Filed September 23, 2016

File No. 000-32389

Dear Mr. Ng:

We have limited our review of your preliminary information statement to those issues we have addressed in our comment. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to the comment within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comment applies to your facts and circumstances, please tell us why in your response.

After reviewing your response to the comment, we may have additional comments.

1. You state that you are changing the name of your company to reflect your new business direction and your plans for the future. Please expand on your disclosure to explain your new business direction and future plans. Please also affirmatively disclose whether you have any plans or intentions to enter into a merger, consolidation, acquisition or similar business transaction. If such plans or intentions exist, please provide the disclosure required by Schedule 14A, including Items 11, 13 and 14, as appropriate. Refer to Note A to Schedule 14A and Item 1 of Schedule 14C.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
