Schedule 13E-3/A, Amendment No. 3
File No. 005-84854
Schedule 14A, Amendment No. 3
File No. 333-50948
Filed October 9, 2009**

Dear Mr. Ahl:

We have reviewed your filings and have the following comments. Please revise the Schedule 13E-3 and preliminary proxy statement in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Schedule 13E-3

General

1. We refer you to your letter dated September 25, 2009. The resignation of Mr. Dolan after the principal terms of the transaction had been structured does not negate his prior actions as one of the two board members who unanimously approved the reverse stock split transaction and who was involved in the negotiation, structuring, and timing of the going private transaction. Accordingly, please revise to add Mr. Dolan to the Schedule 13e-3 and to include the requisite disclosures.

Preliminary Proxy Statement on Schedule 14A

General

2. We note your response to prior comment 1 in your letter dated October 9, 2009. We refer you to the April 30, 2009 term sheet in which LICT described Sunshine PCS as a registered public shell “in the process of doing a reverse stock split, bringing the total number of its shareholders below 300 and then filing a Form 15 to suspend its reporting obligations.” We also refer you to response 1 of your response letter dated August 14, 2009 in which you represent that the LICT board concluded in July 2008 that a merger with Sunshine “following the suspension of Sunshine’s reporting obligation, would be attractive.” Please supplementally clarify whether LICT expressed verbally or in writing, to Sunshine’s board that its proposal was contingent on the reverse stock split and going private being effected by Sunshine PCS prior to the reverse merger.

Please respond to these comments by filing a revised preliminary proxy statement and Schedule 13E-3 as appropriate. When you respond, please furnish a cover letter that keys your responses to our comments. If you believe that compliance with our comments is not appropriate, please provide a basis for your review in your response letter, which you should file electronically on EDGAR under the tag “CORRESP.” Please also note the location of any material changes made in the materials for reasons other than in response to specific staff comments. Also, note the requirements of Rule 14a-6(h) of Regulation 14A and Rule 310 of Regulation S-T.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.

Please direct any questions to Scott Hodgdon, Attorney Advisor at 202.551.3273 or, in his absence, the undersigned at (202) 551-3757.

Sincerely,

Melissa Campbell Duru
