligation, regardless of any knowledge thereof which the Noteholders may have or be deemed to have or with which the Noteholders may be charged.

Section 9.4. No Challenge. None of the Guarantors, the Company or any other Restricted Subsidiary shall at any time challenge, dispute or contest the validity or enforceability of the guarantee, subordination and postponement provided for herein or take any action that could diminish, impair or prejudice the guarantee, subordination and postponement contemplated hereby.

Section 9.5. Guarantor Shall Grant No Security Interest. No Guarantor will sell, transfer, assign, negotiate, mortgage, charge, grant a Security Interest in or otherwise encumber or dispose of in any manner whatsoever its interest in the Subordinated Documents or the Subordinated Obligations, or any part thereof to any Person, unless such Person shall have first become bound by the obligations of the Guarantors set out in Article 3 of this Agreement.

Section 9.6. No Waiver. No delay on the part of the Noteholders in the exercise of any right, power or remedy hereunder or otherwise shall operate as a waiver thereof, and no single or partial exercise by the Noteholders of any right, power or remedy shall preclude other or further exercise thereof or the exercise of any other right, power or remedy. No action of the Noteholders permitted hereunder shall in any way impair or affect its rights, powers or remedies under this Agreement.

Section 9.7. Additional Security. This Agreement shall be in addition to, and shall not be in any way prejudiced by nor shall this Agreement prejudice:

(a) any Security Interest or guarantee now or hereafter held by the Noteholders, and

(b) the endorsement by any Guarantor of any notes or other documents,

and rights of the Noteholders under this Agreement shall not be merged in any such other Security Interest, guarantee or endorsement.

Section 9.8. Assignment. No Guarantor shall assign any of its obligations with respect to this Agreement without the prior written consent of the Required Holders except to the extent permitted under the Note Purchase Agreements.

Section 9.10. Successors and Assigns. This Agreement shall be binding upon each Guarantor and its successors and permitted assigns and enure to the benefit of the Noteholders and their respective successors and assigns.

Section 9.11. Obligation to Make Payment in Dollars. Any payment on account of an amount that is payable hereunder in U.S. Dollars which is made to or for the account of any holder of Notes in any other currency, whether as a result of any judgment or order or the enforcement thereof or the realization of any security or the liquidation of each Guarantor, shall constitute a discharge of the obligation of the Guarantors under this Agreement only to the extent of the amount of U.S. Dollars which such holder could purchase in the foreign exchange markets in New York, New York, with the amount of such other currency in accordance with normal banking procedures at the rate of exchange prevailing on the New York Banking Day following receipt of the payment first referred to above. If the amount of U.S. Dollars that could be so purchased is less than the amount of U.S. Dollars originally due to such holder, each Guarantor agrees to the fullest extent permitted by law, to indemnify and save harmless such holder from and against all loss or damage arising out of or as a result of such deficiency. This indemnity shall, to the fullest extent permitted by law, constitute an obligation separate and independent from the other obligations contained in this Agreement, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by such holder from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under the Notes or under any judgment or order. As used herein the term “New York Banking Day” shall mean any day other than Saturday or Sunday or a day on which commercial banks are required or authorized by law to be closed in New York, New York.

Section 9.12. Copy Received. Each Guarantor acknowledges receipt of a copy of this Agreement.

Section 9.13. Time of the Essence. Time shall be of the essence.

Section 9.14. Tax Indemnification. All payments whatsoever under this Agreement with respect to the Notes will be made by each Guarantor in lawful currency of the United States of America free and clear of, and without liability for withholding or deduction for or on account of, any present or future Taxes of whatever nature imposed or levied by or on behalf of any jurisdiction, unless the withholding or deduction of such Tax is compelled by law.

If any deduction or withholding for any Tax shall at any time be required in respect of any amounts to be paid by any Guarantor under this Agreement with respect to the Notes, such Guarantor will pay to the relevant jurisdiction the full amount required to be withheld, deducted or otherwise paid before penalties attach thereto or interest accrues thereon and pay with respect to any deduction or withholding for any Tax of any jurisdiction other than the United States (or any political subdivision or taxing authority of or in such jurisdiction) (hereinafter a “*Taxing Jurisdiction*”) to each holder of a Note such additional amounts as may be necessary in order that the net amounts paid to such holder pursuant to the terms of this Agreement or the Notes after such deduction, withholding or payment (including, without limitation, any required deduction or withholding of Tax on or with respect to such additional amount), shall be not less than the amounts then due and payable to such holder under the terms of this Agreement or the Notes before the assessment of such Tax, *provided* that no payment of any additional amounts hereunder shall be required to be made for or on account of:

