The result of the cancellations and issuances is a net cancellation of 4,970,000 common shares.

Prior to the cancellations and issuances, Valde Connections, Inc. (Formerly JDLPhotos.com, Inc.) had a total of 6,510,000 shares of common stock issued and outstanding. The canceling shareholders held approximately 93% of the issued and outstanding common stock. The result of the cancellations and issuances were 1,540,000 common shares issued and outstanding with approximately 70% of those shares being held by Mr. Carnes and Mr. Castro. These issuances are sufficient to control the registrant.

The consideration given by the canceling and receiving parties consist of the assets related to the terminated business activities and are described in Item 2 of this current report. The percentage of voting securities of the registrant directly or indirectly controlled by the new shareholders is 70% and has occurred in consideration of the transaction described in item 2 of this report.

As understood among the former and new control persons and simultaneous to the described transaction, Stephen W. Carnes was appointed the President and Director of the corporation filling the vacancy created by James J. DeLutes's resignation as President and Director of the Corporation. Mr. Carnes will serve in the interim period until the next annual shareholders meeting can be held.

On January 27, 2003 a twenty for one dividend was paid to the shareholders of record on January 24, 2003, the following table reflects that dividend.

The shareholders having beneficial ownership of more than 5% of the issued and outstanding shares of the company's common stock as of February, 11, 2003 are as follows:

<u>Title of Class</u>	<u>Beneficial Owner</u>	<u>Amount Owned</u>	<u>Percent of Class</u>

ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS.

On January 20, 2003, Valde Connections, Inc. (Formerly JDLPhotos.com, Inc.) by and through our Board of Directors determined to alter its business direction and focus on the hair salon, spa and modeling industries. In connection with this change of business direction the assets related to the discontinued operations of JDLPhoto.com, Inc. were released to James J. DeLutes in return for his common shares.

Mr. Delutes was the president and sole director of the registrant. Valde Connections, Inc. (Formerly JDLPhotos.com, Inc.) sought potential opportunities to expand operations and initiated contact with Stephen Carnes. The decision was made to develop the Valde Connections business plan.

The Board considered, including but not limited to the following factors when determining the amount of consideration for the release of assets to Mr. Delutes: the historic losses of the company, lack of current revenues, historic difficulties in implementing the current business plan, illiquidity of the company's Common Stock and the lack of available capital resources when making its valuation of the compensation related to the Agreement. The Board further considered the potential development of the Valde Connections business plan, the experience of its management team, and believes this release and change of focus will be beneficial to the shareholders.
