Supplemental Response filed August 17, 2012
File No. 000-32143**

Dear Mr. Bennett:

We have limited our review of your filing to those issues we have addressed in our comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information you provide in response to these comments, we may have additional comments.

1. We note your response to comment 1 from our letter dated August 10, 2012, and we reissue, in part, the comment. Please provide additional details regarding your transaction with Air Pure Systems. In particular, please describe which entities were parties to the transaction. To this extent, we note that at the same time Viridis Capital, LLC, the company's majority-shareholder, agreed to exchange 100% of its beneficial ownership interest in the Company for 75,000 shares of the Company's Series D Preferred Stock, and the Company entered into and closed under a subscription agreement with Petrocavitation Partners, LLC for 460,000 shares of the Company's newly designated Series F Preferred Stock. Please clarify how these transactions related to the acquisition of the assets of Air Pure Systems, LLC. Please clarify whether there are any affiliations between Air Pure Systems, Viridis Capital, Petrocavitation Partners and your new CEO, Max Bennett.