(a) any Tax that would not have been imposed but for the existence of any present or former connection between such holder (or a fiduciary, settlor, beneficiary, member of, shareholder of, or possessor of a power over, such holder, if such holder is an estate, trust, partnership or corporation or any Person other than the holder to whom the Notes or any amount payable thereon is attributable for the purposes of such Tax) and the Taxing Jurisdiction, other than the mere holding of the relevant Note or the receipt of payments thereunder or in respect thereof, including, without limitation, such holder (or such other Person described in the above parenthetical) being or having been a citizen or resident thereof, or being or having been present or engaged in trade or business therein or having or having had an establishment, office, fixed base or branch therein, *provided* that this exclusion shall not apply with respect to a Tax that would not have been imposed but for a Guarantor, after the Execution Date, opening an office in, moving an office to, reincorporating in, or changing the Taxing Jurisdiction from or through which payments on account of this Agreement or the Notes are made to, the Taxing Jurisdiction imposing the relevant Tax;

(b) any Tax that would not have been imposed but for the delay or failure by such holder (following a written request by the Guarantors) in the filing with the relevant Taxing Jurisdiction or providing to each Guarantor Forms (as defined below) that are required to be filed or provided by such holder to avoid or reduce such Taxes (including for such purpose any refilings or renewals that may from time to time be required by the relevant Taxing Jurisdiction), *provided* that the filing or provision of such Forms would not (in such holder's reasonable judgment) impose any unreasonable burden (in time, resources or otherwise) on such holder or result in any confidential or proprietary income tax return information being revealed, either directly or indirectly, to any Person and such delay or failure could have been lawfully avoided by such holder, and *provided further* that such holder shall be deemed to have satisfied the requirements of this clause (b) upon the good faith completion and submission of such Forms (including refilings or renewals) as may be specified in a written request of any Guarantor no later than 60 days after receipt by such holder of such written request (accompanied by copies of such Forms and related instructions, if any, all in the English language or with an English translation thereof);

(c) to a holder of a Note (or a third party on behalf of a holder) in circumstances where the holder or beneficial owner (if other than the holder) is not a resident of Canada for purposes of the Income Tax Act (Canada) and is not acting at arm's length (as defined in the Income Tax Act (Canada)) with the Company or the Guarantor or is a "specified non-resident shareholder" or a non-resident person not dealing at arm's length with a "specified shareholder" of the Company or the Guarantor for purposes of subsection 18(5) of the Income Tax Act (Canada); or

(d) any combination of clauses (a), (b) and (c) above;

and, *provided, further* that in no event shall any Guarantor be obligated to pay such additional amounts to any holder of a Note (i) not resident in the United States of America or any other jurisdiction in which the purchaser of the Notes under the Note Purchase Agreement and not any

substituted Purchaser pursuant to Section 22 of the Note Purchase Agreements or successor or assign (including, without limitation, any subsequent holder of a Note) pursuant to Section 23.3 of the Note Purchase Agreements) are resident for tax purposes on the Execution Date in excess of the amounts that such Guarantor would be obligated to pay if such holder had been a resident of the United States of America or such other jurisdiction, as applicable, for purposes of, and eligible for the benefits of, any double taxation treaty from time to time in effect between the United States of America or such other jurisdiction and the relevant Taxing Jurisdiction or (ii) registered in the name of a nominee if under the law of the relevant Taxing Jurisdiction (or the current regulatory interpretation of such law) securities held in the name of a nominee do not qualify for an exemption from the relevant Tax and such Guarantor shall have given timely notice of such law or interpretation to such holder.

Each holder of a Note shall, upon the occurrence of any event giving rise to the operation of this Section 9.14 with respect to such holder, if requested by any Guarantor, use reasonable efforts (subject to overall policy considerations of such holder) to designate another lending office for any Note affected by such event with the object of avoiding the consequences of such event; *provided*, that such designation is made on terms that, in the sole judgment of such holder, cause such holder and its lending office(s) to suffer no economic, legal or regulatory disadvantage, and *provided, further*, that nothing in this paragraph shall affect or postpone any of the obligations of such Guarantor or the rights of any holder pursuant to this Section 9.14.

By acceptance of any Note, the holder of such Note agrees, subject to the limitations of clause (b) above, that it will from time to time with reasonable promptness (x) duly complete and deliver to or as reasonably directed by any Guarantor all such forms, certificates, documents and returns provided to such holder by such Guarantor (collectively, together with instructions for completing the same, “*Forms*”) required to be provided or filed by or on behalf of such holder in order to avoid or reduce any such Tax pursuant to the provisions of an applicable statute, regulation or administrative practice of the relevant Taxing Jurisdiction or of a tax treaty entered into by such Taxing Jurisdiction and (y) provide such Guarantor with such information with respect to such holder as such Guarantor may reasonably request in order to complete any such Forms, *provided* that nothing in this Section 9.14 shall require any holder to provide information with respect to any such Form or otherwise if in the opinion of such holder such Form or disclosure of information would involve the disclosure of tax return or other information that is confidential or proprietary to such holder, and *provided further* that each such holder shall be deemed to have complied with its obligation under this paragraph with respect to any Form if such Form shall have been duly completed and delivered by such holder to each Guarantor or mailed to the appropriate taxing authority, whichever is applicable, within 60 days following a written request of such Guarantor (which request shall be accompanied by copies of such Form and English translations of any such Form not in the English language) and, in the case of a transfer of any Note, at least 90 days prior to the relevant interest payment date.

On or before the date of the Closing the Guarantors will furnish you with copies of the appropriate Form (and English translation if required as aforesaid) currently required to be filed in Canada pursuant to clause (b) of the first paragraph of this Section 9.14, if any, and in connection with the transfer of any Note the Guarantors will furnish the transferee of such Note with copies of any Form and English translation then required.

If any payment is made by a Guarantor to or for the account of the holder of any Note after deduction for or on account of any Taxes, and increased payments are made by such Guarantor pursuant to this Section 9.14, then, if such holder at its sole discretion determines that it has received or been granted a refund of such Taxes, such holder shall, to the extent that it can do so without prejudice to the retention of the amount of such refund, reimburse to such Guarantor such amount as such holder shall, in its sole discretion, determine to be attributable to the relevant Taxes or deduction or withholding. Nothing herein contained shall interfere with the right of the holder of any Note to arrange its tax affairs in whatever manner it thinks fit and, in particular, no holder of any Note shall be under any obligation to claim relief from its corporate profits or similar tax liability in respect of such Tax in priority to any other claims, reliefs, credits or deductions available to it or (other than as set forth in clause (b) above) oblige any holder of any Note to disclose any information relating to its tax affairs or any computations in respect thereof.

Each Guarantor will furnish the holders of Notes, promptly and in any event within 60 days after the date of any payment by a Guarantor of any Tax in respect of any amounts paid under this Agreement or the Notes, the original tax receipt issued by the relevant taxation or other authorities involved for all amounts paid as aforesaid (or if such original tax receipt is not available or must legally be kept in the possession of the Guarantors, a duly certified copy of the original tax receipt or any other reasonably satisfactory evidence of payment), together with such other documentary evidence with respect to such payments as may be reasonably requested from time to time by any holder of a Note.

If any Guarantor is required by any applicable law, as modified by the practice of the taxation or other authority of any relevant Taxing Jurisdiction, to make any deduction or withholding of any Tax in respect of which such Guarantor would be required to pay any additional amount under this Section 9.14, but for any reason does not make such deduction or withholding with the result that a liability in respect of such Tax is assessed directly against the holder of any Note, and such holder pays such liability, then such Guarantor will promptly reimburse such holder for such payment (including any related interest or penalties to the extent such interest or penalties arise by virtue of a default or delay by such Guarantor) upon demand by such holder accompanied by an official receipt (or a duly certified copy thereof) issued by the taxation or other authority of the relevant Taxing Jurisdiction.

If any Guarantor makes payment to or for the account of any holder of a Note and such holder is entitled to a refund of the Tax to which such payment is attributable upon the making of a filing (other than a Form described above), then such holder shall, as soon as practicable after receiving written request from such Guarantor (which shall specify in reasonable detail and supply the refund forms to be filed), use reasonable efforts to complete and deliver such refund forms to or as directed by such Guarantor, subject, however, to the same limitations with respect to Forms as are set forth above.

The obligations of the Guarantors under this Section 9.14 shall survive the payment or transfer of any Note and the provisions of this Section 9.14 shall also apply to successive transferees of the Notes.

(i) any other reason including, without limitation, any priority granted to a Subordinator, the Subordinator Documents or the Subordinator Obligations by any applicable principle of law or equity.

Section 2.3. Such Subordinator has the legal power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and to perform the provisions hereof and thereof. Such Subordinator is subject to the relevant commercial law and civil law and is generally subject to suit and it does not, nor do any of its properties or revenues, enjoy any right of immunity from any judicial proceedings, including attachment prior to judgment, attachment in aid of execution, execution of the judgment or otherwise.
